In an effort to keep you informed of activities, items of interest and community affairs, your LKPOA is pleased to provide you with the following information:

Sincerest thanks are due:
- The Friends of the Lodge Committee for bringing the entertaining “Coconuts” to Lake Kiowa on September 14. 150 Kiowans enjoyed the evening.
- June Cloud, Anita Morris, Jerry Coolidge, Bob and Lynette Gutierrez, Miriam and Bill Beebe and those who made cookies for planning and participating in the September 11 Memorial Service that was well attended.

Current events:
- Silt removal is moving along on Lone Wolf Cove. Approximately 50% of the silt has been removed from this cove. The pipeline is being repositioned to get the upper end of the cove.
- The crack sealing has been completed on the roads. The material for the fog sealing has been delivered and sealing should begin September 16. The parking lots by the Lodge and the Pro Shop will be done first. Homeowners will be advised when their road will be done as it cannot be driven on for four hours after the material is put down.
- The two golf bridges between number four tee box and number nine green have been completed. We know they are a bit rough, but they will be improved later. The bridge between 13 and 16 was started on Tuesday, September 10. With good weather and no delays in the obtaining of the asphalt the bridge should open on Saturday, September 14.
- The Covenants Committee reports that we still have received only approximately 350 petitions to change the covenants. We need approximately 550 petitions to change the covenants. If you forgot to send yours in, or have misplaced it, please go to the POA Office and ask for another.
- The West Beach bathroom renovation is moving along with steel and then paved with asphalt. No more spikes or splintering wood.

NEWCOMERS MIXER
Lodge
Sunday, October 20
1 to 3 p.m.
This is an opportunity for all newcomers to Lake Kiowa in the last six months or anyone who has never attended a mixer. Come with your spouse/family and meet other newcomers, LKPOA Officers and Women’s Club Officers and members. Light refreshments will be served and you will be home in plenty of time for the Cowboy game. Hope to see you there.

Candlelight Memorial 9/11
Bob Gutierrez and daughter Lynette at the 9/11 Candlelight Memorial Service in the pavilion. 175 Lake Kiowa residents gathered to remember the tragedy of a year ago. This was sponsored by the Lake Kiowa Chapel.

Groucho and the Coconuts
Play to a Full House
The Friends of the Lodge sponsored “Night in Tahiti,” held at the Lodge on Saturday, September 14, and it was a great success. The guests began their evening with a walk through tropical plants and tiki torches. Each guest was given a silk flower lei and a ticket for a frozen pina colada with pink flamingo straws. The Lodge Assembly Room had been decorated with palm trees, shells, starfish, candles and banana leaves. The next hour was spent in fellowship with a cocktail hour and music provided by the ‘Coconuts’ DJs. A lavish buffet was offered featuring a roasted pig and an elegant display of fruit. The guests were treated to Coconut Shrimp, Asian Brine Pork Loin, Polynesian Sweet & Sour Mahi Mahi, Oriental Drumettes, Thai Beef Salad, Chicken and Beef Stir-fry, and several other Polynesian and oriental dishes. Not only was the food elegant, it was delectable. The Friends of the Lodge would like to thank Chef Rocky Campbell and his entire staff for

Meet Your State Representatives
On Monday October 7, 2002 State Senator Craig Estes and Representative Rick Hardcastle will be at Lake Kiowa. They will meet with the Board at 9 a.m. to discuss taxation at Lake Kiowa and some of the legislation that has been passed and is pending concerning associations like ours. At 10 a.m. they will be in the Lodge Assembly Room to answer any questions you have to ask them and meet you. Hope you will be there with your questions.

WATER BOARD NOTES - SEPTEMBER

In an effort to keep the Kiowa Homeowners Water Supply Corporation (KHWSC) customers informed, your KHWSC Board is pleased to provide you with the following information.

The KHWSC budget year runs from Oct. 1 through Sept. 30. It appears our 2001/2002 books will close with a net loss. Some of this loss is due to the increase in electricity, health insurance, and other inflationary costs. Another factor for this loss is the amount and timing of rainfall that we received throughout the year. We had a nice soaking rain every couple of weeks. This rain was nearly perfect to minimize our water usage.

Your Water Board has decided to increase the monthly base rate from $13.00 to $17.45. The Water Board believes that the rain we experienced in 2001 and 2002 is the exception. This rate increase along with continued frugality should give us sufficient revenues for a year with a normal amount of rainfall.

Your KHWSC staff and Water Board are committed to delivering safe and cost-effective water to Lake Kiowa residents. We contacted some of the other water companies in our area. The following is our comparison of the rate of these neighboring water companies. The total column includes the base rate and usage for 30,000 total gallons of water.

<table>
<thead>
<tr>
<th></th>
<th>Base Rate</th>
<th>30,000 gals.</th>
<th>Total</th>
</tr>
</thead>
<tbody>
<tr>
<td>Lake Kiowa</td>
<td>$17.45</td>
<td>$43.00</td>
<td>$60.45</td>

To the Angels of Lake Kiowa

Thank you for your prayers, cards, phone calls and goodies. Your thoughtfulness and concern is overwhelming. Lake Kiowa is truly a heavenly place. God bless all of you!

Tracy and Pat DeForest

To the Editor:

As a Lake Kiowa Property owner of 24 years, I am concerned. I would like to ask the people of Lake Kiowa why the Kiowa Emergency Service Organization (K.E.S.O.) has taken the Outpost as a fundraising event for themselves?

The Outpost was originally created by the Lake Kiowa Fire Department Auxiliary as a way of raising funds for the Lake Kiowa Volunteer Fire Department. How did or who gave K.E.S.O. the right to take over this fundraising event? There is a newly formed Lake Kiowa Fire Department Auxiliary, which is quite capable of running the Outpost for the purpose of which it was intended. How did this happen? Who has the answer?

D. H. Davis

LAKE KIOWA TEAM WINS JOHN DEERE TROPHY

A beautiful new Austin Stone Trophy sits on the counter at the Pro Shop. It was won by our team of Lake Kiowans who participated in the 16th annual John Deere Team Challenge Regional Tournament. The play was at Lantana Golf Club in Argyle on August 26. The team consisted of the Pro, Brown McCrory; the Superintendent, David Long; and two POA Board Members, Bob Bergbower and Bob Hughes.

The format was a Pro-Am. The pro plays his own ball while the other three play their best ball. Our team finished second at 20 under, winning a trophy. Good going guys!!!
The big news in September was Jim Gary, a new resident, won the Lake Kiowa Club Championship. Gary was several strokes under the 2nd place winner. A capsule about our new champion will be included here next month.

The regular MGA meeting was held September 13. Members were briefed with the Pro Shop for details of this fun event. The monthly game was a Stableford format. First place winners: Bob Mosman, Larry Reese, Tom Fluker and Ike Gill. Second Place: Neil Seeber, Smoke Berthelot, David Hare and Dick Johnston. Third Place: Earl Lemons, Jerry Warren, Walt Behrens, and Marvin Benninger. Fourth Place: Sonny Ewing, Greg Gotses, Isak Botha, and Clif Garfat. Fifth Place: Gary Hardin, Gary Ratliff, Bill Howard, and Bruce McDonald. Tournaments for October include the Kiowa Kouples Invitational October 5 and 6. With David Long as one of the sponsors, you can bet the food will be great. Entries will be limited to 60 teams. There will be six flights of ten teams. After a 6 p.m. cocktail party Saturday, dinner will feature prime rib. A Sunday morning breakfast at the Lodge will precede the 9 a.m. shotgun start. After the 2 p.m. lunch at the Lodge, winners will be announced. There will be three low gross and low net per flight. It sounds like a great event. Entries will be limited to 60 teams. There will be three low gross and low net per flight. It sounds like a great weekend for a team entry of $150. Entries are due at the Pro Shop by September 30.

On October 26, we have the Mini-Member Guest Tournament. Check with the Pro Shop for details of this fun event.

On September 4, the WGA played a scramble, followed by the regular monthly meeting and lunch in the Lodge. There were 67 players ready to get back on the course after our August hiatus with the bridges being rebuilt. Winners of the 12 hole scramble were:

1st Low Gross with a 75 was the team of Dale Griggs, Sandi Hollon, Mary Nel O’Dell, and Doris Javors. 1st Low Net team tied with a 65.5 was the team of Dale Griggs, Sandi Hollon, Mary Nel O’Dell, and Doris Javors. 2nd Low Net with a 67 was the team of Dee Dorman, Joyce Behrens, Bobbie Rollins. 3rd Low Net with a 68.5 was the team of Peggy Robbins, and Bill Hagood. 3rd Low Net with a 68.5 was the team of Dee Dorman, Joyce Behrens, Bobbie Rollins. 2nd Low Net with a 67 was the team of Fran Adams, Judy Hughes, Bobbie Caldwell, and Katharine Brooks.

LaNelle Little was presented a small watering can for her kindness in taking care of the new tree on #6 tee box.

Members were told about the Couples Invitational Tournament planned for October 5 and 6 and encouraged to sign up before September 30. A night-tournament is also planned for September 28, with a barbecue dinner preceding it.

Elaine Blackwell, 2002 WGA Club Champion

The “Rally For a Cure” Tournament will be played on our next meeting day, October 2, and will be a Pro Am event. Yolanda Arronte, Chairman, announced that the First State Bank of Gainesville was sponsoring the Calcutta on October 1 with Lloyd Butts as the auctioneer. The motion was made and passed for the WGA to contribute $300 to the “Rally” to be used as needed for expenses, as all money collected will go to the Susan B. Komen Foundation. There are many other activities associated with this fund raiser and everyone is encouraged to participate in as many as possible – the Calcutta, free Happy Hour, door prizes, etc.

The monthly gift certificate was won by Molly Worthen, which was a golf lesson at Fossil Creek C.C.

September 20 and 21 were the dates for the annual WGA Club Championship Tournament. It was played on the weekend so that our working women could also compete. There were only four flights this year, including the nine-hole players. The 18-Hole Club

Champion is Elaine Blackwell. Carolyn Pannell finished second while Madolyn Tomlin took third place in the Championship Flight. The First Flight winner was Neta Stutzman, with Yolanda Arronte taking second place and Lucy Deck finishing third. The Second Flight was won by Sandra Essex, with Dolly Marek in second place, and Catharine Moss and Molly Worthen tied for third place. The 9-Hole Champion was Dale Griggs, with Rosemary Embry taking second place, and Marilyn McKenzie taking third.

COUNTRY/WESTERN DANCING AT THE LODGE
Bill and Miriam Beebe will be hosting Country/Western Dancing at the Lodge on Friday nights, 4 and 11 October and 8 and 15 November 2002, from 7 p.m. to 9 p.m. Come and join us for a fun time dancing to CD’s and tapes. Bring along your favorite dance music, if you wish and they will play it. Bill and Miriam will be teaching beginning waltz and two-step, along with a line dance or two for your dancing pleasure from 6:30 to 7 p.m. Dancing is open to everyone at Lake Kiowa. Children are welcome. For more information, please call 665-5292.

Stewardship at Lake Kiowa
The drinking fountain at the Little Fox Fishing Pond is just another contribution given by Marion Hoeflein and Noble Moss, Real Estate Agents for Lake Kiowa Realty. Over the years they have been very generous to return a percentage of their earnings to Lake Kiowa. They have donated prizes, monies, and refreshments for many events sponsored by MGA, WGA, the Abe Beckman Tournament, and the fireworks displays, etc. It is just their way to say Thank You and give back to the Lake Kiowa Community who has supported their work through the years.

Our second home-grown Life Master is Keith Marks, a director of the Lake Kiowa Duplicate Bridge Club, who lives at 108 Noweta with his lovely wife Roddy. Life Master is an American Contract Bridge designation bestowed upon dedicated bridge players who amass three hundred master points of the right value.

When asked about how he became interested in the game, Keith recalls “he had played a little bridge in college, but then only a few times a year until four years ago. In July of 1998 his partner at the time, Bob Bergbower, suggested they play in a tournament in Oklahoma City. They won 1.75 red points, which Keith could not retain because he had not yet joined the ACBL. Although Keith quickly submitted his paper work for membership, it had not yet been accepted when they decided to play in a week long regional Labor Day tournament in Grapevine. Forming a partnership with Dick Carroll and Christy McKenzie, who had about twenty points each, they entered a charity knock-out event, against teams with thousands of master points, in which the winners advance, while the losers are out. On the trip down they agreed it would really be nice to win one event, anyway, rather than being embarrassed immediately. Surprisingly, the team won and continued to win but lost in the finals. The upshot was that Keith’s first fifteen master points were gold.”

After that he continued to go to tournaments, until, fittingly, he finished his requirements at the Dallas Labor Day Regional this September.

“My boys have asked me of what use the Life Master designation is. I tell them that along with $1.50 it will get you a cup of coffee anywhere but Starbucks. But I really cherish it because of my partners through the years: Bob Bergbower, Dick Carroll, Christy McKenzie, and Joe Howard, the ‘Kiowa Killers.’ I really enjoy the game -- it is fascinating, and challenging -- no two hands are exactly the same -- similar perhaps, but not identical.”

Keith is also proud of his part in establishing and helping run the Lake Kiowa Duplicate Bridge Club. Keith and two others took and passed the director exam in July 1999, a necessary stepping stone to the local club. The local club has grown to be a regular part of the lives of bridge players at Lake Kiowa, Gainesville, Sherman, Ardmore, even Oklahoma City and Paul’s Valley. Players drive long distances to play in our Monday game, which usually ranges from seven to nine tables, except at our quarterly parties, when we will have 16 tables. Keith finished his cigar and smiled.
The top three anglers at our August 24 full-moon tournament are listed below:
• Chance Willis won in both the big bass category with a 3.2 pound bass and a total string weight of 2.8 pounds.
• Mike Merolla was our 2nd place string winner with a total weight of 3.4 pounds.
• Paddy Merolla was our 3rd place string winner with a total weight of 2.8 pounds.

The Angler Club is planning a combination catfish and striped bass fishing trip to Lake Texoma on Monday, October 14 (Columbus Day). This event is a guided trip, which will depart from Silver Lake Marina at 6:30 a.m. The cost of this activity is $100 per person and is open to anyone who is interested.

The September sale was stupendous! We had lots of great help on Friday for work day and on Saturday for the sale with delicious bake goods provided by many members of KESO. Did my diet suffer or what!??
Sales were approximately $1,250. We had wonderful donations, so keep them coming. KESO has a new tax number now, so all donations are tax deductible.

Just a short list of some terrific items remaining: 2 good TV’s, an electric range/oven, washer, two beautiful sofas, lots of decorator items, i.e. throw pillows, silk plants, greenery, appliances (all of which were tested and worked), a variety of dishes, pots and pans, and vacuums. Everything has been newly donated since we started over in June with new merchandise.

Our next sale will be October 19, 8-12 with work-day on the 18th, 8 a.m. until ??

Thanks for your support and remember, everyone should be a member of KESO. To join, call Doris Shaklee at 665-2569. Your fire department and other emergency services depend on your participation.

Wouldn’t it be great when our time comes to check out of this world to have done the things we intended to do---written a note of thanks for a long ago favor, an apology for an unkind word or deed, the useless paperwork and junk we hoarded through the years disposed of, all our sins forgiven and just enough money left to pay for the funeral? Well, it isn’t likely to happen, but it does give us a goal to shoot for.

Living at Lake Kiowa creates an aura of unreality—a kind of mini paradise that seems as if it could go on forever. The years slip by and we fuss and disagree, but still there is a feeling of family and compassion that, hopefully, every resident of this community is the recipient of from time to time. The mission of Kiowa Emergency Service Organization is to enlarge and carry out acts of caring for our neighbors and ourselves.

Program Chairman Mary Gill has planned a group of programs for KESO meetings this year comparable to a lectures series one would pay money to attend in Dallas or any other city. Those who were not present at the September KESO meeting to hear Jerry Gilmore, retired Captain of Arson Investigation Division of the Dallas Fire Department, missed one of the most interesting programs ever given at Kiowa. The October program will feature Debbie Renner whose topic is “Understanding Your Taxes.”

Circle October 3, 10 a.m. at the Lodge for this informative topic so near and dear to our pocketbooks.

From the President...

It seemed so right to be in the Lodge on the 2nd Thursday of the month for Woman’s Club. With all the chatter and hugs and smiles, I know everyone was happy to get back into the swing of things. Jane Willingham gave such a treat for all of us.

Our next program’s title, “Eccentrics,” is enough to lure us to the meeting on October 10. Social time is from 10 to 10:30 a.m. with the business meeting from 10:30 to 11 a.m. I promise we’ll be on time at this meeting.

Judith Dyer from Richardson will be the featured speaker. She was born in England, raised and educated in England and Scotland. She is now an American citizen and has lived in the United States since 1964.

Judith is a popular public speaker and book reviewer. Her combination of British humor and American optimism shines through in her entertaining presentations, all drawn from published literature. “Eccentrics” is a catalogue of weird and wonderful human beings.

Our menu will feature a trio of delicious salads, a basket of sweet breads, and raspberry sherbet. The cost is $11.

Our “Kaleidoscope of Change” fragment will feature Jeannine Nieman telling us about the origin of Gourmet Groups at Lake Kiowa. My, what changes have taken place there!!

Please invite your friends and neighbors to be a part of our organization. Why not bring them with you to the meeting. REMEMBER: RESERVATION DEADLINE IS NOON ON THE MONDAY BEFORE WOMAN’S CLUB. (This is a change from what is in the year book) Peggy Padgham

If you are a new resident of Lake Kiowa, or a new member of the Woman’s Club, we invite you to join our Bible Study Department. We meet monthly on the 4th Tuesday at 10 a.m. The October 22 meeting will be at the home of Rosemary Embry, 1224 Kiowa Drive West.

This Bible Study has been active for about 30 years. Come and enjoy the study and friendship of this group.

Mecilla Keene
mdgk2@kiowaonline.net 668-6869
Marathon bridge is underway, meeting on Thursday at the Lodge. The first play day was September 19 with five tables, so we have 20 ladies competing for our weekly cash prizes, as well as the big payoff on October 31, the last day of this session. We were pleased to have some “new” faces, as well as some of the (bet you thought I was going to say “old” faces !!!) Anyway, we enjoy this fun bridge, being with friends and seeing who can get the lucky cards for the day. As mentioned before in the CommuniQue, this is the last marathon for 2002. The next one is scheduled for January 16, 2003. The dates are listed in your new Kiowa Woman’s Club Kaleidoscope. Remember, if you would like to play but do not have a partner, call usdoscope. Remember, if you would like to play but do not have a partner, call us.

We have good news. Joe Howard and Dick Carroll have come forward and said, “yes, we will hold some bridge classes, if enough are interested.” As most of you know, Joe and Dick are Directors of the Sanctioned Duplicate Bridge games that meet every Monday at the Lodge. They are planning these classes as “fun bridge” for those who want to learn more about this great game of bridge. They propose to conduct eight two-hour sessions on Wednesdays, 3 to 5 p.m., beginning October 16. Until we have a count of those who will attend, we really can’t make any hard and fast plans. But the participants in the “fun bridge for beginners” (those with no past experience) will begin with the basics, getting started, and progressing through the objectives of bridge, various bidding possibilities, responses and rebids, and finally into conventions such as Stayman and Blackwood. There will be another class (and again, how many sign up determines if this will be held simultaneously or at a different time, possibly 10 a.m. to 12 noon Monday mornings). This second class will be called “fun bridge for advanced beginners” (those with some experience but who need to review and learn more of the conventions, e.g., bidding Goren style, strong two bids, preemptive bids, takeout doubles). By the fourth lesson in this class, attendees will be introduced to weak two’s, Gerber, transfers, negative doubles, or as many of the modern conventions as time permits.

There will be a small fee for these classes to cover costs of printing, handouts, and so on. So make your phone calls. Leave your name and phone number with Betty Daugherty (612-3530), Joe Howard (668-1351), or Anita at the Lodge office. We need to know how many are really interested so we can continue making plans for October 16. Watch the bridge bulletin board at the Lodge for further announcements.

Betty Daugherty
MAKE A SCARECROW
October 1
10 a.m. at the Lodge
Join us as we make a “scarebeau” or a “scarebelle.” You will need to bring the following items:
- Old clothes to dress your scarebeau or scarebelle
- 1 pair of tan color pantyhose
- Old hat
- Gloves
- Unmatched socks
- Newspapers
We will provide the frame and raffia for stuffing at a cost of $3.00.
Come and join in on the fun!
If you have questions, call Audrene Robison, 668-2877 or Linda Fite, 668-2639.

LAKE KIOWA SCARECROW CONTEST
Enhance your fall decorations with a scarecrow and enter the contest.

Rules:
- Open to all residents of Lake Kiowa
- All entries must include a scarecrow.
- Entries including witches and ghosts will not be considered in the judging

Judging will be October 19

Recognition will be given to:
- Most Humorous Scarecrow
- Most Patriotic Scarecrow
- Best Overall Fall Decoration

The Lake Kiowa Chapel held their quarterly meeting on September 9 at the New Faith Baptist Church with 31 members attending. Walt Hannon was thanked for his service to the Chapel as treasurer. He is moving from Lake Kiowa and will not be able to finish the year. Pat deForest will complete the year as treasurer.

Fifty students from Texas Christian University came to volunteer their services to the construction of the fourth Habitat For Humanity house in Gainesville on August 18-22. The Chapel furnished drinks for the volunteers such as Gatorade and lemonade. They were a great help.

Pat deForest reported that V.I.S.T.O. received 550 pounds of canned and packaged foods from the food drive on August 10 and 17. Pat explained some of the functions of V.I.S.T.O. and their work in our community.

Dr. Reeves announced the appointment of a nominating committee consisting of Roger Cloud, chairman, Shirley O’Dell, and John Nash. You may contact one them if you have any suggestions or if you want to volunteer to serve on the board of directors for Chapel.

The next quarterly meeting will be December 9 at the New Faith Baptist Church.

A candlelight memorial service was held on September 11 (sponsored by the Chapel) at the Lake Kiowa pavilion. The program was led by June Cloud. Tyson Adams from Boy Scout Troop 678 presented the flag and led the Pledge of Allegiance. Jerry Coolidge spoke to the 175 people in attendance. Lynette Gutierrez sang “America” and Bob Gutierrez sang “How Great Thou Art.” The service closed with prayer. Refreshments were enjoyed by all in attendance.

The Chapel Choir invites anyone with the desire to sing, to join them on Monday mornings at 8 a.m. in the Lodge. They will begin learning and practicing their Christmas music soon.

On October 8, Rev. J. L. Williams will speak on “Taking Care of Those ‘Different’ People” with text from Luke 10:25-37 and on October 20 his topic will be “The Consequences of Fruitless Fig Trees” with text from Matthew 21:18-22. Rev. John Hare will speak on October 13 with his message being “Purdunk Power” with text from Jeremiah 29:1, 4-7 and on October 27, his message will be entitled “The Gifted” with text from Luke 18:9-14.

Come join us on Sunday mornings at 8 a.m. for a short non-denominational Christian worship service at the Lodge.

Ladies! October is Country Fair Time. We will meet at 11 a.m. instead of 11:30 this month. Come early to the Dutchman in Lindsay and bring your crafts, baked goods, artwork, etc. to sell. This is a fundraiser to provide Christmas for the Village Missionaries in rural communities where there are not enough people to afford a minister and/or a church. These Missionaries do a real service and are worthy of our help. The date is Thursday, October 24. Bring a friend and come enjoy lunch and shop a while.

Our speaker is Lynne Luckey, Chairperson for the Lewisville Christian Woman’s Club. Her topic will be “When the Abused Becomes the Abuser is There Hope for Escape?”

A complimentary nursery is provided. Please mention if you need this service when you make your reservation at 665-2876. The luncheon is $9.00 inclusive. This meeting is sponsored by the Gainesville Area Christian Woman’s Club.

Shirley O’Dell
513 KIOWA DRIVE WEST - AWESOME view of the lake and golf course. Plus a great full time or weekend home with Sunroom and Party size boat dock. Located close to the Entry Gate and new Clubhouse!! $238,500

619 KIOWA DRIVE EAST - Great curb appeal on heavily wooded lot. “Cutsie” early American look with covered porches on 2 sides. Great house and setting! $172,500

November 3-10
HIGH SPEED INFORMATION AGE COMES TO LAKE KIOWA

Did you know that Kiowa Online is helping our Community?
KOL provides service to: Lake Kiowa Security, POA Office, Fire Department, the Lodge, the CommuniQue, and the Pro Shop.

How did this fast Internet service come about?
John Gee, a business manager and a bookkeeper and Mike Wasserman, national head of security for Outback Steakhouses moved to Kiowa about three years ago. They both wanted to quit traveling and spend more time at Kiowa. They were both familiar with Internet business and saw a challenge. Offer fast Internet service to our community. With John’s business management skills and Mike’s technical background they put a plan into action.

They enlisted the aid of another partner, James Crinnion who is their computer guru. He designed the custom software for Kiowa Online. James is a Filemaker Software developer in Dallas and also plans to make Kiowa his home ASAP.

Software developer in Dallas and also plans to move into Gainesville and also for Kiowa Online. James is a Filemaker guru. He designed the custom software for Kiowa Online. James is a Filemaker Software developer in Dallas and also plans to make Kiowa his home ASAP.

For the most part, the Internet provides a positive benefit to society. However for many of us, surfing the net can be a rather time consuming experience. Patience and endurance are required. Those simple clicks of the mouse are followed as each page s-l-o-w-l-y appears on your screen.

What actually is meant by Wireless Internet?
Wireless connection means you do not need an extra phone line for your connection...a small antenna is mounted to the side of your home to make a direct connection to one of the towers located here at Kiowa. This means the connection is much faster and you stay connected 24 hours a day. High-speed connections anywhere from 64k to Mega T-1 speed.

These three enterprising fellows at Kiowa Online have managed to build an infrastructure which brings high speed-internet connectivity to our very doorsteps. This technology uses radio waves instead of copper wires to deliver a signal to your computer. Your Internet is always on. You’re connected. No dialing is necessary.

Mike Wasserman of Kiowa Online says “We wanted to provide a better alternative to dial-up and ISDN connections, and we were gratified to find we had many supporters. We are grateful to the P.O.A. for sharing our belief in the value of this service to our community and to the Kiowa Homeowner’s Water Company and L.K.F.D. for the ideal broadcast sites. We especially would like to thank our faithful subscribers for their patience in the early stages of our development. Without this outpouring of support Kiowa Online simply would not be.”

A few of the comments from subscribers to Kiowa Online:
“Kiowa Online is FABULOUS! You can be fast, faster, fastest...it’s your choice. The speed is what I was looking for most. I got it. The dependability has just been a big bonus. THE most important thing is the quick response and absolutely superb professionalism during my initial set-up and when I’ve needed some additional TLC. None better. Keep up the GREAT work.”

Using Kiowa Online has allowed me to send literature layouts to printers, magazines and to my home office. Having high speed access continues to save me an enormous amount of time daily. I really enjoy working with Kiowa Online. Great Service, Great Speed, Great Access! Thanks Kiowa Online.”

“Kiowa Online has greatly improved my use of the internet. It’s fast, efficient and very reliable. I have been very satisfied with the service and response time.”

“Kiowa Online is FABULOUS! You can be fast, faster, fastest...it’s your choice. The speed is what I was looking for most. I got it. The dependability has just been a big bonus. THE most important thing is the quick response and absolutely superb professionalism during my initial set-up and when I’ve needed some additional TLC. None better. Keep up the GREAT work.”

“Kiowa Online is faster than a speeding bullet, and able to jump from water towers in a single bound. We love it. We can check for e-mails 24/7 with merely a glance at the monitor.”

Steve and Caroline Bezner
LAKE KIOWA PROPERTY OWNERS ASSOCIATION PRE-BOARD MEETING
Monday August 19, 2002 6:00 P.M.
Lodge Board Room

AGENDA
CALL TO ORDER
Bob Bergbower called the meeting to order at 6:00 P.M. with all directors except Jack Thies present.

REVIEW OF MINUTES AND BOARD NOTES
The minutes of the August 5, 2002 workshop meeting and the board notes were reviewed and corrected for approval in the Open Board Meeting.

NEW BUSINESS
The Board approved a request of the leases of lot 311 to play golf on a motion by Bob Wickersham and a second by Dennis Potts. All were in favor.

The Board reviewed the health insurance plan for employees that will come up for renewal on September 15, 2002. There is a $27,752 premium increase that is not covered in the budget. On a motion by Bob Wickersham and a second by Dennis Potts the Board voted to split the premium increase with the employees, which means we will put in $25.00 for each employee per month and they will have to put in an additional $25.00 per month. All were in favor with the exception of Stella DiPasqua and Pat Broecker.

Dennis Potts reviewed the results of the petitions on the covenant changes. To date we have received 372. Of these 372 only 330 are valid. Those received are overwhelmingly in favor of the covenant changes. However, 606 are needed to pass. The committee will have to start making telephone calls and follow up on the missing petitions.

ADJOURN
The Board adjourned to the Open Board Meeting at 6:55 P.M. on a motion by Pat Broecker and a second by Mundy Peale.

NEW BUSINESS
The Board voted to order at 6:00 P.M. with the pledge to the flag.

WELCOME
Mary Gill announced that there were no new members present at the meeting so she welcomed everyone to the meeting.

APPROVAL OF MINUTES
Joan Carroll read the minutes of the August 5, 2002 workshop meeting. They were approved on a motion by Bob Wickersham and a second by Stella DiPasqua. All were in favor.

TREASURER’S REPORT
Mundy Peale gave the treasurer’s report. Net funding/expenditure for both the month and year to date is negative $6,076. This was due to overruns by administration, public works, central garage, and the lodge.

MANAGER’S REPORT
Bill Keating reported that the renovation of the East Beach bathrooms should be completed by the week of August 26th. The East Gate Project is under construction and work has begun on the gate, the spikes, the electrical work and the installation of the cameras.

Crack sealing began again on Monday August 19th. As soon as it is completed (24-36 man-hours) we will be ready for fog sealing. The supplier of the road sealing material has advised Lake Kiowa that the best delivery date of materials will be September 5 or 6. This is to our advantage because it will not interfere with the Labor Day holiday. The actual project will not commence until Monday September 9, 2002. The parking lots will be done first. The sealing of Kiowa Drive will be next. This will speed up the stripping of the parking lots and Kiowa Drive. The coves and secondary roads will then follow. This schedule is dependent on weather and material availability. During the sealing process there needs to be a four hour drying time. Please keep your cars off the new sealing material until it is dry. The LKPOA is not responsible for cleaning your vehicle if you drive on the road before it is dry.

Security reported over 1100 stickers issued at the three sticker parties. New stickers need to be on vehicles no later than September 2, 2002. Nine citations have been issued this month to underage drivers of golf carts.

The golf course personnel is busy making repairs to waterline leaks and applying herbicides and growth inhibitors as well as fertilizer while the course is closed. It is hoped that the repair of all three bridges will be completed by August 30, 2002. If repairs are not completed on all three bridges at this time, the course will open on August 30, 2002 with play on holes 1-12, 17, and 18. The Lodge manager reported that he is making efforts to bring the Lodge into budgetary compliance while upgrading the service and food quality. He reminded all members to book all holiday parties early. The Lodge and Golf Course will be closed on Tuesday the 3rd. of September, but open on Labor Day September 2nd.

Silt removal on Lone Wolf Cove is underway. The dredge is working as anticipated. The Jockey pump that will be needed as the dredge moves up the cove has still not been received. The dredge is sucking up some interesting things like a pick-up truck’s load of cable and a large aluminum plate. So far no odor has been detected. In the event that an odor does occur we have on hand a supply of bacteria material that neutralizes any problem.

OLD BUSINESS
Bob Bergbower addressed the deconstruction fee for lots. Based on legal input we can only apply a fee to lots constituted after the date it is approved. It cannot be applied retroactively. People must be advised up front. After going through the Board’s logic with the membership everyone present agreed that imposing a deconstruction fee was not appropriate. The Board has voted a constitution fee, but will not consider a deconstruction fee.

Don Hoover addressed the concerns regarding boat ramps. The Board has voted to have a companion boat ramp each side of the park. The community will then have access to the water. As of now the ramps will be in place by August 30.

The Board has voted to allow a temporary use fee for the boat ramp. The fee is $25.00 per month. All were in favor.

The Board reviewed the health insurance plan for employees that needs to come up for renewal on September 15, 2002. There is a $27,752 premium increase that is not covered in the budget. The Board voted to split the premium increase with the employees, which means we will put in $25.00 for each employee per month and they will have to put in an additional $25.00 per month. All were in favor with the exception of Stella DiPasqua and Pat Broecker.

Dennis Potts reviewed the results of the petition on the covenant changes. To date we have received 372. Of these 372 only 330 are valid. Those received are overwhelmingly in favor of the covenant changes. However, 606 are needed to pass. The committee will have to start making telephone calls and follow up on the missing petitions.

NEW BUSINESS
There was no new business.

SILT REMOVAL
Silt removal on Lone Wolf Cove is underway. The dredge is working as anticipated. The Jockey pump that will be needed as the dredge moves up the cove has still not been received. The dredge is sucking up some interesting things like a pick-up truck’s load of cable and a large aluminum plate. So far no odor has been detected. In the event that an odor does occur we have on hand a supply of bacteria material that neutralizes any problem.

People must be advised up front. After going through the Board’s logic with the membership everyone present agreed that imposing a deconstruction fee was not appropriate. The Board has voted a constitution fee, but will not consider a deconstruction fee.

Don Hoover addressed the concerns regarding boat ramps. The Board has voted to have a companion boat ramp each side of the park. The community will then have access to the water. As of now the ramps will be in place by August 30.

The Board has voted to allow a temporary use fee for the boat ramp. The fee is $25.00 per month. All were in favor.

The Board reviewed the health insurance plan for employees that needs to come up for renewal on September 15, 2002. There is a $27,752 premium increase that is not covered in the budget. The Board voted to split the premium increase with the employees, which means we will put in $25.00 for each employee per month and they will have to put in an additional $25.00 per month. All were in favor with the exception of Stella DiPasqua and Pat Broecker.

Dennis Potts reviewed the results of the petition on the covenant changes. To date we have received 372. Of these 372 only 330 are valid. Those received are overwhelmingly in favor of the covenant changes. However, 606 are needed to pass. The committee will have to start making telephone calls and follow up on the missing petitions.

NEW BUSINESS
There was no new business.

BUDGET
The Board reviewed the budget and the exceptions to the budget.

TREASURER’S REPORT
Joan Carroll read the minutes of the August 5, 2002 workshop meeting. They were approved on a motion by Bob Wickersham and a second by Stella DiPasqua. All were in favor.

TREASURER’S REPORT
Mundy Peale gave the treasurer’s report. Net funding/expenditure for both the month and year to date is negative $6,076. This was due to overruns by administration, public works, central garage, and the lodge.

MANAGER’S REPORT
Bill Keating reported that the renovation of the East Beach bathrooms should be completed by the week of August 26th. The East Gate Project is under construction and work has begun on the gate, the spikes, the electrical work and the installation of the cameras.

Crack sealing began again on Monday August 19th. As soon as it is completed (24-36 man-hours) we will be ready for fog sealing. The supplier of the road sealing material has advised Lake Kiowa that the best delivery date of materials will be September 5 or 6. This is to our advantage because it will not interfere with the Labor Day holiday. The actual project will not commence until Monday September 9, 2002. The parking lots will be done first. The sealing of Kiowa Drive will be next. This will speed up the stripping of the parking lots and Kiowa Drive. The coves and secondary roads will then follow. This schedule is dependent on weather and material availability. During the sealing process there needs to be a four hour drying time. Please keep your cars off the new sealing material until it is dry. The LKPOA is not responsible for cleaning your vehicle if you drive on the road before it is dry.

Security reported over 1100 stickers issued at the three sticker parties. New stickers need to be on vehicles no later than September 2, 2002. Nine citations have been issued this month to underage drivers of golf carts.

The golf course personnel is busy making repairs to waterline leaks and applying herbicides and growth inhibitors as well as fertilizer while the course is closed. It is hoped that the repair of all three bridges will be completed by August 30, 2002. If repairs are not completed on all three bridges at this time, the course will open on August 30, 2002 with play on holes 1-12, 17, and 18. The Lodge manager reported that he is making efforts to bring the Lodge into budgetary compliance while upgrading the service and food quality. He reminded all members to book all holiday parties early. The Lodge and Golf Course will be closed on Tuesday the 3rd. of September, but open on Labor Day September 2nd.

Silt removal on Lone Wolf Cove is underway. The dredge is working as anticipated. The Jockey pump that will be needed as the dredge moves up the cove has still not been received. The dredge is sucking up some interesting things like a pick-up truck’s load of cable and a large aluminum plate. So far no odor has been detected. In the event that an odor does occur we have on hand a supply of bacteria material that neutralizes any problem.
LAKE KIOWA PROPERTY OWNERS ASSOCIATION
BOARD WORKSHOP
Tuesday – September 3, 2002
Lodge Board Room
CALL TO ORDER
Bob Hughes called the meeting to or-der at 8:00 AM with a quorum present, miss-ing Bob Bergbower, Joan Carroll and Mundy Peale.
APPROVE MINUTES
The minutes of the pre-board meeting of August 19, 2002 were approved with correction on motion by Bob Wickersham and second by Pat Broecker with all in favor.
The minutes of the open board meet-ing of August 19, 2002 were approved with correction on motion by Bob Wickersham and second by Dennis Potts with all in favor.
OLD BUSINESS
The board received an excellent report from Chuck Essex covering golf course rules and etiquette. Also discussed was the use of golf carts by those under the age of 16. His committee will finalize mailing and handout material that con-denses rules and course etiquette for review by WGA and MGA boards, and the Rules Committee.
A discussion on the Lodge budget and proposed increase in deficit was contin-ued on the docket for further action at the September 16, 2002 pre-board meet-ing. At that time it is expected a detailed plan for managing menu price changes, menu flexibility, and staff training will be presented.
Received as information a report from the Lodge and Tavern Committee de-tailing their study plan for West Beach landscaping and improvements.
NEW BUSINESS
Approved adding John Nash, Joe Brockett and David Broecker to the Lodge and Tavern Committee following motion by Dennis Potts and second by Stella DiPasqua with all in favor.
The board approved opening the Lodge for food and beverage service at 5:00 PM during Monday night football beginning September 9, 2002 based on motion by Dennis Potts and second by Bob Wickersham with all in favor.
Approved Long Range Planning Committee to replace retiring members Bill White and Don Harden with Dan-

LAKE KIOWA HOMEOWNERS WATER CORPORATION
MEETING NOTES

MINUTES OF THE BOARD MEETING
KIOWA HOMEOWNERS WATER SUPPLY CORPORATION
WEDNESDAY, AUGUST 14, 2002
INVOCATION:
President, Rev. Herman Plott opened with a few words on the meaning of suf-fering and a word of prayer.
CALL TO ORDER:
The meeting was at the Kiowa Home-owners Water Supply Corporation Of-fice and called to order at 9:00 A.M. by President Herman Plott.
ESTABLISHMENT OF A QUO-RUM:
A quorum was established. All members except, Harold Deem and Ray Freeman, were present. Manager Ronny Young was present.
WELCOME TO BOARD MEM-BERS AND RECOGNITION OF VISI-TORS AND GUESTS:
There were no visitors or guests pres-ent and therefore, no public comments.
APPROVAL OF THE JULY 10, 2002 MEETING MINUTES:
Dick Carroll made a motion to accept the minutes as presented. J. A. Samples seconded the motion. The motion car-ried.
MANAGER’S REPORT:
Manager Young informed the Board of his wife’s illness and tests being made to determine the cause of her problems. All directors expressed their concerns for Mrs. Young and wished her a speedy recovery.
Manager Young reported no new wa-ter taps for the month of July.
Overtime for July was Robert 6 hours, James 3 hours.
The unusually wet weather is still causing a negative cash flow. We have adequate reserves set aside for this situation. Current revenues are approxi-mately 60% under the Budget estimate, and if current rainy weather persists, this deficit could reach 80% by the end of the budget year.
We paid $100,000 on our long-term note in the month of July, 2002. This payment was authorized at our July 10, 2002 meeting. Remaining balance to be paid is $176,900.
Manager Young reported on water damages to the office during a recent rainstorm. There is a problem with the roof and the landlord did not readily respond to his request for repair. Mr. Young also stated that a parking prob-lem for customers and Water Dept. per-sonnel is becoming more of a problem each day. This information about our office facilities prompted discussion of possible relocation of our business of-

MINUTES Continued from page 24

QUESTIONS AND COMMENTS
Mary Gill announced that KESO will have a demonstration of the defibril-la-tors at the September 16, 2002 Open Board Meeting.
Bob Kalina announced the death of Loddie Roeder and a Mass that will be held for him at St. Mary’s on Saturday September 24 at 10:00 A.M. There will be a reception at 11:00 A.M. for friends in the Southwest Room at 11:00 A.M. Friends are asked to bring a story to tell about Loddie.
Rocky Campbell announced that there would need to be a price increase in Lodge food. He needs to increase the revenue by 25%. However, he stated that only part of these increases would be in the price of the food.
Tom Blackwell asked about the odor on the number 15-tee box. Bill Keating reported that the Cooke County Health Officer has given the owner of the strip mall a time period to get the problem fixed or the water will be turned off. It is being worked.
ADJOURN
Pat Broecker made a motion to ad-journ and Mundy Peale seconded it. All were in favor.

October 2002   CommuniQue 25
Lot 894, west side.  Tree-shaded, golf course view, close to lodge, beach and main gate.  85 x 190.  Not many like this one left.  Would consider lease.
