Manager by September, 2005. There is a time delay due to the fact that the minutes must be approved before publication. There is usually a two to three week period between meetings, therefore approval is delayed. The following information is provided in an effort to keep you informed of current activities, items of interest, and community affairs:

**Current Events:**
- Lloyd Butts has agreed to continue as interim manager until September 2005. The Search Committee is working to find a suitable replacement Community Manager by September, 2005.

**PROPOSED BUDGET PRESENTATION**
May 17 - 7 p.m.
L.K.P.O.A. Open Board Meeting

**BLUEBONNETS ABOUND AT KIOWA THIS YEAR!**
Millie Shaw’s home on Huron Trail West has a good showing of Bluebonnets every year, but this year was exceptional. There were many other spectacular displays of wild flowers around our community. It seems the weather this year was especially conducive to their propagation.

**BOARD NOTES - APRIL**
- The Board has approved a 1.7% rate increase in the trash pickup charge on the monthly billing. The rate will increase from $9.97 to $10.50 per month.
- The electric scooter rule as published last month has been amended to include gas powered scooters with motors no larger than 40cc. The rule is stated on page 23 in the Security section.
- The proposed FY2004/2005 Budget For Maintenance and Operations is published on pages 26 and 27 for your information. This budget will be presented at the L.K.P.O.A. Open Board Meeting on May 17. Everyone is encouraged to attend. This budget does not include funds for any capital asset replacements.
- The Ways and Means Committee presented the results of their work at the April 5 L.K.P.O.A. Board Workshop Meeting (minutes are published in this issue on page 28).
- The new committee members were approved by the Board. The list is published on page 25 as well as the new officers of the Board.
- A Search Committee for an L.K.P.O.A. Executive Director is being formed.

**SECURITY BOAT LAUNCHING - MAY 1**
Everyone in Lake Kiowa is invited to the launching of the Security Boat Saturday, May 1, 10:30 a.m. at the public launching site near the dam. True to the past history of this great community, a cooperative spirit fulfilled our important safety needs.

**Golf**
For Maintenance and Operations is published on page 26 for your information. This budget will be presented at the L.K.P.O.A. Open Board Meeting on May 17. Everyone is encouraged to attend. This budget does not include funds for any capital asset replacements.

**IMPORTANT ELECTIONS**
May 15 is an important day for all residents at Lake Kiowa. Four elections will be held which are surely of concern to all of our people. The election will be held at different sites and the following will give you all the information necessary to exercise your right to vote.

- The Callisburg Independent School District will hold their Trustee Election. Early voting will be from April 28 to May 11 and will be held at the Callisburg Independent School District Administrative Offices. The voting on May 15 will be at the First State Bank, Lake Kiowa. The candidates are: Vicki Adsit – Lake Kiowa; Incumbent; Randall Reed – Callisburg, Incumbent; Connie Walker – Lake Kiowa, Incumbent; and Brad Williams – Callisburg.
- You may vote at the same location on May 15 for the North Central Texas College Regents. Early voting is on the same dates, but is at the North Central Texas College Campus, Room 109 in the ASC. The times are from 8 a.m. to 4 p.m. Monday through Thursday and from 8 a.m. to 2:30 p.m. on Fridays. The candidates for Place 4 are Claude Walter – Muenster, Incumbent; and David Flusche, Sr. – Muenster.

For Place 6 are Karon Sullivan – Gainesville, Incumbent; Dewey Yeager – Lake Kiowa; and Bill Ledbetter – Gainesville. For Place 7 are Ann Kemplin – Gainesville, Incumbent; and Steve Gaylord – Valley View. The voting for the Gainesville Memorial Hospital Board will also be held on May 15 at the Kiowa Medical Center. The early voting is at the Gainesville Memorial Hospital from 8 a.m. to 5 p.m. from April 28 to May 11. Five board members will be elected for a 2-year term. The candidates are Dr. Khawaja Anwar – Gainesville, Incumbent; Diana Eichenberger – Gainesville, Incumbent; Jay Freeman – Gainesville, Incumbent; Bill Kemplin – Gainesville, Incumbent; and Dr. H. “Bill” Wellman – Gainesville, Incumbent; Vanese Bledsoe-Alguire – Whitesboro, Bob Day – Gainesville; and Bradley Neu – Gainesville.

The voting for the County Jail Bond Election will be held at the Lake Kiowa Lodge. The early voting will be from 8 a.m. to 5 p.m. from April 28 to May 1 at the Cooke County Court House in Gainesville. Please remember to vote!

SPRING HAS CERTAINLY SPRUNG!

While fishing off Jack Skinner’s dock on the east side, Gary James was tickled to catch a 15-inch (we measured) crappie.

BOARD NOTES continued from page 1

Association Attorney was named. Thanks are extended to Cindy Stormer for serving the Association so well.

• The Lodge had two health inspections within a few weeks, passing both with high scores. There was also a T.A.B.C. inspection which passed with only a couple of minor corrections necessary. Membership policy was discussed and it was felt there were no current problems. Note: Unless you purchase an alcoholic beverage, you are not funding any licensing or membership fees.

Sincerest thanks are due:

• All MGA volunteers that turned out to help the golf course staff lay sod on #16.
• The Kiowa Woman’s Club for their gift of a multimedia projector to the Association for big screen presentations.
• K.E.S.O., the L.K. Anglers & Conservation Club, Kiowa Woman’s Club, and several individuals that generously contributed to the Security Boat to be launched on May 1.
• Special thanks to Public Works for their hard work implementing the Spring Cleanup.

Jane Aston’s double (or triple) poppies are almost as abundant as Bluebonnets around the lake. Jane and her late husband, Hub, moved to Lake Kiowa many years ago bringing his favorite poppy seeds with them. They have shared the seeds with anyone who admired them. Jane still spends much of her time in her gardens and maintains most of the extensive plantings herself. She always seems to have something that needs to be thinned out and shared or is passing out seeds. Soon we will see the “Moonflowers” or gelsem in many locations - all from the seeds that were shared by the Astons over the years.

Don’t forget to make your reservations for the Mother’s Day Buffet!

Want a home comfort system that lasts?

Buy a Trane.

Want up to $1,000.00 cash back?

Buy a Trane before May 31st.

The refuse collection fee is increasing from $9.97 to $10.50 effective with the May 1, 2004 billing. Our contract with IESI allows requests for increases if Consumer Price Index, landfills, or government-regulated costs increase. By letter dated March 12, 2004, IESI provided documentation justifying this most recent rate request.

In the beginning of our contract in 1997, our fee was $8.54. It increased to $9.61 on July 1, 1999 and has been $9.97 since November 1, 2000.

The Board of Directors attempts to set the fees as near a break-even amount as possible. We feel our weekly garbage pickup and spring/fall clean-ups are very important services provided for our members.

A copy of the F/Y 04/05 preliminary Operations and Maintenance Budget is included in this CommuniQue (pages 26 and 27) for your review. Please make plans to attend our open board meeting on May 17, 2004 to hear a complete presentation of the contents of the new budget. You will have an opportunity to ask questions and make comments before the Board of Directors conducts a final voting on its approval.

The Operations and Maintenance Budget will be funded by dues and other income generated during the fiscal year. Capital Asset expenditures will be funded by unspent revenues from the F/Y 03/04 budget.

YEAGER TO RUN FOR NCTC BOARD
Lake Kiowans will have an opportunity this spring to elect one of their own to the Board of Regents of NCTC. Dewey Yeager is running for Place 6 on the Board.

Yeager has lived at Lake Kiowa for five years. He and wife Dean moved here from Norman, OK. He has education experience at the high school, community college, and university levels teaching electronics, physics, math and education. He also served as an administrator for 11 years at Oklahoma State.

Yeager worked in Thailand developing vocational education schools and in 1987-88 taught education administration at Srinakharinwirot University, Bangkok, Thailand as a Fulbright Exchange Professor. Yeager has four grown children. He is married to lifelong Texan Dean. He loves higher education and desires to make a contribution and is a supporter of the community college concept including occupational education. He is dedicated to fiscal responsibility and would work for improvement and growth within the limitations of the resources available.

Early voting is April 28 – May 11 in Room 109 of the Administration Building with regular voting May 15 at First State Bank outside the gate.

“KIOWANS” SPONSOR FORUM FOR UPCOMING BOND ELECTION
There was no dining at the Lodge Tuesday evening, April 20, but there was plenty of food-for-thought served up on the subject of the proposed $10,500,000 jail which will be decided in the upcoming May 15 bond election. The “KIOWANS” organization invited County Judge Bill Freeman, County Sheriff Mike Compton, County Commissioner Bill Cox, Texas Director of Jail Standards Terry Julian, and architect Norris Fletcher to present their facts and answer questions on the plight of our over-capacity jail. Also, Lake Kiowa’s Jerry Parr who is a member of the County Hospital Board presented an update on the new hospital construction, its staffing and expanded services.

The “KIOWANS” will sponsor future events to keep Kiowa “in-the-know.” So, if you missed the March 2 and April 20 forums, turn off your TV and come to their next forum. Don’t depend on rumor. Ask your own questions and be an “in-the-know” voter.

David Bowman
Early Settlers...
The last week of March of this year, Lake Kiowa lost two of its most loved and revered early settlers. Gladys Turner married into land that had been in the family for generations, and following her husband’s death, made the difficult decision to sell and let it become what is now considered to be the most scenic site in Lake Kiowa. As you read in this column last month, our community rests on the long-held lands of many of Cooke County’s early—very early settlers, and Gladys, with her wisdom and vision, did not want to impede its development. She later stated that she never regretted it. She and her son Bill built a home on their original land, now on Cheyenne Dr. where she saw out the 20th century before moving to Wheeler House in Gainesville.

Gladys, who had degrees from both of Denton’s colleges, now universities, and was one of the favorite teachers we of Denton’s colleges, now universities, was one of the favorite teachers we. Cooke County was blessed for 93 years with the life of Gladys Turner.

For those of us blessed enough to know both Gladys and Doc, the enduring memories we will share are of two people who gave “getting older” a good name and who lit up a room by walking into it. They knew something else we might learn from them – from a writer by the name of Pico Iyer: “In the end, perhaps the search for paradise may really come down to nothing more than a search for paradise within. If only we can rediscover Eden, we imagine we will recover our unfallen selves, and so we might learn to believe.”

Many people at Lake Kiowa volunteer. Some are men and women who are highly visible in Kiowa civic and social organizations as well as some who volunteer in Gainesville. Others may be your neighbors who are rarely seen outside their homes and immediate family and social circles. Some volunteer because they need to fill a role following retirement. Others were never employed and want an identity outside their homes and immediate family and social circles. Some are one of many volunteers with an organization with a large role in the community, such as Gainesville Memorial Hospital, which could not function without them. Others may be the only Kiowans in an organization such as ABBA, an infant care placement agent, or ECI, Early Childhood Intervention, which serves families of children from birth to three years of age.

The leading childcare organization for children at risk in Cooke County is Child Protective Services (CPS), under the umbrella of Texas Department of Protective and Regulatory Services. It is a huge organization. Nonetheless, the needs they must meet are bigger. Their clients are children requiring foster care or adoption, the foster and adoptive families, and the many specialized caseworkers who oversee the care of the children. Cooke County CPS has a supervisor, investigators who answer reports of child abuse or neglect, and caseworkers who work directly with the children, foster and adoptive parents, natural parents, schools, medical personnel and the courts. There is a legal representative, an office manager (in the case of Cooke County, the hub in the wheel) and a secretary whose duties far exceed those in other human service agencies.

There is a gifted young wife and mother who recently stepped into the role of a beloved overseer of adoptions, who had the job for 23 years. This young woman is proving up to the task. She will tell you that she herself had once been “in the system” when her mother, raising her children alone, temporarily needed help. Many children cannot be reunited with their families.

There is a thirteen-member board, which oversees fundraising and expenses, but this is not where the current need for volunteers can be found. CPS always needs people who can keep their supplies for children stocked and can answer phones when staff must shift responsibilities during court hearings which may consume hours and days of their time. If you can help, call 688-7761.

Next month I’ll have more notes on one of CPS’s and Gainesville Memorial Hospital’s greatest challenges, babies born to severely addicted mothers, and how the infants’ futures are affected. In following months, we’ll look at ECI, ABBA, Headstart, Friends of the Family, VISTO, VISTA (not the same) and CASA. We’ll see how these agencies interact with one another in serving the needs of children in the area.

Happy Mother’s Day
LeRoy and Allene Johnson celebrated their 60th wedding anniversary with a trip to New Orleans in March accompanied by their children, Mike (and wife Pat), Robert, and Marsha. Highlights of the trip included a tour of Bourbon Street, a carriage ride through the French Quarter, and cocktails at Pat O’Brien’s. They also enjoyed a narrated trip on the Mississippi on the paddleboat Natchez. They enjoyed margaritas at Jimmy Buffet’s Margaritaville, Beignets and coffee at Café du Monde, and a walk through the French Market. The trip was highlighted by a lovely dinner at the Palace Café, where the group toasted a long and interesting union.

The Johnson’s met when a group of friends were playing cards, and later that night the group decided to go dancing. The romance began on the dance floor with the two dancing the night away. Six months later, on May 13, 1944, they were married in San Antonio, TX. LeRoy was in the U. S. Air Force and Allene worked in the office of the San Antonio Arsenal.

The following January LeRoy was transferred from the Air Force to the Infantry and sent to Camp Howze near Gainesville for six weeks training. Allene stayed in Gainesville with him until he was sent to Germany. Allene then returned to San Antonio to await his return. He saw combat for about six months at which time the war was largely over, and he returned to San Antonio.

After his discharge, LeRoy and Allene moved to Three Rivers, TX where he went into banking. Their first two children, Robert and Marsha, were born in Three Rivers. In 1956 he accepted a position at the Security National Bank in Whitesboro. In 1961 while living in Whitesboro, another son, Michael, was born. LeRoy and Allene owned the Johnson Insurance Agency for many years until moving to Gainesville in 1970. Allene worked at Ken Blanton Insurance for 17 years, and LeRoy continued in the insurance field.

They moved to Lake Kiowa in 1974 where they enjoyed playing golf and fishing. They continue to be involved in many social activities and enjoy friends known through their Kiowa years.

Casey and I have had the midfortune of becoming seriously ill in the past few months. We were both hospitalized in Dallas. I was released and recuperated at my son’s house in McKinney. Casey spent a few weeks in rehab. I am glad to say that both of us have improved greatly.

I wish to thank all our friends at Lake Kiowa for their prayers, cards, and food. I especially want to thank Crystal Squires for her calls and food. Linda Scales (Kiowa Kindness) for her almost daily calls and offers to help. It is with a heavy heart that we left Kiowa, but our family felt it was for the best to have us live closer to them. We are now in a Senior Community in McKinney and trying hard to adjust. Thanks for all the wonderful memories.

To contact us please call 972-547-4044.

Mary and Casey Moneta

The family of George Avinger

Words cannot express the heartfelt appreciation and gratitude to Dr. Morris, the Lake Kiowa Volunteer Fire Dept., and Auxiliary, the Lake Kiowa Women’s Club, Women’s Golf Association, the Kiowa Chapel, Kiowa Volunteer staff, the many friends and neighbors for the emergency care, prayers, visits, phone calls, food, cards, floral tributes and memorials on Robert E. Criggs behalf.

This close knit Kiowa community has been so wonderful. You have wrapped your arms around me embracing and comforting me with an overwhelming outpouring of love and genuine concern. The generous outpouring of food, acts of kindness, support and prayers were simply overwhelming. The feeling of being wrapped about in a “comforter of love” comes to mind. The relationships that have been so easily established makes it an added blessing and confirmed understanding of God.

Words hardly seem adequate to express the deep gratitude of our family during this most difficult time following the sudden death of our beloved husband, father and grandfather. The generous outpouring of food, acts of kindness, support and prayers were simply overwhelming. The feeling of being wrapped about in a “comforter of love” comes to mind. Thank you and thank you again, good friends.

The regularly scheduled (3rd Saturday of the month) Outpost Sale is May 15 at the Kiowa Mini Warehouses just west of the front gate from 8 a.m. until only the staff remains. As we always say, “you never know what we will acquire.” For example, as of this writing, a large TUBA is in our inventory. If we are lucky, we can go to our file and see who told us to watch for one and we’ll call them. This is especially exciting because the desired item can go from donor to sale without storage.

We have dishes, glassware, linens, a therapeutic walker, crutches, coffee pots, cookware, microwaves, TVs, computers, books, records, pictures, picture frames, flower arrangements, silver serving pieces, golf clubs and bags, furniture and much more. New great stuff is added on a regular basis. The Outpost performs three services: Unwanted “Household” items are donated (tax deductible). These items are sold with the proceeds benefiting the Kiowa area community emergency needs. Last, recycling takes place with the usefulness of the items continuing.

Perhaps you are new to Lake Kiowa and have some items or time to give to a worthy cause. Please consider this an invitation to come join the very dedicated VOLUNTEERS at the Outpost. The parent of the illustrious OUTPOST is Kiowa Emergency Service Organization (KESO), which meets on the first Thursday of each month except July and August at the Lodge. All residents are invited to attend and join.

For further details, call Gayla - 665-9783, Judy - 612-3130 or Karen - 665-0322. And, as always, if you have items to donate, call these people as well. Anita Morris

Velta Smathers, Disaster Director and Military Case Worker for Texhoma Red Cross; Mary Gill, Program Chairman for Kiowa Emergency Service Organization; and Judy Fullylove, Director of Retired and Senior Program of Texhoma Council of Government; presented an informative program to members of KESO on April 1.

The program for KESO on May 6 at 10 a.m. at the Lodge will feature as speaker Carolyn Castleberry, Executive Director of Stanford House in Gainesville. Attend this program and perhaps find activities that will be of interest to you.

A complete financial report is always given at each meeting by KESO Treasurer, Don DeField. Jan Parsons

IT’S GOT A NEW HOME—You may have noticed as you drive by the fire department that the “Original” Outpost building is no longer there. It was moved April 2 to its final resting place in Woodbine. It is located at CR 211 just off FM 3164. Drive to the center of Woodbine and turn left on CR 211. The building will be set in place with a new foundation and flooring. We are very excited about the renovation of the Woodbine Community Center and the “Original” Outpost building. The LKVFD Auxiliary and LKVFD will schedule a work day very soon. If you can handle a paintbrush or have unused paint, canvas, wire, pound nails, roof or just want to watch…there will be a lot needed to restore both buildings. Our goal is to help the fire department restore these buildings so we can use them for social events, meetings, fairs, festivals, and craft festivals, receptions and cookouts. Call 612-3787 and see if you have any supplies you’d like to donate or perhaps just a few hours of volunteer time. The LKVFD Auxiliary is anxious to get started on this major undertaking and bring this community together.

BAKE SALE—Our recent pre-Easter Bake sale was very successful. Thank you to the Kiowans that volunteered their time baking, setting up tables or through donations: Ed and Sheila Graham, Roger Hegema, Gwen Mullins, Pat Williams, Barbara Reed, Crystal Squires, Judy Haubrich, Pam Liscom, Dee Davis, Peggy Ashton, Barbara Baar, Polly Brooks, Gerrie Haney, Icy Huddleston, Judy Rider and LaNell Blackmon, Bonnie Brooks and Kelea Tischler. We couldn’t have done it without you. Thank You Everyone.

PANCAKE BREAKFAST—Thank you to the POA Board for approval of the LKVFD’s request to hold our annual pancake breakfast. It will be held outside the golf Pro Shop from 6:30–9 a.m. Saturday, July 3, during Kiowa’s Independence Day Celebration. Start your day off right with a stack of hot pancakes fresh off the grill, juice and hot coffee. Remember, the LKVFD and the LKVFD Auxiliary accept CASH ONLY at our booths.

THE “ORIGINAL” OUTPOST—Mark your calendar for the LKVFD&A’s sales. They are the third Saturday of every month. Starting with the May 15 sale at 8 a.m. - 7 p.m. at the LKVFD/ Woodbine Community Center in Woodbine. If you have any usable items in desirable condition, that you no longer need, and would like to donate, please call Ed Graham at 612-3282, or Carl Szatkowski at 612-3787, or the fire department and leave a message at 665-9321. Our work day will be Friday, May 14 at 10 a.m. If you can spare an hour or so, just take a short drive to Woodbine to help us price and set up for the sale. All proceeds from our sales go exclusively to the LKVFD. Thank you for volunteering.

If you are interested in joining the LKVFD Auxiliary, send your $5 per person to 109 San Chez, Lake Kiowa, TX 76240. If you’ve recently moved to our community, the LKVFD would like to extend a warm welcome to Lake Kiowa—“the best-kept secret in Texas.”

Evie Szatkowski – LKVFDA President

COMPUTER CLUB

On May 13, Jerry Parr will demonstrate uses of Microsoft Excel, a powerful spreadsheet program. On May 22 the club will offer a class on Microsoft XP “101” after the regular business meeting.

Please join us at 7 p.m. at the Lodge. Visitors are always welcome.

TEXAS HOLD’EM SHOOTOUT

Thirty-seven men participated when the Downstares Tuesday Night Poker Club hosted their second Texas Hold ‘Em Shootout Poker Tournament on Monday, May 4, at the Lodge. When all the chips were down, the top five winners were: First Place, Willie Wilson; Second Place, Ronny Young. There was a tie between Joe Hudson and Terry Butler for Third and Fourth Place. Fred Anderson captured Fifth Place. The losers vowed to get ‘em next time as the winners grinned from ear to ear.

Catharine Moss

And spreadsheets are popular too. It is estimated that over 10% of the data stored in computers worldwide is in a spreadsheet file. Any type of financial information is in a spreadsheet format. They also have sophisticated built-in mathematical formulas and can produce colorful charts and graphs.

So, if you want to make a pie or just learn more, come to the May 13 Computer Club meeting at the Lodge and see what Excel can do for you. You will be surprised at all the things a spreadsheet can do to make your life easier and more organized.

CHRISTIAN WOMEN’S CLUB

The special feature at Christian Women’s Club is to be presented by Julie Weger from Wichita Falls, Texas. Julie recently graduated from Midwestern University with a Bachelor’s degree in Biology and will be pursuing her Masters and a PhD in Marine Biology or Botany; she hasn’t decided which. But that has nothing to do with her presentation. She is a Boot Maker!! That’s right. She makes cowboy boots. She will bring materials and several pairs of boots to display and show you how she makes them. Now, this young lady just happens to be my sister’s granddaughter, so I could be just a little prejudiced, but I have seen the beautiful boots she makes. I know that you will enjoy this special feature. Mary Karr Handley of Plano, Texas will be our inspirational speaker. She is a former elementary school teacher and talented musician. Mary will also provide our musical entertainment. Christian Women’s Club is a part of Stonecroft Ministries, a worldwide organization which is dedicated to helping people to grow in faith. There are no dues or other requirements. All you have to do is call in a reservation and come. We meet on the fourth Thursday of each month for lunch at the Roadhouse in Lindsay, Texas. The date is May 27, the time is 11:30 a.m., and the cost of the luncheon is $10 inclusive. Invite a friend and call 665-8430 or 665-6399 to make your reservations.

Complimentary childcare is provided when requested. Shirley O’Dell

Chapel News

Sunrise service on April 11 was well attended with over 200 people braving the chilly, cloudy morning. The sunrise wasn’t visible, but daylight dawned on a very dedicated group of Christians celebrating the Resurrection. The choir performed beautifully in spite of the chill.

Chapel services are regularly scheduled at 8 a.m. every Sunday in the Lodge assembly room. Rev. John Hare and Rev. J. L. Williams are the pastors who alternate delivering their messages. Rev. Williams will be our speaker on May 2 with a message entitled “The Characteristics of a Joyful Mother” with his text from Proverbs 31:10-31. On May 9, Rev. Hare’s sermon will be entitled “Twisted Truth” with his text from I John 4:7-21. May 16 Rev. Williams’ message will be “Why Worry and Money Don’t Mix” with text from Matthew 6:25-34. Rev. Hare’s message on May 23 will be “Memorial Stones” with text from Isaiah 4:1-9.

The L.K. Chapel supports many charities in Gainesville and Cooke County. Food for V.I.S.T.O. is collected on the third Sunday of each month. All canned or packaged food is welcome. If shopping specifically for your donation, chili and cornbread will be especially appreciated.

This is an interdenominational service that may precede your regular church service or a round of golf. Casual dress is always welcome. Please come and share this time with your friends and neighbors on Sunday morning at 8 a.m. Carole Clauzing

Style Show

Congratulations to Genny Koziol, Carol Hawkins, and their committees for the outstanding job they did in chairing the April Style Show. The theme “Generations” was very descriptive with the grandparents, mothers, daughters, sisters, and children performing as models. The decorations committee co-chaired by Nancy Spencer and Jayne Sweet excelled with the beautiful stage and table decorations. There were several new stores that had not been used before which added anticipation; e.g., "Our House" for the little ones, Happenings in Sherman, and Stein Mart. Everyone did a great job for the full house in attendance.

May Meeting Entertainment

Our May 13 meeting will feature the outstanding talents of the women of Lake Kiowa. You won’t want to miss this event featuring a creative display of our multi-talented residents. Note: Lee Skinner’s separate article on this program on page 11.

New Officers

The election of officers for 2004-2005 will be held at our May meeting. Joan Carroll and her committee submitted the following slate of officers: President – Lee Skinner; 1st Vice President/Membership – Peggy Carpenter; 2nd Vice President/Program – Kathie Milburn; Parliamentarian – Jan Thies; Recording Secretary – Geri Pollard; Corresponding Secretary – Pat Jessee; Treasurer – Joyce Manner; and Historian – Sharon James. Nominations will be accepted from the floor at the May meeting.

In addition to those persons elected, chairmen from our seven departments also serve on the Woman’s Club Board.

Special Events

Special events coming up are the field trip to the Dallas Museum of Art on May 4 sponsored by Arts & Crafts, and the Gourmet evening event “Travel the World” on Tuesday, May 18 at the Lodge. Contact Pat Morgan or Jeanie Kelley for details on the Dallas Museum trip. Tickets can be purchased from your Gourmet Group Leader for the Gourmet dinner at $20 per person. European, Chinese, Mexican, and Oriental food will be served. See the accompanying department articles for details on these events.

Combine Bird & Nature and Garden Clubs?

We are considering combining our Bird and Nature and Garden Club Departments because of difficulty in finding a chairman for the Garden Department and low attendance at some of the meetings. Please call your current department chairman, or me, with your thoughts on this possibility. We will do whatever the existing members want to do and will not combine the departments without a majority approval of the departments’ members. A number of programs could work for either department.

Support Groups

Several women have asked me if the Kiowa Woman’s Club had any support groups that they could participate in to discuss their concerns. Several topics brought up were menopause and breast cancer. Other possibilities are cancer, heart disease, strokes, sharing grief, breast cancer. Other possibilities are cancer, heart disease, strokes, sharing grief, etc. If you are interested in attending a gathering of women to seek or provide information in a support group, please call me at 668-7297 or E-mail me at rhise@ntin.net.

My intent would be to have small support groups meet in homes to provide an intimate setting, and to encourage sharing of conversation, support, and friendship.

Another year is almost over! Our May meeting will be a field trip to the Dallas Museum of Art. We will meet at the west end of the clinic at 9 a.m. and leave by 9:15 a.m. We already have a van and cars lined up. Plan on bringing $4 to pay for the one-hour tour of the permanent collection, $1 to help with parking, and money or a credit card for lunch. We will probably just plan on stopping at a nice restaurant on the way out of Dallas. This will be a docent-led tour and the fee for the docent has been covered. We will need to have an accurate count of those definitely planning on going before that morning. Jeanie Kelley is in charge of this tour; so if you have any questions, call her at 665-7527 or Pat Morgan at 668-1489.

By the way, if any of you would agree to be in charge of Arts & Crafts next year, let me know. It would be a shame to have no Arts & Crafts next year, but that is a real possibility without a volunteer to lead.

Programs for 2003-2004

May 13 “Showcase of Talent”, The Women of Lake Kiowa

WOW! The talent of the women of Lake Kiowa is incredible! This month’s program promises to be “The Feature Program” of the year! In keeping with our theme of “women” this month we honor us – the Women of Lake Kiowa. Our program will include music, readings, acting and more. Each table centerpiece will represent the talent of a very creative woman. The room and stage will be decorated with the extraordinary talents of additional Kiowa Women.

Plan to arrive at 10 a.m. on Thursday, May 13 so you’ll have time to view these hidden treasures. Please honor and respect the time, love and talent that went into creating the table presentations and refrain from touching.

June 10 “Women and the Romance of Chocolate”

This month’s Garden Club meeting will be Tuesday May 11, 10 a.m., at the home of Cindy Adams, 116 Cayuga Trail North. Sharon Chapman, Texas Master Gardener and Garden Club member will present a program, “Container Gardening.”

Lack of garden space doesn’t have to limit your ability to grow flowers or vegetables. With container gardening you can control the soil, climate, and light conditions. Many gardeners appreciate the “no-bend-over” approach to gardening that raised containers provide. Plants in containers can be arranged in different ways to take advantage of colors, textures, and bloom times. Planting a pot of lettuce, radishes, or flowers is a great way to introduce children to gardening.

Please join us for Sharon’s interesting program, brunch, and an informal garden tour. Guests are always welcome. Please R.S.V.P. 940-612-4347.

RALLY FOR A CURE QUILT RAFFLE

The Kiowa Woman’s Club is supporting the Rally For A Cure cause by sponsoring a raffle using the Pink Ribbon Quilt from the 2003 fund drive. Lee Skinner was the winner of the quilt and graciously donated it back to the Rally committee to raffle again in this year’s drive.

Lee Skinner and I will be Co-Chairmen for the 2004 Rally For A Cure fund drive. LaVona Duryea, guest speaker from the 2003 Rally luncheon, is on our committee.

We will be selling raffle tickets for $5 each or three for $10 at Kiowa Woman’s Club meetings on May 13, June 10, and at the 4th of July (July 3/Saturday) celebration. Our first fund-raiser was on April 23 and 24 at the Pass Time Fabrics in Gainesville.

We are looking for volunteers to help sell tickets at these events. Please contact LaVona, Lee, or me if you are willing to help with the quilt raffle or help raise funds in some other way for the Rally For A Cure drive. Our last Marathon is approaching! Marathon IV will begin on April 29. This will conclude the tournaments until the fall. These six weeks of bridge will end on June 17. We hope you will call Pat or Dee and sign up. There is also a sign-up sheet on the bulletin board at the Lodge.

The bidding boxes are working out well. If you are apprehensive about using the bidding boxes, don’t be! You can learn in five minutes! This is good practice to get you ready to play in the Monday Sanctioned Bridge Group at the Lodge. Speaking of the Monday Sanctioned Group, thank you for your support of our Marathon Group—and for the use of the boxes.

Again, we hope you will join us for Marathon IV. (Party bridge, party scoring, six hands, six rounds and lots of fun!) Cost is $12 for the six weeks. Four winners are paid each week with cumulative overall at the end of the tournament.

CALL US!

We’re making headway with our 4th of July plans. Our celebration will be held on Saturday, July 3 this year. We expect it to be better than ever; we’ve proven that, since we’ve grown each year. We have some new exciting activities to offer, so call the kids and tell them to plan to be here for the weekend.

The Lodge will have extended food service operation on Friday night as well as Saturday. Our big patriotic tent will be the place to be for the weekend.

The Independence Day Celebration has become the largest get-together at Lake Kiowa. Let’s make this time our opportunity to get to know each other. Make your plans now and if you have a spare hour or two to help out with one of the activities or you have a wonderful idea concerning something you’d like to see at our celebration, call me, Anita, at the Lodge, 665-3741 or Jayne Sweet at 665-7314.

More information and a schedule of events will appear in next month’s CommuniQue.
FRIENDS OF THE LODGE

The Friends of the Lodge is busy as usual coming up with fun programs and finding new ways to help fund our Lodge beautification projects.

There are many people behind the scenes that make our group a success. We wish to recognize those that make the phone calls each month to remind you of our meeting and other events. Jayne Swafford organized a committee that never fails in calling with a friendly voice to remind you of all we do and hope to do. Those helping her are Melissa Swafford, Nelda Toal, Pat Jessee, Peggy Carpenter, Anita Mason and Janet Perpich. Doesn’t it seem that you see these same names over and over again when it comes to getting things done?

We are also busy gathering folks and ideas to work towards our annual 4th of July Celebration. The Friends of the Lodge and most other community organizations work diligently to insure that the entire community celebrates our nation’s birthday in grand style.

Anyone interested in having a great time, making a difference and meeting wonderful people let us know, we’d love to have you. Call the Lodge or stop by, we’ll let you know what you can do, when to show up and, in general, how to get involved.

By Mike Pulec, Realtor

**WHAT IS PMI?**

For the last 46 years, private mortgage insurance has helped 19 million families buy homes and continues to help a million more families buy homes each year. PMI is not a mortgage life insurance. It is not a homeowner’s insurance. Mortgage insurance protects the lender and investor from loss, not the borrower. Federal law regulates that private mortgage insurance on most loans originated on or after July 29, 1999, will terminate automatically once the mortgage has amortized 78% of the original value of the house. However all mortgage payments must have been paid on time and remain current.

LODGE NEWS

It’s spring and a time when we see more activity in the Lodge. We are expecting another good month with several golf tourneys finishing off their competitions with great meals and, of course, the biggest day in the restaurant business, Mother’s Day. We suggest you make your reservations now. Last month we had a huge Easter celebration and we’re expecting an even larger crowd for Mother’s Day. Plan to bring Mom to enjoy the day and we’ll also have a gift to make her day even more special.

The Restaurant and 19th Hole will have a new menu beginning the first of June. We know you’re going to love it. We’ve added additional fitness-friendly foods, some popular, but unusual items and some really scrumptious desserts. We’re going to stick to a good thing and that’s Saturday Night ½ price Steak Night. If you haven’t been, you must. They’re the best steaks in North Texas.

The 19th Hole has been staying busy. Make sure you stop in on the weekend for our drink specials and special events. The Restaurant and 19th Hole are not the only places with lots of activity. There are new groups forming all the time to play cards and other games; learn a new craft, art or skill. The Lodge is the place to get and post information. We have had our share of informative forums that benefit our immediate community as well as the surrounding county. We have been informed on important issues affecting us politically, socially and environmentally.

The Lodge belongs to all its members, that’s you. Come by, visit, and see what goes on everyday at your Lodge. Although it’s a busy place, we always have time to listen to your questions, comments and concerns. Hope to see you soon.

Carolyn Pannell (Hairstylist) Hairport Salon

I have worked in Denton, Texas for thirty-eight years, and have lived at Lake Kiowa and commuted for seven of those years. I will be working at the Hairport on Mondays. I will still continue to work in Denton at The Finishing Touch three days a week.

I am looking forward to meeting more of the ladies and gentlemen here at my hometown, Lake Kiowa. I appreciate the privilege of servicing this community. If I can be of any service to you or your family, please call. Because of my schedule in Denton, I will be working only two days a month here at the Hairport...the second and third Monday of the month. Eventually, I hope to add more days. I will be taking appointments from my home phone, prior to these Mondays. At each visit, you will certainly be able to book ahead for your next appointment. Thank you for your business. Home phone: 668-8723. Please leave message.

Please feel free to call ahead for price check. As with most hairstylists nowadays, we are all independent contractors, and there will most likely be a price difference. Thank you for the opportunity of being your stylist here at Lake Kiowa.

**Ace in the Hole**

On Friday, April 9, Ron Krebs hit a 4 iron into the teeth of the wind on number 8, and scored an ace. Congratulations, Ron. Oh, by the way, he used the same 4 iron to score a double eagle 2 on the par 5 18th. Great playing, Ron, is that 4 iron for sale?

**Monthly Meeting and Tournament**

Although it was a tad cool (high about 55) Saturday, April 10, turned out to be a pretty good day for the MGA monthly tournament. Rain threatened but did not materialize, and about 50 golfers had a good morning on the links.

The format was 4-man teams with one net ball counting on the odd holes, and two best net balls on the even holes. The teams of Mike Merolla, Tom Blackwell, Don Sloan, and Ken Tuckett posted the willing score of 87. Two teams scored 89, with Gary Hardin, Dave Hare, Nate Weatherly, and Dean Dorsch placing second by virtue of a score card playoff. Coming in third were Dwayne Hopson, Lowell Kulp, Chuck Essex, and Jim Lemmings.

J. B. Cole was kind enough to contribute $50 for closest-to-the-pin on #13. Your scribe had his name on the sign for a (probably) very short time, but Steve Berryman hit a great shot to within a foot, and won the prize.

1002 KIOWA DRIVE EAST  
3-2-2 + Workshop WATERFRONT $375,000
On Sunday, April 18, the new Kiowa Couples Golf Association held its first monthly tournament. The two-couple teams played a four-person step-aside format. Brown and the computer used handicaps to form the teams. One hundred and twenty players braved the windy weather to participate in this first event. The winners were: First place: Brown and Jamie McCrory and Jim and Carol Hawkins; Second place: Tom Brannon and Peggy Coolidge and Bob and Marilyn Wickersham; Third place: Bobby McDaniel and Lucy Deck and John and Peggy Padgham; Fourth place: Jess and Joan Maxwell and Joe and Gwen Mullins; Fifth place: Sonny and Mickey Ewing and J.B. and Barbara Cole; Sixth place: Billy and Pat Frazier and Thurman and Nelda Toal; Seventh place: Tom and Elaine Blackwell and Dale and Barbara Mock; Eighth place: Jack and Maxine Lane and Dick and Joan Carroll; Ninth place: Al and Yolanda Arronte and James and Dee Magee; Tenth place: Sonny and Mickey Ewing and J.B. and Barbara Cole; Eleventh place: Mike and Donna Erwin and Paul and Pam Lipscomb; Twelfth place: Larry and Shelley Reese and Jack and Lee Skinner; and Thirteenth place: Don and Kay Kane and Jack and Jan Thies.

After the tournament, cash prizes were awarded and pizza and salad were enjoyed at the Lodge.

Membership in this association is available by sending $2.50 per person to Peggy and John Padgham. Sign up at the Pro Shop for the next event that will be May 23. The cost to play is $3 per person and $10 per dinner. If you are single, you may sign up and we will try to find you a partner or you may recruit a partner of the opposite sex and sign up as a team. The last tournament filled up to capacity (60) couples and some were put on a waiting list, so don’t delay if you decide to play. The dinner after the tournament will be fried chicken, mashed potatoes and gravy, green beans, tossed salad, brownies and ice tea. Don’t miss the fun. Don’t worry if you are a high handicapped player, we want you to join us for a day of fun on the golf course and good fellowship afterwards.

TIPS FROM THE PRO...

The transition between the backswing and the downswing should happen slow and gradual, not a quick hard one. Accelerating from the top releases the speed too soon. The fastest part of the swing should happen at impact. Resist the temptation to swing too hard, especially with the long irons and woods. Try and start the downswing with same smooth rhythm as you start your backswing.

It’s time for the Lake Kiowa Angler and Conservation Club’s Annual Fish Fry and Silent Auction! Mark your calendars, it’s on Saturday, May 29 at the Lodge Pavilion. The previewing of the auction items will begin at 3 p.m., and the Fish Fry will begin at 5 p.m. The Auction will conclude at approximately 7 p.m. You don’t want to miss this! Last year we had more than 100 items ranging from restaurant gift certificates, antiques, sports equipment, decorator items, as well as wine baskets from several local wineries. There is truly something for everyone. We will also have an auction table with specialty items for children. If you have a quality new or used item which you would like to donate for our Silent Auction, please contact Karen Vander Molen at 940-612-0603 or Bob Bingham at 940-668-8003.

The food last year was wonderful with good-sized portions and the serving will begin at 5 p.m. The menu this year will be fried catfish, coleslaw, hushpuppies, french fries, beans, a dessert and iced tea. Other drinks will be available for purchase. Adults are $10 and children are $6. It is our biggest fund-raising event of the year and we would appreciate your support so we may continue to provide a healthy environment for our lake and more children’s events and programs throughout the year.

In April’s CommuniQue, we mentioned that we would be raffling a TV which is being graciously donated by BEST BUY. We have decided this year to focus on the auction and fish fry in May, and raffle the TV at the Fourth of July Celebration. The tickets for a SAMSUNG 43-inch WIDE SCREEN DLP TECHNOLOGY TV with a stand and a SAMSUNG DVD PLAYER WITH UPGRADE CAPABILITIES TO HDTV are on sale now. They will be $10 each or 11 tickets for $100. You may see the HDTV at the GOLF PRO SHOP here at LAKE KIOWA.

Our APRIL BASS TOURNAMENT on Saturday, April 3 was won by BOB BINGHAM! His total string weight was 14.4 lbs! Bob also caught the biggest bass which weighed 6.2 lbs! Second place was female angler, Paddy Merolla! Paddy’s total string weight was 11.2 lbs. Third place was John Guest. John’s total string weight was 10.6 lbs. Paddy is in the lead so far for Angler of the Year Award with 19.6 lbs total for the two tournament total. You can view all the results of our bass tournaments on the Kiowa home page at http://www.nortexinfo.net/Kiowa/ and select the ANGLER AND CONSERVATION CLUB. Congratulations, Bob Bingham, Paddy Merolla and John Guest!

Our membership drive is underway and we would love to have you join. Our meetings are very informal and we invite you to attend. Joining the ANGLER AND CONSERVATION CLUB is only $15 per family. We focus on the health of the lake, the fish population, improving our lake assets for our residents, as well as sponsoring many children’s events. Your membership dues and donations can help us continue with our plans and programs. Join today and come to a meeting on the second Wednesday of each month at the Lodge at 7 p.m. Hope to see you there!

A fish survey of the lake was done the last week of March. Above, Mike Merolla is holding the heaviest largemouth bass to come out of Lake Kiowa. She weighed 12 lbs. 4 ozs. and was 28 inches long. The fish was full of eggs and was returned unharmed to the lake so she can do her thing. For several years the Angler and Conservation Club has worked towards double-digit weights of bass and here is evidence of those efforts.
I have no choice but to go to court for the safety of Lake Kiowa, with the help of many friends, calling attention to our issue of a compliant and safe lake. Over the last few years, I have dealt with several local paper editorials, (thank you Harry Pope) in the hope of gaining the attention of the public to the safety issue of the lake. As you know, the lake is a man-made lake, the Glenmore Dam, created by the Army Corps of Engineers, for the purpose of flood control. The lake was created in 1958, and has been a popular recreation area for over 30 years. It has become a popular destination for many water sports, including boating, fishing, and water skiing. However, recent years have brought concerns about the safety of the lake, due to increased boat traffic and the potential for accidents.

In the past our leader was Joe, Joe Kanew. Joe became an icon because of his ability to eat huge amounts of fish. Joe died of severe lead poisoning. (Thanks to Harvey Pippin.) Joe was there, out there, fighting for the safety of Lake Kiowa. Joe was there with a shotgun or not? Even the overflow shooting at the low water crossings and silt ponds. That’s not even playing sports.

The last two months at Lake Kiowa, which encompassed Spring Break and the Easter holiday weekend, have been marked by delightful weather and, consequently, an upturn in activity. There was a rash of criminal mischief incidents early in the reporting period with far fewer instances to cite in recent weeks. Security patrol performed 34 traffic stops and 2 boating stops and wrote 18 citations for moving violations. Motorists were assisted 18 times and 4 auto accidents were investigated. Animal control officers responded to 25 stray dog calls and handled varmint species on 25 occasions. Security personnel checked on the welfare of residents 3 times and responded to a single reported incident of a prowler, a domestic disturbance, a missing person, a residence alarm, a trespasser, a gate runner, an unauthorized guest and a solicitor. In other activity, 7 unlocked doors and gates were secured, 3 suspicious persons, 3 suspicious vehicles and 3 scooter operators were escorted to their property. Two illegal shootings at the low water crossings and silt ponds. That’s not even playing sports.

DEFINITIONS
1. The scooter must be a self-propelled vehicle.
2. At least two wheels must be in contact with the ground during operation.
3. The scooter must employ an electric motor. The motor can be either gas or electric but must not exceed 40 cubic centimeters.
4. The motor must be an electric motor, and must be designed to allow the operator to stand or sit.
5. The scooter must have a deck or platform that allows it to be propelled by human effort, or sit.
6. The scooter must have a design that allows it to be propelled by human effort, or sit.

The Board of Directors, at their April 5 meeting, approved a motion to allow the use of a motor-assisted scooter in compliance with Texas House Bill 3588. To summarize the key provisions of the bill:

1. The scooter must be a self-propelled device.
2. At least two wheels must be in contact with the ground during operation.
3. The scooter must employ an electric motor.
4. The motor can be either gas or electric but must not exceed 40 cubic centimeters.

The scooter must have a deck designed to allow the operator to stand or sit.
5. The scooter must have a design that allows it to be propelled by human power alone.
6. The motion approved by the Board also limits the operation of such devices to the hours between sunrise and sunset.

SECURITY REPORT
FEBRUARY 10 – APRIL 15, 2004

The last two months at Lake Kiowa, which encompassed Spring Break and the Easter holiday weekend, have been marked by delightful weather and, consequently, an upturn in activity. There was a rash of criminal mischief incidents early in the reporting period with far fewer instances to cite in recent weeks. Security patrol performed 34 traffic stops and 2 boating stops and wrote 18 citations for moving violations. Motorists were assisted 18 times and 4 auto accidents were investigated. IAM MAD
And I want the boaters at Lake Kiowa to know why. Friday morning the third of April, yes that was Good Friday of Easter Weekend, at 10:15 A. M. I tried to pull my 17 foot aluminum Bass boat into my boathouse. I mention the size so you will understand that this is not a large boat. A couple with their dog came by, in their much larger speed boat as I pulled into the lift straps, entirely too close and going too fast. The wake caused by their boat swamped my boat and filled the open battery compartment with water. My battery charger will have to wait until someone is injured? Is this asking too much? Are we less intelligent than other boaters? Do we have to wait until someone is injured? I am sixty years old and have been driving power boats since I was twelve and I have never seen the lack of common courtesy that is predominant on Lake Kiowa. Am I the only one concerned?

COMMUNIQUE POLICY
The policy and purpose of this publication is to inform all residents of events and activities within our community, to report on actions and decisions made by our Lake Kiowa Property Owners Association Board of Directors, and to publish the results of those decisions. Information is important for everyone to know that problems are being worked on and remedies are being sought.

The following items will be accepted for publication: Events and information about Kiowa organizations that are open to all residents; Events in our surrounding communities which may be of interest to them; Items of a personal nature that reflect on the generous character of our residents or a milestone in their life.

A letter to the Editor should be less than 350 words in length and will be accepted if it presents a thoughtful and constructive view to an issue that may be controversial within our community. It may be revised and verified for factual accuracy by the appropriate authority. The factual clarification will be published along with the letter. The letter should be typed or in legible handwriting, signed by a verifiable resident, and will be published unedited with misspellings indicated when necessary. If handwriting cannot be easily read, it cannot be used. The CommuniQue will not be responsible for misspelling a handwritten word. A letter may be refused publication if space is limited. If several letters are received expressing the same view, one may be chosen for publication. Letters containing personal attacks, self-promotion, or advertising will not be published. Letters to the Editor do not necessarily reflect the views of this newspaper or its advertisers.
