Remember those classic hits of the 50’s, 60’s and 70’s? Those songs that made you jump out of your chair and dance your socks off? Well, those tunes still sound great today and there is one dance band that performs those classic tunes with style, energy and spontaneity - CLASS ACT.

CLASS ACT has established itself as one of the most popular dance bands in the North Texas area. The six-member group features fun-filled renditions of classic 50’s, 60’s and 70’s rock ‘n roll, along with several country and pop standards.

**AUTO STICKERS MAY BE REPLACED**

The Security Department has received a number of inquiries about when the new auto stickers will be ready. The application of 2004 stickers is on hold while the Board of Directors debates the merits of different automatic entry systems for the East Gate, and possibly the Front Gate. Depending on which entry system is selected, the traditional Lake Kiowa Auto Sticker may be replaced by an electronic tag that would allow vehicles to enter without recognition from a guard.

The community will be kept fully apprised of all developments and will be notified as to when any future sticker or tag parties will be held.

Chief of Security

**BOARD NOTES: BUDGET IN GOOD SHAPE**

The year-end budget numbers are very positive, with funding slightly higher than projected and expenses lower than budgeted. This success is largely due to the efforts of Lloyd Butts and our department managers: Rocky Campbell (Lodge and Tavern), Gary Davidson (Security), Don Hoover (Public Works), and David Long (Golf Course). We appreciate their hard work and offer our congratulations for a job well done.

The annual Sticker Party has been postponed pending re-evaluation of our entire entry process. The Board has approved a double-gated automatic ingress system for the East Gate, and work will begin soon to complete this CIP project. We are investigating the feasibility of incorporating automatic entry for the member lane at the front gate. There are both security and convenience benefits to this proposal, but there would be a small cost involved to the member. We will keep you posted.

A notice will be in your statement covering the entire rate changes regarding alcoholic beverages. Please note that violation of Texas state liquor laws will now carry a $500 fine and a 30-day suspension of privileges for the first violation in any 5-year period, a $1,000 fine and 90-day suspension for the second violation in any 5-year period, and a $2,000 fine and 180-day suspension for the third violation in any 5-year period. For each violation in excess of the third in any 5-year period, a fine equal to twice the previous fine and a 180-day suspension shall be levied. Additionally, the manager and assistant manager of the Lodge and Tavern now have the authorization to write citations.

A Celebration Committee has been added to the list of POA committees. This committee will provide central coordination for community events such as our annual Christmas Lighting Party and Fourth of July Celebration. If you have an interest in serving on this new committee, please contact Charles Huddleston.

The Kiowans requested and received a resolution from the POA Board supporting their “Leadership Lake Kiowa” course to be offered this fall. The Board approved a Lodge and Tavern Committee recommendation to pursue private funding for a non-smoking covered patio area adjacent to the dining room, and an open patio area with umbrella tables adjacent to the 19th Hole.

Our sincerest thanks to:
• Mike Storm for extending his expertise and providing cost savings on the completion of the East Gate project.
• The anonymous donors providing the funds for the patio project.
• Everyone who helped make the July 4th celebration a success.

LAKE KIOWA SECURITY REPORT

June 15 – July 14, 2004

Kiowans once again celebrated a happy and safe Fourth of July weekend. Congestion at the Front Gate was noticeably decreased, and at no time did traffic back up on FM 902. Having the East Gate opened from 10 a.m. to 6 p.m. undoubtedly helped, but most of the credit goes to members for promptly authorizing their guests’ entry and taking extra measures to ensure efficient movement through the guest lane.

The lake itself was extremely busy, with Lake Patrol making 45 stops over the holiday weekend.

The well-attended Community Fireworks Show put on by the Lake Kiowa Volunteer Fire Department was fantastic. But many residents chose to ignore the rule prohibiting private displays. Security personnel answered fireworks complaints all weekend and cited nine members for violation of this rule.

There were eight reported acts of criminal mischief. The most noticeable was the vandalism to the putting green. Security has identified the perpetrators and payment for damages is forthcoming. On July 9, the Pro Shop was burglarized. Security patrol caught the suspect in the act, gave chase and...
July 1 began our new budget year. We ended our old budget year with approximately $350,000 in unspent C.A.R.F. expenditures during this budget year.

We continue to have vandalism of mailboxes, driveway lights and other property within Lake Kiowa. Parents need to understand that they are responsible for the actions of their children and their guests. Some vandals have been arrested and others are under investigation. We appreciate the cooperation of the Cooke County Sheriff’s Department and our constable. We will continue to pursue every means within our power to control these activities.

Lloyd Butts
Chief of Security

Security Report Continued from page 2

enabled a prompt response by the Cooke County Sheriff’s Department, which resulted in an arrest. Cooke County deputies also provided assistance on one of the criminal mischief complaints and responded with EMS to the scene of a serious jet ski accident that occurred at midnight on July 10 when the uninjured operator struck a dock.

Security patrol performed 23 traffic stops and four welfare checks, assisted six motorists, secured five unlocked doors and responded to one business alarm. Security also responded to a prowler report, a domestic disturbance, two auto accidents, six peace disturbance complaints and two missing persons searches. Illegal signs were collected on two occasions, parks and beaches. Curfew violations were noted three times and two golf course violations and a reported theft were investigated. The department wrote 47 citations, nine for speeding, nine for unauthorized fireworks, seven for unlicensed golf cart operators and five for stop sign violations.

Animal Control Officers chased 13 stray dogs, two cats and 13 varmints. Security dispatchers monitored emergency radio traffic for 15 LKVFD fire and medical runs.

“Because my lawn looks so brown, I’ve been told I should water my lawn on Mondays. Why can’t I water on Monday?”

Almost all irrigation systems allow the use of what we already have in place.

Our choices are to spend money to drill more wells, add elevated storage tanks, and replace and increase the size of our main lines, or try to be wiser in the use of what we already have in place. Almost all irrigation systems allow you to select the days of the week that you want to water. If the last number in your street address ends in an even number (0, 2, 4, 6, 8), you should set your system to water only on Tuesday, Thursday or Saturday. If the last number ends with an odd number (1, 3, 5, 7, 9), you should set your system for Wednesday, Friday or Sunday.

Not watering on Mondays will save us all money by reducing the stress and wear on our equipment.

Thanks for your Cooperation

Early Settlers...

Elma and Keith Craddock got my attention and that of a lot of other Kiowans when they sold their one-of-a-kind crafted items at the old Sale Block in Collinsville. Everyone who was at Kiowa in the 70s and 80s eventually got to the Sale Block, it seemed. Betty and Jonesy had the biggest sales venue in town, on Hughes Street, and the friendliest people working there. No one went just to buy something; visiting was part of the stop. The Sale Block had been a warehouse made cozy by several booths and wares, around one corner from the Main Street Cafe (still there, fortunately) and around another corner from five old Victorian homes in various states of disrepair, all now restored and beautiful. But those of us who knew it sorely miss the Sale Block and the people in it. Lake Kiowa is fortunate to have the Craddocks.

They have been married 66 years. They met when they were both 23 and going to college in Denton. Their two sons live in Denton now. They once had a meat market that is now a Denton restaurant. Elma traveled all over Texas as a judge of flower shows and worked as a seamstress.

Poor health has limited the travels that occupied much of their time before. When the Sale Block closed, they moved their crafts to Gainesville and then to Muenster’s Antique Mall on Highway 82, where they are now. With my recent move, I had to scale down and part with a lot of things, but Elma and Keith’s half life-size, huggable Santa in shades of white and pastels stays out all year. I personally could never understand how they could bear to part with anything they created, but was glad that they could. When you’re in Muenster, treat yourself and go see the Craddock creations. Elma and Keith won’t be there, but you’ll feel like you know them when you see their crafts.

Dear Xiowans,

We want to express our thanks for all the cards and expressions of sympathy that were extended to our family after the passing of my mother, Connie Ike. We were fortunate to have her at Lake Kiowa for the final years of her life. She really enjoyed meeting all of you at the various interest groups of the Kiowa Woman’s Club and other organizations here at Lake Kiowa. She had many wonderful friends here.

Thanks also go to the staff at the CommuniQue for the extra hours spent so this issue would be printed on schedule.

Kiowa is truly a caring community and we are proud to be a part of it.

Letter to the Editor:

My husband Keith and I would like to thank the two ladies who happened to be walking by our house over the July 4th weekend and came to my husband’s aid after he took a tumble. We feel like we were his guardian angels. You left before we were able to know your names. We wish to extend our gratitude and thank you for assisting us.

ZO0 HELP NEEDED

The Frank Buck Zoo in Gainesville will re-open this fall with many new additions. The giraffe will be here. The African Savannah will also be open. Additionally, the planks that so many of you bought are down and the walkway is complete. There will be a gift shop and concession stand.

We are in need of volunteers to be docents. A docent is a guide or a helper. He or she will take people on tours of the zoo and will sell gifts and concessions. Does that interest you? If so, please call Mary Gill, 665-6837, or Jeannine Nieman, 665-2675. We will have some training for our “docent job” in September.

Sincerely,

Barbara Cole

Volunteer Opportunities Abound for Kiowans

About 20 years ago, an 82-year-old woman joined a group blocking the railroad tracks going into Rocky Flats, the nuclear production plant outside Denver, Colorado. Why, some wondered, would she want to jeopardize her remaining years, risking scorn, possibly jail? Like many of us, she probably felt the need to give something back to society.

Fortunately, there are many ways to do that besides lying on railroad tracks. One way is by volunteering. There are many people who need companionship, or just some help getting simple chores done. If you aren’t a “people person,” care centers can always use help in their offices.

Linda Seal tells me that Kiowa Kindness has a whole cadre of people who are eager to help someone in need of fix-it work, transportation and other services, and they are waiting to be called. So a word to all of those nice volunteers -- if Kiowans don’t need you just now, you might call VISTO, Friends of the Family, the many thought, prayers and expressions of concern, and memorials for Alzheimer’s disease. Any of the many organizations can always use our support. Since her passing I have been blessed with cards and expressions of concern, and memorials for Alzheimer’s disease. Anyone who has had Alzheimer’s disease in their family knows it is a long “goodbye” to a loved one. I take comfort in knowing that she is at peace now, and wish to express to all those who have gone through this journey with me a heartfelt thank you for all your support, love and prayers. This is the most wonderful place to live!

Carmen Karston

After 10 years of suffering from Alzheimer’s disease, my Mother, GayNell Sewell, passed away peacefully in her sleep on June 21st. Several Kiowa friends and neighbors had the pleasure of meeting this lovely lady a few years ago. Since that time the many thoughts, prayers and encouraging words for both of us have been greatly appreciated. Lake Kiowa is an extraordinary place with many wonderful, caring and sincere people. Since her passing I have been blessed with phone calls, cards, plants, meals and memorials for Alzheimer’s research in her honor. Anyone who has had Alzheimer’s disease in their family knows it is a long unfulfilled. The comment heard over and over again from volunteers is, “I hope it helped them; I know it helped me.”

VOLUNTEER OPPORTUNITIES ABOUND FOR KIOWANS

Friends of the Family, Habitat for Humanity, Hospice, Headstart, or any day care center. If they can’t use your particular skills and talents right now, they probably know someone who needs you. Churches are also a good source for this kind of information.

With so many people of all ages in need, no desire to help should go unfulfilled. The comment heard over and over again from volunteers is, “I hope it helped them; I know it helped me.”

**CHRISTIAN WOMEN’S CLUB**

*“HEARTS OF HARMONY”*

If you attended the July Fourth opening ceremony, you were treated to the music of the newly formed barbershop group, “Hearts of Harmony.” Led by Connie Glover, these talented women come from Tioga, Gainesville and Kiowa. They will entertain us again at the Thursday, Aug. 26 luncheon of the Christian Women’s Club. The event is from 11:30 to 1 p.m. at the Roadhouse Restaurant in Lindsay. The buffet will be $10.

Mary Bingham, our multi-talented Kiowan who, along with her husband Bob, remodeled our beautiful Southwest Room at the Lodge will be sharing some of her decorating techniques, including faux painting and the use of other textures. You will surely leave with many great ideas.

*“Angel Wings Don’t Flap” is the theme of our speaker, Linda Burnett, from Prosper, who will share tales of a woman living too long in today’s society.*

Christian Women’s Club is part of Stonecroft Ministries, an organization that is dedicated to helping women grow in faith. There are no dues or other requirements. Just make a reservation with Shirley at 665-6399, and come prepared to make some new friends and have a great lunch. On Oct. 28 we will be having our annual “Country Fair,” where crafts, baked goods, and wonderful Christmas items are sold to benefit Stonecroft’s work at Lake Kiowa Missions. It’s too early to plan ahead!

**CHAPEL NEWS**

The choir was in exceptional form Sunday, July 18, 2004. They sang “We Are Singing, For The Lord Is Our Light” while proceeding into Chapel to the beat of a tom-tom played by their director, Sandra Schneider, and the accompaniment of the piano played by Shirley O’Dell. For the offertory hymn, they sang “Chariots Coming.” Here they are pictured as they prepare for the processional.

Chapel services are regularly scheduled at 8 a.m. every Sunday in the Lodge assembly room. Rev. John Hare and Rev. J. L. Williams are the pastors delivering their messages on alternate Sunday mornings.

Rev. J. L. Williams will continue his messages of “Love” on Aug. 1 and Aug. 15 with texts from assorted passages in 1 Corinthians 13.

Rev. John Hare will begin a five-part sermon series entitled “Gospel Born – Gospel Bread” based on John 6. He will begin the series on Aug. 8 with a message entitled “What Are You Looking For?” with text from John 6:1-21.

On Aug. 22 the message will be “The Ultimate Soul Food” with text from John 6:22-35. His message on August 29 will be entitled “Just Say Yes To Bacon” with text from John 6:41-51.

V.I.S.T.O. is the benefit of food contributed on the third Sunday of every month. All packaged groceries are appreciated but each month a particular item is identified that is needed in large quantities if you would like to shop specifically for it.

The Chapel Choir takes a vacation during the month of August and will begin regular practice sessions after Labor Day. If you enjoy singing, you are welcome to join them at that time. They normally sing for the Chapel on the third Sunday of each month.

The Lake Kiowa Chapel meets regularly every Sunday morning from 8 to 8:30 a.m. in the Lodge. All residents and guests are welcome. This is an interdenominational service that may precede your regular church service or a round of golf. Casual dress is always welcome. Please come and share this time with your friends and neighbors on Sunday morning at 8 a.m.

WHAT IS LEPC?
LOCAL EMERGENCY PLANNING COMMITTEE

The following information is courtesy of Ray Fletcher, emergency management coordinator of Cooke County.

The LEPC is a product of federal legislation passed in the wake of the Bhopal disaster in India, where thousands died because of an accident involving hazardous chemicals. To prevent similar occurrences in our communities, Congress passed the Emergency Planning and Community Right-to-Know Act (EPCRA).

Two of the main goals of this law are to provide a basis for each community to develop and tailor a chemical emergency planning and response program to suit the community’s needs, and to apply a right-to-know attitude to identify, quantify, locate, and determine the physical and chemical properties of hazardous substances in the community.

LEPCs are crucial to local hazardous materials planning and community right-to-know programs. The membership (volunteers) comes from the local area and should be familiar with factors that affect public safety, the environment, and the economy of the community. Thus, the plan is tailored to the needs of its community.

The LEPC can inform and discuss the hazardous substance emergency planning and health and environmental risks. Members of the LEPC represent the various organizations, agencies, departments, facilities and/or other groups within the county. Kiowa Emergency Service Organization is actively represented in the Cooke County LEPC, and is responsible for coordinating information and activities from LEPC to its members and providing accurate feedback to LEPC.

Any resident of Cooke County may participate in LEPC. At present, the committee is a work in progress. After basic information is collected and organized, many LEPC volunteers will serve as teams providing educational programs upon request.

Thanks to a wonderful venue provided by the Friends of the Lodge, this year’s July Fourth “Shabby Chic” auction was a success. We even sold the tuba! We are taking a well-earned hiatus - no Outpost sales in July or August. Rest assured, we will still be working, however. Thanks to the many contributors, we have much to sell. Remember, your donations and contributions to Kiowa Emergency Service Organization are tax deductible.

If you have usable household items to contribute, call Karen, 665-0322; Judy, 612-3130; or Dorothy, 668-8107.

There is an active Kiwanis Club at Lake Kiowa. It meets on the first and third Thursdays of each month at the Lodge for dinner. The Kiwanis Club has several fund raisers during the year, which help fund scholarships for students at North Texas Central College (NCTC) and other youth activities, including donations to Camp Sweeney for juvenile diabetics and Christmas donations to the Callisburg School District.

A special thank you to all residents and guests who participated in the Kiwanis Hoop Shoot and I-CEE stand during the July 4th celebration. The Kiwanis Club could not meet its goals without the generosity of the community.

We all look forward to the Kiwanis Hamburger Cookout in September. Please support the Kiwanas Club by purchasing a ticket for this annual event.

NATIONAL 800-525-6734
With the Independence Day Celebration behind us, the Lake Kiowa Volunteer Fire Department Auxiliary Board would like to thank everyone who worked so hard to put together our First Annual Pancake Breakfast and Squaw Shop. The pancake breakfast was a huge success. Even Mother Nature couldn’t stop us! We served more than 350 pancakes in just over two hours. And we’re looking ahead to the next one. Thank you everyone for your dedication - you were outstanding!

The Lake KVFD Auxiliary has two events scheduled for August. Our monthly meeting will be held at the fire department Thursday, Aug. 12 at 4 p.m. The LKVFD OUTPOST Garage Sale was held July 17 at the LKVFD/Woodbine Community Center on CR 211. Due to the generosity of the community, we were able to fill both buildings and had a very successful sale. The next LKVFD OUTPOST Garage Sale will be held on Saturday, Sept. 18 at 8 a.m. To donate items to the LKVFD OUTPOST, call Ed at 612-3232, Carl 612-3787 or Peggy 665-7977.

Confusion still exists in the community regarding donations and sales. Only those donations to the LKVFD OUTPOST and purchases made at the LKVFD/Woodbine Community Center go directly to the fire department. Therefore, if a sign or advertisement doesn’t read LKVFD OUTPOST, your donation or purchase does not go to the fire department. Thank you for your continued support.

LAKE KIOWA VOLUNTEER FIRE DEPARTMENT

The fireworks at Kiowa started early on July 3 with a show from Mother Nature; luckily this didn’t dampen the day’s festivities. The LKVFD started the day off with the annual parade procession with lots of candy being tossed to the children. There was a great turnout at our food booth this year where we prepared our traditional, Independence Day favorites. The LKVFD medical personnel also responded to four emergencies around the lake. At the end of the day while our friends, family and community watched, we lit up the Kiowa sky with a true Independence Day fireworks extravaganza.

The Lake Kiowa Volunteer Firemen and their families would like to extend to the community and their families our gratitude to everyone who stood in line in the heat to purchase food from our booth. We were truly overwhelmed at the response this year. Thank you for your support. See you next year!
Kiowans ELECT OFFICERS

MUSICK ELECTED PRESIDENT

Kiowans, an organization dedicated to community improvement, elected new officers June 27.

Virgil Musick was elected president. Jan Thies is the new vice president and Jerry Parr is secretary-treasurer. Frank Winnert, Bob Wickersham, John Davis and Joan Carroll were named to the advisory board. Dave Bowman agreed to serve as chairman of the Forum Committee. And LaVerta Burhans volunteered to be chair of the Leadership Committee.

After the election, Musick recommended that members set an annual dues schedule to defray costs involved in publicity and service projects. This measure was adopted. At a later meeting, the amount was set at $20.

Kiowans has a strong record of accomplishment during the past year. Initially formed in July 2003, the stated purpose was (and still is) “to provide factual information on significant issues of interest to all LKPOA members in an effort to promote, preserve, and maintain our way of life.” Accordingly, Kiowans members got their feet wet immediately by actively encouraging the community to support the proposed jail bond.

Additionally:
1. Kiowans held a leadership forum for 13 people during the spring of 2004.
2. Candidates for Cooke County office were invited to introduce themselves at a gathering at the Lodge, an opportunity to invite support and allow the attendees to acquaint themselves with the speakers.
3. Later that same month, voters attended a forum to discuss a bond issue to finance a new jail.
4. During June, Doug Smithson with the Cooke County Appraisal District met with Kiowans to explain tax appraisal procedures.

Early in July Vice President Jan Thies was asked to chair a Membership Committee consisting of Bob Bergbower, Anita Morris, and Christy McKenzie.

Musick said he is enthusiastic about the organization. He urged property owners to join, saying members will ultimately benefit by making the community a better place to live.

Naturally all Kiowans are invited to participate in the organization. Look for monthly articles in the CommuniQue. The following membership application should be completed and mailed with a check for $20 to Jerry Parr, 1300 Kiowa Drive East.

Dear Women,
I was at the Lodge the other day and mentioned to Anita that I thought I’d low key everything this next year at Woman’s Club. She said, “That’s good. Keep it simple, Skinner.” Or at least I think that’s what she said. Anyway, keeping things simple will be my goal.

It looks like Arts & Crafts will be taking a year off. And I got to thinking, we all have said at one time or another, “I’m not going to get so involved this year. I’m just going to sit back and relax and next year I’ll start doing things again.” Well, that’s what A&C is going to do. Take a sabbatical for a year.

Bird & Nature has joined forces with Garden Club and they will now be known as GARDEN AND NATURE. Gussie and Barbara have planned a whiz bang year of entertaining and educational activities for that department. You’re not going to want to miss those meetings.

You should see what Kathie Milburn is planning for the programs for Woman’s Club this year. Fantastic! I tell you, I know what she’s going through scheduling a lineup of programs to please 130 or so women. Not easy scheduling a lineup of programs to guide us through a successful year and win the love and camaraderie of the women of Lake Kiowa. I will do my best, along with all the members of the board, to keep it simple, Skinner.

Peggy Carpenter and her committee worked very hard to get all the information correctly submitted to the printer for the yearbook. I think you’ll be very pleased with the finished product. Keep it simple, Skinner.

Gourmet Department underwent a slight overhaul this summer. Based on much written and verbal feedback, Carol Gillies and her co-chairwomen Katherine Thacker and Linda Moore have tried to meet all the suggestions on much written and verbal feedback, and educational activities for that department. You’re not going to want to miss those meetings.

The new officers for Kiowa Woman’s Club 2004-2005 are left to right: Pat Jessee, Corresponding Secretary; Joyce Manner, Treasurer; Marilyn McKenzie, Recording Secretary; Lee Skinner, President; Kathie Milburn, 2nd Vice President - Programs; Peggy Carpenter, 1st Vice President - Membership. Not pictured - Sharon James, Historian and Jan Thies, Parliamentarian.

The six-week marathon ended June 17, with Allene Johnson and partner, Jeanie Foster taking first place, Pat Medley and Barbara Koval placing second, Kurtz and Dee Magee taking third and B. J. Myers and Helen Cowan winning fourth. Everyone had a great time this past year and looks forward to the new season starting in September.

New sign-up sheets are on the bridge bulletin board at the Lodge. Please sign up early and let’s have a great new season of fun Party Bridge every Thursday, except on the second Thursday of the month when we all go to Woman’s Club meetings. If you can’t get by the Lodge, call B. J. Myers at 668-1673 or Peggy Carpenter at 665-4294.

The whole “Bridge Bunch” would like to issue a big THANK YOU to Pat Medley and Dee Magee for the wonderful job they did this last season. They worked very hard to make the marathons fun.

The Computer Club will meet on Aug. 26, 7 p.m. at the Lodge. Visitors are always welcome.

TROJAN HORSES AND OTHER COMPUTER PERILS

Ever download one of those Internet search assistants or a cute little assortment of smiley faces? Have you visited a Web site offering a chance to win money? If you have, there is a good chance you unwittingly downloaded a Trojan Horse.

And, just as in Greek mythology, a Trojan Horse on your computer can let the bad guys in.

A Trojan Horse will install, without your knowledge, all kinds of little programs that cannot only wreak havoc on your PC, but also cause other problems. One malicious system sets up a program that records all of your keystrokes. It will capture items like account numbers, user IDs, and passwords. It then sends that information to others, compromising your identity. A consistent symptom of such programs, also known as spyware, is that your system slows down. In some severe cases, the spyware will actually take over your Web browser or your high-speed Internet connection, according to Barry Lotman, VP of the club.

A demonstration of using Wi-Fi was done at the July 22 Computer Club meeting.

It hardly seems that it has been two years since I came back to manage the Lodge. It has been two years of joy and struggle. This past year has been one of great satisfaction, not only for me, but for the other staff that works so hard to present you, the members, with the best food and service. We know that there is much work to do, but we feel we’ve come such a long way. Over the past two years we have increased sales by $128,000 and reduced expenses tremendously. Our goal for this year is to exceed these accomplishments and to continue to improve the service we believe you deserve.

We plan to have a Potluck Special on Sunday for $6.99. That’s a real bargain. This home-style meal will replace our Omelette Special. We are continuing our Buy One Get One Half-Off Chicken Fried Steak on Wednesdays, Large Pizzas will be Buy One Get One FREE on Thursdays, and you can get a Lodge Burger one-half off if you order another at full price on Saturdays. Of course we’ll continue to offer our Seafood Specials on Friday night and Saturday is the ever popular Steak Night.

A demonstration of using Wi-Fi was done at the July 22 Computer Club meeting.

A good firewall will help keep bad things off your machine. Again, there are many good software products available. A free one that is highly rated is ZoneAlarm, which can be downloaded from www.zonelabs.com. If you have several machines on a high-speed Internet connection running through a router, chances are you are already protected by a hardware firewall and you may not need additional software.

Finally, be careful what you click on. If it seems too good to be true, it probably is.

The people that create this stuff are the pickpockets of the Internet. And, like real pickpockets, they are up to no good.

If you need help understanding, installing, or using any of these preventive tools, seek out some knowledgeable help. The Kiowa Computer Club is a good place to find help with these and other issues with your PC.

Attendees of a July wedding reception at the Lodge enjoyed a beautiful display of hors d'oeuvres as well as a beautiful wedding cake.

Silent Auction – Kathy Millburn, Carol Gillies, Joyce Cargill, Tickets – Don and Judy DeField, Logistics and Placement and maintenance of equipment – Ike Gill, Jim Lemming, Larry Adams, Bill White, Bob Hughes, Bob Wickersham, Gary James, Bill White, Bob Skupin, and Don Gilmore. John Clauising is always one of our valuable volunteers as our sound expert. We rely on him to make sure everyone can hear everything that is going on Special thanks to Jan Thies and all the Kiowa Woman’s Club members who donated cakes to make the cake walk a success. The Woman’s Club shares half of the proceeds they work so hard for with the Friends of the Lodge in order to help defray expenses for the entire celebration. Cheers and hats off to one of our most valued assets; the Lake Kiowa Woman’s Club.

Our celebration takes contributions from all of our community. The Friends of the Lodge would like to thank the Kowans, KESO, Lake Kiowa Angler & Conservation Club, the WGA, the Homeowners Water Department, the LKVFD, the LKVFDA and Mike Pulse and the Kiowa youth for their contributions. Again, the Friends of the Lodge and our board, Jayne Sweet and myself would like to express our appreciation for helping us make America’s Independence Day a day for all of us to enjoy and be proud to be Americans and Lake Kiowans.

Last, but not least, we extend a big thank you to all the Lodge & Maintenance staff for all their hard work.

**April Pie BakeOff**

Joyce Cargill once again coordinated our apple pie bakeoff. The entries were scrumptious. The winners were First place, Johny White; second place, June Cloud; and third place, Barbara Mock. Jerry Holton, Booster Carpenter and Bob Bingham had the good fortune to be the judges this year. We have some really talented cooks at the Lake.

**Kids Games and Moon Walk Houses**

Dee Dorman and Janice Williams, co-chairs of the two events, want to thank Tom Thumb of Gainesville for donating sodas for our ring toss game and to Tad Brown for donating one of the ‘Bounce Houses’. Many volunteers were needed to guide these events. Those generous souls were: Joe, Megan, Katie and Bob Gillette; Lawrence, Rhea and Claire Williams; Susan, Terry, Tara and Cole Wescott; Loree, Logan, and Jaime Eddleman; Carrie, Greg and Ryan Smith; Cindy and Jake Adams; Natalie and Terri Atterbury; Kendall Sellers; Luke Walker; Allison and Shelby Gaehrlein; Stephanie Falconer; Leslie McCarty; Shelby Adams; Sarah Hall; Kayt White; Ashley DeField; Johnny White, Don and Carrie DeField; Diane, Willis, Wilson; Don and Katherine Thacker; Phyllis Delancy; Jana Smith; and Steve, Bryce and Brock Berryman. The children’s events are always the most fun and there is so much satisfaction in helping out with these events. Hats off to all who had a hand in them.

Thanks always go to Frank O’Dell for his contribution as announcer/barker/master of the ceremonies. He gives our celebration that extra punch.

Our Friends of the Lodge members need special recognition as most of them are willing to fill in where needed. Following is a list of some of the volunteers: John Davis, Bill and Pat Frazier, Bob and Barbara Bergbower, Jo and Tom Brannan, Carol and Del Maner, Brent Reed, Dave and Shirley Falkenhugen, Christy McKenzie, Tom and Debbie Nolan, Bob Wickersham, Joyce and Stan Surlow, Evelyn deLaughis, Miriam Hogan, Ann Spencer, Jo Ann Gill, Betty and Sherm Daugherty, Kathy Millburn, John and Kim Coppens, Butch and Carlene Ross, Boyd and Regina Carley, Gary and Sharon James, Steve and Marsha Day, Charlie and Fran Sypert, Clara Lemming, Dave Spangler, Myrna Smith, Booster and Peggy Carpenter, Harold and Marilyn Greene, Linda Stroup, Janet Perpich, Liz and Dan Lipperman, Jim Dolan, Dale Hughes, Willie Wilson, Dorothy Shearer, Ruth Maddox, Jeanneaul Fulkiner, Virgil Sears, Betty and Leroy Becker, Margene Reid, Shirley O’Dell, Cindy Adams, Corina Nichols, Connie Nichols, Peggy and John Pahlmann, Veronica Deschner, Reed Carroll, Jim and Carol Hawkins, Joan and Dick Carroll, Inez and Ray Freeman, Al and Yolanda Arronte, Sue and Walt Sprung, Sara and Tom Franklin, Joyce and Don Harden, and Joe Bob Fikes.

The Friends of the Lodge Board, Frank O’Dell, Kay Fikes, Paul deLaughis, and Maureen Anselmi, and my dynamite co-chairs, Jayne Sweet, were invaluable to our success. The Woman’s Club shares half of the proceeds they work so hard for with the Friends of the Lodge in order to help defray expenses for the entire celebration. Dan Abbott won our Full Moon Bass Tournament July 2, despite getting caught on the lake about 4 a.m. when a round of thunderstorms came barreling through. Abbott and his wife Lori found refuge at an empty boat dock.

Abbott had a total string weight of 8.2 lbs. Our Vice President, Bob Bingham, presented him the winning check. Taking second place was the Angler of the Year of 2003, Mike Bitsche, with a total string weight of 5.0 lbs. Keith Davis placed third again this tournament with a total string weight of 4.4 lbs. Keith also won BIG BASS with the same fish weighing 4.4 lbs. Keith is the grandson of George Davis, who lives at Lake Kiowa and is currently leading this year’s competition.

Our last bass tournament is scheduled for Sept. 4. It will begin at 6:30 a.m. at the Lodge pavilion, with weigh-ins at 11 a.m. at Little Fox Pond. At noon that day is KIDFISH at Little Fox Pond, which we stock with catfish for the children’s fishing competition. This event is free to children and prizes and trophies will be given to those catching the most fish. Hamburger and hot dogs provided by the Lodge will be available for purchase.

Once again, we will open a new place to fish, thanks to Mike Bitsche and Mike Merolla for their hard work refurbishing the pontoon boat, which will be transformed into a barge for fishing at the north end of the lake. This should be ready by Sept. 4.

Our July Fourth celebration was also a lot of fun. More than 480 children played our ring toss, bean bag toss and ducks in a pond games. Thanks to all of our volunteers – Mike and Paddy Merolla’s Newfoundland dogs. Bees at West Beach and enjoyed the company of Frank Winnert’s Newfoundland dogs. Tony Morris braved the grill and heat, cooking hot dogs and hamburgers. It was a great day, thanks to all of the volunteers, including the Lake and Parks Committee, for helping with the annual event.

Lake Kiowa's July 4th Celebration

There were 80 two-person teams entered in what was supposed to be a three-day event. Due to severe weather conditions, the tournament was halted halfway through the final day. Only two of the six flights were able to complete their last round. The winners of the first four flights were determined by the previous two-day ending scores. The wet and soggy conditions helped bring in some high scores.

The WGA ladies cooked hot dogs and brats at the Pro Shop for those ending their rounds. The head chef was Shelley Reese, assistant chef/cashier Jan Johnson, and the supply master was Linda Stroup.

MGA President Larry Reese and Tournament Chairman Bill Gafford called Mr. Robert “Bob” Martindale to the stage to offer their thanks to First State Bank for its 100% sponsorship of all social events and the tournament. Thank you, First State Bank.

The food was outstanding and the camaraderie was even better. Everyone had a great evening.

Superintendent’s Report...

Summertime is here, along with the usual maintenance. As it gets hot, we will be out syringing. Please be patient with the golf course employees; we will get out of your way as quickly as possible. Also, please note that workers will be busy paying attention to the grass and may not see you immediately. When they do, they will normally wave you on. Please wait until they leave or wave you on, as those balls hit low and hard can cause serious injury.

It is also important to remember to repair any ball marks you make or see. Growth on the putting greens slows during the heat, so ball marks do not fill in as quickly as they do during the peak growing season. By repairing the ball marks, you will improve the putting surface and help the grass recover. We appreciate all your help in keeping the golf course looking and playing good.

MGA SENIOR CLUB CHAMPIONSHIP

The Lake Kiowa Men’s Golf Association held its annual Senior Club Championship on Saturday and Sunday, June 26 and 27. Fifty-four golfers teed off Saturday morning with high expectations. That didn’t last long for many of us. I came down to earth with a thud when I saw I wasn’t the only one. At 3 p.m., with only three groups having completed their round, the sky opened up and lightning (the golfer’s nightmare) and thunder attacked Lake Kiowa. Play was suspended until 8 a.m. Sunday.

The field was flighted by age, with flights for 50-59, 60-69, and 70 and over. There were 23 competitors in each of the young men’s flights, and only eight in the oldster’s flight. The Senior Club Champion was determined by the lowest gross score, regardless of flight. The reigning overall club champion, Charlie Brown, continued his winning ways by shooting a very respectable 70, 74 for a total of 144. Congratulations, Mr. Brown.

The results by flight are:
50-59 gross:

- Charles Brown 144
- Richard Hundt 148
- John Morris 152

50-59 net:

- Danny McDaniel 128
- Harold McFarling 129
- J. J. Walls 136

60-69 gross:

- Bob Mosman 160
- Willie Wilson 160
- Dale Maners 162

60-69 net:

- Bill Frazier 138
- Bobby McDaniel 141
- John Nash 144
- Fred Anderson 169

70 and over gross:

- Fred Anderson 169
- Chick Creech 140
- Walt Sprenger 141

Each day the best shot winners in each flight were given a dozen golf balls. Closest to the pin on Saturday:

- 50-59 Dan Reiff
- 60-69 Bobby McDaniel
- 70 + Chick Creech (again)

Closest to the pin on Sunday:

- 50-59 Bill Branman
- 60-69 Jack Theis
- 70 + Chick Creech (again)

Longest drive on Saturday:

- 50-59 John Morris
- 60-69 Dale Maners
- 70 + Fred Anderson

Longest drive on Sunday:

- 50-59 Dan Reiff
- 60-69 Lowell Kulp
- 70 + Walt Sprenger

Normally I would have photos of the winners, but due to unforeseen difficulties (I dropped my camera and ruined it and all the photos I had already taken), there are no pictures this time. It won’t happen again. I apologize to all the winners, especially Fred Anderson, for this unfortunate gaff on my part.

Lowell Kulp

Charles Brown, Senior Club Champion.

Brown McCrory presented the “Shootout” prizes. Winner Larry Reese had a great golf shot out of the hazard (denting his club slightly in the rocks) from in front of #9 green landing just short of the flag. Tom Blackwell fought his way to finish second. Barry Pliler came in third.

When there was a tie, a chip-off was held to determine who would go on. This one was between John Schneider and Barry Pliler from the trap on #6. Barry won by a matter of inches and went on.

There was a large gallery following the play hole by hole. There must have been 30 to 40 carts following the players. It was like following the pros on tour.

The Lake Kiowa Volunteer Fire Department would like to invite members and friends to the 14th Annual Fore Alarm Benefit Golf Tournament on Saturday, Aug. 28. The tournament format will be a two-person scramble with an 8 a.m. shotgun start. There will be prizes for first and second place in each flight. Flights will be based on the number of entries. Entry fee is $45 per person, including meal ($5 extra per guest meal). There will be free pastries, coffee and juice served starting at 7 a.m. at the Pro Shop, courtesy of the LKVFD Auxiliary. A golfer’s package will be available the day of the tournament, which includes two mulligans, a string putt and a cash prize for the highest poker hand.

OTHER EVENTS: Closest to the pin, most accurate drive, 50/50 hole, door prizes and a few suprises. Beverages will be available on the course or after play at the Pro Shop. Sign up NOW at the Pro Shop! Enjoy a great day of fun, fellowship and golf. Thank you for supporting the LKVFD.

Starting Times: Get your tee times seven days in advance using the automated system (668-2016). For any other tee time, please call the Pro Shop. Before play, you must sign in at the Pro Shop.

All play starts on the #1 hole (Unless directed By the Pro Shop).

Each Player must have his/her own set of clubs and bag.

Do not jump on the course or cut in front of other players at anytime.

Guest Play: All guests must be accompanied by a member; your guest must be registered at the Pro Shop, and pay all appropriate fees. (Please remember, you are responsible for the actions of your guests on and off the golf course, keep them aware of all rules and regulations.)

Golf Carts: The only golf carts allowed on our course are those owned by members, lessees, or those rented from the Pro Shop. Carts must remain on the cart path around the greens, do not drive behind the greens.

The 90-Degree Rule applies at all times on the golf course.

Do Not Drive on Private Property – Out of Bounds markers indicate Private Property.

All carts must display the owner’s lot number. Golf carts do not have the right of way on the streets. Cart on course usage: 2 golfers 1 cart, 3 golfers 2 carts, 4 golfers 2 carts, 5 golfers 3 carts, (Rule H.5.g), unless approved by the Pro Shop.

Honor All Signs: Cart Path Only (#9 is always cart path only) or hole closed, etc.

Ball Hawking: searching for balls that are not yours, including Mondays, is a violation of our rules. You may retrieve your personal ball only.

Jogging, walking (even your dog), or fishing is not allowed on the golf course during the hours of golf course operation (Reference Rule H.1.a). It is for your well being and safety.

Please report all violations to the Pro Shop, not the violators on the course.

You can and will be cited for all rules violations.

If your lot number is reported as a repeated rule violator, you could lose the right to play golf.

Please be aware of Rules Section IV, B.6. It could be up to 90 days or longer before you play again.

Help keep Lake Kiowa the finest golf course in North Texas. Golfers, please observe all local rules that are listed on the back of your scorecard.

Your Lake Kiowa Golf Committee and POA Board of Directors thank you for following the rules.

LATE-NIGHT RUMBINGS AT THE COMANCHE CUTOFF

Everything happened July 11th between 3 and 4 in the morning, usually too late for adult residents to be out and about. It began with a couple of pranks, the type of things bored kids would find fun and exciting. One prank involved the tall trees in front of the white house near the intersection of Kiowa Drive East and Comanche Drive. These trees were the targets of numerous rolls of toilet paper.

Another prank involved ringing the doorbells of several houses along Kiowa Drive East, from the 1100 block down to the middle of the 1300 block. So seemingly, there is nothing terrible about this action, just the annoyance of being awakened from a pleasant sleep. However, being yanked out of a deep sleep in the middle of the night is a jolt and could mean an emergency involving a neighbor, a house on fire, or the like.

Sometimes during all of this the juvenile pranks escalated into vandalism. The modern white home at the corner of Kiowa Drive East and Comanche Drive became the target of marksmen firing a paint ball gun. The resultant damage was evident, and the task of cleaning the compound off the house is turning out to be very tedious. The paint just does not want to come off the stucco.

The security patrol was notified of Directors need to amend the rules to prevent such actions. Does the Lake Kiowa Board of Directors need to amend the rules to prevent such actions? Does the Board of Directors need to seriously consider a curfew for anyone below the age of 18?

STAGES

Stage 1 – MILD Water Shortage Conditions
Goal: Achieve a voluntary 10 percent reduction in total water use.

Voluntary Water Use Restrictions:
(a) Water customers are requested to voluntarily limit irrigation in landscaped areas to Sundays and Thursdays for customers with a street address ending in an odd number and Saturdays and Wednesdays for customers with a street address ending in an even number (0, 2, 4, 6, or 8), and to irrigate landscapes only between the hours of midnight and 10 a.m. and 8 p.m. to midnight on designated watering days.
(b) Water customers are requested to practice water conservation and to minimize or discontinue water use for non-essential purposes.

Stage 2 – MODERATE Water Shortage Conditions
Goal: Achieve a 15 percent reduction in total water use.

Water Use Restrictions. Under threat of penalty for violation, the following water use restrictions shall apply to all persons:
(a) Irrigation of landscaped areas with hose-end sprinklers or automatic irrigation systems shall be limited to Sundays and Thursdays for customers with a street address ending in an odd number (1, 3, 5, 7 or 9), and irrigation of landscaped areas is further limited to the hours of 12:00 midnight until 10 a.m. and between 8 p.m. and 12:00 midnight on designated watering days.
(b) Use of water from hydrants shall be limited to fire fighting, related activities, or other activities necessary to maintain public health, safety, and welfare, except the use of water from designated fire hydrants for construction purposes may be allowed under special permit from the Kiowa Homeowners W. S. C.
(c) All restaurants are prohibited from serving water to patrons except upon request of the patron.
(d) The following uses of water are absolute prohibited.
1. Wash down of any sidewalks, walkways, driveways, parking lots, tennis courts, or other hard-surfaced areas;
2. Use of water for dust control, or ponds are equipped with a re-circulation system.
3. Use of water for dust control; such as garbage trucks and vehicles used to transport food and perishables.
4. Use of water to wash any motor vehicle, motorbike, boat, trailer, airplane or other vehicle is absolutely prohibited.
5. Use of water to wash down buildings or structures for purposes other than immediate fire protection;
6. Use of water for dust control;
7. Flushing gutters or permitting water to run or accumulate in any gutter or street; and
8. Failure to repair a controllable leak(s) within a reasonable period after having been given notice directing the repair of such leak(s).

Stage 3 – CRITICAL Water Shortage Conditions
Goal: Achieve a 25 percent reduction in total water use.

Water Use Restrictions. All requirements of Stage 2 shall remain in effect during Stage 3 except:
(a) Irrigation of landscaped areas shall be limited to designated watering days between the hours of 12:00 midnight and 10 a.m. and between 8 p.m. and 12:00 midnight.
(b) Operation of any ornamental fountain or pond for aesthetic or scenic purposes is prohibited except where necessary to support aquatic life or where such fountains or ponds are equipped with a re-circulation system.
(c) The use of water for construction purposes from designated fire hydrants under special permit is to be discontinued.
(d) The watering of the golf course is prohibited unless the golf course utilizes a water source other than that provided by the Kiowa Homeowners W. S. C.
(e) Use of water from hydrants shall be limited to fire fighting, related activities, or other activities necessary to maintain public health, safety, and welfare, except the use of water from designated fire hydrants for construction purposes may be allowed under special permit from the Kiowa Homeowners W. S. C.
(f) All restaurants are prohibited from serving water to patrons except upon request of the patron.

The World’s Most Elegant Wood Fireplace... Is Also the World’s Most Efficient!

The World’s Most Elegant Wood Fireplace... Is Also the World’s Most Efficient!

The Fireplace Xtrordinair is designed to maintain the firebox’s average temperature of 1200° F throughout the heating season on up to 76,000 BTU’s/hour. Through a decorative grille built into the face design, framing the front and enhancing your home decor, other heat-circulating fireplaces require large unobstructed areas or high visible vent boxes above the fireplace opening, sacrificing the traditional hearth look.

The Fireplace Xtrordinair features sheets free and large areas for decorating and viewing the flames. Silver leaf glazing on the face and door add a dramatic flair, but the real magic is the unique beautiful look in a high BTU’s wood fireplace.
