It is with great pleasure that we introduce our New Community Manager, Scott Campbell; his wife, Amber; and their children, Nick and Lauren. They have recently made an offer on a house in Lake Kiowa and will move here as soon as their house in Mansfield is sold. The Campbell’s will be a delightful addition to our community.

Scott is well qualified for the job. He has a Masters Degree in Public Administration from the University of Texas at Arlington, and over a decade of experience working in city government. His education and work experience equip him with the credentials we require in a Community Manager. His energy and enthusiasm promise excitement for the future of Lake Kiowa.

Scott's mentors and peers alike glow in their terms to describe Lloyd’s efforts and accomplishments. President Jack Thies summed up everything in one word: Lifesaver. Thank you once again Lloyd for what you have done and will continue to do for Lake Kiowa.

Scott Campbell will begin as our Community Manager in the first week of February. Please come meet Scott and his wife, Amber, at a reception in the Lodge on Saturday, February 5, at 2 p.m.

Ballots will arrive by Feb. 1. You will have the opportunity to vote for three positions on the LKPOA Board of Directors, and For or Against Resolution 2005.1 to create an Asset Replacement Reserve Fund. The resumes of the five Board candidates are in this issue of the CommuniQue on page 25 and on our Web site www.lakekiowatx.com. Please be sure to read them as well as the information on the ARRF included with your ballot. Your Board of Directors encourages you to VOTE FOR the Asset Replacement Reserve Fund. Be sure your ballot is postmarked prior to March 1, 2005.

The appreciation and thanks of the entire membership was extended to Lloyd Butts at the January Open Board Meeting. Although there are many glowing terms to describe Lloyd’s efforts and accomplishments, President Jack Thies summed up everything in one word: Lifesaver. Thank you once again Lloyd for what you have done and will continue to do for Lake Kiowa.

Scott Campbell will begin as our Community Manager the first week of February. Please come meet Scott and his wife, Amber, at a reception in the Lodge on Saturday, February 5, at 2 p.m.

The Board has approved a proposal from the MGA to install electronic tags at Front Gate. Please be sure to read them as well as the information on the ARRF included with your ballot. Your Board of Directors encourages you to VOTE FOR the Asset Replacement Reserve Fund. Be sure your ballot is postmarked prior to March 1, 2005.

EXPLORING THE NEW LAKE KIOWA WEB SITE: PAYING YOUR LKPOA BILL

One of the objectives we established when developing our new Web site was for our members to have the option to pay their LKPOA bill online. So this month I would like to give you an overview of the process, and make you aware of several issues that have come up.

Paying your bill via the Web site is only one alternative available to you: you can set up direct debit through the POA office (and really, that is what the POA would prefer that you do, since it gives them advance knowledge of exactly how much your payment will be and when it will be available, and it costs the POA nothing extra), pay by check, dropping it off at the office or by mail, or through the Web site (again, costs the POA nothing extra, but will cost you extra – more below).

Before you can pay via the Web site, you must set up an account with

continued on page 24
I wish to use my final “Manager’s Report” to encourage you to vote for the Asset Replacement Reserve Fund strategic plan which has been approved by the LKPOA Board of Directors. It is important for the future well being of Lake Kiowa that we develop a plan that will comply with Section 15.02 of our by-laws and with Internal Revenue Service regulations.

Since 1997 the assets of Lake Kiowa have increased over 139% while our dues assessment have increased around 60%. We have never increased our dues to an amount that would allow for the maintenance and replacement of our assets at the end of their useful life. CIP II & I increased our assets from $2.8 million book value in 1997 to $6.7 million in 2003. However, 98% of that money was spent on the Lodge, Pro Shop, cart barn, office, maintenance barn, rest rooms and roads. Only 2% was spent for equipment needed to maintain Lake Kiowa.

We need to replace $1.8 million in rolling stock equipment over the next five years. The bulk of our equipment has far exceeded its life expectancy; thus, our repair and maintenance costs are accelerating out of control.

This new Asset Replacement Reserve Fund will require funding of $34 per month, but will not commence until after the $47 per month CIP assessment ends. Accounting records will be maintained on every dollar spent and the Ways and Means Committee will present an annual report to owners. It will allow us to replace the equipment we need and continue to replace existing assets as needed.

I urge you to vote “yes” for the establishment of this program.

Early Settlers...

This column was first written by Catharine Moss, who moved on to other projects. Linda Teagarden became an assistant to Carole Clasung, and we’ve all agreed that the Early Settlers column, although it could include scores of people, should be about those who fit two criteria: they should still reside in or near Lake Kiowa, and they should be those who have continued to contribute to the well being of the community.

This month, I’m going to break with one of these to tell you about three men who are now serving on a larger Board whose President needs all the help they can give Him, whose efforts here on terra firma are still seen and felt.

Loddie Roeder, with Bob Kalina and Dennis Wolfe, helped many of us eat healthier from the abundant garden that they nurtured for years, and it is Loddie’s love of gardening that gives solace to those who blow their shots on the fourth and fifth greens of the golf course. If you’re not a golfer, but you love gardens, park at the end of Chippewa Cove, being careful not to block mailboxes if it’s morning, and walk down to the triangle with the rope border and the birdhouse. It is lovely, of course, not on the golf path. Walk and understand of humor, his generosity, his wife stood firm. Polite and understanding of my sense that he wasn’t fair that the whole county shouldn’t know about her husband’s achievements, his kindness, his sense of humor, his generosity, his wife stood firm. And so, dear readers, you’ll just have to figure it out yourselves.

In the coming months, look for pages out of the books of people many of you know and see often because of their ongoing involvement in making Lake Kiowa a community which will never go away. We have so many beautiful memories, all connected to the special people we were blessed to have been associated with. Shortly after we moved in, we noticed a burned out home a short distance from our home. We encouraged Dick to join and become active in the Vol Fire Department. At that time there were many Kiowa men in administrative positions with the Fire Department. About a year after we had lived in our home, we decided we needed a shed. About a half dozen friends showed up to lay the foundation. This type of cooperation we found throughout the time we have been at Kiowa. When several of us decided we needed a pavilion, we approached the FOA of Directors and asked for their support. They thought it would be a good idea and suggested if we could raise the money, they would make the build available. So many of us solicited Kiowans and Gainesville businesses and raised $2,000 to build our pavilion. Friends from activiters on the Water Board, Lake and Parks Committee, and Kiowans have all made indelible impressions on our lives. Then of course there were all the other fun things, parties, golf, fishing, pinochle and Bridge games, church, getting together with family and friends and so much more.

For those of you who have been such an important part of our lives at Kiowa, we want to thank you from the bottom of our hearts.

With our Love,
Dick and Marti Bassette

The World’s Most Elegant Wood Fireplace... Is Also the World’s Most Efficient!

The Furnace That Looks Like A Fireplace

The Fireplace Xtrordinair is designed to maintain the aesthetic appeal of the fireplace while delivering up to 76,000 BTU/hr, through a decorative grill built into the face design, framing the fire and enhancing your home decor. Other heat-circulating fireplaces require large unlit hearths or high visible vent boxes above the fireplace opening, sacrificing the traditional hearth look.

The Fireplace Xtrordinair features steel fins and large glass doors for an excellent view of the fire. Optional glass plate on the front and side and a dramatic flat, steel marla Xtrordinair makes such a real, beautiful look in a high BTU output fireplace.

Volunteers…

NEW ANIMAL SHELTER ON TRACK
FOR SUMMER OPENING

Noah’s Ark Community Animal Rescue Effort is selling bricks and building blocks to raise money for the new Gainesville animal shelter, which is expected to open in May or June.

Officials held a ceremonial groundbreaking for the shelter last month, and hope to have a real groundbreaking in the next few weeks.

Shelly Gomulak, a veterinarian who is heading the volunteer effort, said $130,000 has been raised to supplement the $200,000 budgeted by the city of Gainesville for the new facility. The city will own the building, but the community will be responsible for raising the bulk of its operating costs. As part of that effort, she said, people can buy bricks or building blocks inscribed with the names of pets or loved ones. Bricks are $50, blocks are $150. The shelter is also considering selling dog runs.

The facility, she said, is long overdue.

“The city shelter now is pretty minimal. The poor animal control workers don’t even have a place to wash their hands,” said Gomulak. “The main problem is that there is no one there to do adoptions, so a lot of the cats and dogs are euthanized. Last year, nearly 2,000 animals were euthanized in Gainesville.”

Dear Lake Kiowa Friends and Neighbors,

After 17 wonderful years at #1 Kiowa Dr E, East, Marti and I are leaving beautiful Lake Kiowa. We don’t know what awaits us at The Villages in central Florida, but it will take a lot to compare to our time at Kiowa. Some of our friends have asked why we would leave such a idyllic life here to venture into the unknown. The answer is simple, it was time for us to down size, hard as that decision was to make.

But the main reason for writing this letter is to look back over those great 17 years. We have so many beautiful memories, all connected to the special people we were blessed to have been associated with. Shortly after we moved in, we noticed a burned out home a short distance from our home. We encouraged Dick to join and become active in the Vol Fire Department. At that time there were many Kiowa men in administrative positions with the Fire Department. About a year after we had lived in our home, we decided we needed a shed. About a half dozen friends showed up to lay the foundation. This type of cooperation we found throughout the time we have been at Kiowa. When several of us decided we needed a pavilion, we approached the FOA of Directors and asked for their support. They thought it would be a good idea and suggested if we could raise the money, they would make the build available. So many of us solicited Kiowans and Gainesville businesses and raised $2,000 to build our pavilion. Friends from activiters on the Water Board, Lake and Parks Committee, and Kiowans have all made indelible impressions on our lives. ANIMAL SHELTER Continued from page 4

The new facility will hold 30 dogs and 70 to 80 cats or small dogs.

“It needs to be bigger than it is, but it is a step in the right direction,” Gomulak said. All animals at the new facility will be vaccinated and spayed or neutered and licensed before they can be adopted, she said. Gomulak, who will be donating her time to do the operations and shots, said she also hopes to eventually hold a monthly spay and neuter clinic for low-income family pets.

When the shelter opens, Gomulak said, the plan is to have three full-time workers. Volunteers will be needed to help walk the pets and clean their cages.

“We are going to organize a calendar where people can sign up for what days of the week they want to volunteer. They will be in charge of a specific animal. That way the dog or cat becomes more socialized and trusting. A lot of them haven’t had a lot of human contact. So that will help them form a specific animal. That way the dog or cat will be in charge of a specific animal. That way the dog or cat becomes more socialized and trusting. A lot of them haven’t had a lot of human contact. STORMER THANKS COMMUNITY OF LAKE KIOWA

I would like to thank the good people of Lake Kiowa for allowing me to serve as your attorney for the past three years. I have appreciated the opportunity to serve Lake Kiowa. It has been a great professional experience for me and allowed me to practice in many different and interesting areas of the law. It has been an intellectual challenge to assist you in solving some of the issues we have faced and it is always wonderful to work with some of the great minds at Lake Kiowa. I am very proud of the fact that we all worked together and have had no real litigation at Lake Kiowa for some time now. I have made some great friends at Lake Kiowa and will always remember Lake Kiowa fondly.

Sincerely,
Cindy Stormer

SKATEBOARD PARK UPDATE

Wow! Talk about generous, Kiowans have got to be the kindest people on Earth. Thank you, thank you, thank you for all your support of the skate park. We are nearly to our goal of $7,000. With $4,900 in our account, we plan to start construction sometime in March.

On Saturday, Feb. 26 I would like all skateboarders and roller bladers to attend a plan review at my house ($35 Kiowa Dr. E.) at 1:30 p.m. You will have an opportunity to voice your opinion as to what your skate park will look like. Please call Mike Pulec at 940-727-1016 if you plan to attend.

Final Note: We still need $2,000 to fund this project. If you have any objects that we could auction or raffle, like old cars, boats, TVs, etc....it would be much appreciated.

Thanks again, Kiowa.

Mike Pulec

LAKE KIOWA LIBRARY NEWS

So now it is cold and a good time to use the Kiowa Library. For new residents, the Library is in the strip center outside the gate, and next door to the Water Department. Since they are so kind to open and close for us every day, we are open Water Department hours...

You are welcome to take any paperbacks to read, and we ask that you check out any hardcovers or Books on Tape you take; there is a book on the desk for you to write this in. Return them when you are finished. The Library is not manned all the time, but there are several of us who come in during the week to shelve returned books. Two new helpers are Jan Parsons and JoAnn Gill. Just put returned books in the basket on the desk.

We appreciate any donations of hardcovers and paperbacks, but ask that they are recent books, something you have just read and want to share. We really don’t have room for older books. By that I mean we like books that are just a year or two old. If you have old books you need to get rid of, call me and I can give you some suggestions. So, happy reading and we hope you will use our Library!

Joanne Dorsch, 668-1643

CALLISBURG HIGH SCHOOL ACADEMIC TEAM COMPETITION

The CHS academic team competed at the Denison High School invitational on Jan. 8. Senior Konda Mitchell won first in poetry interpretation. Senior Julie Dobson won first in computer applications and senior Luke Walker won first in science while also taking first place in biology, chemistry and physics.

The science team of Walker, Mitchell and senior Sean Guthrie placed second. Senior Robert Linder placed second in prose interpretation and senior Alison Westbrook won fourth in poetry.

The journalism team had a great day in editorial writing with senior Casey Johnson placing third. Dobson placing fourth and junior Stephanie Zimmerer taking fifth.

In math, Walker, Dobson and sophomore Bryant Nelson won third. Walker also placed sixth individually in number sense and math.

The computer science team of senior Steven Smith, Nelson and senior Dee Fuller won third. Fuller also won fifth in accounting.

“This was a great start to the academic competition this season,” UIL Coordinator Tim Jones said. “Congratulations.”

CALLISBURG SENIOR TO PLAY IN ALL-STATE BAND

Callisburg High School senior Liam Guthrie earned a spot in the All-State band last weekend by placing fourth chair French Horn at auditions in Abilene.

Guthrie earned the right to compete in All-Region tryouts in the fall. Also placing in All-Region in the fall were seniors Konda Mitchell in trumpet and sophomore Royce Krahl in French Horn.

Guthrie will play in the All-State concert on Feb. 12 in San Antonio.

— 6 CommQuest February 2005 —
We have a wonderful program prepared for you on Thursday, Feb. 24. Our own Jan Dalton of Lake Kiowa will share her incredible music talent with us. She grew up with a love of singing that she gained from her father, and in 1965 she spent seven months in Okinawa entertaining the troops serving in Vietnam.

The Chapel Choir provided a beautiful Christmas service in music Dec. 19, the Sunday before Christmas. An overflow crowd enjoyed this inspirational service. Thanks go to Sandra Schneider for her continued leadership, and the whole choir for their hours of preparation for this service. The choir meets every Monday morning at 8 a.m. in the Lodge for rehearsal and sings for Chapel on the third Sunday of every month.

Chapel services are regularly scheduled at 8 a.m. every Sunday in the Lodge assembly room. Rev. John Hare and Rev. J. L. Williams are the pastors. They deliver their messages on alternate Sunday mornings.

Feb. 6 Rev. Williams’ sermon is entitled “The Nature of God’s Steadfastness” with text from Psalm 139:1-18. “Practical Examples of God’s Steadfastness” is the title of the message he will deliver on Feb. 20 with text from the same passage.

V.I.S.T.O. is the recipient of food contributed on the third Sunday of every month. All packaged groceries are appreciated, but each month identifies a particular item if you are shopping specifically for V.I.S.T.O. They would appreciate tuna and noodles during the month of February.

The Lake Kiowa Chapel meets regularly every Sunday morning from 8 to 8:30 a.m. in the Lodge. All residents and guests are welcome. This is an interdenominational service that may precede your regular church service or a round of golf. Casual dress is always welcome. Please come and share this time with your friends and neighbors on Sunday morning at 8 a.m.

11:00 a.m. - 1:00 p.m.
Tickets $5 - available at the door or from board members.

The Kiowa Woman’s Club recently purchased more copies of “THE FIRST TEN YEARS” Lake Kiowa History Books. We also have available Lake Kiowa 1980-1991 and Lake Kiowa 1992-2002. The cost of the entire set is $25, or the books may be bought separately. The history books may be purchased at the POA office, at the Woman’s Club meetings, or by calling Judy Hughes at 668-2578.

We have an Elderhostel Ambassador for about a year and will share the educational travel opportunities that Elderhostel provides.

Pat Shields of Richland Hills will be our inspirational speaker. Pat is an active real estate broker and her theme is “Silver Threads & Golden Needles - The Tapestry of My Life.”

For reservations call Shirley at 665-6399 and come to the Roadhouse Restaurant in Lindsay at 11:30 for a delicious buffet and exciting fellowship. Please remember when the Gainesville schools are closed due to inclement weather, the meetings are automatically canceled.

Chapel services are regularly scheduled at 8 a.m. every Sunday in the Lodge assembly room. Rev. John Hare and Rev. J. L. Williams are the pastors. They deliver their messages on alternate Sunday mornings.

Feb. 6 Rev. Williams’ sermon is entitled “The Nature of God’s Steadfastness” with text from Psalm 139:1-18. “Practical Examples of God’s Steadfastness” is the title of the message he will deliver on Feb. 20 with text from the same passage.

V.I.S.T.O. is the recipient of food contributed on the third Sunday of every month. All packaged groceries are appreciated, but each month identifies a particular item if you are shopping specifically for V.I.S.T.O. They would appreciate tuna and noodles during the month of February.

The Lake Kiowa Chapel meets regularly every Sunday morning from 8 to 8:30 a.m. in the Lodge. All residents and guests are welcome. This is an interdenominational service that may precede your regular church service or a round of golf. Casual dress is always welcome. Please come and share this time with your friends and neighbors on Sunday morning at 8 a.m.

11:00 a.m. - 1:00 p.m.
Tickets $5 - available at the door or from board members.

The Kiowa Woman’s Club recently purchased more copies of “THE FIRST TEN YEARS” Lake Kiowa History Books. We also have available Lake Kiowa 1980-1991 and Lake Kiowa 1992-2002. The cost of the entire set is $25, or the books may be bought separately. The history books may be purchased at the POA office, at the Woman’s Club meetings, or by calling Judy Hughes at 668-2578.

We have an Elderhostel Ambassador for about a year and will share the educational travel opportunities that Elderhostel provides.

Pat Shields of Richland Hills will be our inspirational speaker. Pat is an active real estate broker and her theme is “Silver Threads & Golden Needles - The Tapestry of My Life.”

For reservations call Shirley at 665-6399 and come to the Roadhouse Restaurant in Lindsay at 11:30 for a delicious buffet and exciting fellowship. Please remember when the Gainesville schools are closed due to inclement weather, the meetings are automatically canceled.

Judy Beard

The Chapel Choir provided a beautiful Christmas service in music Dec. 19, the Sunday before Christmas. An overflow crowd enjoyed this inspirational service. Thanks go to Sandra Schneider for her continued leadership, and the whole choir for their hours of preparation for this service. The choir meets every Monday morning at 8 a.m. in the Lodge for rehearsal and sings for Chapel on the third Sunday of every month.

The Kiowa Kid’s Forum sponsored and conducted by the Kiowans was held Saturday, Jan. 23 at the Lodge. Kiowan members called parents of school age children and personally invited them to the meeting if they had not responded to the notification in the CommuniQue. The purpose of the meeting was to determine what activities our children and young people at Lake Kiowa want to participate in and what activities the parents are willing to support and mentor. Over 79 parents registered and there were 67 children and young people. The pre-schoolers were cared for during the meeting by licensed workers from First Baptist Church. There were 19 pre-schoolers worked on by licensed workers from First Baptist Church.

All doctors prescriptions accepted. Offers may not be combined with any other coupons, discounts, insurances or sales. Some restrictions apply.

The purpose of the meeting was to determine what activities our children and young people at Lake Kiowa want to participate in and what activities the parents are willing to support and mentor. There were 19 pre-schoolers worked on by licensed workers from First Baptist Church.

The first Kiowa Kiw’s Forum sponsored and conducted by the Kiowans was held Saturday, Jan. 23 at the Lodge. Kiowan members called parents of school age children and personally invited them to the meeting if they had not responded to the notification in the CommuniQue. The purpose of the meeting was to determine what activities our children and young people at Lake Kiowa want to participate in and what activities the parents are willing to support and mentor. Over 79 parents registered and there were 67 children and young people. The pre-schoolers were cared for during the meeting by licensed workers from First Baptist Church. There were 19 pre-schoolers worked on by licensed workers from First Baptist Church.

There were sixteen first-through-third graders who responded to questions asked by Marilyn McKenzie aided by Fred Hoenicke and Marilyn Wickersham. Thirteen seventh and eighth graders told Joan Carroll assisted by Inez Freeman, what they would like to do, and fifteen high school age students responded to Carol Hutchison and Carmen Karsten, John Davis and Bob Wickersham led the parents’ discussion. (See more pictures on page 15)

The young people expressed their interest in movie nights, volleyball, golf lessons and tournaments, paint ball and skateboard parks, dances and get-togethers, etc. The parents thought their young people would be interested in golf, bowling safety, water skiing, wake board instruction and volleyball. Rob Plato, a recreation and leisure studies major from the University of North Texas, who will take all the information, tabulate it and work out a plan of action, addressed the group. Several youths expressed a need for a youth council and parents signed up who had an interest in serving on a task force. It was a day of great cooperation between the young and the old in planning for the changing demographics of Lake Kiowa. Thanks need to be given in addition to the Kiowans, to the Kiowa Woman’s Club for providing the funds for the pizza and soft drinks, and several individuals who contributed funds on their own. Special thanks also go to LaVerta Burhans and Carol Hutchison for making all this happen and facilitating the affair. You will be hearing about the events for kids in the near future. We hope all Kiowans will embrace and contribute their time and expertise, if called, to help serve our young people.

Joan Carroll

DO YOU WANT TO SAVE MONEY – YOUR MONEY?

Has your car ever worn out? I think all of us have had a car that we tried to keep running “just a little longer” because of the high cost to replace it. Invariably the cost of keeping it running just grew and grew until finally we came to the realization that it was costing us so much to keep it going that we would be better off biting the bullet and getting a new car.

Well the LKPOA has the same problem. We don’t have the money to replace our assets so we have spent more and more to keep the ol’ car running. Except that the “ol’ car” in our case is really worth millions of dollars and is made up of numerous vehicles, running equipment, roads, computers, furniture, kitchen equipment etc.

It only makes sense that we replace the assets at that optimum point when their efficiency declines and the cost of maintaining them goes up. Does anyone know in advance exactly where that point is and when it will occur? No, they don’t. Can anyone guess where and when it is? Yes they can.

The Community Manager and Department Heads who work with our assets have a real good idea when it is time to replace them. What we have to do is allow our employees to use their best judgment and provide the funds to enable them to exercise it. That is what the proposed ASSET REPLACEMENT RESERVE FUND does.

Is the fund necessary? It was necessary a number of years ago. It is now imperative. If we don’t approve it now our problems will only get worse. We will spend more money on maintenance, get less value from our assets, pay interest on borrowed funds and generally have to spend a great deal more in the future. Don’t be misled. If we don’t do this, that expensive future is now, not years from now.

SAVE MONEY - VOTE FOR YOUR OWN POCKETBOOK – VOTE FOR THE ARR.

ANNUAL OUTPOST AUCTION

The yearly auction of “treasures” from the Outpost will take place at the regular meeting, Thursday, Feb. 3, 10 a.m. at the Lodge. Linda Seal, auctioneer, reminds everyone to search closets, attics, cabinets and drawers for special items of interest to contribute. Call Linda at 665-7772 for further information. Everyone is welcome. You need not be a member to attend. This event always has surprises in store, so come and have FUN.

At the present time, the Outpost has a beautiful black lacquer dining table with glass top, six chairs and lighted hutch in excellent condition. The first sale of the season is March 19, but arrangements can be made to see this set. Just call.

And, if you have items for donation to the Outpost, please call Karen, 665–0322 or Dorothy, 668-8107. Contributions and donations are 100% tax deductible.

Karen Smith

YOU GOT QUESTIONS? WE GOT ANSWERS...

No, it’s not that electronics store—it’s the Lake Kiowa Computer Club. One of the ongoing goals of the club is to provide services that will enhance the ease of use of computer technology for the residents of Lake Kiowa. To that end, the Computer Club is running a trial of a new service that is available via the new Lake Kiowa Web site.

Got a question about your computer or software? Ask the Computer Club’s team of experts. We can’t guarantee the answers, but we will do our very best. You can post an inquiry via the Lake Kiowa Web site. Just sign onto the member section of www.lakekiowawtx.com and click on the Computer Club link under Clubs and Associations. Find the “Ask a Question” area and fill out the form. Please be as specific as possible and double check your entries. The system uses your e-mail address to track your request, so make sure it is correct. The more information we have to work with, the better the chance we can give you the correct response.

The experts will get back to you with either a request for more information, an answer, or a next step in getting your problem resolved. If you don’t want to use the online system and prefer to get an answer “up close and personal,” plan to attend one of the Computer Club regular meetings. (2nd and 4th Thursday of every month, usually in the Southwest Room)

(For a preview)
**DUPLICATE BRIDGE**

The Lake Kiowa Duplicate Bridge Club closed out 2004 with probably our best Christmas party ever. Club manager Sandi Hollon and the Lodge staff outdid themselves in the quality of the food, service, and arrangements. We had fourteen tables -- with spouses the total approached a hundred.

During 2004 some of our folks made life master; we celebrated Honora Brown’s 89th birthday; and our players represented our club at various tournaments and won prizes. At the Christmas Party, Honora Brown was recognized as our Player of the Year, while Dick Carroll and Keith Marks were our Pair of the Year.

Attendance was steady -- seven, eight, or nine tables more or less depending upon circumstances.

---

**Couples Bridge**

Couples Bridge started the new year at its regular time, the third Friday of each month at 6:30 p.m. in the Southwest Room. We had four tables playing Jan. 21 with the following winners:

- 1st Place - Paul and Pam Liscom; 2nd Place - Bill Hogland and Dee Magee; and 3rd Place - Charles and Bill Hagood.

We invite you to join us and help build the group back up to seven or eight tables. Please call Pam Liscom, 668-6432 if you would like more information or would like to play. Weekenders are welcome.

---

**ANNUAL DONATION REPORT FROM THE LKVFD**

The Lake Kiowa Volunteer Fire Department would like to express a heartfelt thank you to all who have sent in their annual donation. As of Jan. 18 the department has received 300 monetary donations from Kiowa property owners. It is because of your generous response to our 2005 annual donation letter that we continue to remain operable. Our sincerest “thank you” to each one of you.

---

**HELPING HANDS LENDING SERVICE INVENTORY**

The Fire Department is in the process of completing its inventory of the HELPING HANDS LENDING SERVICE. During the year the Fire Department loaned medical equipment such as crutches, wheelchairs, walkers, canes, potty chairs, shower seats and folding beds to those in need. To restock our inventory, if you have in your possession and no longer need any of the items listed above, please return them to the Fire Department so we may be able to lend them to others. Thank you for your assistance.

**THE FIRE DEPT. “OUTPOST”**

A Lake Kiowa Tradition Since 1980!

We continue to accept donations of usable household items for our monthly garage sale. To drop off or arrange for a pickup, you may call 665-7977, 612-3787 or call the fire department at 665-9321.

Leave your message and we’ll return your call promptly. Watch for our first sale Sat., March 19 at the Woodbine Community Center -- CR 211. All donations are tax-deductible and benefit the fire department.
From the President...

Dear Ladies,

The Crow Indians have a saying, “The more you give, the more good things come to you.” This is so true. I’ve given to you and it’s unbelievable what you have given back. There’s no way I can keep up with all the good things, good deeds, and kind words you’ve sent my way. ‘Course you’ve laughed at me, too. But I guess I deserved that. ‘We’re a good team, don’t you think?”

For those of you that did not attend our January meeting, you really missed a great speaker, James Ragland from the Dallas Morning News. From reading his columns you wouldn’t have guessed that he was just a down-home boy from a small community in east Texas. Kathie, you did it again, girl!

Say, I’ve been behind the scenes in the planning and preparing for April’s style show and you’re just not gonna believe the Hollywood/Broadway/Disney professionalism that’s coming out of this group. Well, wait a minute – after all, it is Audrene Robison, Betty Becker and Phyllis Willis puttin’ on the show. So, I guess we shouldn’t be surprised after all! And the Oscar Tony Award goes to…

BIBLE STUDY CLUB

The February meeting of the Bible Study Group will be on the 22nd at 10 a.m. at 103 Sequoya Cove. We will continue to study the Book of Zechariah. Let’s all plan to attend, and support Mary Francis. If you have a new neighbor, invite her!! Hope to see all of the group.

KIOWA WOMAN’S CLUB NEWS
Our Feb. 21, 10 a.m. meeting will be held at the Lodge. We are fortunate to have the talents of Marilyn Wickersham as she educates us on the Art of Flower Arranging. Hope to see you then.

TWITTERS - As promised last month, here is some information on the new World Birding Center headquarters at Mission, Texas. It is located in the Bentsen-Rio Grande Valley State Park. The complex features a hawk viewing tower, butterfly and hummingbird gardens as well as blinds overlooking ponds that lure birds, especially the Green Jays. In addition to the birding trails that encompass the 10,000-acre, 120-mile network of sites. These sites are part of two major bird migration routes. The correct temperature reading should be obtained three consecutive mornings. If your vegetable bed is raised, the soil will warm sooner. If you planted garlic in late fall, do not add nitrogen material after early spring because green growth is complete and bulb growth is under way. Plant cool weather herbs like chervil and dill, as they prefer cool temperatures. If an unusually cold spell is followed by a warm spell, put up protective covering for tender plants. Prune bush roses after the 14th by one-half, regardless of the type. Make each cut just above a bud that faces out from the center of the plant. Climbing roses that flower throughout the season can also be pruned. Wait until after spring bloom to prune once only spring bloomers. Do plan to join us for our meeting in February. A reservation is not necessary; just come and enjoy.

Nelda Toal

Come join the Book Review Club when we meet on Feb. 4 at 10 a.m. at the home of Jo Brannan, 205 Kiowa Dr. N. Refreshments will be furnished by Jan Johnson and Fran Sypert. The Book Review begins at 10:30. This month we will have Jo Ann Gill review “Let’s Hear It - Stories by Texas Women.” If you are lucky, you have been entertained by one of her reviews in years past. The correct time to prune spring flowering shrubs is after they have flowered. If you prune now, you will cut off the blooms for this spring. Prune bush roses after the 14th by one-half, regardless of the type. Make each cut just above a bud that faces out from the center of the plant. Climbing roses that flower throughout the season can also be pruned. Wait until after spring bloom to prune once only spring bloomers. February is the start of the planting season for vegetables. The soil temperature needs to be between 50 – 55 degrees F. for beets, carrots, lettuce, onions, peas, and Swiss chard. The correct temperature reading should be obtained three consecutive mornings. If your vegetable bed is raised, the soil will warm sooner. If you planted garlic in late fall, do not add nitrogen material after early spring because green growth is complete and bulb growth is under way. Plant cool weather herbs like chervil, parsley, chives, and dill, as they prefer cool temperatures. If an unusually cold spell burns the leaves, cut them off and they will sprout again as the weather warms. That’s all for this month folks, hope to see you at the Lodge on the Feb 21 at 10 a.m. Gusie Utting Co-Chair, Garden and Nature Club

Santa Makes Surprise Visits
Making Memories
December 2004
The Lake Kiowa Volunteer Fire Department carried Santa in its bright, shiny fire truck to visit approximately 150 children in their homes. Children of all ages enjoyed Santa’s visit. One small boy sang Jingle Bells for Santa. Another young boy told the fireman he was his hero.
The fire department will check with Santa about the future.

And what would you like for Christmas, Dave?
CARF, dear Santa, CARF!

February is here and that means LKACC’s Annual Kids’ Troutfest! Each year for the past four years, LKACC has stocked Little Fox Pond with trout in February. This year, as in years past, Bob Lusk, our Lake Biologist is transporting our Rainbow Trout from Missouri. Children 16 and under enter the event that will be held on SATURDAY, FEB. 19 from noon to 3 p.m. at Little Fox Pond. Each hour trophies will be awarded to the child and teenager who catch the biggest trout during the previous hour. The three age groups are 6 and under, 7 to 11, and 12 to 16. More than 300 trout were planted last year for this event. The Lake Kiowa Lodge has agreed to provide food for purchase and drinks will be available. A measuring tent to measure each fish will be set up and a cleaning station will also be provided. Members of the Angler and Conservation Club will clean and bag each trout. There’s nothing better than fresh Rainbow Trout! We always have a good time and provide LKACC members to assist the children and parents in fishing for the elusive trout. Bring your pole. We will provide the bait, but remember, if you don’t have a pole, don’t worry, the Angler and Conservation Club will provide one for your use during the tournament. Last year the trout were hitting on worms.

I am interested in volunteering.  Please contact me for special projects.
I am not interested in volunteering.  Do not contact me for special projects.
I would be willing to serve on a committee

You are invited to attend our monthly meetings held at 7 p.m. at the Lodge on the second Wednesday of each month in the Southwest Room. Please come and support your club!

Karen Vander Molen

Continued from page 18
Superintendent’s Report …

A new year is here and the start of new projects is on the horizon. We will start the irrigation project this month (weather permitting) from #11 to the driving range.

We will start spraying the surrounds and the fairways just as soon as we know that the Bermuda grass has gone completely dormant. It is very important to repair ball marks this time of the year, because the bent grass does not respond back quickly. Also remember we are on cart paths (unless you have a handicap flag) until Feb. 28.

David Long

MGA MEETING AND GOLF - JANUARY 8

First place winners Mike Merolla, Sam Pliler, Cotton Nix, and Robert Kalina. This team finished with a total score of 115. Second place winners Mark Metzler, David Hare, Walt Sprunger, George Rudy, and Dave Adama total score 122. Third place Thomas Braman, Bill Beebe, Greg Smith, and Matt Walter total score 122. Fourth place Jerry Bomar, Robert Kite, Bill Shaffer, and Randy White total score 124. Fifth Place Bill DeBorde, Robert Martindale, Wilbur Cleveland, and Lloyd Butts 124. Rules for play everyone hit their tee shot. After the tee shot everyone played his own ball. One score had to be low net. The other score was established with handicap. The two scores were added together for a posting.

The HKWGA held its monthly meeting and luncheon on Wed., Jan. 5. President Mabel Samples presided over the meeting. The minutes of the last meeting and the treasurer’s report were approved.

Mabel announced that we presently have 152 members. New members need to join by the end of January to be in the yearbook. Complimentary memberships were given to Jamie McCorry and Brenda Long.

The January birthday people were recognized.

Mabel thanked Judy Hughes and Clara Lemming for the great Christmas Social and Maxine Lane for the Workers’ Appreciation Chili Luncheon.

Phyllis Delaney presented past President Neta Stutzman with a scrapbook of 2004 events. Everyone was appreciative of the great job Neta did as president.

RosaLeigh Wood, our 18-hole Golf Chair, asked for volunteers for 2005 tournament chairpersons. She reported that the Lake Kiowa representatives are tournament chairpersons. She reported that the Lake Kiowa representatives are as follows: Central Texas Woman’s Golf - Mary Ragan; Red River Valley Woman’s Golf Association - Yolanda Arronte; Texoma Women’s Golf Association - Sandi Hollon; Texas Woman’s Golf Association - Jane Moberly; and Women’s Texas Golf Association - Carolyn Harper.

Judy Hughes broke 100 and will receive a pin.

Mabel introduced the new committee members and they are as follows: Birdie Tree and Chip-In - June Cloud; Ringer Board - Fran Adams; Seniors (60-69) and Super-Seniors (70+) - Lucy Deck; Budget and Audit - Joanne Dorsch; Luncheon - Nona Tipps and Bari Hankins; Christmas Social - Genny the Koziol; Carol Hawkins and Mary Ann Johnson; Photographer - Yolanda Arronte; Social - Lena Howell, Lila Price and Elaine Blackwell; Sunshine & Bereavement - Evelyn deLassus; Telephone - Andrene Robison and Ways & Means - Gwen Mullins and Sharon Schmidt.

Mabel reported that the Board had voted to sponsor the Rally For A Cure again this year. Barbara Cole will be the chair. It will be held on Wed., Oct. 5. She also reported that everyone that plays on WGA play days will be eligible for a drawing of a $20 gift certificate to the Lodge starting in March. Members signing up for the monthly lunch may e-mail Anita at lklodge@ntin.net. There will still be a sign-up sheet in the Pro Shop and in the Lodge.

Joan Carroll announced that the Golf Beautification Tournament will be played on Mon., April 25. This tournament will benefit the driving range.

The February HKWGA meeting and luncheon will be held on Wed., Feb. 2 at 11 a.m. Please sign up or e-mail Anita by Jan. 30. Judy Hughes

DID YOU KNOW . . .

Your Handicap Committee has purchased numerous copies of “Golf Rules in Brief” from the USGA for our members. It is a 10-page card that is written in simple language and only the basic rules are addressed. It will be easy to carry in your golf bag and much quicker to find the answers you want when you are playing. You can always refer to the Rule Book after the game is over for more information.

You may pick up your free copy of “Golf Rules in Brief” the next time you are in the Pro Shop. Hope you enjoy.

The Handicap Committee
The Cooke County Salvation Army unit thanks the Lake Kiowa Kiwanis Club for their enthusiastic bell ringing on Dec. 15. The kettles at the gate collected $1,259.34. Of the kettle proceeds are kept in Cooke County to aid local residents through the Salvation Army. The Lake Kiowa Kiwanians can be most proud of their efforts.

In addition to writing separate letters to Bill Cox, a petition detailing this issue has been drafted that we plan to bring to various meetings and public places to obtain signatures of Kiowans and other residents of this area of the county. I encourage you to consider this important matter, write letters and sign this petition when you see it.

POST OFFICE VENDING MACHINE NOW AVAILABLE AT KIOWA PHARMACY

In response to customer needs, the Gainesville Post Office has placed a multi-commodity vending machine at Kiowa Pharmacy in Lake Kiowa. “We were eager to find a business partner in Lake Kiowa that was customer friendly and convenient and Ed Enns at Kiowa Pharmacy fit the bill perfectly,” said Customer Services Supervisor Damon Reynolds. The vending machine is ready for business now and sells books and rolls of domestic first class stamps, post card stamps, post cards, priority mail packs, express mail packs and even international rate stamps. Kiowa Pharmacy is located at 100 West Kiowa Drive in Lake Kiowa and is open from 9 a.m. to 6 p.m. Monday – Friday and 9 a.m. to 1 p.m. Saturdays.

“Today’s Postal Service is all about easy access and customer convenience,” said Glenn Webb, Gainesville Post Office Officer-in-Charge. “Our goal is to make it as easy as possible for our customers to access our products and services.” Webb also mentioned that other ways to skip a trip to the Post Office are online at www.usps.com, stamps by mail, or calling 1-800-STAMP24 (1-800-782-6724).

COMMUNIQUÉ POLICY

The policy and purpose of this publication is to inform all residents of events and activities within our community, to report on actions and decisions made by our Lake Kiowa Property Owners Association Board of Directors, and to publish the results of those decisions. Information is important for everyone to know that problems are being worked on and remedies are being sought.

The following items will be accepted for publication: Events and information about Kiowa organizations that are open to all residents; events in our surrounding communities when Kiowa residents may be involved in them; and items of a personal nature that reflect on the generous character of our residents or a milestone in their lives.

A Letter to the Editor should be less than 350 words in length and will be accepted if it presents a thoughtful and constructive view to an issue that may be controversial within our community. It may be reviewed and verified for factual accuracy by the appropriate authority. The factual clarification will be published along with the letter. The letter should be typed or in legible handwriting, signed by a verifiable resident, and will be published unedited with misspellings indicated when necessary. If handwriting cannot be easily read, it cannot be used. The CommuniQue will not be responsible for misreading a handwritten word. A letter may be refused publication if space is limited. If several letters are received expressing the same view, one may be chosen for publication. Letters containing personal attacks, self-promotion, or advertising will not be published. Letters to the Editor do not necessarily reflect the view of this newspaper or its advertisers.
SECURITY REPORT

Dec. 16, 2004 – Jan. 12, 2005

Kiowans again rolled out the holiday red carpet for a multitude of guests celebrating Christmas and New Year’s. The Security Dept. wishes to express its gratitude for the timely way passes and guest lists were left at the Guardhouse in advance of guests’ arrival.

Observed traffic violations were markedly down during this reporting period, however, there were three reported auto accidents. One of those accidents was directly related to worsening road conditions caused by the Dec. 23 snowfall. Security Patrol assisted stranded motorists five times, investigated six suspicious vehicles and cited one driver for reckless driving. Cooke Co. Sheriff’s Dept. deputies responded to Lake Kiowa for two of the three reported domestic disturbances, two disturbing the peace complaints, a trespasser and a criminal mischief incident. Four other criminal mischief reports were taken by Security. Response was also noted to three prowler calls, six golf course violations, a suspicious person and a misuse of POA facilities complaint. In other activity an unlocked door to a vacation home was secured, an illegal sign was collected, both a business and a residence alarm were investigated and the welfare of a resident was checked. On New Year’s Eve, Security Patrol responded to four illegal fireworks violations. Animal Control Officers received 16 stray dog calls, investigated a dog bite and trapped five varmints. One citation was issued for a leash law violation. Security gate personnel dispatched for LKVFD on 13 emergency runs. Gary Davidson
Chief of Security

RULES COMMITTEE REPEAT OFFENDERS FOR MONTH OF JANUARY 2005

Eddleman, Loree, Lot #38, Second Offense, $50 fine.
Haney, Chris, Lot #1662, Second Offense, $25 fine.

Lake Kiowa Fishing Limits

Recommendations made by Bob Lusk, Fisheries Biologist and Lake Management Consultant, for 2005 Fishing Limits to keep a thriving ecological habitat for Lake Kiowa. The Angler and Conservation Club has fully endorsed the following fishing guidelines for Lake Kiowa:

Rainbow Trout: 5 per day, per person
Black Bass: Keep black bass between 14-16 inches; Limit 5 per day. Release all others
Crappie: Keep over 10 inches; Limit 10 per day.
White Bass: Otherwise known as sand bass. No limit! Remove all you can.
Perch: No Limit
Channel Catfish: Keep fish over 14 inches; no Limit. Release all under 14 inches.
Drum: Remove any drum caught from Lake. No limit.
Carp: Remove any carp caught from lake. No limit

TROUT AND JUG LINES ARE NOT PERMITTED
Dock owners are encouraged to provide cover for fish under their docks. Securely anchor trees so they don’t interfere with boat traffic. Feed the fish! Dry dog food or pellets especially made for the fish are available at feed stores. For questions, contact George Davis or Mike Merolla.

WebSite Continued from page 2

eRentPayer, the third party payment processor that actually collects your payment. The process is not difficult, but you will need either your checking account information or your debit/credit card information. Once an account has been established, you can pay your bill via the Web site any month that you choose; there is no requirement that you pay every month this way. But you do have the option to make use of an optional Auto Pay feature that will pay your bill automatically every month.

I need to emphasize that paying your bill through the Web site is not free; it will cost you at least $2, and more if you use a debit or credit card.

You have the following options for paying through the web site:
• By electronic check (eCheck). This option costs you $2 each time you use it.
• By MasterCard or Discover Card. Either of these costs you $2 plus 3% of your POA bill each time you use it.

Some of you may be wondering why Visa cards are not accepted. When we originally set up the Web site, Visa cards were accepted. But in early December Visa USA began enforcing a policy that suspended third party payment processors from billing credit cards on behalf of other businesses (Third party billing is the mechanism eRentPayer uses to offer its service without requiring merchant account setup fees, monthly fees, minimum transaction amounts, or personal guarantees). For a short time all credit cards were disallowed, but in late December eRentPayer again began accepting MasterCard and Discover Card. In early January they also began accepting Visa cards again, but we have decided not to reactivate Visa due to excessive fees ($5 plus 3% of the highest monthly dues for any POA member for that month) and complexity (you would be required to contact eRentPayer by telephone for each payment).

If you are interested in paying your bill through the Web site, there is a detailed “how to” document in the private FAQ section of the Web site under the question “How can I pay my LKPOA bill via the Web site?”

Green Sheet Update

I have talked to several members who have sold items on the Green Sheet since we went live with the new Web site. They were enthusiastic about the experience, saying that the ease of use of posting the item and the rapid sales encouraged them to use the feature again in the future.

Here are several suggestions for making posting to the Green Sheet a successful experience for you:
• Be sure to specify that the ad should appear on both the public and private sides of the Web site. Pay particular attention to checking the box for the private side; if you do not check that box, you will not be able to edit or delete your ad.
• If you do not have a phone number and/or email address specified in your User Profile, be sure to specify one or both in the text of your ad; otherwise, potential buyers will not be able to contact you.
• Posting a picture of the item is an easy and great way to generate interest.
• Once you have posted an ad, go to the Green Sheet on the private side of the site and view it to make sure it is what you want; if not, you can immediately go back and edit it. Then log out and view the ad on the public side to be sure it also appears correctly there.

I encourage all of our readers to check the Green Sheet regularly, and for all of our members to go through their attic and closets and post those items they no longer need – we can all benefit!

BOB BINGHAM

Born and raised in West Texas, I graduated from Seminole High School, Seminole, Texas. Served four years in the United States Air Force. Resided in various places in the Southwest region at various bases in the United States.

1963 was the year I married Mary Walden, also from Seminole. We have had a son, a daughter, a brother, a sister, and two nieces. I was raised in Dallas after moving here with my family while still in grade school. My family and I look forward to serving you when elected.

My other interests include our family's 4-legged members. We have two Newfoundlands, agree with us and two small towns in Indiana, I was raised in Dallas after moving here with my family while still in grade school. I was an Eagle Scout, active in the community and activities of the community. I play duplicate bridge, and at least I try, every Monday at the Lodge. Mahaley is a member of the Lake Kiowa Tennis and Parks Committee. In last spring, I was the Chairman of the Legal Advisory Committee. I now look forward to continuing my service as a member of the Board of Directors.

KATHY REED

I was born inDetroit, Michigan and attended Manchester College in North Manchester, IN., where I met Brent. We married in 1977 and have 2 daughters, both now attend SOSU in Durant, OK.

During the early years of our marriage we moved often, living in Indiana, Kansas and Missouri before becoming residents of Oklahoma in 1979. My work experience has been in, or related to, the accounting field. I held positions ranging from assistant to the Vice President of Finance at a large commercial printing firm in St. Louis, to corporate accountant for a large bridge building construction company in Oklahoma.

During our stay in Oklahoma I returned to college at SOSU and received a degree in business management, with a minor in information systems. We moved to Lake Kiowa as week-ends in 1996, when Brent sold his share of a partnership in a manufacturing plant in Durant, OK. Once our youngest daughter graduated from high school in 2000, we became full time residents of Lake Kiowa.

I have taken up golf and quilting since arriving at Lake Kiowa. I served as Christmas Ticket Chairman in 2003 and as co-chair of the Ways and Means Committee of the WGA in 2004. I am a member of the Lake Kiowa Women's Club, serving as chairman of the Reservations committee for 2004-2005. It would be a privilege to serve on the board of the LKPOA.

WALTER J. SPRENGER

Wife: Sue Sprenger; Children: Keith, Kim, Shawn; Grandchildren: Nick and Max

Community Activities: 1971-1985 – Little League Baseball, Manager/ President; 1969-1979 – Substitution Teacher School Teacher in Miami SDI

Memberships: MGA, Fishing Club, Friends of the Lodge, Bulls & Bears Investment Club

Interests include real estate investment and property management during the last 40 years in Miami, Denver and Lake Kiowa.

Hobbies are golfing, fishing, hunting, boating, gardening and traveling. Playing bridge and other card games.

I own a downtown property at Lake Kiowa since 1986 and currently own and manage five properties here. So it is important to me that we maintain our wonderful community.

The following biographies are printed for your information when casting your ballot for the 2005 Board of Directors of the Lake Kiowa Property Owners Association. Pictures of candidates appear on the first page of this issue.

JOHN A. DAVIS (Incumbent)

Mahaley and I have been coming to Lake Kiowa since 1997. At first we came as visitors and then as weekenders but by 1999 we were spending at least 4-6 days each week here – only returning to Dallas for business. Early in 2000, with the death of my parents, my wife and I decided to sell our Dallas home and move to Lake Kiowa. This was a successful and rewarding experience for me.

I presently serve as Chairman of the Lakes and Property Committee. This is a job I enjoy and take seriously.

The Preston Hollow Presbyterian Church and numerous activities at Hillcrest High School from which I graduated. Having fond memories of the snowmen and igloos I built as a child, I decided to become a student at the North Texas School of Business. When I made my choice of colleges, I seemed to overlook, but perhaps I just had not yet discovered, the virtues of frozen Lake Michigan deposited on the cars overnight, and the long walks in sub zero temperatures to get to classes, but I persevered and graduated with a BS degree in 1978.

I earned my degree and was exceptionally fortunate to meet Mahaley when I worked for a large corporation in Dallas. Knowing a good thing when I met it, we became engaged and were married on December 30 (we thought a change in the tax bracket would be a good idea) to my freshman year at SMU Law School.

Upon graduating from law school, I went to work for a large corporation which operates internationally. I was involved in a national brokerage firm. I am now and have been in the private practice of law since 1975 where I concentrate on small business matters, small property issues, and estate and trust practice.

My true love is investing and I have managed private investment funds of individuals for over 40 years. I also taught graduate finance courses at UTD and undergraduate finance and investment courses at UTA as well as continuing education courses in various aspects of investing for a number of years at UTD.

From its formation in 1991 to 2001 I served as legal consultant and a Director of the Foundation for Aquatic Safety and other water related accidents nationwide. Because as a youth I was a competitive swimmer (off course) and my son was a nationally ranked swimmer, who now coaches swimming at College, I believe this is one of the best athletic experiences anyone can have been involved in age group swimming programs for about 25 years. For over 20 years I have been a certified swim meet official and have served at every level meet through Senior Nationals. I was Meet Director for a Junior Nationals meet held in Dallas in 1992 which brought over 2000 people to Dallas. I was President of a local swim team and the General Chairman for North Texas Swimming which has over 4000 swimmers. Among other gongs, I served as the Chairman of the Finance Committee for a number of years.

My other interests include our family’s 4-legged members. We have been members of the North Texas School Bernard Club since the early 1970’s and a member of the United Way committee off through the 1980s and 90s. I am currently the Treasurer for the Old West Newfoundland Club which, incidentally, also includes the water rescue trials held at the west beach of Lake Kiowa the last two years.

At Lake Kiowa, Mahaley and I have made many friends and enjoy the company and activities of the community. I play duplicate bridge, and at least I try, every Monday at the Lodge. Mahaley is a member of the Lake Kiowa Tennis and Parks Committee. In last spring, I was the Chairman of the Legal Advisory Committee. I now look forward to continuing my service as a member of the Board of Directors.

NOBLE MOSS

Life began for me in a small town in Oklahoma called Weleetka. Our family moved to Tulsa, OK where I attended school and had my first job. I graduated from Northeastern State University in the fall of 1949 on a basketball scholarship. After one year of college, I was called to active duty (U. S. Marine Corp Reserve) during the Korean Conflict. Uncle Sam kept me busy for two years and then I returned to college.

After graduation, I was offered a teaching position in the Tulsa School System. Several years later I became a college. Marketing had always been of interest to me so I accepted a position in the pharmaceutical field. Three years later I was promoted and transferred to Dallas and was given my sales experience to be with Southwestern Medical School and other state and federal hospitals.

In 1968 I became Division Manager for Geigy Pharmaceuticals and transferred to Nashville, TN where I supervised the sales people for the southeastern part of the U. S. After returning to Dallas in 1970 I was given the task from Geigy to start Dano Pharmaceuticals.

This company was later sold to a group of doctors in the Metroplex.

My next endeavor was with a friend and we developed a custom software package for office products dealers. This was a new field that we pioneered from the paper punch processing to the desktop computer. I was also involved sales training and installations for office products dealers all over the United States. In 1994, I sold Noble Moss Systems and returned to school to get my master’s degree. Over the past 10 years I have enjoyed traveling and selling real estate at Lake Kiowa. My partner Marion Hoefflin and I have been very fortunate to be among the top producers in listings and sales.

Catharine and I met in college and have been married for 51 years. We have been blessed with two daughters, a son and seven grandchildren. We moved to Lake Kiowa in 1990. I have served on the Vestry of our Episcopal Church in Gainesville and was the Assistant Warden of the Vestry of our Episcopal Church in Dallas. My wife and I are founding members of the Northlake Exchange Club in Lake Highlands in Dallas. As a hobby Catharine and I spent several years breeding and showing Silky Terrier dogs. We enjoy traveling, camping and the many activities here at Lake Kiowa. But most of all I treasure the friends I have made. My commitments to the Kiowa include being a member of the Lake Kiowa Couples Golf Assoc. and served as their first president.

Lake Kiowa has given so much to my family and I look forward to serving each of you when elected.
The “Allocation to Cost Centers of the Regular Monthly Assessment” chart was prepared on a cash basis to show an allocation of the regular monthly maintenance assessment of $138.15 for fiscal year 2004/05 vs. the first six months actual. It does not provide for depreciation or doubtful accounts as required by generally accepted accounting procedures (GAAP). Since the CIP is a separate funding, it is not included in any funds or the calculations shown in the chart.

Revenues have been allocated to the cost center which generates the revenue. That is: golf course greens fees are placed against the golf course expense, lot mowing charges against maintenance, etc. The projected revenues have been deducted from the expense of a particular cost center to provide a net amount to be funded from the regular monthly assessment. In the second column for each respective period, the dollar figure represents the amount of a property owner’s monthly assessment needed to meet the net expense of the cost center. The third column is the percent each center represents of the total monthly assessment.

I hope the above chart and narrative provides you with some understanding of how your monthly assessment is allocated to the various maintenance services and amenities at Lake Kiowa.

### Lake Kiowa Property Owners Association

  - MOBIL: 940-665-9200
LAKE KIOWA PROPERTY OWNERS ASSOCIATION MINUTES
MONDAY – DECEMBER 20, 2004 COMMUNITY ROOM
CALL TO ORDER
President Jack Thies called the meeting to order at 7:00 p.m. All Directors were present.

OLD BUSINESS
1. Workmen’s Compensation Case
   - Jack Thies announced that Scott Campbell had accepted our offer for the Community Manager position. He will start February 1, 2005. We will have a reception for the Campbell family at the Lodge on February 5, 2005 sponsored by the Board.

2. APPROVAL OF MINUTES
   - Minutes of 12/6/04 workshop were approved on a motion by Linda Fite and second by John Davis. All voted in favor.

Financials were presented by Dave Spangler, treasurer. Net revenue, after contingency continues to be positive with actual year to date thru November at $79,258.

Peggy Padgham announced the candidates for next year and asked for additional volunteers. The candidates are:
- Bob Bingham, John Davis, Noble Moss, Kathy Reed and Walt Sprenger.
- Jess Maxwell, representing Ways and Means Committee, presented the results of their study and recommendations. In summary the committee recommended a $34/month fee to begin at the conclusion of CIPI in June 2005 and the use of these funds to restrict asset replacement only. Over the past five years we have spent approximately $500,000 per year for asset replacement funded thru CIPI, CIPI and CARF funds. The new per Payroll fee would provide funds for replacement when needed and reduce the need to borrow money.
- Lloyd Butts presented the needs based on Manager assessment and these needs very closely parallel the Ways and Means recommendation.

At the conclusion of the joint presentation there were some questions and following the meeting.

John Clausing suggested it would be beneficial to have Lake Kiowa Logo on signage on our “rolling” equipment so property owners would know our personal/equipment versus contractors.

On a motion by Dave Spangler and second by John Davis, the meeting was adjourned at 8:40 pm.

Bob Wickermacher, Secretary

LAKE KIOWA PROPERTY OWNERS ASSOCIATION BOARD MEETING
MONDAY – DECEMBER 20, 2004 COMMUNITY ROOM
CALL TO ORDER
President Jack Thies called the meeting to order at 7:00 p.m. All Directors were present except Rick Walker who was out of town.
