A Lake Kiowa Junior/Family golf tournament was held on Sunday, April 24. Twenty-four junior golfers participated along with 14 adult family members. Teams were formed and played a 9-hole scramble and the juniors participated in a putting and chipping contest. The winning team consisted of Patrick Nolan, Aaron Jacoby, Zach Fox, Sean Nolan, and Tom Nolan. The group had a BBQ/pot luck dinner following play. Everyone had a great day! Special thanks go to tournament sponsors Marion Hoeflein and Noble Moss of Lake Kiowa Realty who donated goodie bags and door prizes to Tom Thumb for a donated brisket. Contact Beverly Berryan at 665-1496 or Dee Dorman at 668-0452 for information on future Lake Kiowa Jr. Golf activities. Watch for signs in the Pro Shop of an upcoming organizational meeting for the Lake Kiowa Junior Golf Association.

The Third Annual National Fishing and Boating Week will be the week of June 4-12. Fishing and boating is a great way to connect with your family, and National Boating and Fishing Week promotes these activities by helping people discover just how much fun fishing and boating can be when you do it together. The Anglers and Conservation Club encourages you to learn more about this week that celebrates the great pastimes of recreational boating and fishing. You can learn more about National Boating and Fishing Week at www.takeofffishing.org.

NATIONAL FISHING AND BOATING WEEK
JUNE 4-12

The POA staff is working to correct the problem we are experiencing with tar and oil rising to the surface of the road in certain areas during warm weather. There are several circumstances that can cause this effect with a chip and seal road product. We are in the process of determining the root cause of this so that we may begin corrective measures as soon as possible. We appreciate your patience as we work to solve this problem.

Scott Campbell, Community Manager

BOARD NOTES - MAY

Things are pretty quiet around here these days. The summer season is upon us and the LKACC Fish Fry on Saturday, May 28 will get us off to a good beginning. By all reports this event has always been fun and the food good. Our LKACC has done such wonderful things for our lake and surrounding area that we need to support them in their fund-raising efforts.

Our financial position remains excellent! Those of you at the Open Board Meeting on May 16 heard about higher than budgeted revenues, lower than budgeted expenses, and a great cash position. Speaking of Open Board Meetings, these meetings have been lasting only about 30 minutes or so. Why don’t you come out and sit in on one of these meetings sometime? Next month the new budget will be presented as well as a presentation from the Kiowa Homeowners Water Corp. regarding their plans for a new office. The next Open Board Meeting is June 20 at 7 p.m.

There is news from the Lodge also. Effective Tuesday, June 8, the Lodge will have food service on Tuesdays and longer hours on Sundays. Brand new menus will have their debut also—a smaller menu of sandwiches, soup, salads and sides for daytime hours and an evening menu with many excellent choices for everybody including diet-watchers. We’re talking lower prices, somewhat smaller portions, no more shared plate charge, and many new items. I’m getting hungry just thinking about it!

New hours: Tuesday and Sunday - 11 a.m. until 9:30 p.m.; Wednesday and Thursday 11 a.m. until 8:30 p.m.; Friday and Saturday - 11 a.m. until 9:30 p.m.

I’ve noticed MGA volunteers busy working on the golf course. This group saves us all money by taking on repair and improvement projects around our course. Thank you, MGA. Also providing funds for improvement is the Beautification Tournament, which was held this year on April 25. Thanks to the Freemans and Carrolls for chairing this event. Remember the 4th of July celebration! For all of our newcomers and weekenders who may not be aware of what a huge celebration this is, I hope you can plan to be here all day Monday. Events begin early in the day and last through the fireworks display Monday night.

Kathy Reed
More East-West Cup Highlights

An added feature of this year’s East-West Cup Tournament pitted Brown McCrory, our Golf Professional, representing the East, and Jesse Trevino, our Assistant Golf Professional, representing the West.

The Captains for next year’s tournament were announced. Sam “Slamming Sammy” Moore will head up the West Team. Tim “Oucho Timmy” Klement will lead the East Team. You know Timmy will be cooking something special up for next year. Some on the West think the tournament should be renamed “The West-East” Tournament.

Chuck Essex

DID YOU KNOW...........

.....the East Gate will be manned on the 4th from 10 am to 6 pm to alleviate heavy traffic at the front gate? Guests may be met at the east gate where passes will be issued to them.

.....the Lodge will be open all weekend, including Sunday, with great menus for you and your guests?

.....there will be a dance/dinner buffet Saturday evening? Call the lodge, 665-3741, for reservations.

.....we will be celebrating America’s birthday on the 4th?

.....all food and beverages sold on the 4th will be by tickets only at the food court (under the pavilion), 19th Hole, and Lodge dining room? Tickets go on sale at 9 am.

.....the fireworks display begins at Dark Thirty? (I think that means 30 minutes after dark or about 9:30 pm!)

.....this is a community-wide event?

SO LET’S ALL CELEBRATE!!

The FY 2005-2006 Budget has been approved for publication and can be found on page 26 of this issue. You will notice that this budget proposal includes a slight decrease in the regular annual maintenance fee. Also, the Asset Replacement Reserve Fund (ARRF) that was approved by the membership in the last election will take effect on July 1. As you can see, this program will allow the POA to begin replacing those assets that have outlived their useful life. The Ways and Means Committee will monitor this program and make recommendations to the Board at the conclusion of each fiscal year. Many hours and hard work are put into the budget preparation each year, and I would like to thank the entire LKPOA staff and Board of Directors for their time and effort. The hearing on the budget will be held at the open board meeting of June 20. If you have any questions after reviewing these pages, please do not hesitate to call.

We are also moving forward with the Golf Maintenance Building project to be located next to the existing cart barn. The site preparation for this building should begin very soon. You may have noticed our crews digging on the lawn near the West Beach as we continue to try and identify the source and solve the problem of standing water on the beach. We appreciate your patience as we work to correct this.

Those of you who attended the last open board meeting heard me mention the recent problem we are having with some of our roads. We are working with the contractor to correct the problem of the tar rising to the surface of the road during warmer weather. We hope to have a recommendation and begin taking the necessary steps to correct this in the coming weeks.

Be sure to read the “News from the Lodge” on page 15. We are very excited about the upcoming menus changes and hours of operation as we strive to meet the needs of the membership.

Finally, I am personally very excited about the upcoming July 4 celebration. This will be my family’s first celebration of the 4th at Lake Kiowa, and we can’t wait. The Celebration Committee has been working diligently to prepare for another great celebration and I hope to see you all there!!!

SKATE PARK NEWS
I’m sure most of Lake Kiowa has heard by now that the skateboard park at the East Beach has been canceled due to insurance complications. Please feel free to call Mike Pulec at 727-1016 or Scott Campbell at 665-1055 to answer any questions. All the monies that were donated are in a POA account. I have asked many of you to consider donating those funds for a Frisbee golf course and to help fund future youth activities, however, I would respect anyone that would prefer to have their money returned. Please call and let us know if you want your donation returned. Once again, thanks to everyone who supported this endeavor with money and time.

Sincerely, Mike Pulec

Who is this man? You are right, Kirby Price. He is standing by the two trophies he won for winning two club championships in 1975: one for medal play and one for match play in the same tournament. Kirby has been club champion of Kiowa ten times and has had 14 holes-in-one, 11 at Kiowa. Kirby and his wife, Lila, moved to Lake Kiowa on Oct. 6, 1969.

Kiowa developers had rugged in the course by the fall of 1968 and in the fall of 1969, Kirby and Randy Mangrum took a trial run in a utility cart and played the course. Kirby said there was no grass—only dirt. On half the fairways there was no grass. Number three and four fairways were mud holes. There had been heavy cart use and the grass was worn out around the cart paths. There was no sand traps. Kirby said there was no grass on the tees—only dirt. On half the fairways there was no grass. Number three and four fairways were mud holes. There had been heavy cart use and the grass was worn out around the cart paths. There was no sand traps. Kirby said there was no grass on the tees—only dirt.

Players in the 1970’s probably remember the course as an engineered cow pasture. When Abe Beckman arrived at Kiowa in March 1973 after a severe winter, he said, “It wasn’t the kind of a course to set you on fire. It looked all worn out.” There was no grass on the tees—only dirt. On half the fairways there was no grass. Number three and four fairways were mud holes. On number seven there was little grass and number eleven looked like a hog wallow. There had been heavy cart use and the grass was worn out around every green. Can you believe the course was not fertilized before 1975 when volunteers contributed to a fund to buy the fertilizer? Volunteers have done so much of the work, put in the cart paths and helped install the present sprinkler system. It would be impossible to thank everyone.

I am reminded of what happened one year just before the Kiowa Kapers. Two nights before the Kapers, there was a serious hail storm leaving the greens pelted with holes. The call went out to the golfers to bring your divot repairer and report to the Pro Shop where we were sent out to various greens. This was one of David Long’s first years and he was awestruck by all the workers on all the greens getting them in playable shape. I remember him stopping on the seventeenth green and thanking everyone and telling us all how surprised and grateful he was. Betty Gaertner said to him, “Are you forgetting that this is OUR golf course, and we treat it as if it were OUR property. We want to see it looking good.” Let me take this opportunity on behalf of the Carolles and Freemans to thank all those who played in the Golf Beautification Tournament on April 24. Keep up the volunteering and donating and keep hitting them straight and long like Kirby.

Joan Carroll

Dear Fellow Kiowans:
The family of Juanelle Thomsen wishes to express our heartfelt appreciation and thanks for the warmth and affection shown us during this very difficult time. The outpouring of sympathy expressed by the many cards and telephone calls was overwhelming.

A special note of thanks for the gallant efforts of our EMS staff at Kiowa.

Lake Kiowa is indeed a caring and loving community.

Sincerely,
Nels Thomsen, Jr.

---

We’re not moving far, but in June we will be relocating to Lindsay, TX. We want to express our gratitude to our Pawnee Trail neighbors and the many other Lake Kiowa friends who have extended kindness and hospitality on so many occasions since we moved from California in 2002. We are also appreciative to those individuals in the golf community who encouraged and instructed our son, Clayton, in the game. He is looking forward to earning a spot on the Lindsay HS team next year. At some future time, we hope to return to enjoy the beauty and variety of Lake Kiowa, until we meet again...

Laurence, Janice, Rhea, Clayton, Class & Campbell Williams

Have a Safe and Happy Holiday!
Volunteers ...  

The Volunteer of the Year Award honors a RSVP volunteer who uses their time and talent to make their community a better place, has performed exceptional work in 2004, and has been a member of RSVP for more than one year.

This year’s volunteer of the year is a well-known easily recognized Lake Kiowa resident and a pillar of the Cooke County community. Mary Gill was awarded this honor at the “Take Time To Care” 2005 award recognition banquet held on April 28 at the Stanford House in Gainesville. Mary has been a member of RSVP since 1992, she has logged 1,400 lifetime hours and 333 hours in 2004. Her volunteer service is diverse, serving in the following capacities: Health Chairperson with the Cooke County Chapter 1049 AARP, Court Appointed Special Advocate (CASA), Patient Care and Fund Raising Volunteer with Home Hospice of Cooke County, Program Chairman for Kiowa Emergency Service Organization, Advisory Council member of RSVP; Docent Co-Chairperson and second term Board Member with the Frank Buck Zoo, Ambassador for the Gainesville Chamber of Commerce, and member of the Frances Lightfoot Lee Chapter of the National Association of the Daughters of the American Revolution.

Mary is a native of Denison, Texas. She worked for John Hancock Life Insurance for 18 years. Mary and her husband, Harry, have been married for 62 years and have two sons, Dale Gill of Checotah, Oklahoma, and Edwin Gill of Fort Worth. They moved to Lake Kiowa in 1983. Donna McGrew of Home Hospice of Cooke County noted Mary’s volunteer service dating back to 1987, beginning as a patient care volunteer and expanding into forming the first Home Hospice Auxiliary, which helps raise money for the organization. A CASA staff member is quoted as saying, “Mary is very caring, loving and giving in her work. Her compassion and love for her child is evident and she went above and beyond her duties.” RSVP Director, Judy Fullylove, feels that Mary’s enthusiasm is contagious. She has the optimism of a child and the wisdom of a sage.

Two other Lake Kiowa residents were recognized and presented five-year pins. Shirley Dorsch and Mary Steinbauer were among the twelve recipients.

I wish to thank all my friends who were so kind to me during my broken hip. All the food was wonderful. Especially my good friends, Billie Perkins, Ann Hennessy and her husband Bob. This is still the best place in the world to live. — Marge Muence

CORRECTION
In the May 05 issue of the CommuniQue, the name of the Reeves family was omitted in a thank you note. The note should have been signed Homer, Sue and Jeff Reeves.

Cooking Kiowans ...

This is the first in a series of recipes of the month contributed by the many great cooks living at Lake Kiowa.

This is a recipe from Bernice Wilkinson-Smusz, who is a Pillsbury Bake-Off winner. We will be following with another recipe next month.

Coconut-Frosting Cake
1 package yellow cake mix
4 eggs
1/2 cup cooking oil
1 cup water
1 container ready-to-spread pecan-coconut frosting
Pre-heat oven 350 degrees F. Grease and flour a Bundt pan. In large bowl, combine mix, eggs, oil, and water. Stir in frosting until well combined. Pour into prepared pan and bake for 50 to 55 minutes. Makes 12 servings and is very moist.

Exit 501 off I-35 N
Gainesville, Texas
The original Lake Kiowa Fire Auxiliary was formed June 7, 1973 and continued until May 2002. The members at that meeting voted to broaden their scope and service and become Kiowa Emergency Service Organization, incorporated in the State of Texas and acknowledged by the IRS as a 501(c)3 charitable organization which allows for tax-deductible contributions. The mission was and is to raise funds for any Cooke County emergency service organization and considers requests for funding if accompanied by a definitive and verifiable statement of an expenditure by the requesting organization. Many goals have been accomplished in these three years. In the summer of 2002, swimming lessons were provided to Kiowa children. New batteries were purchased for the two defibrillators at a cost of more than $400. Stickers were purchased for the two defibrillators at a cost of more than $18,000. At the May 2005 meeting, the LKPOA in 2003. When asked at a town hall meeting by the LKPOA president at that time if the residents would elect to have such a system, the assembled group voted no because of cost. That fall, KESO offered to completely fund one warning system using the first site recommended by the research committee. Although accepted by the LKPOA Board at one meeting, it was rescinded due to threat of a lawsuit by residents of the selected area. At that time, the total cost was $18,000. At the May 2005 meeting, the members of KESO voted to phase out the organization. Procedures are clearly stated in the IRS bulletin and actions will be carried out as the letter. There is no time frame or deadline. What is regrettable is that the community vision was clearly lacking for an asset such as a 501(c)3 organization and what it could do for Lake Kiowa and for Cooke County. KESO was always meant to provide financial support to emergency service organizations, NOT to replace them! Never was there a negative word in print from KESO.

Mission: Kiowa Emergency Service Organization will provide resources for the benefit of the Kiowa area in support of emergency services. Funding will be generated through volunteer programs and projects, and receipt of gifts, donations and contributions on behalf of the communities it serves. KESO reached out into Cooke County because a 501(c)3 could not be chartered just to serve a private community. Contemplate what might have been.

Karen Smith

Free Credit Reports on the Internet
It's Not a Gimmick, It's the Law!

As of June 1st, people in Texas fall under a recent amendment to the federal Fair Credit Reporting Act that requires each of the nationwide consumer reporting companies to provide you a free copy of your credit report, at your request, once a year. Go to http://www.ftc.gov/bcp/conline/pubs/credit/freecredit.htm for complete information.

The three nationwide consumer reporting companies have set up one central Web site. To order, go to wwwAnnualCreditReport.com and follow the instructions. At a minimum, the system will request your name, address, social security number, date of birth, and, if you have moved in the last two years, your previous address. According to the Web site, if your information is current, you should be able to see your report without any delay via the Internet. You may access your reports from each of the three nationwide consumer reporting companies at the same time, or you can order from only one or two. The law allows you to order one free copy from each of the nationwide consumer reporting companies every 12 months. It is suggested that you stagger your requests during a 12-month period. That's a good way to keep an eye on the accuracy and completeness of the information in your reports.

If you find this type of information useful, you should plan to attend a meeting of the Lake Kiowa Computer Club. The goal of the club's leadership is to keep the membership up to date on the latest news about what a member's computer can do to make life better. The club will meet at the Lodge at 7 p.m. on the fourth Thursday during the months of June, July, and August.

CHAPEL NEWS

Chapel services are regularly scheduled at 8 a.m. every Sunday in the Lodge assembly room. Rev. John Hare and Rev. J. L. Williams are the pastors delivering their messages on alternate Sunday mornings. Rev. Williams’ sermon on June 5 will be entitled “Have a Happy Life Through Submissive Power,” with text from Matthew 5:5. Rev. Hare will deliver the message entitled “The Tortoise Test” on June 12 with text from 1 Kings 19:1-5a. Rev. Williams’ sermon on June 19 will be “Have a Happy Life Through Deprivation” with text from Matthew 5:6. Rev. Hare’s message on June 26 will be “The Jesus Type” with text from Luke 9:51-62.

Chapel Choir continues to practice on Monday mornings at 8 a.m. and singing for Chapel on the third Sunday of each month. Anyone interested in singing with this group is encouraged to join them.

V.I.S.T.O. is the recipient of food contributed on the third Sunday of every month. All packaged groceries are appreciated but each month a particular item is requested if you are shopping specifically for their need. In June their request is for boxed macaroni and cheese, however, they are grateful for any contributions that are made.

The Lake Kiowa Chapel Choir continues to practice on Monday evenings at 7:30 p.m. and singing for Chapel on the third Sunday of each month. Anyone interested in singing with this group is encouraged to join them.

Lake Kiowa, like all communities, has established controls for the construction of homes and other structures for the betterment of the community. These controls are handled by the LKPOA Architectural Control Committee. The Lake Kiowa Restrictive Covenants, By-Laws, Rules, and the Architectural Committee’s Manual govern the operation of this Committee. The President of the LKPOA Board of Directors appoints at least three members to this committee, one of whom shall be a member of the Board and chair the Committee; the current Chairman of this Committee is John Davis. According to Section 4.02 of the Restrictive Covenants, the purpose of this Committee is to review plans, specifications, and plot plans, to ensure, for all owners, harmony of external and structural design and quality with existing structures.

The code covers, but is not limited to, construction and improvements of:

- The Covenants specify that not more than one single-family dwelling may be erected on any one lot, and not more than one other building, such as a garage or storage building, may be constructed on one lot. Boat docks are excluded from this restriction. No pre-construction developments may be moved into our community. No temporary or accessory building may be used or occupied as living quarters. No structure shall have tarpaper, roll siding or fire hazardous material on outside walls. All building exteriors, including site work and final grading, must be completed within one year from issuance of building permit. No dwelling house shall have less than 1,500 square feet of living space, exclusive of porch and garage areas. All foundations and structural plans for any building are subject to the approval of the Architectural Control Committee. No porches or projection of any building shall extend nearer than 30 feet to any road right-of-way, nor nearer than 10 feet to the property line of abutting property, nor within 60 feet from the normal water line of Lake Kiowa, nor within 40 feet of any golf course property line.

No improvement shall be placed or altered on any lot until the building plans, specifications and plot plan showing the location of such improvements on the lot have been approved by the Committee in writing. This Committee shall approve or disapprove the plans, specifications, and/or plot plans within 30 days after receipt of all requested documents and/or information. No boat docks, floats, or other structures extending into the lake shall be constructed or placed into or on said lake without prior written approval by

The weather cooperated wonderfully for our April Fire Department OUTPOST Sale. Our doors opened a little before 8 a.m. as we experienced several early morning shoppers waiting in line starting at 7:15 to check out our bargains. We received a lot of nice comments regarding our newly installed handicap ramps as well as our “clean” variety of furniture and merchandise. We are happy to report that our sales for the month of April far exceeded any other Fire Department OUTPOST sale that we can recall. As we write this article, merchandise continues to come in. The merchandise thus far for our May sale is amazing. We marvel at the wonderful Kiowans who continue to support us. Thank you everyone. If you are new to Kiowa and have never attended one of our Fire Department OUTPOST sales, they are held every third Saturday of the month, on CR 211 in Woodbine. Come early! Our next sale will be June 18. We open at 8 a.m. and stay until 3 p.m. or later. Be sure to follow our “yellow” signs. If you wish to donate to the Fire Department OUTPOST sale, call Peggy - 665-7977, Dee - 665-4046, Evelyn - 612-7387 or the fire station business office 665-9321 and be sure to leave a message.

HEAR YE! HEAR YE!
The Lake Kiowa Annual July 4th Celebration is fast approaching. The Lake Kiowa Fire Department is pleased to announce that our food booth will be located under the pavilion at the West Beach. If you’ve never experienced a fire department feast, plan to chow down on our large selection of great home-cooked vittles.

Wander by and watch the firefighters demonstrate their technique of preparing mile-high plates of deep-fried tater twisters. Bite down on a jumbo smoked, chopped BBQ beef sandwich or our “back by popular demand” grilled sausage-on-a-stick. For dessert, how about a giant funnel cake hot from the skillet? They’re made to order! Need to cool off from the July heat? Try one of our many flavors of snow cones or perhaps a soft drink or bottled water?

Preparation is under way for the 4th of July activities. Kiwanis members will again man a “Hoop Shoot” booth and an “Icee” booth. Please support the Kiwanis Club by participating.

The Lake Kiowa Kiwanis Club raises funds to award scholarships to attend NCTC for individuals who live in the area served by the Callisburg High School and for employees of Lake Kiowa and the Kiowa Homeowners Water Supply Corporation.

Couples Bridge Changes Play Date
Couples Bridge Club will be changing dates starting in June. The second Friday night of each month will be the new date, so our next play date will be the evening of June 10 beginning at 6:30 p.m. Please call Pam Liscom, 668-6432, if you would like to play in this group.

It was so nice to be back up to five tables this month. Winners for May include: 1st place - LeRoy and Allene Johnson, 2nd place - Steve and Terry Johnson, and 3rd place - Paul and Pam Liscom. Winners for April were: 1st place - Paul and Pam Liscom, 2nd place - Bill Hoagland and Lorraine Wilson, and 3rd place - LeRoy and Allene Johnson.

Lake Kiowa Kiwanis Club
CALLISBURG TOP STUDENTS FOR 2005

Luke Aaron Walker is the son of Rick and Connie Walker. He is active in basketball, baseball, tennis, National Honor Society, and numerous UIL academic events including Number Sense, Mathematics, Science, CX Debate, and LD Debate. Walker is active in community activities and is a member of Temple Baptist Youth Group.

While in high school, Walker has been a two-time state CX Debate champion, a member of the All-Area Basketball team, placed fourth in the state in Science, is a National Merit Scholar and a President’s Scholar Semi-Finalist. Walker has accepted a scholarship from Georgia Tech and plans to major in Aerospace Engineering.

Megan Elizabeth Dorman is the daughter of Joe and Dee Dorman. Her activities include Varsity Golf, National Honor Society, a member of the Go Center team, division editor of the Wildcat yearbook, and a member of the Prowler newspaper and Wildcat Hour journalism staffs.

Dorman is also an active member of her church youth group at St. Mary’s. Dorman’s awards include being on the All A Honor Roll throughout high school, Lady Cat Golf MVP for two years, FTE Economics Excellence Award, class awards in U.S. History, PreCal and Algebra II, District Champion for UIL Spelling, fourth place at Regionals, and state qualifier. Dorman plans to attend Texas Tech University in the fall and will major in Electronic Media.

CALLISBURG STUDENTS QUALIFY FOR STATE

Callisburg High School students who earned medals at the recent UIL regional academic competition in Stephenville are Sean Guthrie, Dee Fuller, Julie Dobson, Luke Walker, Kenda Mitchusson, Josh Morgan, Megan Dorman, Ben Hooper and Jason Holder. Liam Guthrie also earned medals but was unavailable for the photo.

The Callisburg High School UIL academic team placed in seven events and had six students qualify for state Saturday at the Regional meet at Tarleton State University in Stephenville.

Senior Julie Dobson won first in Computer Applications, senior Dee Fuller placed second in Computer Science, and junior Liam Guthrie won third place in Social Studies and Current Issues & Events. Senior Luke Walker placed fourth in Spelling, and senior Jason Holder placed sixth in News Writing.

The Science team of seniors Luke Walker, Sean Guthrie, Kenda Mitchusson, and Liam Guthrie won second place and will advance to state as a wildcard team. They had the second highest score reported in the state from all regions.

In Current Issues & Events, the team of juniors Liam Guthrie, Josh Morgan, and senior Ben Hooper placed second but were beat out in the wildcard competition by Holliday.

Dear Ladies,

There’s an old Apache Indian proverb that says, “It is better to have less thunder in the mouth and more lightning in the hand.” I guess that means don’t roar and use softer, kinder words; be active, jump in and help; don’t be a couch potato. If anyone has watched Woman’s Club over the years, they’ve witnessed the lightning effect. There’s no thunder, just a bright glow as one after another of the projects and events are completed.

For example, last month the Showcase of Talent was a “roaring” success with Kathie Milburn at the helm. You’ve done a superb job all year long. Thanks so much, Kathie.

The Bereavement Committee headed by Beth Scoggins – beautiful, tender care given to families experiencing a crisis in their lives. No thunder, just glow.

There’s our Welcoming Committee chaired by Neta Stutzman; each month a warm, affectionate hug. No roar, just shining friendship. And who’s there keeping track of our attendance and making sure we get fed, none other than Kathy Reo, and the Reservations Committee. They, of any of us, have had reason to ‘roar,’ but they have been gentle as lambs with all our complaints and mix-ups and for this they are adored.

And the Bridge Department so well chaired by Neta Stutzman; each month another of the projects and events are completed.

The tournament finished on April 28 and everyone had a great time. The first place winners were Kay Fikes and Joyce Cargill. Second place winners were Lee Dowling and Jeannie Foster, third place Ruth Kurtz and Peggy Carpenter, and fourth place winners were B. J. Myers and Helen Cowan. This was a very good tournament. The lead changed almost every week.

This last tournament which began on May 5 changed somewhat. It is a three-table duplicate bridge tournament. We are trying this format and may try it next fall. I would like to hear from some of you to see if you would be interested in playing duplicate. We are toasting around new ideas and welcome any suggestions you may have. There is the possibility of not signing up for six weeks but just come on Thursdays when you can and play. Please let me hear from you.

Peggy Carpenter, 665-4294
Bridge Department

Happy Birthday, Ladies!!!

Lodge Events

The Lodge is planning a 4th of July weekend that will surpass any in the history of Lake Kiowa. There will be specials, dances and events that will be designed to involve the whole family. The family is an American tradition that many are dying for as we speak. Our goal is to honor and respect their sacrifice by keeping the tradition going. God bless them, God bless you, and God bless the way of life we will be celebrating.

COMMUNIQUÉ
The tournament and the social functions were truly outstanding, from the “Pot Luck Dinner” Friday night, the “BBQ” Dinner Saturday, and the hot dogs and hamburgers Sunday.

After the “big splash” the East has vowed revenge for next year.
CHARITY GOLF TOURNAMENT - HABITAT FOR HUMANITY - MAY 7

The annual Charity Tournament sponsored by the MGA was a successful event this year for the benefit of Habitat for Humanity. $13,000 was raised with this one event - enough to pay one-third of the next projected home in the Gainesville area. Lake Kiowa is a major supporter of this worthwhile cause both with funds and service.

MGA TOURNAMENT PLAY - MAY 14, 2005

Pro-Am Tournament

First Place Pro - Dwayne Hopson

Second Place Pro - Don Frey

First Place Team: David Spangler, Mark Anthony, George Katosic and Bruce McDonald.

Second Place Team: Steve Watson, Bob Hey, Bob Smith and Jay Hauk.

Third Place Team: Earl Lemons, Robert Berghower, Joe Brockett, and Larry Reese.

Fourth Place Team: John Nash, Greg Otto, and Greg Miserak.

Looking forward to working with all my friends and neighbors in the community.

Bob Wickersham

Superintendent’s Report

Maintenance is as usual for this time of the year. The Beautification Tournament was a complete success. Thanks to all the golfers that played and all the donations given. A special thanks to the Carrolls and Freemans for hosting the tournament. We had the East-West Challenge and the WGA Member-Guest this month. Please remember to repair your ball marks and stay on the cart path when you get within 30 feet of the green.

On a personal note: Rumor has it that we are leaving Lake Kiowa! That is not entirely correct. We are moving our residence to Collinville, but to my knowledge and speaking with Mr. Campbell, I am not leaving Lake Kiowa Golf Course.

David Long

DID YOU KNOW.....

Your Lake Kiowa Handicap Committee is looking for a few new members. At one time we had eight members which is a really good number, now we have only six. We would like to have at least two more. The requirements are simple. You must be prepared to learn the system. You are not required to like everything about it.

USGA has and does work with the system to improve it. Every four years some aspects of it change. In 2006 we already know that the requirements for Clubs to issue USGA Handicap Indexes are changing. Clubs will be required to be licensed by USGA and members will be required to attend a USGA Handicap Seminar.

If you are interested in how the system works and are willing to learn and serve on the Committee, please contact either our Pro, Brown McCrory at the Pro Shop, or Fran Adams, Handicap Chairman at 668-1069.

WGA Holds Two-Person Tournament

The Lake Kiowa Woman’s Golf Association held their Member-Member Tournament (2-person, best ball, eclectic) on April 27 and 28. The tournament chairs were Lucy Deck, Nona Tipp’s, and Peggy Gilmore. Following play on April 28, a delicious luncheon and awards ceremony was held at the Lodge. Donations were gratefully acknowledged from Joe Moore, A. B. Edwards (dozen golf balls); Nancy Spencer (flower spray); Dori Geber (Mary Kay Products); Peggy Gilmore (morning treats) and Nona Tipp’s (dozen golf balls). The tournament chairs presented awards to the following:

First Flight - First Gross, Brenda Long and Mary Ragan (74); Second Gross, Ruth Robinson and Shelley Riley (78); First Net, Elaine Blackwell and Leta Thomas (54); Second Net, Pat Williams and Mary Pifer (58).

Second Flight - First Gross, Shelley Reese and Betty Johnson (78); Second Gross, Yolanda Arronte and Marchele Metcalf (81); First Net, Beverly Berryman and Jamie McCrory (50); Second Net, Pat Frazier and Diane Wilson (53).

Third Flight - First Gross, Jan Dalton and Linda Stroup (87); Second Gross, Maxine Lane and Connie Glover (95); First Net, Dot McAllister and Jeannine Nieman (57); Second Net, Kay Creek and Bari Hankins (59).

Nine Hole Winners – First Gross, Dot Shearer and Rosemary Embry (49); First Net, Genevieve Avinger and Nita Tempkin (29).

Closest to the Line on #12: Wednesday, Shelley Reese; Thursday, Gwen Mullins. Closest to the Pin on #13: Wednesday, Shelley Reese; Thursday, Leta Thomas. 

Lucy Deck

The Presidents Incentive Gift Certificate was won by Betty Johnson. The contest for the Web site Logo will remain open for a while longer.

Our annual President’s Tournament will be held on Wednesday, June 29 and Thursday, June 30. You may sign up in the Pro Shop. Miriam Beebe, Neta Stutzman, and Andrendre Robinson will be chairing this event.

Don’t forget that starting in June our play days will be at 8 a.m. Be at the Pro Shop at 7:30 a.m.

The rain held off on Monday, April 25 so that thirty-nine teams could participate in the Golf Beautification Tournament. There were three flights: Men only, Couples A flight and Couples B flight. The winners were awarded golf balls for their efforts. The winners were: Low gross, men’s flight: Barry Pifer and Mike Merolla, Low net: Harold and Randy Baker, second low net: Greg Marishak and B. R. Clements, and third low net: R. J. Stroup and Craig Lamkin. In the couples A flight, the winners were: low gross: Brown and Jamie McCrory, first low net: Al and Yolanda Arronte, second low gross: David and Brenda Long, third low net: Tom Plucker and Sherri Hankins. In the couples B flight, the winners were: low gross Beverly Berryman and Bob Boehm, first low net: Lloyd Butts and Joan Carroll, second low net: Ray and Inez Freeman, third low net, Wayne and Dorothy Shearer. Golf wind chimes were awarded for the closest to the pin on #13 and the closest to the line on #12. The winners were: Closest to the pin, Sherri Hankins for the women and John Woods for the men. The closest to the line on 12 were Dot Shearer for the women and Boyd Carnley for the men.

The participants enjoyed a barbeque dinner at the Lodge after play and heard David Long tell of his plans to improve the driving range and our golf course with the money raised. These plans include planting very young trees at the far end of the driving range in 2005. Also in 2005 the driving range will be converted to tiff grass. This plan will allow the possibility of starting to convert our fairways to tiff grass as early as 2006. It was a great day for our golf course, the biggest winner.

Forty-four couples enjoyed a great day of golf on Sunday, May 14. The format was a “Shamble” with one ladies’ low net and one men’s low net counting toward the score. The winners were as follows: First place, Tom and Elaine Blackwell and Lonnie and Janie Woods; Second place, Larry and Nancy Gingerich and Wayne and Lena Howell; Third place, Chuck and Kay Creech and Mike and Paddy Merolla; Fourth place, Bobby McDaniel and Peggy Coolidge and Christy and Marilyn McKenzie; Fifth place, Bob and Judy Hughes and Mike and Paddy Merolla; Sixth place Bob and Sharon Hey and Bob Bergbower and Molly Worthen; Seventh place, Chuck and Sandra Essex and John and Janet Perpich.

The play was followed by a barbeque dinner at the Lodge. Next month the group is traveling to Gentles Hills in Prosper, Texas on Monday, June 13. If you want to play, get your check for $100 to Noble Moss before June 9. This course is ranked fourteenth in the entire state of Texas and you will enjoy it. The price includes green fees, cart rental and dinner. The next play day on our course is Sunday, June 19. The format will be a modified Pro-Am. The dinner will be ham, sweet potatoes, green beans, corn muffins, bread pudding, tea and coffee. If you have never played with this group, come out and give us a try. We guarantee that you will have a good time; win, lose, or draw.

Joan Carroll

**HABITAT FOR HUMANITY GOLF TOURNAMENT**

Thank You to all who participated in the Habitat for Humanity Golf Tournament on May 7, 2005.

Thank You to the sponsors who contributed to the success of the tournament.

Thank You to the members of WGA and MGA who participated in various aspects of the tournament.

Volunteers and donors are the source of success in all Habitat projects. Construction of House #6 will move forward next year.

Wayne Shearer, Golf Tournament Chairman
Bob Wickersham, Habitat Board President
Members of the Habitat Board of Directors

---

Hello Lake Kiowa, The LKACC appreciates your support. May is the beginning of the busy boating season. The Angler and Conservation Club would like to ask all boaters and personal watercraft users to review the lake rules and regulations. If you have guests on the water, please make sure they understand our rules.

Gary Davidson, Chief of Security, presented our program “Boating Safety” at our last club meeting. Gary explained boating safety, state and local rules, statistics of accidents and what residents can do in the event that lake rules are being violated. Even though Lake Kiowa is a private lake, it has adopted the guidelines of the Texas Water Safety Act. There are additional rules put into effect by Lake Kiowa Officials. The main points Gary stressed for all boaters to remember is that travel around the lake is to be in a COUNTERCLOCKWISE direction, all watercraft are to remain 50 FEET from the shoreline and 100 FEET from ANY OTHER WATERCRAFT. When Security registered watercraft this year, they registered 640 boats and 302 personal watercraft. If you have any questions on any of the rules or regulations, please contact Security at 940-665-3221. You can also get a copy of the Texas Water Safety Act by mail, phone or on the Web.

The contact information follows: Texas Parks & Wildlife Department - Fort Worth, 5400 Airport Freeway Suite E, Fort Worth, TX 76117, (817) 831-3128, www.tpwd.state.tx.us/boat/wadigest.php.

You may also check with any Texas State Park Office or Local Game Warden. Thanks to Gary for refreshing everyone on the boating rules and regulations of Lake Kiowa.

The LKACC hosted two tournaments in April. The first was the Hook Line and Sinker Tournament. The winners of this tournament were:
1st Place (Fishing) Jeff Hecker/Kurt Schall 12.8 lbs
1st Place (Golfing) Paddy Merolla/Chuck and Sandra Essex and John and Janet Perpich.

The second tournament was held on Saturday, April 23. We had a wonderful turnout considering the weather. There were 17 entrants and the winners of the tournament were:
1st Place Richard McCarter 19.0 lbs
2nd Place Chance Willis 15.2 lbs
3rd Place Mike Bitsche 11.4 lbs
3rd Place Mike Merolla 11.4 lbs
Biggest Bass Richard McCarter 5.2 lbs
Congratulations to the winners! There were 44 fish weighed in totaling 104.6 pounds. Out of the 17 entrants, six people weighed a 5-fish limit.

The Lake Kiowa Angler and Conservation Club would like to welcome their new honorary member Peyton Williams (9 years old). Wishing wonder how the fish fry was??? We will give you all the great details in next month’s article! Hope we saw you there and you had a wonderful time. Our Web site is filled with all kinds of information. The Web site has been recently updated with new information and pictures. Just log on to www.lakekiowatx.com to access LKACC’s 2005/2006 Schedule of Events, Bass Tournament results, articles from the CommuniQue, membership forms and much more. LKACC membership is $15 per family. Your membership and any additional donations will help our organization continue to focus on children’s events, lake health and improving lake assets. Our next meeting is scheduled for Wednesday, June 8 at 7 p.m. in the Southwest Room at the Lodge. Come join us and have a great time.

Lake Kiowa Fishing Limits

Here are the recommendations made by Bob Lusk, Fisheries Biologist and Lake Management Consultant, for the year 2005 Fishing Limits. These recommendations have been given careful consideration to keep a thriving ecological habitat for Lake Kiowa. The Angler and Conservation Club has fully endorsed the following fishing guidelines for Lake Kiowa:

Rainbow Trout: 5 Per Day, Per Person
Black Bass: Keep Black Bass between 10-13 inches; 5 Per Day, Per Person. Release all other Black Bass under 10 inches and over 14 inches.
Crappie: Keep over 10 inches; 10 Per Day, Per Person. Release all under 10 inches.
White Bass: Otherwise known as Sand Bass. No Limit. Remove all you can.
Perch: No Limit.
channel Catfish: Keep fish over 14 inches; No Limit.
Drum: No Limit. Remove any caught from lake.
Carp: No Limit. Remove any caught from lake.
Trot and Jug Lines Are Not Permitted

Dock owners are encouraged to provide cover for the fish under your docks. Make sure the trees are securely anchored not to interfere with boat traffic. Feed the fish! Dry dog food or pellets especially made for the fish are readily available at feed stores. For questions, feel free to contact George Davis or Mike Merolla for specifics.

COOKE COUNTY MEDICAL CENTER

New treatment for congestive heart failure approved

Khawaja N. Anwar, M.D., FACC
801 N. Grand Avenue
Gainesville
668-7231

Congestive heart failure is the commonest cause of hospitalization in patients over age 65 according to Medicare data. It is an ominous diagnosis with almost half the patients dying within five years after the diagnosis is first made. Treatment so far included a combination of 5-6 medicines in adequate doses plus treating underlying causes like hardening of coronary arteries and high blood pressure. FDA and Medicare have recently approved a new method of treatment of this deadly disease. This involves insertion of a special pacemaker which can stimulate both ventricles (main pumping chambers) of the heart almost simultaneously. This pacemaker can now be implanted in Gainesville. This is done under local anesthesia. If you are still having symptoms of shortness of breath, fatigue or swelling of feet despite medical treatment, then please call our office for a consultation to see if you may be a candidate for this treatment.

www.cookemd.com

DOUG’S CORNER

Thank you, Lake Kiowa, for letting us serve you for the past 15 years!

903-564-9050
8:30 - 5:00 Monday - Friday, 8:30 - 12:00 Saturday

Call now for annual Service Specials
the Architectural Committee. These structures shall not extend more than 26 feet into the lake and must be at least 10 feet from any property line.

Section 3.3.5 of our Rules requires that an official land survey be made prior to any improvements being constructed on the lake. Such survey’s must remain visible throughout construction.

In addition to the Rules requiring a building permit for construction of a structure, it also requires a permit for a sprinkler system that has a shut-off valve and the entire system must be inspected and approved by the Kiowa Homeowner’s Water Supply Corporation before covering. In all cases, a permit fee will be assessed.

When is a permit required? A permit application is required when:

• the construction or modification adds square footage on the lot by addition or conversion,
• the construction or modification was never permitted previously,
• the construction or modification is a replacement of a previously permitted project or part of a project such as roofing, siding, storage buildings, etc.,
• the modification requires additional electrical or plumbing service and accordingly inspection,
• a cement truck or other trucks are going to be involved in material transport and require gate access,
• Renovation is in excess of $2,500.

It is the responsibility of the property owner to secure an approved permit prior to modification or construction.

HOW DO YOU GET A PERMIT?

The homeowner picks up a Permit Application and Construction Type Specification from the POA office. The completed application should be submitted to the POA office at least 30 days prior to date of construction. The architect, surveyor, and contractor should review the application and verify with the rules and regulations. There is a permit fee for each application. There are 38 different fees, depending upon the type of modification or construction permitted. The fee is a flat fee plus a charge per square foot. For example, an addition to a living area costs $0.30 per square foot plus a flat fee of $30.

The property owner and building contractor should be familiar with the POA building code prior to applying for a permit. The Architectural Committee’s Manual is available for review at the POA office.

The POA Board of Directors recently approved the following changes to the Rules:

1. All residences shall have a driveway with an approach made of concrete or the entire remainder of the driveway being composed only of concrete, whole brick and/or decorative pavers as approved by the Architectural Control Committee.
2. All residences shall have a garage designed to hold a minimum of two (2) automobiles.
3. No residence shall have more than one (1) building detached from the main residence regardless of whether it is called a storage building, garage, or any other descriptive name. Further, a non-residential building must be built in the same manner as the residence using the same or complimentary materials as used in the residence and in no case may it have a metal or concrete exterior, except that buildings which have a portion, 100 sq. feet or less in area, and which are eight feet or less in height at the apex of the roof are exempt from building materials requirement.
4. Open, covered parking space shall be limited in size to holding no more than two (2) vehicles and must be a part of or attached to a building.
5. Gazebos/arbors which are not enclosed and no larger than 120 square feet are not considered a detached building.
6. All new or replacement septic systems or seepage areas for treatment plants are required to be aerobic septic systems and all tanks, equipment, and other components of the system must be kept at least 50 feet from the normal water mark of Lake Kiowa (700 feet above sea level).
7. No new or existing residence shall have more than one (1) building detached from the main residence regardless of whether it is called a storage building, garage, or any other descriptive name. Further, a non-residential building must be built in the same manner as the residence using the same or complimentary materials as used in the residence and in no case may it have a metal or concrete exterior, except that buildings which have a portion, 100 sq. feet or less in area, and which are eight feet or less in height at the apex of the roof are exempt from building materials requirement.
8. New, existing or replaced septic plants are required by the Architectural Control Committee which, if granted, would result in uncovered lawn or ground space being less than is required to hold an aerobic septic system with an appropriate drain or spray field if required by the Architectural Control Committee or its representative.

The Architectural Control Committee has the authority to stop unpermitted construction immediately.

Security Department

The Security Department wishes to announce that the East Gate will be manned on July 4 between the hours of 10 a.m. and 6 p.m. The rolling gates will be locked open and an officer will be standing by to admit anyone with a current auto sticker, member card or guest card. Visitors who have signed in at the front gate and have been given a pass may use the East Gate for re-entry purposes. Members who wish to have their guests enter for the first time at the East Gate may lead them in there and have the officer write a pass upon their instruction. Gary Davidson, Chief of Security
