First Lake Kiowa and Conservation Club Black Bass Record

Wayne Kyle of Lake Kiowa caught this new lake record bass on Feb. 28. The fish weighed 11 pounds, 6.4 ounces and was 25.5 inches long and 20.5 inches in girth. You may catch the next record black bass! See details in this month’s CommuniQue on page 9.

July 4th Celebration

The POA staff and the celebration committee are moving forward with plans for another wonderful July 4th celebration with great food, games, activities, live entertainment, and fun with family and friends. The Lake Kiowa Volunteer Fire Department will conduct the fireworks display over the dam. We are focusing on additional activities for the younger children this year, as we strive to make this an event with something for everyone. If you are part of a group, club, or association that would like to participate with a booth or activity, please call the POA office. Make plans to be a part of this great event on Tuesday, July 4.

Board Notes March...

This month we said good-bye to board members who have served their terms and we thank Bob Wickersham, Charles Huddleston, and Rick Walker for a job well done. In addition we appreciate all those who offered their time and energy to our community by running to fill the openings and welcome Lee Skinner, Bill Dalton, and Peggy Padgham.

The organizational meeting has taken place and officers have been elected for the coming year. Dave Spangler will be leading the Board as President and the other officers are noted in the March 11 Meeting Minutes as well as the list of board members, both of which are published on pages 24 and 25 of this issue of the CommuniQue. Your board is filled with enthusiastic directors and it should be an exciting and busy year.

Those of us who attended the Annual Meeting heard former LKPOA President Bob Wickersham’s State of the Community speech. The accomplishments of the past year form an amazing list and we should all be proud. The work completed and projects in progress have been diverse and many Lake Kiowans have been involved in one way or another in these successes. Bob encouraged all of us to stay informed and be involved in our community.

John Davis, Linda Fite, Bob Bingham, Lee Skinner, Bill Dalton, Peggy Padgham, Dave Spangler, Kathy Reed, and Rick Walker were recognized for their service. Rick co-chaired Architectural Control Committee in 2003/2004, Long Range Planning Chairman in 2004, Kiowa Kares, and all of the staff that mows, waits tables, cleans and works daily to keep Lake Kiowa a better place to live. If you have served on or chaired a committee, please stand, if you have served on or chaired a committee, please stand, if you have served on or chaired a committee, please stand.

Scott Campbell joined us on February 1, 2005 as the Community Manager. He has done an outstanding job in getting his hands around the problems, managing his staff and dealing with the Property Owners no matter what the issue. I would like to thank Scott for his dedication and availability to the Board and members whether it is 10 am on Monday or 5 pm on Sunday afternoon dealing with an emergency. Please join me in recognizing and thanking Don Hoover, Sherry Brummert, Gary Davidson, David Long, Ricky Lopez, Pat Greenlee, Carole Clausing, Brown McCrory, Jesse, Tammy, Becca, Beverly and all of the staff that mows, wait tables, cleans and works daily to keep everything operational.

Good evening! Thank you for coming this evening and taking an interest in our community. We have some business items that must be taken care of and then I will make my last presentation to the community as the President of the LKPOA.

Kathy Reed will read the results of the annual election. Now that the new board has been constituted, their organizational meeting will begin following the conclusion of this meeting in the board room on March 11, 2006.

At this time let us all thank both Charles Huddleston and Rick Walker who served on the board for the past three years. Rick co-chaired Architectural Control Committee in 2003/2004, Long Range Planning Chairman in 04/05, Youth Advisory Committee 2005/2006, and as Assistant Treasurer in 05/06.

Charles was Secretary in 2003/2004, served as Co-chairman for Lodge and Tavern in 2003/2004 and as Co-chair for the Celebration Committee both 04/05 and 05/06. I would like to thank the nominees who volunteered to serve this community, their willingness to make the time commitment plus the time and support required of their family members. These four individuals personify the volunteer spirit that has made Lake Kiowa such a unique place to live. Tonight’s annual report will celebrate our accomplishments, and recognize the service, support and success of various individuals and groups who helped us achieve them.
KHWSKC Breaks Ground For New Office Building

Don Howeth, Jess Maxwell, Peggy Padgham, Jan Thies, Ronny Young, James Robison, Steve Wood and Dean Dorsch.

March 1 Ground Breaking Ceremony

A ground breaking was held March 1 at 10 am for a new office building for Kiowa Homeowners Water Supply Corporation. This building will house clerical offices, along with much needed storage space, board meeting room, and a small kitchenette/break room. The new building will also have space for the Kiowa Woman’s Club-sponsored library.

President James Robison opened the ceremony and asked Rev. Scott Sundbye to open the proceedings with prayer.

Distinguished guests included Jay Freeman, Bill Linn, Floyd Copeland, Ike Gill, Cooke County Judge Bill Freeman, Precinct #2 Commissioner Bill Cox, LKPOA President Bob Wickersham, Lake Kiowa Woman’s Club President Gayla Robles, and Lake Kiowa Library Committee Chair Joanne Dorsch; the Current Board of Directors for Kiowa Homeowners WSC, President James Robison, Vice President Steve Wood, Secretary Peggy Padgham, Treasurer Jess Maxwell, and members Dean Dorsch, Don Howeth, and Jan Thies. Present also were Office Manager Gladys Gordon, Receptionist Barbara Reed, Outside Foreman Rodney Brown, Water Operators Robert Wilson, Gary Vandenbrouke, and General Manager Ronny Young.

Jay Freeman and Bill Linn were recognized for their hard work in originally acquiring the water system for Lake Kiowa. Judge Freeman and Commissioner Cox congratulated Lake Kiowa and Kiowa Water Supply Corporation for having the foresight to construct the new office. Jay Freeman spoke about the history of the Corporation acquisition and his thoughts on its future. The festivities were concluded with Rev. Scott Sundbye giving a prayer of dedication for the new building and its construction and future uses. Approximate date of completion is December 2006.

Many Thanks to the following Businesses and Individuals who helped make the 2006 Dinner Dance and Auction a Success.

J. A. Samples, Brent Reed, Jan Thies, Don Howeth, Joan Carroll, Jess Maxwell, and Dean Dorsch made up the new Kiowa Homeowner Water Supply Corporation Board of Directors. 127 members attended the Annual Meeting on March 14 in the Lodge.

Golf Course Home

411 Cocopa Dr.
3/2/2 golf course home in beautiful Lake Kiowa
Sits on a quiet, low traffic street located conveniently between club house and front security gate. Abundant old growth trees in front and back yards make this a premium lot. High-end remodel currently in progress with features including: granite countertops, hardwood floors, and crown moldings. Nicely appointed sunroom and expansive wood deck overlooking the golf course allows for a comfortable and inviting retreat.

FSBO $157,000 Shown by appointment only Buyers commission paid.

(903) 815-4504 www.lakekiowahome.com

The drawing for the “Pot of Gold” was held at 9:30 PM and the lucky family was Steve and Maxine Cole of Gainesville.

Thanks to all of you who attended this event, participated in the Silent Auction, Raffle and made it possible for Habitat to continue building in Gainesville. The house we are working on now is in partnership with Temple Baptist Church is located at 1100 N. Commerce. Stop by and see what your money does for this cause.
REPORT FROM THE MANAGER:

As reported last month, there are several projects underway that will be important additions to the community. We are moving forward with the emergency warning sirens and the new electronic sign at the front gate. Also, we have underway the installation of an automated gate to accommodate emergency vehicles and school buses. This will be located where Comanche Drive backs up to CR 211. This will create much safer and more efficient ingress for EMS vehicles and buses as they enter Lake Kiowa.

I would also like to remind everyone that planning is well under way for the 2006 July 4th Celebration. Make plans to be here on Tuesday the 4th for a wonderful celebration. If you are part of a group, club, or association that would like to participate with a booth or activity, please call the POA office. Great food, and all the popular games and events from previous years, as well as some new additions are being planned for this event. The evening of the 4th the Lake Kiowa Volunteer Fire Department will conduct the fireworks display over the dam. Don’t miss this celebration!

With the drought we have experienced this year, the level of our lake has certainly been an item of interest for our members. After the recent rains, our lake is still two feet low with a level of 698.00’. The normal high water mark for the lake is 700.00’. The Communications Committee has recently made a recommendation for a new feature on the Lake Kiowa Web site (www.lakekiowatx.com). The front page of the member’s section of the Web site will include an update on the level of our lake for your convenience. Thanks to the Communications Committee for this recommendation.

Have a great month!!
Scott Campbell
Community Manager

BOARD NOTES continued from page 1

You can read the text of the speech on Page 1 of the CommuniQue.

Another big thank you goes out to the Election Committee and Election Judge. Their work is so important and the systems they have in place to assure the accuracy of the count put us all at ease and confident in the results.

The Friends of the Lodge has spent time and money on remodeling the front entry at the Lodge. If you haven’t seen the new doors, windows, and stonework it is well worth the visit. We thank them for their dedication and support of the Lodge.

Spring is here and the busy summer season will soon begin. Hopefully we will get enough rain and run-off to fill the lake so we can enjoy boating and fishing again. The golf course will be full as well. This might be a good time to review our community rules regarding usage of the lake and golf course so you’re ready to take advantage of these amenities when the weather is right.

Speaking of spring, remember to “spring ahead” an hour when daylight savings time begins on April 2. This month also marks the Easter holiday celebration with the Easter Egg Hunt on April 15 at the East Beach. Happy spring time!

Kathy Reed

We appreciate their dedication and hard work. We are in an excellent financial condition. Our annual audit report had no new recommendations - we have about $2,000 per month income from dividends with no debt and total cash position of about $1.3 million dollars. At the beginning of the year, the Staff put together a budget on Capital items to be added or to be replaced and this is proceeding on Plan. Each month, our expenses have been less than the revenue, which is a compliment to Scott and his staff.

The Youth Committee has been very active this year in developing sub-committees, getting parental involvement, developing activities for our youth and the youth are developing a Service Project Program that they will bring to the Board for approval. The committee has developed and is sponsoring a Golf Cart Safety Program for licensing youth who are 13 and older.

The “Kiowans” has sponsored a number of informative forums as well as the Leadership Lake Kiowa Program. The Leadership Class provides the opportunity to learn about Lake Kiowa and has been very well received with 11 graduates this year and 33 graduates in total. Friends of the Lodge has raised the money and paid for the wonderful new entryway to the Lodge. What a difference, something we can all be very proud of and hopefully we can use this as a beginning for more improvements in the lodge.

A group of master gardeners has, in cooperation with the POA, started on the front island at FM 902. This will include a cart path across the land, curbing around the shrubbery beds with some new and some relocated plants. We appreciate their dedication and hard work.

Woman’s Club, with a membership of over 400, has been extremely active in supporting many of our events. They donated $5,000 dollars toward the new Library to be part of and located in the new Water Supply office on Kiowa Drive South. Lake Kiowa Angler and Conservation Club continues to sponsor the very popular Kid Fish in spring and fall, building and promoting fish habitat in the lake and maintaining Little Fox Pond. By the way, an 11.6 pound bass was caught last week, weighed and released back to the lake. This is a new record for Lake Kiowa.

The Golfing Community has been extremely active both from an organization and play standpoint. Many tournaments have been sponsored for pure enjoyment, as charitable fundraisers or putting money back into the Community. The driving range is coming along with new grass and sprinkler system. #9 Island, our signature hole, is absolutely beautiful with the new retaining wall and pond including a fountain. We also need to thank the MGA and WGA for all of their efforts and continuing support. Scott told me he is working on making the proper contact to get more water in the lake. The new Golf Maintenance Base is in need of some landscaping. This Golf Maintenance Building will maximize the time our equipment is on the course and eliminate some wear. Scott has reorganized the Lodge staff with Ricky Lopez and Pat Greenlee both reporting to him. This has been very successful. We continue having outstanding food service is superb, lots of new specials and Ricky continues to drive down cost while maintaining the quality of food. Pat has brought the level of food service and staff to a higher plateau. We are so fortunate to have such a qualified staff at the Lodge who understand the true meaning of customer service.

Other projects underway include the Irriquoss drainage, Cayugan drainage, cleaning out of silt at boat ramps on Little Crow and Quanah Coves, silt trap at Low Water #2 and containing silting situation removal when the lake fills again. Plans are finalized for the Comanche gate construction for use by school buses and emergency vehicles. Buses and Ambulances will be equipped with remote activation devices, which will facilitate entry and accelerate the response time for emergency vehicles. The Communications Committee continues to improve on the Communiqué and new Lake Kiowa Web site. Additionally they have recommended replacement of the sign at the front gate with an electronic sign. This has been ordered and should be installed by April 30, 2006. The Long Range planning Committee has completed a survey of needs with over 600 members responding. Based on this input, LRP will further define the approach, benefits and costs for each of the defined higher needs and go back to the community for approval.

A sub-committee of Long Range Planning has recommended several items including an Emergency Warning System. The Board approved this Warning System and three rotating sirens have been ordered to provide early warning with very good coverage for all of Lake Kiowa residents. The sirens are scheduled to be operational by April 30, 2006. The warning systems can be activated by Security for emergencies such as tornadoes or fires.

We are fortunate to have a Volunteer Fire Department that provides excellent fire protection and emergency medical support. LKVFD works well with other County units and this became very evident during the past few months with the number of grass fires and rapid response to emergencies.

We have many committees who dedicate significant time and effort to help maintain Lake Kiowa and receive little recognition for their efforts. These are Architectural Control, Lake and Parks, Rules Enforcement, Lodge and Tavern, Welcome, Ways and Means and Nominating Committees.

I would like to thank the Board for all of their efforts over the past year, all the committees and committee chairs who worked tirelessly to support the Board and Community. And, for the audience, please make the time to attend Open Board meetings regularly and encourage friends and neighbors to do the same. If you cannot attend, the minutes will be posted on the Web site after the next meeting. The Board will be looking for volunteers to serve on all committees.

Stay involved, stay informed – I promise you, I will.

Thank you for your support over the past two terms. I have thoroughly enjoyed my time working with the members of the Board and all Committees.

At this time we will close the constituted Board meeting in the Board Room for an Organizational meeting? Thank you for coming and good night.
The Quarterly Meeting and Potluck Supper was held in the Lodge on March 6. There were more than 60 members attending. Some wording changes were made to the by-laws during the brief business meeting and wonderful food was enjoyed by all.

Chapel services are regularly scheduled at 8 a.m. every Sunday in the Lodge assembly room. Rev. John Hare and Rev. J. L. Williams are the pastors delivering their messages on alternate Sunday mornings. Rev. Williams will deliver the message April 2 entitled “The Cross and the Resurrection – A Fulfilled Purpose,” with text from John 11:38-44. He will continue with this same theme with text from John 11:25 on Easter Sunday, April 16, at the Sunrise Service in the pavilion. The Choir will be presenting their Easter music at that time. Rev. Hare’s message on April 9 will be “Christopher” with text from Matthew 21:1-11. April 23 his message will be “The Bislett Effect” using 1 Peter 2:2-10 as scripture. Holy Communion will be administered on the fifth Sunday, April 30.

V.I.S.T.O. is the recipient of food contributed on the third Sunday of every month. All packaged groceries are appreciated but each month a particular item is requested if you are shopping specifically for their need. In April, they are asking for “buddy pack” items with a particular need for peanut butter cracker packs, pudding cups, Vienna sausages, instant oatmeal, or individual cereal packs. Other items from your pantry as well as cash are always welcome contributions.

The Lake Kiowa Chapel meets regularly every Sunday morning from 8 to 8:30 a.m. in the Lodge. All residents and guests are welcome. This is an interdenominational service that may precede your regular church service or a round of golf. Casual dress is always welcome. Please come and share this time with your friends and neighbors on Sunday morning at 8 a.m.

Carole Clausung

To all of our Lake Kiowa Friends:

Thank you so much for all the food you brought to Walt and me, it was all wonderful and delicious. All the cards, calls, thoughts and prayers. We appreciate all that you do for anyone of us who is in need of your friendship at Lake Kiowa. This is the best place in the World to live.

Sue Sprunger

FREE SPRING CONCERT

The North Central Women’s and Children’s Choruses will present a Spring Concert on Sunday, April 30 at 3 p.m. at the First Presbyterian Church in Gainesville. Dr. Cynthia Russell, founder of the choruses, states that the mission of these singing groups is to “bring beauty and joy to the hearts of all who sing and all who hear.”

Dr. Russell is currently on the faculty at Austin College, where she teaches private voice and music education. She also serves as Director of Music Ministries of Covenant Presbyterian Church in Sherman. Women of Lake Kiowa who participate in the chorus are: Charlotte Bleyenburg, Lee Dowling, Jan Johnson, Dena Knox, Pat Morgan and Shirley O’Dell.

Ladies, come join us for a Spring Fling!

On Thursday, April 27, you are invited to come and view a Spring 2006 Collection of fashion designs. Michelle Cassel from Sherman and her models will all wear vibrant colors and invigorating lines that meld to make the designs as breezy as the season itself.

Our main speaker is Emily Bradford from McKinney. Emily is a former Miss New Mexico and a professional singer. She will speak on “Finding Your True Home.”

The luncheon will begin at 11:15 a.m. at the Roadhouse Grill in Lindsay, $10 inclusive.

Join us as we celebrate spring!

Pat Morgan
**MEDICARE PART D**

Part D deadline is rapidly approaching. (May 15). Those not enrolled by the deadline cannot enroll until November 15 and will be charged a 7% penalty.

The complexity of the 60+ plans from which to choose has left many seniors confused about which plan is best suited for them. Many don’t understand that their decision must be based on the medications they are now taking.

You may be undecided about which plan is best for you. This important decision requires adequate information. I have been able to help many Kiowans make an informed decision and save money. Please feel free to call me with your questions about Medicare Part D. I am here to help you.

Bob Bingham
665-8003
The Kiwanis Club visited the Gainesville State School in March.

Members enjoyed a tour through the facilities and were informed of the goals for their students. Kiwanians were impressed with the opportunities students have to improve and make a success of their lives.

Residents and guests may notice the new Kiwanis sign at the entrance to Lake Kiowa. The new sign reminds Kiowans of the Monday–Thursday meeting times for Kiwanis members and guests.

**ANNUAL MUENSTER GERMANFEST**

Muenster, Texas will host its 31st annual Germanfest, sponsored by the Muenster Chamber of Commerce, on April 28, 29 and 30, 2006. Over 40,000 are predicted to attend the Fest, and will enjoy German sausage, sauerkraut, potato salad, scrumptious apple strudel, hearty cheese and breads. One will also find a wide variety of American food, in this quaint German community of 1,700.

For those who love to participate in competitive sports, you might try one or more of these: "Nagelschlagen," a traditional German competition; The Bell Ringer; Ball Toss or Wall Climbing. For the Bicyclists there is a Bicycle Rally on Saturday, April 29. The Runners will find a 5k and 15k Run on Sunday, April 30.

If you prefer spending your weekend just relaxing and having fun, then the Germanfest is the place to be, because there will be several stages where you will find performers like, "Cooder Graw" on Friday, "Jason Boland," "Tim Cooper" and the regulars on Saturday, "Hard Night's Day" "The Polka Kings" of Lawton, Oklahoma along "The Brave Combo" on Saturday and around the Germanfest. In the children's area you will also find clowns, rock climbing wall, balloon sculptures, face painters and other fun things for children. Don’t forget the Carnival face painters and other fun things for children. Don't forget the Carnival face painters and other fun things for children. Don't forget the Carnival face painters and other fun things for children.

**FOR ALL COMPUTER LOVERS . . .**

For all of us who feel only the deepest love and affection for the way computers have enhanced our lives, read on. At a recent computer expo, Bill Gates reportedly compared the computer industry with the auto industry and stated, "If GM had kept up with technology like the computer industry has, we would all be driving $25 cars that got 1,000 miles to the gallon."

In response to Bill’s comments, General Motors issued a press release stating: "If GM had developed technology like Microsoft, we would all be driving cars with the following characteristics (and I just love this part):

1. For no reason whatsoever, your car would crash twice a day.
2. Every time they repainted the lines in the road, you would have to buy a new car.
3. Occasionally your car would die on the freeway for no reason. You would have to pull to the side of the road, close all of the windows, shut off the car, restart it, and reopen the windows before you could continue. For some reason you would simply accept this.
4. Occasionally, executing a maneuver such as a left turn would cause your car to shut down and refuse to restart, in which case you would have to reinstall the engine.
5. Macintosh would make a car that was powered by the sun, was reliable, five times as fast and twice as easy to drive -- but would run on only five percent of the roads.
6. The oil, water temperature, and alternator warning lights would all be replaced by a single "This Car Has Performed An Illegal Operation" warning light.
7. The airbag system would ask “Are you sure?” before deploying.
8. Occasionally, for no reason whatsoever, your car would lock you out and refuse to let you in until you simultaneously lifted the door handle, turned the key and grabbed hold of the radio antenna.
9. Every time a new car was introduced car buyers would have to learn how to drive all over again because none of the controls would operate in the same manner as the old car.
10. You’d have to press the “Start” button to turn the engine.

Barry Lotman

**Thank you, thank you Lake Kiowans for your excellent participation in the Kan Kart project. Collection of cans is at an all time high. The monies, of course, go to the various projects of the Lake Kiowa Kiwanis Club. The primary project for the club is a scholarship fund at NCTC.**

We are looking forward to a busy summer. The Kiwanis Club is always looking for new members. Come visit with us and be part of a great organization.

Jerry McCarter, President

We are looking forward to a busy summer. The Kiwanis Club is always looking for new members. Come visit with us and be part of a great organization.

Jerry McCarter, President
Lake Kiowa has a new record Black Bass. Congratulations to Wayne Kyle for setting this new record. On Feb. 28 Wayne was fishing around the old Marina waiting for a friend he was taking crappie fishing to arrive. He decided to fish with a Sam Rayburn Red Rattletrap around the jetty. Waiting at the end of the jetty was a whopping 11 pound, 6.4 ounce bass! The LKACC has created a Lake Record Program to encourage all you fishermen and women to break this enormous record. The rules and regulations of this program can be found in the CommuniQue as well as on the Lake Kiowa Web site.

The LKACC held its annual Kid’s Trout Fest on Saturday, Feb. 25, at Little Fox Pond. Approximately 50 kids and their parents endured the rain to try and catch the biggest trout. First, Second and Third place was awarded in three age groups each hour. The child with the biggest fish for each hour also won a new fishing pole combo.

The winners of this years Kid’s Trout Fest were:

6 and Under
1st Hour: 1st Place - Brianna Smith
2nd Place - Jack Hecker
3rd Place - Sam Meeks

2nd Hour: 1st Place - Jackson Cook
2nd Place: Tyler McKee
7 to 11
1st Hour: 1st Place - Tanner Garfat
2nd Place - Matthew

Manning
3rd Place - Michael Wagner
2nd Hour: 1st Place - Jessica Harper
2nd Place - Turner Meeks
3rd Place - Chase Garfat
12 to 16
1st Hour: 1st Place - Tyler Fassett
2nd Place - Andrew Ciaccio
3rd Place - Ben Fisk
2nd Hour: 1st Place - Alex Averill
2nd Place - Matthew Truty

The winners of this year’s Hook, Line & Sinker Tournament were:

First Hour - 6 and under
1st Place: Tyler Fassett
2nd Place: Andrew Ciaccio
3rd Place: Ben Fisk

Second Hour - 6 and under
1st Place: Jessica Harper
2nd Place: Turner Meeks
3rd Place: Chase Garfat

First Hour - 7-11 years
1st Place: Tanner Garfat
2nd Place: Matthew Mannering
3rd Place: Michael Wagner

Second Hour - 7-11 years
1st Place: Jessica Harper
2nd Place: Turner Meeks
3rd Place: Chase Garfat

First Hour - 12-16 years
1st Place: Alex Averill
2nd Place: Matthew Truty
3rd Place: Turner Meeks

Second Hour - 12-16 years
1st Place: Alex Averill
2nd Place: Matthew Truty
3rd Place: Turner Meeks
RULES FOR LAKE BLACK BASS RECORD PROGRAM

1. Black Bass must be caught from Lake Kiowa.
2. Black Bass must be caught on artificial bait.
3. Black Bass must be weighed on official LKACC scales.
4. Black Bass must be measured by hard measuring rule.
5. Black Bass must be photographed.
6. Black Bass must be witnessed by at least one of the established members listed with security.
7. Black Bass must be witnessed, released alive in Lake Kiowa or transferred to the ShareLunker Program.
8. Black Bass records shall be effective from October 1 through September 30.
9. Each Black Bass record caught within each time frame will be given a $100 prize from the LKACC.
10. One Black Bass replica shall be awarded for that year’s largest record Black Bass.
11. Each replica shall hang on the wall in the Nineteenth Hole at the Lodge until a new record is established, at which time the defeated replica shall be returned to the owner.
12. If the record is not broken each year the latest record shall remain in place until defeated.
13. Each year that a new record is not established, the $100 prize shall roll over to the next year. (Example - no new record for 5 years, prize pot would be $500). The cumulative pot shall not exceed $1,000 at any time.
14. If the record is broken at any time, the next prize awarded will return to $100.

Lake Kiowa Fishing Limits

Here are the recommendations made by Bob Lusk, Fisheries Biologist and Lake Management Consultant, for the year 2005 Fishing Limits. These recommendations have been given careful consideration to keep a thriving ecological habitat for Lake Kiowa. The Angler and Conservation Club has fully endorsed the following fishing guidelines for Lake Kiowa:

Rainbow Trout: 5 Per Day, Per Person
Black Bass: Keep Black Bass between 10-13 inches; 5 Per Day, Per Person.
White Bass: Otherwise known as Sand Bass. No Limit. Remove all you can.
Perch: No Limit.
Channel Catfish: Keep fish over 14 inches; No Limit.
Drum: No Limit. Remove any caught from lake.
Carp: No Limit. Remove any caught from lake.

Dock owners are encouraged to provide cover for the fish under your docks. Make sure the trees are securely anchored not to interfere with boat traffic. Feed the fish! Dry dog food or pellets especially made for the fish are readily available at feed stores. For questions, feel free to contact George Davis or Mike Merolla for specifics.

The World's Most Elegant Wood Fireplace... Is Also the World's Most Efficient!

The Fireplace Xtrordinair features steel lines and large glass doors for an expansive view of the fire. Optional gold-leafed frame adds a classic touch. The Ceiling-Mounted model creates such a uniquely beautiful, versatile look in a high BTU output fireplace.

From the President...

Opening Doors to Friendship

Spring has arrived and the Garden and Nature department brought it inside at our last meeting with birdhouses, birds and flowers on our luncheon tables. It was a delight. Storyteller Waynetta Ausmus entertained with tales of characters of Texas. (I spotted a few local “characters” at our luncheon!)

The cookbooks arrived and we purchased them by the armload. They will be on sale again at our April meeting, so if you don’t have one yet, be sure to bring your checkbook. At $12 each, they’re quite a bargain.

This month we will “Travel in Style.” The annual style show is in production with Ann Butler, LaVerta Burhans and Jeannine Pykken at the helm. I can’t wait to see what surprises they have in store as they transport us around the world.

Storyteller Waynetta Ausmus entertains March’s meeting.

Arts and Crafts will meet April 4 to make garden stepping stones. Contact Shirley Falkenhagen.

Book Review will meet on the 7th at Jacque Waghorne’s house. Ann Butler will review “The Widow of the South” by Robert Hicks.

April is a busy month – meetings, parties, great golfing/fishing weather, and planting time. When the grass gets green and the flowers start to bloom, take a minute to “stop and smell the roses.” I plan to do just that, and be grateful that I can do it here at Lake Kiowa.

And remember...

at Kiowa Woman’s Club the door is always open.

Gayla Wilkinson-Robles
BIBLE STUDY CLUB

Ladies! Our meeting location for April has changed. We will meet at 101 Kiowa Cove at 10 a.m. (THANKS JEANIE)

It is time to think about our officers for next year. Please consider we will need a chairperson, or co-chair(s) and a sunshine secretary. This Bible Study group has been meeting for around 30 years. Let’s keep this a part of our Christian experience and make sure it continues.

Remember we will end our club year in May with a luncheon. Be sure and mark your calendar. We will want to present Mary Francis with a love gift at that time.

Join us April 25 as we continue to study the Book of James.

Co-Chairs - Peggy Robins
Mecilla Keene

The Woman’s Club Bridge Department completed the six-week tournament on Feb. 23 and all players had a great time. The winners were: 1st place: Pat Medley and Allene Johnson; 2nd place: Marge Tittsworth and Jeanie Foster; 3rd place: Helen Cowan and ByJo Mansfield; and 4th place: Peggy Ashton, Lanell Blackman and Barbara Koval (not pictured). A new tournament began March 16 and will be the last six-week tournament this year. It will end on April 27. If there is enough interest, there will be a four-week tournament from May 4 through June 1. You may register by calling Peggy Carpenter at 665-4294 or Carol Gilies at 612-1938.

April 2006 CommuniQue 11
In March on a beautiful day, the Water Department had the Ground Breaking for their new building. It will be across the street from the walking path and backs up to FM 902. As you all know, the Library will be in the new building. It will be late fall before it is ready, but we will have a really nice space there. I will probably be asking for help when it is time to move. At this time I do have “shelvers” almost every day who help keep the present room in good condition. Thanks to all of you!!!

Again I would like to ask that you do not bring OLD books to the Library for our use. I am always glad to get donations, but they need to be recent books......within the last two years......that you have read and would like to share with Kiowans. We have a lot of readers here who really enjoy finding recent new books on our shelves. We accept hardcovers, paperbacks, and books on tape. Recently there was a large box left on the desk...... obviously these books had been on a shelf for a while.....one paperback was printed in 1954. Please don’t leave these for us. Thanks.

For new Kiowans, the Kiowa Library is in the strip center outside the gate. We are between the Water Department Office and the Exercise Center. Our hours are the same as the Water Department...Mon-Fri. 8 a.m. to 4:30 p.m. We are sponsored by Kiowa Woman’s Club. Please stop by and check it out.

Thanks to all who have donated book, and again thanks to the “shelvers”!

Joaanne Dorsch
668-1643
Thanks, Becky Branhm, for stepping in and having us to your home for our March 20 meeting.

On April 24 we will be journeying out to the F. Worth Botanical Gardens and specifically the “Japanese Gardens.” We will meet and carpool from the “Café” at 9 a.m. Pack a lunch, if you wish.

BLOOMIN’ NEWS: It is time to plant warm season annual flowers of which some are: zinnias, marigolds, purple fountain grass, impatiens (in shade) and begonias. Once our night temperatures are continuously in the 60’s, hot weather favorites can be planted. A few of our favorites are: lantanas, copper plant, mandevilla, penas, caladiums etc.

One or two weeks after our last freeze, warm season veggies can be planted: tomatoes, peppers, beans, cucumbers, melons, squash and corn. Hot weather crops (okra, southern peas and sweet potatoes) can be planted two – four weeks later.

Spring Bloomin’ vines and shrubs need to be pruned after they have finished blooming. This is done to restore good form and to promote growth. Fertilize with a high nitrogen or all nitrogen plant food, preferably with growth. Fertilize with a high nitrogen or all nitrogen plant food, preferably with growth. Fertilize with a high nitrogen or all nitrogen plant food, preferably with growth. Fertilize with a high nitrogen or all nitrogen plant food, preferably with growth. Fertilize with a high nitrogen or all nitrogen plant food, preferably with growth. Fertilize with a high nitrogen or all nitrogen plant food, preferably with growth. Fertilize with a high nitrogen or all nitrogen plant food, preferably with growth. Fertilize with a high nitrogen or all nitrogen plant food, preferably with growth. Fertilize with a high nitrogen or all nitrogen plant food, preferably with growth.

“TWITTER NEWS”: I recently read an article which I found fascinating. It was on birds’ ensemble vocalizations or “JUST Duet.” It has been detected that a small cluster of plain-tailed wrens in Ecuador had settled in a bush and began singing together. It turned out to be extremely complex singing performances in a non-human animal. The plain-tailed wrens make a rhythmic, bubbling song together. What was really surprising is that this genus of birds that “DUET,” and with the most interesting vocal interactions, come from somewhere other than the northern temperate zone.

Barbara and I are still anticipating a great response to picking up the reins of Garden and Nature Club for the season of 2006/2007.

Enjoy your spring BLOOMS and the TWITTER of our avian friends. See ya at the Café at 9 a.m. on April 24.

LAKE KIOWA REALTY

Gourmet’s Culinary Arts Group met in the home of Betty Becker to celebrate St. Patrick’s Day.

With Irish music playing in the background In-home Gourmet Group #2 tasted a bit o’ the Irish at Joyce Manner’s home. Chef’s LaNelle Little, Alice McDonald and Lee Skinner served Bit O’ the Shamrock appetizers followed by Shepherd’s Pie, Spiced Pears and Soda Bread. The meal was topped off with Harney Stones and Irish Coffee. Irish toasts, superstitions, sayings and humor were shared during the meal. Pictured are (seated) Becky Branham, Mary Wood, Shirley Woodridge, Donna Engels, Carol Jacobsen. Standing: Lee Skinner, Joyce Manner, LaNelle Little and Alice McDonald.

To everyone who campaigned on my behalf and everyone in Pct. 2 who voted Tuesday for either Bill Cox or myself. Sincerely,

Steve Key
Republican Candidate for Commissioner - Pct. 2

Lodge Activities

How about our new entrance...wow, it looks great! Thanks again to Friends of the Lodge and Barletta Construction for a job well done.

March was again a busy month and for that we thank everyone who supported us in the many activities and dining at the Lodge. St. Paddy’s Day was especially fun with the Leprechauns and green beer. You may have noticed something missing in the month of March—Bill and Miriam Beebe took a break from our Friday night karaoke and Monday night Country & Western dance lessons. They did a great job on these in January and February and we hope they will bring them back soon. Thanks guys!

Texas Hold’em Poker on Wednesday and Friday nights is gaining momentum. Vern Forst was our latest first place tournament winner with Terry Butler taking the second place prize. If you don’t play poker, join us each Wednesday for Bingo; it’s fun for the entire family.

We had a packed house for the Habitat for Humanity Dinner Dance and Silent Auction. They raised money for a good cause and everyone enjoyed the evening listening and dancing to the Dave Tanner Band.

I would also like to take this opportunity to thank the Lodge wait staff and kitchen personnel. It takes a lot of hard work behind the scenes to make things happen and our staff is doing an excellent job.

We look forward to seeing all of you at the Lodge in April. Check out our specials.

We are happy to announce the Front Door Project is almost complete. Thank goodness! We would like to thank everyone for their patience and the wonderful comments. We are still waiting for the carpet and some of the hardware for the doors, but it is beginning to take shape.

We would like to welcome all of “our newcomers.” It was great to see so many new faces at the St. Pat’s Meeting and Sing-Along. We really had a good time and the food was wonderful. Thanks, Ricky! Also, thanks a million to Frank and Shirley O’Dell. Their music was awesome. Everyone really celebrated the Irish Tradition by wearing green.

Plans are in full swing for the July Fourth Celebration and we need people to help us man the booths. We have already had some volunteers and we do appreciate them. We will be sponsoring the same booths as last year, plus a bean bag toss and a duck pond for the smaller children. If you will be available to work an hour or so, please let us know.

The next meeting will be April 21 and we will have surprise entertainment since we didn’t get enough people to do the talent show. We’ll try that again later. Be sure to make your reservations by Wednesday the week of the meeting. We will get more information to you regarding menu and entertainment via e-mail or the Octopus.

See you next meeting,
Judy Penland

The Lodge will be closed Sunday, April 2, after Chapel for interior painting. New carpet is scheduled to put on the finishing touches.

Attention all golfers. You have the opportunity to have a great golf outing, a delicious barbecue dinner and help beautify the golf course at the same time. On Sunday, April 30, at 1 p.m. the annual Spring Beautification Tournament will be held. It will be a two-person scramble with teams composed of two men, couples or two women. Prizes will be awarded in each flight to the lowest gross and the three lowest nets. This is the same format we have used before and everybody likes it because over half of the participants are winners.

Ricky will be cooking up his famous barbecue dinner to be served at 5 p.m. All this fun will cost you just $50 per person. If you ever play golf anywhere else you know this is a bargain, and the golf course is the big winner.

The profits from this tournament will be used to finish the driving range. So far the previous tournaments have brought water to the driving range and brought turf grass to the range. We still need to build up high landing areas on the driving range so we can improve our game. Also under consideration is a small concrete slab area for winter use with artificial mats to help preserve our tee boxes during the winter. You can sign up at the Pro Shop starting April 16. If you cannot come, we will gladly accept your donation. Let’s keep improving our course. You can help if you take part in the tournament.

Dick & Joan Carroll
Ray & Inez Freeman

Looking forward to working with all my friends and neighbors in the community.

HAPPY EASTER!

Big THANK YOUS to Wayne Shearer and the MGA Board for allowing members of the Rally for a Cure Committee to have a “Land In the Circle - Double Your Money” on Green 5 during the regular MGA Playday on March 11. These big hearted super Men’s Golf Association guys donated a total of $566.25. The few players who did land in the circle, generously donated their winnings back to the Rally. Chair Barbara Cole spoke for a very few minutes during their meeting to encourage their participation. What a cheerleader she must have been! Rally for a Cure committee members Barbara Cole, Lee Skinner, Linda Stroup, Neta Stutzman and RosaLeigh Woods worked the event and I’m sure they livened up play for everyone. Here’s a big drum roll for everyone who participated in this wonderful endeavor but most especially for the guys who were so generous. The Rally is not until October, but the Committee has been hard at work since January. Another fundraising event will be held on the Sept. 9 MGA Playday, so fellas don’t forget to bring your money!

Catharine Moss

Spring Beautification Tournament Set for April 30
March 11 was a beautiful day for our monthly golf play. One hundred and twenty-two members played in a Pro Am Scramble. The first through fourth place winners are pictured and identified on this page. All had a great time!

Some worthy notes:
1) The Senior Club Championship is coming on April 22-23. The three divisions will be: Ages 50-59, 60-69, and 70 and above. Sign up and pay fees at the Pro Shop.
2) The Spring Beautification Tournament has moved from Saturday, April 29 to Sunday, April 30.
3) The MGA work schedule to help beautify our golf course is scheduled EVERY MONDAY MORNING at 8 a.m.!! until further notice. Look for information on the MGA board at the Pro Shop as to location of work.
4) The MGA has defined member/guest pertaining to their tournaments:
a. MEMBER – a person who owns or leases property in Lake Kiowa and MGA member in good standing;
b. GUEST – a person who does not own or lease property in Lake Kiowa. (He/She would pay green fees to play here.)
3) The MGA work schedule to help beautify our golf course is scheduled every Monday morning at 8 a.m.!! until further notice. Look for information on the MGA board at the Pro Shop as to location of work.
4) The Senior Club Championship is coming on April 22-23. The three divisions will be: Ages 50-59, 60-69, and 70 and above. Sign up and pay fees at the Pro Shop.
5) East-West Challenge will be May 6-7!!

Superintendent’s Report …

Spring is in the air and the grass is starting to green up. Please remember to sand your divots in the fairways and repair your ball marks on the greens.

We have ordered the Princess 77 seed for the Number 1 fairway. For you that are not aware of what we are attempting, let me explain. Princess 77 seed is a cross between 328 and 419 Bermuda Grass. We are trying to enhance the fairways by making them thicker with a closer leaf blade. We can complete this process with little or no disturbance to the fairways. Number 1 fairway is a test area to see if the seed will do what we think it will and what the research has indicated. As the grass goes into dormancy in the winter, your ball will still sit up higher, which in turn will make it easier to hit off the turf.

David Long

MGA BOARD NOTES

The LKMGA held their monthly board meeting on March 8, 2006 and its play day on March 11. President Wayne Shearer presided at the meetings, and the February Minutes and Treasurer’s report were approved.

Greg Gotses, Membership Chairman, reported that we received an additional 23 members from the solicitation in the last LKPGA billings. Flowers are being sent to Carole Clossing and Mabel Samples for their fantastic help in getting the new MGA/WGA directory ready for printing. A thank you letter is also going out to Gainesville National Bank for their assistance in underwriting costs of the directory. A supplemental listing of the directory with new members will be issued at a later date.

We have 241 members signed up for the Hole in One Club and one recorded hole in one to date.

Projects Chairman Jim Williams updated progress on the light clean up projects being undertaken and the effort to prioritize them. We have scheduled every Monday morning for an 8 a.m. start on a daily project and hope the turnout will allow us to make inroads on the smaller projects. There will be a special work day on Tuesday, March 14, to sod the area on #6 where the drainage special work day on Tuesday, March 14, on the smaller projects. There will be a special work day on Tuesday, March 14, to sod the area on #6 where the drainage will allow us to make inroads the Hole in One Club and one recorded hole in one to date.

John Schneider reminded everyone that the Saturday, April 8 play day changes to an 8 a.m. start. April will also have the Senior Club Championship on April 22-23, and the Spring Beautification Tournament has been moved to Sunday, April 30, with the proceeds being directed to practice area improvements.

Larry Glover, Public Relations Chairman, has made it a point to have the play day winners pictures enlarged so we can see who won. Check out the men’s bulletin board at the Pro Shop. He also reminded everyone not to forget the MGA Web site; it has been improved with a lot more information available.

Brown McCrory reported that we will have a new tee time/real-time program coming soon. Stay tuned more details when available.

David Long reported that planting of the Princess 77 grass seed on #1 will begin as soon as the soil temperature is high enough.

The board also regretfully accepted the resignation of Earl Lemons as Vice President-Secretary and voted Jack Thies as his replacement.

The next MGA board meeting will be April 5 and our play day will be April 8.

Jack Thies

GOLF NEWS
Sixty players participated in the first Scramble of 2006, followed by the monthly luncheon and business meeting. Several new members were present, and introduced.

Nancy Gingerich has agreed to be in charge of the working women/weekend members play day on Saturdays. We have 25 or more working/weekend members. This group will play the same format as the WGA group will play the following Wednesday. Call Nancy if you are interested in playing with this group and she will make necessary tee times. Leave your card in the box in the Ladies room to be included in scoring on Wednesday.

PLAY PALS is a great opportunity to meet fellow golfers. If you have recently joined us at Lake Kiowa, it is a perfect way to “get going” in the golf program. If you have lived here for a time, but just hadn’t made a contact for regular play, add your name to the list, and find a Play Pal from the list posted in the Ladies room.

Mary Pifer announced there will be two Ringer Boards, one for handicaps 40-61 and one for handicaps 39-0. She urged everyone to change our scores whenever we better a hole during play any day with another WGA member.

The Spring Handicap Tournament will be March 29 and 30. It will be a flighted tournament with prizes for the three lowest net scores in each flight. The entry fee is $20 and the deadline for signing up was March 26.

The Member/Member Tournament is scheduled for April 26 and 27 and a sign up sheet will be available on April 1.

The Beautification Tournament was changed to Sunday, April 30. There was a conflict on the original date. The Beautification Tournament was held on March 19 and 20. There will be both 18 hole and 9 hole teams. So find yourself a partner and sign-up to play in this fun tournament.

LOW NET SCORES: First, Merlene Miller, Barbara Neiden, Kathy Reed, and Sharon James; Second, Mabel Samples, Margie Nash, Bobbie Caldwell, Peggy Robins; Third, Jamie McCory, Sharon Hey, Carol Gilmore, Betty Moore and Fourth, Ruth Robinson, Claudene Belcher, Barbara Cole, Genevieve Avinger.

LOW GROSS SCORES: First team, Mary Ragan, Lee Skinner, Maxine Pattillo, Pam Hanning; Second, Carol Maners, Lucy Deck, Jan Dalton; Katherine Thacker, Third, RosaLeigh Wood, Joan Carroll, Janelle Cohoon, Nita Templin; Fourth, La Vonne Jucha, Neta Stutzman, Bari Hankins, Cecelia Davis; and Fifth, Molly Worthen, Gwen Mullins, Judy Neal, Clara Lemming.

All members are urged to join us April 5 for a great time.

Weekly Playday Winners

March 8
Low Putts – 18 Holes
(Flight A)
1st. Place: Mabel Samples
2nd. Place: Ruth Robinson
3rd Place (tie) RosaLeigh Wood, Merlene Miller

(Flight B)
1st. Place: Sandra Essex
2nd. Place: La Vonne Jucha
3rd. Place: Carole Clausing

Low Gross
1st. Place with a score of 78 - Peggy Coolidge, Sandra Essex, Linda Stroup, and Dolly Marek
2nd Place: Corina Nichols

Low Putts – 9 Holes
1st place: Peggy Robins- 16 putting
2nd place: (tie) Marilyn Tribelhorn and Audrene Robison

March 15
18 Hole Players: Step Aside:
1st. Place with a score of 78 - Peggy Coolidge, Sandra Essex, Linda Stroup, and Dolly Marek
2nd Place with a score of 81 - Mary Pifer, Margie Nash, Judy Hughes, and Jan Dalton

9-Hole Players: Medal
Low Gross - Dale Griggs
1st Low Net LaNelle Little
2nd Low Net Cecilia Davis

March 22 - Blind Holes
5 players played in 40 degree weather
1st Place - Margie Nash
2nd Place - Maxine Lane
3rd Place - Neta Stutzman

WORKING AND WEEKEND WGA MEMBERS SATURDAY PLAY

Concerning WGA members who are unable to play on the regular scheduled Wednesday play days...

The Board wishes all members to have the opportunity to be a part of the activities, including Play Days.

A semi-official group has been established. Nancy Gingerich has volunteered to be the contact point for this group and will endeavor to tie times together for Saturday play.

You are invited to play, if you desire, on Saturday while observing the following rules:- Call Nancy to indicate your desire to play – 686-0987 or e-mail at LN.gingerich@ninin.net.

1. Play with other WGA members.
2. Observe the “Play Day Rules” as posted.
3. Use the format for the following Wednesday.
4. Enter your scores in the computer.
5. Place your signed and dated scorecards in the WGA box in the Pro Shop.

NOTE: Saturday play has been an option in the past, however, it has not been taken advantage of by the membership. Perhaps most working ladies and weekenders were unaware of the option or perhaps they had no one to play with. This effort to bring a more structured format to the option is in reply to comments made in the “Survey.”

Get the word out to the estimated 25+ ladies in this category. The turnout this year will determine the effort given to this option next year.

WGA MEMBER-MEMBER SET FOR APRIL 26 & 27

Just a reminder the Women’s Golf Assoc. Annual Member-Member Golf Tournament will be held on April 26 and 27. The cost will be $20 per person, which will include lunch on the 27th. This is a two-person, best-ball eclectic tournament. Handicap must have no more than an eight stroke differential.

There will be Gross and Net prizes. There will be both 18 hole and 9 hole teams. So find yourself a partner and sign-up to play in this fun tournament. Sign-up sheets will be posted on April 1.

DID YOU KNOW . . . .

Spring is here and golf season is in full swing. It is very important to post every score regardless of whether it is good or bad.

For the beginners that are trying to establish a Handicap, it is very important. Until you have a total of five scores posted the computer will not calculate a handicap for you. After you post five scores your handicap is computed on your lowest score. As you post more scores then the system calculates on more, but it always uses the lowest. Once you have 20 scores posted, then it will use the 10 lowest scores to calculate your handicap and only use 96% of that calculation.

Remember to enjoy the game, playing to the best of your ability each time you play. Do not expect to play your Handicap each time you play since it is based on less than 25% of your scores. It is our great scores that keep us playing and our great scores that our Handicap is based on.

Handicap Committee
SECURITY DEPARTMENT

LAKE KIOWA SECURITY REPORT
February 15 - March 19, 2006

Animal Control Officers reported a busy month responding to 30 stray dog complaints and two stray cat complaints. In addition, 31 varmint calls were logged. Traffic control efforts yielded six vehicle stops for speeding, resulting in two citations. Security patrol assisted five motorists with vehicle breakdowns and investigated three automobile accidents at Lake Kiowa.

SECURITY LOST AND FOUND
March 20, 2006

Brown Stag Hill Vest
Two Tennis Rackets
Yellow Swing Trainer
Golf Club
Purple Girl’s Gemini Pacific Bicycle

Gary Davidson
Chief of Security

Vandals struck on four occasions during this reporting period, prompting a Sheriff’s Department response for two of the more serious incidents. Security personnel were joined by a deputy for response to a residence alarm and also received such back up for one of four reported 9-1-1 hang-ups. In other activity, Security patrol checked the welfare of residents six times, investigated two suspicious vehicles and stopped two minors operating their golf carts without a valid permit or driver’s license. Five unlocked doors or gates were discovered, five disturbing the peace complaints were confirmed and response was indicated to ball hawking, an open fire, illegal parking and unauthorized fishing.

Security dispatchers processed 29 emergency run reports for LKVFD. A total of nine citations were issued by the department, including the two for speeding and two for barking dogs. Icy conditions on the bridge were reported on both Feb. 18 and 19.

Gary Davidson
Chief of Security

Election Results of the 2006 Election for LKPOA Board of Directors:

1198 ballots were mailed out with 4 packets of election material returned because the address changed with no forwarding address.

565 ballots returned
6 ballots were ineligible because they were returned after the deadline
3 ballots were ineligible because they returned without the outside envelope
556 ballots counted

The vote distribution was as follows (order as appeared on ballot):
Lee Skinner 373
Bill Dalton 410
Herman Plott 355
Peggy Padgham 439

Pat Jesse,
Election Judge
TEXOMA MENTAL HEALTH SERVICES
IN NEED OF VOLUNTEERS OR DONATIONS

The Volunteer Services Council of Mental Health Mental Retardation Services of Texoma held its second annual Valentine’s Day Fund-raiser.

“The event was a great success. We were able to raise $1,500 and will receive a matching $1,500 grant from the Red River Chapter of Thrivent Financial Services for Lutharians. MHRMST employees and volunteers held a cook off and then sold tickets to sample the food items. A silent auction was held featuring donated items. Prior to the event people were able to order flowers and buy stuffed animals for their Valentines. We are grateful for the help from the Red River Chapter and want to thank them for all their involvement.

They donated items to the auction and helped with the event. Proceeds from this event will be given to MHRMST to help purchase a network computer server,” says Harold Wright, VSC chairman.

“Our next fund-raiser will be a garage sale to be held on Saturday, April 29, 8 a.m.-5 p.m., 510 South Mirick, Denison. We need people to donate items for this sale. The VSC is a 501 (c) (3) non-profit organization and will issue tax forms for every donation. We need donations of furniture, large and small appliances, household items, exercise equipment, bicycles, toys, books, decorating items, etc. No clothes or shoes will be accepted. All donated items should be clean and in good working condition. The funds raised will also go toward purchasing the network computer server,” continued Wright.

The Modern Woodmen of America has committed to match funds raised from the sale up to $2,500. Jane Cranford of Sadler, spokesman of the group, says “The Matching Fund program offers Modern Woodmen members the chance to show their support of a community cause, organization or individual in need of holding fund-raisers. The company was founded in 1883 as a fraternal benefit society, today Modern Woodmen of America offers financial services and fraternal member benefits to individuals and families throughout the United States.”

Volunteers are needed to help price merchandise and work the day of the sale. We will begin sorting and pricing items around the first of April. Anyone wanting to volunteer should call 903-957-4865. Donations may be made by bringing items to the Community Relations Office at 315 West McLain or calling 903-957-4865. Donations may be made by bringing items to the Community Relations Office at 315 West McLain or calling 903-957-4865 for pick-up.

IN NEED OF VOLUNTEERS OR DONATIONS
(The following minutes are from last year’s Annual Meeting.)

LAKE KIOWA PROPERTY OWNERS ASSOCIATION
ANNUAL MEETING
OF THE BOARD
MARCH 12, 2005 - 7:00 P.M. LODEGE
ASSEMBLY ROOM

AGENDA

CALL TO ORDER
Jack Thies called the meeting to order at 7:00 P.M. Rick Walker and Stella DiPasqua were absent.

APPROVAL OF MINUTES
Bob Wickersham read the minutes of the March 13, 2004 annual meeting. They were approved on a motion by Linda Fite and a second by John Davis with all in favor.

ANNOUNCEMENT OF ORGANIZATIONAL MEETING
Jack Thies announced that the new Board would hold its organizational meeting immediately after the annual meeting in the Southwest Room.

ELECTION COMMITTEE REPORT
Pat Jessee gave the report from the Election Committee. The Asset Replacement Fund passed 487 with 164 opposed.

The results of the Board of Directors election are as follows:

- Bob Bingham 448
- Kathy Reed 439
- John Davis 363
- Noble Moss 288
- Walt Sprenger 265

RECOGNITION AND PLAQUES
Jack recognized the retiring Directors.

Bob Wickersham, Secretary
PREPARED TO MEET

SATURDAY – MARCH 11, 2006
BOARD ROOM
CALL TO ORDER
The meeting was called to order at 6:55 pm by President Bob Wickersham. All directors were present.

BALLETT
Linda Fite moved that all ballots for 2005-2006 be destroyed and Kathy Reed seconded the motion. It passed unanimously.

RECESS/RECONVENE

The meeting was recessed at 7:00 pm for the Annual Meeting.

Outgoing President Wickersham reconvened the meeting at 7:30 pm.

ELECTION OF NEW OFFICERS

President Wickersham congratulated new board members Bill Dalton, Peggy Padgham, and Lee Skinner. He then asked for a nomination for president for the coming year and John Davis moved that Dave Spangler be elected to the office. Randy Howell provided the second and the vote was unanimous. Mr. Wickersham turned the meeting over to President Spangler.

The following officers for the coming year were nominated, seconded and elected unanimously:

• Vice President: John Davis
• Treasurer: Kathy Reed
• Secretary: Peggy Padgham
• Assistant Treasurer: Lee Skinner
• Assistant Secretary: Bob Bingham

Scott Campbell distributed a packet of information to each new director elected unanimously:

ELECTION OF NEW OFFICERS

Outgoing President Wickersham

At 7:00 pm the meeting was held at 6:00 pm in the Boardroom.

At 8:05 pm Kathy Reed moved that the meeting be adjourned. All were in favor after a second from Bob Bingham.

Kathy Reed, Secretary

LAKE KIOWA PROPERTY
OWNERS ASSOCIATION
BOARD MEETING

MONDAY MARCH 6, 2006
6:00 PM SOUTHWEST ROOM
CALL TO ORDER

The meeting was called to order at 6:00 pm by President Bob Wickersham. All Directors were present.

REVIEW OF MINUTES

John Davis moved that the Minutes of the Pre-board Meeting held on February 20, 2006 be approved and the vote was unanimous after a second from Bob Bingham. A second motion was made by John Davis that the Open Board Meeting Minutes from February 20, 2006 be approved and Bob Bingham provided the second. The motion carried unanimously.

EXECUTIVE SESSION

Linda Fite moved that we enter executive session and Dave Spangler seconded the motion. The motion carried unanimously.

The Board exited executive session at 6:35 pm after Dave Spangler made the motion and Charles Huddleston seconded the vote. The motion was unanimous.

John Davis moved that the citation be upheld and that we require the fence in question to be removed. Rick Walker seconded the motion. After discussion the vote was unanimous and Scott Campbell will make the proper notification.

ACC RULE AMENDMENT

John Davis presented the Architectural Control Committee rule regarding horizontal structures. This rule has been revised to meet the International Residential Building Codes. Dave Spangler moved to accept the rule as written and Randy Howell seconded the motion. The vote was unanimous.

EXTENDED CULVERT REQUESTS

The Board reviewed two extended culvert requests. The first request involves a lot with an existing house and U-shaped driveway and the homeowner desires to connect the two existing culverts. An on-site inspection has been performed and this proposal meets our guidelines. Bob Bingham moved that this request be approved and Linda Fite seconded the motion. The motion passed with one opposes.

The second extended culvert request was also approved with one board member opposed after a motion was made by Rick Walker and a second from Randy Howell. This proposal was also inspected on-site and was determined to be in accordance with our guidelines.

During discussion of both of these extended culvert requests, it was voiced regarding water flow consequences of continued granting of this kind of request. Linda Fite moved that a moratorium be issued on further extended culvert permit requests until Paul Whaley’s hydrology study has been completed and reviewed by the Board. John Davis seconded the motion. The motion did not carry by a vote of 2 in favor, 5 opposed, and 1 abstention.

KID’S FISHING BARGE

The Board reviewed a recommendation from the Lake and Parks Committee to move the kid’s fishing barge from Little Fox Pond to south of the docks by the Lodge. Due to the danger of the floating platform in the main part of the lake where the barge would be subject to significant boat wakes this recommendation, by consensus, was not approved.

COMMUNITY MANAGER UPDATE

The order for the emergency sirens has been placed. In moving the smaller siren to the driving range to take advantage of an existing power source the possibility arose that a few Lake Kiowa lots would not be in range. Therefore, that siren was replaced with the full-size model. It was also noted that KESO funds available if a siren is up and running by the required date of May 1 will only be paid directly to the vendor.

Scott Campbell presented a drawing for a north entry gate at Comanche which would allow improved service to Lake Kiowa for school buses and ambulances. The gate area could be expanded later to accommodate another ingress/egress point for the community. Rick Walker moved that we approve construction of the gate and Charles Huddleston seconded the motion. The vote was unanimous to approve construction expenditure up to $8500.00 from CARF funds.

ADJOURN

The meeting was adjourned by unanimous vote at 8:05 pm on a motion from Charles Huddleston with Rick Walker providing the second.

Kathy Reed, Secretary
LAKE KIOWA PROPERTY OWNERS ASSOCIATION MEETING MINUTES

LAKE KIOWA PROPERTY OWNERS ASSOCIATION
OPEN BOARD MEETING MONDAY, APRIL 10, 2006
7:00 PM ASSEMBLY ROOM
CALL TO ORDER
The meeting was called to order at 7:00 pm by President Bob Wickersham. All Directors were present.

APPROVAL OF MINUTES
Kathy Reed read the minutes from the March 6, 2006 Board Workshop. Linda Fite moved the minutes be approved and Charles Huddleston seconded it. The motion passed unanimously.

FINANCIALS
Dave Spangler presented the January 2006 financial statement noting that the group is continuing a good performance year-to-date. He pointed out the lack of lot sales during the month of January accounted for most of the budget funding shortfall but that the monthly expenses were so much better than budget that the month's net revenue also ended better than budget despite the shortfall in funding. Mr. Spangler also reminded the group that although year-to-date expense looks good now there would be some costs coming in the spring.

In addition Mr. Spangler displayed itemized disbursements from the ARRF and CARF accounts, noting the amounts remaining and those that changed for various reasons. He answered questions about the purpose of each account and how they are funded and what is expended through each. He explained the difference between the two counties: ARRF is for the replacement of things we've already owned and CARF money is for the purchase of new, first-time assets.

LONG RANGE PLANNING UPDATE
Linda Fite shared a brief update on the January survey results, indicating that in excess of 600 people participated in the survey. She announced that the results in more detail will be available in the next CommuniQue and on our Lake Kiowa website—www.lakekiowatx.com. The areas with the five highest approval percentages will be pursued and Ms. Fite reminded us that this needs assessment only. Long Range Planning will be keeping the community apprised as they continue to gather information.

MANAGERS' REPORTS
Gary Davidson's summary of citations covered the period January 10, 2006 through February 14, 2006. Security continues to patrol the perimeter roads around Lake Kiowa to discourage illegal activity and watch for grass fires. Last month suspicious fires are still being investigated by Cooke County authorities and Security is cooperating with the county offices involved.

Don Hoover reported that the Cayuga Trail drainage project is progressing nicely. The lake remains low but work is continuing at the three boat launches for sand trap maintenance.

In Ricky Lopez's absence, Scott Campbell advised us of the cost of mounting poles, their location and core samples will be taken soon to improve accessibility to the lake for such as mowing, cup replacement, and sand trap maintenance.

In Rocky Lopez's absence, Scott Campbell presented us with the things that the Lodge continue to go very well.

In answer to another question about continued good performance year-to-date, Mr. Spangler commented that if the sirens went off we should remember that it means we need to go inside. The information we have about emergency siren system but questioned whether the one smaller sized siren covering the Cocopa area should in fact be replaced with the larger system since it is cost-effective. Mr. Spangler added an identical sign for the East Gate will be proposed for inclusion in the budget for 2006-2007. He also pointed out for $8500.00 to help offset this cost but that we must have a siren up and operation ready by May 1, 2006.

Larry Reese spoke up in favor of the system but questioned whether the smaller sized siren covering the Cocopa area should in fact be replaced with the larger system since it is cost-effective.

EMERGENCY WARNING SIRENS
After refreshing our memories on the recommendations of the Emergency Preparedness Task Force presented at the January Open Board Meeting, Scott Campbell discussed a proposed system for an emergency siren system at Lake Kiowa. He displayed and explained the proposed map of the coverage area, showing sirens located at the nursery green, the East Beach, and McMackin's Landing. The driving range is being investigated as a possible alternative to the McMackin's location. The estimate for the project is $45,000.00 plus the cost of mounting poles, their installation and electric power service. Cooke County Electric will provide the poles at cost and donate the installation cost. The CARF account would fund the purchase of the system. KEIO has pledged funds in the amount of $3500.00 to help offset this but we must have a siren up and operation ready by May 1, 2006.

Scott Campbell said that if the sirens went off we should remember that it means we need to go inside. The information we have about emergency siren system but questioned whether the one smaller sized siren covering the Cocopa area should in fact be replaced with the larger system since it is cost-effective.

ELECTRONIC SIGN
Larry Reese spoke up in favor of the system but questioned whether the one smaller sized siren covering the Cocopa area should in fact be replaced with the larger system since it is cost-effective.

Mike Carr presented the recommendation of the Communication Committee to replace the existing sign at the front gate with an electronic sign. Mr. Parr itemized the costs and benefits of upgrading to an electronic sign and the messages would be updated remotely via a dial-up line from the POA office. Randy Howell has designed a frame for the sign comparable to the sign at the "Y" of Kiowa Dr W and Kiowa Dr S. Charles Huddleston moved that we allocate $15,000.00 funding from ARRF to cover the purchase of the electronic sign for the Front Gate and the cost of the sign frame. Linda Fite seconded it. During discussion a question was raised about a sign for the East Gate and it was clarified that this motion was for the Front Gate only. An identical sign for the East Gate will be proposed for inclusion in the budget for 2006-2007. The motion passed 8-1 with John Davis opposing.

ADJOURN
As there were no questions or comments from the members, President Bob Wickersham adjourned the meeting at 8:15 pm.

Kathy Reed, Secretary
LAKE KIOWA PROPERTY OWNERS ASSOCIATION MEETINGS

LAKE KIOWA PROPERTY OWNERS ASSOCIATION PRE-BY BOARD MEETING MARCH 24, 2005, 4:30 PM BOARD ROOM CALL TO ORDER
The meeting was called to order at a special time of 4:30 pm by President Ike Gill. All board members were present. The meeting was opened by President Ike Gill with a prayer.

MINUTES OF THE BOARD MEETING
KIOWA HOMEOWNERS WATER SUPPLY CORPORATION HELD JUNE 15, 2005, 6:55 PM BOARD ROOM CALL TO ORDER
President Ike Gill called the meeting to order at 6:55 pm by President Ike Gill.

MINUTES OF THE BOARD MEETING
KIOWA HOMEOWNERS WATER SUPPLY CORPORATION HELD JUNE 15, 2005, 6:55 PM BOARD ROOM CALL TO ORDER
President Ike Gill called the meeting to order at 6:55 pm by President Ike Gill.

MINUTES OF THE BOARD MEETING
KIOWA HOMEOWNERS WATER SUPPLY CORPORATION HELD APRIL 20, 2006, 5:00 PM BOARD ROOM CALL TO ORDER
The meeting was called to order at a special time of 5:00 pm by President Bob Wickersham. All Directors were present.

REVIEW OF MINUTES
Minutes of the February 6, 2006 Board Workshop were reviewed and approved for presentation at the Open Board Meeting.

FINANCIALS
Dave Spangler reviewed the January financial statement, indicating that Total Other Income fell short of the budget due largely to no lot sales during the month. Total Expenses were better than budget by enough to more than offset the revenue shortfall. Both the year to date funding and expenses are better than budget. Mr. Spangler also provided itemized expenditures from the ARRF and CARF accounts which he will share with the group attending the Open Board Meeting later this evening.

POLITICAL SIGNS
The Texas legislature passed House Bill 873 which overrules our covenant relative to the display of political signs within Lake Kiowa. This new law will share with the group attending the Open Board Meeting.

ARRF AND CARF ACCOUNTS
Mr. Parr will present the proposal to the community during the Open Board Meeting.

EMERGENCY SIRENS
Scott Campbell reviewed the formal proposal and quote from Shipman Communications for an emergency siren system to cover the entire area of Lake Kiowa. Mr. Campbell reminded us that the existing system is inoperable and that a new system will be installed. The estimated cost is $100 water credits. The winners were:

- Mary Wood
- Noble Moss
- Debbie Young
- Joan Carroll

5. Floyd Copeland

RESULTS OF ELECTION: Peggy Padgham, acting Credentials Chairman announced that Don Howeth and Jan Thies were elected and totals would be shown in the minutes.

Total Ballots - 454, Invalid Ballots - 4

By Laws Change: 406 For

Against

Don Bowman - 206 votes
Earl Lemons - 165 votes
Don Howeth - 258 votes
Jan Thies - 242 votes

President Gill congratulated those elected and thanked the other two men for their willingness to be candidates.

President Gill announced an organizational meeting of the new board would be held Monday, March 28, at 9:00 a.m. at the K.H.W.S.C. board room.

The meeting adjourned at 7 p.m.

Peggy H. Padgham, Secretary

LAKE KIOWA HOMEOWNERS WATER SUPPLY CORPORATION MINUTES OF THE BOARD MEETING
KIOWA HOMEOWNERS WATER SUPPLY CORPORATION HELD WEDNESDAY, FEBRUARY 15, 2006

INVOCATION: President James Robison opened with a word of prayer.

CALL TO ORDER: The meeting was held at the Kiowa Homeowners Water Supply Corporation Office and called to order at 9:00 a.m. by President Robert Wilson.

DISCUSSION OF ANY ITEMS TO BE INCLUDED ON THE NEXT MEETING AGENDA:

- 1. Building
- 2. Long Range Planning
- 3. Annual Meeting Agenda
- 4. By Laws

ADJOURNMENT OF MEETING:
A motion was made by Peggy Padgham, seconded by Dean Dorsch, to adjourn the meeting at 9:55 a.m. All were in favor.

The next regular meeting will be March 8, 2006 at 9:00 a.m.

LAKE KIOWA HOMEOWNERS WATER SUPPLY CORPORATION MINUTES OF THE BOARD MEETING
KIOWA HOMEOWNERS WATER SUPPLY CORPORATION HELD WEDNESDAY, FEBRUARY 15, 2006

INVOCATION: President James Robison opened with a word of prayer.

CALL TO ORDER: The meeting was held at the Kiowa Homeowners Water Supply Corporation Office and called to order at 9:00 a.m. by President Robert Wilson.

APPROVAL OF THE PREVIOUS MEETING:
All members were present.

ESTABLISHMENT OF QUORUM:
All members were present.

APPROVAL OF THE JANUARY 11, 2006 MEETING MINUTES: Dean Dorsch made a motion, seconded by Don Howeth, to accept the minutes as presented. The motion carried.

MANAGER’S REPORT: Manager Young reported no new taps installed. Overtime reported for Robert Wilson was 2 hours and 6 hours for Gary Vanbebber.

Manager Young reviewed the financial report. He reported that a maintenance crew is working on the 5000 gallon storage tank as required in their contract. Steve Wood made a motion to accept the Manager’s Report. Don Howeth seconded and all were in favor to pay the monthly bills. The motion passed by a second from Bob Bingham.

The next regular meeting will be March 8, 2006 at 9:00 a.m.

Peggy Padgham, Secretary
