Lightning Strikes Garage on Modoc Trail

L.K. Volunteer Fire Dept Assisted by Collinsville and Gainesville

You may get a busy signal. This causes a lot of frustration and anxiety when an emergency situation is at hand. By calling 911 first you will be assured of reaching someone immediately.

Do you know where your nearest fire hydrant is? Take time and look around your neighborhood and locate them. The house you save may be your own or your neighbor's.

New Electronic Sign At Front Gate

The new electronic sign was recently installed at the Front Gate. The Board approved a recommendation from the Communications Committee to acquire the sign to improve dissemination of information in a more timely way and reduce man-hours and costs of updating the old sign daily.

Thanks to John Schneider of Sign-A-Rama for the volunteer installation and purchase of the sign at near cost.

In case of emergency, Security will be able to update sign information and notify residents when needed.

Welcome to what seems to be an early summer. These beautiful sunny days provide our community a wonderful opportunity to enjoy the lake and golf course, and to admire the beautiful flowers and shrubs that are blooming. If you haven’t already done so, take some time to drive around the various neighborhoods.

What a great time the kids had at the Easter Egg Hunt. Thank you to all who helped to make this so special for the children.

Many thanks to Pat, Ricky and the Lodge crew for the delicious Easter Buffet. The tables were festively decorated and many families enjoyed the celebration.

Thanks to the 16 residents who attended the Board Meeting in the Assembly Room on Monday, April 17. I hope more of our members will show interest in the future and make the time to attend.

Don Hoover and his work crew have been busy planting shrubs to improve the landscape. Take time to thank them for their work. Also, thanks to the Chapel Choir for their contribution to the Easter Sunrise Service. A large congregation gathered to enjoy the sunrise and give thanks.

If you’re a golfer, I hope you’ve noticed the excellent condition of the landscape near the #4 hole. Thanks go to Shirley Falkenhen, Nancy Bryan, Lucille Crow and Katherine Thacker for their work. Also, thanks to John Schneider of Sign-A-Rama for the volunteer installation and purchase of the sign at near cost.

The lake was buzzing with activity over Easter weekend. Be sure to review rules with family members and guests attending the beaches and the lakes. Safety should be a top priority for all of us as we make use of all the amenities at Lake Kiowa.

School will soon be out and we need to be especially watchful for children who are riding bikes and skateboards.

Let me know if you are aware of someone who is “going the extra mile” to make Lake Kiowa a better place. We want to be sure and recognize their good works.

Thanks,
Peggy Padgham

Board Notes April ...
Enthusiastic “egg hunters” of three age groups swarmed over the East Beach claiming prized eggs in a matter of seconds. Pictured are the 6-year-olds and under group.

Sunny Weather Greets Egg Hunters This Year

We were blessed with beautiful weather the Saturday before Easter for the Lake Kiowa Easter Egg Hunt. Kids from preschool to teen had a great time participating in this year’s hunt. Over 1,300 eggs were hidden at the East Beach in three areas for the four different age groups. Six and under, seven and eight-year-olds and nine and older scrambled throughout the park rounding up as many eggs as they could. Thirty-nine eggs had numbers in them allowing 13 in each age group to pick a prize of their choice. There also was a contest for the person who could guess the closest number of jelly beans in the jar. Reagan Alderink won a boom box for guessing 1,900. The actual number was 1,761.

The prizes included stuffed animals, a toy car, basketball, football, volleyball, fishing poles, CD players, free pizza coupons, and much more. This year’s donations came from First State Bank, Lake Kiowa Realty, Walmart, Big Lots, Tom Thumb, Domino’s Pizza, RSI Toy Store at the Gainesville Factory Shops, Roy and icye Huddleston, George Franklin, Carl and Nancy Bier, David Spangler, The Outlaws and a few other anonymous individuals.

Everyone was treated to homemade chocolate chip cookies and Kool-aid. Last year we had hot chocolate because it was cold and wet. What a difference a year makes. Thanks to all who helped hide the eggs.

Charles Huddleston

Easter Egg Hunt Coordinator

Kiowans

“Kiowans, as a group, was formed by and for Lake Kiowa property owners to provide factual information on significant issues of interest to all LKPOA members in an effort to promote, preserve, and maintain our way of life, our assets, and the operations of our community affairs for the benefit of all.”

Meet The Candidates

The Kiowans will sponsor a reception for all candidates for the Callisburg School Board, the Hospital Board and the College Board on May 9. The reception will begin at 6:30 p.m. in the Southwest Room at Lake Kiowa Lodge.

There are three candidates for the Callisburg School Board, seven for the Hospital Board, and five for the College Board. All have been invited to attend the reception in order that Lake Kiowans may become acquainted with them. We will vote on these candidates on Saturday, May 13. These board members will spend our tax dollars, so we should know who they are and what they might do if they are elected.

Plan to join us for an evening of refreshments and lively talk.

You may have recently heard about or seen articles about the Tran Texas Corridor highway project. A Draft Environmental Impact Statement was recently released regarding this project, which included several preferred and alternative routes for the I-35 corridor alignment. We have received several inquiries about whether or not this will have a direct effect on our community. None of the preferred, or alternative routes that have been proposed so far, have received final approval. The Texas Department of Transportation will be hosting a series of approximately 50 public meetings this summer to discuss and receive public input on this project. We will attend the appropriate meetings and monitor the progress of this effort as it moves forward.

The Board of Directors recently passed a temporary rule that prohibits the mooring of boats at slips located at the main boat launch (by the dam) unless it is for immediate loading or unloading. The reason for this rule is to address the increased use of the main launch due to the low lake level that has rendered the other launches unusable at this time. Please see the language for this rule on page 24 of this issue.

Additionally, the recently adopted rule regarding horizontal structures within golf course and lake setbacks was refined and approved. The language for this rule is also found on page 24.

Finally, don’t forget to make plans to be here on Tuesday, July 4 for another great celebration. The July CommuniQue will include maps, schedules and menus for this event. You will not be disappointed. Have a great month!!

Every child has his or her share of bumps and bruises they obtain as they explore the world around them. Some children even break a bone or two. This is fairly normal and, to some extent, expected. There are, however, bumps, bruises, and broken bones in life that no child should ever experience. These come from child abuse and neglect.

Each day in America, more than four children die as a result of child abuse in the home. In 2003, 1,500 children died as a result of abuse and neglect in the United States. Sadly, the perpetrator is a parent or caretaker, 78% are younger than four years of age. Homicide is the leading cause of injury deaths among infants under one year of age in the United States. In the States, 10% of children die as a result of child abuse in the home. In 2003, 1,500 children died as a result of abuse and neglect in the United States. Tom Thumb’s Good Neighbor Program

Did you know . . . that Tom Thumb Grocery Stores will donate a percentage of your total grocery purchases to the Lake Kiowa Volunteer Fire Department (LKVFD)?

Here’s how it works . . .

Stop by the customer service desk at any Tom Thumb Grocery, and fill out an application for a Reward Card, include the Lake Kiowa Volunteer Fire Department’s agency number (1042), and your Personal Reward Card will be linked with the LKVFD. Each time you purchase groceries, use your Reward Card as you check out and the purchase price of your groceries will automatically be recorded to the #1042 LKVFD account. Tom Thumb will keep a running total of your purchases and will send a percentage back to the LKVFD as a donation. When using your Reward Card, not only will you save money on your grocery items, you will also be supporting the Fire Department.

Thank you,

Lake Kiowa Fire Dept.

Lake Kiowa Kiwanis Club enjoyed two outstanding programs this month. Bob Tunnell, Lake Kiowa resident, shared highlights of his career in aviation. This included his beginning as a crop duster pilot and then ultimately, a pilot for multi-engine commercial jets and finally, as a pilot for heads of state and their families from in Africa and the Middle East.

Members of the Durant, Oklahoma Kiwanis Club visited the Lake Kiowa Kiwanis Club this month. At this meeting, Lake Kiowa resident Wayne Shearer, Chairman of the Gainesville Area Habitat for Humanity, shared the ongoing projects for Habitat and his vision for the future of Habitat in the surrounding area.

Thank you, Lake Kiowa residents, for your continued support of all the projects sponsored by the Lake Kiowa Kiwanis Club. Remember to recycle during the upcoming summer months.

The Lake Kiowa Kiwanis Club meets at 6:30 p.m. on the first and third Thursdays of each month at the Lodge with dinner and a program following. Visitors are welcome and encouraged to become a part of this active contributing group to our community.

Easter Bake Sale Tremendous Success!
The Fire Department would like to thank everyone who participated in our 2nd Annual Easter Bake Sale, held at First State Bank, Kiowa Branch, on Good Friday. Kiowa bakers donated a variety of deliciously baked breads, cobblers, cakes, pies, cookies, jams, pickles and candy. Through the efforts of our bakers and those who visited our bake sale to purchase something for their Easter gathering, we were able to achieve a profit of $778. Many thanks to our “veteran bakers” and our “first-time bakers”….Job Well Done! Watch for our next bake sale which will be held in November.

CALLISBURG—The Callisburg High School UIL Academic Team sent 22 students to compete in the regional meet in Stephenville on April 22.

Eight students advanced to regionals in 12 different events because they placed in the top three of their individual events while 14 more students advanced as members of top finishing teams.

In accounting, senior Mandy Cagle placed first and the team of Cagle, junior Kendra Estes and sophomores Natasha Flanagan and Scott Lovegreen also placed first.

In Current Issues, senior Liam Guthrie placed first while the team of Guthrie, seniors Cagle and Josh Morgan and sophomore Alicia Harrison placed second and advanced to regional competition in a wild card spot.

In Computer Applications, freshman Morgan McKenzie placed second and sophomore Natasha Flanagan and Scott Lovegreen also placed first.

In the journalism events, senior Stephanie Zimmerer placed first in Editorial Writing and Feature Writing and third in News Writing. Freshman Julie Weiner placed third in Editorial Writing, fourth in Feature Writing and third in Headline Writing.

Katelyn Hardcastle placed sixth in Editorial Writing. The journalism team placed second; however, teams are not eligible for advancement in this area.

Freshman Vincent Holle placed fourth in Informative Speaking while freshman Amanda Spears placed fifth in the same event. Junior Katherine Parkhill placed fifth in Persuasive Speaking.

Senior Jenna Potz-Nielsen placed fifth in Literary Criticism while the team of Potz-Nielsen, junior Ashlee Taylor and sophomore Phillip Holle placed second and advanced to regional competition in a wild card spot.

In Poetry Interpretation, junior Lindsey Morgan placed second while freshman Chanda Albrecht placed fourth. In Prose Interpretation, junior Royce Krahl placed second, junior Katherine Parkhill placed fifth and freshman Christine Wilson placed sixth. Krahl also placed sixth in Spelling and Vocabulary.

Senior Liam Guthrie made the Top Chemistry score in science and placed first in Social Studies. The Social Studies team of Guthrie, Cagle, J. Morgan and sophomore Walter Fuller advanced in a second place wild card position.

The regional meet was held at Tarleton State in Stephenville on April 22.

**Computer Data Safety**

It’s a lot like that ad on TV about cholesterol. You know, the one that informs you that it’s not only what you eat and how much, but your cholesterol can be affected by those in your family. Well, it’s also true when it comes to securing your private information on a PC.

Threats to your data can come from family members, the programs you use, the Web sites you visit, and who might work on your machine. Let’s take a quick look at each of these areas.

Family members that install file-sharing programs (music-sharing, for example), basically open up that machine to being explored by a knowledgeable hacker via the Internet. Make sure your machine is not exposed!

Almost every Web site you visit leaves what is known as a cookie on your machine about your visit. That’s how they know you when you return to that site. A mischievous cookie can not only do that, but can provide private information from your PC, hence the name ‘Spyware.’ A good Spyware program helps prevent that from happening.

Numerous programs ask for permission to access your machine during the registration process. Sometimes this is good, because you want to keep your software up to date. However, these programs also are able to gather information about you, the customer. Carefully read and consider what you are agreeing to before you just click that ‘Submit’ button.

Lastly, unless you are a clever computer user, when your machine needs service, ALL your stored information is accessible. So, as you make your decision to get professional assistance, be sure that you engage someone that you can trust.

Want to find out more? Attend a Lake Kiowa Computer Club meeting the second or fourth Thursday of the month at the Lodge. Guests are always welcome.

From the President...

Opening Doors to Friendship

Phenomenal—adj: extraordinary, remarkable—words used to describe the April style show, “Travel in Style!” Kudos to committee co-chairs Ann Butler, LaVerta Burhans, Mary Ruth Bond and Jeannine Faulkner for transporting us around the world. The decor of all countries, our passports, the soaring airplanes, the costumes, ticket counter, airline pilots, and last, but not least, the fabulous fashions, were all coordinated to provide our “sold out” crowd with a memorable experience.

We will meet on May 23 at 10 a.m. at 101 Kiowa Cove West. Bible Study will conclude for this year with our May luncheon meeting.

We will give Mary Francis a gift of appreciation. She is so faithful to come to Lake Kiowa and we have had a wonderful year studying the Book of James.

Please join us for the last meeting of this year. You know the food will be great and the friendship is a real blessing. Call if you have a question.

MAY PROGRAM

A return engagement, Beth Pirtle and her husband performed a wonderful musical program a couple of years ago. This time we have Beth reviewing Kathryn Crosby’s book, My Life with Bing. Beth and Kathryn grew up in the 50’s and 60’s in West Columbia, Texas and remain good friends until this day. Beth will share some personal stories as well as stories from this gifted writer. Most of us all recall how the senior Bing Crosby married the very young Kathryn. Bob Hope recounted it, “Bing simply couldn’t help himself. He was utterly captivated by the freshest face, the loveliest form, and the most sparkling wit that ever graced Hollywood...a powerful personality with a whiff of iron.” Come hear the story of a young teenager who was able to snare the most eligible bachelor in Hollywood and how she did it!!

NOTE: Would you be willing to share your Crosby records or just the jackets for our decorating committee for the day of our meeting? If so, please call Genevieve, 665-7262.

MAY PROGRAM

Meeting Program “My Life with Bing” and Garden and Nature’s “Breakfast with the Birds.” Check your yearbooks for all meeting information.

The Kiowa Woman’s Club Nominating Committee, chaired by Peggy Padgham, has submitted nominees for officers for 2006-2007. They are Julia Mayo, President; Mary Wood, First Vice President; Jan Thompson, Second Vice President; Kathie Milburn, Treasurer; Julie Spangler, Recording Secretary; Carmel Miserak, Corresponding Secretary; Gussie Utting, Historian; and Gayla Robles, Parliamentarian. This slate of nominees will be voted on at our May meeting. I want to personally thank each of these women for their willingness to serve our club in the coming year.

I look forward to seeing you on May 11. And remember...at Kiowa Woman’s Club the door is always open. . .

Gayla Wilkinson-Robles
Great fun was had by all on our April field trip to the Ft. Worth Botanical Gardens and the “Japanese” Gardens.

May 15 at 9 a.m. is our annual potluck “Breakfast with the Birds.” This year we will be enjoying the ambience of Linda Moore’s home and garden.

The Cooke County Master Gardeners’ annual “Parade of Gardens” is scheduled for Sunday, May 7, from 1 p.m. to 5 p.m., rain or shine. The gardens this year are “In and Around Muenster.” Tickets are $5. For more information and tickets call me at 665-5646, or call any CC Master Gardener.

The Rose Trial gardens in Heritage Park are growing and BLOOMIN’. Princess Berona is in bloom now. Stop by and enjoy.

TWITTER NEWS: The hummingbirds are back. ’Tis time to fill and enjoy.

BLOOMIN’ NEWS: During our March meeting we spoke of daylilies and “daylily rust.” Daylily rust is a fungal disease that attacks the leaves and scapes. This disease appears to be most serious in southern plantings and scapes. This disease appears to be most serious in southern plantings where foliage is evergreen or semi-evergreen. Symptoms are bright yellow spots and streaks on the leaf surface or on smaller cultivars. It appears on some smaller cultivars as water-soaked tan spots with darker borders. The undersides of the leaves have raised yellow-orange to rust-brown pustules which rupture to release yellow-orange uredospores. Wiping the underside of the leaf with a white tissue will confirm the presence of the spores.

Control: Cut the diseased leaves back to the crown of the plant and burn or bury them. (Don’t put on your compost pile.) When new growth emerges, apply a fungicide containing chlorothalonil, thiophanate-methyl, mancozeb, or propiconazole to the infected plants as well as those in the vicinity. Avoid overhead watering and keep plants spaced wide enough apart to allow good air movement and leaf drying.

A wonderful perennial for our gardens is the Spiderwort. It has a daintly three-petal flower with slender, hairy stamens. It grows to 1 1⁄2 – 2 feet tall and wide. It prefers a slightly acid to neutral soil that is moist and well drained in either partial shade or full sun. In the fall, cut it back and mulch. It is a good companion plant due to its clump-forming habit. In sunny borders, try it with hollyhocks, lilies and “Annabelle” smooth hydrangeas. For shady spots, pair it with elephant ears, foxgloves or mahonias.

Well folks, the season has come to an end. Welcome aboard to Becky Brumham and Ann Butler, co-chairwomen of Garden and Nature for the 2006/2007 season. Barbara and I have enjoyed the past two years immensely, but it is time for us to move on to other adventures. Thanks for all of your support.

See ya at Linda’s on May 15. HAPPINESS IS BEING IN OUR GARDENS AS THE BIRDS TWITTER THEIR MERRY TUNES.

Gussie Utting Co-Chair Garden and Nature Club CC Master Gardener
Woman’s Club crafters started their spring gardens by creating magnificent steppingstones at the April Arts & Crafts meeting. Leaders Shirley Falkenhagen and Lee Skinner mixed cement while participants created their designs. Broken glass, marbles and beads were provided. Some designers brought personal objects and added lettering to create one of a kind steppingstones. Tipsoe through the gardens this year and enjoy these unique creations.

Participants included Julie Spangler, Linda Moore, Sharon James, Betty Becker, Pam LIScom, Becky Branham, Jane Outlaw, Sharon Wolck, Betty Sue Vickery, Judy McClain, Frances Walling, Kay Marshall, and Rebecca Stoppel who brought guests Tilley and Kathy.

The Lake Kiowa Woman’s Club annual fashion show, this year being “Travel in Style,” was a spectacular success as First Officer David Kinsey and First Officer Terry Smith, both American Airlines pilots, welcomed each lovely attendee to the Kiowa Airlines ticket counter to be presented a personal passport and designation to a particular country. The passports were designed by LaVerta Burhans.

Seven 747 aircraft flew overhead and the walls were decorated with travel posters donated by Billie Fleitman of Association Travel in Muenster.

The stage became a street in Paris with flowering trees and vine-covered arches through which the models paraded.

The tables were lovingly decorated with treasures from the country they represented. Those beautiful objects were indeed from around the world.

Bill Burhans, wearing authentic Russian peasant garb, opened the show by greeting the audience in 13 languages. He introduced his wife LaVerta and described the exquisite outfit she was wearing that was created by Yelena Polovina, contemporary Russian designer.

Wearing a circa 1880 strolling dress and hat, narrator Ann Butler asked the ladies to fasten their seat belts, that Kiowa Airlines Flight 1029 was leaving Gate 19 for different eras, both past and present.

The assembled audience stood for the Pledge of Allegiance to our wonderful country as Mary Ruth Bond wearing a 1776.

**Georgian costume led the flag ceremony. The 1776 flag was carried by First Officer Smith and our present-day flag by First Officer Kinsey. Charlotte and Frank Loncar wearing lovely Croatian costumes represented immigrants’ first coming to America. They were followed by our pioneer girls, Sarah Franklin, Gwen Mullins, and Anita Mason, who presented a cute skit. Jeannine Faustknecht in a fabulous 1920s costume came in dancing to the Charleston as our famous pianist Vernon Austin, played “Two Foot Two, Eyes of Blue” to denote the Roaring 20s. Mary Ruth Bond appeared as a 1940s Red Cross volunteer. Similar to the 1960s and Doris Day of “Pillow Talk” fame, Nancy Gingeitich and David Harper came strolling in wearing peignoir sets carrying their pillows. Another surprise attraction, a flamboyant “Red Hat Society” member, Audrene Robison, flounced across the stage in her huge red hat, purple dress, boas flying, ready to travel anywhere the next flight would take her. The rest of the show was a wonderful success as 23 models strived and strutted in their modern day outfits from apparel stores located in the Gainesville area. Ann Butler as chair and LaVerta Burhans, Jeannine Faulkner, and Mary Ruth Bond as co-chairs wish to thank the multitude of talented workers who so kindly volunteered their time and efforts to make this year’s fashion show a great success. We all thank you for attending this event. May you always safely “Travel in Style.”**

April’s warm weather has apparently brought members out to smell the roses. It’s been a great month for the Lodge. Attendance for our regularly scheduled banquet events is steadily increasing. We had 232 ladies “Traveling in Style” for the Kiowa Woman’s Club Annual Luncheon and Style Show. For those of you who didn’t have an opportunity to see the decorations, you really missed something spectacular. The Lodge entrance and assembly room were transformed into Kiowa Airlines. I won’t elaborate since there will be a write-up and pictures in the KWC news, but we had decorations consisting of items from the pioneer days through six large airplanes flying high in the Assembly Room. There was a ticket counter in the lobby complete with passports for participants with their photo and country of destination. Each table was decorated with artifacts from a different country. These ladies were greeted at the front entrance by two real live pilots in full uniform (and I must admit, they were both easy on the eyes....don’t tell my husband I said that).

We’ve had weddings, wedding receptions, surprise birthday parties and the Lake Kiowa Youth Action Council teens held their first dance on April 8. They planned the party and decorated the room themselves to create a festive atmosphere. Everyone had a great time. We look forward to working with the teens on their various upcoming events.

On April 7, there was a Cotillion Dinner and Dance for youths 13 to 18 organized by one of our members which included horse and buggy rides. The horse pulling the buggy was huge, he looked like one of the Budweiser Clydesdales, Palomino color with white mane and tail. He was gorgeous. Yours truly got to ride with the driver on the first round to show him the route. About half way through the ride, I managed to convince him I was a buggy driver “wannabe.” The owner gave me instructions and let me drive. Later in the evening I got to drive the entire route. Elliott and I got to know each other . . . don’t get excited, Elliott was “THE HORSE”!

Our Wednesday and Friday night Texas Hold’em games are still going strong. Our latest tournament winners were, LaVonne Jucha - first place and James Pollard - second place. Congratulations to you both!!

We broke a record on our Easter Buffet with a whopping 274 in attendance. The place was really bustling. Ricky, Julie and the kitchen staff had approximately 45 feet of food and dessert tables prepared. Julie was carving a chunk of beef the size of a barn - amazing!! Ricky had a sundae bar for the kiddos, they loved it.

Interior painting of the Lodge has been completed, new carpet should be complete by the time you read this article.

I would personally like to thank our wait staff, kitchen staff and our Lodge maintenance personnel for an excellent job. Without all your hard work behind the scenes, none of these events would run smoothly. Thanks again to you and all the members who support the Lodge. You are appreciated. We are looking forward to our May activities, watch for our Lodge specials. Come join us soon!!

FRIENDS OF THE LODGE

It’s Derby Month and we will be having our own “Lake Kiowa Derby” on May 19. All your favorite horses will be groomed and ready to run, so make plans early to attend this gala event. Ladies, bring out your favorite hat, as there will be a prize for the best decorated hat. Ricky will be serving his famous brisket with all the trimmings, and can probably make you a big Mint Julip upon request. Cocktails are at 6 p.m. with dinner following at 6:30.

If you didn’t sign up to help for the 4th of July, we need people to work the booths. We are adding two new ones this year and will need a few extra people. Also, we would like everyone to give their suggestions for improvements to the Lodge. To be in compliance with tax laws and carry our funds forward to next year, we need to designate a project before the end of this year. We will take all suggestions to the Board.

We are looking forward to seeing you at the Derby.

Superintendent's Report...

Maintenance of the golf course is increasing as the grass starts to green up. The left side of #1 from about 150 yards out to behind the green in the rough was cleaned up by the MGA and we seeded it with Fescue. You may not want to hit your ball over there.

Princess 77 Bermuda Grass for #1

We are waiting on the soil temperature to reach 65 degrees. In other words, when we measure the soil temperature, it must be at least 65 degrees anytime, i.e., 3 a.m. or 10 a.m. or 7 p.m. Once we have reached the temperature, we will slit-seed the Bermuda Grass and then topdress it lightly. This will give the seed-to-soil contact that we need to ensure we can maximize the germination possibility.

Seawall #9 Tee Box & Island

The cart path has been re-poured on the island and if you noticed, the Pampas grass has been trimmed. The rocks by the cart path and the flowerbed have been removed and we are preparing it for sod. The tee box will have the sod cut off from the front of the tee box back to about 15 or 20 feet. The reason for this is to make sure when we lay the new sod it will be the same height. The dirt and rocks by the tee box will be removed. I believe Don said that he has a place for the rocks and the dirt will be hauled to the driving range and it will be used to make target greens.

HABITAT BENEFIT GOLF TOURNAMENT HAS $10,000 MATCHING GRANT

The Habitat Benefit Golf Tournament will be held at Lake Kiowa on Saturday, May 27. Players will assemble at 8 a.m. for an 8:30 a.m. shotgun start. If Habitat can raise $10,000 from the tournament, an anonymous donor will match that amount. One hundred percent of the proceeds go to Gainesville Area Habitat for Humanity and will be used to build House #7.

The tournament will be comprised of the first 120 players to sign up for the 2-Person Scramble. Cost is $120 per team. In addition to (or in place of) playing, sponsors are needed.

Tournament sponsor - $50 (no golf); Hole Sponsor - $100 (no golf); Hole Sponsor (includes 1 team) $200; Gold Sponsor (includes 1 team) $250; Platinum Sponsor (includes 2 teams and cart) $500. All sponsors will be recognized in publicity on the golf course, at the luncheon, in the program, and in the newspapers.

Players will receive a “goodie bag,” lunch, drawing for prizes, refreshments, and chance for a prize on every hole. Gift certificates for team prizes will be awarded following lunch.

If paying by mail, send checks payable to “Habitat Benefit Golf” to Bob Wickersham, 102 Karok Cove, Lake Kiowa, TX 76240. You may sign up at the Pro Shop or call 668-7394 to give name(s) and daytime phone number(s).

Any Questions? Call Wayne Shearer at (940) 668-7712, contact any Habitat board member, or call the Habitat office (940) 775-309 and speak to office manager Molly Worthen.

Lake Kiowa Men's Golf Association Board Meeting
April 5, 2006

President Wayne Shearer called the meeting to order at 8:15AM. All members were present except Scott Campbell.

Meeting Notes:
The minutes of the February meeting were approved.

Treasure's Report:
Dale Mock presented the financial report as of March 31, 2006. The summary report was as follows: The beginning balance $24,650.74, monthly receipts were $3,996.57 which included $290 in duplicate membership dues that was refunded. Expenses were $7,883.98 with the largest amount being for handicap tabulation, leaving the month end cash balance of $20,768.33. This amount includes committed funds totaling $5,196.07, which includes, Hole in One Pool, Handicap Tabulation and additional projects. This results in a net cash position of $15,567.26. The report was approved.

Membership:
Greg Gotses, Membership Chairman reported that we actually received another 17 new members from the POA mailing after duplicates were eliminated. There was some discussion about incentives to introduce new members, but the next step will be to review the roster for members from last year that have not renewed and follow up on their status.

We have 270 signed up for the hole in one club.

Public relations:
Larry Glover, Public Relations Chairman, will place a reminder in the CommuniQue about renewing MGA membership, or becoming a new member. A reminder of the upcoming Kapers will also be written up for publication.

Projects:
Jim Williams, Projects Chairman, started with special thanks to Brenda Long for her work on repainting the hole signs for each tee box, and kudos for John Scheider on making a work day sign for the Pro Shop.

There was then a discussion of how to encourage members to come out and help with the light work being done every Monday morning. While the main reason for volunteering should be pride in the course, a program of placing the names of workers in a post every week for a gift certificate to be drawn each quarter was approved. A reminder of the weekly work detail will be displayed on the new gate sign following its installation.

Tournaments:
John Schneider, Tournament Chairman noted the April 8 Saturday play day format will be 1-2-3 on 6-6-6, and the Senior Club Championship tournament will take place on the weekend of April 22-23. For those that like to plan ahead, the May MGA outing will be a shamble.

Invitations to enter the annual June Kapers tournament are at the printer and should be in the mail before the end of April.

John will also prepare a poster for display of the practice range project to encourage play in the Spring Beautification event on April 30.

Old Business:
David Long noted the soil temperature is not yet adequate for planting Princess 77 grass on hole #1. He is still working on establishing requirements for completing the practice range tee box, target greens, and tree farm in a Phase 1 and 2 format so future Beautification events can be planned.

Wayne Shearer updated the July 4th plan to have a target golf area behind the Lodge and outlined setup and manicuring requirements.

Brown McCrory advised the new tee time/card time program should be installed soon.

New Business:
David Long stated the contractor should finish work on #9 tee box next week and we will then have to plan on putting down sod both there and #4 tee box.

The next MGA board meeting will be May 10 and our play day will be May 15.

The meeting was adjourned at 10AM.

3rd Place: Sandra Essex, 37
4th Place: LaVonne Jucha, 36

Flight 2
1st Place: Linda Stroup, 42
2nd Place: Barbara Cole, 41
3rd Place: Jan Dalton, 40
4th Place: Kay Bluml, 38

A total of 27 players participated. Four working players are included for Saturday play.

9-Hole Winners:
1st Place (Tie): Dale Griggs, Peggy Padgham
2nd Place (Tie): Shirley Falkenhagen, Genny Kozioł

What a great way to start the day! Sixty-two women participated in the “Pro-Am Scramble.” We had three winning teams:
1st place: Mary Ragan, Barbara Cole, Claudene Belcher and Katherine Thacker
2nd place: Madefore Baker, Pat Frazier, Maxine Patillo and Sharon James
3rd place: Mabel Samples, Joan Carroll, Fran Weiershauser and Fran Falkenberg.

The April WGA meeting was held in the Lodge, following the Scramble, with June Cloud presiding. The minutes are posted in the Pro Shop. Please remember to check the minutes for any corrections that might need to be reported at the next meeting. Margie Nash reported one new member: June Leatherman.

A request has been made by the MGA for volunteers from the WGA to help the men with maintenance work details on Mondays. A sign will be posted in the Pro Shop indicating which hole will be worked.

June appointed RosaLeigh Wood and Peggy Coolidge to head a committee to investigate design and cost estimates for the patio project, and to bring a report to the June meeting.

Appreciation was expressed to Brenda Long for repainting the golf course signs, and to Willie Wilson and Keith Montgomery for their work on the flowerbeds on #4 and #9.

Plans were discussed for July 4th activities and for the Kiowa Kapers in June.

Judy thanked Judy Montgomery, Joanne Dorsch and Shirley Falkenhagen for a great Spring Handicap Tournament. Peggy Coolidge gave information about the member/member Tournament coming up on April 26 and 27. A sign-up sheet is in the Pro Shop. This is a fun tournament, and we hope all of our new members will participate.

The Handicap Committee needs one to two people to fill vacancies on that committee. If you are interested, see Fran Adams.
On April 9, forty-six couples participated in the first of the 2006 Sunday Couples Golf Association tournament. The beautiful weather, the great fellowship and food served at the Lodge after the game made this a very enjoyable time for all.

As scheduled, the tournament was a step-aside and eleven teams were awarded prizes. They were as follows:

1st Place: Paul and Donna Dillard with Dick and Carol Haywood (Net 62.5)
2nd Place: Robert and Barbara Bergbower with J.B. and Barbara Cole (Net 61.5)
3rd Place: Jim and Marlene Kelley with Bob and Pat Smith (Net 61.5)
4th Place: Chick and Kay Creech with Mess and Joan Maxwell (Net 61.5)
5th Place: Wayne and Dorothy Shearer with Billy and Pat Frazier (Net 62)
6th Place: Isak and Monika Botha with Joe and Carmella Brockett (Net 62)
7th Place: Bill and Jan Dalton with Ron and Marchelle Metcalfe (Net 62)
8th Place: John and Jane Leatherman with Don and Kay Kane (Net 62.5)
9th Place: Larry and Nancy Gingerich with Michael and Lorene Nix (Net 62.5)
10th Place: Allen Johnson and Molly Worthen with Emerson and Lavesta Hart (Net 63)
11th Place: Al and La Vonne Jucha with Joe Bob and Kay Fikes (Net 63)

The first of the “off-site” tournaments is scheduled for June 12 at Doral Tesoro Golf Course. It is located just off Hwy. 114 and I-35W at 15801 Championship Parkway. A 9:30 a.m. shotgun is planned. The cost will be $95 per couple. This price includes green fees for two, golf cart, prize money and a delicious hamburger buffet lunch. Sign up will be at the Kiowa Pro Shop.

Our next scheduled Sunday Kiowa Couples tournament will be on May 21. Shamble is the name of the game and a dinner based around brisket is planned. Sign up for this fun event will begin two weeks prior to play at the Pro Shop. Winners will be based on two scores per couple. This price includes green fees for two, golf cart, prize money and a delicious hamburger buffet lunch. Sign up will be at the Kiowa Pro Shop.

White Chocolate Lime Pie Filling
1 cup Whipping Cream
1 tablespoon Sour Cream
1 teaspoon grated Lime Rind
7/3 cup fresh Lime juice or Key Lime juice
1 baked Crust or individual Pastry Cups

Combine cream and white chocolate morsels in a medium saucepan over low heat. Cook 5 minutes or until morsels melt, stirring constantly. Remove from heat. Add sour cream, lime zest and juice: stir well.

Pour into crust. Cover and chill at least 8 hours. Garnish with Lime slices.
NEW LKPOA RULE CHANGES

HORIZONTAL/GROUND LEVEL SURFACES

Improvements such as patios, decks, pools, walks, and landscaping may extend into the setbacks from the golf course or lake as required for building structures. The following criteria will apply:

A. This rule only applies to permanent horizontal/ground level surfaces within setbacks appropriate for the location.
B. Any concrete or other permanent horizontal surface may extend to a property line abutting the golf course or the lake provided that its top surface must at no point be further than three (3) feet above the ground.
C. If the permanent horizontal surface is thirty (30) inches or more above the ground at any point, then a guard rail, at least three (3) feet but no more than four (4) feet above the horizontal surface, must be erected around the permanent horizontal surface.
D. Any guard rail, if erected, must be at least sixty (60) percent open.
E. The guard rail, if erected, must meet the standards of the International Residential Building Code.
F. No permanent roof, awning, or other covering may extend within the setback requirements for properties on the golf course and/or lake of forty (40) or sixty (60) feet respectively.
G. The permanent horizontal surface may be either attached or not attached to any other building structure legally placed on the property.

TEMPORARY RULE: MOORING OF BOATS AT MAIN LAUNCH

Due to increased use, all public slips at the main boat launch (nearest the dam) shall be used for immediate loading and unloading only. Mooring of boats at this location shall be prohibited until such time the Community Manager determines the lake level is adequate to render the other public launches usable. Announcements will be made at such time this rule is rescinded.

LKPOA PERMITS ISSUED

The following permits were issued by the LKPOA for the period of 3/15 through 4/15: 4 Additions, 1 Awning, 3 Boat Docks, 1 Detached Building, 3 Driveways, 2 Extended Culverts, 5 Fences, 1 New Home, 4 Porch/Patio, 2 Renovation, 3 Seawall, 1 Septic System, 2 Sidewalk, 2 Sprinkler System, 1 Window Change. Information regarding these permits is available in the LKPOA Office.

Reminder: If you are planning a renovation or addition of any type to your property, check with LKPOA to determine if a permit is necessary.

SECURITY DEPARTMENT
LAKE KIOWA SECURITY REPORT
April 13, 2006

Security patrol officers performed 14 traffic stops, writing two citations for speeding and one for failure to stop. Three unlocked doors were discovered, one motorist who had run out of gas was assisted and the welfare of residents was checked on two occasions. Response was also indicated for two 9-1-1 hang ups and two disturbing the peace complaints.

Animal Control received seven stray dog and four barking dog complaints. One citation was issued for failure to keep a dog on a leash or otherwise confined and one canine was transported to the Noah’s Ark Shelter in Gainesville after being held the requisite number of days. A goat was returned to its owner and 10 varmints were disposed of.

In other activity, patrol officers responded to four unconfirmed prowler complaints, investigated three auto accidents, looked for three reported suspicious vehicles and located an illegal dump.

The return of balmy temperatures has led to increased use of LKPOA facilities. It is inherent that members and their guests understand the rules governing the use of these facilities. Security patrol cited one party for the use of glass containers on the beach and then found that the sponsoring member was not accompanying his guests. The illegal use of paintball guns and a pellet gun in separate incidents elicited a Security response as did a complaint of soliciting and vandalism to a mailbox. One resident reported a break-in to a garage but apparently nothing was taken.

Lake Kiowa Volunteer Fire Department personnel were dispatched to 22 emergency calls.

LAKE KIOWA PROPERTY OWNERS ASSOCIATION MINUTES

LAKE KIOWA PROPERTY OWNERS ASSOCIATION, INC.
BOARD MEETING
MONDAY, APRIL 3, 2006
6:00 P.M. SOUTHWEST ROOM
CALL TO ORDER
President Dave Spangler called the meeting to order at 6:05 p.m. All board members were present except John Davis.

REVIEW OF MINUTES
Assistant secretary Bob Bingham was asked to correct the March 20, 2006 minutes to reflect the motion made, seconded and approved regarding carpet order and installation.

Kathy Reed moved to approve the minutes as corrected. Randy Howell seconded and all were in favor. Peggy Padgham did not vote.

EAST BEACH PROPOSALS – LAKE AND PARKS
Jerry Slater and Ken Hutchinson of the Lake and Parks Committee attended the meeting. Mr. Slater presented the improvements to the East Beach recommended by Lake and Parks Committee in conjunction with the Long Range Planning committee. No action was taken.

HORIZONTAL STRUCTURE RULE
Manager Scott Campbell reviewed the Horizontal Structure/Level Surfaces rules. Linda Fite moved to preface the rules. A motion was made by Lee Skinner, seconded by Bob Bingham to approve all committee appointments. The motion passed unanimously.

MANAGER’S UPDATE
A motion was made by Lee Skinner, seconded by Bob Bingham to approve both reports and appointments. The motion passed unanimously.

EXECUTIVE SESSION
The board went into Executive Session at 8:32 p.m. on a motion by Randy Howell and seconded by Bob Bingham.

RECONVPRODUCT OF BOARD
The board reconvened at 8:47 p.m. President Spangler asked manager Campbell to send a letter of appreciation to David and Brenda Long for the excellent work they did repainting the golf course markers.

ADJOURNMENT
Bob Bingham made a motion to adjourn at 8:55 p.m. Randy Howell seconded the motion and all were in favor. Peggy Padgham, Secretary

LAKE KIOWA PROPERTY OWNERS ASSOCIATION, INC.
BOARD MEETING
MARCH 15, 2006
6:00 PM SOUTHWEST ROOM
CALL TO ORDER
The meeting was called to order at 6:00 pm by President Dave Spangler. All Directors were present with the exception of Peggy Padgham.

REVIEW OF MINUTES
Linda Fite moved the Minutes of the Board Workshop meeting held on March 6, 2006 be approved. John Davis provided the second and motion carried unanimously.

COMMITTEE APPOINTMENTS
Dave Spangler presented on behalf of the committee of Linda Fite, Peggy Padgham, Kathy Reed and himself a list of recommended Committee Chairs for 2006-2007 year, making note two committees had been discontinued. Those were the Welcome Committee and the Legislation Liaison Committee. Kathy Reed made motion to approve the Chairman and it was duly seconded by Linda Fite. The motion carried.

Due to a prior commitment Lee Skinner left the meeting at 6:50.

THE HORSESHOE at Number Two Lower Water Crossing
Linda Fite, speaking for the Long Range Planning Committee and Randy Howell, who heads a subcommittee to investigate possibilities for future use of the Horsehoe area, reported that Jennifer Barrows of Texas Parks and Wildlife, had visited Lake Kiowa for the purpose of reviewing the area and suggesting things that can and cannot be done to the over grown area. She confirmed that the area is not designated either as a Wildlife Habitat Preserve or Wetlands. She suggested, as a first step, we have a controlled burn to clear out the underbrush to allow more variety of plants to grow and that would in turn attract a wider variety of wildlife to the area. Within the next 90 days, you will submit a wildlife habitat plan for the area as a guideline for us to use in discussions with the Corp of Engineers and our community on future uses. She also noted wildlife areas should be managed for the wildlife and for the benefit of human enjoyment.

Planning Time
Individual board members made suggestions as to what should be addressed by the board and the department managers over the next 12 months. LKPOA manager, Scott Campbell, was kept busy noting all the items on a flip chart. The items were then categorized and summarized into areas and will be further reviewed at a future meeting. Some time was then spent discussing longer goals and needs. Many of these are currently being addressed by the Long Range Planning Committee.

ADJOURN
The meeting was adjourned at 8:15 pm.

After the meeting was adjourned we reconvened for discussion on the proposed carpet for the Lodge. John Davis moved we delay ordering the carpet until the threshold problems with the newly installed doors are resolved. Bill Dalton provided the second and the motion carried unanimously.

Meeting was adjourned at 8:30.

Bob Bingham, Assistant Secretary

MINUTES OF THE BOARD MEETING
KIOWA HOMEOWNERS WATER SUPPLY CORPORATION
WEDNESDAY, MARCH 8, 2006
INVOCATION: President James Robison opened with a word of prayer.

CALL TO ORDER: The meeting was held at the Kiowa Homeowners Water Supply Corporation Office and called to order at 9:00 a.m. by President Robison.

ESTABLISHMENT OF QUORUM: All members were present.

APPROVAL OF THE MINUTES:
The approval was approved by the board.

The minutes of the last board meeting were provided for the approval.

MANAGER’S REPORT:
Manager Young reported 2 new taps installed at Lot #47 – James Cicon and Lot #570 – Mike Pulec. Overtime reported for Robert Wilson was 8 hours and 10 hours for Gary Vanbeebler.

Manager Young gave his report, followed by the financial report. On a motion by Steve Wood and a second by Dean Dorsch, the board voted unanimously to accept both reports and to pay the monthly bills.

COMMITTEE REPORTS:
BUILDING COMMITTEE - Chairman Dean Dorsch reported that specs and site plan work are underway. No firm date was established for bids to be sent out but is expected to be this month.

LONG RANGE PLAN - Chairman Steve Wood reported that the committee has met 3 times in the past month and will meet again before March 14th.

LAWS - An action was taken but additional information is being gathered by Manager Young.

ELECTION - Jan Thies made a motion to notify candidates before the Annual Meeting regarding election results. Jess Maxwell seconded the motion. Following discussion the motion failed on a 5 to 1 vote.

ANNUAL MEETING AGENDA:
The board reviewed the agenda for the Annual meeting and suggested a few changes. An organizational meeting for the new board will take place on March 15th, at 9 a.m. in the board room of the Water Corporation office.

DISCUSSION OF ANY ITEMS TO BE INCLUDED ON THE NEXT MEETING’S AGENDA:
1. Building
