HOLIDAY LIGHTING
NOVEMBER 24
Come and join us for the Annual Holiday Lighting at the Front Gate on Saturday, Nov. 24 at 6 p.m. Gather with your friends and neighbors to celebrate the beginning of the holiday season with cookies, hot chocolate and some old-fashioned Christmas caroling. You also don’t want to miss the unveiling of our newest addition to the Nativity, the Three Wise Men. The Kiowa Woman’s Club, Anglers’ Club and Friends of the Lodge donated these wise men to the community. Bring the whole family and tell the kids to be on their best behavior, because Santa will pay a visit to talk to them about their wish list.

ATTENTION—PROPERTY OWNERS

Only proxies that have been voted, signed and returned to the LKPOA will be counted. Any proxies not returned will not be considered and will make no difference in the vote. 

Would you believe $75,000 plus? The Lake Kiowa Rally Committee is overjoyed to report this amount will be sent to the Susan G. Komen for the Cure® Foundation. This dollar amount was raised by all the contributions! The Lake Kiowa Woman’s Club, co-sponsor for this event contributed proceeds from the quilt to use as a money-making contribution for this cause. The fabric used was a gift from Charolette and Frank Loncar. Many thanks for all your donations and time and effort in this endeavor. The Rally could never have been successful without all the women and men at Kiowa.

A FEW WORDS FROM LKPOA PRESIDENT
Many thanks for your patience and cooperation while our community is without a community manager. If you are wondering—there is nothing in the by-laws, covenants or rules that prohibits us from operating temporarily without an employed manager. The Board’s obligation to the community is to maintain our assets and see that our departments are run efficiently. That is exactly what we are doing. All department managers are working hard to ensure that everything is running smoothly and any concerns of our members are handled as quickly as possible. The office staff continues to manage the daily financial matters and administrative duties efficiently.

Linda Moore and her committee are responsible for interviewing prospective community managers and much more efficiently than in the past. Thank you for cooperating.

Remember, you can call any board member if you have questions. AND— we encourage you to attend our board meetings twice a month—at 6 p.m. in the Southwest Room and 7 p.m. in the Assembly Room. All meetings are open to the community.

How about a little history? Do you remember or know that by the fall of 1967, with the land purchased and with permission to build the dam, Lake Kiowa, Incorporated was ready to begin work. By October of the following year (1968), the old clubhouse had been built, the first homes had been constructed, the roads were in and the dam was 65% completed. So with that, we have arrived at 40 years of Lake Kiowa. The Celebration Committee suggests a theme of “40 Years at Kiowa” for celebrations from now until July 4, 2008.

As I looked out my back windows this morning, dew was on the spider webs in the trees and shrubs and it looked as if Mother Nature had decorated for Halloween. The leaves are beginning to turn, the breeze is cooler, pumpkins are in our yards and kitchens and, before we know it, Thanksgiving and Christmas will be here. Enjoy this beautiful season of the year.

Until next month, Linda Moore

BLACKFOOT BLOCK PARTY

The Blackfoot Block Party took place on Saturday, Oct. 6. The party was to have taken place at Sam and Susan Baldwin’s home, but the location was changed to the Pavilion when the wet weather arrived.

The party was a potluck dinner and, of course, the ladies of Blackfoot outdid themselves. The food was plentiful and delicious. The social time spent with neighbors was filled with laughter and opportunities to get acquainted with new families on the block.

The following is a description of the weapons to be auctioned at the Noah’s Ark Gala on Nov. 13. These were purchased in Europe and have been in a private collection.

**English fowling piece, mid-1880s.**

This is a 12-gauge muzzle-loading percussion shotgun dating to the mid-1880’s. “G Hollis and Sons,” the maker’s name, is engraved upon the sidelock and the barrel. The latter is made of Damascus twist steel and is 29 1/8 inches in length. It is equipped with a keeper at the muzzle to prevent loss of the ramrod and a brass bead front sight is installed.

The action is engraved with filigree scrollwork as are the tang, breechblock, trigger guard, lock screws, and butt plate.

The piece is stocked in a straight English style without pistol grip, and expertly inlaid. The wood to metal fit is exemplary. A small brass plaque without engraving is inset into the wrist aft of the tang. The stock is made of walnut with cut checkering on both sides of the wrist in a 20-lines-per-inch pattern.

This outstanding period piece evocative of a period long past when English gentry hunted birds on country manors over 150 years ago would be a great addition to any collection. Its overall condition is fine, with no indication of retinish.

Carol Hutchinson

---

**Spanish military dress sword, circa 1856.**

This sword has an engraved blade with small blood groove, sharkskin wire wrapped grip with triple wire bands, a bronze cast engraved pommel, and hand guard with Spanish Royal seal visible on the blade.

The hand guard has a unique folding panel over the thumb to make the sword more comfortable when worn. The scabbard has two mounting rings for wearing. The overall condition is good, with significant rust on the scabbard and a small tear on the grip cover.

Carol Winnert

---

**Spanish military dress sword, circa 1874.**

Gilded bronze scabbard and hand guard. The sword has a wire-wrapped wooden grip, with a slight chip and three small cracks. The hand guard features the best of man under royal Crown, this assumed to be the Spanish King. The year 1874 is engraved under the hilt.

The blade is in fair condition, but had significant rust. This has been stabilized to prevent further damage; the blade could be polished, if desired. The hilt can be restaked to tighten the pommel. A fancy tassel is still in place on the upper mounting ring.

The overall condition of the scabbard is excellent, with the condition of the sword rated fair to good. This piece would be a show addition to any collection of militaria.

Carol Winnert
with sunscreen or she has to wear my clothes. If she can’t actually talk, I do know that her comical look of a dog with hair on half of her body, which gives her the appearance of a ‘counter surfer,’ (i.e. no food is safe on the counter), Mae adores and protects our children and wrestles playfully with all the other beasts in our home.

Noah’s Ark is a lifeboat. Without Noah’s Ark, Mae would never have made it. She would have been just another one of the neglected and forgotten pets. Today, Noah’s Ark rehabilitates and finds homes for hundreds of lost, abused and neglected animals just like Mae. Please come and support an organization that truly makes a difference!

Cross Timbers Artists
Cross Timbers Artists Guild Announces 2007 Studio Tour
The Cross Timbers Artists Guild announced the dates for their sixth annual Artists Studio Tour. The tour is the weekend of Nov. 10-11. Artists’ studios will be open to the public 10 a.m. till 5 p.m. Saturday and noon until 5 p.m. Sunday.

Twenty artists from the Cross Timbers area of Denton County, including Flower Mound, Highland Village, Lewisville, Copper Canyon, Double Oak and Argyle will open their studios and workshops. The public will have the opportunity to view the artists’ work and speak with the artists to learn more about their art. Several artists will also provide demonstrations and many will have pieces of their art available for purchase. A number of artists will also offer a drawing for a piece of their art.

The Cross Timbers Artists Guild began in 2001 as the Cross Timbers Artists Studio Tour and held their first studio tour in November 2002. Richard Cimino, this year’s tour coordinator stated: “The Cross Timbers Artists Guild’s purpose is educational. Our goals are to create an interest in and an appreciation for the creative processes, materials and ideas related to the visual arts. We hope to inspire students and adults to pursue the visual arts as careers and hobbies, and to increase public awareness that art thrives in area neighborhoods as well as in designated art districts. We also create a sense of community among artists in the area through networking and the pooling of community skills, and sharing educational and exhibit opportunities.”

For more information about the tour and participating artists, see the Cross Timbers Artists Guild website: www.CrossTimbersArts.com or contact Richard Cimino at (972) 317-2481.

Cross Timbers Artists Displays
Cross Timbers Artists Guild Displays Artists Work at Lewisville Library
The Cross Timbers Artists Guild announced that the Lewisville Library has provided the Guild with display area to showcase the Guild Artists’ work.

The exhibit area, located on the first floor, includes a display case near the entrance as well as separate display areas for larger works. Artists’ work will be on display through December.

The Cross Timbers Artists Guild Studio Tour takes place Nov. 10 and 11 in the Cross Timbers area of Denton County and features twenty gifted local artists. During the tour the public will have the opportunity to view works similar to those on display at the Library and speak directly with artists to learn more about their art form, process and materials. Several artists will also provide demonstrations.

The Lewisville Public Library is located at 1197 West Main Street, Lewisville TX 75067.

For more information about tour artists, see the Cross Timbers Artists Guild Website: www.CrossTimbersArts.com or contact Richard Cimino at (972) 317-2481.

Behind the Footlights

Butterfield Stage will present “Over the River and Through the Woods” on Nov. 1-4 and 8-10. This show is a hilarious and touching look at how families influence our lives. Nick, a single guy from New Jersey, is offered his dream job. But he would have to move to Seattle. His grandparents can’t stand the thought of not having Nick around, so they plot ways to keep him in Jersey. The cast is made up of some familiar faces and a few new ones. It includes Lake Kiowa’s own Chuck Koval joined by Tom Chase, Sally Page, Craig Hertel, Terri Wilhite and Jessica Gawne. Directed by Craig Hertel, this production will tickle your funny bone and warm your heart.

Craig is known around these parts as the King of One-Act Play. We are lucky to have him and you can bet he will create an interesting version of this Butterfield favorite. Get your tickets early, you won’t want to miss this one! Tickets are on sale now. Tickets are $12 for adults and $8 for kids 14 and under.

Ticket information is available by calling (940) 668-3318 or www.normanshutters.com.

NCTC: BELLE ARTI!

Check out our Web site at www.nctc.edu/finearts.html. You will find in the middle of the page a calendar of “upcoming events” that is easy to access and read.

Our brand new dance program that we began last fall has doubled in size this year. On Nov. 4 in Gainesville, the NCTC Dancers will be performing with the Denton Community Band on several pieces. The Musique Macabre Concert in Gainesville Nov. 4 at 4:30 p.m. is one that you shouldn’t miss. Not only does the Denton Community Band sound fantastic, but the addition of the dancers in solo interpretations to pieces such as Dance Macabre, American Patrol, and The Theme from Superman Returns, will make this concert extra special and a joy to hear and see.

In addition, the dancers as well as NCTC Drama will be involved in several activities in the spring such as making an appearance at the Women’s Expo in Gainesville in February and appearing at Lavender Ridge Farms for their first annual Spring Festival. Stay tuned for more information about those events.

If you are interested in helping our dance program continue its growth and success, financial sponsorship through scholarship donations or through financial assistance to help with costumes are certainly always appreciated. Please contact Gabrielle Fletcher at (940) 668-3316 should you wish to donate. Any donation, no matter how small, can make a big difference to our students!

Gainesville and the surrounding area pitched in to help and our thanks go to everyone who had any part, small or large, in this year’s event. The communities have worked together and done so much to make this year’s event the most successful ever.

Rally Chair LaVona Duryea announced the dollar amount after the recent Rally Golf Tournament held at Lake Kiowa. Other members of the committee were Fran Adams, Maureen Anselmi, Elaine Blackwell, Regina Carnley, Marcia Hammond, Bari Hankins, Catharine Moss and RosaLeigh Wood.

One out of every eight women will be diagnosed with breast cancer in their lifetime!! A cause and cure MUST be found!! This disease affects not only the person, but also the family. Great strides have been made in treatment, but the cause or cure is still unknown. And don’t forget men can have breast cancer, too! The Susan G. Komen for the Cure® organization has worked for many, many years to bring about awareness and raise money for research and aid to people who encounter this disease.

The Susan G. Komen for the Cure® event began on Tuesday evening with a kick-off dinner sponsored by First State Bank. Karen Cook of the bank and invited guests dined on Beef Vinaigrette, Roasted Potatoes, and a variety of desserts. Door prizes were awarded after dinner to male attendees. Flames of recent brain surgery. We all pray for her speedy recovery.

The format was a ProAm and low-handicap Kiowa women golfers were the “pros.” The names of these “pros” were announced and each had a blind draw for her team. The 4-lady teams were handicapped equally, with the handicaps of the 27 “pros” ranging from 3 through 25. The teams were divided into three equal flights of nine teams each.

Lorene Nix and her team comprising Carrol Haywood, Regina Carnley, Dee Lee and Donna Dillard were low team for the field with a score of 63.

Carolyn Harper and her team of Beverly Berryman, Sue Sprenger, Debbie Beauchamp and Carolyn Akin placed first in A Flight with a score of 64. Second-place winners in A Flight were Donna Erwin and her teammates Ann LaRue, Kathy Reed, Peggy Padgham and Sharon Schmidt with a 65. Geneva Maddox and her team of Marchele Metcalfe, Inez Freeman, Carmella Brockette and LaNelle Little were close behind with a 66.

Susan Metzler and the team of Carole Clausing, Maxine Lane, Dorothy Shearer and Phyllis Garfalt took B Flight top honors with the score of 66. Reed Roth and the team of Judy Haubrich, Barbara Cole, Fran Faulkenbury, and Genny Koziel placed second with a 68. One stroke behind was Madonna Baker’s team of Merlene Miller, Jane Leatherman, Catharine Moss and Peggy Robins with a 69.

Lorene Nix’s first-place team (named above) was low for the field and first place in C Flight. Second place, one point behind, was Donna Schneider and teammates Linda Stroup, Helen Thomson, Audrene Robison and Jackie Schmaltz. Third place in the C Flight was headed by Sandra Essex as the “pro” along with Evelyn deLassus, Dorothy McAllister, Marcia Titus and Clara Lemminger with a score of 66.

Closest to the Line individual winners were: Hole #3 - Geneva Maddox, Toni Andrews and Phyllis Garfalt; Hole #6 - Elaine Blackwell, Mabel Samples and Dee Lee; and Hole #12 - Nancy Bryan, Kay Kane and Jackie Schmaltz. Carolyn Harper, Kay Kane and Margie Nash claimed longest drive honors. Winners’ prizes were Pro Shop certificates given by Miriam Hogan and John and Maureen Anselmi. Thank you so very much!

Rain had fallen during the night and early morning, but the sun came out and it turned into a beautiful fall day. Just three holes were cart path only due to the excellent care of the golf course by greens keeper David Long and his crew! Over one hundred signs decorating tee boxes were sold to recognize special people being honored. This was a moneymaking project for the tournament. The Rally Committee thanks all these contributors.

Players were dressed in beautiful new white golf shirts with the Rally logo in pink, a gift from Wayne and Dorothy Shearer. An anonymous donor gave each player a black zippered cooler bag with Rally for the Cure® printed in pink on the side. Thank you to both for your wonderful gifts!

“Goody Bags,” given to each player were stuffed full of gifts from area merchants and friends at Lake Kiowa. Even crackers and cookies were included in case anyone needed nourishment before a putt! A shiny new Mustang donated by Glenn Polk Autoplex was parked by #16. Any player lucky enough to have a hole-in-one there could win this vehicle.

Lake Kiowa golf professional Brown McCrory donated golf balls to all the ladies who hit the green on #16. The winners were too numerous to mention. Your help with the scorecards and posting of the winners was appreciated. Thank you, Brown! Big hugs go to the Lake Kiowa guys who provided liquid refreshments on #17 and #5. This was certainly needed and appreciated!

Lunch in the Lodge followed play. Decorated large pink shopping bags with a fresh daisy poking out of each, pink and white balloons, and pink vases filled with daises grazed the tables and the stage. Blank pink sacks had been sold earlier by three Lake Kiowa ladies and were decorated by Lake Kiowa members to honor any breast cancer person of their choosing. The originality was headed by Sandra Essex as the “pro” along with Evelyn deLassus, Dorothy McAllister, Marcia Titus and Clara Lemminger with a score of 66.

MALWARE—IS IT A THREAT TO YOUR COMPUTER?

Malware (for “malicious software”) is any program or file that is harmful to a computer user. Thus, malware includes computer viruses, worms, Trojan horses, and also spyware, programming that gathers information about a computer user without permission. [This definition is from www.SecuritySearch.com]

Malware is software designed to infiltrate or damage a computer system without the owner’s informed consent. It is a portmanteau of the words “malevolent” and “software.” The expression is a general term used by computer professionals to mean a variety of forms of hostile, intrusive, or annoying software or program code. Malware should not be confused with defective software, that is, software which has a legitimate purpose, but contains harmful bugs. However, many normal computer users are still unfamiliar with the term, and most never use it. Instead, “computer virus” is used in common parlance and often in the general media to describe all kinds of malware, though not all malware is a virus.

Software is considered malware based on the perceived intent of the creator rather than any particular features. It includes computer viruses, worms, Trojan horses, spyware, dishonest adware, and other malicious and unwanted software. In law, malware is sometimes used as a computer contaminant, for instance in the legal codes of California, West Virginia, and several other U.S. states.

Many early infectious programs were written as experiments or pranks. A slightly more hostile intent can be found in programs designed to vandalize or cause data loss. Many destroyed files on a hard disk, or corrupted the file system by rejunking disk data. However, since the rise of widespread broadband Internet access, more malicious software has been designed for a profit motive. For instance, since 2003, the majority of widespread viruses and worms have been designed to take control of users’ computers for black-market exploitation. Infected “zombie computers” are used to send e-mail spam, to host contraband data such as child pornography, or to engage in distributed denial-of-service attacks as a form of extortion.

Another strictly for-profit category of malware has emerged in spyware—programs designed to monitor users’ web browsing, display unsolicited advertisements, or redirect affiliate marketing revenues to the spyware creator. Spyware programs do not spread like viruses; they are generally installed by exploiting security holes or are packaged with user-installed software, such as Limewire. Since 2003 or so, spyware has been the most costly form of malware in terms of time and money spent in its removal.

The best-known types of malware (viruses and worms) are known for the manner in which they spread, rather than any other particular behavior. Originally, the term computer virus was used for a program which infected other executable software, while a worm transmitted itself over a network to infect other computers. More recently, the words are often used interchangeably.

Today, some draw the distinction between viruses and worms by saying that a virus requires user intervention to spread, whereas a worm spreads automatically. Using this distinction, infections transmitted by e-mail or Microsoft Word attachments, which rely on the recipient opening a file to infect the system, would be classified as viruses, not worms.

For a malicious program to accomplish its goals, it must be able to do so without being shut down, or deleted by the user or administrator of the computer it’s running on. Concealment can also help get the malware installed in the first place. By disguising a malicious program as something innocuous or desirable, users may be tempted to install it without knowing what it does.

During the 1980s and 1990s, it was usually taken for granted that malicious programs were created as a form of vandalism or prank. (Although some viruses were spread only to discourage users from illegal software exchange.) More recently, the greater share of malware programs have been written with a financial or profit motive in mind. It can be seen as the authors’ choice to monetize their control over infected systems: to turn that control into a source of revenue.

How do cookies differ from spyware? A cookie is just a bit of text in a file on your computer, containing a small amount of information that identifies you to a particular Web site, and whatever information that site wanted to retain about the user when they are visiting.

Cookies are a legitimate tool that many Web sites use to track visitor information. As an example, you might go to an online computer store and place an item in your basket, but decide not to buy it right away because you want to compare prices. The store can choose to put the information about what products you put into your basket in a cookie stored on your computer. This is an example of a good use of cookies to help the customer.

The only Web sites that are supposed to be able to retrieve the information stored in a cookie are the Web sites that wrote the information in that particular cookie. This should ensure your privacy by stopping anyone other than the site you are visiting from being able to read any cookies left by that site.

Unfortunately, some Web sites use cookies to capture user information. Some may deceive users or omit their policies. For example, they may track your Web surfing habits across many different Web sites without informing you, and then use this data to customize the advertisements you see on Web sites, etc., typically considered as an invasion of privacy.

It is difficult to identify this and other forms of “cookie abuse,” which makes it difficult to decide if, when, and how to block the tracking of your system. In addition, the acceptable level of shared information varies between users, so it is difficult to create an “anti-cookie” program to meet the needs of everyone.

How do you protect against infection? A virus scanner is the most common tool for prevention. This utility attempts to scan a computer program before it runs, and if it recognizes the signature of a malicious code, it shuts it down. Many scanners also evaluate programs to determine if it contains any virus-related characteristics.

The best way to stop viruses is to use common sense. If an executable computer program is attached to your e-mail and you are unsure of the source, then it should be deleted immediately. Do not download any applications or executable files from unknown sources, and be careful when trading files with other users.

You can use detection programs such as Ad Aware and others to find out if spyware is running on your computer. Similar to antivirus software, these programs compare a list of known spyware files with your computer and can remove any that it detects. But again, what some consider unacceptable is perfectly acceptable to others.

One of the biggest concerns for computer users today are viruses and spyware. In both cases, you can defend yourself against them easily enough with just a little bit of planning:

• Keep your computer’s software current.

The World’s Most Elegant Wood Fireplace... Is Also the World’s Most Efficient!

The Furnace That Looks Like a Fireplace

The Fireplace Xtrordinair is designed to maintain the aesthetic appeal of the fireplace while delivering up to 76,000 BTU’s/hour, through a decorative grill built into the face designed to simulate the look of your home decor. Other heat-reducing features include heat-storing brick, high-efficiency burners above the fire opening, sacrificing the traditional hearth.

The Fireplace Xtrordinair features sleek lines and large glass doors for an expansive view of the fire. Optional gold-plating on the face and door add a dramatic flair. "Web/Online Catalog" creates a uniquely beautiful, versatile look in a high BTU output fireplace.

patched and current. Both your operating system and your anti-virus application must be updated on a regular basis.

- Only download updates from reputable sources. For Windows operating systems, always go to http://update.microsoft.com/microsoftupdate/ and, for other software, always use the legitimate Web sites of the company or person who produces it.

- Always think before you install something, weigh the risks and benefits, and be aware of the fine print. Does the lengthy license agreement that you don’t want to read conceal a warning that you are about to install spyware?

- Install and use a firewall. If you are running Windows XP you can use the built-in software firewall under Control Panel, and there are free versions of firewalls that work on all versions of Windows.

- Prevention is always better than cure.

RALLY continued from page 9

of these sacks was incredible. The bags were displayed in the Lodge during October, which was Breast Cancer Awareness Month. The sacks were sold by Julia Mayo, Linda Moore and Jane Outlaw of the Kiowa Woman’s Club. These ladies also decorated the Lodge for this event. You did wonderful work!

Marion Hoeeflein and Noble Moss from Lake Kiowa Realty hosted lunch after golf play. The menu was Brûl Soup, Quiche Lorraine, Strawberry Spinach Salad with Walnuts and Raspberry Vinaigrette Dressing, and Hot Rolls. Anita Morris of the Backstage Café in Gainesville made and donated dessert cupcakes adorned with a pink ribbon. The Lodge donated chocolate cookies with pink M & M’s.

A pick-up breakfast included coffee by Starbucks of Gainesville, Yoplait yogurt provided by General Mills and apples provided by Marcia Hammond. Many thanks to all the food sponsors.

Following lunch, door prizes were awarded. A short talk by Lori Rayfield, a guest from the national Susan G. Komen for the Cure® Foundation, followed.

Lori then called the Rally Committee to the stage and presented Chair LaVon Duryea with a plaque from the Susan G. Komen Foundation. This was in thanks for the money that has been raised at Kiowa over the past 6 years. Thank you to all who have helped. The plaque will be on display in the 19th hole! Kiowa, be proud!!

Lori and her assistant Christine Kirkpatrick spent the day observing the Lake Kiowa tournament that has been so successful during the past 6 years. Lloyd Butts drove them around in a donated pink golf cart. Last year, Lake Kiowa was one of the top six money-raising tournaments in the U.S. from among the more than 3000 events held.

The Kiowa Rally added two new events this year. One was A Walk for the Cure, a challenge from 85-year-old Bob Moberly. Landmark Bank was the sponsor of this very successful fundraiser. The second was a Men’s Tournament that followed the Rally Tournament; this surely will become an annual event!

The dinner and lunch were outstanding and Lake Kiowa sends a big THANK YOU to all our food sponsors. Many thanks to go to our Lodge Manager Brett Wilson and Chef Jason Siebe and their wonderful wait staff and kitchen assistants.

After golf play on Wednesday, tournament winners were recognized, door prizes were distributed, and results of money-raising efforts for a beautiful quilt made by the Quilting Club at Kiowa were announced; we appreciate all your work in this endeavor.

Wine glasses and a decanter hand painted by Kaye Fikes and a wonderful day of beauty donated by Waterlily Spa in Gainesville were also presented. After a moment of silent prayer for Yolanda Arronte’ and a prayer for all who have ever had breast cancer, a beautiful pink rose donated by Kaden’s Flowers was presented to each of the 17 Lake Kiowa WGA Breast Cancer survivors.

A glass of champagne compliments the donated pink golf cart at the end of the day. The Rally Committee thanks all the residents of Lake Kiowa, Gainesville and the surrounding area who were so generous to help in this endeavor. The donated door prizes, monetary contributions, and support for this event were overwhelming! It could not have been accomplished without the combined efforts of all.

The Committee hopes you will patronize all the merchants who were so generous with their donations. They are listed on the Lake Kiowa Web site at www.lakekiowatx.com.

Our next OUTPOST sale has been re-scheduled for Saturday, Nov. 17 from 9 a.m. until 1 p.m. Stop in and check out our bargains on Christmas merchandise and household items.

The OUTPOST “THRIFT STORE,” a major fund-raiser for your Fire Department, accepts usable household items for resale at our monthly sale. All items must be clean and in working condition. We do not accept clothing, soiled or broken furniture, dirty non-working appliances, and by law, we cannot accept used plumbing fixtures such as toilets, sinks, faucets, etc. If you wish to donate and are unsure as to what is acceptable, please give us a call.

The OUTPOST “THRIFT STORE!” is located on CR 211 in Woodbine. Here are two of the easiest routes to take from the Main Entrance. Turn left on to FM 902 and go 2.4 miles. Turn left on to FM 3164, go 5 miles, turn left on CR 211, and we are the second driveway on the right. When turning right onto FM 902, go approximately 1 mile and take a right on CR 219. Continue 2.9 miles, turn right onto FM 678, and go 1 mile. Take a right on FM 3164, go about 0.1 mile, and turn right on CR 211. We are the second driveway on the right.

To donate items, call Dee at (940) 665-4046, Peggy at (940) 665-7977, or the fire station at (940) 665-9321. Be sure to leave your name and a brief message and we’ll return your call as soon as possible. If you prefer to drop off your donated items at the fire station, you must obtain authorization and directions as to where to place your items so as not impede Fire Department equipment. Remember that all donations to the OUTPOST “THRIFT STORE” are tax-deductible.

Due to the nature of services the Fire Department provides, it is sometimes difficult to adhere to a strict timetable so please be patient and we’ll pick up your donated items as soon as possible.

FOURTH ANNUAL SURPRISE HOME SANTA VISITS

On Friday, Saturday, and Sunday, Dec. 21-23 from 6 until 9:30 p.m., Santa will make surprise home visits to girls and boys at Lake Kiowa. Santa, accompanied by Chief Joe Rider, will arrive via the Lake Kiowa Volunteer Fire Department’s big shiny red fire engine.

To arrange a visit from Santa, contact Santa’s helper Judy Hunbrick at (940) 668-6956. Judy will take the necessary information and forward it to Santa. A minimal $10 tax-deductible donation per family to the Fire Department will help defray the cost of fuel for Santa’s “sleigh.”

Call early to reserve your day and time, as the schedule will fill up quickly. Don’t miss this opportunity to create a wonderful childhood memory.

Where everything is fresh...including our ancestors
It’s been an exciting month at the Lodge. Along with your support of our regular dining, we have hosted many groups and private parties. I’d like to thank Rusty Clark of Callisburg for choosing us to host his Teachers Appreciation event. I would also like to thank Pam Black of Angels Home Health Care for providing the community with various free health screenings. Thanks also to Gainesville classes of ’57 and ’67 for choosing the Lodge for your reunions.

Most importantly, I would like to congratulate the Rally for the Cure® group and thank them for letting us take care of them during their very special event. What a success!

The more groups we host, the more I realize how much this community has to offer. Bingo came to its seasonal end this last month. We look forward to it starting again. In the meantime, groups including, but not limited to, MGA, WGA, Poker Club, Bridge Club, Kiwanis as well as Couples Golf continue to make this community a special place and I would like to thank all of you for taking advantage of your Lodge and Tavern.

Our “busy” season is upon us and we look forward to hosting many large events. Let us know how we may serve you with your holiday party needs.

I would like to invite everyone to come in and give us a try. If there’s something you would like that isn’t on our menu, just ask. We will do our best to accommodate your needs. Don’t be afraid to stop in and say hello. It continues to be a pleasure meeting members on a daily basis.

KARAOKE RETURNS TO THE LODGE
B.B. Karaoke returns to the Lodge on Saturday, Nov. 3 and Friday, Nov. 16 from 7 to 9:30 p.m., in the 19th Hole. Come out and share your singing talents with your neighbors, or just come to listen and enjoy the evening.

Recently the Lake Kiowa Lodge was the site for the GHS Class of 1967 reunion. This event was a huge success and one of the main reasons was our current Lodge manager, Mr. Brett Wilson and Chef Jason. Mr. Wilson could not have been more helpful and accommodating and the food was excellent (and very reasonably priced). The dining room was also set up and decorated nicely and the service was very good. I have not had very much experience (and do not plan to get anymore) in coordinating such an event, but I appreciate all the time and effort Mr. Wilson provided during the past several months. Thanks for a job well done!

Sincerely,

Bill Turner

From the President …

What a wonderful October program! Penny Dupree gave us wonderful insight into Frances Hodgson Burnett, her very talented great-grandmother and author. I was glad I had viewed the movie, “The Secret Garden,” before the meeting but I am now anxious to read some of her other books. Also, Genevieve Avringer and her committee from Garden & Nature are commended for going above and beyond to match the room decorations so appropriately for the secret garden topic.

Sharon Chapman, our VP/Program Chair, has scheduled a North Texas artist, Donna Howell Sickle, for our Nov. 8 meeting. Her work is nationally known and respected and a book of her work was published. I hope you can come and enjoy her presentation, “Cowgirl Rising.” (See program change.)

Don’t forget to make your reservations for the luncheon by noon Monday, Nov. 5. For those that have permanent reservations, remember you need to cancel by that date as well.

Get your running shoes on! We are approaching the Holidays and it seems everyone has a special event happening. Make sure you check your yearbook, CommuniQué, Web site and entrance gate signs for dates of all the exciting events coming up.

One special event not to miss is the Front Gate Lighting Ceremony on Saturday, Nov. 24, where we will unveil the newest and final additions to the community Nativity scene. The Kiowa Woman’s Club, Anglers Club and Friends of the Lodge purchased three wise men this year. I want to say a special thank you to these two clubs for joining with us to complete our Nativity.

The Kiowa Cookbooks are still available and they make wonderful Christmas gifts. They sell for $15 and all proceeds go to the Rally for the Cure® 2008. They are available at the Fall Festival on Nov. 18, the POA office and at Kiowa Pharmacy.

In closing, let us all remember this is the month of “thanksgiving.” While we recognize and give thanks for what we have, let us also remember those less fortunate who struggle with loss, illness or poverty, and give where we can.

Happy Thanksgiving!

Upcoming KWC Programs

Meetings will be held 2nd Thursday at 10:30 a.m. in the Lake Kiowa Lodge

Due to a scheduling problem, Donna Howell-Sickle will be unavailable in November. However, we are so pleased that our own Lois Whitson will be presenting her program this month on the “Golden Gift of Gratitude.” Everyone has always enjoyed any program Lois presents, if you were waiting to hear her speak, don’t miss the November meeting.

Feb. 14: To be announced.

Apr. 10: “Shimmering Sunrises and Moonlight Sensations” - Fashion Show.

May 8: “Restoring Feminitea” - Susan Brown, sponsored by Bible Study.

November Bible Study will be held at 10 a.m. Tuesday, Nov. 27, at the home of Julia Mayo, 111 Pawnee Trail. We are continuing our study of the Book of Genesis. We cordially invite all newcomers to KWC and newcomers to Bible Study to be our special guests.

This will be our last meeting until January 2008, so please plan to come and receive a double blessing! Call or e-mail if you have questions. See you there!

Ayaan Hirsi Ali tells her life story in “The Infidel,” which is divided into two parts: “My Childhood,” and “My Freedom.” This memoir traces Ali’s life from her traditional Muslim upbringing in Somalia to her political awakening in Holland to her current life in the west. Miriam Beebe’s outstanding review of this book combined her own quiet dignity with a blazing passion as she delved into a difficult discussion of topics ranging from religious fanaticism, female genital mutilation, and political turmoil. Every woman in the room was riveted to Miriam’s accounts of Ali’s earliest experiences, her eventual escape from a life of subjugation, and her journey to activism. Thank you, Miriam, for this extraordinary morning. A special thank-you also goes to October’s hostess Margie Collinsworth for opening her lovely home to us, and to our co-hostesses Pat Martin and Nita Smith for furnishing those outstanding refreshments.

Mark your calendars now for our next meeting, which will be on Dec. 7 in the home of Linda Ford. Joann Gill will review Billie Letts’ “Honk and Holler Opening Soon.” It’s another book depicting the amazing triumph of the human spirit. You won’t want to miss it.

Audrene Robison called our October General Meeting to order at 1:20 p.m. After the Pledge of Allegiance, Audrene reported that we should all keep Yolanda Arronte in our prayers as she is back in the hospital.

Minutes from our last meeting are posted at the Pro Shop and the Treasurer’s Report and the 2008 proposed budget were on each table for review. The 2008 budget will be voted on at our next meeting.

Membership Report by Audrene is that with one new member, Jody Lacey, our total membership is now 244, with 169 eighteen-hole members and 75 nine-hole members.

The Birthday List was read and all were wished a Happy Birthday.

We again discussed the proposed by-law change under “Committees” in the Year Book:

“It shall be the duty of the Tournament Chairman to:

(a) Be in charge of all aspects of the Tournament.

Change to:

(a) Be in charge of all aspects of the Tournament;
(b) Increase in entry fees must be approved by the WGA Executive Board.”

This is a recommendation from the Executive Board. It was presented and discussed at the September meeting. By-Law changes require two readings before a vote.

Further discussion was that Peggy Coolidge feels the Tournament Chairman should have sole control over her tournament and Margie Nash agreed. The recommendation to change this by-law was tabled until our next meeting.

June Cloud reported on the Golf Girl Statue. She is 4’ 5” tall and the cost is $2,400. Judy Montgomery reported that Jim Williams will make sure the club she is holding will be firmly attached. Betty Becker made the motion to proceed after we have the POA approval. Evelyn deLassus seconded the motion. June said she checked about insuring the statues and J. B. Cole said it would be covered by the insurance in place by the POA.

The nominating committee for new officers was chosen: Executive Board members are Paulette Andrews and June Cloud. Peggy Coolidge, Regina Carnley, Sue Sprenger (18-Holes), and Sharon James (9-Holes) were nominated from the floor.

Audrene read the WGA Luncheon Procedure Change submitted by Nancy Bryan and Nita Templin. This would not take effect until January 1, 2008. It is recommended that we have a standing reservation, buffet lunches only. These would be paid by Lot # or Check and NO MORE ORDERING FROM THE MENU.

Margie Nash felt we could do away with the cloth tablecloths and dessert and maybe have a lower priced buffet. Nancy Bryan will check with the POA Lodge and Tavern person to see if this could be accomplished. No vote was taken; it has been tabled until next month.

The Workers Appreciation Chili Golf Tournament Luncheon is on Dec. 3. Judy Neal is the chair. Board members are required to help serve and provide the desserts.

Audrene announced the recommendation request the MGA has made to combine the mailing of the MGA and WGA membership dues by putting them in the December POA bill. Mary Pilfer suggested they be put in the CommuniQué and each person would then pay for the mailing back of said dues and there would be no cost to the MGA or WGA. This will be investigated and a report given next month.

Neta Stutzman and Genny Kozioł announced winners of the September playdays. Thirty players competed today in our Scramble. Winners were: First Place Gross (tie) - Mary Pilfer, Sue Sprenger, LaVona Duryea and Linda Slater. Also tied for First Place Gross - Madonna Baker, Inez Freeman, Jeannine Nieman and Audrene Robison. First Place Net - Connie Glover, Evelyn deLassus, JoAnne Prestage, Paulette Andrews and Monica Satterwhite. Second Place Net - Linda Stroup, Regina Carnley, Toni Andrews and Maxine Pattillo.

DID YOU KNOW . . .

What scores are acceptable for handicap posting purposes?

Almost all scores are acceptable because of the basic premise of the USGA Handicap System which states that every player will try to make the best score at each hole in every round, regardless of where the round is played, and that the player will post every acceptable round for peer review. Therefore, all of the following are acceptable scores:

- When at least seven holes are played (7-12 holes are posted as a 9-hole score; 13 or more are posted as an 18-hole score);
- Scores on all courses with a valid Course Rating and Slope Rating;
- Scores in all forms of competition: match play, stroke play, and team competitions where each player plays their own ball;
- Scores made under The Rules of Golf;
- Scores played under the local rule of “preferred lies”;
- Scores made in an area observing an active season.

Handicap Committee

Superintendent’s Report . . .

Cooler temperatures are here and it is very much welcomed. The tournament season is just about over and we are in the starting phase of our agronomical procedures for this time of the year. We have already started verticutting and overseeding the tee boxes with our rye mixture.

We will close #2 and #3 greens on Oct. 22 to re-seed and top dress them. They will be closed for about 10 to 14 days. Once the seed germinates and gets established, we will then open them.

As a reminder to everyone, we will be deep tine aerifying on Monday, Oct. 22. As you know, the greens will have sand on them to fill in the holes so your putts may be a little slower and bumpier.

Once again it is getting close to that time of the year that we close the course down to cart paths only. This year we will close it from January 7 to March 3, 2008. Of course, this means that, with the handicap flag, you may still drive on the course with the exception when we close it for all cart traffic.

Lake Kiowa Men’s Golf Association Board Meeting
October 10, 2007

Projects: Jim Williams requested that his project list on the Web site be updated to the September 5, 2007 version. There was much discussion concerning the creation of the practice area near the number 1 tee box. David Long was requested to develop a cost estimate for creating the practice area using MGA manpower resources. Now that cooler weather has arrived, we will schedule workdays on every Monday morning until further notice. Please remember these workdays are meant to tackle small cosmetic projects and not major work such as building cart paths.

Tournaments: Our Oct. 15 Saturday play format will be a Scramble, with a twist. See Web site for details. The Mini-Member-Guest is scheduled for Oct. 20 and 21.

Old Business: See “projects” regarding the warm up / practice area near number 1 tee.

New Business: A recommended candidate slate was discussed for 2008. This includes suggestions for president RJ Stroup, vice-president Bob Hey, treasurer John Wolek, tournament chairman Craig Lamkin, assistant tournament chairman Jim Hawkins, project chairman Jay Titus, assistant project chairman Jim Lewis, membership chairman John Beck, and public relations Izak Botha. It was discussed that the current MGA bylaws specify a two-year term and the board recommends increasing this to a three-year term. This will be open for discussion at the Oct. 13 general meeting.

Jim Williams opened discussion for adding some items to the project list. One area of discussion was to make number 7 more playable. We discussed moving the tee boxes back on number 7 to make it a par 5, or re-grading the landing area to make it more conducive to keeping the ball in play off the tee. Brown and David stated that the hole is not long enough to be a USGA certified par 5. Jim also requested moving or removing the mounds to the left of number 14, and completing the documentation of the sprinkler control system. David Long stated that, effective Oct. 22, deep aerification will be performed on all the greens. Holes 2 and 3 will be closed to play for approximately 10–14 days to re-seed the greens. David also reminded us that cart path only rules will be in effect from next Jan. 7 through Mar. 3. Respectfully submitted,

John Wolek

Leadership Lake Kiowa, a Kiowans program, began Oct. 5 with a record nineteen students in attendance. Kiowans President Jan Thies welcomed the group to this session, the first of four seven-hour classes.

During this first session, guest speakers covered the history of Lake Kiowa, how Lake Kiowa is governed under Texas law, the election process in our community, board member ethics, community assets and infrastructure, LKPOA accounting and auditing practices, demographics, and why new residents are attracted to this community.

The second seven-hour session will be Friday, Nov. 2 in the Southwest Room at the Lodge beginning at 9 a.m. The focus during this session will be an in-depth examination and detailed explanation of the LKPOA covenants, by-laws, and rules, followed by visit to the individual departments and offices.

Youth Action Club Fall Festival Update

Plans for the 2007 Youth Action Club Fall Festival scheduled for Sunday, Nov. 18 continue to evolve. Please check our ad for details on events and times.

Did you know that Lake Kiowa’s 40th birthday is upon us? Lake Kiowa POA was incorporated in 1967, and the land was purchased by 1968. Historically, the annual celebrations have occurred over Lake Kiowa “seasons,” such as the 25th anniversary, and this celebration will be no different. The ‘07-’08 Lake Kiowa birthday celebration will begin at the 2007 Fall Festival. We hope to have an exhibit, complete with a birthday cake, at the Pavilion that will include a DVD slide show of Lake Kiowa’s history. You can look forward to additional anniversary events in 2008, with the grand finale at the next 4th of July.

The Jr. Golf Youth Club members will have a smoker on board offering BBQ and hot dogs. We’re working on live entertainment for that extra special BBQ and hot dogs. We’re working on the next 4th of July events in 2008, with the grand finale at the Pavilion that will include a DVD slide show complete with a birthday cake, at the celebration will begin at the 2007 Fall Festival. We are gathering silent auction items, registering Bazaar booths, getting great pledges for scrumptious baked goods, making arrangements for the hayride, and getting excited! For you raffle lovers, we will have a 50/50! It takes many volunteers for a well-run celebration. If you’ve ever thought about giving the Youth Club some of your time, this is a good time to jump in! We have many more games for the Kid’s Carnival than we have game operators. This event will be from 2 until 4 p.m. on only the day of the Festival. We’ll have everything ready, just come help us provide a memorable time for the young kids.

Call Casey Brown at (940) 612-2326 to let her know you’ll be there. The Festival lasts from noon to 5:30 p.m. so there will be plenty of time for everything. Carol Hutchinson

Lake Kiowa Fishing Limits

Bob Luk, Fisheries Biologist and Lake Management Consultant, made the following fishing limit recommendations. These recommendations have been given careful consideration to keep a thriving ecological habitat for Lake Kiowa. The Angler and Conservation Club has fully endorsed the following fishing guidelines for Lake Kiowa:

- **Rainbow Trout**: 5 Per Day, Per Person
- **Black Bass**: Keep Black Bass between 10-13 inches; 5 Per Day, Per Person.
- **Crappie**: Keep over 10 inches; 10 Per Day, Per Person.
- **White Bass**: Otherwise known as Sand Bass. No Limit. Remove all you can.
- **Perch**: No Limit.
- **Channel Catfish**: Keep fish over 14 inches; No Limit.
- **Drum**: No Limit. Remove any caught from lake.
- **Carp**: No Limit. Remove any caught from lake.

**TROT AND JUG LINES ARE NOT PERMITTED**

Dock owners are encouraged to provide cover for the fish under your docks. Make sure the trees are securely anchored not to interfere with boat traffic. Feed the fish! Dry dog food or pellets especially made for the fish are readily available at feed stores. For questions, feel free to contact Mike Bitsche for specifics.

**RULES FOR LAKE BLACK BASS RECORD PROGRAM**

1. Black Bass must be caught from Lake Kiowa
2. Black Bass must be caught on artificial bait
3. Black Bass must be weighed on official LKACC scales
4. Black Bass must be measured by hard measuring rule
5. Black Bass must be photographed
6. Black Bass must be witnessed by at least one of the established members listed with security
7. Black Bass must be witnessed, released alive in Lake Kiowa or transferred to the ShareLunker Program

SECURITY REPORT
September 7—October 9, 2007

There has been a noticeable drop in activity levels since the end of summer, as one might expect. However, stray animal and varmint calls, it seems, will always be with us. During this past month, Animal Control Officers attempted to collar 17 stray dogs, 1 stray cat and 2 stray horses. Two snakes were destroyed and coyotes were chased out of the Campground area. There were also two barking dog complaints. Two dogs were transported to Noah’s Ark Shelter in Gainesville after being held the requisite 3 days. Security patrol stopped seven motorists for speeding. Six motorists sought Security assistance for various vehicle problems and three auto accidents were investigated.

Cooke County sheriff’s deputies were called upon to investigate an auto accident on October 15. Deputies also attended to various incidents involving watercraft. Security Department issued 18 citations during this reporting period, including two for leash law violations, two for illegal parking of watercraft at POA docks and one for speeding. Guardhouse personnel prepared emergency run sheets for 25 LKVFD calls. Security patrol escorted ambulances to residences within Lake Kiowa on 11 occasions.

PUBLIC WORKS REPORT:

Public Works would like to remind everyone of the FALL CLEAN UP that will be held Oct. 18 through 21. The collection site will be at the campground as in the past. The clean up is for property owners to clean up their property; construction materials from contractors along with hazardous materials will not be accepted. This includes chemicals, batteries, paint, and appliances with Freon and others gases in them.

Mowing along with other parks and drainage clean up continues to be addressed.

PARKS AND LAKE

Bids and revision of bids for projects at the East Beach area continue. Different types of pavilions, final bathroom remodeling revisions, and discussion of the exact type of parking lot continues. The lake has slowly receded to an elevation of 699.1 from a full lake pool of 700.00 elevation.

ROADS AND BRIDGES

Bids have been received and opened for the paving project. Bresk Paving of Rounoke, Texas was awarded the bid for the Lake Kiowa paving project that includes the paving of part of Navajo Street, Seminole Drive, several parking lots, and approximately 16 road patches and failed areas. Construction is expected to start within the next two to three weeks.

Number one water crossing has metal culvert failure. This will require that the road at that point be closed during replacement construction. The new design will allow more water to flow through the crossing, which should decrease the flooding over the roadway during times of heavy rains. The bridge study has been completed and will be reviewed by the board of directors for any changes needed in the weight limits on the bridge.

Don Hoover, Manager

Each member of our community has a vested interest in the governance of our community. The preservation of our LKPOA common assets/amenities as well as self-interest in the protection of his or her individual property values. Nothing can impact these interests more than the decisions that are made or not made by your LKPOA Board of Directors. You cannot afford to be apathetic about board service and/or the nomination and election process.

Please do not be indifferent to this process. A nomination form will be in your statement this month and is also printed in this issue. You may nominate yourself or another member, and you may remain anonymous if you choose. The form may be returned to the POA office or to any member of the nominating committee. Additionally, you are encouraged to phone any member of the nominating committee to discuss potential nominees or particulars of the nomination and election process. Your input is important; your service is invaluable. Thank You!

VESTED INTERESTS

The following items will be accepted for publication: Events and information about Kiowa organizations that are open to all residents; events in our surrounding communities when Kiowa residents may be involved in them; and items of personal nature that reflect on the generous character of our residents or a milestone in their lives.

A Letter to the Editor should be less than 350 words in length and will be accepted if it presents a thoughtful and constructive view to an issue that may be controversial within our community. It may be reviewed and verified for factual accuracy by the appropriate authority. The factual clarification will be published along with the letter. The letter should be typed or in legible handwriting, signed by a verifiable resident, and will be published unedited with misspellings indicated when necessary. If handwriting cannot be easily read, it cannot be used. The CommuniQue will not be responsible for misreading a handwritten word. A letter may be refused publication if space is limited. Several letters are received expressing the same view; one may be chosen for publication. Letters containing personal attacks, self-promotion, or advertising will not be published. Letters to the Editor do not necessarily reflect the view of this newspaper or its advertisers.

has a concern that they could be hit by cars backing out of parking lot as now desired. Don Hoover and Jim Stilwell replied they could work with community on East Beach parking.

Marge Tittsworth, lot 896 asked could we get the signs to remove trucks off the corner at San Chez. They are taking a short cut between the trees and her bushes. Jim Stilwell suggested more reflective markings or tape.

Don Hoover, lot 380 asked who is responsible to keep Little Fox Pond pretty and what about the broken cart path and leak. Don Hoover replies there is a leak and they will have to work the drainage problem.

Kathie Milburn, lot 987, spoke as President of Kiowa Woman’s Club and stated Garden and Nature club has just put together a committee to keep up the flowerbeds at Little Fox Pond.

Lucille Crow, lot 1740, wanted to know when the trash would be picked up beside her house. Don Hoover reported it would be done tomorrow. It was completed as requested.

Bill Dalton, lot 1513 asked about smoothing out the bridge between 3 and 4. David Long to look at area tomorrow.

Wayne Shearer, lot 742 commented that WGA and MGA had pulled goose grass on #1, 2 and 3 and #1 seems to be on needing more work on the ski in/out area and skier are speeding through. Jim Stilwell commented he would have to look at area and referred to 1986 court case involving ski in/out areas.

Greg Miserak, lot 1334, commented on needing more work on the ski in/out and no wake in coves.

Randy Schilts, lot 759 thanked us for their furry boats in Big Chief cove; they have worked.

Izak Botha, lot 678 commented that it is impossible to read all the messages on the front gate board. Justin McMurty, Chair of the Communications Committee, reported that Jerry Parr is putting together some guidelines to take to the LKPOA Board about posted messages.

Jan Thies, lot 1011 reported that the Kiowans are sponsoring our Commissioner, Steve Key at the Lodge tonight at 7 p.m. There will be lessons at the Disc Golf course this coming weekend from 8am – 11 a.m. They will have discs for sale.

Leadership Kiowa begins October 5 and are currently 15 enrollees.

Bob Kalina thanked Jan and the Kiowans for getting Steve Key to come and speak. This is the first time a commissioner has been here.

ADJOURN: President Padgham thanked everyone for coming and invited them to stay for the rest of the open meeting in the Southwest Room. The meeting recessed at 8:07 p.m. and reconvened at 8:15 p.m.

UNFINISHED BUSINESS: There was discussion and explanation from Jim Stilwell about the Employee Relief Fund. It is surplus donated funds from the flood. The account would be set up at the 1st State Bank with two-person signature required. The employees would manage the fund and people would make application for grants/loans. Wayne Shearer made a motion to approve the fund. Bob Wickersham seconded the motion. All were in favor. There was discussion about Golf Course Access, specifically the area by the putting and chipping area. After much discussion and explanation Lee Skinner made the motion in accordance with notice given in the call of the meeting I move to rescind the previous action to consider south lot line property adjacent to the practice green to be golf course access allowing a ten (10) foot set back referencing lot 1056/1057. John Davis seconded the motion. All were in favor. President Padgham will notify the owners of lot 1056/1057.

EXECUTIVE SESSION: Kathy Reed made a motion to enter executive session at 7:50 p.m. Cathy Reed seconded the motion. All were in favor. Bill Dalton moved to reconvene at 7:59 p.m. John Davis seconded the motion. All were in favor. Linda Moore opposed.

Jim Stilwell rejoined the meeting and elected to be terminated rather than resign. He turned in two keys. The decision was made to meet him at the POA office at 9 a.m. Tuesday morning to download and transfer computer files and data.

Bob Wickersham made the motion to adjourn the meeting at 7:50 p.m. Cathy Reed seconded the motion. All were in favor. The meeting adjourned.

Called Special Board Workshop Tuesday, September 25, 2007

CALL TO ORDER: President Peggy Padgham called the meeting to order at 6:33 p.m. in the Southwest Room of the Lodge. All members were present.

President Padgham stated that our employment agreement with Jim Stilwell stated severance shall be paid in a lump sum unless otherwise agreed to by the Board of Directors. John Davis made the motion that we allow Jim Stilwell’s severance be paid weekly for the period beginning September 27, 2007 and ending December 31, 2007. Bob Bingham seconded the motion. The motion carried unanimously.

Street Paving Bids: President Padgham stated we had received three (3) sealed bids for the street paving/repair project. The following bids were won:

1. Calvert Paving Corp., PO Box 268, Denton, Texas, Reconstruction $123,760.00; Parking Lot $97,120.00; Road Repair $8,750.00 TOTAL: $229,630.00
2. Rushing Paving Co., P.O. Box 365, Denison, Texas Reconstruction $120,120.00; Parking Lot $91,050.00; Road Repair $12,250.00 TOTAL: $223,420.00
3. Brock Paving, 845 Enterprise Suite 4B, Southlake, Texas Reconstruction $121,940.00; Parking Lot $84,373.00; Road Repair $7,525.00 TOTAL: $213,838.00

Bids for the street paving/repair project. The motion carried unanimously.

Discussion points that were covered: each has 40 days for completion. Calvert did our last work. Bob Bingham made the motion that we accept the bid from Brock out of Southlake with the funding coming from ARRF. Bill Dalton seconded the motion. The motion carried unanimously. A complete review will be done to ensure all requirements are met.

Fall Cleanup Date: President Padgham brought up that it is time to set the date
for the fall cleanup so we can get the containers reserved and publicize the dates. There was discussion as to why we cannot do this and the location of the containers and the eyesore that is created by abuse.

Bob Wickersham made the motion to set October 15th through October 21st as Fall Cleanup Days. Wayne Shearer seconded the motion. We voted to accept the motion, the committee, at 7:1 Lee Skinner opposed.

We then voted on Bob Wickersham’s amended motion to have Fall Cleanup Days Thursday – Sunday October 18th through October 21st. The motion carried 7 to 1 Lee Skinner opposed.

Fall Cleanup Days set for Thursday – Sunday October 18th through October 21st.

Lake Weed Clean-Up: Don Hoover had asked Bob Wickersham to visit with him about the weeds to be cut around the lake. President Padgham asked Bob Wickersham and Jerry Slater to work with Don on this issue.

Interim Manager: President Padgham addressed the audience about the process the Board uses. She explained that no search committee would be put together for a new community manager and that all personnel discussion takes place in executive session.

The audience brought forth Lloyd Butts’ name as Community Manager. President Padgham explained that all candidates have to apply for the position. She advised the audience that the Board would take their comments under advisement.

Executive Session: Lee Skinner made the motion to enter executive session at 7:13 p.m. Bob Wickersham seconded the motion. The motion carried unanimously. The Board entered executive session at 7:17 p.m. Kathy Reed made the motion to exit executive session. Bob Wickersham seconded the motion.

The motion carried unanimously. The Board exited executive session at 8:07 p.m.

Adjourn: Bob Wickersham made the motion to adjourn. Wayne Shearer seconded the motion. The motion carried unanimously. The meeting adjourned at 8:08 p.m. Respectfully submitted, Linda Moore

Lake Kiowa Property Owners Association

MINUTES OF THE BOARD MEETING
KIOWA HOMEOWNERS WATER SUPPLY CORPORATION
WEDNESDAY, SEPTEMBER 12, 2007

INVOCATION: J.A. Samples opened the meeting with a word of prayer. The meeting was called to order at 9:08 a.m. by President Brent Reed.

ELECTION OF QUORUM: All were present, with the exception of A1. 

APPROVAL OF THE MINUTES OF THE AUGUST 8TH, 2007 MEETING: The minutes of the Aug. 8 meeting were approved on a motion by Don Howeth and second by Jan Thies. All were in favor

MANAGER’S REPORT: Ronny reported the installation of two new taps; one on lot 1767 to Richard Gallifford. Due to many broken taps, Robert had 26.5 hours of overtime and Gary had 26 hours. Rodney Brown had an accident on the job, which required surgery on his ankle and foot that will keep him out of work for a period of time.

At the Fall Meeting, a list of multiple damages was presented, and one item was related to lightning damages. The largest item was the SCADA system. We have $15,000 deductible.

Sherry Brummett will attend a hearing for Ground Water Management on Oct. 23. It is his opinion that we need to form our own district or we will be placed in one by the Board.

Ron Sellman has been given the nomination to the Nominating Committee. J.A. Samples seconded the motion.

Due to many broken taps, Robert had 26.5 hours of overtime and Gary had 26 hours. Rodney Brown had an accident on the job, which required surgery on his ankle and foot that will keep him out of work for a period of time. Ronny submitted to the insurance company for $49,203.37 in damages. The largest item was the SCADA system. We have $15,000 deductible.

Sherry Brummett will attend a hearing for Ground Water Management on Oct. 23. It is his opinion that we need to form our own district or we will be placed in one by the Board.
