Construction Projects Make Good Progress Through Winter Months

Work continues apace on our construction projects. A concrete retaining wall now is in place at low water crossing #2, with a concrete apron being poured and a dirt berm being installed. The latter will be covered with rip-rap to prevent erosion. This project is a prime example of your Asset Replacement Reserve Fund (ARRF) monies at work.

At the East Beach, the metal roof over the Pavilion now is in place, and much has been accomplished on restroom renovation. Most of the exterior work is completed, and plumbing to be done. Money from the Capital Asset Requisition Fund (CARF) is at play here.

You can follow the great progress being made on these projects by comparing these photos with those in last month’s issue and, later on, with photos to be published at project completion.

Left and below) #2 water crossing needed repairs and reconstruction.
(Right) East Beach improvements include restroom renovation and covered Pavilion.

Board Notes February...

Here’s a great big THANK YOU to Bill Burhans and Carole Clausing for having the foresight to save some space on the front page of the February Communique just in case a new community manager was named! With that, they were able to publish Randy Schultz’s picture and introduction almost as fast as the Board made the decision and Randy accepted. Great job!

A reminder for those of you who live on the lake and have boats: rule 4.3.4h became effective 1/1/2008 and states: “Article 4 Rules: 4.3.4.h

Dock and Floating Equipment Numbering

On or before January 1, 2008 owners and users of docks in Lake Kiowa shall identify their dock(s) by permanently affixing the lot number thereto, in numbers at least three (3) inches high, visible towards the lake. It is recommended that owners also identify dock and deck furniture, equipment, etc. in a similar manner.

And since we are talking about rules: a new speed limit sign has been posted in the 400 block of Kiowa West at the sharp turn by Cocopa. The speed limit is now 20 miles an hour and will be enforced. This is a very sharp curve and speeders are causing other people to run off the road at this point and at other curves around the lake. Look for comments from our new community manager on page 3.

While we were doing the search for a new community manager, we came across some very good information on communities. We’ve all heard it takes a village to raise a child. Well, it takes a TEAM to have an effective community; we all make up that team. The Community Manager and community leaders have responsibilities to make our community the best.

Guess what, homeowners also have responsibilities. As a reminder, here they are:
1. Read and comply with the governing documents of the community.
2. Maintain their property according to established standards.
3. Treat association leaders honestly and with respect.
4. Vote in community elections and on other issues.
5. Pay association assessments and charges on time.
6. Contact association leaders or managers, if necessary, to discuss financial obligations and alternative payment arrangements.
7. Request reconsideration of material decisions that personally affect them.
8. Provide current contact information to association leaders or managers to help ensure they receive information from the community.
9. Ensure that those who reside on their property (e.g., tenants, relatives, and friends) adhere to all rules and regulations.

Great news from the Lodge: a new menu went into effect the last week of February and looks yummy. I know you will want to go and try it out. In case you haven’t heard, the food and service at the Lodge are great. Chef Craig is really doing well!

As a last reminder, the LKPOA Annual Meeting is Saturday, Mar. 8 at 7 p.m. at the Lodge. See ya there.

Linda Moore

Servicing: Texoma, Palestine, Lewisville, Murray, Ray Roberts
Community Manager’s Report

This has certainly been a month of firsts! February started with my first day at a new job, following with my first article in the LKPOA E-Mail Newsletter, and now my first article in the CommuniQué. Unfortunately it has to be on a topic that causes anger among most residents, and disregard by others.

A disregard for the rules and regulations established for the safety and security of the Lake Kiowa homeowners has become pervasive. Speeding, reckless driving, (4.3.2a, 4.3.2b, 4.3.2c) and pet leash rules, (4.3.1f) are being ignored or disregarded. This month a driver was stopped for speeding. When the officer approached the driver, she said that he “wasn’t a real cop” and drove off. The driver was a guest, eventually identified and a citation was issued to the property owner; however, it illustrates the lack of concern by the driver, which is disturbing. By the middle of the month we have already seen three traffic accidents where vehicles have left the roadway causing significant property and vehicle damage.

Last year a resident was nearly hit by a car as he was walking his dog on a leash. The driver failed to negotiate the corner and ran off the road into the bar ditch. The resident’s dog wasn’t so lucky, sustaining severe injuries. Another resident was taking her morning walk when a property owner’s dog ran across the street charging the resident, growling and showing his canines.

I have always been an advocate of penalizing behaviors that need to be changed and rewarding behaviors that support a desired outcome. With that said, over the next several weeks the Board and I will be meeting to discuss what actions can, and will be taken to slow down the traffic, and rein in the loose pets in Lake Kiowa.

I can share with you that nothing will be left off the table in finding a solution to these problems. Some may be controversial and potentially costly. Therefore I strongly suggest that all Lake Kiowa residents attend the upcoming Board meetings so that your thoughts and ideas can be part of the solution in solving these problems. If you can’t attend, please an e-mail to Community.Manager@lkpoa.org or call me with your ideas on what you think can be done to solve these issues.

It’s my goal to attend as many organizational meetings that I can, and to stay out in the community so that I can meet all of you and listen to your thoughts and concerns. I appreciate all of the interest and suggestions I have received so far and I look forward to hearing all of your ideas on what we can do to keep Lake Kiowa a special place.

Thanks,
Randy Schmaltz

ATTRACT MORE FISH TO YOUR DOCK

(940) 668-2573
Come see us just west of Lindsay on Hwy 82.
www.honeyholetree.com

The Honey Hole Tree is an innovative new idea created right here in Gainesville, Texas. Brad Metzler, the owner of Pond King Inc., has been working on perfecting an artificial fish habitat for the past five years. After many field trials and experimenting with several configurations the Honey Hole Tree was born. You won’t find another product on the market with the unique design features found in the Honey Hole Tree. Your satisfaction is guaranteed.

- Poly cone with over 260’ of polyethylene tubing.
- Fish through without worry of snagging limbs.
- Never needs to be replaced - will not rot.
- Provides a large 6’ tall x 7’ wide area of cover.
- Includes sufficient weights for most locations.
- Can easily be suspended at any depth.
- Lightweight and easy to assemble.
- Gamefish find & hold on structure immediately.

Call about special pricing for all Lake Kiowa residents.

Why is Executive Director Sherry Little of Home Hospice of Cooke County smiling so big? Could it be that she is thrilled to accept the large check that Auxiliary Treasurer Jean Hamer is handing her?

The generosity of the caring people in Cooke County and other loving Home Hospice Supporters made the 2007 “Light Up A Life Campaign” the most successful in the last 20 years. Money that was given is used directly for patient services. Home Hospice is a United Way Agency.

**KIOWA KARES...**

Walt and I want to thank our Lake Kiowa Family for all of the prayers, cards, phone calls and food, during our recent hospitalizations. We especially want to thank Sue’s “Ya Ya Sisters” Peggy Robins, Peggy Coolidge, Molly Worthen, Pat Morgan (and Richard), that are always there for us.

Thanks so much to Joe Rider and the paramedics who were summoned to our home twice in one week. They were great!

We are so lucky to live in the “Best place on Earth.” Thank you Lake Kiowa. God bless you all.

Walt and Sue Sprenger

Dear Kiowans,

Thank you for your expressions of concern these past several months. The cards, food and phone calls brought sunshine to our cloudy days! We are glad to be part of this caring community.

Bob and Mary Bingham

Thanks to everyone for the prayers, cards, beautiful flowers and plants, delicious food, memorial donations and visits. Your presence at the service truly touched our hearts. Love and blessings to all of you.

Sam and Mary Pliler

**LOST CAPE**

Would the person who took the white cape from the Southwest Room closet at the Lodge please bring it back?

A young lady gave the cape to the bridge players who meet on Thursdays to use and to leave there for the next sessions of bridge.

Thank you!

Ruth Kurtz

MAXINE LANE ENDOWED SCHOLARSHIP

A Lake Kiowa resident said her personal recent efforts to give back to her alma mater should not be the subject of this story.

“I can brag about my college all day, but I can’t brag about me much,” said a humble Maxine Lane, a 20-year resident of Lake Kiowa.

Lane, who worked for the Monmouth County, N.J., Welfare Board before enrolling in Kean University in Union, N.J. (about 30 minutes from New York City) said she wanted to reward her university and help students of all ages get the same chance she did in her middle age. She was 50 when she enrolled at the university and had two adopted teenagers at home.

She had nothing but praise for the university, which she said honed a talent of which she was largely unaware until her fifties. So she established the Maxine Lane Endowed Scholarship in 2005, which grants a student with proven financial difficulties in the human health or education fields an opportunity to take classes.

“I never anticipated when I began the scholarship that I would get that much recognition there,” Lane said, who was recently recognized in the alumni magazine of the college, with a student population of about 13,000.

Lane, now 82, was working for the welfare board in New Jersey as an administrative assistant when it became obvious she was a better counselor than a paper pusher.

She graduated with a bachelor’s degree in social work with a specialization in aiding families with dependent children.

After graduating from Kean, Lane went to the University of Texas at Dallas and majored in interdisciplinary studies when her husband Jack transferred within the Exxon Mobil Corporation to Texas. They liked Texas so much they stayed—now living in Lake Kiowa—though they have traveled to 49 of the 50 states.

“Cooke County is the most friendly and beautiful place I could live in here in Texas,” Lane said, adding they came to Kiowa after moving from Flower Mound in 1987.

She said her hobbies today include playing golf and being with her husband of 57 years. The couple attends Lake Kiowa Chapel services on Sundays and has many friends at Lake Kiowa. They have three grandchildren.

(Adapted from Gainesville Daily Register)
The Lake Kiowa Computer Club held its first meeting of the year Jan. 10 at the Lodge, with newly elected president Fred Bradley in charge. This year’s VP Jim Mullen conducted the first two programs, both on Excel, demonstrating what an interesting program it is.

While the meeting of Feb 14 was cancelled because of the Valentine’s Day conflict, the program on Feb. 28 will address digital photography. This presentation will begin somewhat basic, concerning items to consider when purchasing a digital camera, ways to take better photos and useful programs that will increase user enjoyment.

Visitors are welcome at the meetings, which are held the second and fourth Thursdays of the month at 7 p.m. in the Lodge Great Room.

Christy McKenzie

Couples Bridge

The last Couples Bridge meeting took place at 6:30 p.m. Feb. 9 with 12 in attendance. That is our regular time to meet—the second Saturday—from 6:30 until 9 p.m.

The word “couples” may be a misnomer, as our membership at Lake Kiowa does not always mean a man and wife. We therefore welcome two people as a couple in Bridge. The couple will play together the entire evening, and may move or stay at the same table.

Our winners were as follows: First - Allene Johnson and Jeanie Foster; Second - Denny and Carolyn Hook; Third - Steve and Terry Johnson; Fourth - Charlie and Bill Hagood. However, we all had a good time.

Anyone interested in playing Bridge please contact me prior to Mar. 8 so proper arrangements can be made regarding the number of tables. If you are looking for a partner, we are very willing to help you find one.

Bill Hoagland (940) 665-8426 or bhoagland@ntin.net.

Christy McKenzie

Lake Kiowa Duplicate Bridge

The Lake Kiowa Duplicate Bridge Club is alive and well, still meeting each Monday at 12:30 p.m. at the Lodge. During the first two months this year attendance has improved slightly to seven or eight tables. Interestingly Ruth Kurtz, one of our old pros, has been winning each week, and with different partners.

Weekly results are published on the Lake Kiowa Web site under Lodge and Tavern, where anyone can enter and read the entries. Participation by both Gainesville and Sherman bridge players has been good, and is highly appreciated.

This is a sanctioned game, meaning that ACBL masterpoints are awarded to the high finishers each week. It does not, however, mean that only ACBL members are welcome. All players are welcome—bring a partner and $3 for the fun. See you soon.

Christy McKenzie
Gainesville Christian Women Connection

Gainesville Christian Women Connection’s March Luncheon will be held Thursday, Mar. 27, at 401 W. Garnett, Gainesville. Event time is 11 a.m. to 1 p.m. and the cost is $10 (inclusive).

Nancy Mountcastle and other members of the leadership team will present our program, Treasures of the Heart. The Women’s Chorus will serenade us with Irish tunes, and... Our keynote speaker will be Sandra Dean of Denison, Texas. Sandra, a former dental hygienist, will explain how she needed a spiritual cleaning and check-up—from a dreaded to a divine appointment. Don’t miss what this attractive, articulate speaker says about Missing Heaven by 18 Inches.

Are you new to our area and looking for friends? Then join us for this special occasion. You will be welcomed with open arms. For reservations, call Judy at (940) 612-3130 by Monday, Mar. 24.

**World Day of Prayer**

World Day of Prayer is an annual event hosted by Church Women United of Cooke County. CWU is an ecumenical group of women sharing in the spiritual needs of prayer, understanding and action throughout our community and the world. The event will be held Friday, Mar. 7 at 9:30 a.m. at St. Paul’s Episcopal Church, 411 E. California, in Gainesville. The women of First United Methodist Church will bring the program “God’s Wisdom Provides New Understanding.” Everyone is invited to attend.

**WORLD DAY OF PRAYER – WHO WE ARE – AN ECUMENICAL MOVEMENT OF INFORMED PRAYER AND PRAYERFUL ACTION**

World Day of Prayer is a worldwide movement of Christian women of many traditions who come together to observe a common day of prayer each year, and who, in many countries, have a continuing relationship in prayer and service.

- It is a movement initiated and carried on by women in more than 170 countries and regions.
- It is a movement symbolized by an annual day of celebration—the first Friday of March—to which all people are welcome.
- It is a movement that brings together women of various races, cultures and traditions in closer fellowship, understanding and action throughout the year.
- Through World Day of Prayer, women around the world:
  - affirm their faith in Jesus Christ;
  - share their hopes and fears, their joys and sorrows, their opportunities and needs.
- Through World Day of Prayer, women are encouraged to:
  - become aware of the whole world and no longer live in isolation;
  - be enriched by the faith experience of Christians of other countries and cultures;
  - take up the burdens of other people and pray with and for them;
  - become aware of their talents and use them in the service of society.
- Through World Day of Prayer, women affirm that prayer and action are inseparable and that both have immeasurable influence in the world.

Plan to attend the Easter Sunrise Service in the Pavilion at the West Beach on Easter Sunday, March 23. This is always an inspiring Easter Service with the Chapel Choir presenting a very special musical performance.

V.I.S.T.O. (Volunteers In Service To Others) was the big winner in the Souper Bowl. $$$$ and lots of “soup” were contributed on Super Bowl Sunday for the hungry children of Cooke County. These contributions will go a long way in feeding these kids.

The Chapel Quarterly Business Meeting and potluck dinner will take place in the Lodge on March 10. Bring a dish and your utensils at 6:15 p.m. This is a wonderful opportunity to share good food, good fellowship, and learn about the good things your Chapel contributions do in our surrounding communities.

Chapel services are regularly scheduled at 8 a.m. every Sunday in the Lodge Assembly Room. Rev. John Hare and Rev. J. L. Williams are the pastors delivering their messages on alternate Sunday mornings. However in March they have rearranged their scheduled Sundays and will serve us as follows: Rev. John Hare’s message on March 2 will be “The Thorns of Lent - Rejections” with text from Luke 13:1-35. On March 9 his message will be “The Thorns of Lent – Hypocrisy” with text from Luke 13:10-17. March 16 his message will be entitled “The Thorns of Lent – Possessions” with text from Luke 18:18-34.

Easter Sunday’s Sunrise Service will hear Rev. J. L. Williams’ message “That Great Getting Up Morning” with selections from I Corinthians 15.

The following Sunday, March 30, Rev. Williams will conduct the communion service with his message entitled, “The Cleansing Power of Symbols” with text from I Corinthians 11:23-33.

The Lake Kiowa Chapel meets regularly every Sunday morning from 8 to 8:30 a.m. in the Lodge. All residents and guests are welcome. This is an interdenominational service that may precede your regular church service or a round of golf. Casual dress is always welcome. Please come and share this time with your friends and neighbors on Sunday morning at 8 a.m.

Carole Clausing

**Lake Kiowa Store**

940-665-2558

**Under New Ownership**

Expanded Menu, Groceries and more to come!

- DELI IS OPEN FOR BREAKFAST AND LUNCH
- FRESH MADE PIZZA AFTER 2 PM
- DAILY LUNCH SPECIALS
- BREAKFAST PLATES AND BREAKFAST SANDWICHES
- HOT GRAB AND GO BREAKFAST AND LUNCH CHOICES

**HAVE YOU HAD A MONSTER KIOWA BREAKFAST SANDWICH? HOW ABOUT A MINI-MONSTER BREAKFAST SANDWICH?**

We will soon begin to carry more...

- grocery items • fresh produce • meats • dairy products and more.

If we had a grocery delivery service, would you be a customer?

If we had a drop-off and pick-up dry cleaning service, would you be a customer?

WE WOULD LOVE TO HEAR YOUR SUGGESTIONS ON WHAT TO CARRY IN THE STORE AND ON THE MENU!
NCTC ISSUES CALL FOR ENTRIES IN
CREATIVE WRITING CONTESTS

GAINESVILLE, TEXAS – The literary magazine of North Central Texas College, The April Perennial, is seeking amateur writers who would like to submit their work for the annual Creative Writing Contests, according to editor-in-chief William Hood of the NCTC English faculty.

The NCTC English, Speech and Foreign Language Department sponsors the Creative Writing Contests, which are open to amateur writers in Texas or Oklahoma who would like to submit entries for this year’s contests.

The competition, which usually draws 400 to 500 entries, comprises four main divisions, with subcategories for poetry, short stories and essays. Writers may submit one entry in each category for which they are eligible.

The deadline for submitting entries in all categories and divisions is noon on March 10.

Middle-school students in grades 6, 7 and 8 may submit entries to the Jerry Simpson Memorial Poetry and Short Story Contests, while high-school students in grades 9, 10, 11 and 12 may enter their work in the Brad Dill Memorial Poetry and Short Story Contests.

The Regional Creative Writing Contest for poetry and short fiction is open to all non-student amateur writers residing in Texas or Oklahoma.

Contests for NCTC students include the Jack Joyce Memorial Essay Contest, the Ila Joyce Poetry Contest and the Gerald McDaniel Memorial Short Story Contest.

Handouts detailing the guidelines and format requirements for each contest will be available in the libraries on all NCTC campuses.

The competition, Hood noted, will feature both expert judges and cash prizes for first, second and third place in each division. Winners will be honored during a special awards ceremony at 11 a.m. on Apr. 25, in the NCTC Little Theater. Copies of the 2008 edition of The April Perennial, which features winning entries from last year, will also be distributed at the awards ceremony.

Entry forms and format requirements for electronic or paper submissions can be found online at www.nctc.edu/creativewriting. For further information, call the ESFL office at (940) 668-7731, or e-mail Professor Hood at whood@nctc.edu.

Entries may be submitted by e-mail or sent by regular mail to Professor Hood at 1525 W. California Street, Gainesville TX, 76240-4699, or left at the English, Speech and Foreign Language office on the NCTC Gainesville campus, Room 120. All entries must be received by the stated deadline, along with the required entry form.

Rodger Boyce: (940) 668-4255; Fax (940) 668-6049; rboyce@nctc.edu

NCTC: BELLE ARTI!

Check out our Web site at www.nctc.edu/finearts.html. Here you will find in the middle of the page a calendar of “upcoming events” that is easy to access and read.

Mar. 5 at 12:30 p.m. - Cooke County Library and NCTC Drama present Once Upon a Story. This special story time at the library will feature drama students from NCTC reading Cinder-Elephant and Rumplestiltskin from Leaping Beauty and other Animal Fairy Tales by Gregory Maguire. This free event will take place at the Cooke County Library, 200 S. Weaver, Gainesville. For more information, please contact the library at (940) 668-5530.

Mar. 14 - Dave Alexander & His Big Texas Swing band - IN CONCERT! 7:30 p.m. Go here to listen to some of Dave’s music: http://www.davealexander.com. Tickets are $15; the box office opens Mar. 3. Call (940) 668-3355. Sherry Alexander’s artwork will be on display in the lobby that evening. NCTC is truly excited about this event and fortune to have Dave Alexander performing on campus. Proceeds will go to benefit students in Equine and Performing Arts programs.

“Throughout his successful and award winning career this dynamic entertainer has gained the respect of his peers while mesmerizing his audiences with each performance. His talents as a performer are unsurpassed as recently exemplified upon his induction into the Texas Western Swing Hall of Fame, 2004 Male Vocalist of The Year by the Academy of Western Artists and newly appointed 2005 Cadillac sponsorship. Dave has performed and recorded with the biggest names in country music such as George Strait, Toby Keith and LeAnn Rimes while carving out his own stellar career in the music industry. The three-time GRAMMY nominee remains one of the nation’s top selling western artists. As a former member of the Texas Playboys himself, Alexander combines the heritage and success of yesterday’s great western music with the fever and excitement of his own compositions and today’s hottest musicians. The results remain unprecedented.”

Break is March 17-21. When we get back, the Drama department will be gearing up for several shows. And…

Behind the Footlights
“HAIRSPRAY” AND COOL JAZZ TOP “SOUNDS OF NCTC” CONCERT

Whether they love Broadway show tunes or cool jazz, music lovers have a special treat in store on Friday, Mar. 7, when the North Central Texas College Music Department presents this year’s edition of “Sounds of NCTC.”

Both the NCTC Singers and the NCTC Jazz Band will be performing, and both have what the directors of both groups are billing as “extra-special programs” this year. It’s all set to get underway at 7:30 p.m. on the main stage of the First State Bank Center for the Performing Arts on the Gainesville Campus.

The “Sounds” concert is the major fundraising event of the year for the NCTC Music Department, with proceeds supporting music scholarships. Admission is $10 for adults and $5 for youth. NCTC students showing their ID may attend at no charge.

“I can pretty much sum up the program in one word,” said Dr. Mike Linder, director of choral studies, “and that word is ‘Hairspray.’ All the members of the group and I are so excited to be performing many of the songs from the incredibly popular Broadway musical ‘Hairspray.’

“The musical ‘Hairspray’ was a runaway hit on stage for years,” Dr. Linder said, “and now the movie version with John Travolta has spread its popularity all over the country and the world.” That popularity has been well deserved, he added, because of the charm and energy of the music. The Singers will perform such hits as “Welcome to the Sixties,” “Hairspray,” “Good Morning Baltimore,” “It Takes Two,” “Mama, I’m a Big Girl Now,” “I Know Where I’ve Been” and “You Can’t Stop the Beat.”

Solos and ensembles will showcase such enormously popular songs as “The Nicest Kids in Town,” “I Can Hear the Bells,” “The New Girl in Town,” “Big, Blonde and Beautiful” and “You’re Timeless to Me.”

“This could well be the very best production we have ever done in our Broadway series over the years,” Dr. Linder said. “Not only do we have an outstanding group of singers this semester, but this is also the largest group of singers I have had in my 17 years here at NCTC. They are making some unbelievable sounds, so get your ticket early.”

Mike Steinel, who will be performing several of his own compositions with the NCTC Jazz Band, is a trumpeter, pianist and composer and has numerous recordings to his credit.

He is also associate professor in the Jazz Studies Division of the world-renowned College of Music at the University of North Texas. He teaches jazz improvisation, pedagogy of improvisation, and jazz trumpet masterclass.

Steinel also directs the UNT Jazz Combo Workshop and the UNT Jazz Trumpet Workshop. He has published numerous compositions for jazz ensembles and is the author of the textbook “Building A Jazz Vocabulary.”

“I’m especially excited about having Mike come to perform with our group,” said director Kobuck, “not only because of his exceptional credentials as a composer, educator and musician but also because he was a former professor of mine. I know how good he is. We will be performing four of Mike’s original compositions as well as songs by Donald Byrd and Fred Sturm.

Kobuck said that Steinel’s playing experience includes work with Clark Terry, Bill Evans and Jerry Bergonzi, as well as recordings with the Chicago Jazz Quintet and the Frank Mantooth Big Band.

“It’s going to be a great evening of amazing music,” said Dr. Linder. “I can comfortably guarantee that audiences will be wonderfully entertained, and they will also be helping us build important scholarship resources.”

For information, contact Dr. Mike Linder at (940) 668-7731 or by e-mail: mlinder@nctc.edu.

The World’s Most Elegant Wood Fireplace...
Is Also the World’s Most Efficient!

The Furnace That Looks Like A Fireplace
The Fireplace Xtrordinair is designed to maintain the aesthetic appeal of the fireplace while delivering up to 76,000 BTU’s/hour, through a decorative grille into the line design, framing the fire and enhancing your home décor. Other heat circulating fireplaces require large square boxes or highly visible vent boxes above the fireplace opening, sacrificing the traditional hearth look.

The Fireplace Xtrordinair features sleek lines and large glass doors for an expansive view of the fire. Optional gold plated on the face and door add a dramatic flair. Only fireplace Xtrordinair creates such a uniquely beautiful, versatile look in a high BTU output fireplace.

Jonas is a one-and-a-half year old male beagle with a big personality! He loves to be around people and is happiest when going for walks and playing with his buddies. Jonas was found wandering on a rural dirt road and someone was kind enough to pick him up and bring him to Noah’s Ark. Since then he has been vaccinated and neutered and is ready to find a nice loving home! Jonas gets along great with other dogs and cats and is wonderful with children. Come see Jonas today!

Please call Noah’s Ark for information on adoption of a lovable pet/companion.

Our beautiful Lake Kiowa offers many fun and exciting water activities, and fishing can be a big part. The Lake Kiowa Angler and Conservation Club is dedicated to keeping our lake clean, keeping our fish healthy and abundant and promoting the great sport of fishing and fellowship at Lake Kiowa.

Again this year, we have many events to satisfy many tastes. Monthly bass tournaments and kid fish events for Lake Kiowa youngsters as well as inviting tournaments and kid fish events for Lake Kiowa. It's fun getting to meet some great people and really enjoy this facet of life here at Lake Kiowa.

One long-term major project is closer to taking shape. The LKACC is working to raise funds for a new community fishing dock that will afford lake access to those without boats or in wheelchairs. The schedule and membership form should come with your March LKPOA statement. Everyone at Lake Kiowa is welcome to participate in all LKACC events and projects. So come fish with us! Here are our March events: Mar. 20, 7 p.m. - LKACC meeting at the Lodge with a presentation by President Mike Bitsche entitled "Feeding Habits of Large-Mouth Bass". Mar. 22, 7:30 a.m. - Hook, Line and Sinker Golf Tournament at the Pro Shop; Mar. 29 - Bass Tournament at the Pavilion. Dennis Engels
**Lake Kiowa Fishing Limits**

Bob Luck, Fisheries Biologist and Lake Management Consultant, made the following fishing limit recommendations. These recommendations have been given careful consideration to keep a thriving ecological habitat for Lake Kiowa.

The Angler and Conservation Club has fully endorsed the following fishing guidelines for Lake Kiowa:

**Rainbow Trout:** 5 Per Day, Per Person

**Black Bass:** Keep Black Bass between 10-13 inches; 5 Per Day, Per Person.

**Crappie:** Keep over 10 inches; 10 Per Day, Per Person.

**White Bass:** Otherwise known as Sand Bass. **No Limit.** Remove all you can.

**Perch:** **No Limit.**

**Channel Catfish:** Keep fish over 14 inches; **No Limit.**

**Drum:** **No Limit.** Remove any caught from lake.

**Carp:** **No Limit.** Remove any caught from lake.

**TROTTING AND JUG LINES ARE NOT PERMITTED**

Dock owners are encouraged to provide cover for the fish under your docks. Make sure the trees are securely anchored not to interfere with boat traffic. Feed the fish! Dry dog food or pellets especially made for the fish are readily available at feed stores. For questions, feel free to contact Mike Bitsche for specifics.

From the President …

We have such wonderful talented people at Lake Kiowa and I am so glad that Sharon Chapman (VP Programs) found resident Bob Phillips and enticed him to sing Love Ballads for us at our February Valentine’s Day meeting. I know everyone enjoyed his performance and we thank him for sharing his talent with us.

The Mar. 13 program will be inspirational speaker Susan Brown with her program “Restoring FeminiTea.” This is a date change from our yearbook where she was originally scheduled to meet where you must buy tickets in advance for the lunch and show. This is a popular event and always sold out, so purchase your ticket early before we start selling to non-members.

Don’t forget to read all the articles from the various departments. We have a lot of exciting events happening in the next few months. For instance, tickets will go on sale in March for the Gourmet May 20 Mystery Theater Dinner, which promises to be a wonderful event. See your gourmet leader to buy tickets.

The Kiowa Woman’s Club Nominating Committee that Lee Skinner chairs has started its search for the eight officers to lead our club in 2008-2009. Members of the committee are Nancy Mountcastle, Nancy Flores, Jeannine Faulkner, Frieda Fiske, Jane Outlaw and Marge Tittsworth. A brief description of the duties of these officers is listed in the yearbook on page 36. I have been on the Board for four years and have thoroughly enjoyed it. If your time permits, I encourage you to consider offering your skills to lead our club in the future.

Bobby Phillips presented a wonderful program entitled “Songs in the Key of Love” to celebrate Valentine’s Day. (L-R): Vice-President Programs Sharon Chapman, Bobby Phillips, and President Kathie Millburn.

Upcoming KWC Programs

Meetings will be held the 2nd Thursday at 10:30 a.m. in the Lake Kiowa Lodge

March 13: “Restoring FeminiTea” - Susan Brown

We hope you’ll consider joining us for our March program with Susan Brown. Susan is a motivational speaker from Grapevine, Texas. She will bring us a display of teapots and reveal characteristics about our daily lives as women.

April 10: Style Show “Shimmering Sunrises and Moonlight Sensations”

May 8: “Red River Women” - Patsy Wilson

June 12: “Vision North Texas” - North Texas Council of Governments

We enjoyed our January watercolor classes so much we didn’t want to stop them. So, we will be continuing with an all-day workshop on one Saturday a month. The workshops are already full with those that took the January lessons. We are also pleased that Dianne Bennett has agreed to continue as our teacher. We are so enthusiastic about this learning experience that we plan to display our artwork at the March Woman’s Club General Meeting!!! Be sure to come to check out our “masterpieces”!

A special thank you to Becky Branham for providing our beaded bracelet activity for February. Everyone enjoyed making their unique bracelet from the MANY beads Becky provided. Julia Mayo made FOUR in the time it took for most of us to select our beads to make just one!!! Ladies also started making their beaded jeans and even a beaded purse!

On Mar. 4 at 10 a.m. at the Lodge, we will be making Lacy Easter Egg centerpieces. The cost will be $7 but all supplies will be provided. Come join us and make a pretty new centerpiece for your Easter dinner table. If you plan to attend and haven’t already signed up at the February Woman’s Club luncheon, please call Carmel, Donna or Jonnie to let us know you will be coming so we are sure to have enough supplies for everyone.

Watch for more information on our Apr. 1 field trip to the Dallas Museum of Art where the J. M. W. Turner exhibit will be on display.

Carmel Miserak (940-612-2926), Donna Rehm (940-668-6884), Jonnie Hall (940-668-6437)

(L-R): Gussie Utting, Sue Weaver, Carmel Miserak, Julia Mayo and Pat Morgan working on their Arts & Craft project, bead jewelry, Feb. 5

(L-R): Julia Mayo receiving assistance from Becky Branham, beading instructor.

(L-R): Judy McLain, Kathie Milburn and Donna Rehm showcasing their beading projects during Arts & Crafts Feb. 5.

The Kiowa Water Supply Corporation opened its doors to the Garden & Nature Club in February. Ronny Young gave us a tour of the building’s drip irrigation system. Honey Easter, Cooke County Master Gardener, showed us everything we would need to put in our own system that saves water, time and energy. It is well worth the effort to put it in.

We will meet at 10 a.m. Mar. 17 at the home of Charolette Loncar, 928 Kiowa Dr. E. Jacqueline Osborn will speak to us about backyard water features. As a special treat after the meeting, she is getting permission to tour some of the homes that have these features.

Becky Branham

The landscaping at the new KHWSC building is equipped with a drip irrigation system.

Jan Johnson reviewed “The Elegant Gathering of White Snows” by Kris Radish at our February meeting, and reminded us of the power and influence of women when they unite in a group. Thank you, Jan, for your wonderful review! Our thanks also go to our hostess Mahaley Davis for opening her home to us, and to co-hostesses Mary Gill and Gayla Robles for providing the delicious refreshments.

Book Review meets next on Apr. 4. Joan Carroll will review Philippa Gregory’s 2002 best-seller “The Other Boleyn Girl,” which is an historical novel based on the life of Mary Boleyn. This popular novel has spawned four sequels and has been made into a movie that just opened in theaters Feb. 29. You won’t want to miss this meeting.

Remember, Book Review is open to all members of Woman’s Club and their guests; reservations are never necessary.

Linda Fite

KWC’s March Bible Study will be Tuesday, Mar. 25 from 10 to 11:30 a.m. at the home of Dottie Bradley, 127 Modoc Trail W. Please note this is a change from the location in the yearbook.

We continue our exciting study of the Book of Genesis and cordially invite all KWC members to join us. If you have not attended Bible Study recently, please come again! Questions? If so, please call or e-mail me at nancy.a.flories@gmail.com. See you there!

Assessing the True Qualifications and Integrity of Your Judicial Candidates

I am Martin Peterson. I want to make much needed improvements in the operations of our district court. Those will include:

(1) A judge who shows up for work. Haverkamp was not at the courthouse a significant percentage of the time and processed about 30% fewer cases than the average district court, despite the assistance of a visiting judge and the urgent need to address excessive backlogs. (2) The elimination of many needless procedures now being used in the processing of both civil and criminal cases. I will also limit pretrial proceedings only to those that facilitate resolution of a case. (3) When the parties reach a proposed disposition of a criminal case, the case will be heard and not indefinitely delayed for gathering of sentencing information. (4) Only those legal issues required to be resolved before trial will be considered and only when properly raised. (5) Trials will be set on a timely basis and without artificial interim delays. (6) Persons held in jail before trial will receive a trial within six to twelve weeks. We should not be paying to house 18 or more persons for six months or more while awaiting trial. (7) When jurors are summoned, they will be given something to do. (8) The scheduling of cases will be improved, rather than always attempting to match cases individually to blocks of time (something which rarely works). (9) The fee schedule for payments to appointed counsel will be modified to provide incentives for swift disposition of cases and eliminate incentives for delay. The current judge has not infrequently awarded in excess of $2000 to an attorney who merely negotiated for a plea bargain. This explains why my opponent has received the maximum contributions to her campaign allowed by law from a great many of the local criminal defense attorneys. (10) Once set, trials will not be postponed except as required by law, that is, truly for good cause. I believe trial preparations should lead to trials and not have to be repeated over and over. A continuance will not be granted for the mere convenience of criminal defense attorneys. (11) If called upon to explain my rulings before an appellate court, I will know how to do that. The current judge twice hired outside counsel at $175 per hour and then used the ruse that she (the judge) had been “sued” in order to get almost $6000 of public funds for her attorney. (12) Repeat offenders will be punished harshly, unlike the sentences given by my opponent to Jody Meador (1/2 the maximum) or Kyle Williams (1/5 the maximum). (13) Meetings that should be public will not be held behind locked doors, as was the visit by Jim Bethke of the Task Force on Indigent Defense in November of 2006. (14) When the Governor’s Office suggests the District Attorney apply for a criminal justice grant, I will not refuse to cooperate (causing the funds to go to other counties). (15) Police officers will be trusted to continue to wear their guns when they are in the courtroom. (16) The backlog of cases will be reduced, so that every case stands a fair chance of resolution in a timely fashion. Efficiency will be a constant and real goal.

Having truthfully described my opponent’s actions and how we have all been affected, I need to address what she has been saying about me. She has made wild claims that I am not competent. The simple truth is I have at least five years more experience and in a much broader range of legal fields than Haverkamp. I know how to present and win cases before our highest courts and before juries. One does not graduate from the University of Texas School of Law at age 23 and work for a prestigious law firm for more than 10 years without being competent. I then supported myself and my family for 7 years in private practice. I have a great many satisfied clients and the respect of a great many lawyers and judges. I work hard, study the law, and believe in serving the public good. The Texas Court of Criminal Appeals, on the other hand, found on June 20, 2007 that Haverkamp was entering orders in favor of criminal defendants that were clearly wrong—thereby abusing her discretion. Not only did she try to confuse the public about that ruling, she had to mischaracterize the nature of the proceeding in order to dupe the Cooke County Commissioners into paying her legal bill. Haverkamp has a lot of gall to suggest she alone represents honesty and integrity or has more legal knowledge. It is not disrespectful to challenge a judge’s erroneous rulings. When asked about her own accomplishments, Haverkamp can only respond by attacking the District Attorney’s office. We need a new judge.

Happy springtime, Kiowans!

I would like to take a moment to thank all of you who joined us for the St. Valentine’s evening dinner. From all indications, it was a tremendous success. Chef Craig delivered a beautiful three-course meal that everyone enjoyed. Unfortunately, due to room constraints, we were only able to accommodate around 115 people. However, we already are working on ways to make next year’s event bigger and better. If you were able to join us, we encourage you to tell a friend, as this dinner was just one example of the fine food coming out of the Lodge kitchen. We now have the long-awaited new menu, and we know you will all find there something you love!

We have some great things coming up in March that we encourage you to plan on attending. The Lodge will be hosting several other good-time events this month such as Bingo on Mar. 12.

Mar. 17 is St. Patrick’s Day! It just so happens that this is the third Monday of the month, so the monthly open meeting of the Board of Directors will be taking place that evening. As a result, we will be having our St. Paddy’s Day party on Saturday, Mar. 15. We invite everyone out to celebrate that day, Irish or not. There will be corned beef and cabbage as well as Shepard’s Pie, and plenty of green beer and Guinness to go around. The very popular BB Karaoke Sing/Dance is scheduled for that evening, too, so this is going to be a combination event you just won’t want to miss. (Maybe we’re better off having it on Saturday after all!)

We will be hosting an Easter Buffet on Sunday, Mar. 23. We were still working on the menu when the CommuniQue went to press, so please check the Web site (www.lakekiowatx.com) for updates. We would welcome you giving us a call or just stop by, because we will have the buffet menu posted as soon as possible!

Our team is working hard to fill our schedule with things to keep you all entertained. And, let’s not forget that the Lodge has become a great place to get lunch or dinner even if no special event is going on.

Again, we encourage you to check the Web site, as we will endeavor to keep the Lodge section updated. Most importantly, come see us and enjoy what we have to offer. We know you’ll be impressed!

Brett Wilson

**BB KARAOKE SING/DANCE AT LODGE**

Saturday, March 15 from 7 to 9:30 p.m., BB Karaoke will hold a Sing/Dance night in the Assembly Room at the Lodge. There is no cost for entrance; however, the dinner menu and bar are available on a pay-as-you-go basis.

Everyone is invited to come out and enjoy some good singing to Karaoke CD’s, and a variety of CD music for your dancing pleasure to include: line dancing, country dancing, modern dancing, rock & roll, jazz, etc. Come out and have a good time with your Kiowa neighbors. Call for more information.

January 2008 Hold'em Poker

On Friday, Jan. 11 we had the largest crowd ever for a session, 62 players, with many new players and the return of John and Janice Seefeldt from their extended vacation. The second session that night had 46 players. Thanks for the great support and the help from the players to make it a success! We had 63 players for the first session on Friday, Jan. 18 to break our previous high mark.

On Wednesday nights we have one session that starts at 7 p.m. On most Friday nights there are two sessions, one at 7 p.m. and another right after completion of the first session (typically at 9:20 p.m.). The last Friday of the month is our end-of-the-month tournament, one session starting at 7 p.m., with prizes generously donated by the Lodge (Thank you Brett and staff).

This month due to the large increase in players we increased the number who could participate in the end-of-the-month tournament from 48 to a maximum of 72 players. On Friday, Jan. 25 we had 65 players participate in this tournament, setting a new record for the most players in a single session. The top 6 players on the point list are guaranteed seating; any open spots are filled by players showing up, with preference going to the players with the most points, followed by any others who want to play. To be eligible for prizes you must have played and received points during that month. This month Tom Brannan wished he had played earlier in the month. He came in second, but was not eligible for the prize. He said he was just happy to do well and he had a real good time.

The results for the January poker nights:
1/2/08 Smokey Mountcastle; 1/4/08 First Session - Dwayne Hopson; Second Session - Chris Portesi; 1/9/08 Robin Howell; 1/11/08 First Session - Randy Howell; Second Session - Randy Howell; 1/16/08 Marvin Crew; 1/18/08 First Session - Jonnie Hall; Second Session - Chuck Carson; 1/23/08 Jan Henrie; 1/30/08 Paul Liscom (points for this session will go towards the February total).

January Points Leader Randy Howell;

End-of-month tournament winners:
(Seated: Geri Pollard), (Standing, L-R): Larry Reed, Randy Howell

President Audrene Robison introduced the new community manager Randy Schmlatz, who gave a short presentation about his support of all the clubs and committees, as well as his vision for Kiowa.

Following review of old business, a motion was made and approved for the WGA to pay one-quarter of the cost of rebuilding the #18 hole tee box per request from the Golf Committee.

Margie Nash announced that 228 membership forms were received, 15 being new members, including 33 in the workingwomen group. Carol Hawkins, 9-hole chairman, announced that Katherine Thacker earned her “Broke 60” pin. Audrene announced that Katherine Thacker earned her

President Audrene Robison officiated at the first WGA meeting of the year. Randy Schmlatz, our new Community Manager, visited this meeting, requested free use of the driving range for his team from the first week of February till April and free balls. The Board approved 30 tokens per week for up to 10 weeks. Also, a box will be put in the Pro Shop for individual donations, which Brown will distribute to the coach. Coach Randy assured that his team would not interfere with residents using the range. Motion was made and carried that WGA donate $50 for purchase of tokens for the Callisburg golf team.

### Superintendent’s Report...

Tree trimming, mulching, cleaning traps and other normal maintenance is happening on the golf course. We have purchased a rock rake to help in cleaning traps of the rocks that are in there. We have received two loads of sand for the bunkers to add to their depth.

The MGA came out on Monday and raked the leaves away from OB stakes and trees so that we could get the mulching mowers on all those leaves.

On Feb. 25 we will be aerifying the greens and topdressing them. On Mar. 4, we will start repairing the bad areas on some of the greens. We may close the holes we are working to prevent anyone from getting injured. The sign will be on the tee box if we do.

### DRY CLEAN SUPER CENTER

**DID YOU KNOW...**

Golf is a game of honor. Players are expected to call penalties on themselves. The other competitors in a tournament “protect the field” by monitoring each other in a group and, at the end, placing an attesting signature on a scorecard. In that vein, “peer review” is the method by which players attest to the ability of those in a club, through monitoring playing and posting of scores. The game’s code of honor means that even a hint of cheating or dishonesty can tarnish an individual. Every golfer has experienced the uncomfortable moment of asking, or being asked, whether a ruling was administered properly or the right score was reported for a hole. But we are less frequently questioned on whether a round was posted correctly for handicap purposes, or posted at all. Such serious infractions cannot be ignored, lest they challenge the sense of honor as it applies to handicapping.

Once a golf club is established, a handicap committee is required to oversee the handicap system. It is one of the most important bodies at the club level, accountable for ensuring the game is played on a fair and equitable basis. While having a club employee sit on the committee is important, the chairman should be a member of the club. This is not just for show or policy; a peer will make a better police force than an employee.

Handicap Committee

MGA Play Day
Saturday Feb. 9
An almost full field of 108 players participated in this month’s MGA play day. The format was a 6-5-4-3 with a twist scramble. The twist was the A player playing from the blue tees, B and C players from the white tees and the D player from the gold tees.
Remember that the play day time for March will switch back to a morning start at 7:30 a.m. Entries must be received by the Pro Shop by 12 noon on the Friday before play day.

Hole-in-One Awards
The 2007 hole-in-one winners received their plaques at the meeting and their checks at last month’s meeting. Bob Mosman and Steve Jackson were not in the Hole-in-One pool and received only the plaques.
In addition, we had a guest make a hole-in-one at the Kapers. David Walls, Tom Blackwell’s partner, with a hole-in-one on #17 won a Nike driver from Holiday Chevrolet.
President R.J. Stroup called the meeting to order at 8 a.m. All board members were present with the exception of Izak Botha. Also in attendance was Randy Schmaltz, the new community manager. Minutes from the MGA January board meeting were read and approved.

Treasurer’s Report: John Wolek, Treasurer, reported a beginning balance of $25,225 with an ending balance of $31,618. Most of the income for January was from 2008 membership dues. $24,014 is committed funds (hole-in-one, handicap service, practice area, etc) leaving an uncommitted fund balance of $7600.

Membership: John Beck, Membership Chairman, reported 427 paid MGA members for 2008 as of the meeting. Of the 427, 29 were new members. There are 259 members in the 2008 hole-in-one pool. From a membership renewal standpoint, this is the best situation we have been in for several years. Cut-off for membership renewals for inclusion in the MGA/WGA Directory will be Sunday, Feb. 10.

Treasurer’s Report: John Wolek, Treasurer, reported a beginning balance of $25,225 with an ending balance of $31,618. Most of the income for January was from 2008 membership dues. $24,014 is committed funds (hole-in-one, handicap service, practice area, etc) leaving an uncommitted fund balance of $7600.

Membership: John Beck, Membership Chairman, reported 427 paid MGA members for 2008 as of the meeting. Of the 427, 29 were new members. There are 259 members in the 2008 hole-in-one pool. From a membership renewal standpoint, this is the best situation we have been in for several years. Cut-off for membership renewals for inclusion in the MGA/WGA Directory will be Sunday, Feb. 10.

MGA Projects: Jay Titus, Projects Chairman, presented the 2008 MGA Membership Work Projects Schedule for the months of February and March. The first work date will be Monday, Feb. 11, which will involve cleaning up leaves and debris. The work crew will meet at the Golf Course maintenance building at 9 a.m. weather permitting.

Tournaments: the Saturday, Feb. 9 play day format was 6-5-4-3 scramble with a twist. This month’s play day was the last “afternoon” shotgun start. Beginning with the March play day, we will return to the “morning” breakfast meeting and shotgun start.

Winstar Golf Course has offered a 2-for-1 play on the Monday following the MGA Saturday play day (second Saturday of each month). This offer is available to both Lake Kiowa MGA and WGA members. One member of the twosome/foursome must have played in the MGA/WGA play day to be eligible for this special rate.

New Business: the #18 tee box was selected as the first tee box to be leveled. This will be the model/validation of the technique to be used to accomplish the task. The MGA membership will provide much of the labor involved (stripping off the old sod, leveling the tee box, and fine grading for re-sodding). It was moved and seconded to commit MGA funds in the amount of $1754 for materials associated with the project.

The meeting adjourned at 10 a.m.
It is again time to change your clocks because Daylight Saving Time is again upon us. We need to move our clocks one hour FORWARD on Mar. 9 at 1:59 a.m. Why is that?

On Aug. 8, 2005, President George W. Bush signed the Energy Policy Act of 2005. This Act changed the time change dates for Daylight Saving Time in the U.S. Beginning in 2007, DST began on the second Sunday in March and ended the first Sunday in November. The Secretary of Energy reported the impact of this change to Congress. Congress retains the right to resume the 2005 Daylight Saving Time schedule once the Department of Energy study is complete.

The official spelling is Daylight Saving Time, not Daylight SavingS Time. Saving is used here as a verbal adjective (a participle). It modifies time and tells us more about its nature; namely, that it is characterized by the activity of saving daylight. It is a saving daylight kind of time. Because of this, it would be more accurate to refer to DST as daylight-saving time. Similar examples would be a mind-expanding book or a man-eating tiger. Saving is used in the same way as saving a ball game, rather than as a savings account.

Nevertheless, many people feel the word savings (with an ‘s’) flows more mellifluously off the tongue. Daylight Savings Time is also in common usage, and can be found in dictionaries. Adding to the confusion is that the phrase Daylight Saving Time is inaccurate, since no daylight is actually saved. Daylight Shifting Time would be better, but it is not as politically desirable.

In the U.S., clocks change at 2:00 a.m. local time. In spring, clocks spring forward from 1:59 a.m. to 3:00 a.m.; in fall, clocks fall back from 1:59 a.m. to 1:00 a.m. In the EU, clocks change at 1:00 a.m. Universal Time. In spring, clocks spring forward from 12:59 a.m. to 2:00 a.m.; in fall, clocks fall back from 1:59 a.m. to 1:00 a.m.

In the U.S., restaurants and bars have various closing policies. In many states, liquor cannot be served after 2:00 a.m. But at 2:00 a.m. in the fall, the time switches back one hour. So, can they serve alcohol for that additional hour in October? The official answer is that the bars do not stop serving liquor at 2:00 a.m., but actually at 1:59 a.m. So, they have already stopped serving when the time changes from Daylight Saving Time into Standard Time. In practice, however, many establishments stay open an extra hour in the fall.

In the U.S., 2:00 a.m. was originally chosen as the changeover time because it was practical and minimized disruption. Most people were at home and this was the time when the fewest trains were running. It is late enough to minimally affect bars and restaurants, and it prevents the day from switching to yesterday, which would be confusing. It is early enough that the entire continental U.S. switches by daybreak, and the changeover occurs before most early shift workers and early churchgoers are running.

For the U.S. and its territories, Daylight Saving Time is NOT observed in Hawaii, American Samoa, Guam, Puerto Rico, the Virgin Islands, the Commonwealth of Northern Mariana Islands, and Arizona. The Navajo Nation participates in the Daylight Saving Time policy, even in Arizona, due to its large size and location in three states. Many fire departments encourage people to change the batteries in their smoke detectors when they change their clocks because Daylight Saving Time provides a convenient reminder. “A working smoke detector more than doubles a person’s chances of surviving a home fire,” says William McNabb of the Troy Fire Department in Michigan.

More than 90 percent of homes in the United States have smoke detectors, but one-third are estimated to have dead or missing batteries.

Outdoor Early Warning System - Information You Should Know

As you have probably already heard or seen, the POA has installed three outdoor warning sirens to provide outdoor alert coverage in the event of an emergency or natural disaster. All three sirens were placed on existing POA property to minimize impact on neighborhood aesthetics. Sirens are located at the East Beach (near the restroom), by the golf course restroom near the #4 green and at the golf driving range.

The outdoor warning system is part of the POA's effort to coordinate activities and reduce the effects of a hazardous situation to help us all better prepare for an emergency. In order for the siren system to help accomplish this goal, it is imperative that the members of the POA know what to do when the sirens sound.

REMEMBER: The emergency sirens are for OUTDOOR NOTIFICATION. They are not a signal to evacuate. Their purpose is to warn individuals to go inside. Do not expect the warning sirens to notify you of emergency conditions while you are indoors. Any evacuation will be initiated with door-to-door notification by Security, and area emergency management officials.

There are two (2) tones for the sirens. One is a steady, constant volume tone, the other a non-steady tone (tone volume will increase and decrease as it sounds). While both tones trigger the same action, their meanings do vary as follows:

Steady, constant volume tone: This will be sounded in the event of a pending weather or other type of emergency that poses a potential threat to the safety of the community.

Non-Steady tone: This will be sounded only if a Lake Kiowa storm spotter has actually sighted the threat entering or adjacent to our community.

If either of these tones sound, you should take the following actions:

- Go inside right away;
- Turn on radio, TV, or weather alert radio (see below) to hear latest weather or emergency information;
- Take shelter in an inside room, basement, or your private storm shelter area.

Siren Testing: The sirens will be tested once each month for a very short duration (no more than one minute). Testing will occur the first Monday of each month at 1 p.m.

There are several very good weather alert radios available at a fairly reasonable price. One that costs $40 is the Midland All-Hazards Radio with Weather Alert. This radio is equipped with Specific Area Message Encoding (SAME) that allows you to set your receiver for alerts specific to your area.

A more elaborate set is the Desktop Weather Radio with Alarm Clock and SAME Operation, which costs $70. Acquisition of a similar weather alert radio is a very wise investment for Lake Kiowa residents.

Outdoor Early Warning System - Information You Should Know

IN THE EVENT OF POWER FAILURE

During a power failure, homeowners should call Cooke County Electric Cooperative, 759-2211, so they may pinpoint the affected area of Lake Kiowa. If you have an emergency generator, do not back feed power to your home by plugging a generator into a wall socket. If too much load is placed on the system, the wire could get hot enough to start a fire in the wall.

Security Report
January 17 – February 13, 2008

gate runner was apprehended, as was an individual intentionally trespassing. Cooke County Sheriff’s Department deputies assisted with three domestic disturbances and the burglary of a business located outside the Front Gate. Animal Control Officers chased 11 dogs, 2 cows and a cat. Skunks, cormorants and a beaver were trapped, harassed or otherwise sought after. Response was also indicated to five barking dog complaints and a dog welfare concern. LKVF and other area fire departments responded to a rarity—a structure fire within Lake Kiowa. Security dispatchers monitored this emergency and two other calls. Five ambulances were escorted to Kiowa residences. Security personnel issued citations for the following offenses: leash law – four, reckless driving – three, speeding – two, failure to stop for Security – one, unauthorized use of a trash receptacle – one.

PUBLIC WORKS REPORT:

PUBLIC WORKS
Public works continues to operate on winter schedules and catch up on small projects around the lake.

PARKS AND LAKE
The lake elevation still remains at 698.90 with the normal pool level being 700.00. Springs inside and outside Lake Kiowa property have remained running and kept the lake level constant for several weeks. A French drain has been added at the golf bridge access on lot 744 to help drain springs in that area. This should help with the mowing later in the year.

Work continues on the East Beach bathroom and pavilion. Work is also continuing on the number 2 water crossing.

ROADS AND BRIDGE
Automobile accidents have also caused damage to different areas. The guard cable is being replaced on the East side of the dam from one accident. New speed limit signs of twenty miles per hour have been added on Kiowa Drive West in the 400 block to hopefully slow down traffic and traffic accidents in that area.

The Kiowa Homeowners Water Department has made a couple of new road cuts for broken water lines and to replace a fire hydrant. These cuts will be repaired with asphalt.

Don Hoover
LAKE KIOWA PROPERTY OWNERS ASSOCIATION

BOARD MEETING

MARCH 20, 2008

CALL TO ORDER: President Peggy Padgham called the meeting to order at 5:59 p.m. All were present except Lee Skinner.

ADDITIONS TO AGENDA: Calvin Davis request on constituted lots; Golf Committee requested change to WGA schedule; Callisburg Golf Team request MINUTES: Bob Wickersham made the motion to approve the 01/07/08 minutes. John Davis seconded the motion. All were in favor.

REQUEST: Randy Howell presented the needs of the Wednesday and Friday night card players. They need to have their table tops replaced and need replacement of some denominations of chips. The Board asked Randy to pursue the information and come back with a recommendation and prices.

COMMITTEE REPORTS:

Golf – Bill Dalton reported that the fourth tee needs to be sold at a cost of $6500.00. The pond is too shallow to be used as a fountain on #2 needs to be replaced.

Lodge and Tavern – Kathy Reed said her committee had almost completed the L&T Committee Charter and hoped to have it at the Board at the next meeting. She reported on the information and come back with a recommendation and prices.

Facilities – Wayne Shearer reported on the East Beach project. The slab for the pavilion has been poured; the structural steel is complete and now waiting for the roof to be placed. The restroom has been gutted; fixtures and stalls have been removed as well as the roof. The plumber is next up to do his job on the piping. The project is progressing as planned.

Auditor’s Report – David DeVol reported that Lake Kiowa is in good shape. Only found a few minor areas that could improve upon. A few instances of timesheets not being signed by employee prior to being paid. Recommendation is that every employee be required to sign time sheets before being paid and every department head should sign off for approval of all employees in their department. Several employees have a high number of accrued vacation hours. Recommendation is that all employees be required to take earned vacation hours each year and not be allowed carryovers. He also recommended that at the end of each fiscal year, the fixed asset schedules be reviewed to verify that all assets scrapped, disposed of during the year, or purchased during the year are reflected in the fixed asset schedules.

SALE OF USED EQUIPMENT:

President Padgham reported that Don Hoover has requested permission to sell a no longer needed 1972 road grader. We have another piece of equipment that we can utilize. After some discussion, Wayne Shearer made the motion to let Don sell the 1972 road grader for no less than $4500.00. Kathy Reed seconded the motion. All were in favor.

Bill Dalton reported that David Long needed to sell a used golf carryall. President Padgham stated that we had already agreed to sell this months ago. Bill will tell David to sell for $500.00.

CALLISBURG GOLF TEAM

Callisburg High School girls’ golf team coach Randy Romines requested they be given free range privileges for practice from February through April after 3 p.m. He is willing to pick up the range once a week and open to suggestions for other ways he can help out. The item was tabled, as we need additional information.

GOLF COMMITTEE CHANGE REQUEST FOR WGA: The WGA has requested several date changes to their 2008 tournament dates. Technically this does not conflict with the schedules of the three other women’s golfing associations that our WGA golfers participate with. Requested changes:

1. WGA Member – Member change from April 23 & 24 to April 30 & May 1
2. WGA Member – Guest changed from May 21 to May 28
3. WGA President’s Cup changed from June 25 & 26 to July 30 & 31

Bob Wickersham made the motion to let WGA make the motion to the WGA tournament dates. Bob Bingham seconded the motion. All were in favor.

At 6:58 p.m. the meeting recessed to the Assembly Room.

CALL TO ORDER: President Peggy Padgham called the meeting to order at 7:10 p.m. She led the assembly in the pledge of allegiance. There were no new attendees.

AUDIT REPORT: President Padgham introduced our auditor David DeVol. He presented his report and reported that Lake Kiowa is in really good shape. He commended our staff on their good work. Our tax return has been filed. He repeated his recommendations. He explained the need for the 70-604 election.

TREASURERS REPORT: Wayne Shearer reported we are now in the 6th month of this fiscal year. Please see the complete report in the CommuniQué.

Wayne reported that in December the Lodge turned the corner and is looking better. Wayne reported on CARF. The Board approved $73,001.00. The projects that have been funded so far have been:

- New sidewalk at the East Beach - $3100.00
- Floating boat dock at #13 tee box - $1300.00
- New lot's asphalt upgrade - $12,055.00
- Carpet cleaner for the Lodge - $1524.00
- New sidewalk for the East Beach improvements, i.e., Pavilion and restrooms.

DEPARTMENT HEAD REPORTS (see complete reports in CommuniQué):

Don Hoover reported that the repairs to #2 Low Water Crossing have begun. Traffic will only be delayed by closing one lane at a time.

Justin McMurry, lot 1664 reported questioned that the large equipment on #2 was left hanging over in the road and...
LAKE KIOWA PROPERTY OWNERS ASSOCIATION

MINUTES OF THE BOARD MEETING
KIOWA HOMEOWNERS WATER SUPPLY CORPORATION
WEDNESDAY, JANUARY 9, 2008

INVOCATION: Brent Reed opened the meeting with a word of prayer.

CALL TO ORDER: The meeting was held at the Kiowa Homeowners Water Supply Corporation Office and was called to order at 9 a.m. by President Brent Reed.

ESTABLISHMENT OF QUORUM: J.A. Samples arrived late. All other board members were present.

APPROVAL OF THE MINUTES: The December 12 meeting were approved on a motion by Jack Skinner and a second by Don Howeth. All were in favor.

MANAGER’S REPORT: No new taps were installed this month. Robert and Gary both had 6 hours of overtime. Rodney is back to work doing light duty. There has been a reduction of $.350 per month. He is also working on the Acceptance report and should be ready by next month. Ronny reported that 14 meters had been shut off for non-payment. All three have been reconnected.

DISCUSSION AND APPROVAL OF FINANCIAL STATEMENTS AND AUTHORIZATION OF PAYMENT OF BILLS: Jan Thies made a motion to approve the financial statements and pay the bills. Al Arronte seconded it and all were in favor

DISCUSSION AND POSSIBLE ACTION ON MANAGEMENT PAY: Jan Thies moved to approve the management pay plan regarding the compensation committee concerning the management pay plan regarding the general manager. Don Howeth seconded it and all were in favor.

DISCUSSION AND POSSIBLE ACTION ON HR MANAGEMENT CONFERENCE: Ronny found a $200 grant to attend the National Conference in April. It is a four-day conference that will cost approximately $2500. The board was in favor of him attending this course.

DISCUSSION AND POSSIBLE ACTION ON 25TH ANNIVERSARY PLANNING: In October of 2008, the water board will have been in business for 25 years. Ronny suggested some sort of remembrance. It was suggested that it be noted at the annual meeting

COMMITTEE REPORTS:
Long Range Planning: No report.
Bylaws: Don Howeth reported the committee had met and more meetings to finish its work. He will report to us again in February.

ADJOURN TO EXECUTIVE SESSION TO DISCUSS EMPLOYEES: Jan Thies made a motion to exit executive session. Jan Thies seconded it and all were in favor. Joan Carroll made a motion to exit executive session. Don Howeth seconded it and all were in favor.

EXECUTIVE SESSION: The motion to exit executive session was approved.

ADJOURN: Kathy Reed made the motion to adjourn. Bill Dalton seconded the motion. All were in favor.

Next Board Meeting will be February 13, 2008 at 9 a.m.

The Kiowa Homeowners Water Supply Corporation Annual meeting will be held Thursday, Mar. 20. A buffet dinner at 5:30 p.m. A drawing for water use credits will be held at the conclusion of the meeting. You must be present to win. One per household, please.

and also at the 4th of July celebration. A committee of Joan Carroll, Al Arronte and Ronny Young will look into the possibilities.

ITEMS TO BE INCLUDED ON NEXT MEETING AGENDA:
1. Bylaw committee report.
2. Update on the 25th Anniversary celebration.
3. Discussion and approval of audit report.
4. DISCUSSION OF ELECTION AND ANNUAL MEETING: Ronny has made arrangements with the Lodge to have the annual meeting on Mar. 20 with dinner at 5:30 p.m. and the meeting at 6:30 p.m.

Ballots will go out on Feb. 15. They must be returned by Mar. 14 and will be counted on Mar. 17 at 9 a.m.

ADJOURNMENT: Jan Thies made the motion to adjourn at 10:15 a.m. and Jack Skinner seconded it. All were in favor.
