Board Notes August...

As President Peggy Padgham pointed out in last month’s Board Notes, our community has suffered a rash of vandalism lately. One act was so heinous that a group of private residents has offered a $1,000 reward for information that will lead to the arrest and conviction of the perpetrator. Unfortunately this activity has continued into August. At our Aug. 18 Open Board Meeting, Community Manager Randy Schmaltz discussed the possibility of instituting community patrols. A number of individuals spoke the possibility of instituting community patrols. A number of individuals spoke.

Also at our Aug. 18 meeting, Treasurer Lee Skinner reported that the month of July was very hard on the Repair and Maintenance Budgets in most departments. Repairs of $9,700 over budget included, among other things, work on air conditioning units at the Lodge and Pro Shop. The Golf Department was over budget; however, the budget is spread over 12 months and some of the actual expenses incurred in July will be disbursed over the next four to five months. By December the Golf Department should settle down. Salaries, food and beverage were the accounts showing most of the over budget items for Lodge and Tavern for July. The LKPOA Investment Committee is meeting to discuss improving our position on monies held in our bank accounts.

Relative to the golf course, and more specifically the greens, Randy Schmaltz and David Long reported that a consultant has been retained. He has studied the greens, tees, and fairways and will be providing a full report on causes and possible corrections for our problems. David also thanked the MGA owners for all their work on the sand bunkers in the past. It is hard to believe summer is just about over. As our fall season of meetings resumes at the Lodge, we anticipate increased patronage of our food and beverage services. Let Lodge management know about your experiences there by filling out a “comment card.” That is the best way to make sure we meet the wants and needs of the community.

With the end of summer comes “back to school.” Once again it is time to be especially careful in watching out for the students in our community as they make their way to and from school.

Speaking of being careful, please obey the speed limit signs that indicate 20 mph in certain areas. There are golf cart crossings and sharp curves in the posted areas. New signs will be posted where the 30 mph speed limit resumes. Till next month,

FALL CLEAN-UP CANCELLED—BUT THE CHIPPER WILL BE AVAILABLE

Even though this year’s fall clean-up was cancelled, a number of property owners have asked what the POA can do about tree and brush trimmings. The Board recognizes that many homeowners need a way to get rid of the debris so the Board decided to station the Public Works chipper at the area where the clean-up dumpsters have been placed in the past. This equipment and its operators will be on-site on Oct. 17-19, during the hours of 8 a.m. until 5 p.m. to assist in the disposal of the aforementioned materials. If you have any questions, please call the POA office at (940) 665-1055 for more information.

Thank you for your support and cooperation.

Randy Schmaltz
It is the time of year to start thinking about candidates for the LKPOA Board of Directors. This year there will be four (4) directors to be elected. Retiring after completing their three-year terms will be Bill Dalton, Peggy Padgham, and Lee Skinner. Lloyd Butts will be vacating the unexpired term position he has held since April 2008. Therefore, we need at least eight (8) candidates on the ballot.

The LKPOA Board of Directors has the responsibility to govern our community and to preserve our LKPOA common assets/amenities. As each of us has an interest in protecting our individual property values, the decisions made by this Board affect us profoundly. We need people of integrity that are interested, intelligent and involved to be presented on the ballot. Each director is elected to serve a three-year term. Please devote some time in consideration of who you would like to see serve our community by becoming a candidate to be a director of the LKPOA.

The Board of Director Governance Policy, Sections 1.2 “Major Duties of the Board” and 1.3 “Due Diligence-Responsibilities of Individual Board Members” are printed on page 33. The entire document is available on the LKPOA Web site. The LKPOA Nominating Committee is seeking your assistance in identifying potential candidates to run for the LKPOA Board of Directors. A nomination form will be in your October LKPOA statement. The adjacent form will also be printed in the October issue. You may nominate yourself or another member, and you may remain anonymous if you choose. The form may be returned to the LKPOA Office or to any member of the nominating committee. In addition, the LKPOA nominating committee welcomes your phone calls to discuss potential nominees or particulars of the nomination and election process.

Potential candidate names must be submitted to the committee by November 15, 2008. Committee recommendations of candidates are to be presented to the LKPOA Board of Directors by December 15, 2008. The candidates’ names will be published in the January 2009 CommuniQué. Ballots will be mailed to all homeowners on February 1, 2009. All ballots must be submitted by March 1, 2009. Those elected will be announced at the LKPOA Annual Meeting to be held on March 14, 2009.

LKPOA Nominating Committee:
Dave Spangler, Chairman, 146 Blackfoot Trail, julave@ntin.net, 665-7392
Dean Dorsch, 403 Cocopa Dr. W, jodean@nortexinfo.net, 668-1643
Bob Hughes, 1313 Kiowa Dr. E., bobandjudyhughes@ntin.net, 668-2578
Julia Mayo, 111 Pawnee Trail, jimayo@ntin.net, 668-0710
Katherine Thacker, 111 Blackfoot, kiowadon@ntin.net, 612-0685

Thank you for your interest and participation in our nomination process. You may identify yourself or remain anonymous; you may nominate yourself or any member you believe qualified to serve on your LKPOA Board of Directors. Please return this form to the LKPOA Administration office with your dues payment or directly to the Nominating Committee at 146 Blackfoot Trail.

For the last couple of months we have held Town Hall meetings for property owners. The meetings have been held in the Metroplex for those property owners who normally wouldn’t have access to decision makers and a second meeting was held at Lake Kiowa for all property owners.

Unfortunately the participation of property owners at the two meetings doesn’t warrant the need for a third meeting. For those who still want to discuss their concerns, I will still be available by phone, e-mail, or meeting on a one-on-one basis.

Last month I wrote about the vandalism that has occurred at Lake Kiowa over recent months. I want to make it clear that with the exception of the graffiti on one of the homes and the theft of a scooter and go-cart, the vandalism has been limited to damaged mail boxes, TP’ing houses, and broken driveway lights.

In an effort to assist our Security Department in preventing this problem from escalating, last week five residents including myself patrolled the golf course, streets, beaches and parks during the early morning hours. To expand the patrol, we need additional volunteers so that we can increase the number of nights that we can patrol. This is a great opportunity for those part-time residents who want to be involved in the community but don’t have the time during the work week. If you’re interested, call me for more information at (940) 665-1055.

As a reminder, it has become apparent that many are not aware that, as of August of 2007, Lake Kiowa has a curfew for those under the age of 17.

Rule 4.3.1 r - Juvenile Curfew which states in part, “Any person under 17 years of age is prohibited from being on the commonly owned areas or in commonly owned facilities between 11:01 p.m. and 6:00 a.m. of the following day during Sunday through Thursday, or between 12:01 a.m. and 6:00 a.m. during Saturday and Sunday unless the person is:

1. Accompanied by a parent or guardian, or
2. On an errand at the direction of the parent or guardian, or
3. In transit directly from a point of employment in the community to the place of residence(s) of the juvenile(s) in the community or
4. In transit directly from a place of employment in the community to the place of residence(s) of the juvenile(s) in the community or
5. Involved in an emergency, or
6. Attending an event supervised by adults and sanctioned by the LKPOA, or
7. Married.

“Commonly owned areas or facilities are defined as any place within the boundaries of the Lake Kiowa community not owned by a private individual and includes, but is not limited to, parks, beaches, structures, streets, roads, golf course, Lodge, etc.”

Dining at the Lodge continues to get rave reviews. In July we received 49 guest comment cards. Of this number, 44 rated the food service and quality at 4 or above (on a five-point scale). Five guests did experience some difficulty. We are working on improving the dining experience for all our residents and we won’t be satisfied until all the comment cards rate the food and service at 4 or above.

I want to take this opportunity to invite all our property owners and their guests who will be attending the Les Gilliam Show on the 6th and/or the Lake Kiowa Hee-Haw Extravaganza on the 12th or 13th to join us for dinner at the Lodge prior to the events.

Chef Michael has been working hard on revamping the menu to include additional healthy options and continues modifying it to meet the requests of our property owners.

As always, if you have any concerns or comments, please call me at (940) 665-1055.

Thanks,

Randy
CALLISBURG ISD CLOTHES CLOSET OPENING DAY A TREMENDOUS SUCCESS

Friday, Aug. 1 saw the opening of the Callisburg ISD Clothes Closet. On that day more than 400 items were distributed to schoolchildren preparing for the start of the new school year. It was most heartwarming to see the expression on the faces of these youngsters, and on the faces of their parents, as shoes, purses, socks, toothbrushes, toothpaste, pajamas, backpacks and other needed items were given out. The scene was reminiscent of the reactions kids have when they are turned loose in a candy store!

The facility itself sparkled with freshly cleaned and laundered items hung on the new racks that volunteers from the Lake Kiowa Kiwanis Club led by Jerry Slater, Gary James and LeRoy Becker provided. Principal Rusty Clark expressed his great satisfaction with this program after seeing how many needy families were served this day.

Such success does have a bit of a down side, however. The supply of key items is depleted, meaning there is a requirement for funds to purchase shoes, socks, underwear, toothbrushes and toothpaste. There is emphasis right now on not only clothes for young kids, but also on items for teenagers. It is widely accepted that a major factor in a teenager’s decision to drop out of school is the absence of contemporary clothing that helps a teenager feel that he or she fits in with peers.

Along with funds, volunteers to operate the facility always are needed and welcomed. For example, 12 large plastic bags of donated clothing that needed to be processed appeared at the doorway of the Clothes Closet. Six volunteers each took two bags home so they could inspect, wash and dry-clean the items contained therein. Then the clothes were returned and displayed for distribution.

I cannot say enough in the way of appreciation to the many Lake Kiowa residents who have quickly rallied around to support the Callisburg ISD Clothes Closet. You continue to be unbelievably generous with your time and money, and an inspiration. Many children in our school district appreciate what you are doing. Thank you all.

KIOWA KARES...

Before you toss those pop cans into the recycle bin or trash, why not pop off those tabs, collect them and then drop them into the “Pop-A-Tab for Life” container in the Lobby at the Lodge? Greg and I will hand carry them to Rochester, Minn. when we return to the Mayo Clinic in October. All funds collected through tab donations are spent on items for direct use by Gift of Life patients. It’s a very small donation but it costs absolutely nothing to ‘pop-a-tab’ for a good cause.

For anyone with deep pockets that might be interested in making a tax-free donation for an extremely worthwhile cause, check out the this site: http://www.gift-of-life.org/index.asp or talk to us. A fund-raising drive is underway to expand the facility to satisfy the ever-growing needs of transplant patients from all over the country.

Thanks for all the support you have personally given us during this difficult time.

UNITED WAY CAMPAIGN BEGINS

The Cooke County United Way campaign will begin during the next few weeks. Our theme this year is “Live United” and has its focus on how we can join hands and open up our hearts.

We have an extra need this year as the economy has strained the resources of those agencies that come to the aid of our children, elderly and physically ailing residents here in Cooke County. Please remember your neighbors and help if you can to make the residents of Lake Kiowa again stand out as proud supporters of those in need.

DUPLICATE BRIDGE

The first Monday in August Bert and Frankie led the way, with George and Barb second, while the Kincaids were third. Dennis and Richard Morgan were first in the B category.

I want to thank all the guys who pitched in to help in the cleanup and carry back to the closet. I had it all to myself today - the only good thing that happened was NO DIRECTOR CALLS.

Things in the club are rocking along fairly well lately. On Monday, Aug. 11 Jean Polk and Sharon Barnes from Gainesville visited and WON.

Gene and Judy Kincaid announced that they would not be back for a while because Gene had to go back to work at the schoolhouse.

Come see us any Monday at the Lodge at 12:30 p.m. Bring a partner and $3.

Couples Bridge met Aug. 15 at the Lodge at 6:30 p.m. We had three tables of very competitive bridge. One couple had an emergency and cancelled one hour prior to playing. Fortunately, after 10 phone calls two ladies—By Jo Mansfield and Roddy Marks—graciously agreed to fill in. The winners were: First - Dee Magee and Bill Hoagland; Second - By Jo Mansfield and Roddy Marks; Third - Bill and Charles Hagood.

Our bridge date is the second Friday of each month at the Lodge. We welcome any couple wishing to play by calling me at (940) 665-8426. We request that you call a few days prior to the second Friday so proper arrangements can be made regarding the table set up. My e-mail is Bhoagland@tt.net.

GAINESVILLE, TEXAS — Unforgettable. That’s the word heard most often in descriptions given by North Central Texas College students describing their experience of studying abroad in Italy this summer.

And college sponsors say it’s not too early for those who wish to have an unforgettable learning experience of their own to start planning for next summer’s trip to Rome, Florence and other Italian destinations.

Of this summer’s first Study Abroad in Italy “learning communities” course experience, one NCTC student’s comments were typical as she described the “jaw-dropping” impact of walking into the Piazza del Duomo in Florence and seeing for the first time the church of Santa Maria del Fiore.

“The overwhelming and breathtaking beauty of the massive cathedral is etched in your brain forever,” she said.

Professors Pat Ledbetter and Jane England developed and organized the study abroad program that gave students the option of earning up to six hours of transferable credit while traveling and studying in Italy. Students chose to take one or both of two classes—World Literature, taught by Ledbetter; World History, team taught by both professors; and Art Appreciation, taught by England.

The first week and a half of the semester was spent abroad and included visits to Verona, Venice, Pisa, Assisi, Florence and Rome. Upon returning to Texas the students took exams and prepared writing assignments based on their research and areas of interest.

“One of our key goals was to increase students’ intercultural awareness and to encourage them to develop a global perspective,” Ledbetter said, “and we did this by combining academically challenging learning experiences with stimulating cross-cultural interaction.”

Ledbetter added that NCTC is committed to promoting international study as an effective and exciting way for students to fulfill their degree requirements while gaining insight into the dynamics of other societies.

It took months of careful preparation and cooperation on the part of the program developers to assure that the courses were appropriately scholarly, the study tour was efficiently organized, the itinerary was fully developed and the schedule contained enough flexibility to respond to unexpected events.

While the Study Abroad in Italy program was in the initial planning stage, Ledbetter and England traveled to Italy several times to familiarize themselves with public transportation options, to meet with travel agents and to do research, gather materials and select sites for excursion trips.

In addition, England in 2007 was awarded a National Endowment for the Humanities grant to participate in a six-week-long summer seminar entitled “Roman Religion in its Social and Cultural Context.” Living in Rome afforded England time to do an in-depth study of the major archaeological sites, requirements while gaining insight into the dynamics of other societies.

churches and art collections of the “Eternal City.”

“There is so much to see and do in Italy, especially in Florence and Rome, that the hardest part of developing the content of the courses was in deciding which museums, churches and historical areas to visit,” England said. “But for me, the biggest thrill was interacting with our students” she added, “as they examined significant historical and aesthetic issues in the presence of the actual works of art, buildings, sacred spaces, and public places that form the basis of Western culture.”

In Florence, for example, Ledbetter discussed Dante and his writings while she and the class members stood beside the gigantic statue of Dante that is located in front of the Basilica of Santa Croce, where the author of “The Divine Comedy” once attended services and where his memorial is housed.

“For us as professors, seeing the wonders of Italy through the eyes of students was like experiencing them for the first time,” Ledbetter said. “Every teacher’s goal is to awaken students’ interests and arouse their curiosity about those things that inspire us.”

“Taking students to the sources of these inspirations enables us to say with credibility, ‘See, I told you this was unbelievably wonderful!’”

The two professors are already making plans for summer 2009 when students to the study abroad in Italy and they said it’s not too early for students wishing to participate to begin making their preparations too.

Students making this summer’s trip to Italy were:

Brady Wheeler of Corinth, Roxanne Lozano of Saint Jo, Renae Province of Ponder, Pamela Province of Denton, Martha Puig of Bowie, Latrice Steadham of Sanger, Maureen Murphy of Carrollton, Kristina Malig of Gainesville, Courtney Henderson of Pilot Point, and Elizabeth Gaston (Colt) Miller of Corinth, Holly Gaston of Pilot Point. Also accompanying the group were Alberto, Patricia and Maria Puig of Bowie.

For more information about the study abroad program at North Central Texas College, contact either professor by e-mail: plebetter@nctc.edu or jenglam@nctc.edu. More information will also be posted online at www.nctc.edu.

The only requirements are that the participants be 14 years of age and above, read music, and have played their instruments for three years or more. There will be no auditions – just some rehearsal attendance. Practice CD’s will enable members to rehearse on their own and come together for monthly or bimonthly group rehearsals during certain times of the year. We will have our first organizational meeting at 118 Kiowa Dr. N. on Monday evening, Oct. 6 at 7 p.m. Our goal will be to prepare one or two instrumental programs each year. Among our first events will be a spring concert in 2009 for two pianos and orchestra. Our music will consist of hymn settings, spirituals, seasonal favorites, light classics and show tunes. So, dust off those instruments and come join the fun.

There will be no auditions – just some rehearsal attendance. Practice CD’s will enable members to rehearse on their own and come together for monthly or bimonthly group rehearsals during certain times of the year. We will have our first organizational meeting at 118 Kiowa Dr. N. on Monday evening, Oct. 6 at 7 p.m. Our goal will be to prepare one or two instrumental programs each year. Among our first events will be a spring concert in 2009 for two pianos and orchestra. Our music will consist of hymn settings, spirituals, seasonal favorites, light classics and show tunes. So, dust off those instruments and come join the fun!

Genealogy Fall Sessions Begin

Genealogy will begin for the fall on Wednesday, Sept. 3 (please note date change) at the Lodge at 1 p.m. We will discuss church records, how to find them and how to get the most from them.

Presbyterian, Roman Catholic, Lutheran, Methodist, Church of Christ, Quakers and others all played a large part in this nation’s history from the beginning to today. Looking for their records can become a daunting task, but with a few tips and addresses as well as some hints on how to determine an ancestor’s religion should put you on the right track for success.

In addition, on Tuesday evening, Sept. 2, I will be lecturing at the LDS Church on Route 51 just behind the college. The subject will be the new advances in using their records as they’re newly released for the first time to the public in 2009. I will be at that center from 10 a.m. until 5 p.m. and again at 7 p.m. for an evening lecture. Please come and see what help you will find. This should be a good source for you! You can discover new persons searching the same lines you are doing as well as new information.

In October, I would like to begin some sessions on British research, including Ireland, England, Scotland and Wales. If any of you are interested, please let me know by e-mail or at the September meeting. These sessions would be in addition to the regular monthly meetings.

Thank you all, for the expressions of concern and offers of help during my recent “bad health.” I am truly feeling fine and have lots of genealogy to share with all of you.

CHAPEL NEWS

The Chapel Quarterly Business Meeting and potluck dinner will take place in the Lodge on Sept. 8. Bring a dish and your utensils at 6:15 p.m. This is a wonderful opportunity to share good food, good fellowship, and learn about the good things your Chapel contributions do in our surrounding communities.

Chapel services are regularly scheduled at 8 a.m. every Sunday in the Lodge Assembly Room. Rev. John Hare and Rev. J. L. Williams are the pastors delivering their messages on alternate Sunday mornings.

The Chapel Choir will return from their summer break and again sing on the third Sunday of the month. Practice resumes on Sept. 8 and meets every Monday morning at 8 a.m. in the Lodge. This is a good time for new members to join and begin with the new music.

VISTO is the recipient of food and cash donations on the third Sunday of every month. Their cupboards are emptied as fast as we can fill them, so please remember them. There are a great number of families with children that need this assistance in our surrounding community. VISTO’s “Backpack Kids” provides more than 600 children with single-serving items for the days when there is no school, meaning “no lunches.”

The Lake Kiowa Chapel meets regularly every Sunday morning from 8 to 8:30 a.m. in the Lodge. All residents and guests are welcome. This is an interdenominational service that may precede your regular church service or a round of golf. Casual dress is always welcome. Please come and share this time with your friends and neighbors on Sunday morning at 8 a.m.
School is back in session, which means washing machines are probably back in spin cycle full-time.

Soccer uniforms and school clothes will pile up all at once in need of a wash, but, if you get your children involved in the process, you could cut your laundry workload in half. Follow these three steps to make dirty laundry less of a chore.

Step 1 – Start with Sorting
Put three (or more) plastic bins in your child’s bedroom or bathroom. Use one bin for colored clothes, one for whites, and another for towels and jeans. If you have an athlete in the family, consider including another bin for uniforms to keep grass and mud from staining other clothes.

For younger children, make the sorting bins more fun. Use trash cans with plastic lids and draw faces on them with a permanent marker. You can also buy pre-decorated laundry bins at most major retailers.

Step 2 – Setting the Schedule
Post a washing schedule above the dirty laundry bins. On the appropriate day, have your child carry the proper bin to the laundry room to be washed. This will keep the dirty clothes pile manageable.

Step 3 – Finishing Up
After the dryer buzzer sounds, encourage your child to help fold clothes. It’s not the most fun activity, but it gives you another chance to ask about his or her day at school.

Reducing your laundry workload also relieves stress on your washer and dryer during one of the busiest times for washer repairs. Break down large loads into smaller ones. It is better to spend slightly more on your water bill than have to replace an entire washing machine or cover expensive repairs.

Overloading a washing machine can lead to transmission and motor failure and broken drive belts. There are usually no warning signs — the machine just stops working.

Check the efficiency of your laundry room. Preventive maintenance can save you money on your utility bill. For example, a clogged dryer vent can increase your overall utility bill by $7 per month.

Use this checklist to see if your laundry room is costing you extra money.

Replace washing machine hoses every three to five years to prevent flooding.

Use cold water instead of hot. Your home’s hot water heater typically uses more energy than any other appliance.

Clean the dryer’s lint trap regularly. Restricted airflow makes your dryer work harder and increases its operation cost. Also, excess lint buildup increases the chance of a fire.

Make sure the washer is level and sitting on a well-balanced floor. An uneven washer is noisy and can break during the spin cycle.

ATTENTION NEW RESIDENTS

It has come to our attention that some new residents have been misled into believing that the Lake Kiowa Volunteer Fire Department will move furniture into their new home. This is incorrect, as the Fire Department does not provide this service.

We do, however, pick up furniture and other household items that are donated to our OUTPOST “THRIFT STORE.” We are sorry for any inconvenience this may have caused.

SUMMER BINGO ENDS

During the past three months we have held BINGO every Wednesday and the turnout has been great. Now that school has started, we will revert to our holding monthly sales. OUTPOST SALES are held on the third Saturday of the month except in January and February.

DO I HAVE TO WAIT FOR THE MONTHLY SALE? No. We receive new items frequently and have sales on an intermittent basis. If you are looking for a specific item call Dee at (940) 665-4046 or the Fire Department at (940) 665-9321 and we’ll be happy to arrange a time to meet with you.

WHAT DO WE ACCEPT? Clean and working household items in good used condition or better. We do not accept clothing, soiled or broken furniture, dirty non-working appliances, and by law, we cannot accept used plumbing fixtures such as used toilets, sinks, faucets, etc.

HOW TO DONATE: If you have items you wish to donate or are unsure of what we accept, call Dee at (940) 665-4046, Peggy at (940) 665-7977, or the Fire Department at (940) 665-9321. Be sure to leave your name, phone number and a brief message and we’ll return your call as soon as possible. IN ORDER TO KEEP THE FIRE DEPARTMENT’S PROPERTY FREE FROM CLUTTER, WE ASK THAT YOU DO NOT DROP OFF ALL ITEMS AT THE FIRE STATION.

WHAT IS THE OUTPOST THRIFT STORE? A major fundraiser for your Fire Department that generates money through donations of gently used household items to re-sell at our monthly sales. OUTPOST SALES are held on the third Saturday of the month except in January and February.

ARE ALL DONATIONS TAX-DEDUCTIBLE? Items that are in good used condition or better qualify for a charitable donation as per IRS Tax Code effective 8-17-2006.

NEXT SALE: Saturday, Sept. 20 (weather permitting). Any changes or cancellations will be advertised on cable Channel 2 or posted on the electronic Reader Boards. Sale hours are 9 a.m. to 1 p.m.

LOCATION AND DIRECTIONS: The OUTPOST is located on CR 211 in Woodbine. Here are the two easiest routes to take from the Lake Kiowa main entrance. Turn left onto FM 902 and go 2.4 miles. Turn left onto FM 3164, go 5 miles and turn left on CR 211. We are the second driveway on the right. When turning right on FM 902, go approximately 1 mile and turn right on CR 219. Proceed 2.9 miles, turn right on FM 678 and go 1 mile. Take a right onto FM 3164 and go about 0.1 mile and turn right on CR 211. We are the second driveway on the right.

***Due to the nature of services the Fire Department provides, it is difficult to adhere to a strict timetable. Our top priority is responding to emergencies, so please be patient and we will pick up your donated items as soon as possible.

REMEMBER TO SUPPORT YOUR FIRE DEPARTMENT WITH YOUR ANNUAL TAX-DEDUCTIBLE DONATION.
We would like to take a moment of your time to introduce our veterinary hospital to you. For those that are active clients we want to thank you. We appreciate you. For those pet owners we have not yet met or perhaps have not seen in awhile, we would like to let you know about our services and dedication to the community. Our practice is a mixed practice; we see small animals, exotics and horses. Dr. Matt Gomulak is our equine veterinarian. Dr. Shelly Gomulak and Dr. Joanna Boone are our small animal veterinarians.

Our hospital offers state of the art diagnostics, surgery, wellness care, and client education. Additionally, we are available 24 hours for emergencies. Our community awareness allows us to keep our clients well informed and well educated on the needs of their pets in this area. We understand that a healthy pet is a vital member of the family. We treat each patient and owner the way that we would want to be treated ourselves. Dedicated to the community, we work very closely with Noah’s Ark animal shelter and maintain a continued relationship with clients that have adopted Noah’s Ark orphans. We strive to better the lives of animals and their people through education.

In closing, our hospital is growing and we want to thank those that have been a part of this growth and welcome those that will become a part of our future. Should you find yourself in a position of needing veterinary assistance, please contact us for those needs. We would love to meet you and your pet. Please feel free to stop in for a tour of our clean, contemporary veterinary hospital and to meet our dedicated staff. Our hours of operation are Monday, Tuesday, Thursday, and Friday 8 a.m. to 5 p.m., Wednesday 8 a.m. till noon and Saturday 9 a.m. until 1 p.m. (see advertisement on page 3)

Respectfully,

Dr. Matt & Shelly Gomulak, Owners

The author asked some of his acquaintances for permission to break into their online banking accounts. The goal was simple: get into their online accounts using the information about them, their families and acquaintances that is freely available online.

By Herbert H. Thompson

As a professor, a software developer and an author I’ve spent a career in software security. I decided to conduct an experiment to see how vulnerable people’s accounts are to mining the Web for information. I asked some of my acquaintances, people I know only casually, if with their permission and under their supervision I could break into their online banking accounts.

After a few uncomfortable pauses, some agreed. The goal was simple: get into their online banking account by using information about them, their hobbies, their families and their lives freely available online. To be clear, this isn’t hacking or exploiting vulnerabilities; instead it’s mining the Internet for nuggets of personal data. Here’s one case. I share it here because it represents some of the common pitfalls and illustrates a pretty serious pitfall.

**Setup:** This is the case of one subject whom I’ll call “Kim.” She’s a friend of my wife, so just from previous conversations I already knew her name, what state she was from, where she worked, and about how old she was. (It turns out it was fairly predictable: her first initial + last name.) Based on this, my task was to gain access to her account.

**Step 1:** Reconnaissance: Using her name and where she worked, I found two things with a quick Google search: a blog and an old résumé. Her blog was a goldmine: information about grandparents, pets, hometown, etcetera (although it turns out I didn’t need to use most of this). From the résumé I got her old college e-mail address and from her blog I got her G-mail address.

**Step 2:** Bank Password Recovery Feature: My next step was to try the password recovery feature on her online banking site. The site didn’t ask any personal questions; instead it first sent an e-mail to her address with a reset link which was bad news, because I didn’t have access to her e-mail accounts. So e-mail became my next target.

**Step 3:** G-mail: I tried to recover her G-mail password, blindly guessing that this was where the bank would have sent its password-reset e-mail. When I tried to reset the password on her G-mail account, Google sent its password reset e-mail to her old college e-mail account. Interestingly, G-mail actually tells you the domain (for example, xxxxx.edu) where it sends the password reset e-mail to, so now I had to get access to that…ugh.

**Step 4:** College E-Mail Account: When I used the “forgot my password” link on the college e-mail server, it asked me for some information to reset the password: home address? (check—found it on that old résumé online); home zip code? (check—résumé); home country? (uh, okay, check—found it on the résumé); and birth date? (devastating—I didn’t have this). I needed to get creative.

**Step 5:** Department of Motor Vehicles: Hopeing she had gotten a speeding ticket, I hit the state traffic courts’ Web sites, because many states allow you to search for violations and court appearances by name. These records include birth date (among other things). I played around with this for about 30 minutes without luck when I realized that there was probably a much easier way to do this.

**Step 6:** Back to the Blog: In a rare moment of clarity I simply searched her blog for “birthday.” She made a reference to it on a post that gave me the day and month but no year.

**Step 7:** Endgame (or How to Topple a House of Cards): I returned to the college e-mail password recovery screen and typed in her birth date, guessing on the year. Turns out that I was off on the year of birth but, incredibly, the university password reset Web page gave me five chances and even told me which field had inaccurate information! I then changed her college e-mail password, which gave me access to her G-mail password reset e-mail. After clicking the link, Google asked me personal information that I easily found on her blog (birthplace, father’s middle name, etcetera). I changed the G-mail password, which gave me access to the bank account reset e-mail, and I was also asked for similar personal information (pet name, phone number and so forth) that I had found on her blog. Once I reset the password, I had access to her money (or at least I would have).

Needless to say, Kim was disturbed. Her whole digital identity sat precariously on the foundation of her college e-mail account; once I had access to it, the rest of the security defenses fell like a row of dominoes. What’s striking about Kim’s case is how common it is. For many of us, the abundance of personal information we put online combined with the popular model of sending a password reset e-mail has our online security resting unsteadily on the shoulders of one or two e-mail accounts. In Kim’s case some of that information came from a blog, but it could just as easily have come from a MySpace page, a sibling’s blog (speaking of their birthday, mom’s name, etcetera) or from any number of places online.

Battling this threat requires us to make better choices about how we prove who we are and online and what we must available on the Internet. Go and do a self-check. Try to reset your passwords and see what questions are asked to verify your identity. Some questions are better than others. Date of birth, for example, is bad. In addition to the DMV, there is a wealth of public records available online where folks can track down when you were born. Most account reset features give you a choice of questions or methods to use. Go for questions that ask about obscure things that you won’t forget (or can at least look up), like your favorite frequent flyer number. Avoid questions that are easy to guess, such as which state you opened your bank account in. All of these are, of course, stopgap measures until we find better ways to prove our identities online.

It’s also critical to remember that once you put data online, it’s almost impossible to delete it later. The more you blog about yourself, the more details you put you in your social networking profiles, the more information about you is being archived, copied, backed up and analyzed almost immediately. Think first, post later.

As for Kim, she’s still blogging, but now she’s a little more careful about the information she volunteers and has cleaned house on her old passwords and password reminder questions. Next time I do this, I’ll have to figure out the name of her favorite primary school teacher.

Kiowans

“Kiowans, as a group, was formed by and for Lake Kiowa property owners to provide factual information on significant issues of interest to all LKPOA members in an effort to promote, preserve, and maintain our way of life, our assets, and the operations of our community affairs for the benefit of all.”

LEADERSHIP LAKE KIOWA VI
Where the Spirit of Community Begins

STATED PURPOSE: To develop, encourage, and motivate creative, well-informed, civic-minded Lake Kiowa property owners willing to devote time and energy toward assuming leadership roles at all levels of the community.

Learn how all the pieces of the puzzle fit together

We will delve into what makes the puzzle of this diverse gated community work and how it fits together with our own governing documents, the laws of the State of Texas, and Cooke County.

Join us for an intense 4-session 28-hour course of study held at the Lake Kiowa Lodge on the first Friday in October, November, December, and January, beginning at 9 a.m. and ending at 4 p.m. The $85 tuition charge will cover meals, breaks, and educational materials. Certificates of Achievement will be presented to each graduating member at the end of the course.

This course is open to Lake Kiowa property owners and anyone outside the community who is interested.

LAKE KIOWA LODGE VISION STATEMENT

Our restaurant is a place where people come to relax, have a great time, and enjoy a great meal. From the moment our customers walk in the door, a warm atmosphere and a friendly courteous staff greet them. We are capable of catering to large groups that are out for business functions or recreation, as well as families and friends, or as romantic evenings for couples. Even at the restaurant’s maximum capacity, we strive to operate efficiently, avoiding long delays while the customer is being seated and their meal is prepared. The lighting, table arrangements, atmosphere, and decorations all encourage our customers to relax, let go of their concerns, and open up to new taste sensations. We strive to provide exceptional service in all areas of service every day.

When our customers have completed their meals, we take care of their check quickly and efficiently. They leave happy and satisfied.

OUR VISION:

To create an exciting atmosphere, great food and excellent service where people truly enjoy coming to dine.

To provide a safe and rewarding workplace for our employees.

To constantly strive to meet or exceed our customers’ needs and expectations regarding price, service and selection. To this end, we will perform periodic reviews of the marketplace to improve our offerings.

To provide maximum customer satisfaction while minimizing the cost of production through purchasing, staff education, and food safety.

To Reach, Educate, Inspire and Grow.

Growing from strength to strength, Lake Kiowa Lodge is dedicated to improving the quality of life of our members and guests, making it better, safer, and healthier.
Moments To Remember
2008-2009

Has the year flown by as quickly for you as it has for me? Here it is September already and a new Kiowa Woman’s Club year is beginning. While mulling over various themes for this year, I thought about all the friendships we make and the fun times we have as members of KWC. Through our programs and many activities we share many happy, delightful memories, while at the same time we share the sadness that comes when friends become ill, move away, or die. All are Moments to Remember...and there was my theme and cover for our yearbook.

Moments To Remember...and there was my theme and cover for our yearbook.

I hope all of you had a wonderful summer and will be able to attend our first meeting on Sept. 11. We will start early at 10 a.m. with social time, so come and enjoy a cup of punch, catch up with old acquaintances and make some new friends.

Our Department and Committee Chairs have been working hard all summer to prepare programs and activities that I know you are all going to enjoy. Back by popular demand, Dave Tanner will start off the year with his wonderful music. If you haven’t heard him, or are just looking forward to hearing him again, you won’t want to miss this meeting.

The Sunshine Chair has been made a part of the Corresponding Secretary’s position, so please call Jaki Osborn-Stewart at (940) 612-3691 if you know of a member or spouse that should receive a get well or condolence card. Nancy Mountcastle, (940) 612-2811 and Julie Spangler, (940) 665-7392, continue as Co-chairs for the Bereavement Committee. Please let one of them know of the death of anyone in our community.

If you haven’t joined KWC for 2008-2009, call Carol Jacobsen, our Membership Chair, at 1-940-368-4950 or come to the September meeting and you can join at that time. Don’t forget that lunch reservations must be made by noon on Monday, Sept. 8 via the Kiowa Web site or by phone to Dori Gehr, the Luncheon Reservation Chair this year, at (940) 612-5683.

We do not have a ‘regulation’ bluebird in and around our backyard. Lucky enough to have a pair of Eastern Bluebirds this summer in your backyards?

The first meeting is Sept. 15 at 10 a.m. Genevieve Avinger, 930 Kiowa Dr. E. has graciously accepted to be our hostess. We will have a short business meeting and refreshments will be served.

Our speaker will be Jessie Gunn Stephens who will talk about “Birds and Butterfly Gardens.” Jessie is an author and will have her books for sale at the meeting.

Our October meeting will be a field trip to Hagerman National Wildlife Refuge. The date is Monday, Oct. 20. We will be carpooling and you should bring a sack lunch for a wonderful picnic. It should be nice to sit and enjoy the wildlife, peace and quiet.

TWITTERS: What birds have you seen this summer in your backyards? Since early spring we have been lucky enough to have a pair of Eastern Bluebirds in and around our backyard. We do not have a ‘regulation’ bluebird house, but they protected the one they were using for their brood every day from mockingbirds. Last week the whole family was enjoying a swim in the birdbath. It was really fun to watch them. Remember our feathered friends do need to have water and food available to them, especially in the hot weather.

GOURMET CLUB

Gourmet Club is having our first meeting on Sept. 16 in the Pavilion. This will start at 6 p.m. and will be a Fiesta Jolgorio (To Binge). DJ Kirk Hamilton will entertain us. We are looking forward to a fun evening.

Beginning Bridge Lessons

The Bridge Department is sponsoring an introductory, beginning bridge class this fall. If you have never played before, come learn about this great game. The first three classes are for those who have no experience playing bridge...we are starting from the beginning. If you have played and want to learn more about certain aspects of the game or want a refresher, look in the CommunQue next month to see what we plan to be teaching. The month of September, however, is for BEGINNERS. There will be a nominal fee for materials.

Our class will meet Thursday mornings from 9:30 until 11:15 a.m. If you are interested in joining us, please call Peggy Carpenter (665-4294) or Jan Thompson (665-6651).

Here is our proposed schedule: Sept. 18 - The Deck and the Deal, What is a Trick?, The Bidding Scale, Declarer and Dummy, Playing the Hand; Sept. 25 - Hand Valuation, Roles of the Partnership, Opening the Bidding, Taking Tricks; Oct. 2 - More of the former and playing some hands.

BIBLE STUDY CLUB

It’s autumn once again and Bible Study begins on Tuesday, Sept. 23. All dues-paying KWC members are welcome to attend. Our meeting time is 10 until 11:30 a.m. the fourth Tuesday of the month.

This month we will meet in the home of Linda Stroup at 1207 Kiowa Dr. W. We will continue our study of the Book of Genesis with Mary Frances Covington of Whitesboro leading us. If you are new to Lake Kiowa and new to the KWC, please accept our special invitation to attend a wonderful time of food, fellowship and Bible teaching. All regular attendees are encouraged to bring a friend to our special kick-off meeting!

September 2008  CommunQue 19
The Rally Committee would like to thank everyone who has been working to support our efforts to raise money for the Susan G. Komen for the Cure Foundation.

Walkers have registered for the Moberly Challenge Walk to be held Sept. 6. You can show your support of the walkers by cheering them on as they make their way around Kiowa Drive beginning at 7 a.m. PINK will be the color of the day and signs, balloons and ribbons will make the event more special.

That evening plan to attend the Les Gilliam Concert at the Lodge. Tickets ($10) are available at the First State Bank, Cole Insurance, the Kiowa Hometown Pharmacy or from any Rally Committee members (Julia Mayo at (940) 668-0710, Fran Adams at (940) 668-1069 or Sarah Franklin at (940) 668-7922).

Don’t forget to get your tickets for the Lake Kiowa HEE-HAW 2008 Rallydrama featuring local talent. These folks have been rehearsing since July and it is sure to be a fun evening. There will be two performances (Friday, Sept. 12 and Saturday, Sept. 13). You can purchase the $10 tickets from any Committee member or at First State Bank, Cole Insurance, or the Kiowa Hometown Pharmacy.

The BIG day will be on Oct. 1 when the lady golfers tee off to raise money at the Seventh Annual Rally for the Cure® golf tournament.

YOU don’t want to miss the Hee Haw 2008 Rallydrama to be performed at 7 p.m. on Sept. 12 and 13. This event is supported by the MGA and the WGA to benefit the Rally for the Cure®. The cast includes many golfers and we also have many of the original cast members from the 2001 production that are joining us again this year. Get ready for some pickin’ and grinnin’ with all local talent.

THE MOBERLY CHALLENGE WALK 2008
LAKE KIOWA WALKS IN SUPPORT OF RALLY FOR THE CURE®

This is an important part of the Rally program. The walkers love to hear encouragement from their sponsors and friends. Be sure to line the route and cheer on your favorite walkers.

This event is sponsored by Gainesville Landmark Bank and prizes will be given for:

- The Oldest walker to finish
- The Youngest walker to finish
- The most money raised from Sponsors

Starting time will be 7 a.m. at the Pavilion. Thank you for your support last year. Let’s make this year even better. Walking will help keep you healthy and at the same time meet a great challenge. All monies raised by this event will be donated to Susan G. Komen for the Cure.

RALLY RESPONSE - Lake Kiowa had an awesome response to the 2008 Rally for the Cure® entry applications from the WGA members who have signed up to play Oct. 1. The format will be a Pro-Am Scramble. The Pros are the WGA low handicap players. There will be three flights. The Pro plays her own ball and the other four ladies scramble, with the low score of the two recorded. All the ladies love to play golf, but they will be aiming to win a cure. All money raised will be donated to the Susan G. Komen Foundation.
Breast Cancer Survivors Attend Memorial Event in Dallas

(Left to right): Linda Moore (4 years), Janelle Cohoon (5 1/2 years), Linda Cooke (6 years), Clara Lemming (16 years), La Vona Duryea (13 years), Nancy Anderson (10 years), Lanelle Little (18 years) and Julia Mayo (3 years).

Eight breast cancer survivors from Lake Kiowa attended the 2008 Joanie Hatcher Memorial Survivor Event at the Anatole Hotel in Dallas on Saturday, Aug. 16. The Jim and Joanie Hatcher Charitable Trust sponsored the event. Joanie lost her battle with breast cancer in 1996. Her husband Jim has honored her wish to him to “make it better” for breast cancer survivors in the Dallas area giving gifts of love through survivor programs and other events through the trust.

TIME TO THINK PINK

Get ready to think PINK. The Seventh Lake Kiowa Rally for the Cure® benefiting Susan G. Komen for the Cure will be on Wednesday, Oct. 1. Please decorate your home, wear pink clothes, use pink signs of support in your yard. Pink ribbons or Pink balloons for your trees or any other creative pink ideas you can dream up to support our ladies. Pink on your golf cart is a sure way to show you’re behind them 100%. Also be sure to wear Pink the first Wednesday in October to show you care about this worthy cause.

Please think seriously about being a Hole Sponsor for one of the golf tee boxes. Your name will be put on a sign and be on display at one of the eighteen tee boxes on the day of the Rally. This is a great way to honor a loved one who has had breast cancer. The minimum cost for the tee box sponsors is $100 and this money will be donated to the Susan G. Komen for the Cure Foundation for research. Please call Elaine Blackwell at (940) 668-7491, Regina Carnley at (940) 612-0252 or any Rally Committee member for further information.

If you would like to contribute gifts for door prizes or items for the “goodie bags” to be given to the 135 golfers on the day of the tournament, please contact Marcia Hammond at (940) 665-0707.

Remember someone special with a hand-painted Rally for the Cure® Christmas Ornament that can be personalized with the name of the person you want to honor. The ornaments, painted by Jayleane Smith, will be available at the September Kiowa Woman’s Club meeting or by calling Julia Mayo at (940) 668-0710 or Sarah Franklin (940) 668-7922.

The July 11, 2008 Couples Golf Tournament had a great turnout for the Red/White/Blue Scramble. Our president used his influence with a higher source and we were blessed with a somewhat cooler day than normal for this time of year.

Thanks go to our new chef and his staff for a wonderful buffet with Chicken Tenders and Fried Catfish with all the trimmings. Good job!!!

Eight places were paid. The first three teams were: 1st - Becca and Steve Jackson, Tracie and Paul Sellers; 2nd - Marcia and Bob Brown, Madonna and Harold Baker; 3rd — Kally and Ron Kitchings, Beverly Ross and W. T. Gary.

The September Sunday Couples Golf event will be Sept. 14 at 12:30 p.m. at the Pro Shop, with a 1 p.m. Shotgun. The format will be a Hot Seat Scramble. All players hit a drive, and then pick the drive to be used. That player will play their own ball as rest of team scrambles from the spot of the chosen drive. BOTH scores will be counted. Everyone is on the Hot Seat at least three times. Anyone can be on the Hot Seat for the remaining holes. You must sign up in the Pro Shop by noon Thursday, Sept. 11. Come join your friends and neighbors.

If you are losing trees or if trees are looking sickly, just removing the dead trees is not enough. Something killed them and most likely it was a contagious disease that must be diagnosed by a professional and dealt with this year. MGA Playday - Saturday, Aug. 9

The format was a ‘Paycuss Shuffle’ Scramble, which was a two-person scramble with both scramble scores counting towards the total score. A&D and B&C players scrambled holes 1 through 6, then A&C and B&D players scrambled holes 7 through 12 and lastly A&B and C&D players scrambled holes 13 through 18. Two drives from each player had to be used for each six-hole segment.

Lake Kiowa Men’s Golf Association
Board Meeting - August 6, 2008

President R. J. Stroup called the meeting to order at 8 a.m. All board members were present with the exception of Izak Botha. Minutes from the MGA July 9 board meeting were read and approved.

Treasurer’s Report: John Wolek, Treasurer, gave the financial report. The MGA had a fund beginning balance of $20,190, with an ending balance of $35,000. Approximately $14,200 is committed funds (hole-in-one pool, etc), leaving an uncommitted balance of $20,800.

Membership: John Beck, Membership Chairman, reported 485 paid MGA members as of the meeting. There are 293 members in the 2008 hole-in-one pool.

Tournaments: The Saturday, Aug. 9 playday format will be the Paycuss Shuffle Scramble. Players AD/BC scramble holes 1 through 6, players AC/BD scramble holes 7 through 12 and players AB/CD scramble holes 13 through 18. Both scramble scores are recorded for each hole.

Old Business: David Long reported that the greens are not getting any worse. Water and soil samples have been taken and sent to several labs for analysis. A report to the MGA membership on the lab results and status of the greens will be presented at the Sept. 13 meeting.

New Business: A proposal for an interim solution to the shade problem at the east end of the Pro Shop was discussed at length. There was unanimous agreement that the best option is the 2-3 remote controlled SunSetter Awning System. It can be installed quickly, cost effectively and provide an interim solution until a more permanent structure is built. The MGA (and possibly the WGA) will fund the proposal estimated to be $4,000-$5,000.

The meeting adjourned at 10 a.m.

Lake Kiowa Open Tournament

Fifty-six players braved the August heat to compete in the Lake Kiowa Open on Aug. 1 and 2. The Open is an individual tournament using a Stableford (point quota) format with the players divided into flights based on their established handicap. Players received 1 point for Bogey, 2 points for Par, 4 points for Birdie, 8 points for Eagle and 10 points for a Double Eagle or Hole-In-One. Each player was assigned a point quota based on their handicap and, after Saturday’s first round, quotas were adjusted by 50% based on how much the player scored over or under their quota. Following Sunday’s round, whoever had the most points was the winner. As the players finished their Sunday rounds, they were treated to cold beer and snacks in the 19th Hole while they waited for their flight’s scores to be posted.

The four highest total points in each of the four flights received merchandise payouts. Curtis Hampton took the first flight at +8, followed by Gary Atterbury at +6, John Schneider at +3, and Joe Dorman at +2.

The second flight was won by Donny Salinas at +3 1/2. Ed Tomlin and John Nash were both at +2, but Ed prevailed in a scorecard playoff, while Stoney Ewing finished fourth at +1 1/2.

Chester Baker at +6 edged Harold McFarling at +5 to win the third flight while Bill Parish was +4 for third and John Seefeldt was fourth at +3.

In the fourth flight, George Rudy eked out a half point victory with 7 points to second place finisher Jack Thies’ 6 1/2 while Mick Weatherly, also at 6 1/2, lost the scorecard playoff to take third. In fourth place was Bill Frazier at +3.

Despite temperatures in the 100’s, despite four flights receiving merchandise points was the winner. As the players finished their Sunday rounds, they were treated to cold beer and snacks in the 19th Hole while they waited for their flight’s scores to be posted.

Did You Know . . .

1. Rule 10-3
Order of Play for Provisional Ball
Q. If a player is to play a provisional ball from the teeing ground, is there a specific order the provisional ball must be played?
A. Yes. The provisional ball must be played after all others have played their first stroke.

2. Rule 12-1
Loose Impediments Moved in Hazard While Searching for Ball
Q. While searching for her ball believed to be covered by loose impediments in a hazard, Heather moved some twigs and leaves. What is the ruling?
A. Under Rule 12-1, there is no penalty. Rule 12-1 overrides Rule 13-4 when a player is searching for her ball in a hazard in a situation where she believes the ball is covered by loose impediments or sand.

3. Rule 15-3
Wrong Ball Played from Hazard
Q. A player plays a ball from a hazard (water hazard or bunker) onto the putting green. Once on the putting green the player realizes the ball he played was a wrong ball. What is the ruling?
A. In match play the penalty for playing a wrong ball is loss of hole (Rule 15-3a).

In stroke play, the player inures a penalty of two strokes (Rule 15-3b). The stroke played with the wrong ball does not count in his score for the hole. The player must correct the error by playing out the hole with the correct ball (his original ball). If the player is unable to find his original ball he must proceed under the lost ball Rule (Rule 27-1).

Rule 12-2
Lifting Ball for Identification
Q. Am I permitted to lift a ball that I believe is mine to identify it?
A. Yes, under Rule 12-2, a ball may be lifted for identification. The player may be done anywhere on the course, including when the ball lies in a hazard (Rule 12-2).

This hope was helpful to jog your memory, or if you’re a new player to learn some of the rules.

Handicap Committee
On Wednesday nights we have one session that starts at 7 p.m. (please sign up prior to 6:55 for the 7 p.m. session). On most Friday nights there are two sessions, one at 7 and one right after completion of the first session (typically at 9:20). The last Friday of the month is our end-of-the-month tournament, one session starting at 7 p.m., with prizes generously donated by the Lodge (Thank you, Brett and staff). The end-of-the-month tournament will have a maximum of 72 players. The top 48 point finishers are automatically entered, and any players with points for the month will fill out the field; if you have not played that month you can play, but will not be eligible for prizes.

The results for the July poker nights: 7/2/08 - Tom Blackwell; 7/4/08 - Bill Jacobsen; 7/5/08 - Tom Blackwell; 7/9/08 - Robin Howell; 7/11/08 - Tom Blackwell; 7/16/08 - Roger Heerema; 7/18/08 - Janice Seefeldt; 7/23/08 - Bill Jacobsen; 7/25/08 - B. R. Clements; 7/28/08 - Merlene Miller; 7/30/08 - Jim Lewis

We had two sessions of poker for the 4th of July celebration. The LKPOA donated a weather radio/alarm clock as a prize for each session. On the 4th of July Bill Jacobsen ousted B. R. Clements for the prize and, on the 5th, Tom Blackwell managed to win the last hand from Allene Johnson.

There is Annie Duke and Howard Lederer, Jennifer Tilly and Phil “the Unabomber” Laak, Michael and Lily Mizrachi, Jennifer Harman and Marco Traniello and Doyle and Todd Brunson. These are all fairly well-known couples or family members who play high stakes poker. It leads me to this month’s topic. I looked at July’s list of participants and I wanted to just mention the family associations that played that month. B. R. and Sharon Clements, Tom, Elaine and Scott Blackwell, George and Sharon Chapman, Merlene and Ronny Miller, Roger and Dottie Heerema, James and Geri Pollard, Randy, Kim and Robin Howell, Debbie and Randy Romines, Larry and Barbara Reed, John and Janice Seefeldt, Lou and Karen Vander Molen and Hank Pyott, Jim and Pat Mead, Mike Bitsche and Leanne Eastep, Chuck and Susan Carson, Dave and Frank Berry, Steve and Becca Jackson, Paul and Pam Liscomb, John and Margie Nash, Frank and Cheryll Amthor, Keith and Theresa Cole, Tom and Jo Nardecchia, John and Anita Bros, Jay and Margie Titus, Paul and Jennifer Mason, Sheila and Marvin “Junior” Crew, Bill and Jan Dalton, Carolyn, Laura and Sandra Mahoney and Zach and John Hadel. (Please forgive me if I missed anyone on this list.) This is just for the month of July.

The list is arranged by the point list for July. It is the ongoing support, attitude and atmosphere created by these great families that makes the Lake Kiowa Hold’em Poker Club the success that it is. I want to thank you all for making our Wednesday and Friday nights so much fun. I encourage you to keep bringing your families and guests. I also encourage any Lake Kiowa residents that haven’t participated in our poker sessions to come and see what it is all about. See you on Wednesdays and Fridays when it’s time to shuffle up and deal.

Lake Kiowa Fishing Limits

Bob Lusk, Fisheries Biologist and Lake Management Consultant, made the following fishing limit recommendations. These recommendations have been given careful consideration to keep a thriving ecological habitat for Lake Kiowa.

The Angler and Conservation Club has fully endorsed the following fishing guidelines for Lake Kiowa:

- **Rainbow Trout:**
  - 5 Per Day, Per Person

- **Black Bass:**
  - Keep Black Bass between 10-15 inches; 5 Per Day, Per Person.
  - Release all other Black Bass under 10 inches and over 15 inches.

- **Crappie:**
  - Keep over 10 inches; 10 Per Day, Per Person.
  - Release all under 10 inches.

- **White Bass:**
  - No Limit.
  - Otherwise known as Sand Bass.
  - Remove all you can.

- **Perch:**
  - No Limit.

- **Channel Catfish:**
  - Keep fish over 14 inches; No Limit.
  - Release all under 14 inches.

- **Drum:**
  - No Limit.
  - Remove any caught from lake.

- **Carp:**
  - No Limit.
  - Remove any caught from lake.

TROT AND JUG LINES ARE NOT PERMITTED

Dock owners are encouraged to provide cover for the fish under your docks. Make sure the trees are securely anchored not to interfere with boat traffic. Feed the fish! Dry dog food or pellets especially made for the fish are readily available at feed stores. For questions, feel free to contact Mike Bitsche for specifics.

SECURITY REPORT
July 16 – August 12, 2008

Security officers, as part of their initial training, are told to never treat any patrol function as routine or mundane. The validity of this counsel was certainly borne out on the morning of July 24 as Security patrol responded to the Kiowa Pharmacy and was confronted by a desperate individual who chose to use deadly force in an effort to make his escape. With the indispensable aid of private citizens and the prompt response of the Cooke County Sheriff’s Office, all suspects in the burglary/theft case were quickly taken into custody. Security officers responding to the report of a golf cart accident on Aug. 10 were given the opportunity to employ their first aid training, stabilizing the patient until the arrival of LKVFD EMTs. Security dispatchers monitored this and 24 other emergencies for the fire department. Five ambulances were escorted to medical emergencies within Lake Kiowa.

Security personnel handled a variety of calls during this reporting period. Fourteen motorists were given the opportunity to employ their first aid training, stabilizing the patient until the arrival of LKVFD EMTs. Security dispatchers monitored this and 24 other emergencies for the fire department. Five ambulances were escorted to medical emergencies within Lake Kiowa.

Animal Control Officers were dispatched to 25 stray dog calls and 2 barking dog complaints. Five varmints were caught in traps. Five dogs were transported to Noah’s Ark shelter. Sixteen citations were issued by the Security Department and are categorized as follows: 4 leash law, 4 failure to use parking cones, 1 failure to pull over for Security, 1 failure to display pet vaccination tag, 1 reckless driving, 1 damage to property, 1 operation of jet ski after sunset, 1 violation of juvenile curfew, 1 no golf cart license and 1 public intoxication.

Chief of Security
The policy and purpose of this publication is to inform all residents of events and activities within our community, to report on actions and decisions made by our Lake Kiowa Property Owners Association Board of Directors, and to publish the results of the Board’s decisions for everyone to know that there are problems being worked on and remedies are being sought.

The following items will be accepted for publication: Events and information about Kiowa organizations that are open to all residents; events in our surrounding communities when Kiowa residents may be involved in them; and items of a personal nature that reflect on the generous character of our residents or a milestone in their lives.

A Letter to the Editor should be less than 350 words in length and will be accepted if it presents a thoughtful and constructive view to an issue that may be controversial within our community. It may be reviewed and verified for factual accuracy by the appropriate authority. The factual clarification will be published along with the letter. The letter should be typed or legible handwriting, signed by a verifiable resident, and will be published unedited with misspellings indicated when necessary. If handwriting cannot be easily read, it cannot be used. The CommuniQue will not be responsible for misreading a handwritten letter. A letter may be redacted if space is limited. If several letters are received expressing the same view, one may be chosen for publication. Letters containing personal attacks, self-promotion, or advertising will not be published. Letters to the Editor do not necessarily reflect the view of this newspaper or its advertisers.
1.2 Major Duties of the Board
- Oversee development and approval of a long-term corporate plan and approve annual budgets and operating plans;
- Define and/or safeguard the organizational mission, values and operating principles within which it expects the LKPOA to be administered and to review these periodically;
- Govern the LKPOA through broad policies and planning objectives approved by the Board, formulated with the Community Manager and staff, and reviewed periodically;
- Select and support a Community Manager to whom the responsibility for administration of the Association is delegated;
- Review and evaluate regularly the performance of the Community Manager on the basis of a specific job description and approved objectives;
- Seek and secure sufficient resources for the LKPOA to finance its programs through interpretation to the community;
- Account to the membership for the services of the LKPOA and expenditures of funds;
- Ensure prudent and proper management of the LKPOA resources;
- Establish the general framework in which the LKPOA human resources will be managed and periodically monitor key human resource performance indicators;
- Approve and periodically review personnel policies with which human resources will be managed;
- Set guidelines within which management may establish pay and benefits for staff;
- Regularly review the Association’s services to ensure that they are consistent with the purpose of the LKPOA and that its programs are effective and relevant to community needs;
- Represent the LKPOA and its programs through interpretation to the community;
- Serve as an advocate for services of good quality;
- Hear complaints from property owners and membership about services or functions through a formal procedure.

1.3 Due Diligence – Responsibilities of Individual Board Members
Each Board member is expected to become an active participant in a body that functions effectively as a whole. In addition to assisting in the exercise of the major duties of the Board outlined above, members are responsible to exercise due diligence in the performance of their duties. They are responsible to:
- Be informed of the articles of incorporation and legislation under which the LKPOA exists, its covenants, bylaws, rules and procedures, mission, values, code of conduct, and policies as they pertain to the duties of a Board member;
- Keep generally informed about the activities of the LKPOA and the community, and general trends in community association legislation and operations.
- Attend Board meetings regularly, serve on committees of the Board and contribute from personal, professional and life experience to the work of the Board.
- Exercise the same degree of care, diligence and skill that a reasonably prudent person would show in comparable circumstances.
- Offer their personal perspectives and opinions on issues that are the subject of Board discussion and decision.
- Voice, clearly and explicitly at the time a decision is being taken, any opposition to a decision being considered by the Board.
- Maintain solidarity with fellow directors in support of a decision that has been made in good faith in a legally constituted meeting, by directors in reasonably full possession of the facts.
- Ask the directors to review a decision, if he/she has reasonable grounds to believe that the Board has acted without full information or in a manner inconsistent with its fiduciary obligations, and, if still not satisfied after such review, ask that the matter be placed before the membership.
- Work with the staff of the LKPOA on committees or task forces of the Board.
- Know and respect the distinction in the roles of Board and staff consistent with the principles underlying these governance rules.
- Exercise vigilance for and declare any apparent or real conflict of interest with the LKPOA covenants, bylaws, rules and procedures and the governance policies.
