Lodge Staff Members Rescue Stricken Swimmer

The life of a Lake Kiowa resident was saved during Father’s Day Weekend thanks to the rapid reaction of four of our Lake Kiowa Lodge employees. Things happened very rapidly, but the outcome was positive.
The restaurant and 19th Hole was full of customers, and the staff was busy. Suddenly a woman rushed into the 19th Hole and shouted for someone to call 9-1-1. A man appeared to be drowning. As Madison Howell was making the phone call, Amy Mohan, Floor Manager, dashed into the kitchen to see if anyone there knew cardiopulmonary resuscitation (CPR).

Two of the cooks, Michael Nicholson and Jason Lange, both said that they did and they ran out of the building and down to the West Beach. They found a man with his legs and feet in the water. Jason immediately began to administer CPR while Michael held the gentleman’s head in the correct position to keep his airway open. Amy helped keep the crowd away and shade the man, as the temperature was very high and the sun very hot.

After his extensive efforts, Jason succeeded in resuscitating the man and getting him to cough up the water he had taken in. He began to breathe again. Jason and Michael were able to roll him onto his side and they ensured he continued to breathe. They estimate that this rescue process took some 7-8 minutes, at which time LKVFD Chief Joe Rider reached the scene. He took over the situation and treated the victim until the ambulance arrived a few minutes later to transport the gentleman to the hospital.

Later on, Amy made the suggestion that the entire Lodge staff be trained in CPR. LKVFD volunteer fireman Ricky Bell subsequently provided this essential training.

Our hats are off to the intrepid Lodge staff members who performed a remarkable feat in saving a man’s life. Well done!!

Board Notes July ...

The past month had an unbelievable disappointment. Late in June the restroom facility at the East Beach was trashed by vandals. Just last spring the remodel project of that facility was completed at the cost of approx. $25,000. The cost to restore the facility will be approximately $8,500.

What were “they” thinking? Disappointed indeed, the community has been “dissed” by a few at the expense of us all.

(On July 19 more damage was done to the men’s restroom!!!)

Traffic conditions at Lake Kiowa have been a topic of discussion in the past and it continues to be a popular topic today. The movement of traffic in our community has been studied several times. Our community was established, designed, and constructed 41 years ago! The roads that served the community in 1968 still serve us today. Today the uses are more varied than the designers ever imagined. We are no longer a quiet undiscovered retirement community as the demographics have changed over the years.

In the near future, there will be some subtle changes to signage, vegetation trimming and traffic monitoring. The only real solution to the traffic concerns at Lake Kiowa is obeying the traffic laws combined with patience and consideration in all circumstances.

Chief of Security
Once again a wonderful group of Lake Kiowa volunteers came together to present a Fourth of July celebration to remember. From the flag-raising ceremonies to the grand finale of fireworks, it was a busy and patriotic display.

Thank you to Boy Scout Troop #7777 led by Randy Bell that performed the flag-raising ceremony and also to the Lake Kiowa Chapel Choir directed by Glenn Wilson that performed a selection of patriotic songs to set the mood for the day. Then the skydivers began a descent onto the golf course; the final parachutist carrying Old Glory was a thrilling sight to see.

All the people who entered floats or golf carts in the parade are to be commended for their efforts. Parade marshals Maureen Anselmi, Katherine Thacker and Clara Lemming did a great job in helping to line up the parade and to keep the gaps closed up and the parade moving. It finished on time and without any major incident.

The biggest highlight of the parade was the performance of the 395th U.S. Army Marching Band from Oklahoma City. A special thank you to Blue Star parents Judy and Don Neal and John and Jane Leatherman. Bob Bingham was instrumental in setting up the Blue Star mothers and their convertible escorts. The three parade decoration winners were: Most Patriotic – Lot #1553 (Dave and Sharon Adama); Most Beautiful – Lot #485 (Lavene and Steve Bialas, decorated by Julia and Laura Pfeffer); and Most Creative – Lot #992 (Ashleigh and Ryan Trout). Congratulations to all these winners for a great bunch of decorations and for presenting judges Jacque Waghorne, Justin McMurry, Nona Tipp, Genevieve Avinger, and Iliene Neese with very difficult decisions.

The announcer for the parade and the entertainment tent was the perennial microphone master Lloyd Hutto, who did his usual exuberant job. Jan Dalton was extremely helpful in lining up and scheduling the entertainment. It was a good mix of singers, dancers and karaoke fun.

The Army band again did an outstanding job by leading off the entertainment with some rousing patriotic music. The line dancers got everyone in the tent involved in learning this type of dance and they seemed to thoroughly enjoy the exercise despite the heat.

R. J. Stroup and Brent Reed seemed to be everywhere. R. J. was there early and set up the PA system for the Chapel Choir, then proceeded to the game area to finish setting up all the game booths he had worked on the previous day. Both he and Brent worked booths and seemed to really enjoy watching the kids have fun. R. J. coordinated all the game booths for the MGA and did a superb job. After all this, he still found time and energy to play and sing with his band in the entertainment tent. The boat rides were very popular again this year and Lou VanderMolen did everything he could to ensure a pleasant and safe experience.

Genny Koziol and the Kiowa Woman’s Club had a busy day in the cakewalk, which seems to grow each year. They had some 89 cakes to give away this year. Bob Hennessey had a huge crowd in the Bingo room. Bingo was followed by the Texas Hold’em game put together by Ed Bryant and Jim Lewis, an event that is always a crowd pleaser. Arts and Crafts displays had a busy day thanks to the efforts of Fred Anderson. Jim Gary arranged for his classic car club and others to bring out some really nice classic cars to display. Members of Kiwanis, the Kiowans, the Computer Club and the WGA worked tirelessly manning their booths and what they accomplished is much appreciated.

Joe Rider outdid himself this year on the fireworks show that really lit up the skies to the delight of young and old alike.

A special thank you goes to Jim Lewis and his helpers who had the unenviable job of setting up the ticket booth and tracking all sales and receipts. Also, none of this could have been accomplished without the help of Randy Schmalz and his group of maintenance and security personnel.

There is probably not enough room in this brief message to thank all of the people involved in making this celebration such a success, but you know who you are. Be assured that you have my full gratitude and the gratitude of the entire community for your efforts. I know who you are. Be assured that you have my full gratitude and the gratitude of the entire community for your efforts. Thank you all!!

Don Thacker, Chairman, Celebration Committee
The 4th of July holiday is often thankless, with long hours dealing with property owners and guests who are sometimes intoxicated and abusive. Unfortunately, vandals have struck again this year, damaging the restrooms on the East Beach and spraying graffiti on street signs. The maintenance budget this year is very tight with a very small cushion. These acts of vandalism are going to eventually cost all of us in increased maintenance fees. This is not a threat—it’s a promise if we don’t put a stop to it. Officers in our Security Department and the Cooke County Sheriff’s Department all agree that the vandals are our own and are not from outside the community. I can’t imagine how somebody could have such disregard for someone else’s property to destroy facilities used by all the residents of Lake Kiowa.

There are two rules that I would like to remind property owners of. As of August 2007, Lake Kiowa has a curfew for those under the age of 17. This is found in Rule 4.3.1.1r, Juvenile Curfew, which states:

“Any person under 17 years of age is prohibited from being on the commonly owned areas or in commonly owned facilities between 11:01 p.m. and 6:00 a.m. of the following day during Sunday through Thursday, or between 12:01 a.m. and 6:00 a.m. during Saturday and Sunday unless the person is:

1. Accompanied by a parent or guardian,
2. On an errand at the direction of the parent or guardian,
3. In transit directly from a point of entrance to the community to the place of residence(s) of the juvenile(s) in the community, or
4. In transit directly from a place of employment in the community to the place of residence(s) of the juvenile(s) in the community, or
5. Involved in an emergency, or
6. Attending an event supervised by adults and sanctioned by the LKPOA, or
7. Married.

Before taking any enforcement action under this rule, a Security Officer shall ask the apparent offender’s age and reason for being in or on the commonly owned area or facility. The officer shall not issue a citation under this rule unless

The officer reasonably believes that an offense has occurred.

“Commonly owned areas or facilities are defined as any place within the boundaries of the Lake Kiowa community not owned by a private individual and includes, but is not limited to, parks, beaches, structures, streets, roads, golf course, Lodge, etc.”

The second is Rule 4.3.11.d.(7) Cart Equipment Requirements. The reconstruction of the golf course is moving along and, by the time you read this, the reconstruction should be complete. When the course reopens in September, golf carts used on the course will require " turf tires." Rule 4.3.11.d. (7) clearly states, “All carts must be equipped with turf type tires at least eight inches in width. All terrain or other tread design/tyres that could cause damage to the course are prohibited.” In the past, some property owners were allowed on the golf course with “all terrain” tires installed on their carts. In September, these tires will not be allowed.

Community Manager’s Report

The July 4th Celebration has come and gone and, from all accounts, it was a tremendous success. I cannot thank enough the volunteers who took time away from their family and friends to help in putting on the event. Don Thacker and the Celebration Committee worked tirelessly through the heat of the day to ensure that all had a great time. We all owe them our thanks for their hard work.

Just as was the case last year, emphasis was on lake safety. Once again, lake rules were inserted with the monthly billing, and handouts were distributed at both gates. The increased penalties the Board approved last year for repeat violators have had the desired effect. There were no lake-related citations over the 4th of July weekend. Again, I would like to thank the security officers who worked away from their family and friends to ensure that all had a great time.

SKI Visits Egypt

The SKI (Spending Kids’ Inheritance) Club went to Egypt recently. We had a follow-up dinner at the Lodge Sunday evening, July 19 to eat and share all the great memories we have together. Of course, there was talk about where to go next year.

Thanks to everyone at the Lodge who made our time together and our meal perfect.

ALL-IN-THE-FAMILY CLOTHES CLOSET

The All-in-the-Family Clothes Closet has been in operation one year. This endeavor began when Jacque Waghorne heard that high-school students were dropping out of school because they had no school clothes.

The closet has grown in miraculous proportions. Now there is a classroom full of clothes from infants to adults at Rad Ware Elementary. The closet is open the first Saturday of each month August through June.

There is also a closet at Callisburg High School. Nancy Mountcastle keeps a closet at the Gainesville State School. When it is time for a boy to leave the school, he is given a duffle bag and gets to choose clothes from the closet. Clothes are also given to the Denton State School, Claude Jones Day Care Center, local nursing homes and CASA children, and uniforms are provided for students in Gainesville schools.

As school begins, items needed for the closet are belts, ties, blankets, sheets and, of course, school clothes. It would help so much if you would keep the clothes on hangers. Thank you all in advance for your gracious assistance.

All of this has been possible due to your generous contributions. Now we would like to have a garage sale to raise money for new underwear, socks and belts for the State School boys. We also need storage shelves and movable racks.

Would you please help again by collecting garage sale items? A sale will take place Sept. 12 at the Lake Kiowa Mini Warehouse from 9 a.m. to 3 p.m. Please call Jeanie Kelley at (940) 665-7527 for information on where to leave items.

Lake Kiowa Quilting Bee

DONNA ENGELS and her granddaughter Madison Engels of Frisco. Madison made the doll quilt with assistance from Grandmother Donna.

The Kiowa Quilting Bee meets the first Monday night of each month at the Lodge at 7 p.m. They will be having another Retreat at the Lodge Aug. 19. Come and go as your time allows and enjoy stitching with the Bee and getting new ideas.

PLEASE….LET’S ALL RECYCLE

I hope all of Lake Kiowa residents will join John and me in using the most affordable ($5 per month) IESI recycling program which starts soon. If we take advantage of this opportunity, think of how much less space will be needed for disposing of all waste at the transfer station.

Please call the LKPOA office at (940) 665-1055 and sign up now!

P.S. This is not a “paid political announcement,” just a heartfelt request.

Dear Friends of Lake Kiowa,

We would like to extend our sincere gratitude for all of the food, flowers and cards sent to our family in remembrance of my husband, and wonderful father, Mundy I. Peale, Jr.

He truly loved this community and enjoyed his life here to the fullest playing golf and tennis and serving on the board of this beautiful community.

We appreciate all of your kindness that has been a constant presence during this time. Your thoughts and prayers have been a blessing to our family.

Our love to you all.

Dear Friends;

We would like to thank all our Kiowa friends and neighbors for the cards, phone calls, prayers, and sharing of wonderful food and goodies.

Margene would like to impress upon everyone the importance of regular mammograms. The new digital mammogram machine at A. H. E. C. can find the smallest cancer. Margene's cancer was stage 0, removed by two mammograms. The new digital mammogram machine at A. H. E. C. can find the smallest cancer. Margene's cancer was stage 0, removed by two mammograms.

Hats Off to Our COWBOYS for CASA Sponsors!

Our LKACC (Lake Kiowa Angler & Conservation Club) Fourth of July boat rides were a success, but only due to the many hard-working Lake Kiowa volunteers. I just wanted to take the time to thank everyone.

Thanks to Bill Dalton, Jim Wilson, Bill Jacobsen, Bob Ruda, and Sandra and Laura Mahoney for donating their boats so others could see our gorgeous Lake Kiowa homes from the water. Thanks to Keith Cole, Bobby Andrews, Bob Bingham, Bob Ruda, Jim Wilson and Bill Jacobsen for driving the boats in the heat, navigating the rough waters, and keeping everyone safe. Thanks also go to Kara McDonald, Leslie Tomisch, George Davis, Denny Engels, Bobby Andrews, Bob Bingham, John Stewart, Bob Ruda and my wife Karen for being the dock workers, scheduling rides and collecting tickets.

All of our events are only possible through our network of generous volunteers. Please think of volunteering for your favorite club or cause. My mother always said, “Many hands make light feet.” This is what separates us from other communities. We volunteer because WE CARE!

Sincerest thanks,

Lous Vander Molen.

INDEPENDENCE

I thought of writing this for the Fourth of July but then I realized everyone was celebrating: good food, family, fireworks, and maybe even the flag, our soldiers and more. So I thought this might be a good time to tell you about the celebration of independence.

I have been told that my first signs of independence were when I was quite young. I was still in the crib and one day my mother found me jumping up and down singing to myself. She always maintained my words were desus dice. My young father at that time used a few profanities quite regularly so evidently I was really singing “Jesus Christ” as loudly as I could. The next thing I told them was if I could put toothpickles in my eyes to keep them open I would. I guess that way I wouldn’t miss anything. At my age I may still need my eyes to keep them open I would.

Things progressed in our lives the way independent many times through the following years and sometimes succeeded beyond my wildest dreams. Sometimes I failed miserably. But it was always my decision.

I tried declaring myself independent many times during the following years and sometimes succeeded beyond my wildest dreams. I kick the irrational. But it was always my decision.

Now I find myself facing with reading back over our national Declaration of Independence and comparing it with things I hear on the news and read in papers and books. Again, I will have to be myself and make my own decisions, but I know in my heart that this declaration holds good for me. How about you? Read the documents again and make your own decisions. Maybe it is time for us to make our declarations known.

Genealogy

We will continue with genealogy meetings for the summer months and on through December. Please note that we will meet on Aug. 18, Sept. 16, Oct. 2 and Nov. 17 at 1 p.m. on those dates at the Lodge.

The May genealogy tour of Ireland was so successful we are going again in October. Dates are Oct. 9–25 for two weeks in Ireland. We will add on 10 days in Scotland and England for those who wish to do some unusual sightseeing in those countries. Genealogy is always an option when I am along as your “resident genealogist.”

We need eight persons for this trip to leave so let my travel agent know as soon as possible if you are interested. Each trip is individually designed so you do need to talk with her to let her know where you would like to go, what you would be interested in seeing and, of course, your research needs. Contact Ginger at 1-877-787-7807.

She is the owner of Time Travel Tours and also is a wonderful guide. We usually visit a famous garden or two, Guinness Brewery, City of Dublin, an abbey, castle (ruins and historic homes), stay in the finest hotels and country homes, and partake of haute cuisine as well as marvelous Irish pubs. In other words, there is something for everyone.

Genealogy research will include Dublin City Archives, National Library of Ireland, National Archives, Public Record Office of Northern Ireland, Registrars of Vital Records, churches, parishes and the fabulous Irish coast.

For those who would like to go on this trip, I will discuss aspects of the trip and the research at a meeting in August to be announced.

In September we will discuss Viariana and its records and how to access the repositories and evaluate their records. Learn how much of early Virginia records are still found in England.

October will bring us to a discussion of places to visit locally to find your ancestors. Find out where you can go in Texas on an “ancestor hunt.” There are many repositories right here in Texas that have small gold mines of information hidden in the depths of their buildings.

In November we will celebrate Thanksgiving with our very own “Share and Tell” where everyone is encouraged to share some memorabilia or facts about themselves or their families. Last year was very well attended and we had great fun. I think we all learned something along the way.

SHADOW COPY CAN REVEAL DELETED DOCUMENTS

Q. I upgraded from Home Premium to Vista Ultimate. In the process, I noticed something disturbing in the Documents folder’s Properties. A tab is labeled Previous Versions. I could access documents that were deleted months ago! I know deleted files sometimes can be recovered. But I certainly didn’t expect this. What’s going on?

—Bill in Boise, ID, listening on KIDO 580 AM

A. Congratulations, Bill! You’ve stumbled across one of Windows Vista’s peculiarities.

When you upgraded to Vista Ultimate, you got the Previous Versions feature. This is not available in Home Premium or Basic.

Previous Versions is driven by Shadow Copy. Shadow Copy, in turn, is tied to System Restore. The latter can help you recover previous versions of files and folders. That means you can retrieve documents that are accidentally deleted.

To access previous versions, right-click a file. Then select Properties. Open the Previous Versions tab to see what’s available.

To open a previous version, select it from the list. Then click Open to view it. You can also retrieve a document by clicking Copy or Restore.

You access previous versions of a folder much the same way. Open the folder in Windows Explorer. Then, right-click a blank area inside the folder. Select Properties and open the Previous Versions tab.

In theory, Shadow Copy is a great feature. Unfortunately, it has problems.

First, Shadow Copy exists in Vista Home Basic and Home Premium. So, they automatically create previous versions of your files. But Microsoft did not include access to previous versions.

It is never good when files are copied without your knowledge. The security risk is huge. Consider the sensitive data that resides on your machine. But, you can’t disable Shadow Copy. Nor can document copies be retrieved.

Second, you can’t access them through Windows. But Microsoft did not include access to previous versions. It is never good when files are copied without your knowledge. The security risk is huge. Consider the sensitive data that resides on your machine. But, you can’t disable Shadow Copy. Nor can document copies be retrieved.

Finally, Vista includes the new Instant Search feature. This is handy for finding documents on your machine. But, it can also reveal documents that you thought were gone. Learn to remove these documents from Instant Search now (http://www.komando.com/downloads/category.aspx?id=4885)!)

There are several versions of Windows Vista. And, each has different features. To see how the versions differ, check my handy tip (http://www.komando.com/tips/index.aspx?id=5317).

Do you have Vista Home Premium or Home Basic? Curious to see what Shadow Copy is hiding on your machine? This handy free program will reveal all! Download it now (http://www.komando.com/downloads/category.aspx?id=2931%20).

Chapel services are regularly scheduled at 8 a.m. every Sunday in the Lodge assembly room. Rev. John Hare and Rev. J. Ray Smith are the pastors delivering their messages on alternate Sunday mornings.

Rev. Smith will be delivering the message Aug. 2 entitled “The Forgotten Virtue” with text from Matthew 5:8.

Rev. Hare’s message on Aug. 9 will be entitled “Sore Losers” with text from Genesis 32:22-31.

Rev. Smith’s message on Aug. 16 will be entitled “Your Family Resemblance,” with text from Matthew 5:9.

Rev. Hare’s message on Aug. 23 is “Pay-What-You-Can Christianity” with text from Romans 12:9-31.

Aug. 30, being the fifth Sunday of the month, Holy Communion will be administered. Rev. Hare will deliver the message “All In The Same Boat” with text from Matthew 14:22-33.

Chapel Choir will not be meeting during the month of August with special music instead of choir on the third Sunday of the month. Rehearsals will begin after Labor Day, Sept. 14.

We hope that new voices will be encouraged to meet and sing with them on Monday mornings at 8 a.m.

VISTO is the recipient of food contributed on the third Sunday of every month. All packaged groceries are appreciated but they will make very good use of monetary donations as well. Backpack items for the many children who do not have a supportive home environment are also greatly needed when school is out, but also needed after school begins for the weekends. A dollar spent by VISTO goes much further than your individual grocery dollars, so consider a check made out to VISTO and sent to P.O. Box 607, Gainesville, TX 76241.

The Lake Kiowa Chapel meets regularly every Sunday morning from 8:30 a.m. in the Lodge. All residents and guests are welcome. This is an interdenominational service that may precede your regular church service or a round of golf. Casual dress is always welcome. Please come and share this time with your friends and neighbors on Sunday morning at 8 a.m.

The event time is 11:15 a.m. to 1 p.m. and the cost for the catered lunch is $10. For reservations, call Nancy at (940) 612-2811 by Monday, Aug. 24. The special feature will be Lynette Pettigrew, Main Street Coordinator of Gainesville, who will share what the Main Street Program does for the community.

Nancy Moore from Gainesville will be our special musical guest. Our keynote speaker, Barbara Layton, of Fort Worth TX will share “A Different Point of View.” She is a former banker, stockbroker and financial planner.

Also, join us on Thursday, Aug. 20 at 9:30 a.m. for our next Prayer Connection led by Shirley O’Dell. The location is Genevieve Avinger’s house at 903 Kiowa Dr. E.

THANK YOU FROM THE LAKE KIOWA VOLUNTEER FIRE DEPARTMENT

With the temperature soaring above 100 degrees and the grills and turkey fryers glowing, the July Fourth Celebration charged forward. We would like to thank the Lake Kiowa residents, their friends, and relatives who braved the heat while standing in line to purchase BBQ sandwiches, hamburgers, corn dogs, sausage on a stick, tater twisters, soft pretzels, Sno Cones, and cold drinks from our food booth. We truly appreciate your support.

A special thank you goes to Carl and Evelyn Szatkowski, Eddie and Bonnie Woodruff, Charles Huddleston, Steve Davis, Barbara and Eric Glover and Jon Smith for volunteering to help cook and serve food during the festivities.

**Texas Hold’em Monthly Winners**

End of Month Top Three (L-R):
Geri Pollard, Ted Grant and Marcy Titus.

On Wednesday and Friday nights, our poker sessions start at 7 p.m. (please sign up prior to 6:55 for these sessions). The last Friday of the month is our end-of-the-month (EOM) tournament, which starts at 7 p.m. with prizes generously donated by the Lodge. If you have not played that month you can play in the tournament, but will not be eligible for the prizes.

The Lake Kiowa Hold’Em Poker club generally plays by the accepted rules of tournament poker with a few modifications to accommodate our time frame and, most importantly, the fun factor. Have you thought about playing but are concerned about a lack of experience? Our group has some of the friendliest people around. They will help you out and make you feel comfortable. The results for the June poker nights:

At the time of this writing, all of the World Series of Poker events were completed except the main event. There are only 31 players remaining and the well-known names in poker are mostly gone. Jeff Lisandro won the player of the year award while winning three bracelets this year.

We had some interesting occurrences at our sessions this month. Jay Titus won a hand with a Royal Flush on June 10. On June 17, it was like old home week; we had a couple of people join us that had been absent for a while. Larry Reed and Anita Hughes must have been practicing as they both finished in the top three that night. June 24 was definitely the night for the ladies. Seven of the last nine players were ladies and the last five standing were Pam Liscom, Jonnie Hall, Elaine Blackwell, Kim Howell and Geri Pollard, in that order.

July Fourth Winners (Seated, L-R): John Brots and Anita Brots. (Standing, L-R): Linda Hanson and Jonnie Hall.

A special session was held on the Fourth of July. We had a great time and competed for DVD’s graciously donated by Jim “7 Straws” Lewis. Prizes were awarded for the top four places. The standings were Anita Brots (fourth), Linda Hanson (third), John Brots (second), with Jonnie Hall the winner. I hope you all had a great Fourth! I look forward to seeing our regulars and the new players that are joining us for fun and socializing.

Forestburg Watermelon Festival Parade
August 15

You are invited to be part of the 29th Forestburg Watermelon Festival Parade, which will be held Saturday, Aug. 15. This year’s theme is “Transportation - Then and Now.”

The Parade will begin at 10:30 a.m. at the Forestburg School. Prizes will be awarded in the following categories: Floats, Riding Clubs, Commercial/Business entries, Antique/Collector Automobiles, Antique Farm Equipment and Miscellaneous (individual horse riders, miscellaneous animals, bicycles, motor bikes, four-wheelers, pedestrians, etc.)

While everyone is welcome to participate in the parade, to be considered for an award an entry form must be returned to Jim Clark no later than Friday, Aug. 14. Entry forms or information can be requested by mail addressed to Jim Clark, 477 FM 1749, Forestburg TX 76239 or by calling (940) 964-2405.

Parade participants should arrive at the Forestburg School by 9:30 a.m. Staff will be on hand to assist you with alignment and identification tags. Antique farm equipment and automobiles can unload in the school bus barn area. After unloading, form two lines in the bus loading area. Riding Clubs, individual horse riders and other animal entries will assemble east of the school in the highway right of way. Floats will stage in front of the school in two lines nearest the highway. Commercial/Business entries will be in the middle (third line from highway) and miscellaneous entries nearest the school fence.

Trucks and through traffic should avoid Highway 455 and Highway 922 areas in Forestburg from 10 thru 11:30 a.m. Saturday, Aug. 15. Prizes will be presented at the traditional bar-b-cue lunch served in the Community Center from 11:30 a.m. to 1:30 p.m.

The Forestburg Riding Club will provide rodeo passes to all horse riders and for horse drawn vehicles that participate in the Watermelon Festival Parade. We are looking forward to seeing you at the Forestburg Watermelon Festival Parade.
**NEW LODGE MENU UNVEILED**

A new menu for the Lodge featuring home-style cuisine will be introduced Aug. 12. This change results from analysis of the recent survey requesting input from homeowners as to their druthers. The insert in this issue of the CommuniQue contains coupons you may use to experience the new menu items.

From the President ...

We would like to say a very special “thank you” to all the KWC members and, even a handful of spouses, who made the cakewalk another success at the July Fourth celebration. To those who helped set up, manage, and tear down—we could not have done it without your dedication! We also could not have not done it without our members who donated around 100 cakes. Thank you so much!! Your support is priceless.

To kick off our year, all groups will meet at the Pavilion on Tuesday, Sept. 15 for “Picnic Potluck” with guests/spouses. Watch for details in next month’s CommuniQué.

Theresa Cole

GOURMET CLUB

Calling all Gourmets! All Lake Kiowa Woman’s Club members who are interested in joining Gourmet Club and have not previously signed up with a group, please call now as groups are currently forming and filling up quickly. There are both in-home and out-to-lunch groups. Deadline for sign-up is Aug. 10. Your assigned group leaders will contact you with exciting details. Please call: Kim Howell at (940) 665-1996 or Pat Mead at (940) 665-2193 for new membership.

Summer kicked off with five tables playing at the June monthly meeting. Nancy Jones was high score followed by Jackie Gary second, LaNelle Little third and Becky Brannah fourth. The next Canasta meeting is scheduled for Tuesday afternoon, Aug. 25 at 1 p.m. at the Lodge. All are welcome.

Plans are in the works for a Canasta tournament on Sept. 15 from 10 a.m. to 5 p.m. Pick a partner and sign up with Nancy Bier at nhbierirish@aol.com or (940) 612-2033! Singles also are welcome; we will find you a partner for the day. The cost of this tournament is $5 per person (for cash prizes). Play will be by Kiowa Rules. Mark your calendars!

This tournament will include a great luncheon that Nancy Bier is arranging. The menu will be a salad bar with fruit salad, chicken salad and pasta salad with mini-muffins, and Crème Brule as the dessert. The lunch cost is $11 per person payable at the door charged either to your lot or credit card only. We hope you will join us.

RALLYDrama Needs Brass Musical Instruments

Preparations for the RallyDrama for the Cure are well underway. There is an urgent need for brass musical instruments for this gala production scheduled for two nights (Aug. 28, 29) at 7 p.m. at the Lodge.

Please contact Phyllis Willis at (940) 668-0710 if we may borrow your instruments for the show.

---

FANTASTIC ITEMS FOR THE RALLY

In addition to Yolanda’s serger described in last month’s CommuniQué, two more very special items have been donated to the 2009 Rally for the Cure.

Annie and Curtis Anderson’s generous donation is an exquisite ceramic piece that they purchased years ago at a Palm Springs art festival. The detail on this three-dimensional art work is simply incredible. Each doorknob and every window and door is perfectly detailed. It is possible to put a light inside that shines through the windows of the houses. The turntable enables it to be seen from all sides.

The Rally Committee has added a third item for the “Big Ticket” raffle that will be held on Oct. 6. You can buy a chance ($5) for a vacation celebration. If you win, you will be able to choose one of three luxury vacations: a Caribbean Cruise (5 days/4 nights Carnival Cruise); a Las Vegas Getaway (3 days/2 nights) or a Five-Day Cancun Vacation. Dale Daniel of Reynolds Ford donated this prize.

Raffle tickets for the three “Big Ticket” items (serger, ceramic artwork or the vacation celebration) will be sold at all Rally events and by Rally Committee members. You do not have to be present to win.

**MOBERLY CHALLENGE**

Getting ready for the Moberly Walk—how did they do it?

Last year over $13,000 was raised by the walkers who participated in the Moberly Challenge. How did they do it?

Most of the walkers contacted friends and family members (especially grandchildren) and asked if they would like to support their effort to raise money to wipe out breast cancer. Some wrote letters, and some sent e-mails. There is information about the Moberly Walk on the Lake Kiowa Web site under 2009 Rally, Moberly Walk. There is also a registration form that you can print.

This year the walk will be held Saturday, Oct. 3. It should be perfect weather for a walk around the lake. Remember that golf carts will be stationed along the way to give a lift to any walkers requiring assistance.

Prizes will be awarded at the Pavilion, and walkers and their friends can enjoy snacks. Landmark Bank of Gainesville sponsors this event.

**WAYS TO HELP**

Many of you have asked what you can do to help the Rally succeed this year considering all the challenges we are facing. We appreciate all the support that Kiowans have given the Rally during the past years. We encourage you to sign up for the Moberly Walk; it’s good for you and for the Rally. Gift bag items, door prizes, hole sponsorships, raffle items and tickets and ribbon purchases all go to make the Rally a success. Thanks for all your help.

The Harvey Pippen Memorial Tournament was a great success. We had 15 two-person teams enter. Each team combined its catches to weigh in a 5-fish stringer of black bass. The total weight of all fish weighed in for the day was 150 lbs, which was an average of 10 lbs per boat in the heat of June. The biggest fish caught that day was 7.2 lbs. Next year the tournament will most likely be held in a little cooler month.

After the tournament, the fishermen, the Harvey Pippen family and the community gathered at the Pro Shop for presentation of the awards and a hamburger lunch. A winner’s plaque will be engraved and placed in the 19th Hole for display. LKACC president Bob Bingham congratulated the winners, introduced Harvey Pippen’s wife Sandra, and close family members. He presented the winner’s plaque to Wayne and Karey Kyle and gave a short history of Harvey’s contributions to Lake Kiowa, which included being LKACC president, being responsible for obtaining the permit to control the cormorant population here at Kiowa, serving on board committees, and his generous contributions to LKACC. Some folks shared memorable moments of their experiences with Harvey here at the lake.

The winners of the Harvey Pippen Memorial Tournament are:
1st place-$1600 - Wayne Kyle/Karey Kyle with a total weight of 19.2 lbs;
2nd place-$960 - Bob Bingham/Richard McCarter with a total weight of 16.2 lbs;
3rd place-$640 - Mike Merolla/Paddy Merolla with a total weight of 13.8 lbs.

Ken Hutchinson, LKACC treasurer, presented the checks to the winners. Bob Bingham also awarded Mike Bitsche a plaque honoring his service as LKACC president from 2007-2009.

Thank you to Dennis Horvath, who did a great job cooking the hamburgers and to Ken and Carol Hutchinson, Mary Bingham and Karen VanderMolen, who assisted with making the lunch and ceremony a success.

Kara McDonald
MGA Winners at Turtle Hill

July 11

The Turtle Hill Golf Course near Muenster welcomed 64 MGA members for the July tournament. This was the second road tournament conducted while our own course is closed for reconstruction.

The format was a straight scramble except all players with single digit handicaps were required to use the blue tees. Competition was intense and the scores tight, but a clear winner with a score of 59 was the team of Jim Cicon, Don Sloan, Jeff Leatherman, and Mike McCain. In second place at 60 were Jim Lewis, Brent Reed, Bruce McDonald and David Falkenhagen. Third place went to the team of Brandt Buck, Tom Blackwell, Bob Bergbower and Hank Pyott with 62. Losing a scorecard playoff and finishing fourth also with a 62 was the team of Tom Brannan, Larry Gingerich, Bill Adams and Ward McCain. Fifth place at 63 was the team of Jim Hawkins, John Burks, Ronny Young and Greg Marishak. Congratulations to all these winners. After play was complete, all players enjoyed a catered barbeque lunch and beverages courtesy of the MGA.

The August, and final away, tournament will be held Saturday, Aug. 8 at Tanglewood on Lake Texoma. Sign-up deadline is Aug. 1. Remember, you need to register and pay your entry fee at least one week before the tournament. Registration can be completed at the Pro Shop Tuesday and Thursday between 10 a.m. and 2 p.m. or Saturday mornings from 8 a.m. until noon. No refund is available as the MGA must reserve and pay for all tournament slots.

LAKE KIOWA MEN’S GOLF ASSOCIATION BOARD MEETING - JULY 8, 2009

President Jay Titus called the meeting to order at 8 a.m. Board members present were Jay Titus, John Seefeldt, Jim Lewis, Dave Falkenhagen, Jim Hawkins, Phil Handley and Monte Lacy. Randy Schmidt and Dennis Terquey also attended.

Treasurer’s Report: Phil Handley, Treasurer, gave the financial report. Once all the money from the Kapers entry fees and Calcutta is distributed, a concise financial report will be distributed to the membership.

New Business: No new business.

Course Reconstruction: Volunteer work crews: Jay will issue an e-mail to the MGA membership asking interested parties to volunteer to help with course reconstruction. David Falkenhagen will maintain the e-mail list. Dennis will notify David when help is needed, and David will notify the volunteers.

Dennis gave an update on the course reconstruction and gave the Board members a tour of holes #10, 11 and 18.

4th of July: Income from the kids games booths was relatively good.

Tournaments: Kapers Tournament made a net profit of about $1,500. This was a very good outcome given that income from sponsorships was down about 50% compared to last year.

Away Playdays: July Playday will be at Turtle Hill. Sixty-four players have signed up.

The meeting adjourned at 9:30 a.m.

John Seefeldt, Secretary
Golf Course Renovation Update - July 23

With the front nine greens, the nursery green and the practice greens being sprigged Thursday the 23rd, our contract with Land Constructors is rapidly nearing completion. The rain we had on Tuesday the 21st pushed the sprigging back a day and tee sodding was also delayed because the supplier couldn’t cut sod. Three tees will be sodded Friday the 24th with six remaining to complete all eighteen. As a reminder, the contract called for all the tees to be leveled and sodded while nine tees were to be reworked. However, as was mentioned in the last update, the POA Board approved funding for additional sod and partnered with the MGA for funds to improve the majority of our tees. Below is a summary of the anticipated tee work:

#1 - To be enlarged towards the West;
#2 - To be widened;
#3 & 4 - Essentially the same shape, but slightly larger;
#5 - Enlarged towards the East;
#6 - Men’s remains the same, Ladies tee moved closer to the cart path;
#7 - Remains the same, but considering extending the back of the tee; Ladies/Gold tee area enlarged and made single level;
#8 - Has been widened towards the cart path;
#9 - The Blue tee has been enlarged and moved back; Ladies tee has been moved forward to the limits of the retaining wall;
#10 - Realigned and widened towards the cart path;
#11 - Remains essentially the same, but wider;
#12 - Effectively the same, but leveled, increasing playable area;
#13 - Remains the same, but leveled, increasing playable area;
#14 - Men’s tee doubled in size, Ladies tee remains the same;
#15 - Ladies tee enlarged and Men’s tee lengthened five yards towards the back;
#16 - Remains the same, but leveled, increasing playable area;
#17 - Tiered and doubled in size;
#18 - Doubled in size and new Ladies tee forward of the cart path.

All the fairways are complete and Dennis is beginning a planned cutback of the watering schedule on some of the fairways to promote root growth. It’s been noted that we have some different growth rates on the fairways because of varying soil conditions. For example, the twelfth fairway is sandy and filling in quicker than sixteen, which has more clay. Dennis continues to monitor the growth of all the grass and is continually tweaking fertilization and water rates to promote growth. The six inches of rain we’ve experienced since the beginning of the project has us behind on the growth schedule, but we do not anticipate a major delay in opening. One thing we do know is that Bermuda grass will stop growing about the second week of October, not because of temperature, but because of the decreased daylight. It’s a simple fact of nature. With that in mind, we’re doing all we can to promote as much growth as possible between now and then.

You will recall that in a previous update we said that the course will not be ideal on opening day, but it will be playable. Because of the shortened growing period, it looks like we will most likely be on cart path only until the grass goes completely dormant. We believe this will be necessary to maximize every bit of possible growth before dormancy. In all likelihood, this will also mean that ALL golfers, including those with

handicap flags, will be confined to the cart path. Speaking of the cart path, once we are back driving on the fairways, the importance of our carts having turf tires will take on even more importance. Some of the tires that come standard with a customized golf cart may not meet the turf tire requirements of our golf course rules. Brown will post pictures of acceptable tires in the Pro Shop and he and Dennis will be the final authority on what’s acceptable. If, in their opinion, your cart’s tires do not meet the turf tire standard and have the potential to harm the golf course, then the cart will not be allowed on the course until acceptable turf tires are installed.

The shaping of the new practice area is complete and we believe it not only provides an excellent practice area, but is complete and we believe it not only enhances the appearance of the golf course, then the cart will not be allowed on the course until acceptable turf tires are installed.

The shaping of the new practice area is complete and we believe it not only provides an excellent practice area, but also truly enhances the appearance of the first tee area. It is easily visible from Kiowa Drive in front of the Lodge so take a look as you drive by or head to Kiowa Drive in front of the Lodge so the first tee area. It is easily visible from Kiowa Drive in front of the Lodge so take a look as you drive by or head to the Lodge for dinner.

The back nine greens, which were sprigged two weeks ago, are beginning to show as much as three inches of root growth in some areas. Dennis anticipates that in about two weeks he’ll start to roll those greens and shortly thereafter begin mowing. Mowing will enhance the spreading effect of the grass and the filling in of the greens should become readily apparent. Once again we can’t thank you enough for your patience and understanding as we approach the end of the project and the time when we can simply watch the grass grow. Our sincere thanks go to every member of the “Skunk Patrol.”

Their work has been invaluable during the night and their vigilance as well as yours has been a tremendous asset. As always, we ask everyone, particularly those of you that live on the course, to be watchful and inform Security if you see any activity that concerns you.

Thanks again for your cooperation and remember that the budget can be viewed online.

DID YOU KNOW...

Your Handicap Index is the true measure of your potential ability on a course of standard playing difficulty and is used to convert that potential to a Course Handicap for the course you are playing. Your Handicap Index is the number one you need to know before you ever step on the first tee. Your Handicap Index is the only way to accurately calculate an honest Course Handicap. For example, let’s assume you are a 16 handicap from the White tees at Lake Kiowa and your Handicap Index is 14.2. You decide to play WinStar from the Blue tees. When your playing partner asks, “What’s your handicap?” the correct answer is 15. Say what?

Here’s how it works: Each USGA certified golf course is required to post a Course Handicap Table based on the slope rating for each set of tees. The table is used to convert your Handicap Index into a Course Handicap for the tees you’ll be playing. For Lake Kiowa our Course Handicap Table from the White tees is based on a slope rating of 125. At WinStar the Course Handicap Table from the Blue tees is based on a slope rating of 122. When you enter Lake Kiowa’s table with your 14.2 index on the White tees, you have a 16 Course Handicap. But, when you enter WinStar’s table with your 14.2 on the Blue tees, you have a 15 Course Handicap. Naturally our computer handicap system makes all the calculations for each set of Lake Kiowa’s tees. However, when you are playing somewhere other than Lake Kiowa, you need to know your Handicap Index in order to calculate your true Course Handicap using the Course Handicap Table for the tees being played. The Handicap Index is based on a standard calculation for everyone and is the true measure of your potential ability.

So, when you get to that away course and decide to play the Black tees, your next question should be, “What’s my Course Handicap for these tees?”

A quick calculation from the Course Handicap Table for the Black tees and you’re ready to try for that personal best net round.

WGA NEWS

On June 18, eight ladies attended the Texoma Women’s Golf Association Playday at El Dorado C.C. We had three ladies winning. Ruth Robinson carded an eagle on their #2 handicap hole; a 5-iron was used for the 144 yards to an elevated green surrounded by bunkers. Golf Association Playdays for August: Central Texas - Gleaneagles C.C., Plano, Wednesday, Aug. 12; Red River Valley – Oakridge C.C., Wednesday, Aug. 19; Texoma – Tanglewood C.C., Thursday, Aug. 27.

The WGA will meet Aug. 5 for a luncheon/meeting at 11 a.m. at the Lodge. Brown McCrory will be explaining golf etiquette and rules. Please submit questions in advance to Brown at the Pro Shop or e-mail him at golfpro@ntin.net. Remember, stay hydrated when you are playing golf in this heat. Have a wonderful summer!

4.3.11.d.(6) - Cart Operation, Out of Bounds

Carts must be kept within the golf course boundaries (indicated by white posts) or on the roads at all times. Driving on private property (including vacant lots) is prohibited. Carts shall not walk or drive carts on private property when proceeding from a green to the next tee box. Carts paths and/or roads shall be used for this purpose.

4.3.11.d.(7) - Cart Equipment Requirements

Privately owned carts must be identified by the owner’s primary lot number affixed to both sides of the cart with 3 inch or larger numerical decals of a contrasting color. All carts must be equipped with turf type tires at least eight inches in width. All terrain or other tread designs/styles that could cause damage to the course are prohibited.

4.3.11.d.(8) - Cart Operation, Number of Persons

To minimize golf course damage, players will ride two to a cart. Unless specific approval to ride single has been received from the Golf Course Professional or Golf Course Marshall, the maximum number of carts for a threesome or foursome is two (2) and for a five some is three (3).

4.3.11.d.(9) - Cart Operation, Safety

Carts shall be operated in a manner consistent with safety. Excessive speed, spinning or sliding of tires or other actions that cause or could cause damage to the course or create an unsafe situation are prohibited.

4.3.11.e - Golf Course Closing, General

Except for designated practice areas (putting green, driving range, etc.), no play or practice will be allowed when the golf course is closed.

4.3.11.e.(1) - Golf Course Closing, Emergency

Sounding of the Lake Kiowa Outdoor Warning Siren System (other than system tests) is deemed to close the course for all play. Golfers are urged to take shelter immediately. Play may resume after the storm passes with no loss of position on the course.

Lake Kiowa Fishing Limits

Bob Lusk, Fisheries Biologist and Lake Management Consultant, made the following fishing limit recommendations. These recommendations have been given careful consideration to keep a thriving ecological habitat for Lake Kiowa. The Angler and Conservation Club has fully endorsed the following fishing guidelines for Lake Kiowa:

Rainbow Trout: 5 Per Day, Per Person
Black Bass: Keep Black Bass between 10-15 inches; 5 Per Day, Per Person.
Release all other Black Bass under 10 inches and over 15 inches.
Crappie: Keep over 10 inches; 10 Per Day, Per Person.
Release all under 10 inches.
White Bass: Otherwise known as Sand Bass. No Limit. Remove all you can.
Perch: No Limit.
Channel Catfish: Keep fish over 14 inches; No Limit.
Drum: No Limit. Remove any caught from lake.
Carp: No Limit. Remove any caught from lake.

TROT AND JUG LINES ARE NOT PERMITTED

Dock owners are encouraged to provide cover for the fish under your docks. Make sure the trees are securely anchored not to interfere with boat traffic. Feed the fish! Dry dog food or pellets especially made for the fish are readily available at feed stores. For questions, feel free to contact Mike Bitsche for specifics.

The 2009 version of the Lake Kiowa July Fourth patriotic gala was a recognized success. From the standpoint of Security, holiday revelers were, for the most part, intent on celebrating in a lawful and orderly fashion. Those members and visitors who were the exceptions were cited for various rule violations including the use of fireworks, two for parking on the beach, one for abusive language and one for loud music. Verbal warnings were also issued for eight lake violations and six parking violations. One party was found at a park after curfew. Respectfully submitted,
La Vonne Jucha

LAKE KIOWA PROPERTY OWNER'S ASSOCIATION
BOARD MEETING
JUNE 7, 2009

Call to Order: President Wayne Shearer called the meeting to order at 6:00 p.m. All Board members were present except John Wolek. Established A Quorum: A quorum was established.

Additions to the Agenda: Long Range Planning Committee – new member

Traffic Safety
Employee rescue recognition

Celebration Committee Chairman comments
Approve Minutes: Linda Moore made a motion to accept the June 15, 2009 Board Minutes as written. Justin McMurry seconded. Jerry Slater abstained. All others were in favor. The motion carried.

Committee Charters: All Committee Charters will be published on the Web site. The following charter was approved at this meeting: Election Committee, approved by committee June 24, 2009, approved by the LKPOA Board July 6, 2009, motion by Don Thacker, seconded by Jerry Slater.

Don Thacker made the motion to accept the Election Committee Charter as written. Jerry Slater seconded. All were in favor, the motion carried, and the charter was adopted.

Dog Attacks: Randy Schmaltz, Community Manager, shared information gathered and discussed who he had with other community officials concerning vicious animal attacks. The state code was discussed. The County Constable has the authority to enforce the law concerning animal related incidents. Our attorney has been asked to draft a change to the Lake Kiowa rules concerning this subject. At the next Board meeting, the suggested change will be reviewed as well as a monetary fine schedule.

CARF: Several CARF projects have been recommended by Board members, all of which have been included in earlier long range plans. Wayne Shearer suggested that we should take this opportunity to update the Board on previous plans to include the 2006 Membership Survey, 2007 Kiowa Amenity Study, 2008 Long Range Plan and the December 2008 Planning Report. Corky Cohoon, Chairman, Long Range Planning Committee (LRPC), was asked to prepare an executive summary of the plans and have it available for the next Board meeting. The LRPC was also asked to present the 2010 Plan in November, 2009, one month earlier than previously requested.

Community Manager's Report:
The guest comments cards were reviewed from the Lodge Dining facility.

The LKPOA Insurance renewal quotes were presented for FY 09/10. The quotes are down $26,679 from the actual premiums paid last fiscal year. The golf course project remains on schedule and well within budget.

A proposal, sponsored by the Kiwanis Club, is being developed for an American flag to be flown on the island at the end of the No. 4 men’s “T” box. A plaque is also being suggested which will honor all military who have served from Lake Kiowa. This plan will be presented to the Board on July 20 for consideration. JEST: Recycling is now a reality at Lake Kiowa. To date 104 homes have subscribed to the service. As soon as the details can be put into place, information will be given to those participating.

The list of documented incidents for the holiday week-end was provided by the Security Department.

Long Range Planning: Chairman, Corky Cohoon, requested consideration in adding Janice Richey to the committee due to the resignation of a current member. Jerry Slater made the motion to accept Janice Ritchey with Justin McMurray seconding the motion. All agreed and the motion passed.

Traffic Safety: The Chairman of the Traffic Safety Committee, Jerry Slater, gave the Board an outline of the recent traffic review completed by the committee. Recommendations for changes or improvements for traffic flow at Lake Kiowa will be presented at a later date.

Employee Rescue Recognition: Recently a resident nearly lost his life at the West Beach. Four employees of the Lodge acted quickly and saved his life. A resident who is a doctor also assisted. Linda Moore made a motion to recognize the 4 lodge employees and the December 2008 Planning Report. The list of documented incidents for the holiday week-end was provided by the Security Department.
