Lake Kiowa's Rally For The Cure® Raises $76,500

The Lake Kiowa Rally for the Cure® Committee would like to thank all the people who have made this year’s Rally such a success. With the support of the MGA, WGA and KWC, along with the entire Lake Kiowa community, more than $76,500 was raised this year to fund breast cancer research.

The Rally Committee has been hard at work since February. Both Lake Kiowa and Gainesville have been thoroughly canvassed to make the Rally’s goal the goal of everyone—a cure for this disease that affects one in eight women. This success would not have been possible without generous support from individuals and businesses in our area.

The Susan G. Komen for the Cure® event began on Tuesday evening with a Kick-Off Dinner hosted by First State Bank. The players, their spouses and invited guests dined on a delicious meal prepared by the Lake Kiowa Lodge Staff.

Raffle, silent auction, and live auction items raised more money for the cause. Team pros were drawn and everyone looked forward to playing the next day. Wednesday, Oct. 7, 130 women dressed in beautiful pink golf shirts donated by Jim Goldsworthy of State Farm Insurance gathered to play golf. Prior to teeing off, each five-person team offered a prayer for those affected by breast cancer. The tournament was a five-person ProAm-type scramble with the low handicappers being the pros. Dennis Tocquigny, Course Superintendent, and all the grounds keepers had worked diligently to get the course ready for play. More than 250 businesses and individuals donated money to honor special people and support the Rally. Each tee box was decorated with the signs honoring these special people. Thinking pink was definitely the idea of the day. Pink metal tee markers, pink towels on the ball washers and pots of pink flowers decorated the tee boxes. Pink yard art around the course added to the festive atmosphere.

The MGA generously helped to make the day special.

THE MOBERLY CHALLENGE WALK

Oct. 3 was the day when walkers and runners gathered in the dark at the Pavilion at Lake Kiowa for the Third Annual Moberly Challenge Walk. As the sun came up, the walkers started out on the 8-mile course. This event is part of the Rally for the Cure® at Lake Kiowa and was started when octogenarian Bob Moberly challenged walkers to walk around the lake to raise money for breast cancer research.

Gainesville Landmark Bank sponsored this event. Prizes were awarded to Lillian Pulec (the oldest female walker), Bob Moberly (the oldest male walker) and to Julia Mayo (the walker who raised the most money from sponsors).

Moberly Walk Chair, Mary Polk, thanked all those who had helped make the walk successful and safe. She announced that over $12,600 was raised by the 70 participants.

Gainesville Landmark Bank again generously sponsored this year’s Moberly Challenge.

The ultimate family home....plenty of living, entertaining and storage space! Beautifully updated 5 bedroom and 4.5 bath home on two oversized lots convenient to East beach and secured gate.

The program concluded with a group prayer and the release of pink and white balloons in honor and memory of those affected by breast cancer. It was quite a beautiful sight to see the balloons drifting over the golf course into the autumn sky.

Rally continued from page 1

Members were out early preparing the course for play. John Anselmi and Glenn Polk sold mulligans and R.J. Stroup and Craig Lamkin sold drives on #11. Wayne Shearer and Randy Schmaltz drove the visitors from the Komen organization around during the Rally. Men were on each fairway helping retrieve the balls, and others provided refreshments along the way for the ladies.

Following play, a luncheon sponsored by Marion Hoeflein and Donna and Mike Erwin of Lake Kiowa Realty was held in a beautifully decorated room. Committee Co-Chair Julia Mayo introduced speakers Carole Clausning, Margene Parr and Mary Polk, who delivered inspiring messages. Pictures from all the previous Rallies were shown. Roses donated by Kaden’s Florist were presented to each of the fourteen breast cancer survivors participating in the Rally.

The winning teams were announced and received prizes from Miriam Hogan. This year’s first place team included Monika Botha, Lee Skinner, Paulette Andrews, Audrene Robinson and Jackie Schmaltz. Their names will be added to the plaque that hangs in the Pro Shop honoring Yolanda Arronte.

Each golfer received a door prize and a gift bag filled with items from Gainesville and area merchants. A complete list of donations is posted on the Lake Kiowa Web site.

Hello everyone,

First of all, the Rally for the Cure® was again a great success. Our community is so special in the way it has embraced the Susan G. Komen charity. People are absolutely amazed when I tell them about Lake Kiowa, the Rally, and the money we raise for The Cure. They simply can’t believe that our little community can play such a big part on a national scale for the charity. Hats off to all the volunteers and property owners who helped to make our Rally the success it is!

Last year during the Rally for the Cure®, two sets of golf clubs were stolen from golf carts that were parked in front of the Lodge. This year a group comprising Nathan Outlaw, Bill Branham, Bill Jacobsen, Jim Mead and Dennis Horvath volunteered to patrol the parking lot to prevent a recurrence of last year’s theft. It is this type of volunteerism that makes Lake Kiowa the special place that it is and why we are so fortunate to live here.

Lake Kiowa will continue to be the target for thieves so it is more important than ever to be aware of strangers that appear around our properties. They may look like repairmen or a construction workers, but they must not be allowed to enter our gates. When I tell them about Security and let them know.

An enhancement to the Front Gate will be installed this month—an addition to the arm on the right lane at the Front Gate Security Station. There are details to be put into place on a gradual basis as the change-over proceeds. These include informational signs, getting the actual readers in the hands of the residents and education of those who routinely visit our community. The readers for the East Gate will, of course, also activate the Front Gate. Chief Davidson has written an article in this edition of the CommuniQué detailing the installation of the new equipment. Please check out page 27 to get this important information.

The recycling program is scheduled to start in November. IESI will be dropping off the containers over the next couple of weeks and, once that has been completed, pick-up will begin.

Fall clean-up is scheduled for Nov. 6 and 7. Please remember that we cannot accept any hazardous materials such as: batteries, oil, tires, paint, chemicals, computer or television screens (CRT’s), and again—no scavenging.

That’s it for now. As always, if you have any thoughts or concerns, please call or write.

Many Lake Kiowa residents have been avid supporters of the All in the Family Clothes Closet since its inception FIVE years ago! In fact, the facility would not even exist were it not for this support, both material and physical. As a well-known Washington political figure was once quoted as saying: “It takes a village.”

The Callisburg Independent School District held an open house Oct. 20 to show off the brand-new school buildings. Visitors had the opportunity to see the All in the Family Clothes Closet located in a wonderful large room adjacent to the office of the school counselor. The variety of clothing that will be made available to CISD students needing assistance is breathtaking. The Callisburg High School principal and the counselor will handle the operation of this facility.

The feedback being received from teachers is very positive. They note that children who have received new clothing from the clothes closet demonstrate much-needed self-esteem, appear happier and no longer find themselves the butt of jokes and comments about their appearance. They quickly begin to show a real love for learning.

The CHS clothes closet is one of five presently in operation that Lake Kiowans work hard to support. There is a clothes closet at the Rad Ware Elementary School, one at the Gainesville State Boys School, another at the Denton State School and the fifth one is at an Indian reservation in Arizona.

The need continues for additional volunteers to help the present group of exhausted people handling the two CISD clothes closets, people willing to spend a maximum of six hours per month helping to deliver, sort and hang up the donated clothing. Please seriously consider giving a few hours of your time each month to help keep this worthwhile program alive and well.

Please call (940) 665-4502 to volunteer or to obtain further information.

Miriam Hogan’s Western Art Collection on Display

SPOTLIGHT ON WESTERN ART AT NCTC—Among the activities during celebration of the 85th anniversary of North Central Texas College was a special exhibition of the western art collection donated to NCTC in 2005 by Miriam Hogan, who is shown here with two of the pieces from the collection of 19 paintings and drawings and nearly a dozen bronze sculptures by some of the country’s best known artists.

Many of the works remain on permanent display for public viewing in the lobby of the First State Bank Center for the Performing Arts and in the Lyceum meeting room of the NCTC Library. Mrs. Hogan’s love of western art, including Native American and southwestern genres, became a near obsession that eventually resulted in one of the largest and most varied private collections of museum-quality original works in these genres in the U.S. She was honored by the NCTC Ex-Students Association at a reception prior to the exhibition.

Dining & Games With KIOWA ONES

Are you single? Lake Kiowa has a singles group called KIOWA ONES that comes together once a month for dinner and card games at the Lodge. Our only purpose is to provide a social gathering for individuals without spouses for an enjoyable evening.

We meet on the second Tuesday each month with dinner starting at 5 p.m. Following dinner, we move to our choice of games such as Tripoli, Bridge, 42, Canasta, Rummy Cube or you can suggest a new game.

Our next get-together is Nov. 10. Your dinner choices are from the limited Lodge menu, ordering that evening and may be charged to your lot.

If you are interested in joining our group, please call Vicki Liles (940) 665-3009 or Kathie Milburn (940) 612-1864.

Gainesville Rotary Club Flag Program Reminder

More than 200 Lake Kiowa families show their patriotism and support the local Rotary Club by subscribing to the club’s flag program. An American flag is posted in front of homes all throughout Lake Kiowa six times per year.

Some families assist local Rotarians by putting their flag out five times and bringing it inside afterwards. This is a big help and is much appreciated.

This is simply a huge Thank You to everyone who participates, as well as a reminder that Rotarians will collect ALL the flags after the Nov. 11 display, since this will be the last time Rotary flags will be displayed this year.

Please be on the lookout next spring for a mailing via which you can subscribe to this local program.

Texas H1N1 Vaccine Update—October 20, 2009

The U.S. Centers for Disease Control and Prevention allocated an additional 454,200 H1N1 vaccine doses to Texas last week bringing the total vaccine allocation for Texas to 960,400.

Last week’s allocation of doses included 233,100 of the injectable, or shot, form and 221,100 doses of the mist form.

‘Texas’ allocation for the week that ended Oct. 9 was 363,800 and included 235,000 doses of the injectable form and 128,800 doses of the mist form.

‘Texas’ allocation for the week that ended Oct. 2 was 142,400 doses, all of it the nasal mist form of the vaccine.

Using a strategic approach to reach priority vaccine groups and subsets of those groups, DSHS has allocated the limited supply of vaccine to providers who serve pregnant women, children 2 years through 4 years of age, children 5 years through 18 years of age who are at higher risk of serious consequences should they get the flu and health care workers who provide direct patient care.

The 960,000 doses have been allocated to some 5,053 providers, with some of it distributed to local health departments as a safety net to meet special needs in communities. Some 12,000 Texas providers have registered to receive the vaccine.

The H1N1 vaccine distribution steps are:

1. CDC allocates vaccine to the various state health departments each week.
2. DSHS accepts the entire allocation and further apportions it to registered providers in Texas based on vaccine formulation, priority vaccination groups, geography and other factors.
3. DSHS then notifies those providers to go online to confirm that they still want the vaccine, giving them a few days to confirm.
4. Once confirmation is received, DSHS issues shipping instructions to a distributor to send the vaccine to the provider.

DSHS officials expect the weekly availability of the vaccine to be low for the next few weeks, adding that initial vaccine quantities are not high enough for public vaccination clinics to be held. They are urging providers and the public to be patient.

Texas expects to receive 15 million doses of the vaccine by the end of January.

Duplicate Bridge Club Christmas Party

This is a reminder that our Lake Kiowa Duplicate Bridge Club Christmas Party will be held on Sunday, Dec. 6 at 1 p.m. Those of you that played in more than 50% of our Monday games this year will enjoy a meal and game at club expense. Others will play for free, but the meal will be charged to your lot or however you want to cover it.

This is always a happy event, so we are looking forward to seeing you. Please notify me in person if you plan to attend. We need to tell Clif no later than Dec. 2.

HOME HOSPICE “BEAR HUGS”
More Than Cute

These bears are more than cute. These teddy bears are family treasures. Home Hospice Bear Hugs are made from the fabric of a beloved patient’s clothing or other favorite item. They have been made from shirts, blouses, pajamas, jackets, robes, even fur coats. The first bear from Home Hospice of Cooke County went to June Hughes, daughter of Leroy Keeler. The bear was made from a blue plaid shirt and a pair of pajamas that belonged to Mr. Keeler.

“I saw the article in the paper and that wasn’t long after my dad died. Home Hospice of Cooke County was so good to my dad and made his last days comfortable. They are really a special group of people, such caring people for not only my father but for all of us. My only regret is that we didn’t do it [get on hospice service] sooner,” Mrs. Hughes said.

Since Home Hospice of Cooke County began offering this service to patients and their families, Kathi Kirby, volunteer coordinator, said the request for the bears has skyrocketed. “We only have two volunteers working on the bears and they are becoming overwhelmed,” Ms. Kirby said. “We need volunteers who like to sew and want to make a difference in people’s lives. For those of you who have looked at helping us make bears before, we have good news! We have a new pattern that promises to be easier to use.”

Home Hospice furnishes all the material: fabric, eyes, stuffing and the pattern. Volunteers furnish the labor and the thread. Bear Hug Project volunteer Carol Kiesel said: “Having lost my parents and my sister, I know what it means to have something to hold on to. I have a little extra time, not a lot, but I thought I can do that.”

If you have a little extra time, love to sew and want to create these special heirlooms to comfort those suffering the loss of loved ones, you are needed for this important project. If you think you might be able to volunteer or have other questions, please call Kathi Kirby at 940-665-0981.

“PHANTOM TOLLBOOTH” PRODUCTION AT NCTC that turns out to be a tollbooth. For lack of anything better to do, he puts it together and begins to play, only to find himself driving in an entirely different world. There he meets all sort of curious creatures, from a giant watchdog (literally, a dog whose body is a clock) and a humbug the size of a person. “The play turns ordinary events into magical occurrences as Milo visits a world of language and outrageous characters around every turn. It should be a lot of fun for both the cast and audiences.”

Dan Doss is the set and lights designer and Karyn Sawers will design the costumes. Garcia said the story follows the journey of Milo, a boy bored with basically everything around him. One day he receives a mysterious package and reads the thread. WHAT’S NEW IN WINDOWS 7?

Q. I’ve heard a lot about Windows 7. But I don’t know much about it. What’s new in Windows 7? Can I upgrade my machine without losing my data and programs?

A. Yes, Microsoft’s marketing machine has been working overtime. But many are still confused about Windows 7. Let’s get that cleared right up!

Windows 7 certainly does offer new features. But, it also improves on Vista. It offers better boot times. And it performs better on machines with multi-core processors. And, User Account Control can be tweaked. You can make it less intrusive than in Vista.

Its tools will help you fine-tune type and calibrate your monitor. Moreover, Windows 7 improves the way you interact with your computer. Support for speech and handwriting recognition is improved.

Touch screen support is also improved. For example, Windows now boasts multitouch. The iPhone popularized multitouch. You can use your fingers to resize photos and the like. You’ll need a multitouch track pad that supports multitouch.

The most noticeable changes have been made to the taskbar. You can pin programs to it. Drag and drop to rearrange the programs.

When you mouse over program buttons, you’ll see thumbnail previews. Hold your mouse over one of these thumbnails for a full-screen preview.

You can also access jump lists from the taskbar. Right-click a program button for quick access to frequently used files. You can also perform common commands. Send an e-mail or shuffle your music.

Managing open windows is easier in Windows 7. You can maximize a window by dragging its title bar to the top of the screen. Shake the title bar to minimize all other windows. You can also snap documents to the screen edges for easy comparison. Just drag a document window to the left side of the screen. Then drag one to the right.

One of the coolest features is Peek. To view your desktop, mouse over the Show Desktop button. Open windows become invisible. Click the button to minimize all windows.

You’ll also appreciate Windows’ new libraries feature. Libraries group files by type, no matter where they’re stored. That makes it easy to save backups of several machines in a single location.

Windows has long offered backup tools. But it has added a new trick. You can back up your data over your network. That makes it a snap to back up or locate photos, for example.

Some libraries feature. Libraries group files by type, no matter where they’re stored. That makes it easy to save backups of several machines in a single location.

Missing features

Microsoft hasn’t just added features to Windows 7. It has also removed some programs that you’ve come to expect. For example, you won’t find an e-mail program or video-editing program.

Microsoft still offers these free programs. You’ll just need to download them from Windows Live. You can get everything that’s been cut from Windows 7 in Windows Live Essentials.

You’ll also find a few new programs to download. Family Safety will help you monitor and control your kid’s Internet usage. Or, publish blog posts with Writer.

Microsoft says it plans to offer more frequent updates for these programs.

Windows 7 versions

As with Windows Vista, there are several versions of Windows 7. Each is a little different.

Upgrading to Windows 7

If you’re upgrading from Windows XP, you’ll need to do a clean install of Windows 7. You’ll have to re-install your programs. Your data will be wiped off the hard drive. So, back it up.

If you have a Vista machine, you can do an in-place upgrade. You won’t need to reinstall your programs, and your data shouldn’t be affected. However, there are some caveats.

First, if you switch from 32- to 64-bit or vice versa, a clean install is needed. Also, you must select a corresponding or better version of Windows 7. Otherwise, a clean install is required.

Whether you need a clean install or not, play it safe. Back up your data before installing Windows 7.

LKPOA Board of Directors Election

It is the time of year to start thinking about candidates for the LKPOA Board of Directors. This year there will be three (3) directors to be elected. Retiring after completing their terms will be Linda Moore, La Vonne Jucha and Wayne Shearer; therefore we need at least six (6) candidates on the ballot.

The LKPOA Board of Directors has the responsibility to govern our community and to preserve our LKPOA common assets/amenities. As each of us has an interest in protecting our individual property values, the decisions made by the Board affect us profoundly.

We need people of integrity that are interested, intelligent and involved to be presented on the ballot. Each director is elected to serve a three-year term. Please devote some time in consideration of who you would like to see serve our community by becoming a candidate to be a director of the LKPOA.

The Board of Director Governance Policy, Sections 1.2 “Major Duties of the Board” and 1.3 “Due Diligence-Responsibilities of Individual Board Members” are printed on page 29. The entire document is available on the LKPOA website.

The LKPOA Nominating Committee is seeking your assistance in identifying potential candidates to run for the LKPOA Board of Directors. A nomination form will be in your October LKPOA statement. The adjacent form will also be printed in your October LKPOA issue. You may nominate yourself or another member and you may remain anonymous if you choose. The form may be returned to the LKPOA Office or to any member of the nominating committee. In addition, the LKPOA nominating committee members welcome your phone calls to discuss potential nominees or particulars of the nomination and election process.

Potential candidate names must be submitted to the committee by November 15, 2009. Committee recommendations of candidates are to be presented to the LKPOA Board of Directors by December 15, 2009. The candidates’ names will be published in the January 2010 CommuniQué. Ballots will be mailed to all homeowners on February 1, 2010. All ballots must be submitted by March 1, 2010. Those elected will be announced at the LKPOA Annual Meeting to be held March 13, 2010.

The LKPOA Nominating Committee comprises: Jerry Parr, Chair, 1300 Kiowa Dr. E, (940) 668-8011; jcparr@tnn.net; Betty Becker, 213 San Chez W, (940) 612-4294, becker.m@att.net; Pat Jesse, 101 Pueblo Dr., (940) 668-7453, trish9842@tnn.net; Brent Reed, 1217 Kiowa Dr. W, (940) 612-1502, brentreed55@yahoo.com; Jack Thies, 405 Navajo Tr. W, (940) 668-7297, jthies@tnn.net

Please return this form to the LKPOA Nominating Committee Chair or to the LKPOA Office or to any member of the nominating committee. In addition, the LKPOA Office or to any member of the nominating committee. In addition, the LKPOA Office or to any member of the nominating committee. MANY THANKS TO ALL

The recently held Kiwanians picnic at the Lodge Pavilion was a success thanks to the wonderful support of our community. Funds raised, along with monies from the recycled cans which you so kindly save for us at the Fire Station and Iriquois Park, will help us in our effort to make Christmas merry for needy families in our area.

Last year, again thanks to you all, we were able to supply toys for over 150 children and supplies of food for over 50 families, who otherwise would have had a very bleak holiday season. The first priority for Kiwanians is to assist children and the second is to help improve our community.

We have a very small club at Lake Kiowa and could always use more help. Many Kiwanis Clubs have 30 and even 50 percent female members. We are striving to recruit their assistance in our club since we now have only 1/20th of our membership in that category.

We meet the first and third Thursday every month at 6:30 p.m. at the Lodge. We invite all interested persons, male and female, to join us in our efforts to make Lake Kiowa a better place to live. We would appreciate your giving us a try—you might like us!

Help the children. For information on Kiwanis and how to help the children, please call Jerry Slater at (940) 612-1273 or Corky Cohoon at (940) 665-1640.

GAINESVILLE, TEXAS – Elizabeth Howell of North Central Texas College is one of only 24 instructors in the nation selected to attend a prestigious professional development and mentoring program for two-year college mathematics faculty.

Howell is chair of the College Preparatory Studies Department and teaches college prep math courses at the NCTC Corinth Campus.

“This is a singular and very significant honor,” said Dr. Lee Ann Nutt, vice president of instruction, “and it certainly points to the effort we’re making to put the very best, most qualified instructors we can find in the classroom for our students.

“It also points to our ongoing commitment to encouraging a continuous process of professional development and improvement among our faculty.”

The program Howell will attend is “Advancing Community College Leadership and Professional Development,” sponsored by the American Mathematical Association of Two-Year Colleges (AMATYC) Access program. The goal of the project is to facilitate current and continued professional growth for a cadre of two-year college mathematics faculty, in the first three years of their full-time professional careers, who will become the leaders of their profession.

“I’m tremendously honored to have been chosen, of course,” Howell said, “but more important is the opportunity it gives me to become better at something I absolutely love doing—teaching math.

“And I have found teaching at the community college level to be enormously rewarding. I love being able to help students reach their goals, especially when math has been a daunting hurdle for them in the past.”

Howell added that another great benefit of the program will be meeting and sharing ideas and experiences with other teachers from across the country.

Now in her third year of full-time teaching at NCTC, Howell was previously a Visiting Scholar in the Dallas County Community Colleges and also an adjunct instructor at both Collin County and Tarrant County community colleges. She also taught high school in the Carrollton-Farmers Branch and Coppell ISDs.

“Another mark of a truly outstanding teacher is what they do outside the classroom,” said Dr. Nutt, “and Elizabeth has proven herself to be a very capable administrator, deeply caring student mentor, outstanding instructional leader and tireless worker in numerous committee assignments.

“We’re obviously very fortunate to have her on our instructional team, but the most important beneficiaries of her skills, her knowledge and wonderfully positive attitude are her students.”

CHAPEL NEWS

Chapel services are regularly scheduled at 8 a.m. every Sunday in the Lodge assembly room. Rev. John Hare and Rev. J. Ray Smith are the pastors delivering their messages on alternate Sunday mornings. However, the schedule has been modified as follows:

Rev. Hare will deliver his message on Nov. 1 with text from Matthew 25:14-30 entitled “What Have You Done With My Stuff?”

Rev. Smith’s message on Nov. 8 will be entitled “Forgiveness and Your Relationships With Other People” with text from Ephesians 4:22.

On Nov. 15, “Forgiveness and Your Relationship With God” will be the title of J. Ray Smith’s message with text from Mark 11:25.

Rev. Hare will deliver the message on Nov. 22 entitled “Thanks For Nothing,” with text from Ephesians 1:15-23.

Nov. 29 is the fifth Sunday of the month when Holy Communion will be administered by Rev. Smith. His message is entitled “Forgiveness and Your Own Well Being” with text from Matthew 18:23-35.

Chapel Choir meets every Monday morning at 8 a.m. for practice and sings for the Chapel service on the third Sunday of the month. Anyone interested in singing with this group is encouraged to join them. This is an especially good time as new music is introduced in preparation for the Holiday Season.

VISTO is the recipient of food contributed on the third Sunday of every month. All packaged groceries are appreciated but they will make very good use of monetary donations as well. Backpack items for the many children who do not have a supportive home environment are dispersed on weekends so these items are also greatly needed. A dollar spent by VISTO goes much further than your individual grocery dollars, so consider a check made out to VISTO and sent to P.O. Box 607, Gainesville, TX 76241.

The Lake Kiowa Chapel meets regularly every Sunday morning from 8 to 8:30 a.m. in the Lodge. All residents and guests are welcome. This is an interdenominational service that may precede your regular church service or a round of golf. Casual dress is always welcome. Please come and share this time with your friends and neighbors on Sunday morning at 8 a.m.

**OUTPOST THRIFT STORE**

WHAT IS THE OUTPOST THRIFT STORE? A major fundraiser for your Fire Department that generates money through donations of gently used household items to re-sell at our monthly sales. OUTPOST SALES are held on the third Saturday of the month except in January and February.

DO I HAVE TO WAIT FOR THE MONTHLY SALE? No. We receive new items frequently and have sales on an intermittent basis. If you are looking for a specific item call Dee at (940) 665-4046 or the Fire Department at (940) 665-9321 and we may just have what you are looking for.

WHAT DO WE ACCEPT? Clean and working household items in good used condition or better. We do not accept: clothing - soiled, torn or broken condition or better. We do not accept: clothing - soiled, torn or broken furniture; dirty non-working appliances; used plumbing fixtures such as toilets, sinks, faucets, etc.

WHAT DO WE NOT ACCEPT? outdoor grills; ceiling fans; large office fax machines, built-in appliances; dirty or box springs; computers, printers and fax machines; built-in appliances; dirty office desks; and, by law, we cannot accept used plumbing fixtures such as toilets, sinks, faucets, etc.

HOW TO DONATE: If you have items you wish to donate or are unsure of what to donate, call Dee at (940) 665-4046, Peggy at (940) 665-9321. Be sure to leave your name, phone number and a brief message and we’ll return your call as soon as possible.

IF YOU HAVE ITEMS YOU WISH TO DONATE, CALL THE ABOVE-LISTED NUMBERS.

DO NOT DROP YOUR DONATED ITEMS AT THE FIRE STATION, ON THE TRAILER OR IN THE BEDS OF THE TRUCKS.

ARE ALL DONATIONS TAX-DEDUCTIBLE? Items that are in good used condition or better qualify for a charitable donation as per IRS Tax Code effective 8-17-2006.

NEXT SALE: The next sale will be Saturday, Nov. 14. Sale hours are 9 a.m. to 1 p.m. Changes or cancellations will be posted on cable Channel 2 and on the electronic reader boards.

LOCATION and DIRECTIONS: The OUTPOST is located on CR 211 in Woodbine. Here are the two easiest routes to take from the Lake Kiowa main entrance. Turn left onto FM 902 and go 2.4 miles. Turn left onto FM 3164, go 5 miles and turn left onto CR 211. We are the second driveway on the right. When turning right onto FM 902, go approximately 1 mile and turn right onto CR 219. Proceed 2.9 miles, turn right onto FM 678 and go 1 mile. Take a right onto FM 3164 and go about 0.1 mile and turn right onto CR 211. We are the second driveway on the right.

***Due to the nature of services the Fire Department provides, it is difficult to adhere to a strict timetable. Our top priority is responding to emergencies, so please be patient and we will contact you as soon as possible.

EXPLANATORY STATEMENTS FOR THE NOVEMBER 3RD, 2009 CONSTITUTIONAL AMENDMENT ELECTION

Proposition 1 (HJR 132)
HJR 132 would amend the constitution to authorize the legislature to allow a municipality or a county to issue bonds and notes to finance the purchase of buffer areas or open spaces adjacent to military installations. The buffer areas would be used to prevent encroachment or to construct roadways utilities, or other infrastructure to protect or promote the mission of the military installation. The municipality or county may pledge increases in ad valorem tax revenues for repayment of the bonds or notes.

The proposed amendment would appear on the ballot as follows: “The constitutional amendment authorizing the financing, including through tax increment financing, of the acquisition by municipalities and counties of buffer areas or open spaces adjacent to a military installation for the prevention of encroachment or for the construction of roadways, utilities, or other infrastructure to protect or promote the mission of the military installation.”

Proposition 2 (HJR 36 - #1)
HJR 36 would amend the constitution to authorize the legislature to provide for the taxation of a residence homestead solely on the basis of the property’s value as a residence homestead, regardless of whether the property may have a higher value if it were used for other purposes.

The proposed amendment would appear on the ballot as follows: “The constitutional amendment authorizing the legislation to provide for the ad valorem taxation of a residence homestead solely on the basis of the property’s value as a residence homestead.”

Proposition 3 (HJR 36 - #3)
HJR 36 would amend the constitution to require the legislature to provide for the administration and enforcement of uniform standards and procedures for appraisal of property for ad valorem tax purposes.

The proposed amendment would appear on the ballot as follows: “The constitutional amendment providing for uniform standards and procedures for the appraisal of property for ad valorem tax purposes.”

Proposition 4 (HJR 14 - #2)
HJR 14 would amend the constitution to establish the national research university fund to provide a source of funding that will enable emerging research universities in this state to develop into major research universities. The amendment would require the legislature to dedicate state revenue to the fund and to transfer the balance of the existing higher education fund to the national research university fund. This amendment would further require the legislature to establish the criteria by which a state university may become eligible to receive and use distributions from the fund.

The proposed amendment would appear on the ballot as follows: “The constitutional amendment establishing the national research university fund to enable emerging research universities in this state to achieve national prominence as major research universities and transferring the balance of the higher education fund to the national research university fund.”

Proposition 5 (HJR 36 - #2)
HJR 36 would amend the constitution to authorize the legislature to allow for a single appraisal review board for two or more adjoining appraisal entities that elect to provide for consolidated reviews of tax appraisals.

The proposed amendment would appear on the ballot as follows: “The constitutional amendment authorizing the legislature to authorize a single board of equalization for two or more adjoining appraisal entities that elect to provide for consolidated equalizations.”

Proposition 6 (HJR 116)
HJR 116 would amend the constitution to authorize the Veterans’ Land Board to issue general obligation bonds, subject to certain constitutional limits, for the purpose of selling land and providing home or land mortgage loans to veterans of the state.

The proposed amendment would appear on the ballot as follows: “The constitutional amendment authorizing the Veterans’ Land Board to issue general obligation bonds in amounts equal to or less than amounts previously authorized.”

Proposition 7 (HJR 127)
HJR 127 would amend the constitution to allow an officer or enlisted member of the Texas State Guard or other state militia or military force to hold other civil offices.

The proposed amendment would appear on the ballot as follows: “The constitutional amendment to allow an officer or enlisted member of the Texas State Guard or other state militia or military force to hold other civil offices.”

Proposition 8 (HJR 7)
HJR 7 would amend the constitution to authorize the state to contribute money, property, and other resources for the establishment, maintenance, and operation of veterans’ hospitals in this state.

The proposed amendment would appear on the ballot as follows: “The constitutional amendment authorizing the state to contribute money, property, and other resources for the establishment, maintenance, and operation of veterans hospitals in this state.”

Proposition 9 (HJR 102)
HJR 102 would define what is a state-owned public beach. The public, individually and collectively, would have an unrestricted right to use and a right of ingress to and egress from a public beach. The amendment would authorize the legislature to enact laws to protect these rights.

The proposed amendment would appear on the ballot as follows: “The constitutional amendment to protect the right of the public, individually and collectively, to access and use the public beaches bordering the seaward shore of the Gulf of Mexico.”

Proposition 10 (HJR 85)
HJR 85 would amend the constitution to authorize the legislature to provide that members of the governing board of an emergency services district may serve terms not to exceed four years.

The proposed amendment would appear on the ballot as follows: “The constitutional amendment to provide that elected members of the governing boards of emergency services districts may serve terms not to exceed four years.”

Proposition 11 (HJR 14 - #1)
HJR 14 would amend the constitution to provide that the taking of private property for public use (“eminent domain”) is authorized only if it is for the ownership, use, and enjoyment of the property by the State, its political subdivisions, the public at large, or by entities granted the power of eminent domain, or for the removal of urban blight. The amendment would prohibit the taking of private property for transfer to a private entity for the purpose of economic development or to increase tax revenues. The amendment would also limit the legislature’s authority to grant the power of eminent domain in the future unless it is approved by a two-thirds vote of all the members elected to each house.

The proposed amendment would appear on the ballot as follows: “The constitutional amendment to prohibit the taking, damaging, or destroying of private property for public use unless the action is for the ownership, use, and enjoyment of the property by the State, a political subdivision of the State, the public at large, or entities granted the power of eminent domain under law for the elimination of urban blight on a particular parcel of property, but not for certain economic development or enhancement of tax revenue purposes, and to limit the legislature’s authority to grant the power of eminent domain to an entity.”

Go to http://www.sos.state.tx.us/elections/voter/2009novballotexp.shtml for an evaluation of these amendments that the staff of the non-partisan Texas Legislative Council prepared.

“The mission of the Texas Legislative Council is to provide professional, nonpartisan service and support to the Texas Legislature and legislative agencies. In every area of responsibility, we strive for quality and efficiency.”

During the winter, we typically have more people join us since there are less outdoor activities going on. As an effort to help out new players, we are planning on providing beginners poker lessons. The first one will be held on Wednesday Nov. 18 from 7 until 8:30 p.m. The lesson will cover the basics of how Texas Hold’Em is played. We will demonstrate poker etiquette, ranking of hands and very basic strategy. If you are interested in attending or know someone who is, please join us and we will do all we can to help you get started in the fun times we share on Wednesdays and Fridays. The second session will be held in January, with the date to be decided later and published in the December CommuniQué poker article.

On Wednesday and Friday nights our poker sessions start at 7 p.m. (please sign up prior to 6:55 p.m. for these sessions). The last Friday of the month is our end-of-the-month (EOM) tournament, which starts at 7 p.m., with prizes generously donated by the Lodge. If you have not played that month you can play in the tournament, but you will not be eligible for the prizes.

The Lake Kiowa Hold’Em Poker Club generally plays by the accepted rules of tournament poker with a few modifications to accommodate our time frame and, most importantly, the fun factor. Have you thought about playing, but you are concerned about a lack of experience? Our group has some of the friendliest people around. They will help you out and make you feel comfortable.

End of Month Tournament Winners: (L-R): Kim Howell and Dennis Horvath.

Seasons of Change

From the President…

Comments from October: The KWC October general meeting and luncheon were a big hit with members and guests! Jacque Waghorne said that we “started off fall with a fabulous day; we all shopped ’til we dropped and never left the room!” Jonnie Hall stated, “The food was excellent—also the program.” Jeannine Faulkner agreed that the “food and program were most enjoyable!” Janet Samuel thought “the meeting flowed smoothly, the speaker was interesting and the food was very good.” Rita Langley noted that she “sat with six really neat ladies” and feels that she has new friends now. She continued that the “food was great!” And, a good time was had by all. Our speaker, Gina Bernasek, enlightened us on some great bargain shopping spots in the Metroplex. Gina lives in Colleyville and also has a home at Lake Kiowa. Thanks, Gina, for some shopping “secrets.” Shhhhhhh!!!

Newcomer’s Mixer: This event was held Sunday, Oct. 11. We had a good crowd of enthusiastic newcomers who enjoyed presentations by different Kiowa clubs and organizations. The KWC thanks the LKPOA for co-sponsoring this event with us. Also a big “thank you” to Gwen Mullins, the KWC Welcoming Chair, and her committee members Jonnie Hall, Anita Hughes and Ann LaRue for organizing this successful event.

Permanent Reservations: We have a significant number of ladies on the permanent reservation list for the monthly luncheons. However, if you were on the permanent reservation list LAST year (2008-09), the list does NOT carry over for this year (2009-10). So, if you did not check the box to “sign up” on your 2009-10 membership form, and you have not called Jane Outlaw or one of her reservation ladies to do so, then you are not on the list!! Be sure to call or e-mail one of them if you are not sure if you are on the list.

General Meeting Seating: Should you attend the monthly general meeting but not stay for the luncheon, please sit in one of the rows of seats at the back of the room. These seats are reserved especially for you. The chairs at the tables are reserved for those who already have lunch reservations. Thank you in advance for your consideration.

November Meeting: Please join us on Thursday, Nov. 12, for another great monthly meeting and Thanksgiving luncheon. Our keynote speaker promises to be entertaining and intriguing. He gets rave reviews at his speaking engagements. Did you know he was a keynote speaker at one of our luncheons over a decade ago? More information about him is found in Julie Mintzer’s article.

We need every available member to sign up at the November meeting to work a two-hour shift at one of the six Christmas Tour of Homes houses. You may also sign up at any of the November department meetings. We need everyone’s help, please.

Important Upcoming Dates: This is a busy time for the KWC. Please mark your calendars for the following events:

- Saturday, Nov. 28, 6 p.m.—Front Gate Christmas Lighting Ceremony. Bring the family and enjoy the Christmas lights, some yummy refreshments, a visit by Santa Claus and some traditional Christmas carols.
- Sunday, Dec. 6, 1 to 5 p.m.—Christmas Tour of Homes (tickets $5 in advance, $6 at the door).
- Thursday thru Saturday, Dec. 10-13—Outdoor Christmas Lighting Contest Judging.

Wishing you all the best of this Thanksgiving season,

Nancy Flores

OUTDOOR CHRISTMAS LIGHTS CONTEST

The Kiowa Woman’s Club invites you to join us for this upcoming Season of Joy by decorating your yard with Christmas lights. That’s right, it’s time for the annual HOLIDAY LIGHTING CONTEST! KWC judges will be out in the community on Thursday through Saturday nights—Dec. 10 thru 12, looking for the best of the best! So, be sure your Christmas lights are TURNED ON between 6 and 9 p.m. all three nights. If we can’t see the lights, we can’t judge them!

There will be four first-place winners who will each receive a Lodge gift certificate. Additionally, a wooden tree announcement stake will be placed in the winners’ yards throughout the holiday season. Addresses will be posted on the marquees as well as on the Web site.

The Kiowa Woman’s Club hopes that everyone will participate. We are proud to sponsor this community event. We wish you happy decorating and good luck! Nancy Flores

Please volunteer to help the Kiowa Woman’s Club at the Christmas Tour of Homes on Sunday, Dec. 6. Work shifts are 1 to 3 p.m. OR 3 to 5 p.m. You will be posted at one of the six homes on the tour. It’s fun work, so please volunteer now by signing the sign-up sheet at the Lodge, signing up at a departmental meeting, signing up at the November meeting/luncheon or by calling or e-mailing Jaqui Osborn-Stewart (940-612-3691, jaqui.osborn@hotmail.com).

This is our biggest fundraiser, and we need and appreciate your support. Nancy Flores

Shhhh! The Secret Service Is In The House

November’s program promises to be an interesting one. Our speaker is Mike Howard, a retired United States Secret Service agent under Presidents Kennedy, Johnson and Ford. Mike’s assignments included protecting First Lady Jacqueline Kennedy, First Lady Lady Bird Johnson and the President’s daughter, Lynda Bird Johnson. Mike, a North Texas graduate, is also a Korean War veteran who served in the U.S. Army—Military Police.

Mike’s recollections will be sure to entertain. At the same time, he will remind us of the sacrifices made and dangers faced by those who protect us and the freedoms we all enjoy. Be sure and join us as we count our blessings during this season of Thanksgiving.

Our Gourmet Department is hosting the meeting. See you there.

KWC’s Book Review was held Oct. 2 at the home of Joan Carroll. Peggy Padgham reviewed “Prayers for Sale.” (L to R): Barbara Koval (Book Review co-chair), Peggy Padgham (reviewer), Jeanie Kelley, Joan Carroll (hostess) and Janice Richey (Book Review co-chair).

The KWC Book Review Department meets every other month on the first Friday of the month. Joan Carroll hosted the October meeting and Nita Smith and Jeanie Kelley were co-hostesses. Peggy Padgham presented a very entertaining and intriguing review of “Prayers for Sale,” by Sandra Dallas.

The KWC Book Review Department’s next meeting will be Dec. 4 at 10 a.m. at the Lodge. This sign-up sheet will be there from Nov. 1 until the cutoff date of Nov. 30. Please call early to reserve your spot.

Welcome.

Becky Branham to begin at 10:30 a.m. and Janice Richey. Social time will be from 10 to 10:30 a.m. with a book review by Peggy Carpenter at (940) 665-4294 or anyone of the co-chairs of the Bridge or Canasta department. There will also be a sign-up sheet on the bulletin board just outside the office at the Lodge. This sign-up sheet will be there from Nov. 1 until the cutoff date of Nov. 30.

Please call early to reserve your spot.

The KWC Bridge Department has had a good tournament this fall. The bridge lessons have been going great. We now have a bunch of new bridge players. The Christmas Bridge/Canasta party is Saturday, Dec. 5 at 11:30 a.m. at the Lodge. We will be having a wake-up refreshment and then lunch. We plan to have a great afternoon of bridge and canasta with prizes. The cost will be $15 per person. You don’t need a partner, but you do need to sign up. You can do this by calling Peggy Carpenter at (940) 665-4294 or anyone of the co-chairs of the Bridge or Canasta department. There will also be a sign-up sheet on the bulletin board just outside the office at the Lodge. This sign-up sheet will be there from Nov. 1 until the cutoff date of Nov. 30.

Please call early to reserve your spot.

The Kiowa Woman’s Club is sponsoring a trip to two Ardmore OK arts and crafts festivals on Friday, Nov. 13. The FALL FESTIVAL ARTS & CRAFTS SHOW at the modern Ardmore Convention Center features over 125 booths with handmade and retail products. The CARTER COUNTY ARTS & CRAFTS FESTIVAL & FOOD FAIR at the Hardy Murphy Coliseum is a free event including over 200 indoor and outdoor booths featuring arts, crafts and food. There are also door prize giveaways.

We will meet at 7:45 a.m. at the Lake Kiowa Hometown Pharmacy and carpool. Both events open at 9 a.m. Wear your comfy shoes and plan to spend the day shopping. We should return home by 6 p.m. at the latest. A sign-up sheet will be at the November meeting on Thursday, Nov. 12.

For more information, call Nancy Flores at (940) 612-1222.

The Kiowa Woman’s Club holds a meeting every other month on the first Friday of the month. The November meeting is a plant exchange. You do not need to bring a plant to participate in the exchange. If you have seeds that you have saved or cuttings from some of your plants, it all works. If you are doing cuttings, either start them in a potting mix or keep them moist in wet paper. Either way works.

Now is a good time to divide spring blooming perennial flowers. This includes iris, columbine, spring obedient plant, thrift, Shasta daisy and gaillardia to name a few. Fall is also the time to plant bulbs in the garden.

Sharon Wolek, Chairwoman, Garden & Nature, Cooke County Master Gardener
Gourmet Club members enjoyed their first “Fall into Food” luncheons of the 2009-2010 season. The groups ate at various restaurants in the Metroplex or at in-home luncheons in Lake Kiowa. November’s theme is “Harvest Happenings.” Not only will Gourmet Club members lunch with their respective groups, we will also be host to the Kiowa Woman’s Club General Meeting in November. Hope everyone is enjoying good food with old and new friends.

Sixty dedicated MGA golfers braved wet and cool conditions at Tanglewood on Texoma for the October MGA monthly tournament. This tourney featured the “Devil’s Game 666” scramble in which holes 1 thru 6 were a team scramble, on holes 7-12 teams recorded the two best gross scores, and holes 13-18 required the two best net scores. Wet conditions demanded cart paths only, which slowed play and elevated scores. The winning teams were: First Place - Tom Brannon, Larry Gingerich, Izak Botha and Hank Marek (112); Second - Wayne Howell, Larry Reese, Keith Cole and Gary James (116, scorecard playoff); Third - Bob Shugart, J. J. Walls, Bob Hey and Lloyd Butts; Fourth - Jim Hawkins, D. Noble, Billy Frazier and David Priore (117). Congratulations go to all these winners, and better luck next time to all those who “also participated.”

After conclusion of play, wet and chilled contestants enjoyed a tasty Italian buffet courtesy of the MGA and prepared by our gracious hosts at Tanglewood.

November will feature a general membership meeting on Saturday, Nov. 14 prior to our monthly tournament at Tanglewood on Texoma. Nominees for the next MGA board will be announced at the meeting. Also, we hope to hear from Dennis Tocquigny with information regarding next year and our rebuilt course.

Please reserve your spot for this tournament at the Pro Shop during scheduled hours on Tuesday, Thursday, and Saturday or contact tournament chairman Jim Hawkins at (940) 665-4233. Remember, no refunds are available as we must guarantee your spot with the host course. We hope you will plan to attend the meeting even if you do not plan to play in the tournament.

The WGA luncheon/meeting was held Oct. 14 with President
Mary Polk presiding. The Treasurer’s Report and minutes were
approved; the latter along with the September 2009 minutes are
posted in the Pro Shop. The current balance as of September 30, 2009
is $8,498.34.

Membership Chairman Donna Chapman-Osborne reported one new 18-
Hole player: Lanette Shindler.

Genny Koziol will be selling tickets to the WGA Christmas Dance to be
held Dec. 12; Mike Neal will be the DJ again this year.

The Rally for the Cure made $76,500 this year for breast cancer research. The
Moberly Walk netted $12,600.

Central Texas Women’s Golf Association will have a tournament on Wednesday,
Nov. 11 at Pinnacle Club in Mabank. Check the Web site for dates for the Texoma
and Red River tournaments.

We will have election of officers during the Nov. 4 meeting/luncheon at 11 a.m.,
with installation of the new officers to take place in December.

DID YOU KNOW...

that the number one handicap hole on any given course is not necessarily the hardest hole and that conversely,
the number 18 handicap hole is not necessarily the easiest? The purpose of
handicapping holes is to equalize the playing field for all golfers by determining
where the higher-handicapped player most likely needs a stroke to obtain a half
in match play. The difficulty of making par on a hole is not an effective indicator
of the need for a stroke.

The USGA recommends two mathematical models to handicap holes. Both methods use hundreds of player scorecards to calculate the difference
between what a lower-handicapped player scores on each hole versus a higher-
handicapped player. The hole with the largest score differential is the hole where
a higher-handicapped player most needs a stroke and is most likely the number
one handicap hole. However, the handicap committee has the discretion to apply
their knowledge of the local course to further refine the results of either method
and determine the handicap stroke distribution. The USGA also recommends that
the odd-numbered handicap strokes be assigned to the front nine and the even-
numbered handicap strokes to the back nine. This helps equalize the distribution
of handicap strokes over the entire 18 holes. If you look at Lake Kiowa’s score
card, you’ll see that is exactly how our handicap strokes are distributed. If the
back nine is decidedly more difficult than the front nine then the allocation can
be reversed.

When our course opens, our handicap distribution will be unchanged. As
the course matures, the handicap committee will make a determination if re-
handicapping our holes is necessary. If such is the case, we will use one of the
two recommended methods to determine where you’ll be getting strokes. Until
then, remember that the number one handicap hole may not be the hardest hole
on the golf course. It is simply the hole where a higher-handicapped player most
needs a stroke to equalize play.

Did you Know...
On the schedule this fall, we will be busy building and installing fish cover, working with the biologist for the lake survey and stocking the lake with Florida Bass. As our year comes to a close, we will also host our annual Christmas Party on Thursday, Dec. 17 at 7 p.m. at the Lodge. We hope you will join us for an evening out with your neighbors as we honor this year’s best anglers.

Our club’s next meeting will be Nov. 19 at 7 p.m. at the Lodge.

Here are the results of the Sept. 19 Bass Tournament: First - Bob Bingham (9.4 lbs); Second - Dale Burks (8.6 lbs); Third - Mike Bitsche (8.4 lbs); Big Bass - Brandon and Dale Burks (tie at 4.4 lbs).

2. Black Bass must be caught on artificial bait
3. Black Bass must be weighed on official LKACC scales
4. Black Bass must be measured by hard measuring rule
5. Black Bass must be photographed
6. Black Bass must be witnessed by at least one of the established members listed with security
7. Black Bass must be witnessed, released alive in Lake Kiowa or transferred to the ShareLunker Program
8. Black Bass records shall be effective from October 1 through September 30
9. Each Black Bass record caught within each time frame will be given a $100 prize from the LKACC
10. One Black Bass replica shall be awarded for that year’s largest record Black Bass
11. Each replica shall hang on the wall in the 19th-Hole at the Lodge until a new record is established, at which time the defeated replica shall be returned to the owner
12. If the record is not broken each year the latest record shall remain in place until defeated
13. Each year that a new record is not established, the $100 prize shall roll over to the next year. (Example - no new record for 5 years, prize pot would be $500) The cumulative pot shall not exceed $1,000 at any time
14. If the record is broken at any time, the next prize awarded will return to $100

Lake Kiowa Fishing Limits

Bob Lusk, Fisheries Biologist and Lake Management Consultant, made the following fishing limit recommendations. These recommendations have been given careful consideration to keep a thriving ecological habitat for Lake Kiowa. The Angler and Conservation Club has fully endorsed the following fishing guidelines for Lake Kiowa:

Rainbow Trout: 5 Per Day, Per Person
Black Bass: Keep Black Bass between 10-15 inches; 5 Per Day, Per Person.
Crapie: Keep over 10 inches; 10 Per Day, Per Person.
White Bass: Otherwise known as Sand Bass. No Limit. Remove all you can.
Drum: No Limit. Remove any caught from lake.

TROT AND JUG LINES ARE NOT PERMITTED

Dock owners are encouraged to provide cover for the fish under your docks. Make sure the trees are securely anchored not to interfere with boat traffic. Feed the fish! Dry dog food or pellets especially made for the fish are readily available at feed stores. For questions, feel free to contact Mike Bitsche for specifics.

AUTOMATIC GATE TO BE INSTALLED AT FRONT ENTRY
The Lake Kiowa Board of Directors has awarded a contract to Alliance Automatic Gates for the installation of a toll tag reader to control access in the member’s lane at the Front Gate. Passage through the gate in this lane will require the use of a toll tag applied to the driver’s side of the windshield.
Those members who now use the East Gate are familiar with this type of operation. The strip type tag now dispensed for the East Gate will also work for the automated Front Gate, but the entry process will progress much faster since the single arm barrier will exit the member’s lane at the Front Gate. The reader and associated electronic apparatus should be in place by the first week of November; however, it is not anticipated that the automatic function will be initiated until after the first of the year. This will allow sufficient time for members to procure desired toll tags from Security. Dates, times and locations for the application of toll tags will be posted on the signboard, on the Web site and in the November edition of the CommuniQué.
*Note: The hard plastic earlier versions of the East Gate toll tag will be phased out during this time at no expense to those who still have them on their vehicles.

The early onset of cool and rainy weather has helped to bring an end to the active boating season at Lake Kiowa. No boating stops were recorded for the first time since March of this year. The same wet weather cycle responsible for the marked downturn in activity at the beaches and on the lake saturated the ground and brought about high water conditions at the low water crossings on Oct. 12. Security patrol closely monitored those water crossings while also performing their more routine tasks. Nine traffic stops were made for speeding resulting in the issuance of five citations. Six stranded motorists were given assistance and the welfare status of two residents was investigated.
Five mailboxes were pushed over and yard ornaments and driveway lights were vandalized on the night of Oct. 3 to 4. A single mailbox was reported damaged on Sept. 28. Cooke County Sheriff’s deputies responded to Lake Kiowa three evenings in a row to counter the efforts of an individual intent on trespassing. Security patrol looked for a suspected prowler, a suspicious person and for the reason for a 9-1-1 hang-up. Two citations were written for violations of the beach and parks curfew, a stop was made of a golf cart operating at night without taillights and two persons were asked to leave the golf course work site. One member reported the theft of gasoline. One citation was issued to a member parking a boat overnight at a POA dock without a permit.
Animal Control Officers were called out for 12 stray dogs, 2 barking dogs and 14 varmints. Sixteen LKVFD emergency pages were monitored by Guardhouse personnel. Security led ambulances to Lake Kiowa residences on four occasions.

Editorial Policy
The policy and purpose of this publication is to inform all residents of events and activities within our community, to report on actions and decisions made by our Lake Kiowa Property Owners Association Board of Directors, and to publish the results of those decisions. Information is important for everyone to know that problems are being worked on and remedies are being sought.

The following items will be accepted for publication: Events and information about Kiowa organizations that are open to all residents; events in our surrounding communities when Kiowa residents may be involved in them; and items of a personal nature that reflect on the generous character of our residents or a milestone in their lives.

A Letter to the Editor should be less than 350 words in length and will be accepted if it presents a thoughtful and constructive view to an issue that may be controversial within our community. It may be reviewed and verified for factual accuracy by the appropriate authority. The factual clarification will be published along with the letter. The letter should be typed or in legible handwriting, signed by a verifiable resident, and will be published unedited with misspellings indicated when necessary. If handwriting cannot be easily read, it cannot be used. The CommuniQue will not be responsible for misreading a handwritten word. A letter may be refused publication if space is limited. If several letters are received expressing the same view, one may be chosen for publication. Letters containing personal attacks, self-promotion, or advertising will not be published. Letters to the Editor do not necessarily reflect the view of this newspaper or its advertisers.
1.2 Major Duties of the Board
Oversee development and approval of a long-term corporate plan and approve annual budgets and operating plans;
Define and/or safeguard the organizational mission, values and operating principles within which it expects the LKPOA to be administered and to review these periodically;
Govern the LKPOA through broad policies and planning objectives approved by the Board, formulated with the Community Manager and staff, and reviewed periodically;
Select and support a Community Manager to whom the responsibility for administration of the Association is delegated;
Review and evaluate regularly the performance of the Community Manager on the basis of a specific job description and approved objectives;
Seek and secure sufficient resources for the LKPOA to finance its programs adequately;
Account to the membership for the services of the LKPOA and expenditures of funds;
Ensure prudent and proper management of the LKPOA resources;
Establish the general framework in which the LKPOA human resources will be managed and periodically monitor key human resource performance indicators;
Approve and periodically review personnel policies with which human resources will be managed;
Set guidelines within which management may establish pay and benefits for staff;

BOARD OF DIRECTORS GOVERNANCE POLICY

Regularly review the Association’s services to ensure that they are consistent with the purpose of the LKPOA and that its programs are effective and relevant to community needs;
Represent the LKPOA and its programs through interpretation to the community;
Serve as an advocate for services of good quality;
Hear complaints from property owners and membership about services or functions through a formal procedure.

1.3 Due Diligence – Responsibilities of Individual Board Members
Each Board member is expected to become an active participant in a body that functions effectively as a whole. In addition to assisting in the exercise of the major duties of the Board outlined above, members are responsible to exercise due diligence in the performance of their duties. They are responsible to:
Be informed of the articles of incorporation and legislation under which the LKPOA exists, its covenants, bylaws, rules and procedures, mission, values, code of conduct, and policies as they pertain to the duties of a Board member.
Keep generally informed about the activities of the LKPOA and the community, and general trends in community association legislation and operations.
Attend Board meetings regularly, serve on committees of the Board and contribute from personal, professional and life experience to the work of the Board.

Thank you for your interest and participation in our nomination process. You may identify yourself or remain anonymous; you may nominate yourself or any member you believe qualified to serve on your LKPOA Board of Directors. Call to Order: The meeting was called to order at 9:05 p.m. by President Wayne Shearer.

INVOCATION: President Jess Maxwell opened with a word of prayer.

MANAGER’S REPORT: Manager Young and Don Wortham, Region C area managers. The purpose of the meeting was to give his report and make projections for the future pump location resulting in extra chlorine. Young reported no new taps for the Region C area from July 2009 to August 2009.

LAWYER: Don Thacker indicated that there is an ongoing legal suit being filed against other Board members. The Board has no knowledge of the suit and has not been served.

Golf Committee Report: The letter states that Superintendent Schmaltz updated the Board on the progress of installing the new practice facility and the new tee for the number 4 hole. The letter also states that the Superintendent Dennis Tocquigny’s position is that opening on temporary greens will undo too much of what’s already been accomplished and compromise the course condition when the fairways are spring up.

Small Job Specialist
I have 40 years experience in every facet, every aspect of constructing, repairing, remodeling and a home. Working on the very same homes in Highland Park for 25 years has provided me with insights into what procedures and which materials work best. I now work alone (and I really do not care for the commute), so small projects are preferred. Call me if I can be of assistance to you.
