IN November the Board spent a great deal of time on the Long Range Plan Recommendations for 2010. After some discussion at the Nov. 16 meeting, a Plan was adopted by the Board of Directors. See the “One-Liner” summary on page 10.

Have you ever met Bill and Miriam Beebe? You can find them wherever there is music, karaoke, smiles and laughter. They regularly cart their sound system (10 pieces and 300 lbs.) to the Lodge for our enjoyment. Two hours for set-up and take down at their home and the Lodge is involved. Over the past 5 years they have been the motivation for or contributed to many successful events. You can spot them easily as their dress code always matches the particular music being played and sung. BINGO! I hope that makes you of think of Bob Hennessey, and his able helpers Craig Harper, Pam and Paul Liscom and Peggy Ashton. Bob, Craig, and Paul are licensed Bingo operators/workers. Bob has been providing this game for our residents’ enjoyment for 30+ years. Currently, the play is being held during the summer and on holiday weeks. On the 4th of July, 2007 they had the largest crowd ever - 280 individuals. In addition to the entertainment value for our residents and guests, the bingo proceeds are used to benefit the Lake Kiowa Volunteer Fire Department. Bob estimates that this activity has contributed over $130,000 to the Fire Department.

No community thank you would be complete without including our volunteer fire department. The Department is made up of Fire Chief Joe Rider and 12 volunteers. They are trained and have knowledge of fire fighting, medical care, are storm watchers and ham operators, know emergency preparedness and rescue techniques, plus other skills. These fellows are truly unsung heroes who volunteer their time and risk their lives. Plus, Judy Hall is so excited to have the beautiful eagle in her yard for the benefit of us all. It speaks volumes.

TOLL TAGS REQUIRED FOR FRONT GATE MEMBERS LANE

Security Department personnel are continuing their efforts to apply toll tags to member vehicles for use in the Front Gate members’ lane. Alliance Automatic Gates has actually installed the required reader and antenna, but gate access by toll tag will not be initiated until after the first of the year.

There are still many West-side residents who have not availed themselves of the opportunities to procure toll tags for their vehicles. Security personnel will be at the Lodge on the following dates and times ready to apply the toll tags:

Saturday, Dec. 5 – 8 A.M. to 12 p.m.
Sunday, Dec 6, 13, 27 – 2 to 5 p.m.
Any member-owned vehicle with a current Lake Kiowa sticker is eligible for a toll tag.

Chief of Security

The Lake Kiowa CommuniQue staff wishes to thank all of our advertisers for their continued support.

Best wishes for a Happy Holiday Season.

We hope you have a very prosperous New Year 2010 and look forward to working with you.
Hello Everyone,

I can’t believe that it is the end of the year already. In this month’s article I’m not going to cite any rule or talk about the challenges we face. What I would like to share with you now are the impressive things that have been accomplished this year through the efforts of a great many people.

Back in June we started one of the biggest restoration projects Lake Kiowa has ever seen. The golf course restoration project was completed on budget and on schedule. Unfortunately, the weather didn’t cooperate and we were unable to open the course as we had hoped. But, on a positive note, come spring we will have one of the best, if not THE best, golf course in North Texas; and, it’s all ours!

We ended the fiscal year on another positive note. The 08/09 year ended $78,895 under budget. This year’s maintenance fee had an increase of just 1.05% or roughly $2 per month.

Competitive bidding along with other factors reduced our insurance costs by $26,679. We reduced labor expenses during the winter months for budget reasons, and we got an additional benefit of receiving a refund of $3,837 on our Workers’ Compensation insurance premium.

With manager Clif Clay at the helm, the Lodge continues to exceed all expectations in both food quality and customer service. The number of courtesy stops and citations issued on the lake were cut in half as compared to the 2008 figures. LKPOA team members in the Security, Golf Course, Lodge, Public Works and Administration departments are motivated and enthusiastic. They are working closely together as one team to achieve our common goals of quality, efficiency, safety and cost control.

In closing, while this year has been challenging and, at the same time, rewarding, I eagerly look forward to next year and the opportunities and challenges that surely will develop.

I love Lake Kiowa. The friends my wife Jackie and I have made here have become our family, and we have become part of theirs. We have lost some truly remarkable people this year that touched our lives and they are going to be sorely missed this holiday season. Enough said.

From my family to yours, we wish you a very Merry Christmas and a Joyous New Year.

Randy
Dear Friends at Lake Kiowa,
We have sold our home after being in this wonderful community for 17 years. We have built a home in Sherman to be closer to family and our doctors.

The memories of all of the friends we have made, clubs and activities we participated in and all of the fun we have had over the years are special to both of us.

We will miss all of you. Please give us a call and come visit if you get to Sherman. We will miss Lake Kiowa!

Our new address is 3809 Sumner Court, Sherman TX 75090. Our phone number is (903) 892-3133.

This is a reminder that our Lake Kiowa Duplicate Bridge Club Christmas Party will be held on SUNDAY, DEC. 6 at 1 p.m. Those of you that played in more than 50% of our Monday games this year will enjoy a meal and game at club expense. Others will play for free, but the meal will be charged to your lot or however you want to cover it.

This is always a happy event, so we are looking forward to seeing you. Please notify me in person if you plan to attend. We need to tell Clif no later than Dec. 2.

OH POOP!
One of the joys of living at Lake Kiowa is taking your animals for an early morning or twilight walk—unless, of course, those preceding you neglected to pick up after their pets. Although the golf cart path is now open to those wishing to exercise, it can be quite distressing to return home with unwanted material on your shoes. Parked vehicles and other obstacles (i.e. mailbox) should be 2 feet from your cart.

Holiday Schedule: If a holiday falls on your service day, your recycle will be placed at the edge of the driveway or placed inside your cart. The cart must be properly placed by 6 a.m. so that your recycle will be collected one day later. Holidays are New Year’s Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day.

Placement: Carts should be properly placed by 6 a.m. Recycle should be placed inside your cart. The cart must be placed at the edge of the driveway or road with the lid Completely Closed and the handle must be facing the residence.

Recycling Items:
- All paper including newspaper, magazines, phonebooks, junk mail and shredded paper;
- Plastics #1-5 & 7 (no plastic bags or Styrofoam);
- Aluminum and tin food and beverage cans (no Aerosol cans & no aluminum foil);
- Glass food and beverage containers (no mirror or auto glass);
- Cardboard and Boxboard.
- Tin and Steel (no paint cans!)

It is sometimes difficult to find Ann Butler these days. She is spending quite a bit of time in Tennessee keeping an eye on the franchise business she and her husband Terry are operating there. Their store offers buttercream frosting piled three inches high and more than 50 mouthwatering cupcake flavors such as Lemon Dream Supreme, Miss Princess and Texas chocolate to satisfy any sweet tooth craving.

Ann is the product developer and co-owner of a franchise that is part of a cupcake business her daughter GiGi initiated. The entire operation has become very successful. The ideas for the products that are sold there stem from recipes Ann remembers learning from her grandmother. “The lemon dream supreme, which has a lemon filling inside, comes from a lemon pie recipe I have been making for 30 years;”

Paint stage sets for the Butterfield Stage Players production of “Scrooge” opening Dec. 3 at the State Theater in downtown Gainesville.

Backstage Fun

Play-reading parties have become a hit with Butterfield Stage Players’ new volunteer program. Hosting a “reading party” with friends, family and a knowledgeable theatre professional from BSP (if requested), assigning character parts and reading the play, gives you a chance to volunteer while socializing in your own home. The group then evaluates the feasibility of producing the play.

Butterfield Stage Players has developed a new volunteer program that allows you to help in a variety of ways. You can volunteer for an hour, an afternoon, a day or more.

If you enjoy working in an office, the house business office occasionally needs clerical assistance. Those interested in decorating could come in during the final stage production setup and help with the “set dressing” - putting the final touches to the stage setting to give it that authentic look.

Publicity for Butterfield is very important. Volunteering in this area includes placing posters, maybe writing an article for publication and networking e-mailing friends, co-workers and family to inform them of upcoming plays and events.

Maybe you have professional dance experience and would like to help with the choreography of a production; the Prop and Costume Rooms also need looking after. You could help keep them organized on a quarterly basis or for as long as you like. Supplies for the house office and public rooms need to be inventoried and replenished on a monthly basis. One hour a month might be just the right volunteer job for you.

These and more volunteer positions are offered on a one-time, quarterly or annual basis. Choose your interest and contact Lee Skinner at (940) 612-0370 or LeeLee@ntin.net to be a participant.

Neither do concertgoers need to reserve seats for the program, set to begin at 7:30 p.m. on the main stage of the First State Bank Center for the Performing Arts on the Gainesville Campus.

“We’re excited about this opportunity to showcase the talent and many hours of hard work our students have put into this concert program,” said Shelley Padilla, Gainesville Campus dance instructor and choreographer. “We believe this program will be a real treat for the audience.”

Karen Machatyre, her counterpart at the Corinth Campus, said the students really “pushed the envelope” in terms of choreographic creativity and finding ways to communicate ideas and emotions through dance.

“Dance truly is a celebration of art making, as an expression of self and community,” Padilla noted. “Our students not only took the opportunity to ‘reflect’ this theme in their performances but also during the whole range of preparation for this one event through rehearsals, costume choices, musical choices and individual choreography projects.”

“I'me Nation” is Padilla’s first large-group choreography project with dance students in Gainesville. She feels that this piece provides “an experience in learning about each other as we have worked toward illustrating the corruption of corporate America.” Students have given this modern work “the dark edge” needed to relay the message behind the dance.

The second piece featured by the Gainesville dancers is a new work created by Jose Zamora titled “Desfile.” He has fused jazz/hip-hop/modern styles creating a dance with a driving beat while challenging our dancers to showcase their inner divas.

The dancers presented this work at the 21st Century After School Program Event held on Oct. 7 at Callahan Middle School in Denton as well as at this year’s recent annual NCTC College Day.

Student choreography projects created and performed by Debra Atchison, Cassie Bradshaw, Michelle Husman, Melina Perez and Andi Townsend will also be showcased in the concert.

“We’re also particularly excited to premiere our first dance video, featuring Gainesville dancers, as an eclectic addition to our live concert program,” Padilla said.

She described the video, titled “The Grilled Cheese Express,” as a fun experiment in taking dance outside of the classroom and into alternative settings to explore the question: “How can I remain an individual while contributing to the group?”

Corinth instructor MacIntyre noted that the solo performances her students will be performing wrestle with a common theme—the struggle for self-actualization and balance in relationships with others in our world.

“Meghan Kurth and Jennifer Phillips, who both choreographed group works for fellow classmates, have challenged the dancers to expand beyond their comfort zones in movement that offers unexpected change of level and direction at high velocity,” MacIntyre said.

Guest artist Andony Ibarra’s work will also be highlighted in this concert.

“Ibarra set his piece in only three rehearsals,” MacIntyre said, “and the students amazed me with their ability to pick up and retain highly choreographed movement phrases that are filled with quick footwork and stylized gesture.”

“It is always thrilling to see the artistic achievements of our dancers,” said Gabrielle Fletcher, chair of the NCTC Drama and Dance Department. "The power of dance is universal as it bridges cultures through the exploration of communication and art.”

Fletcher said NCTC is particularly fortunate to have instructors of Padilla and McIntyre’s caliber on staff. Their academic backgrounds are strengthened by a wealth of experience as professional dancers. “The real winners, of course, are our students,” Fletcher noted.

DOING A CLEAN INSTALLATION OF WINDOWS 7

Q. I am anxiously awaiting Windows 7. I want to do a clean installation, so my PC is fresh. I am aware of the hassle involved. I’ll have to back up my data and reinstall my programs. Before I go through with it, I have a couple questions. Will a clean installation truly make a difference? If so, how can I make the clean installation easier?
—Steve in Atlanta, listening on WSB 750 AM.

A. Most users will prefer to do in-place upgrades with Windows 7. That will leave Vista on their machines. Programs and data won’t be affected, at least in theory. An upgrade is generally considered less difficult than a clean installation.

However, many enthusiasts prefer clean installations of operating systems. The hard drive is wiped clean. The operating system is then installed from scratch. Personal data must be backed up, or it will be lost. Programs must be reinstalled. But old Windows problems are gone.

A clean installation will take time. But an upgrade may be even slower. Microsoft has warned that in-place upgrades could take up to 20 hours! Like Steve, I will do clean installations on my personal equipment. But we’re both geeks, I guess.

Either way, my advice is the same. First, back up your data. Accidents can and do happen. I use and recommend Carbonite works. It will check software, your computer and peripherals. You also have to use the same bit version. Vista and Windows 7 both come in 32-bit and 64-bit versions. If you don’t know your bit version, click Start>>Control Panel. Double-click System. In the window that opens, look under System. You’ll find it next to “System type.”

Regardless of what you do, be sure to back up your data. Accidents happen. Those running Windows XP will have no choice. They will need to do a clean installation. There is no upgrade to Windows 7.

Windows 7 both come in 32-bit and 64-bit versions. Again, if you change bit versions, a clean installation is necessary.

To partition or format the drive, click “Drive options (advanced).” Follow the instructions and click Next. In that case, start your computer with the installation disc. Follow the instructions to install Windows 7.

I’m sure many other readers are anxiously awaiting Windows 7. And I’m sure they have questions, too. I have answers on my site: Windows 7 Upgrade Advisor. This will alert you to potential problems with Windows 7. It will check software, your computer and peripherals.

DOING A CLEAN INSTALLATION OF WINDOWS 7
The Lake Kiowa Property Owners’ Association maintains a Web site (http://www.lakekiowawx.com), its purpose being to facilitate communications within our community, and to let the public know we exist. The public homepage is open to anyone who finds our Web site. The outside world can learn about the Lake Kiowa Rally, our calendar of events, read the last three issues of the CommuniQué, find out about the golf course, the Kiowa Homeowners’ Water Supply Corporation, learn how the Lodge operates, find maps, and access a list of lots for sale. Hot Links, employment opportunities and association contact information is available, as is a list of frequently asked questions. The aim is to provide information as well as a website to prospective home buyers.

The private home page includes all of the above, plus an address book and listings of boards, committees, clubs and associations. Recent documents of the above, plus an address book and password. Once you have logged in you can change your login and password. The utility of any data base depends upon the validity of the information contained therein. As was stated early on in the computer business—GIGO. This translates to: Garbage In, Garbage Out. The Address Book was visited 2300 times in October and November. One would think that page would be much more popular, but it lies in sixth place among the most frequented pages.

Have you ever gone to the Address Book to find a phone number or an e-mail address or even just the street address of a Lake Kiowa resident? This can be frustrating. The person’s name may not be listed, because the residence technically is part of an estate, so is named accordingly. A name might be misspelled. But the most frustrating element is that, although the individual is listed, the information you seek is not present in that individual’s profile. That is because the individual either has never taken the time to flesh out his or her profile or just doesn’t want very much information available to Lake Kiowa residents; more than likely, many people just don’t know how to handle this profile. Let me explain how this is done.

After logging in to the private home page, go to the list of menus at the left and scroll down to the third section marked Personal shown in red. Click on the second item (Update User Profile). This will take you to an extensive menu. Your name, login and password will already be filled in (here is where you can change the latter two items). In the blanks available, you can add whatever information you so desire. You can add a photograph, which is encouraged. Once you have filled in the blanks, make sure you scroll down to the bottom of the page and SAVE the information. You can then go to your entry in the Address Book, open it and see how it looks.

There is an option to check certain boxes so information is not shown in the Address Book, but to my way of thinking, that defeats the purpose of the Web page. After all, only Lake Kiowa homeowners have access to this part of the page, which to a degree also functions as a Lake Kiowa directory. Thus, there is little reason for reticence.

If you encounter any problems with the Web page or have questions, simply go to your browser, open the Lake Kiowa Web public homepage and click on Webmaster at the bottom of the page. You will receive a response. We are always ready to assist you.

Bill Burhans
PRIORITY 1 (Short Range - actions that can be started now)
1. Promote communication, problem solving and teamwork by holding periodic meetings with Committee Chairpersons, Board members, and other local leaders.
2. Study the integration and modernization of computer systems.
3. Give the Golf Committee an opportunity to recommend changes that could improve good stewardship or improve service of our golf course. All recommendations would require Board approval.
4. Prepare a 5 - 10 year plan to modernize the community center.
5. Set in motion a professional review and action plan of the silt build up in Lake Kiowa.
6. Link the KHWSC’s and the LKPOA’s long range planning efforts to protect our community’s natural water resources and address the waste issues.
7. Continue the past efforts to complete a LKPOA Operations Manual in 2010.
8. Accounting and internal control recommendations:
   • Establish an audit and or financial committee(s).
   • Begin a Board and POA review of the Lake Kiowa cost centers for possible changes.
   • Specify that the association Treasurer is a member of the Ways and Means Committee.
   • Monitor state legislative issues that would impact on HOA’s.

PRIORITY 2 (actions that may begin in 2010, 2011 or 2012)
1. Create a land use task force to make recommendations on the use of POA properties and the possibility of purchasing new property.
2. Consider environmentally friendly purchases for the LKPOA.
3. Strengthen the requirements for golf marshalling in the next contract negotiations.

PRIORITY 3 (sometime in the next 5 years)
1. Enhance the ability of the Lodge’s food activity to expand sales by marketing.
2. Study the need for a 3rd member gate.
3. Recommended projects/proposals from the LRPC as modified per Board discussion on November 2, 2009:

   PRIORITY 1 (Short Range - actions that can be started now)
   1. Replace the existing equipment and enlarge the West Beach playground.
   2. Start a community compost or mulch program
   3. Add a shaded patio behind the Lodge.

   PRIORITY 2 (actions that may begin in 2010, 2011 or 2012)
   1. Upgrade restrooms per the survey priorities: 2010 West Beach; 2011 #4 hole; 2012 #13 hole.
   2. Add boundary markers similar to OB markers around LKPOA park parcels showing the border line between private and public property.
The Chapel Quarterly Business Meeting and potluck dinner will take place in the Lodge on Dec. 14. Bring a dish and your utensils at 6:15 p.m. The choir will sing some of their Christmas music at this meeting. This is a wonderful opportunity to share good food, good fellowship, and learn about the good things our Chapel contributions do in our surrounding communities. A food drive for VISTO is also encouraged at this meeting as they are very desperate for donations at this time.

Some members of the Chapel Board of Directors will be retiring at the end of this year. New members will be recruited and elected in December. If you have a desire to serve, please volunteer your services.

Chapel services are regularly scheduled at 8 a.m. every Sunday in the Lodge assembly room. Rev. John Hare and Rev. J. Ray Smith are the pastors delivering their messages on alternate Sunday mornings.

Rev. Smith’s message Dec. 6 will be “No Room For Jesus: Then and Now” with text from II Peter 3:8-11. Rev. Hare will deliver the message on Dec. 27 entitled “Two Babies in a Manger” with text from John 1:6-8, 19-28.

The Chapel Choir will present their Christmas Cantata on Dec. 20. Chapel Choir meets every Monday morning at 8 a.m. for practice and sing for Chapel on the third Sunday of the month. Anyone interested in singing with this group is encouraged to join them.

The First United Methodist Church in Gainesville has also invited Lake Kiowa to attend their First Annual Festival of Christmas Music on Dec. 13 at 6:30 p.m.

VISTO is the recipient of food contributed on the third Sunday of every month. The number of families that need this service has increased immensely over the past year and resources are not keeping up with the need. All packaged groceries are appreciated but they will make very good use of monetary donations as well. Backpack items for the many children who do not have a supportive home environment are dispersed on weekends so these items are also greatly needed. A dollar spent by VISTO goes much further than your individual grocery dollars, so consider a check made out to VISTO and sent to P.O. Box 607, Gainesville, TX 76241.

The Lake Kiowa Chapel meets regularly every Sunday morning from 8 to 8:30 a.m. in the Lodge. All residents and guests are welcome. This is an interdenominational service that may precede your regular church service or a round of golf. Casual dress is always welcome. Please come and share this time with your friends and neighbors on Sunday morning at 8 a.m.

Gainesville Christian Women Connection will hold its “Ring in the Season—A Christmas Gathering” Thursday, Dec. 17 at Debbi Clouse’s home, 9152 FM 1201, Gainesville TX. Come join the fun and fellowship! The event time is 10 to 11:30 a.m. For reservations, call Nancy at (940) 612-2811 by Monday, Dec. 14. Jeanie Kelley will share thoughts of Christmas and Judy Beard will lead us in singing.

Thank you,
Debra Doverspike,
Co-Chair GCWC

**Lake Kiowa Fishing Limits**

Bob Lusk, Fisheries Biologist and Lake Management Consultant, made the following fishing limit recommendations. These recommendations have been given careful consideration to keep a thriving ecological habitat for Lake Kiowa.

The Angler and Conservation Club has fully endorsed the following fishing guidelines for Lake Kiowa:

**Rainbow Trout:** 5 Per Day, Per Person
**Black Bass:** Keep Black Bass between 10-15 inches; 5 Per Day, Per Person. Release all other Black Bass under 10 inches and over 15 inches.
**Crappie:** Keep over 10 inches; 10 Per Day, Per Person. Release all under 10 inches.
**White Bass:** Otherwise known as Sand Bass. No Limit. Remove all you can.
**Perch:** No Limit.
**Channel Catfish:** Keep fish over 14 inches; No Limit. Release all under 14 inches.
**Drum:** No Limit. Remove any caught from lake.
**Carp:** No Limit. Remove any caught from lake.

TROTT AND JUG LINES ARE NOT PERMITTED

Dock owners are encouraged to provide cover for the fish under your docks. Make sure the trees are securely anchored not to interfere with boat traffic. Feed the fish! Dry dog food or pellets especially made for the fish are readily available at feed stores. For questions, feel free to contact Mike Bitsche for specifics.

Texas Hold’em Monthly Winners

End of Month Heads-Up: (L-R): Bill Dalton and John Nash.

OCTOBER 2009 HOLD’EM POKER

On Wednesday and Friday nights, the poker sessions start at 7 p.m. (please sign up prior to 6:55 p.m. for these sessions). The last Friday of the month is our end-of-the-month (EOM) tournament. It starts at 7 p.m. with prizes generously donated by the Lodge. If you have not played earlier that month, you can play, but will not be eligible for the prizes.

The Lake Kiowa Hold’Em Poker club generally plays by the accepted rules of tournament poker with a few modifications to accommodate our time frame and, most importantly, the fun factor. Have you thought about playing, but are concerned about a lack of experience? Our group has some of the friendliest people around. They will help you out and make you feel comfortable.

The results for the October poker nights:

9/30/09 - Dennis Horvath (points go towards the October prize); 10/2/09 - Jim Lewis; 10/7/09 - Bill Thompson; 10/9/09 - Leslie Sweet; 10/14/09 - Cason Crosswhite; 10/16/09 - Jim Pollard; 10/21/09 - Rupert Hoenig; 10/23/09 - Jim Pollard; 10/28/09 - Janice Seefeldt; 10/30/09 - EOM Tournament: 1st - Bill Dalton; 2nd - John Nash.

October Points Leader: Dennis Horvath; 2nd - Jim Pollard; 3rd - Jan Dalton; 4th - Bill Thompson; 5th - Leslie Sweet; 6th - Elaine Blackwell; 7th - Janice Seefeldt; 8th - Bill Dalton.

This month we had a couple that both finished in the top eight places. Both of them did it without winning one of the sessions. That is quite a feat. Jan Dalton finished third in points, which I believe is the highest a non-winner has ever finished. Bill topped the month off by winning the monthly tournament. Congratulations go to Bill and Jan for an extremely successful month.

I think both of them played better this month than did Joseph Cada. He won the main event at the 2009 World Series of Poker. In my opinion, he accomplished this through luck rather than stellar play.

Darwin Moon, who finished second, outplayed him over and over, but luck won out. I would take the play of the top players in our group over the play Cada demonstrated at the final table held Nov. 7-10. I know he had to be a good player to have made it to the final table; it’s just too bad he didn’t continue that play during the final table. Practice up, Bill and Jan! There could be three in your family getting an invitation to the 2010 main event. . .

Christmas Tour of Homes has added features this year. On Sunday, Dec. 6 the annual Tour of Homes will take place from 1 to 5 p.m. Advance tickets are available for $6 at the following locations: LKPOA Office, the Lodge, JB Cole Insurance and the Hometown Pharmacy. The following individuals have tickets for sale: Jaqui Osborn-Stewart, Nancy Flores and Kathy Reed. Tickets will also be available on the day of the event at each tour home for $7. You will not be admitted into any house without your ticket!

During the home tour this year, refreshments will be served in the Southwest Room at the Lodge. Also, there will be a drawing at the end of the Home Tour in the Southwest Room of the Lodge for three horse-drawn carriage rides around Lake Kiowa on a date close to Christmas. Be sure your name and phone number are on the back of your ticket; just drop your ticket in the drawing box at the last home you visit. The boxes will be taken to the Lodge where the drawings will take place around 5:15 p.m. on Dec. 6. Thanks to Christmas Home Tour Chair Jaqui Osborn-Stewart for all her hard work on this project. Also, thanks to the homeowners whose homes are on the tour. Thank you, KWC members, for your support, too.

Former Secret Service agent Mike Howard was the guest speaker at the Nov. 12 KWC meeting. His many stories describing “My Life in the Secret Service” were fascinating to hear. (L-R): KWC Vice-President Julie Minter, Mike Howard and his wife Martha and KWC President Nancy Flores.

Upcoming December Meeting: Please join us on Thursday, Dec. 10 at 10:30 a.m. for another great monthly meeting and a Mexican Fiesta luncheon. Our keynote speaker, Doc Gibbs, is a favorite of many and will entertain us with Christmas music. More information can be found in Julie Minter’s article. To add to the Christmas Joy, you are invited to wear a favorite Christmas outfit.

Christmas Lighting Contest: KWC judges will be out and about in the community on Thursday through Saturday nights Dec. 10-12, looking for “the best of the best” of Christmas lights! So, be sure your Christmas lights are TURNED ON between 6 and 9 p.m. all three nights. If we can’t see the lights, we can’t judge ‘em! There will be four first-place winners and each will receive a Lodge gift certificate. Additionally, a wooden tree announcement stake will be placed in the winners’ yards throughout the holiday season. Addresses will be posted on the marquees as well as on the Web site. There is still plenty of time to decorate your outdoors, and we hope everyone will participate.

November Meeting a Big Hit: Our November speaker, former Secret Service Agent Mike Howard, was a huge success! He delighted the audience of over 130 with his intriguing flashbacks to the infancy of the Secret Service up to his work for Presidents Kennedy and Johnson. There was only one problem— we ran out of time! However, Julie Minter, 2nd VP, Programs, was able to negotiate an encore performance from Mike in the spring of 2011. So, we look forward to having him back for “the rest of the story” during our 2010-11 year. Gourmet provided lovely decorations some of which were recycled. Thank you to Theresa Cole and her group for an outstanding job. Additionally, thanks to the Lodge staff for the delicious Thanksgiving Feast.

Important Upcoming Dates: This is a busy time for the KWC. Please mark your calendars for the following events:

Sunday, December 6—Christmas Tour of Homes.

Thursday-Saturday, Dec. 10-12—Outdoor Christmas lighting contest judging.

Sunday, January 24, 2010—Candidates’ Forum (more information about this event will be presented at our December luncheon meeting and in the January Communi Qué).

Wishing you a Season of Christmas Joy,

Nancy Flores

YOU’RE INVITED TO
A “DOC” HOLIDAY

Please join us as we celebrate this joyous Christmas season. Doc Gibbs, our entertainer this month, will definitely get us in the spirit with his music and humor.

Doc was born in Tuskegee, Alabama where, at eight years of age, he began playing the piano by ear. Formal lessons followed while Doc was in school.

Like a lot of entertainers, Doc’s church has served as a major platform for his talent. He has done everything from playing the piano and singing in the choir to directing choirs all over the world, including Jerusalem, Israel.

From performing solo and in groups, Doc has just about done it all. He has performed with Joan Rivers, The Drifters, Charlie Pride and Janie Fricke. He has managed and directed other musical groups. He has composed and performed original music, both inspirational and secular.

Doc feels blessed to be doing what he enjoys. His goal is “to inspire, encourage, and make people laugh.” You won’t want to miss this holiday celebration. Your board is hosting the meeting. See you there.

“ALL THAT TWITTERS AND BLOOMS”

Our November plant exchange was a smashing success. Thank you, Jennifer, for the use of your home. And, thank all of you who attended, it was great fun. The weather cooperated by being sunny and warm.

Our December meeting will be our Christmas Social, a potluck brunch. Maureen Anselmi is our gracious hostess in her home at 6179 FM 902 at 10 a.m. Do not forget your VISTO donation, because the organization has been serving more people in Cooke County this year and they need our support.

TWITTERS: Here is some interesting bird information on the seasonal bird movements in North-Central Texas. The nesting season for most birds in North Central Texas is mid-May through July. Naturally, some birds will begin nesting in April and a few will be migrating in July. Here is a general barometer for the seasonal habits of most of the region’s birds.

Winter: November begins to see the largest arrival of sparrows and the first arrival of juncos. Some wintering hawks, particularly Red-tailed Hawks, arrive almost daily. Ducks continue moving into the area. By Thanksgiving, many of area’s gulls are arriving, and most of the blackbirds begin flocking in massive groups at this time. Probably the last to arrive are longspurs, usually only found in December and January.

BLOOMS: We may be in for some real cold weather, but you can continue to seed out lettuce if you are ready to protect the tender seedlings on cold nights to get them through a hard freeze. Winter weeds are usually not a big problem, but now they are small and easily controlled with a hoe or a few sheets of newspaper covered by mulch. For some of us, December is a good time to get those seed orders in so you can begin seeding transplants sometime after the first of the year. You can still plant cool season panies, violas, ornamental kale and ornamental cabbage. Continue to feed all your cool season flowers. After a freeze, remove annual flowers that were affected by the cold. Cut foliage of perennials back to a few inches from the ground and mulch the area well to protect the base of the stem and dater winter weeds.

Even though woody ornamentals are dormant now, wait to prune them until late winter.

Garden and Nature enjoyed a marvelous plant exchange during the Nov. 10 gathering at Jenny Schmidt’s home. A large group of women attended and fun was had by all. (L-R, rear): Jane Outlaw, Jenny Schmidt (hostess), Carol Jacobsen, Joann Smith, Carol Beck and Kay Utesch; (L-R, center): Genevieve Avinger, Glenda Hayes, Janet Samuel, Myrna Smith, Judy McLain and Julia Mayo; (L-R, front): Sharon Wolek, Nancy Flores and Katherine Thacker.

The Kiowa Woman’s Club Book Review Department meets every other month on the first Friday of the month. In honor of recent book club reviewers, two new books have been added to the Lake Kiowa Library by the KWC Book Review Department. They are “First Family” by David Baldacci and “Evidence” by Jonathan Kellerman.

The next KWC Book Review Department meeting will be Dec. 4 at 10 a.m. at the home of Jo Ann Gill, 1321 Kiowa Dr. E. Co-hostesses will be Sarah Franklin and Julia Mayo. Social time will be 10 to 10:30 a.m., with a book review by Beckey Branhm to begin at 10:30 a.m. Beckey will be reviewing Truman Capote’s “A Christmas Memory.”

Please join us for good fellowship and a wonderful book review. Everyone is welcome.

Barbara Koval and Janice Richey, Co-chairs

The winners of the first bridge tournament are pictured here (L-R): Peggy Carpenter, Dee Magee, Jan Thompson, Peggy Ashton, Jeanie Foster, Joyce Baumgart, Pat Medley and By Jo Mansfield.

The Kiowa Woman’s Club Bridge Department just finished its first tournament for the fall. Everyone had a great time. First place winners were Pat Medley and By Jo Mansfield. Second place went to Dee Magee and Peggy Carpenter, third to Jan Thompson and Peggy Ashton, with Jeanie Foster and Joyce Baumgart finishing fourth. This was a fun tournament.

Everyone is looking forward to the Christmas Bridge/Canasta party on Saturday, Dec. 5. If you haven’t signed up, you can still do so until Monday Nov. 30. You can call any of the bridge or canasta co-chairmen. It is always a fun event for only $15, which includes lunch and a fun afternoon of cards with prizes.

We are also signing up players for the next tournament, which starts Jan. 7. Since the golf course is closed and it will be cold anyway, an afternoon of bridge is just the thing to enjoy on a winter day. We play six weeks on Thursday except the Thursday of the KWC meeting. We would like to see a bunch of you there.

Our bridge classes will continue starting on Jan. 7. We all look forward to seeing you at these events.

Merry Christmas from “Your” Realtor

Being the broker/owner of Lake & Country Realtors I wish to thank each of you who made us your “Realtor of Choice” this year.

In spite of all the bad press about Real Estate and the Economy, it has been a wonderful year at Lake Kiowa.

Thank You So Much for your continued support.

May God grant you blessings in 2010.

I hope everyone enjoyed the Gourmet Club’s November theme of “Harvest Happenings,” either out and about at one of the area’s restaurants or in one of Lake Kiowa’s lovely homes.

The holiday season is upon us as we look forward to our Christmas event. This year, our Christmas party promises to have something for everyone. We will start the evening of Dec. 15 with a cocktail party beginning at 6:30 p.m. with music for our listening pleasure provided by the string duo “European Ensemble.” At 7:30 p.m., seating will begin for the main event, “Murder by Mistletoe.” We will have a sit-down dinner and a full “whodunit” murder mystery complete with prizes for the table that solves the mystery. It promises to be a fun evening for everyone.

Be sure to get your tickets early as seating is limited to the first 200 reservations. The price is $30 per person, and members are permitted to bring one guest. Tickets must be purchased by Dec. 5. Please contact Theresa Cole at (940) 612-2274 or Pat Mead at (940) 343-7286.

We hope everyone has a very Merry Christmas and a Happy New Year!

501 Kiowa Drive West - This lovely waterfront home belongs to Wanda Plott. You will think of New Orleans when you see the lovely detailed railings that surround the second-story balconies. This beautiful two-story home enjoys wonderful views of both the lake and the golf course! The home includes formal living and dining areas, two wet bars, a media room, study, sun room, four bedrooms and four baths. The two patios allow family and friends to enjoy the outdoors and beautiful landscaping. This spacious home is filled with wonderful features such as granite counters, convection oven, a kitchen dumbwaiter, ceramic tile and decorative lighting.

1249 Kiowa Drive West - This Soft California Contemporary home on the lake, the home of Pamela Kirk and Richard Moore, has a standing metal seam roof and round front windows. Built and certified to accommodate easy access for all generations, the exterior doors have handicap access sills with lever door handles and slate floors throughout the house. An Everest Vertical Stack fireplace with a slate face and built-in cabinets on each side graces the living room. All cabinetry throughout the house is finished in a custom black stain to coordinate with the black furniture. The kitchen has a specially designed elliptically shaped granite island and granite countertops with Sedona Red back splashes. Adjacent to the large master bedroom, the bathroom contains a walk-in curved dropped shower with blocking for future handicap bars in the shower and the tub. Forged wrought-iron balusters support the oak staircase hand railing. A bedroom and studio with a walk-thru bathroom comprise the upper level, with the second-story balcony providing a fabulous view of the lake, Little Fox Pond, the nature area and all of the 8th and 9th holes of the golf course.
213 Pueblo Drive East - Old-world charm describes this newly constructed home built by John Low at 213 Pueblo Drive East. This custom stone and brick home that Richard and Sharon Mitcham own sits on a heavily wooded corner lot. A flagstone walkway leads to the high arched entry. Inside the home are scraped wood floors and 18x18 ceramic tiles. Vaulted ceilings in the family room and an octagon-designed ceiling treatment in the breakfast area add to the appeal of the open floor plan. The kitchen features a large granite island with seating for four, and antique cabinets and stainless steel appliances. In the family room, floor-to-ceiling custom stone is the backdrop for the see-through fireplace. The fireplace opens to the adjoining sunroom, which looks out onto the flagstone patio and wooded backyard.

533 Kiowa Drive West - This waterfront home was expanded to four bedrooms and four baths and totally rebuilt from studs out in 2008. You enter this elegant home through the front courtyard. Travertine 18-inch tile floors are throughout the expansive entry, living and dining areas and kitchen. The open island kitchen with granite countertops, state-of-the-art appliances and beautifully stained cabinets overlooks an extra-large living area with vaulted ceilings and stone-accented fireplace. The oversized dining room and master suite both have walls of windows overlooking the lake. The master suite features a beautifully tiled shower and garden tub. All bedrooms are extra large. Two bedroom suites have private baths and French doors to the courtyard. A multi-level deck for family entertaining overlooks this courtyard.

401 Navajo Trail West - This home is owned by JoAnn and Bud Smith. Step into the “Old World” home through a 900-lb. Durango front door. Everything in the home speaks of charm, from the arched doorways, limestone entry and vaulted ceilings to the gabled dormers for the entry of natural daylight. In the kitchen you will find Alderwood cabinetry, granite counters and a wrought-iron pot hanger. Check out the “rolling pantry”? This three-bedroom two-and-a-half bath home also includes a “grandkid-friendly” family room above the garage. Hand-scraped hardwood floors and the stained concrete entry and rear patio add to the feel of the home. Enjoy the landscaping done by JoAnn, who is a Master Gardener, and Bud, the laborer behind the plan.

939 Kiowa Drive West - This newly constructed two-story home belongs to Vicky and Tommy Jackson. It was designed and built by the couple, reflecting their personal taste and clever attention to detail. The Great Room is 28-feet high with exposed beams. The home is controlled with Graphic Eye lighting; all appliances in the kitchen are stainless steel. You will find roll-out drawers for part of the pantry space, built-in cabinets for the media center and kitchen tableware, and beautiful use of rock and tile throughout the home. Enjoy the Library that is upstairs next to the media room. This four-bedroom three-bath home has many amenities that you will enjoy seeing. Don’t forget to walk outside to see the fireplace sitting area, the beautiful view of the lake and the exterior kitchen.

MGA Meeting and Golf - Nov. 14

Over 100 members of the Lake Kiowa Men’s Golf Association attended the monthly November meeting. After President Jay Titus welcomed everyone, Treasurer Phil Handley gave a comprehensive treasurer’s report. Highlights included a review of the more than $20,000 donated during 2009 towards equipment and improvements on the golf course. President Titus also updated the membership on plans to renovate the entrance area with funds from this year’s beautification tournament, plus donations from both the MGA and WGA.

Nominations for incoming MGA board members were presented. They are: Bobby Andrews, Larry Gingerich, Robin Howell, Jim Mead and Jim Williams. After a motion from the floor, these new members were accepted by acclamation.

Plans are underway for the annual worker appreciation chili dinner and golf tournament in early December. This annual event recognizes all the volunteers who have worked on the course this year and, most especially, the entire golf course staff, for all their efforts. The entire golf course staff will be guests of the MGA. The chili dinner will follow play at some away course yet to be determined. Other details will follow.

Course Superintendent Dennis Tocquigny shared with the group his disappointment in not being able to open the course this fall. He also said greens covers were on order and would be used during extended periods of freezing weather. Plans for reopening the course are weather dependent, but could occur as early as May 1 UNLESS the spring is unusually cold and wet. Repairs to some of the worst golf path problems are planned during the coming months.

After the meeting adjourned, seventy members made their way to Tanglewood on Texoma for the November play day. The format was a Martini Scramble using drives from one of four different tees depending on the hole’s handicap. Winners were: First - Don Hanratty, Keith Cole, Smokey Mountcastle and B. R. Clements; Second - Steve Watson, Larry Gingerich, Bob Bergbower and Randy Schmaltz; Third - Jerry Haubrich, Phillip Walker, Jim Alvey and Lou VanderMolen; Fourth - Bob Shugart, Bob Hey, Monte Lacy and Jerry Sailer. A burger buffet courtesy of the MGA followed play.

The December tournament will again be held at Tanglewood. As always, make your reservations at the Pro Shop or by calling Jim Hawkins at (940) 665-4233. A closest to the pin contest will be held during this tournament to help underprivileged kids in the Callisburg school district. We will need about 50 entrants to make it work so please be ready to invest an extra $10 in this worthwhile effort.

DID YOU KNOW... That it’s a USGA requirement to use the handicap revision schedule of your golf club’s state organization? The Texas Golf Association’s revision schedule has always been every 28 days, but that will change in 2010. Beginning January 1, 2010 we will be revising handicaps twice a month–on the first and fifteenth. This change is in anticipation of a USGA requirement for twice a month revisions in 2012 and reflects the fact that Texas has a year-round golf season. Twice a month revisions are actually easier on Brown and his staff and will provide a more realistic and current depiction of a player’s handicap. The revision schedule is posted on our bulletin board in the Pro Shop.

As a result of the new revision schedule, your Handicap Committee will meet on the second Thursday of every month in 2010 to review handicap records and conduct other committee business. In reviewing records, we primarily look for errors such as having played a round of golf in April of 2016. However, our most important responsibility in reviewing records is insuring the integrity of each Handicap Index and we are required to adjust a player’s Handicap Index if warranted by the USGA Handicap System. There are a number of reasons why a player’s Handicap Index will change in 2010. Beginning January 1, 2010 we will be revising handicaps twice a month--on the first and fifteenth. This change is in anticipation of a USGA requirement for twice a month revisions in 2012 and reflects the fact that Texas has a year-round golf season.

Superintendent’s Report...

As colder weather approaches, there are a couple of topics that we would like to discuss.

Pertaining to our new Mini-Verde greens, the grass is still in a very juvenile stage of growth and development. This makes it a bit more susceptible in reacting to sudden temperature changes at night namely, turning a dark red or purplish color. Some of you may have observed this back in October. Lower nighttime temperatures will typically cause a temporary phosphorous deficiency in the plant. This is indicated by the reddish coloration in the plant tissue. A moderation in temperature will usually help return the color of the grass plant back to normal until seasonal dormancy (via a frost) sets in. As the grass matures in the future, it will have less of a tendency to experience such a significant variation in color.

Even though the golf course is not challenging year for us. Throughout what has been a very wet spring is the absolute worst case scenario for a successful transition. This process is all about managing the establishment phase of growth, we need to minimize any competition factor for the bermudagrass.

You will also notice that as much colder temperatures occur, we will begin to selectively use the greens covers to help insulate the turf on the greens. This will occur only when extended below freezing temperatures are forecast.

Typically, we would cover all the greens in the afternoon and then the following day, provided we would be experiencing sunshine, remove them to allow full light penetration to the plant. This process is all about managing the soil temperature that will help provide protection for the young, tender root tissue. A moderation in temperature will help insulate the turf on the greens. This will occur only when extended below freezing temperatures are forecast.

Again, from our entire maintenance staff, we wish everyone a joyous and healthy holiday season. Thank you for your support and understanding throughout what has been a very challenging year for us.

Dennis J. Tocquigny,

Golf Course Superintendent

A LOOK BACK

It is always easier to look back on significant events in one’s life and gain the perspective that you wish you had the benefit of in the first place.

Looking back on our golf course renovation project is no different. We know now what we wish we had known then, namely, that the weather would do everything short of a tornado or hurricane to disrupt our schedule. From totally unseasonable summer rainfall to a significantly cooler August and September, to the cloudiest October anyone can ever remember, we just have not been able to catch a break. A good friend told me just the other day that he figures that I was just not very lucky this time around. If that was the case, then hopefully a mild winter and an early spring are around the corner as my luck with the weather is ready for a welcome change. Still, we did everything in our control to successfully grow the golf course in and we were sorely disappointed to have the weather compromise our efforts. We appreciate your support and understanding as keeping the golf course closed was a very difficult decision.

Also in looking back, I want to recognize two individuals on my staff that went above and beyond the call of duty to help insure the success of the project. Rockney Barnes is our Irrigation Technician and he was assisted in his efforts by Galen Camp. These two men were an integral part in rendering the irrigation system operable and thus dependable in the face of tremendous problems and issues that occurred throughout the project. They should be recognized for their dedication and diligence under the most adverse of circumstances.

The balance of the staff also performed exceptionally well, especially considering none of them had ever gone through a renovation project before. Leo Walters, W. T. Gary, Chris West, Corey West, Mike Dilliard, Jose Castillo and Salvador Cruz all deserve recognition for their efforts.

My staff and I would like to pass along our wishes to all LKPOA members for a joyous and prosperous holiday season.

Dennis J. Tocquigny,
Superintendent
HOW TO USE THE LAKE KIOWA ONLINE HANDICAP SYSTEM

To Log In:
Go to www.gshandicap.com from any Internet web browser and you will be on the log in page. You will see two options, Post Online and Handicap Lookup.

To Sign in to Post Online:
1. In the GSID field enter the Lake Kiowa Golf Course ID “03322” followed by a dash, followed by your Lake Kiowa lot number and a “1” for an MGA member or a “2” for a WGA member. For example: for lot number 521 and an MGA member, enter 03322-5211 in the GSID field. Note that there is no leading zero on your lot number.
2. As password, enter your last name.
3. Click on the Post Scores and View Info box which takes you to the Golfer Info and Scores page.

In the Golfer Info block:
1. Click on the Edit Info button to edit your personal information or change your password.
2. Click on View Handicap Card to see a card with your last twenty scores. You will see an asterisk by those scores used in calculating your handicap.
3. Click on the Course/Tee drop down menu, click on the course and tee you played. If the course is not listed, enter the course’s rating and slope in the boxes provided. If you don’t know the rating and slope click on Don’t know the rating and slope. Click to look up values next to the rating and slope boxes. You’ll be taken to the USGA website where you can look up the rating and slope for any rated USGA course. In the USGA window, put your cursor on Handicapping and from the drop down menu, click on Course Ratings and Calculators, and then on the Course Rating Database. Enter the information requested in the boxes provided.
4. Enter your Adjusted Gross Score in the box provided. If you don’t know how to adjust your score, click on Adj Gross Score to the left of the score box and a popup menu will explain the maximum score you’re allowed on each hole under the USGA’s Equitable Stroke Control (ESC) based on your course handicap.
5. Click on “Save Score” when you’ve entered all the information for your round.

NOTE: If you are entering scores for several golfers you will have to log out and log back in with each individual golfer’s GSID and password to enter their score.

To Lookup another Player’s Handicap:
In Handicap Lookup on the log in page enter the player’s GSID, (03322-member’s lot number) followed by a “1” for MGA or “2” for WGA. You can find lot numbers in the MGA/WGA Directory. This will take you to the golfer’s Golfer Info and Scores page where you can view their last thirty scores and their handicap index card.
For questions or comments contact the Pro Shop or any member of your handicap committee.
INDEPENDENT AUDITORS’ REPORT

To the Board of Directors
Lake Kiowa Property Owners Association, Inc.
Lake Kiowa, Texas

We have audited the accompanying Balance Sheet of the Lake Kiowa Property Owners Association, Inc. at June 30, 2009 and the related Statements of Revenues, Expenses and Changes in Fund Balance, and Cash Flows for the year then ended. These financial statements are the responsibility of the Association’s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Lake Kiowa Property Owners Association, Inc. at June 30, 2009 and the results of its operations and its cash flow for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The Supplementary Information on Future Major Repairs and Replacements on page 9 is not a required part of the basic financial statements of the Lake Kiowa Property Owners Association, Inc. but is supplementary information required by the American Institute of Certified Public Accountants. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and express no opinion on it.

Very truly yours,

DeVolT and Company, P.C.

Editorial Policy
The policy and purpose of this publication is to inform all residents of events and activities within our community, to report on actions and decisions made by our Lake Kiowa Property Owners Association Board of Directors, and to publish the results of those decisions. Information is important for everyone to know that problems are being worked on and remedies are being sought.

The following items will be accepted for publication: Events and information about Kiowa organizations that are open to all residents; events in our surrounding communities when Kiowa residents may be involved in them; and items of a personal nature that reflect on the generous character of our residents or a milestone in their lives.

A Letter to the Editor should be less than 350 words in length and will be accepted if it presents a thoughtful and constructive view to an issue that may be controversial within our community. It may be reviewed and verified for factual accuracy by the appropriate authority. The factual clarification will be published along with the letter. The letter should be typed or in legible handwriting, signed by a verifiable resident, and will be published unedited with misspellings indicated when necessary. If handwriting cannot be easily read, it cannot be used. The CommuniQue will not be responsible for misreading a handwritten word. A letter may be refused publication if space is limited. If several letters are received expressing the same view, one may be chosen for publication. Letters containing personal attacks, self-promotion, or advertising will not be published. Letters to the Editor do not necessarily reflect the view of this newspaper or its advertisers.

**Merry Christmas to Our Members & Friends!**

To ensure your family has a safe holiday:

- Check your Christmas lights, plugs, outlets, and extension cords. Don’t overload a circuit or start a fire with a frayed and damaged cord.
- Keep trees and flammable decorations a safe distance from open flame heaters, fireplaces, and wood stoves.
- Check children’s new toys for potential safety hazards.
- Buckle up and be careful on the road. Out-of-town travelers, drinking drivers, and weather conditions all pose special risks this time of the year.

Wishing you a Happy New Year!!!

**The World’s Most Elegant Wood Fireplace - Is Also the World’s Most Efficient!**

The Fireplaces of All Class have been designed to maintain the aesthetic appeal of the fireplace while delivering up to 76,000 BTU’s/hour, through a decorative grill built into the facade design, framing the fire and enhancing your home decor. Other all-output fireplaces require large unsightly boxes or highly visible vent boxes above the fireplace opening, sacrificing the traditional hearth box.

The Fireplaces of All Class feature sleek lines and large glass doors for an expansive view of the dancing flames. Optional gold plating on the face and door add a dramatic flair. Each Fireplaces of All Class fireplace creates such a unique, beautiful, versatile look in a high BTU output fireplace.
Additions to the Agenda:
1. Committee Contracts
2. H1N1
3. Gate issues
4. Pictorial directory
5. Audit

Approve Minutes: Linda Moore made a motion to approve the minutes. Justin McMurty seconded the motion and all members in the recent survey. A book of were in favor. The motion carried.

LAKESIDE Long Range Planning Recommendations: Corky Cohoon, Chairman of the Long Range Planning Committee, summarized his report and presented it to the Board and elaborated on several of the recommendations, including modifying the Mission Statement, tightening of internal controls, hiring a part-time IT person to modernize the LKPOA needs and enhancing our communication. He also better reflect the tough economic times and the direction given us by our membership. He then reviewed the nature of the committee’s recommendations was given to each Board member. Wayne asked for any additional questions and be prepared to discuss, approve or amend this report as appropriate. The Board will continue to develop and eventually approve a long range plan as it is required in our Board of Directors Governance Policy. Once the plan is approved, it will be given to our attorneys for incorporation into our Board’s annual by Lake Kiowa people are: (1) review and audit and work papers; (2) budget and cost of a Putting Course in 2010 that has been recommended over several years; 4) Consider future expansion of the nature trail, if well utilized. Recommendations: 1) Implement a LKPOA corporate plan is a requirement in our mission statement, which will be done on a month-to-month basis. 2) Develop a corporate plan is a requirement in our mission statement, which will be done on a month-to-month basis.

Lodge Food Service: The latest Lodge (Clif Clay) The Rally Food Service report showed that most respondents for Christmas Tour of Homes 4. Woman’s Club request for signage - Recommend that the Board request our financial related committees or an ad-hoc committee review and monitor pending state legislation.

Public Works: (Don Hoover) Don had been recommended over several years. It was recommended that we counter the offer with the number of income were over projections by approximately $2,000. Expenses were almost $20,000 above projections and beverage expense nearly $12,000 under expected totals. Net income for September was approximately $300,000 under budget and off almost $50,000 for this fiscal year. If shortfalls may be expected as the absence of any green fee income will continue until spring.

Bill Hoagland (Lot 1340) asked if our attorney advised us not to mention the possibility of the Lodge being sold. Wayne responded that in his review of the documents, it remains fairly constant on a month-to-month basis. Brett Reed (Lot 753) asked if the budget for the Lodge Food Service was budgeted this year as normally done (not taking into consideration the possibility of down turn). Jim said yes, the budget reflects a normal year. The need for a community pictorial directory was developed and presented to the Board, but will be presented for approval at a future meeting.

Wayne introduced David DeVott who represents the company that audits the Lodge financials. Mr. DeVott reviewed the audit through June 30, 2009 produced a clean opinion in accordance with generally accepted accounting principles, and impressed with the internal controls that they had developed.

The recommendations that internal controls are established and or an ad-hoc committee review and evaluation of the internal controls be recommended. To solve some drainage problems, the crew is in a preventative mode and will continue in that mode going forward. The recommendation was made for early detection of any threat to the greens on the nature trail, if well utilized.

Wayne thanked David for his time. In response to a question, Mr. DeVott agreed with the concept. La Vonne Jucha (Board member) commented that she did not see the Nature Trail on the survey. Wayne indicated that the survey had been recommended over several years. Justin voiced dissatisfaction with any money being spent on the trail. She feels pot holes need to be addressed and that the greens have been upgraded instead. Randy said that the pot holes are part of the yearly road maintenance, when they are done in the spring under a contract with the provider.

Wayne met with Mr. Mike Storms, of Randy met with Mr. Mike Storms, of Devolt & Company, P.C. attended the Board meeting to share the audit work papers with Mr. DeVott to the extent that he is comfortable with the Board of Directors reviewed the audit work papers and reviewed the designated cost centers for the Lodge. The Board will continue until spring.

Christmas Home Tour to be held on Sunday, Dec. 6. The signs will be removed and the yard cleaned. John Wolek made a motion to allow the Woman’s Club to use signage for the Home Tour, and Linda Moore seconded the motion. All were in favor. The motion carried.

Budget Update: It is projected that the budget for the year ending December 31, 2010, will be $3,750,000. Jerry Slater made a motion that John Wolek be appointed as chair of the Committee with the recommendation of Jack Mead, Lot 1003, made the point that this motion was not part of the LRP Motion. John Wolek seconded. All were in favor. The motion carried.

The motion carried. By-law violation was stated. Referring to the October 5 Board meeting where Mr. Schmaltz and Ms. Cohoon questioned the amount of the building permit fees concerning the replacement of a driveway, the Attorney showed the minutes as presented. The motion carried. John Wolek made a motion which was seconded by Thacker seconded. All agreed. The motion carried.

Chairman of the ACC, reported that the Committee feels there is no real difference in replacing a driveway or installing a new one, there is already a separate fee listed for “repair.” The Committee felt the fees are appropriate at $00.20 /sq. ft. The ACC voted to leave the fee structure “as is.”

Pictorial Directory: It was not possible to provide a demonstration with information from the WK Web site at this meeting. Justin McCurry stated the limitations of trying to use the Web site information. In the end, his recommendation was that we ask each resident of the community to verify that their information on the WK Web site is current/accurate. The address book section of the site is the most used. In the future, if there is interest in a community directory, the easiest solution is to go commercially.

Resident comments: Why do we want pictures? It should be part of the next directory, the easiest solution is to go commercially.

Future meetings: If there is interest in a community directory, the easiest solution is to go commercially.

President’s action should be covered in the by-laws.

LIFE MEMBERSHIP: The minutes as presented. The motion carried. The motion was seconded by Jack Mead, Lot 1003, made the point that this motion was not part of the LRP Motion. John Wolek seconded. All were in favor. The motion carried.

Manager Young reviewed the monthly statement for the Board and noted these were unaudited year end reports. July and August were high water usage months. We have about three dozen high usage customers and twelve customers asked for more time to pay their bill. The Manager mentioned that the Manager’s Office and the Water Supply Corporation Office and have made adjustments. These adjustments/reductions taking this into consideration. The Manager stated that $30,000 additional funds were transferred at year end to reserve funds. Action is also contingent on an acceptable well being achieved at $00.20 /sq. ft. The ACC voted to leave the fee structure “as is.”
