Lake Kiowa Storm Survey Completed

A National Weather Service team surveyed damage across Cooke County May 18, especially in the Lake Kiowa area. Strong thunderstorms affected this area on Wednesday, May 11. The survey team concluded that a brief tornado occurred on the western and northern side of Lake Kiowa at approximately 2:30 p.m. on Wednesday, May 11.

The Lake Kiowa tornado was given a preliminary rating of EF-0 on the enhanced Fujita scale. Maximum winds within the tornado were between 75 and 85 mph. The overall path length of the tornado was 1.6 miles with an average path width of 75 yards. The Lake Kiowa tornado was a brief tornado that occurred just behind the leading edge of a larger line of thunderstorms.

Rainbow Interlude During Storm Season

For whatever the reason, many areas of the United States have been plagued by devastating weather conditions. We suffered a tornado here, true, and it was traumatic for many. However, we had it really easy compared to what happened to the people in Joplin, MO recently. The number of fatalities was at 89 and climbing as this is being written. The sad news already received certainly will get worse.

We at Lake Kiowa experienced a bout of high winds Sunday evening, May 22, but only limited damage resulted. Perhaps the rainbow pictured here is a harbinger that we here have somehow been blessed...

U.S. SOLDIER M.I.A. FROM KOREAN WAR IDENTIFIED

You may not be aware of the fact that Private First Class Joseph A. Terrell of Dallas has been missing in action from the Korean War since 1950. He is a relative of Sharon Adama of Lake Kiowa.

Our Department of Defense team was able to identify his remains recently and he was buried in early May with full military honors in the Dallas-Ft. Worth National Cemetery.

Among forensic identification tools and circumstantial evidence, scientists from JPAC used dental comparisons and the Armed Forces DNA Identification Laboratory used mitochondrial DNA—which matched that of Terrell’s cousin—in the identification. In addition, Terrell’s military identification tags were included with the remains.

More than 2,000 servicemen died as prisoners of war during the Korean War. With this identification, 7,995 service members still remain missing from the conflict.

For additional information on the Defense Department’s mission to account for missing Americans, visit the DPMO web site at www.dtic.mil/dpmo or call (703) 699-1420.

Extensive Storm Damage After May 11 Storm

A severe storm hit Lake Kiowa on Wednesday, May 11 and caused significant damage in some areas of our community. Community Manager Randy Schmaltz issued email status updates periodically; if you do not receive those emails, you can view them in the Documents section of the Web site. (See pages 20 & 21 for more pictures.)
Hello everyone,

Wednesday, May 11, a storm hit Lake Kiowa with no warning and carved a path of destruction through our community. The next day, May 12, a National Weather Service team surveyed the damage in Lake Kiowa and determined strong thunderstorms affected the area, and concluded a brief tornado occurred on the western and northern side of Lake Kiowa during the event.

The National Weather Service Team determined that the Lake Kiowa tornado had a preliminary rating of EF-0 on the enhanced Fujita Scale. Maximum winds with the tornado were between 75 and 85 mph. The overall path length of the tornado was 1.6 miles with an average path width of 75 yards.

With the damage from the storm still visible in Lake Kiowa, it is important to note that the Cooke County Office of Emergency Management is hosting a Community Emergency Response Team (CERT) training class this summer. The training includes Disaster Preparedness, Fire Safety, First Aid, Light Search and Rescue, Organization, Disaster Psychology, and Terrorism and CERT.

It’s important to note that, following a major disaster, first responders who provide fire and medical services will not be able to meet the demand for these services. Residents of Lake Kiowa will have to rely on each other for help in order to meet their immediate life-saving and life-sustaining needs. The training mentioned above provides minimum capabilities to help ensure families and neighbors have some help when they most need it!

Continued from page 2

Ray Fletcher, the Cooke County Emergency Preparedness Coordinator, stated that groups of trained residents can provide immediate assistance to victims, organize spontaneous volunteers who have not had the training and collect disaster intelligence that will assist professional responders with prioritization and allocation of resources following a disaster.

Some Lake Kiowa residents along with members of the Security and Public Works teams have attended the CERT classes in the past, but the need exists for more residents of Lake Kiowa to attend. As the May 11 storm highlighted, Security and Public Works employees can’t be everywhere after a disaster. We need the ability to take care of our residents while we wait for help from outside first responders.

The training will take place June 11, July 30, Aug. 13 and Sept. 17 from 8 a.m. to 12 p.m. at 1703 W. California St (near Highway 51 and FM 1306) at the Church of Jesus Christ of Latter-Day Saints.

For more information or to sign up, please contact the Cooke County Office of Emergency Management at (940) 668-5400. More information on CERT can be found at: http://www.citizencorps.gov/cert/about.shtml

Please join me in attending this vital training.

Thank you,

Randy

We are so happy that we chose Lake Kiowa as our home six years ago!! The prayer warriors have been working day and night for a lot of us. Thank you for your thoughts, prayers, cards, visits, calls, cookies, cupcakes and flowers— but, most of all, for your HUGS!! All of you never cease to amaze me! Thank you for being with me for my journey!

Thanks to you and your many cards and notes of sympathy, I have beautiful reminders of how much Jack and I loved living at Lake Kiowa, surrounded by friendly people. It is where we hoped to live until the end.
Now, what I have left is wonderful memories of a life well-spent with Jack, without grief or regrets. For God’s boundless grace, I rejoice and celebrate.
Always know that I will always think fondly of each one of you and each precious thing you said or did. You are a blessing.

CALLISBURG–Callisburg High School is proud to announce that Morgan Taylor Garner is Valedictorian of the Class of 2011 with a GPA of 4.93. Christopher Lee Faddis is the Salutatorian with a GPA of 4.88363.

Morgan is the daughter of Kip and Tammy Garner. She has attended Callisburg schools since Kindergarten. Through those years, she has been active in band, earning a spot in the All Region band from the seventh grade through her senior year. She was a member of the 2011 All State band, the first CHS student to earn this honor since 2005. Morgan has been a leader in the journalism department, serving as Editor-in-Chief of the school newspaper for two years. She competed in UIL Editorial Writing and Feature Writing, advancing to the regionals in Editorial Writing two years. She was also an active member of the National Honor Society.

Morgan plans to study Biomedical Science at Texas A&M University where she will be a member of the band. After getting her undergraduate degree, she hopes to continue into veterinarian school.

“One of the most important things I learned in high school was how to write a well-developed essay,” Morgan said. “As much as I hate them, I know that will help me get through college. Thanks Mrs. Moore.”

Salutatorian Chris Faddis is the son of Paul and Jean Faddis. He moved to Callisburg in the seventh grade, residing with his uncle and aunt, Joe and Dawn Faddis.

In high school, Chris has been an active member of the National Honor Society. He competed in UIL Science for four years, UIL Social Studies and Current Issues & Events for two years and Editorial Writing for one year.

Chris plans to attend Texas Tech University in the pre-med program. He hopes to eventually go to medical school to become a doctor. He leaves this advice for the underclassmen, “Be yourself, because if you do not know who you are, you are nothing.”

CHS celebrated Senior Sunday on May 22 at 2 p.m. in the CHS gym. Graduation is set for June 4 at 2 p.m. at the CHS gym.

Becky Branham displays her Texas A&M T-shirt quilt.

The quilters of Kiowa’s Quilt Bee welcomed May by gathering once again around tables at the Lodge to discuss quilt happenings and view the many projects the quilters bring to share. We had a great group gathered and, once again, we welcomed a new member to Kiowa—Sharon Catlett, who came to share her skills and join in the fellowship. We will have another Lodge Retreat on Wednesday, July 13 from 8 a.m. to 5 p.m. Bring a project and your machine and come join the madness. Tables will be set up and you can come and go or come and stay as your schedule permits.

For other upcoming events, keep your eyes peeled for the Lake Kiowa Memory Quilt, which will be on display in various places for viewing until it is auctioned or raffled off for the Rally for the Cure® event. Also keep Oct. 14 or 15 open and attend “Grandmother’s Treasures” Quilt show sponsored by Gainesville Common Threads Quilt Guild to be held at the Gainesville Civic Center. Contact Judy Akin if you are interested in purchasing tickets.

Due to the Fourth of July holiday, the next meeting of our Quilt Bee will be held Monday, July 13 at 7 p.m. at the Lodge. Hope to see you there.

By the time everyone reads this, we will have already held our second Club Championship. It was held May 22 and again we were served our now famous wine and hors d’oeuvres. As usual, a good time was had by all and a great many masterpoints were awarded. Our newest and, I add without hesitation, enthusiastic players, Carol and Harold Bosse, were not able to join us since they left for the summer just the week before. Although they have just taken up duplicate, they have won masterpoints and came in second overall a couple of weeks before they left. More accurately, they left to go to Minnesota where they will enjoy the days in their summer lake house. I wonder if the ice melts enough or not before new snow falls.

Sadly, Ruth Kurtz was not able to go before the Christmas Dinner so there are around 30 games to play in that game for that to happen. Be of brave heart, we still have around 30 games to play. As of this writing, 34 individuals have qualified by the time you read this. There must play in at least 10 games for that to happen. Be of brave heart, we still have around 30 games to play before the Christmas Dinner so there is still plenty of time to qualify.

Any questions or if you want to reserve a spot in the Pavilion, call John Davis (940-665-5353), Dick Carroll (940-665-3037) or Chris Bost (940-665-6814).

**ARE ONLINE BACKUPS SAFE?**

Q. Hackers these days can break into government, financial and business computers. Why should I trust a cloud-based backup company like your advertiser Carbonite with my important files? Thanks.

-Oz from Oronoco, MN, listens to my national radio show on KROC 1340 AM

A. I can understand your apprehension about storing your data online, Oz. It seems like we hear about a new data breach weekly. In fact, yesterday we learned that personal information of up to 210,000 individuals who had recently filed unemployment insurance claims in Massachusetts has been compromised.

Sony was recently hacked. Information on more than 100 million customers was stolen. Email marketing firm Epsilon lost millions of customer email addresses. The state of Texas exposed the personal information of 3.5 million citizens. This company or that bank gets hacked, exposing customers’ sensitive information.

Armored with an individual’s personal data, a hacker can steal a person’s identity and finances. In case you’ve ever wondered why hackers want names, addresses, and more, it’s all about the money. This brings us to Carbonite.

With Carbonite, all your data, photos and important files are stored online. This is great. If there’s a fire, theft or flood, your data is safe. You can get it back. Storing information online is the whole point of cloud computing. That’s the direction the computer world is heading. So what is the cautious user to do?

Before signing up with a company, learn about its security policies. Research what it is doing to keep your data safe. Believe me, I did plenty of research on Carbonite before I became a customer. You see, I was a Carbonite customer before Carbonite became an advertiser.

I use the service to back up my personal financial data and sensitive business files. I don’t want a breach to expose that information. Having done my research into Carbonite’s security measures, I feel confident recommending it to you. Carbonite uses 448-bit Blowfish encryption. Data is also encrypted to and from its servers. Data is encrypted twice. This is more than your bank transactions. At Carbonite’s facilities, there are physical security measures in place. Even if a hacker could get in, they cannot break the encryption in place.

Not all data breaches are the same. The information stolen is usually in an aggregated form with little encryption. Many companies have huge and varied networks that are hard to secure. Plus, an employee might be bad, incompetent or gullible.

So, how does Carbonite measure up? For starters, all my backed-up data is heavily encrypted. Carbonite uses 448-bit Blowfish encryption. Hackers aren’t going to crack encryption this strong anytime soon.

Plus, Carbonite uses 128-bit SSL encryption while data is being transferred. That’s the same encryption banks use for communication. So, data is encrypted twice to defeat potential snoops.

However, let’s pretend for a moment a hacker managed to get into Carbonite’s system. Getting at even one customer’s files would take forever. The hacker could theoretically steal the encryption keys. This would speed up the file-snooping process. However, that would mean hacking into a completely different server. Then the hacker would have to somehow match keys to specific files.

That’s a lot of work for an uncertain payoff. Plus, long before the hacker got anywhere, Carbonite would detect the breach. It would take immediate steps to stop the intrusion.

There’s another critical difference between Carbonite and the breaches I mentioned above. Those companies were mostly storing text information. Names, addresses and credit card numbers don’t take up much space.

Text files are small enough for hackers to download. The hackers can get the files before the company notices.

Carbonite, on the other hand, is housing hundreds of terabytes of information. For example, I store gigabytes of data. Downloading just my information would take the hacker hours. To get everything on the servers would take years.

Carbonite’s end of the operation is very secure. The real danger actually comes from the side of things. Your computer is the weak link.

Carbonite’s entire business is built around backups. That means it has one system to secure. So it can do a good job of it.

It is highly unlikely that a hacker could get into Carbonite’s system. However, let’s pretend for a moment a hacker managed that feat. What would that hacker find?

The hacker would see fully encrypted files from thousands of customers. Each customer has different encryption. Getting at even one customer’s files would take forever.

The hacker could theoretically steal the encryption keys. This would speed up the file-snooping process. However, that would mean hacking into a completely different server. Then the hacker would have to somehow match keys to specific files.

Your information is very safe with Carbonite. In fact, it is the best way to keep your data safe. Your computer is guaranteed to fail at some point. The hard drive might die, or a disaster could destroy it entirely. Either way, it will happen.

Carbonite is the best way to make sure your survival survives a disaster. It is certainly very secure. You can hardly ask for more in the digital world.

Massive corporate data breaches are certainly serious. You also have to worry about protecting the data on your home computer.

Installing security software is critical for your digital safety. Many snoops are actually friends or family members. A determined snoop with access to your computer can bypass security.

Having an unsecured wireless network is just inviting trouble. Anyone from hackers to child pornographers can take advantage of it. Make sure you secure your wireless network.

The Chapel Quarterly Business Meeting and potluck dinner will take place in the Lodge on June 13. Bring a dish and your utensils at 6:15 p.m. This is a wonderful opportunity to share good food, good fellowship, and learn about the good things your Chapel contributes to our surrounding communities.

The Lake Kiowa Chapel would like to welcome everyone at Lake Kiowa to services on Sunday morning. These services are held in the Assembly Room of the Lodge from 8 to 8:30 a.m. Rev. John Hare and Rev. J. Ray Smith are the pastors delivering their messages on alternate Sunday mornings.

Rev. Smith will deliver the message entitled “Why God Hides” on June 5. His text will be Deuteronomy 31:6. Rev. Hare’s message on June 12 will be “The Forgotten Holy Day” with text from John 14:8-17.

The Lake Kiowa Chapel meets every Sunday morning from 8 to 8:30 a.m. in the Lodge. All residents and guests are welcome. This is an interdenominational service that may precede your regular church service or a round of golf. Casual dress is always welcome. Please come and share this time with your friends and neighbors on Sunday morning at 8 a.m.

"OUTPOST" Thrift Store

The Outpost "Thrift Store" has been an important fund raiser for the fire department for over thirty years. Unfortunately, donations and monthly sales are down. Please keep your volunteer fire department in mind when you have items you no longer need or want. We need the community’s support in order for us to continue this fund raising effort.

Our next Outpost sale is scheduled for Saturday, June 25 from 9 a.m. till 1 p.m. (weather permitting). Any cancellation will be advertised on the electronic reader boards and on cable channel 2. The Outpost is located at 51 County Rd. 211 in Woodbine. Mark your calendar and stop by and check out our newly acquired items!

All donations to the Outpost are greatly appreciated; however, there are items that are unsuitable or that we are unable to sell to our shoppers. We do not accept: clothing; soiled, torn or damaged items; furniture that is not in good working order; used building materials; appliances; wall mirrors; mattresses or box springs; large entertainment centers; plumbing fixtures such as sinks, toilets, etc. It is important to note that items in good used condition or better qualify for a charitable donation in accordance with IRS tax code effective August 17, 2006. Donating items is a very simple process. Just call Dee (940) 665-4046, Peggy (940) 665-7977, or the Fire Department (940) 665-9521. Be sure to leave your name, phone number and a brief message and your call will be returned as soon as possible.

DO NOT DROP YOUR DONATED ITEMS AT THE FIRE STATION, ON THE TRAILERS OR IN THE BEDS OF THE TRUCKS.

Due to the nature of services the Fire Department provides to the community, it is difficult to adhere to a strict timetable. Our top priority is responding to emergencies. Please be patient and we will contact you as soon as possible.

FIRE DEPARTMENT ANNUAL DONATION UPDATE

We want to thank everyone who has responded to our annual donation appeals. To date, 547 (41%) of the 1325 property owners have generously sent in their donation. We truly appreciate your understanding of the importance of the fire department and our need for financial support. For those of you who have not yet responded, it’s not too late! We simply ask that you join your fellow Lake Kiowans and support your volunteer fire department. Mail your tax-deductible donation today or drop your donation in the red mailbox located at the bottom of the steps at the fire department. Our livelihood depends on the monetary support of the people we serve.

To view the list of property owners that have contributed, log on to the Lake Kiowa Web site (www.lakekiowatx.com). On the left-hand menu, click on Service Organizations. In the center of the next page, you will need to click on Lake Kiowa Volunteer Fire Department. Scroll down the page and, in the left-hand corner, click 2011 annual donations.

Matt, Brandi and their son Colby Hammond invited us (Gary and Joy Mathews), Ralph and Nasha Craddock and Donna and Roy Rehm to their friend Tyre Terry’s Red River rustic weekend retreat for a fish fry Saturday evening, April 23. Matt loves to bow fish at Lake Fairfield State Park for tilapia and brought 45 for our dinner. Brandi and Matt were in the process of frying the fish, along with pickles and biscuits rolled in sugar, when he received a call from his friend James Redbone Peyrot, owner of New Gainesville Livestock Auction, telling him that he had received an owner of the mini-camp scheduled in June and are open to all ages. The old storm cellar. Fortunately, there was a crank radio in the shelter and Matt produced three small flashlights. Of course, this reminded us of all the many tornados from our childhoods, and we shared our stories! We waited with our friends for the storm to pass and then headed back to our dinner. We had barely settled in when we received yet another call about more weather coming. So, we gave up, packed up and headed home hungry.

From the President...

There is an old saying: “Time Flies When You’re Having Fun.” Well, that is exactly how this year has gone. Since this is my last letter as your President, I want to thank all the KWC board members, department chairs, committee chairs and all those that volunteered to help in any way this past year. Your help and support were beyond all expectations. THANK YOU from the bottom of my heart!

Congratulations to the new KWC officers: President, Katherine Thacker; First Vice President Membership, Sharon Wolek; Second Vice President Programs, Cathy Farquhar; Recording Secretary, Leslie Tomich; Corresponding Secretary, Jackie Dittman; Treasurer, Tammi Crowsey; Historian, Sharon Clements and Parliamentarian, Maureen Anselmi. Former KWC President Lee Clements and Parliamentarian, Maureen Bosse and Judy Nehib; Webmaster, Carol Boose and Judy Nehib; Webmaster, Marcy Titus.

KWC will be a sponsor at the July 4 festivities. We need members to bake cakes, cupcakes, brownies and cookies for this event. Sign up at the June 9 meeting. Last year, we raised over $1,600. This event is a very important fundraiser for KWC so be sure to sign up and support our club.

In closing, I want to say thank you for your gift of friendship and remember: always take time to celebrate!

“A TIME TO CELEBRATE” WITH THE NORTH CENTRAL TEXAS CHORALE

The North Central Texas Chorale will present our final program this year. The Chorale is under the direction of Daniel Bank, Director of Music Ministries at the First United Methodist Church of Gainesville. The Chorale is a community-based chorus that has been in existence for over 34 years and has presented quality music in Texas, New York and abroad. The group is going to perform a patriotic concert for our enjoyment. You won’t want to miss special musical finale to our Lake Kiowa Woman’s Club’s 2010-2011 year. It is definitely “A Time to Celebrate.” Our June meeting is being sponsored by your officers. See you there.

2011 Rally for the Cure® Donations
As the owners of The Great Southwest Roofing Company, Randy and Toni Andrews would like to offer the residents of Lake Kiowa another opportunity to support The Rally for the Cure:

- For every roof we replace (or install on a new home) between now and the Rally, we will donate $100 to the Rally.
- For every referral received from a Kiowa resident resulting in that roof being replaced, we will donate $100 to the Rally.
- Additionally, for every roof we replace in Kiowa, the homeowners name will be entered into a drawing for a TaylorMade R1 driver or another driver of equal value to be given away during the Rally. Our resident Pro, Brown McCorry, will custom fit the club to the winners swing.
- Also anyone whose referral results in that roof being replaced will also be entered into the drawing.

We look forward to helping the 2011 Rally for the Cure® be the best ever!

Please be sure to let us know you are a Kiowa resident when you call!

Cakewalk Help Needed

To all KWC members:

KWC sponsors the Cakewalk at the annual Fourth of July celebration. This year the event will be held Monday, July 4. We need baked goods—and lots of them! If you can please bring a cake, cupcakes, brownies or cookies for this event, you can drop them off in the Assembly Room at the Lodge on Sunday afternoon, July 3 or before 10 a.m. on Monday, the day of the event. Feel free to bring more than one item. Since this activity is one of only two yearly KWC fundraisers, we hope each KWC member will plan to participate.

The Cakewalk is open to all ages! Tickets are needed to participate. Thank you very much in advance for your help!

Kiowa Woman’s Club has received a beautiful quilt and matching pillow donated by Judy VanDermeer, who is Betty Vandagriff’s daughter. Judy asked that KWC donate all proceeds to the Rally for the Cure in memory of her mom. The quilt is 38” x 56” and was handmade by Judy from beautiful tan and light blue satin. The quilt and matching pillow have lace and floral accents. The Woman’s Club board voted to raffle this quilt at the 4th of July celebration. The quilt will be displayed at the June meeting and tickets will be on sale at the meeting and also at a booth on July 4. Tickets are $1 each or 6 for $5. The winning ticket will be drawn in the afternoon on July 4th.

April 26 Canasta winners: Dany Valenzuela, Kerlene Ross, Sharon Wolek, Donna Engels, and Katherine Thacker

Canasta now has a department chairman to start July 1, 2011. Nancy Jones is the new chairman, with Kerlene Ross as her co-chairman. Fortunately there are a couple more women ready to assist when needed. Nancy looks forward to keeping Canasta going.

There was a small group of players April 12, with only three tables. The winners were Kaye Utesch and Fran Norman. We were back to the usual five tables April 26. We played a little differently by having tables for fast-pace players and tables for those who play at a slower pace (these being the ones that like to visit and play at the same time). The winners were Kerlene Ross, Gloria Sullo, Lonnie Peichel and Sharon Wolek. In an effort to keep the game fair, we will be trying different ways to play to keep it fun. All women are invited to come play Canasta. If you need help playing, there are several women willing to assist new players.

May 10 Canasta winners: Sharon Wolek, Gloria Sullo, Kerlene Ross and Lonnie Peichel (not pictured).

The Kiowa Woman’s Club Bridge Department finished the spring tournament April 21. This was a particularly fun event. We had some “new” players along with some “seasoned” players and everyone enjoyed the variety a great deal. Our winners were: First place Jacque Wagorne and Shelly Early; Second place Jean Hancher and Joyce Baumgart; Third place Pat Medley and Allene Johnson and Dee Magee and Marge Tittsworth finished in fourth place.

Our last tournament of the year is in progress and will end June 16. Be sure to call or e-mail the Bridge Department if you are interested in taking our beginner’s lessons in September.

Peggy Carpenter, Bridge Department
The final book review for the year will take place at the home of Maurice Robeson, 121 Hogan Dr. Friday, June 3 at 10 a.m. Maurice will review “The Immortal Life of Henrietta Locks,” by Rebecca Skloot. Maurice has also agreed to be the Chairman of next year’s Book Review Group. Jan Moore will be her co-chairman.

Many thanks to all who helped make our year fun and successful.

Clara Lemming
Sharon and I thank you for allowing us to be a part of the Gourmet Department this past year. It has been an honor and a privilege to serve as co-chairs. We could not have done it without your help and encouragement. The cherry on top of a fun-filled year was the “Diamonds and Denim” gala dinner Tuesday, May 17. We had a group of 120 guests and we all had a great time. The BBQ dinner was delicious thanks to Tree and the kitchen staff. Amy Mohan went above and beyond the call of duty to make sure everything was just right. Also, the wait staff did an excellent job in tending to everyone’s needs.

Patrick Carson, aka Elvis, backed up by Michelle put on a fantastic show and, of course, he sang all of the old Elvis songs, plus some.

We again thank you all so very much for a great year. Carol Bossie and Judy Nebh will be taking over the reins as co-chairs of the Gourmet Department for next season, so please let’s give them all the support they need to make next year another great Gourmet season.

Don’t forget, you can still buy a Kiowa Woman’s Cookbook for $15 by calling me at (940) 612-2351 or e-mail leslie.tomich@att.net.

Ways To Help Lake Kiowa Rally For The Cure®

Our community has supported the efforts of the Rally for the Cure® for ten years. Often people will ask how they can help make the Rally a fun and special event that helps raise money to find a cure for the disease that affects one in eight women, some men and all their families.

Ways that you can help include:
- Hole Sponsorship
- Getting people to sponsor your walking in the Moberly Walk
- Donating raffle and/or door prizes
- Decorating your yards to show support during October
- Volunteering to help with Rally activities

Call any board member if you would like to help.

After stormy weather on Sunday and Monday, the sun came out. The ladies had a great spring day for our Wednesday, May 4 Scramble. Forty-six players came out to play, with 36 in the A-Flight and 11 in the B-Flight.

Our treasury balance for the period 4/1/11 to 4/30/11 is $3,792.63. A revised budget was approved by membership.

We have not added any new members for the month of April, so our membership remains at 225. There are 141 participating in the hole-in-one pot. So far, no one has made a hole-in-one this year, so join up, ladies, and try your skill and luck and win the $705. The WGA offers Wednesday playdays and tournaments throughout the year. This provides the opportunity to meet new people and enjoy the game of golf. We hope you ladies who have not joined the WGA will sign up and support this great organization.

Craig Lampkin, representing the Handicap Committee, spoke to the membership. Beginning June 1, they will start re-handicapping the golf course and will need everyone to post their actual gross scores for each hole.

They can only use the gross scores on their scorecard, write each player’s course handicap and the tee from which they played. There will be a box beside the computer for the scorecards with handicaps listed. This will require 200 score cards from the “A” group (27 and under) and 200 score cards from the “B” group (28 and over). For more information, reference the April and May CommunQue.

Elaine Blackwell and RosalLeigh Wood have been working hard on the Kiowa Kapers Tournament to be held June 10-12. Members have been asked to work on the food booths, the games on the holes, provide sandwiches and make donations for the hot dogs. If you have not signed up yet, contact either Elaine or RosalLeigh.

Members receiving pins for April are: “Broke 100” Pin, Nancy Bryan with a 98 on April 29; “Broke 90” Pins, Becca Jackson with an 89 on April 5 and Tony Andrews with an 88 on April 12. The Playday Committee met and reviewed comments from membership about the “A” and “B” Flights. They decided to continue this format. Please contact committee members Paulette Andrews, Ruth Robinson, Miriam Beebe, Nancy Bryan, Betty Becker, June Cloud and Jodi Lacy if you have any questions.

The WGA Dream Team standings have been posted for the month of April. After two months, the standings are: A-Flight: A-Player - RosaLeigh Wood (28), B-Player - Jodi Lacy (28), C-Player - Mary Pliler (19), and D-Player - Linda Slater (21); B Flight: A-Player - Dolly Marek (35), B-Players - Karin Brewton and Maryc Tinus (tied at 25), C-Player - Neta Stutzman (24).

Eighty-four ladies participated in the Kiowa Kapers Tournament to be held Lake Kiowa on April 27. Fifty-nine ladies they were! Strong winds blew our Wednesday Playday. What lucky you ladies came away winners. A huge “THANK YOU” goes to Ruth Robinson, Sherley Riley and Jan Thies for all their hard work on this tournament.

The weather was windy and chilly for the Texoma Association Playday hosted by Lake Kiowa on April 27. Fifty-nine ladies participated. Twenty-one ladies from Kiowa participated and fourteen came away winners. A huge “THANK YOU” goes to all the ladies who filled in for June Cloud.

Thirty-two ladies played May 11 in our Wednesday Playday. What lucky ladies they were! Strong winds blew through that afternoon doing significant damage and shutting down the golf course for several days. What a day to remember for Lake Kiowa golfers who saw our course for the last time before the destruction occurred.

I hope everyone is reading the “Golf Rule from Brown McCrory.” If you have a particular question, please call me at 940-612-1273 or e-mail me at atchslater@msn.com. I will get with Brown or Guy and print the official answer.

Hope to see everyone on Wednesday, June 1 for Scramble/Meeting and Lunch!

Golf News
On April 29, the players and their spouses gathered at the Pavilion for a potluck dinner. There was an abundance of food and some very tasty dishes. Everyone received their tee times and the names of the people with whom they were paired. On Saturday, play began at 8:30 a.m., with the men starting first, the women beginning later in the day. We had a full field of 120 players this year. The format for the event was holes 1-6 being the net score for the team of two. Holes 7-12 were alternate shot, with the final six holes being a two-person scramble. After the dust settled for the day and all the teams were in, the East held a slight lead. We all then gathered at the Pavilion for a barbecue dinner catered by Dieter Brothers. Prizes were drawn and given to 14 lucky players.

On Sunday, the West had hopes of being redeemed. This was not to be as rain and storms had set in for the day. The tournament was canceled and the win was awarded to the East. West Captain Gary O’Dell knew what would come later—a jump in the lake. Naturally, East Captain Randy Howell was elated! We all gathered at the Lodge for a very nice meal provided by the Lodge staff. Captain O’Dell braved the 43-degree weather and jumped into the lake, it being a tradition of this tournament that the losing captain will get wet. All had a good laugh and O’Dell went to dry out.

Next year’s captains were announced, the East to be led by Lou Vander Molen and John Seefeldt will head up the contingent from the West.

DID YOU KNOW…
That the purpose of the Handicap System is to make the game of golf more enjoyable by enabling players of differing abilities to compete on an equal basis? The foundation for equitable play is your Handicap Index. Your Handicap Index converts to a Course Handicap for the golf course you are playing. Your Course Handicap is based on the men’s or women’s Slope Rating for the set of tees you are going to play. The following examples illustrate how to insure you are competing on an equitable basis. In our first example, Bob and Ruth are playing each other from Lake Kiowa’s White Tees. Both have an identical 12.4 Handicap Index that is used to compute their Course Handicap. Bob’s Course Handicap is 14 and is calculated using the men’s slope rating for the white tees: (12.4x125)/113=13.7. Ruth’s Course Handicap is 15 and is calculated using the women’s slope rating for the White Tees: (12.4x138)/113=15.1. Despite having identical Handicap Indexes, Ruth’s Course Handicap gives her an additional stroke when competing against Bob from the White Tees. In our second example, Young is playing from the White tees and competing against Elder who is playing from the Gold tees. Young’s White tee Course Handicap is 7 and Elder’s Gold tee Course Handicap is 20. Normally this is where everyone stops, with Young playing to scratch and Elder receiving 13 strokes, but this is incorrect. To truly compete on an equitable basis an additional adjustment is required for the difference in Course Rating between the two sets of tees, in this case two strokes (71.4-69.3=2.1). This difference is normally added to the Course Handicap of the player playing the lower rated set of tees but it can be subtracted from the player playing the lower rated set of tees. In our example, if Young plays to scratch then Elder would receive only 11 strokes in the match. Oh, by the way men, if you’re playing Lake Kiowa from the White tees you are going to play. The following examples illustrate how to insure you are competing on an equitable basis.

Lake Kiowa Men’s Golf Association (MGA) Board Meeting
Wednesday, May 11, 2011

MGA Vice President/Secretary Gerald Smith called the meeting to order at 9 a.m. Wednesday, May 11, 2011. Board members present were: Ted Grant, Phil Handleby, Bobby Andrews, Robin Howell, John Scefeld and Gerald Smith. Absent were Gary O’Dell, Tommy Mann, D. Noble and Eddie Woodruff. Brown McCrory and Dennis Tocquigny were also in attendance.

Golf Course Report: Dennis Tocquigny reported that he was pleased with the progress of the golf course although milder weather and frost were not helping with the growth of the grass on greens and fairways. The newly planted trees on #1, #6, #11 and the area between #3 and #10 were all looking healthy The newly purchased Verticut mower for fairways will start to be used just as soon as grass starts growing on the fairways.

Also, Dennis reported that the #3 tee box will be resodded in the next couple of weeks and a temporary tee box will be used.

Tournaments: Brown McCrory mentioned an upcoming WGA member-guest golf tournament May 20-22. Also, Brown mentioned that the property to the west of the driving range had been sold.

New Business: MGA approved the purchase of three new club washers (two for driving range and one near Pro Shop). After discussion, Bobby Andrews made the motion and Ted Grant seconded. The motion was approved by everyone in attendance.

June Playday: The June playday is scheduled for Saturday, June 4. Breakfast will be served at 7:30 a.m., the MGA business meeting at 8 a.m. and Shotgun Start at 8:30 a.m. The format for this event will be Devil’s Game 6-6-6.

Upcoming Tournaments (check with the Pro Shop about sign-up): Kiowa Kapers, June 10-12, 2011.

Treasurer’s Report: Phil Handleby reported that MGA has an uncommitted balance of $25,458.73.

Membership: Bobby Andrews reported that our membership for the year 2011 has increased to 420 members, with 250 signed up for the hole-in-one awards. There are 40 new members.

The meeting adjourned at 10 a.m.

Gerald Smith, MGA Secretary
Well we finally got our spring rain and the lake is full again. The Angler & Conservation Club would like to thank all of the volunteers who helped with the clean-up efforts after the tornado. We are all fortunate that the destruction was no worse than what we experienced.

The LKACC hosted two fishing tournaments this month. Our first Crappie tournament was a great success, with the youth winning over the adults. The overall winners were Zachary McDonald, who caught the biggest stringer with 10 lbs. Chris Henry had second place with 9.4 lbs and William Bolinger came in third with 9.2 lbs. Benny Willis caught the largest Crappie at 2 lbs. for big fish.

The youth were broken out in two age groups: 10 and under and 11-16. 10 and under winners were Zachary McDonald in first, Ben Willis in second and Caleb Andrews in third place. The 11-16 age-group winners were William Bolinger in first, Isaac Andrews second and Blake Berryman third. We had a great turn out and congratulations to all of the tournament participants. We are looking forward to hosting this event again in the future.

The Annual Harvey Pippen Tournament was also a great success. It was a day for ties. Teams Richard Burch and Mike Otway along with Dylan Perry and Rick Call tied for first place with 18.6 lbs. and Wayne and Karey Kyle came in third with 18.4 lbs. Wayne Kyle and Mike Otway tied for Big Bass at 6.4 lbs. Fourth place also tied in the tournament. As always, it was a very competitive outing and lots of fun.

In June we have a special event planned for the Gainesville Boys and Girls Club. This event is for the youth of Gainesville to spend a day out fishing at Lake Kiowa and enjoying a picnic lunch. This event is Monday, June 13. If you have time to volunteer for this event, please contact an LKACC board member. We also have our third monthly bass tournament scheduled June 18 at the Pavilion with a 6 a.m. start.

The lake vegetation project is beginning to show above the water. The plants are growing and look healthy. This is a three-year program that will add non-invasive aquatic plant life to our lake to benefit our bait fish by giving them a place to live, hide and reproduce. The vegetation also helps filter and clean the water after heavy rains.

The LKACC would like to remind all residents, property owners, families and friends to enjoy the lake and take a child fishing. It is our responsibility to communicate to our guests and families the rules to keep us safe while on the water.

SECURITY REPORT
April 14—May 11

A rather slow reporting period, activity-wise, was dramatically punctuated on its last day by the occurrence of a violent windstorm accompanying a squall line that left a well-defined track of destruction through the heart of the Lake Kiowa community. During these ensuing days, the community has pulled together, as you would expect, and has exemplified the spirit of neighbor helping-neighbor. All POA departments and many local contractors and agents have worked tirelessly with affected property owners to assess, clean up and repair damage wrought by the storm. Security patrol visited many home sites at the requests of mainly weekend owners to check on possible damages. Trees, roofs, fences and boat docks sustained extensive damage but thankfully there were no injuries to report.

Security patrol performed seven traffic stops, assisted four motorists, found two unlocked doors and checked the welfare of one resident. Response was also indicated to reports of a suspicious person, a solicitor, a 9-1-1 hang up and a fence jumper. Security personnel investigated three incidents of criminal mischief impacting the #15 Green, a West Beach restroom and a boat dock on Kiowa East in turn. There was one incident of doorbell ringing reported from the north end of Kiowa East. Cooke County Sheriff’s Office deputies were dispatched to Lake Kiowa for two domestics and an auto accident. Security patrol removed two illegal signs, had a golf cart removed from the Disc Golf Course, apprehended persons trespassing and escorted unaccompanied guests to the Front Gate exit. Two golf cart operators were stopped for failure to display lot numbers, a disturbing the peace complaint originating from the East Beach was investigated and a report was received from a property owner alleging the theft of gasoline. One citation was issued for parking on the street overnight.

Animal Control Officers were sent to look for stray dogs on seven occasions, barking dogs twice and dealt with six varmint complaints. One dog was transported to Noah’s Ark in Gainesville. Guardhouse personnel prepared emergency run sheets for 23 LKVFD emergencies. Security patrol provided escort for 11 ambulances responding to Lake Kiowa for medical emergencies. Editorial Policy
The policy and purpose of this publication is to inform all residents of events and activities within our community, to report on actions and decisions made by our Lake Kiowa Property Owners Association Board of Directors, and to publish the results of those decisions. Information is important for everyone to know that problems are being worked on and remedies are being sought. The following items will be accepted for publication: Events and information about Kiowa organizations that are open to all residents; events in our surrounding communities when Kiowa residents may be involved in them; and items of a personal nature that reflect on the generous character of our residents or a milestone in their lives.

A Letter to the Editor should be less than 350 words in length and will be accepted if it presents a thoughtful and constructive view to an issue that may be controversial within our community. It may be reviewed and verified for factual accuracy by the appropriate authority. The factual clarification will be published along with the letter. The letter should be typed or in legible handwriting, signed by a verifiable resident, and will be published unedited with misspellings indicated when necessary. If handwriting cannot be easily read, it cannot be used. A letter may be refused publication if space is limited. If several letters are received expressing the same view, one may be chosen for publication. Letters containing personal attacks, self-promotion, or advertising will not be published. Letters to the Editor do not necessarily reflect the view of this newspaper or its advertisers.
