The Celebration Committee thanks everyone who was involved in this year’s celebration’s success. It took lots of planning and without our residents’ outstanding work and organizational skills, it would have been impossible to accomplish. We apologize in advance for anybody we may miss, so here we go:

Throughout this whole process, Randy Schmalz has been the “go to man” for all our needs and a plethora of questions. As always, he makes this grand celebration seem easy when in fact we know it’s not. A big thanks must go to all of the POA staff for their assistance. The POA crew, headed by Don Hoover, was just superb in getting everything set up from the signage to the stage, and then from continuous cleanup and final closure.

The Lodge staff for getting up really early to start cooking for the Pancake Breakfast held at the Pavilion, good job! BSA Troop 7777, with Steve Wilson and James Lewis; the boys from the Troop led the flag-raising ceremony and also helped in the Obstacle Course and Water Slide attractions. Thank you to Macy Resendis for doing a beautiful rendition of the National Anthem at the Opening Ceremony. The Lake Kiowa Chapel Choir, under the direction of Richard Morgan, did a wonderful job also singing at the Opening Ceremony. Always the big crowd pleasers are the skydivers with owner Larry Portman from First Flight Tandems, Inc, Garland, TX.

Thanks to Karen Vander Molen for her second year of being Head Judge of the Parade. The judges for the parade this year were Karen and Lou Vander Molen, Dottie Pyott and Rita Langlely; the winners were: Most Beautiful - Clarissa Brooks, Most Creative - The Daniels Family, Most Patriotic - Kyle and Anna Welch and Best All Around - Chris, Ryan, Katie, Aubrey and Jason Dodge. Each winner was presented a gift bag from My Empty Nest and a certificate stating which category they won.

Head Marshal Tom Blackwell and his “yellow-vested crew” Don Hanraty, Bob Hughes, Bobby Andrews, Jay Titus, Bud Smith, Don Neal, Gary O’Dell, Jim Farquhar and Jerry Bergeron got the parade lined up, kept the parade on time and safe for all participants.

Lloyd Butts for his outstanding MC duties again this year with introducing the winners of the Golf Cart competition as they went by and other points of interest.

Jackie Gay for heading up the Arts and Crafts show, and judging by the crowd in the Southwest Room, it was a great success.

Jim Gay for another outstanding classic car show, including a powered glider, wow what a surprise that was!

The Kiowans with Bill Burhans, Corky Cohoon and Virgil Musick along with the Boy Scouts taking charge of the Obstacle Course and Water Slide.

The Kiwanis, with leader Maria Resendis, kept the Hoop Shoot and beverages operating along with Jim and Marlene Kelley, Memo Resendis, Richard Mitcham, LeRoy Becker, Mike and Terry Pulec, John Beck, Lou Hirlinger, Bill Richey, Gary Matthews, Ken Wehrle, Corky Cohoon, Keith Massey, Rusty Clark and Jose Mario Resendis.

Everyone always enjoys the Kiowa Woman’s Club Cakewalk and this year Katherine Thacker went all out. Over 200 separate baked "Thank You cont’d on page 8"

PROPOSED CHANGES TO THE ASSOCIATION COVENANTS
Final Question and Answer Session
The second town hall meeting to discuss the proposed changes to Lake Kiowa’s Restrictive Covenants will be held Saturday, Aug. 4 at 9 a.m. in the Assembly Room of the Lodge.

You should have received by mail your copy of the proposed changes, the reasons for the changes and a petition by which to vote.

Golf Carts Must Re-enter Lake Kiowa through Front Gate
The completion of the Front Gate Beautification Project has greatly facilitated the safe entry of golf carts through the Front Gate. The cart path across the island has been widened and extended to permit the accessing of businesses on both sides of the entrance. These improvements allow for the free and legal movement of golf carts leaving the gate in the exit lanes and then returning via the cart path and the entrance lanes. In the past, Security has permitted carts to make the return trip against traffic through the exit lanes. This practice will no longer be tolerated. Golf carts can pass through the Front Gate in either one of the entrance lanes.

Per Lake Kiowa Rule 4.3.2.e.(1), golf carts must have the owner’s primary lot number attached to both sides with at least three-inch decals which are readily visible. Also, care should certainly be taken when crossing the busy entrance and exit lanes to access the cart path.

Hello Kiowans,

I hope everyone who attended this year’s 4th of July Celebration had a great time. It’s wonderful that we have the opportunity to share in all of the food and entertainment during the day with our friends and family, however, we should always show our gratitude to those who fought in our name to secure the privilege to celebrate our independence. To those that live in Lake Kiowa a special thank you.

Last month while we were planning our celebration on the 4th, we were also working with our lake biologist on what to do with the algae growing in the lake. We applied an algacide in specific areas along the shoreline in the coves that has had a positive result. We continue to monitor the growth of the algae and have the tools on hand to respond in the event it returns as it did in June.

We are progressing in our efforts to become a Fire Wise Community. A committee of residents and fire fighting professionals was formed with the charge to take the necessary steps to educate our residents on use of fire-wise practices to protect their individual properties and the community. In the following weeks and months, you will start to see publications on the website, CommuniQué, and community wide e-mails on measures that should be taken to protect your homes and family.

Last but not least, if you’re a golfer you have probably seen the yellow tee markers that are placed a considerable distance in front of the other tees. The new tees reflect Lake Kiowa’s support of the USGA/PGA supported TEE IT FORWARD program. TEE IT FORWARD encourages golfers to play from a set of tees that best suits their ability. Playing from a set of tees that suits your ability gives you a realistic approach shot into the green, makes the game more fun, lowers your score and allows you to play faster. However, we have heard comments such as, “If I move up to a forward tee, it will mess up my handicap” or “My handicap won’t be right if I play from the “wrong” tees.” Such comments simply show a misunderstanding of the handicap system. The handicap system is based on your Handicap Index which compares your scoring ability to that of a scratch golfer. That Index can be established from ANY tee and that Index can be used at any golf course and on any set of tees to calculate a Course Handicap for the tees you play. If you look at the handicap computer in the Pro Shop, every golfer has a Course Handicap for every set of tees at Lake Kiowa and for every set of tees at all the surrounding golf courses in our area—even if you’ve never played those tees or that golf course! It’s all based on your Handicap Index and the handicap computer makes the calculations automatically to determine the Course Handicap for each set of tees at each golf course. The bottom line is to play from the set of tees that makes golf enjoyable for you. So give it a try and let me know what you think.

Front Gate Project Mediation Agreement Clarification

In last month’s CommuniQué there was an article on page 41 entitled “Front Gate Project Mediation Agreement” which was represented to be written by me. This in fact was not the case. I would like to clear up a couple of items in the article.

First, there were not any mediation sessions as outlined in our bylaws between the LKPOA Board and the Group. The only meeting between the two groups in the mediation process was on May 29, 2012. Secondly, the Board voted to accept the settlement agreement and to publish the joint statement which was attached to the settlement proposal. Both the settlement proposal and the joint statement were published along with the article with my signature. While both documents are attached to the Board minutes and are of public record, this was not what the Board agreed to do per the settlement proposal. I hope this mistake by the CommuniQué has not caused any embarrassment or problems for any of the parties involved.

Donna Helton works for Don Hoover in the Building Maintenance Dept. She’s always willing to work when Lake Kiowa needs her. Even though she is not seen by many, Donna goes about her work quietly going beyond her regular assigned work as she sees things daily that need to be done. Her knowledge of the operation and maintenance of her department has made her invaluable in not only doing the work required, but doing it all hours of the day and night. Donna always makes the extra effort to show up and handle the set-up and cleanups for the Lodge, whether at 4:00 in the morning or late at night after events are over in order to make the building ready for the next event. There are times when she also shows up to help other departments with their problems. Lake Kiowa is proud to have an employee of this caliber on our staff. Thank you, Donna, for a job well done!

Clothes Closet Update

Approaching schools’ opening day, we want to express our appreciation to all who have donated children’s and teens’ clothes for the Callisburg schools. We’ve also received some great men’s extra-large clothes for the young men at the Gainesville Boys Facility. A very large and grateful “Thank You!” must go to Mike Bentley who has generously donated the use of one of his mini-warehouses for storage. His kindness has been so very helpful. We couldn’t have done it without you, Mike!

We continue to need children’s clothes donations. You can call Jackie Gary at (940) 668-8263 or drop them off at 308 Kiowa Dr. N. If the clothes are on hangers, please leave them hanging if possible.

Many thanks,

Jackie Gary

A new Lake Kiowa resident, Myrtle Mae Mullin recently had a significant event occur in her life. Myrtle Mae is Rita Buford’s aunt. This is her story as told by Rita.

My father’s sister, Myrtle Mae Mullin, is only four years older than I. The last time I saw her I was four years old. She contacted me on Facebook in October of 2011. Myrtle Mae has been deaf since birth, so the only contact we had was through Facebook messages. I learned she lived in Oklahoma City, and stopped back to meet her on my way home from Pawnee, Oklahoma, after Thanksgiving with family.

I invited Myrtle Mae to go meet my family (I am the oldest of 10) around the first part of December. We enjoyed four days of family visiting and getting reacquainted.

For her birthday on January 3, 2012, I picked her up and went back to Pawnee to visit family. She then came to spend a week with us at our home in Lake Kiowa. My husband, Bill, and I asked her if she and her little dog would like to live with us here at Lake Kiowa. Her response was yes and she’s been living with us ever since.

There have been many “firsts” for Myrtle Mae since moving in with us, but one of the proudest moments was when she voted recently for the first time in her life! We are both very happy to have Myrtle Mae Mullin in our lives.

Thank You for Successful Benefit

On Saturday, July 14 the Lodge hosted a benefit and silent auction for the family of Ralph and Lora Hill. Lora was diagnosed with terminal cancer a few months ago.

Everyone enjoyed dancing to the music of Clint Sturgeon and the Running Haggard Band and The Brent Fratlicks Band. We had a lot of people in bidding wars on the silent auction items.

All of the proceeds from the ticket sales, silent auction, 50/50 drawing and draft beers went to the Hill family. Lake Kiowa residents and their guests helped raise over $8700 to aid the family. We will still accept cash or check donations for the family at the POA office.

On behalf of the Hill family, we would like to thank everyone that attended and showed their support. Also, we would like to thank everyone who donated items for the silent auction and to our 50/50 drawing winner, Angie Erwin, for donating her winnings to the family.

Thank you.

GAME ON is a new group at Lake Kiowa that would like to meet and watch sports events together. April and Scott Wakeford volunteer for SOUPS ON and wish to organize a MEN ONLY event once a month at their home to provide a time for sports and fellowship. Food, beer, and drinks will be provided but an RSVP will be needed to prepare. The first event will be on Sunday, Sept. 16 at their home at 109 Chippewa Cv. N. It’s an away game so support is needed for the COWBOYS as they match the SEATTLE SEAHAWKS. The game begins at 3 p.m. on Sunday and the group will begin to gather at 2:30 p.m. Soups On is especially inviting men who have lost their spouse in the past year. Anyone is invited, but the Wakefords are especially trying to care for our male widowers within the community that are alone. If you are caring for someone, you’re alone or looking for some fun, fun, fun, please call 940-488-3201. We hope to see you there!

Military Display at Forestburg Watermelon Festival

“Patriotism — Honoring Those Who Serve: Past and Present” is the theme for this year’s Forestburg Watermelon Festival Saturday, Aug. 11. As part of this year’s Festival, there will be a display of military memorabilia at the Atkins Building on Main Street. Anyone who has military/patriotic photographs, flags, equipment, uniforms, letters, medals, maps, etc., is welcomed to bring these items for display. The display will serve as an inspirational and informational reminder of the importance of our military.

The Forestburg FFA and their sponsor, Kristy Judd Tilliman, will be in charge of the display. They will receive the items, display them, and serve as guides during the Festival. Items for display may be brought to the Atkins Building on Friday afternoon, Aug. 10 between 1 - 3 p.m. Items will also be accepted on Saturday morning, Aug. 11 at 8:30 a.m. The display will be open during the Watermelon Festival on Saturday, August 11 between 8:30 a.m. - 3 p.m. All items may be picked up Saturday after 3 p.m.

For more information, please contact Kristy Tillman at 940-736-4868.

A Tribute to Lake Kiowa

As our grandchildren and children prepared their red, white and blue, Kiowa offered a quiet, yet firm resilience. Resilience...the ability to recover, to maintain strength, ability to roll with the punches, bounce back...

Recently, we followed the reminders of the 10th Anniversary of 9/11 and what has changed. On several occasions President George Bush 43 indicated he missed interacting with the troops—and his goal is to help Americans remember our troops.

Kiowa remembers some of the Wars of the past 100 years...WWI, WWII Europe, WWII Pacific, Korea, RVN (Republic of Vietnam), Grenada, Panama, Gulf War, Afghanistan and Iraq.

Kiowa remembers some of the terrorism of the past 20 years...Bereit, Lockerbie, Scotland, Belfast, Tel Aviv, Buenos Aires, Nairobi, Ball, Madrid, Paris, USS Cole, Mumbai, Beslan, Karachi, Riyadh, and Oslo.

On our soil, close to home NYC, Oklahoma City, NYC, NYC, Arlington, VA, Shanksville PA, Little Rock AR and Fort Hood, TX.

Kiowa does remember…

After all, this is the resilient and patriotic community that honored the WWII’s “greatest generation” in 2010, recognizing 32 of Kiowa’s very own. Kiowa does remember…

After all, this is a community that is filled with resilient men and women who have worn the uniform—and we thank them for their blood, sweat and tears—and our freedom.

And we pray…

During the past 100 years Kiowa has prayed for the military in many distant lands and their families. Kiowa will continue to pray for our military and their families. Kiowa now will also pray for Homeland Security, first responders, police officers, security guards, EMTs, fire fighters and vigilant citizens.

Kiowa prays our leaders across the country never, never hesitate to strengthen and build our nation’s resilience. Bless Kiowa friendships, bless our health and bless this community.

(Initially delivered by Don Hanraity at The Kiowa Veterans Day Dinner 11/11/11)
In Memory Of Miriam Hogan

We have lost another member of the “Greatest Generation.” Miriam Hogan left us on June 18 at the age of 93. The longtime resident of Lake Kiowa was born in Little Rock, Ark. She graduated from the University of Arkansas in 1940 and married Charles (Charlie) W. Hogan II on June 3, 1941.

In 1943 she joined the Women’s Army Auxiliary Corps (WAAC), which later became the Women’s Army Corps (WAC). After six weeks of training she was commissioned as a 2nd Lieutenant. Her first assignment was at South Plains Army Airfield near Lubbock, TX and was involved in training and commissioning glider pilots. She was called upon to issue all the commands for WACs who marched in the numerous parades. As Miriam put it, “This was because I had the loudest booming voice of any of the WACs stationed at Lubbock even though I was not officially assigned to the WAC Company.” Her service in the Army was among her proudest accomplishments. In 2010 she touched her friends and all those whose lives she touched.

After Charlie returned from active duty overseas, Miriam became pregnant and was discharged from active duty in 1945 and they settled in Camden, Arkansas where they had three more children. In 1960 Miriam and Charlie started a roofing manufacturing business in Ardmore, Okla. and in 1981 they retired to Lake Kiowa. An avid golfer she twice won the Dornick Hills Country Club Women’s Championship in Ardmore, was a member of the Lake Kiowa Women’s Golf Association (WGA) and served as WGA Golf Chairman in 1996. She made many friendships from the golf courses in Arkansas, Oklahoma, Texas and wherever she played the game. Whether you had a high or low handicap, she always made sure you enjoyed playing. Miriam was a strong supporter of Lake Kiowa’s Rally for the Cure® Golf Scramble and annually sponsored the Pro Shop gift certificates for the awards.

Charlie and Miriam traveled extensively together visiting many countries around the globe from the Arctic Circle to Antarctica. After Charlie’s death in 1990, she continued to travel to new countries with her friends. Throughout her life, Miriam participated in and supported the performing and visual arts, particularly Western and American Indian works, at several museums in Oklahoma and Texas. In recent years she had donated many sculptures to the First State Bank Performing Arts Center at North Central Texas College in Gainesville.

Miriam loved Kiowa. She was an active and generous supporter of Lake Kiowa, the Gainesville community and St. Paul’s Episcopal Church in Gainesville where she was a member. An incredible, generous and gracious lady, she will be greatly missed by all her friends and all those whose lives she touched.

Genny Koziol
goods donated by KWC members and members of the community made this one of the best years for this event. Way to go, Katherine!

Randy Andrews and the Anglers Club kept everyone nice and cool with boat rides around the lake. It’s amazing what a different perspective you get from the water. Great job, Anglers!

Another way to keep cool was the Dunking Booth handled by Friends of the Lodge and D. Noble. The 50/50 raffle was handled by Sam Noble.

Tiffany Scott and the Cheerleading squad from Callisburg High School were there in force with hair painting and temporary tattoos for the children and any brave adult. Thanks, girls, for adding some pep to the Celebration.

Ivan Stober coordinated Texas Hold’em at the end of the day. The players had a good time and being inside with air conditioning made it even better.

The CommuniQué staff, Bill Burhans, Marcy Titus, Karen Vander Molen and Linda Teagarden, were all instrumental in getting the advanced promotions as well as information for the 4th of July Celebration out to the community.

Kathy Reed, who took over the reins from Brent, and did one of the hardest tasks of all. She kept track of the money and tickets. Thanks so much, Kathy! It’s been announced that 11,476 tickets were sold!! With these sales we know the Celebration was a grand success.

The entertainment started with Bill and Jan Dalton supplying the awesome sound system. Jan said that being in the Pavilion this year was great because it was so much cooler than under a tent on the parking lot. She wanted to thank the Celebration Committee for the change.

Jay Titus and Rusty Clark were next on the bill. We all really enjoyed your songs and talented guitar playing.

With two sets for Full Quiver with John Grubbs and family, their great renditions of folk music were received with much appreciation again this year.

Thanks so much for all of the volunteers who helped manage the ticket count before and after all was done. And a special thanks to those who braved the heat and manned the Ticket and Information Booth. Without your help in these important jobs, the Celebration would never have gotten off the ground.

Thanks again to the Lodge for providing the Food Court with hot dogs, hamburgers, corn dogs, chips and drinks. This was a job well done with such short notice. A big thank you to the Lodge’s cooks, Michael “Tree” Nicholson, Shaun McKee and Frank Lucy. These men did a “yeoman’s” job out in the heat and over a bed of hot coals cooking up hot dogs and burgers. Thanks to Amy Mohan, Ladina Porter and the entire Lodge’s wait staff that manned the serving line and kept everyone happy and fed and their thirsts quenched. Even Randy Schmaltz did a stint on the serving line!

It wouldn’t be the 4th of July without a fireworks display and this year did not disappoint. Thanks to the Lake Kiowa Volunteer Fire Dept. for keeping everyone safe and doing an exceptional job with the fireworks.

Everyone knows that an event like this does not happen overnight. It takes lots of planning to execute a successful 4th of July Celebration. Without all of the volunteers, our job would have been insurmountable. So thanks again so much for all of your help.

Last but not least, we also thank the residents of Lake Kiowa. You are the reason this event is held and you show your appreciation by the sheer numbers of participants year after year. We hope you all had a wonderful day and know that without your involvement, there would be no Celebration.

SPECIALITY TREE SERVICE
OUTPOST “THRIFT STORE”

Lake Kiowa Vol. Fire Department Fundraiser

If you have never attended an Outpost sale, you might be surprised at the wide variety and quality of our items. We are very fortunate to have fellow Kiowans donate their clean, working items for our sales. To date, we have a side-by-side refrigerator, washer, dryer, freezer, dining sets, chests of drawers, dresser, golf carts, patio set, butches, overstuffed chairs, sofas, recliners, linen, kitchenware, foosball table, guitar, hand and power tools... to name a few. All our items are clean and work. Stop by at our next sale on Aug. 4 from 8 a.m. until 12 p.m. and talk with the firemen and their wives as you browse through our three buildings. If you are in need of a specific item before our next sale, give us a call and we will be happy to arrange a time to meet with you at the Outpost. The Outpost is located at 51 CR 211 in Woodbine. Hope to see you there!

All donations are greatly appreciated; however, there are items we are unable to sell. Items we do not accept are: clothing; soiled torn or broken furniture; dirty non-working appliances; wall mirrors; chandeliers; mattresses or boxed springs; large entertainment centers or desks; older televisions; computers, fax machines monitors or printers; used ceiling fans; built-in appliances; dirty outdoor grills; window blinds; exercise equipment; non-working lawn equipment; and by law, we cannot accept used plumbing fixtures such as toilets, sinks, etc. It is important to note that items in good used condition or better qualify for a charitable donation.

If you wish to donate items, call Dee at (940) 665-4046, Peggy at (940) 665-7977 or the Fire Department at (940) 665-9321. Be sure to leave your name, number, and a brief message and your call will be returned as soon as possible. Please be patient as our first priority is responding to emergencies. We ask that you not leave items at the fire department, on the trailers or in the bed of the truck. Thank you.

2012 ANNUAL FUND DRIVE UPDATE

YTD: 42% PROPERTY OWNER PARTICIPATION

IT’S NOT TOO LATE TO DONATE

Over the past month, an additional 10 property owners have generously responded to our annual appeal for donations. We want to thank each of you for your contribution and support. This brings the total number of property owner donations to 574 out of 1345 (42%). We would like to encourage those of you that have not yet responded to join your fellow Lake Kiowans and mail the requested $75 tax-deductible donation to 550 Kiowa Dr. W., Lake Kiowa, TX 76240 or drop your donation in the red mailbox located at the bottom of the steps at the fire station. Your support is essential to our livelihood and enables us to be prepared to serve and protect the community. Be there for us so that we can be there for you when you need us.

Thank you,

Microsoft Recommends You Stop Using Gadgets in Windows 7 and Vista

Beginning with Windows Vista, Microsoft has included an option to display a Sidebar on the Desktop displaying various Gadgets. Microsoft includes some Gadgets such as an analog clock, a CPU meter, a calendar, etc., and other Gadgets can be added from other sources. Unfortunately a security vulnerability has been discovered where the Sidebar can be used to attack your PC by installing and running malicious Gadgets, so Microsoft is now recommending that all users discontinue using the Sidebar.

Microsoft provides an automated Fix It solution to disable the Windows Sidebar. Here is a link to a Microsoft article on this subject: https://technet.microsoft.com/en-us/security/advisory/2719962.

Most Widely-Used Windows Anti Virus Products in North America

You do use anti-virus software to protect your Windows computer don’t you? If you don’t you certainly should. Here is a recent breakdown of the most widely-used anti-virus programs in North America as collected over the last year by a company called OPSWAT:

<table>
<thead>
<tr>
<th>Anti-Virus Product</th>
<th>Percent</th>
</tr>
</thead>
<tbody>
<tr>
<td>Microsoft Security Essentials</td>
<td>91.0%</td>
</tr>
<tr>
<td>avast! Free Antivirus</td>
<td>8.2%</td>
</tr>
<tr>
<td>AVG Anti-Virus Free Edition</td>
<td>7.7%</td>
</tr>
<tr>
<td>Total Defense AV Plus (CA)</td>
<td>6.1%</td>
</tr>
<tr>
<td>Norton AntiVirus</td>
<td>6.0%</td>
</tr>
<tr>
<td>McAfee VirusScan</td>
<td>5.2%</td>
</tr>
<tr>
<td>ESET NOD32 Antivirus</td>
<td>5.1%</td>
</tr>
<tr>
<td>Norton Internet Security</td>
<td>3.5%</td>
</tr>
<tr>
<td>AVG Antivirus</td>
<td>3.1%</td>
</tr>
<tr>
<td>Norton 360</td>
<td>2.7%</td>
</tr>
<tr>
<td>Symantec Endpt. Protection</td>
<td>2.4%</td>
</tr>
<tr>
<td>Other</td>
<td>28.6%</td>
</tr>
</tbody>
</table>

Any of these products can help protect your computer from attacks to steal your data or damage your system. Pick one and use it!

Some additional interesting information gathered by the same company is the breakdown of Windows operating systems in North America:

<table>
<thead>
<tr>
<th>Operating System</th>
<th>Percent</th>
</tr>
</thead>
<tbody>
<tr>
<td>Windows 7</td>
<td>46.6%</td>
</tr>
<tr>
<td>Windows XP</td>
<td>42.4%</td>
</tr>
<tr>
<td>Windows Vista</td>
<td>10.4%</td>
</tr>
<tr>
<td>Other (98, 2000, etc.)</td>
<td>&lt;1.0%</td>
</tr>
</tbody>
</table>

So Windows 7 is now finally in use by more people than XP, sure took a long time.

Learning a New Language

Interested in learning a new language? If so, maybe this will help.

Google now has a free “Language Immersion” beta available that will randomly change words in web pages to the language of your choice. You can choose your current level of expertise in the language to control the complexity and frequency of the substitution, and if you don’t understand the words you can just click on them to change them back to English. If you are interested in trying this out, you must first be using the free Google Chrome browser. Then visit the Chrome Webstore, select the Language option, find the Language Immersion app, and install it into Chrome. Windows 8 is Coming!

Microsoft has confirmed that it will release the final version of the new Windows 8 on October 26, 2012. If you are a Windows user and haven’t looked at Windows 8, I encourage you to do so. It is vastly different from any previous Windows product.

Want to try it out yourself right now? You can actually download and install a Release Preview version for free! Microsoft says that if your computer will run Windows 7 then it will run Windows 8. But be careful; if you choose to install Windows 8 over a previous version of Windows, there is no going back unless you have a full backup of the old system.

A few other points:

- Windows 7 is planned to be available for a considerable amount of time after Windows 8 ships – at least until January 31, 2013 based on the offer below, and probably longer.
- Microsoft is currently offering discounts on future Windows 8 purchases with the purchase of a Windows 7 system. For example, if you buy (or have already bought) a Windows 7 PC between June 2, 2012 and January 31, 2013, you will be able to get Windows 8 Pro for $14.99. For more information: http://windows.microsoft.com/en-US/windows/upgrade-offer?ocid=O_WOL_UPG_Home_Upgrade-en-us.

If you really want to try Windows 8 but also want to keep your current Windows system running, you can install either Oracle VM VirtualBox or VMware Player and run Windows 8 as a virtual guest under your current Windows system.

July’s Quilt Bee met on July 2 with Patsy Hudson conducting the meeting. We welcomed two visitors that came with members and a weekend resident, Judy Bennett, who shared several projects with us. We hope she will be able to meet with us more often. Everyone was reminded of the July 10 workday at the Lodge and then the fun began. Several members had items of interest and projects to share. We all enjoy seeing the variety of interests in our group and their willingness to share their knowledge and skills.

The workshop in the Lodge met from 8-4 on July 10 with members working on their projects and sharing lots of ideas. A few pictures of the meeting “show and tell” and the workshop are on this page.

Our next Bee will meet Aug. 6.

Faye McKarrell displayed an original Texas quilt that she made for a friend. (L-R: Kay Marshall, Faye and Frances Walling).

Kay Marshall shared a quilt top that she and her sister found in a small town in Kansas which she intends to finish. (L-R: Kathy Streight, Kay, Faye McKarrell and Frances Walling).

Audrene Robison showed several contemporary “blocks of the month” that she completed from a website that she follows.

Becky Branham displays a quilt that she worked on at the workshop.

Cathy Wilson shared her finished “block of the month” from Kaleidoscope Quilt Shop.

Judy Bennett and Myrtle Mae Mullin set up to work at the July 10 workshop in the Lodge.

Kathy Streight and Janet Samuel working together at the workshop.
Judy Bennett showed several items that she has completed and some in progress. This quilt is all horses (her granddaughter’s obsession) and includes some photos printed on fabric. The pillows in the foreground are also horse related. In the lower left is one of many squares she is hand assembling from scraps of fabric that remained from clothing made over many years. (L-R: Judy, Myrtle May Mullin and Rita Buford).

Amanda Hattfield brought three wonderful quilts to share with us. The first one appropriately featured the American Flag for our July meeting. The second was a blue and tan design. Amanda’s last quilt featured the old-fashioned gardening ladies. (L-R: Audrene Robison, Amanda, Cathy Wilson, Judy Akins, Janet Samuel, and Patsy Hudson).

By the Lake KIDS’ BIBLE CLUB: A Huge Success!

The slap of flip-flops on pavement, laughter, singing, and shouts of joy were the sounds heard from the Pavilion at Lake Kiowa on June 26, 27 and 28, as eighteen children came excitedly in the 108 degree heat to the first KIDS’ BIBLE CLUB at Lake Kiowa.

The children were intrigued by the science experiments conducted by “Professor Loco”. Water balloon toss competitions were tons of fun and the music kept them jumping and dancing. The Bible verses learned reminded all that God Is Creator and Jesus Is Our Best Friend. At the end of each day, the children won new Bibles and other prizes. “This is my first, ever, Bible!” exclaimed one first grade boy. This proved one of the most moving moments of the week. And to our Creator God be the glory.

Many “Thanks” to those who made this event possible.

Thanks to Randy Schmaltz for his encouraging support, Jan Dalton for the use of her sound system, the Lake Kiowa Chapel Board, Marcy Titus at the CommuniQue and many others who donated time, provided encouragement and prayed for this event. Thank you to those working at the Lodge providing water, setting up the pavilion for us and so much more. A thank you also goes to the parents and grandparents who brought their kids every day. What a wonderful community we have here at Lake Kiowa!

Inspirational Events

The Lake Kiowa Chapel would like to welcome everyone at Lake Kiowa to services on Sunday morning. These services are held in the Assembly Room of the Lodge from 8 to 8:30 a.m. Rev. John Hare and Rev. J. Ray Smith are the pastors delivering their messages on alternate Sunday mornings.

In August Rev. Smith will deliver the messages on Aug. 5 and 19. His message on Aug. 5 will be entitled “Where Are You Going?” with text from Psalm 37:5. “What Are You Doing?” is the title of his Aug. 19 message with text from Psalm 37:7. This will conclude his series titled “Lord, Give Me Patience, Now!” Rev. Hare will be our pastor on Aug. 12 and 26. His message on Aug. 12 will be entitled “Recalculating!” with text from Romans 10:5-15. His message on Aug. 26 will be “Don’t Quit Your God Job!” and his text will be Romans 12:1-8.

Chapel Choir is taking a summer break until after Labor Day and will resume practice on Monday mornings at that time. This will be a good time for anyone to join them so please consider this if you enjoy singing. VISTO is the recipient of food contributed to the box in the entry to the Lodge. All packaged groceries are appreciated, but VISTO will make very good use of monetary donations as well. Buddypack items for the many children who do not have a supportive home environment are also appreciated. A dollar spent by VISTO goes much further than your individual grocery dollars, so consider a check made out to VISTO and sent to P.O. Box 607, Gainesville, TX 76241.

The Lake Kiowa Chapel meets every Sunday morning from 8 to 8:30 a.m. in the Lodge. All residents and guests are welcome. This is an interdenominational service that may precede your regular church service or a round of golf. Casual dress is always welcome. Please come and share this time with your friends and neighbors on Sunday morning at 8 a.m.

Kiowa Woman’s Club News

From the President...

What a great Fourth of July it was for the KWC cakewalk. We had about 257 baked items donated by the wonderful people of Lake Kiowa. This was the most successful cakewalk ever. The KWC cakewalk grossed $2,368 which will help to support the many programs of the club. I want to give a big THANK YOU to everyone who donated baked goods. We especially want to thank the donors who are not Kiowa Woman’s Club members. What a great community we live in. A big thank you to Katherine Thacker our outgoing KWC President. She did a marvelous job of organizing the event for July 4th. The July 3 workers that helped to set up the cakewalk grid, did the decorating and last, but not least, the group that checked in the baked goods need a thank you also. We had a great time. The POA staff needs a thank you for setting up the tables and partitioning in the Assembly Room. Thanks to anyone else that helped to make the cakewalk so successful.

Canasta is continuing this summer. The August schedule is Aug. 14 and 28 at 12:45 p.m. Any paid KWC member is welcome to come and join the fun. Dany Valenzuela is the new Chairwoman for Canasta.

Arts & Crafts will be meeting Tuesday, Sept. 4 before our September Luncheon Meeting. You will be “Killin’ to Kiln.” There is an article in this issue of the CommuniQué with a form for you to return to Leslie Tomich if you are interested. Sharon Clements is the new Chairwoman for Arts & Crafts.

Garden & Nature will meet at 9:30 a.m. Tuesday, Sept. 11 at 915 Kiowa Dr. W. to “Celebrate the End of the Long Hot Summer.” There will also be a sign-up sheet for the October Field Trip. Becky Knox is the new Chairwoman for Garden & Nature. The Gourmet Department is in the process of putting groups together for this year. This is one department that you need to officially join and be placed in one of the groups. Any member that is interested and has not joined should call Julie Minter at (817) 307-3722, Maureen Anselmi at (940) 665-6810, or Rita Langley at (940) 668-8682. The first event will be held in September on the third Tuesday of the month.

The yearbook has been sent to the printer for the first proof and will go to press by the end of the month. If you missed getting your name in the yearbook, we will have all new members listed on the KWC website. Dues are $15 and let you join in all the KWC activities. The department chairs this year are: Sharon Clements - Arts & Crafts, Gussie Utting – Bible Study, Jan Moore – Book Review, Peggy Carpenter – Bridge, Dany Valenzuela – Canasta, Becky Knox – Garden & Nature, and Julie Minter – Gourmet.

The first general meeting of the year will be Thursday, Sept. 13. This year’s theme is “Sea of Life.” We will continue to celebrate our friendships throughout the year. The first program of the year will be Doc Gibbs serenading us with songs of a “Feel Good Variety.” Hope to see you at our September general meeting.

Sharon Wolek

BIBLE STUDY CLUB

In September we begin a study of Women of the Bible. Each month we will examine an individual woman mentioned in the Bible. Biblical women run the gamut from beautiful (Rachel) to unattractive (Leah), from humble (Ruth) to pompous (Jezebel), from rich and powerful (Esther) to poor (Mary and Martha); and so the distinctions can go on! No matter what the circumstances of these women, God put them in the Bible so we can learn from them.

Please join us this year for exciting glimpses of some of these women. Glenda Hayes and Nancy Flores will be alternate leads each month. On Tuesday, Sept. 25, Nancy will be teaching about RAHAB, the harlot. Our September meeting will be held at 235 Cayuga Tr. Come join us!

2012 Cakewalk

It was very rewarding to see all the cakes and baked goods that were brought for the Cakewalk at the July 4 Celebration. Not only did the Woman’s Club membership respond very generously, but also many residents of Lake Kiowa who are not Woman’s Club members brought cakes. This is just another wonderful example of the Lake Kiowa response to a request. The result was a very successful Cakewalk and the “walkers” had a lot of fun.

THANK YOU, LAKE KIOWA!!!

June 26 Canasta winners were (L-R): Lorraine McKissick 3rd, April Wakeford 4th, Pat Medley 1st and tied for 2nd Sharon Wolek and Katherine Thacker.

My how time flies! Here we are at the end of another fun year of playing Canasta.

I wish to thank Katherine for a great year of leadership as our president, Janie Street for her assistance, without which my job would have been a lot harder, and, last but not least, I want to thank Sharon Clements for all the great pictures. Also, I cannot forget all the players that joined us this year. Thank you, Dany and Fran. I wish you a great 2012-1013.

The Kiowa Woman’s Bridge department ended its last tournament of the season on Thursday, May 24. This tournament was enjoyed by everyone. Here are our big winners: 1st place, Jacque Waghorne and Joyce Baumgart; 2nd place, Sally Durlinger and Chris Bost (not pictured because she was cruisin’ the ocean); 3rd place went to Pat Medley and Sue Condron and bringing up the rear for the season were Jan Thompson and Peggy Carpenter. (Are you really sure you want these two to teach you to play bridge????). Our bridge classes will resume this fall on Thursday at 9:30 a.m. followed by our tournaments in the afternoon. Mark your calendar for Sept. 20. If you have not signed up for the marathon, call Pat Medley at 668-6804. The bridge department hopes you have a wonderful and safe summer.

Jan Thompson, Pat Medley and Peggy Carpenter

May 24 Tournament Players (L-R): Seated - Joyce Baumgart, Jacque Waghorne, Sally Durlinger, Pat Medley, Sue Condron, Jan Thompson and Peggy Carpenter. Standing-Allene Johnson, Joyce Manner, Pat Smith, Peggy Ashton, Wanda Lawrence, Marge Tittsworth, Barbara Koval and Terry Johnson.

**“KILLIN’ TO KILN”**

Come join the new Arts & Crafts season on Sept. 4 at 10 a.m. at the Lodge. We will be “crafting” decorative coasters for your favorite beverage. If you plan on attending, please fill out the form below and mail it and a check for $12 to cover expenses. This is going to be a great year with lots of surprises and we’ll see you in September.

AN HONOR FOR FLUSCHE – NCTC science grants coordinator Sara Flusche (right) received the Nita Beth Camp Award for Science at the recent annual meeting of the Texas Regional Collaboratives in Austin. Presenting the award was Dr. Mary Hobbs.

GAINESVILLE – North Central Texas College science grants coordinator Sara Flusche was recently honored at the 18th annual meeting of the Texas Regional Collaboratives (TRC) in Austin.

Flusche, who heads up the NCTC Science and Math Collaborative along with Dr. Lisa Bellows, was presented the Nita Beth Camp Award for Science.

The award was presented at the annual meeting held June 27-29 at the Renaissance Hotel in Austin.

The TRC is an award-winning network of P-16 partnerships that provide sustained, high intensity professional development to P-12 teachers of science and mathematics. Through this partnership, North Central Texas College provides training to North Texas schools through hands-on and interactive training.

The award is named for Camp, who was the founder and former project director of the Region 7 Collaborative for Excellence in Science Teaching in Kilgore. She was diagnosed with breast cancer in 1985. For 21 years after her diagnosis until her passing, Camp continued to be an inspiration for thousands of Texas educators and teachers.

The Nita Beth Camp Legacy Award is presented to one project director each year for embodying the positive attitude and optimism that characterized Camp, who was an inspiration to thousands of Texas educators and teachers for many years.

During the past year, Flusche has trained hundreds of teachers in the North Texas region. She and Bellows traveled to 30 training facilities, covering over 22,000 miles on weekends and during the summer months, teaching hundreds of teachers about biology and earth science through their “Road Show” program.

Puerto Rico’s educational department has also benefitted from Flusche’s expertise as she worked with them in developing their science curriculum.

In addition to Flusche’s award, the NCTC Science and Math Collaborative received the Outstanding Combined Exhibit award at the Austin conference.

For their hard work and for their pursuit of excellence in their studies, we congratulate all of these students who work either full-time or part-time while attending classes.

“Performing at this high level in all courses is not easy, particularly for the large number of our students who wish them the very best as they continue their education or move into the workplace.”

Persons wishing to obtain additional information about academic honors recognition at North Central Texas College may contact the office of the Dean of Student Services at 940-668-4241.

NCTC’s Flusche Receives Statewide Award

GAINESVILLE, Texas – North Central Texas College announced recently its official listings of students recognized for outstanding academic achievement during the recently concluded 2012 spring semester.

Students named to the NCTC President’s Honor List are those who achieved a perfect 4.0 grade point average (GPA) while enrolled in at least 12 semester credit hours. The Dean’s Honor List includes those students earning a GPA of 3.5–3.99 while taking 12 or more hours.

“We’re very proud to honor our students in this way,” said Dr. Larry Gilbert, Arts & Sciences dean.

“Performing at this high level in all courses is not easy, particularly for the large number of our students who work either full-time or part-time while attending classes.

Right next to Rizzuto’s
Aug. 14 is the 30th Anniversary of “Navajo Code Talkers Day,” as declared in 1982 by then President Ronald Reagan. In the first 48 hours of the WWII battle for Iwo Jima, the Code Talkers transmitted more than 800 messages, all without error. The Navajo Code was never broken.

Major Howard Connor of the 5th Marine Division on Iwo Jima said “Were it not for the Navajos, the Marines would never have taken Iwo Jima.” There are presently only 38 surviving members of the Code Talkers who were recruited from more than a dozen tribes, including Choctaws, Hopis and Cherokees. About 420 Code Talkers were recruited from the Navajo Nation during WWII, the most from any Native American Group.

During WWI, 15 Choctaw Indians and members of other tribes used their traditional languages to transmit wartime messages. It’s important to note that at that time, these Native Americans were not even considered U.S. citizens.

Due to the above facts, you might wish to honor the Code Talkers on Tuesday, Aug. 14, by flying your American flag.

Welcome new agent Dee Dorman to our team!

Dee has been a Lake Kiowa resident since 1999 and has recently fulfilled the requirements for real estate licensure. With over 15 years of experience in sales/marketing/customer service, along with her winning attitude and love of the community, she is an excellent addition to the Premiere Real Estate office.

Dee and her husband, Joe, have raised 3 children in Lake Kiowa and the Callisburg schools. They are avid golfers and active community/school volunteers.

Dee would love to talk with you about your real estate needs and what we have to offer. Cell 940-727-4869 or dee@lakekiowarealestate.com.
With July 4th falling on our first Wednesday this month, the monthly scramble was changed to Wednesday, July 11. The weather was a little warmer but we still had a good turnout.

At our membership meeting, membership chairperson Marcy Titus reported that, as of July 11, our membership total was 230. Welcome to our three new members: Pam Rimer, Carole Bitsche and Sandy Russell.

A big thank you to our WGA President’s Cup Tournament Committee, Donna Chapman, Vicki Inman, Pat Williams and Judy Neal. They worked really hard to make this a great tournament. This was a two-day tournament held on June 27-28. Congratulations to Vicki Inman for being the Overall Net Winner.

Our new concession stand, located between holes 4 and 5 is now complete and looks really great. Thank you to all the volunteers who put in many hours, muscle, and hard work for this very worthwhile project.

Have you noticed the “yellow” set of tee markers in the fairway next to the cart paths? These are in place for the “Tee It Forward Program” and are intended to promote more enjoyable golf for seniors, juniors and beginners. You can refer back to your July issue of the CommuniQué for more information on this program. Brown McCrory and The Handicap Committee have both written an article on this subject.

Our next meeting is Wednesday, Aug.1. Come and enjoy golf, lunch and camaraderie! Hope to see you there!

TEE IT FORWARD AT LAKE KIOWA

The WGA Board, with advice from the Pro Shop, has established the following guidelines for the Hole-in-One Club:

For the remainder of 2012, no hole-in-one will be recognized from the forward yellow tees. The Hole-in-One Club rules and regulations will be updated in 2013 to reflect this decision.
July 14 General Meeting

On Saturday, July 14, the Men’s Golf Association met at the Lodge for their regular monthly meeting. President Gerald Smith called the meeting to order at 8 a.m. followed with the Pledge of Allegiance.

There were two first-time MGA members (John Dunn and Charles Shelly) in attendance that were recognized and welcomed with a round of applause.

The Kapers Golf Committee (Eddie Woodruff, Gary James, John Seefeldt and R.J. Stroup), along with volunteers and WGA, were recognized for their support and commitment to make this a very successful golf tournament. Also, Brown McCrory, Dennis Toquigny and their staff did an outstanding job! The MGA had a great event and it was very successful thanks to so many people.

The condition of the golf course is really good; however, divots are starting to take a toll on some of the fairways and greens. Please remember to sand fill the divots in the fairways and use your divot tool for the greens. Also, we will be scheduling a Monday workday in the next few weeks to repair divots in the fairways and on the greens (we will be providing beverages and cooking up some burgers and dogs). So be on the lookout for this workday and come out and join us.

MGA members were reminded to attend and support the Ralph Hill Family Fundraiser event on Saturday night at 8 pm at the Lodge. The MGA donated $500 from the closest to the pin contest to the Ralph Hill Family. The MGA committees (Financial, Membership, Tournament and Projects) provided updates and reports for the members. (See MGA board minutes for details).

Our hole-in-one winners were presented with plaques by Jay Titus and Gerald Smith. Recent winners were John Wolek, Dwayne Hopson, Richard Lopez and Steve Graves.

The MGA had a great turnout with 117 MGA golfers playing a “two person Best Ball, A/D and B/C” as partners. We enjoyed beverages in the Assembly Room after our round of golf. Thanks to Dwayne Hopson for providing the beverages. The winners of the golf event include:

1st place: Jim Hawkins, Ron Spencer, Marvin Crew and Pierce Monkres
2nd place: Earl Lemons, Randy Howell, Gary O’Dell and Jim Marfice
3rd place: Tracy Wilson, Phil Handley, Walter Sprenger and Bill Turner
4th place: Robin Howell, John Beck, Mark Gillings and Sheldon Marsh
5th place: Preston Klutts, Don Neal, Keith Wilson and Richard Mitcham
6th place: Eddie Woodruff, Brant Buck, Don Sloan and Chick Creech
7th place: Rod McCutcheon, John Nash, Jim Magee and Lloyd Butts
8th place: John Burks, John Springer, Larry Gingerich and Tom Nardecchia
The winners of the closest-to-the-pin contest were: Tracy Wilson and Ed Tomlin.

Men’s Golf Association Minutes July 11, 2012

New Business: The MGA is looking into the possibility of purchasing umbrellas for the tables at the Pro Shop. This issue will be visited again next month. Habitat for Humanity has requested a date to be set for their tournament in 2013.

There will be a closest-to-the-pin contest on #5 (A and B flights) and #13 (C and D flights) in the upcoming men’s playday. Proceeds will be donated to the fundraiser for our long time security guard, Ralph Hill and his wife.

Financial Report: Jay Titus reported that the MGA is financially sound and all bills have been paid. Currently we have a balance of $14,218.11 with funds being committed to projects.

Tournament Report: The Kapers was a huge success. Positive feedback from many sources. The MGA Playday will be Saturday, July 14. It will be an A/D and B/C format. Refreshments will be provided to golfers afterwards.

Membership Report: We currently have 435 members. 32 of those are new and 267 of those are in the Hole-in-One club.

Projects Report: No new projects have been requested. Adjournment: The meeting was adjourned at 10:04 a.m.

Golf Course Report: With no tournaments scheduled until September, Dennis and his crew are in full maintenance mode. They will be spraying for various weed issues during the coming month. Take care to clean your ball with a wet towel or in a ball washer only. Dennis stated he has received very positive comments about the course and feels the greens are in good shape now that the nights have stayed warm enough to encourage growth. Dennis also took this opportunity to thank the MGA for the cookout for his crew following the Kapers tournament. The board was all in agreement that they did a wonderful job on the course and it presented well to our members and their guests.

Golf Pro Report: The new “Tee It Forward” tee markers have arrived and have been put out on the course. They are yellow. They have been sloped and rated so as to provide a true handicap for those that use them. The software in our handicap system has been updated so you may enter your scores.

Projects Report: No new projects at this time. A reminder to fill your divots and repair your ball marks was requested. Adjournment: The meeting was adjourned at 10:04 a.m.

Etiquette: Behavior on the Course - Pace of Play

Play at a good pace and keep it up! It’s a group responsibility to keep up with the group in front. If a group loses a clear hole and is delaying the group behind, it should invite the group behind to play through, irrespective of the number in that group. Where a group has not lost a clear hole, but it is apparent that the group behind can play faster, the forward team should invite the faster moving group to play through.

DID YOU KNOW...

That it doesn’t matter what tee you regularly play from or even which golf course you regularly play at, if the course has USGA Course and Slope Ratings and you post your scores the handicap system can calculate your Handicap? What most golfers don’t realize is that when we think and say “Handicap,” it can mean two things: Your Handicap Index or your Course Handicap. What we’re talking about here (and what you should think when you say “Handicap”) is your Handicap Index because your Handicap Index is truly your “Handicap.” Your Handicap Index is a comparison of your scoring ability to the scoring ability of a scratch golfer on a course of standard playing difficulty; i.e., how many strokes you should receive. The key words are “scoring ability” and “strokes.” It’s primarily your score that matters, not what tee you play. At every golf course rated by the USGA each set of tees has a Course Rating and a Slope Rating. The Course rating is the score a scratch golfer can expect to shoot on a normal day. The Slope Rating is a measure of a course’s relative playing difficulty for the non-scratch golfer.

Your Handicap Index is determined by a formula that compares your scores to the Course Rating and then makes an adjustment for the difficulty of the course (Slope) to come up with a differential. An average of these differentials is your Handicap Index. It’s your Handicap Index that’s then used to determine a Course Handicap, which is the number of strokes you should receive from a scratch golfer when you play a course not of standard playing difficulty. Every USGA rated golf course has handicap conversion tables that convert your Handicap Index to a Course Handicap for any set of tees on that course. So it doesn’t matter what tee you play because your Handicap Index will always be calculated from the score you shoot on the tee you play. So play from the tees that best suit your ability, have fun and don’t worry about your “Handicap” because your “Handicap” is your Handicap Index, and it will always be an accurate reflection of your potential ability regardless of which tee you play at any given golf course on any given day.

Have you attended an Open Board Meeting recently?

Your Lake Kiowa Board of Directors meets twice every month to deal with your community’s current affairs. They meet on the first and third Monday evenings at 6 p.m. in the Southwest Room of the Lodge.

On the third Monday the Board continues its meeting at 7 p.m. to inform the general public of current business decisions or conditions that need attention. Reports from the various departments i.e. maintenance, security, Lodge, etc. are given. Questions from property owners in attendance are encouraged. The room is set up for a generous audience, but many seats are rarely occupied.

Any resident concerned with the governance of the community should attend these Board Meetings. This will encourage your Board to act in accordance with the desire of the average property owner and help balance their decisions.

Recycling at Lake Kiowa

Recycling is provided for an additional fee to Lake Kiowa residents who sign up at the POA office and is collected every Wednesday. As with normal trash pickup, recycling bins should be placed out at the curb by 7 a.m. No need to sort the items, just rinse, drop in the container, and place by the curb. Recycling is picked up by IESI anytime from 7 a.m. to 7 p.m. Loaded recycling bins must weigh no more than fifty (50) pounds.

Determining if your item is recyclable is easy. On the label there should be a circle of arrows. This circle should also contain a number. If it has the recycle circle and it is not Styrofoam or the #6, it should be placed in the recycle bin for pickup.

Acceptable Recycle Items are:
Metal cans, Chipboard (cereal boxes, soda boxes, etc.), Glass bottles or jars, Newspaper, Magazines, Phone books, Plastics #1 - #7 plastics. Shampoo bottles also contain a number. If it has the recycle circle and is not Styrofoam or the #6, it should be placed in the recycle bin for pickup.

Metal Cans - Rinse and drain your metal food cans composed of tin, steel or aluminum and place loose in your bin. It is not necessary to remove the label, but please remove the lids and
all food waste.
Aluminum - Rinse all aluminum drink cans.
Glass - Place glass jars and bottles loose in your bin. Colored glass is accepted.
Plastics - Rinse and place soft drink liter bottles and milk jugs in your bin. You may now also include #1, #2, #3, #4, #5 & #7 plastics. Shampoo bottles are accepted. Please remove all caps.

Paper - Place dry newspaper, magazines, catalogs and other paper items such as mail, paper bags or other paper in the bottom of your bin. Slick or glossy inserts are accepted with the newspaper. Be sure that the newspaper is secured so that it doesn’t fly away. Telephone books will only be accepted when the new books are distributed.

REMODELS AND ADD-ONS
DECKS AND BOATDOCKS
Welcome to August. I would like to begin with a few comments on the algae that we have experienced in the lake this summer. The Chara quickly took over the shallow waters of the lake this year. Many of the coves are full of this algae. Plenty of folks were taking issue, especially the ones with jet-type water craft. These water craft are sucking up the algae into their intakes and causing blockage of the water flow. As you can imagine this ruins their plans for a day on the water. As many of you called in concerned, your community government with the help of Biologist Chad Robinson put a plan together in an attempt to control the problem. The first thing that was done was the introduction of 500 pounds of Tilapia to the lake. This Tilapia is an algae-eating fish. Secondly, the edges of the lake were treated with an algacide. This algacide should also help the control of the algae. Thanks to the efforts of the people involved with making these decisions to control this nuisance. Please remember that when the water begins to cool the algae will go away.

Moving on to our June bass tournament held on the 16th of the month. This event continued the string of large bags of bass being weighed this year. Chris Henry came in second place was Zach Bradshaw with a good showing this year. Chris Henry came in second place and continues to lead the pack with another large stringer of fish. First place was Zach Bradshaw with a good stringer. Mike Bitsche came in at third place with placing only by default because one participant had two fish die. Each dead fish is a penalty of one pound. The big bass prize was split in a tie between Zach Bradshaw and Mike Bitsche. Congratulations to the winners.

So, on another note we made it through another 4th of July Celebration. This day was full of activity including the annual visit of the skydivers, a parade and festivities around the Lodge. Your Angler Club provided boat rides around the lake to give residents and visitors a perspective of our community that many said they have never had. Thanks to the people that donated their water craft for this event and the many volunteers that helped to make this work.

It is becoming critical that we have some new volunteers to help with the club management. It seems that as long as I have been involved with this club, the same individuals continue to do all the work. We need a few good people to help with overseeing the efforts which give back to our community. The board nominations will be coming up and we need to have a 50% change to get us on track as not to have a 100% turnover every two years. Please consider helping us continue to provide the special events that we are so proud of supporting. The July bass tournament will be history by the next publication. Look for results in the September edition. Upcoming events include our monthly bass tournament scheduled Aug. 18 start times to be determined. Do your best to stay cool. Hope to see all of you out and about in this wonderful community.

Search Facebook for Lake Kiowa Angler & Conservation Club. Through this media we are able to upload photos, event schedules, publish tournament results and communicate with all. We hope to see your posts and suggestions there. If you would like to submit photographs of your fishing experiences, send a note or photo to the club via our e-mail account with Yahoo. E-mail us at lkacc4u@yahoo.com. We can then upload your pictures to the Facebook page.

14. If the record is broken at any time, the next prize awarded will return to $100

Lake Kiowa Fishing Limits

Bob Lusk, Fisheries Biologist and Lake Management Consultant, made the following fishing limit recommendations. These recommendations have been given careful consideration to keep a thriving ecological habitat for Lake Kiowa. The Angler and Conservation Club has fully endorsed the following fishing guidelines for Lake Kiowa:

Rainbow Trout: 5 Per Day, Per Person
Black Bass: Keep Black Bass between 10-15 inches; 5 Per Day, Per Person
Carp: Keep over 10 inches; 10 Per Day, Per Person
White Bass: Otherwise known as Sand Bass. No Limit. Remove all you can.
Perch: No Limit.
Channel Catfish: Keep fish over 14 inches. No Limit.
Drum: No Limit. Remove any caught from lake.
Carp: No Limit. Remove any caught from lake.

TROT AND JUG LINES ARE NOT PERMITTED

Dock owners are encouraged to provide cover for the fish under your docks. Make sure the trees are securely anchored not to interfere with boat traffic. Feed the fish! Dry dog food or pellets especially made for the fish are readily available at feed stores. For questions, feel free to contact Mike Bitsche for specifics.

SECURITY REPORT
June 14 - July 11

The 2012 version of the holiday extravaganza that is the Lake Kiowa July 4th Celebration came off in predictably spectacular fashion. The characteristic feature common to all participants was the wide-spreading smile that marked each face. From a Security standpoint, this 4th was as free of observed and reported violations as any in recent memory, marred only by the boat dock fire early in the day and a traffic accident late in the day. In between times, Lake Patrol encountered a busy lake, logging 11 of the 44 stops recorded for this reporting period. While Security noted a definite downturn in the use of personal fireworks, the inherent dangers of such displays was graphically illustrated by the afore-mentioned loss of a member’s boat dock and 3 water craft in the 1300 Block of Kiowa East. This incident has been investigated by the Cooke County Fire Marshal and WAS ruled to have been caused by the use of illegal FIREWORKS.

Security personnel working traffic control performed only 3 traffic stops but did investigate 6 motor vehicle accidents, writing one citation for speeding. Two of those incidents involved intoxicated drivers. Department of Public Safety troopers and Cooke County deputies responded and in both cases the drivers were arrested. Assistance was given to one member with a stalled vehicle. Lake patrol, for their part, towed 5 water craft with mechanical failures. Additional Security response was elicited for 7 welfare checks and an emergency message, 2 reports of suspicious vehicles, a residence alarm, a business alarm and a complaint of soliciting. Active patrolling led to the discovery of 6 unlocked doors and gates, a parks curfew violation and 2 breaches of golf cart safety rules. Three incidents of criminal mischief to docks were reported from Hogan Drive as was one incident of mail tampering from the 300 Block of Kiowa East. One member reported the theft of an item from the cart storage barn.

Animal Control officers pursued 7 stray dogs and a cat and put down 14 varmints. One barking dog complaint was investigated and one canine was transferred to Noah’s Ark in Gainesville. One citation was issued for a leash law violation. Security dispatchers monitored 22 LKVFD emergency pages and patrol provided ambulance escorts on 5 occasions.

Editorial Policy

The policy and purpose of this publication is to inform all residents of events and activities within our community, to report on actions and decisions made by our Lake Kiowa Property Owners Association Board of Directors, and to publish the results of those decisions. Information is important for everyone to know that problems are being worked on and remedies are being sought.

The following items will be accepted for publication: Events and information about Kiowa organizations that are open to all residents; events in our surrounding communities when Kiowa residents may be involved in them; and items of a personal nature that reflect on the generous character of our residents or a milestone in their lives.

A Letter to the Editor should be less than 350 words in length and will be accepted if it presents a thoughtful and constructive view to an issue that may be controversial within our community. It may be reviewed and verified for factual accuracy by the appropriate authority. The factual clarification will be published along with the letter. The letter should be typed or in legible handwriting, signed by a verifiable resident, and will be published unedited with misspellings indicated when necessary. If handwriting cannot be easily read, it cannot be used. The CommuniQue will not be responsible for misreading a handwritten word. A letter may be refused publication if space is limited. If several letters are received expressing the same view, one may be chosen for publication. Letters containing personal attacks, self-promotion, or advertising will not be published. Letters to the Editor do not necessarily reflect the view of this newspaper or its advertisers.

**Golf Course Update**

By all accounts we are happy to report the golf course is in excellent condition. We continue to receive very positive feedback from the membership. I have not received ONE negative comment whatsoever.

We continue well below our projected water consumption. In addition to the 2.8 million gallons we banked through the end of May, we also banked slightly over 5 million gallons in June. This already gives us a 7.8 million gallon surplus going into what is typically the hottest, driest part of the year.

We are still operating short-handed, with two seasonal positions open. We currently have no plans to fill the full-time position of Irrigation Technician.

Seasonal weed control has begun on a spot treatment basis only.

**Lodge Update**

June and July have been very busy for us here at the Lodge. We’ve had the KWC Lunch, Kiwanis, Supper Club, WGA Lunch and our Annual July 4th Celebration. Also, this past weekend we had the Lora Hill Benefit and Auction for the wife of our long-time Security guard, Ralph Hill. We do not yet have the final count of the money we made because I’m writing this article early, but we would like to thank everyone who donated items for our silent auction. In my report next month I will give you the total amount that was raised for the Hill family.

Thank you,

Amy Mohan and the Lodge staff

**Public Works Update**

The July Fourth Celebration has come and gone. We would like to thank everyone for the help received to make this a successful event.

**LAKE AND PARKS**

The lake elevation has dropped to just below the normal pool level of 700.00 foot elevation. Recent small rains are helping to keep the elevation up and hopefully it will stay up as the hot times of summer continue.

Work has begun remodeling the campground restrooms. This will mainly involve a new metal roof to match existing buildings and new fixtures.

Dead trees are still being removed from the park areas.

**ROADS AND BRIDGE**

A search is underway to find different contractors to repair the water company road cuts. There continues to be water line breaks, which causes the roads to be cut as most water mains run under the middle of the road.

Don Hoover
Public Works Manager

**REPEAT OFFENDER VIOLATORS**

If you have received a citation and have questions, all rules can be found on the Lake Kiowa Web site; additionally, you may call Gary Davidson at (940) 665-3221 or Randy Schmaltz at (940) 665-1055. All written notifications will be mailed directly to you as soon as possible. Parents or guardians of minors will be notified immediately if their child has received a citation.

In accordance with Rule 4.2.7.c, the LKPOA is required to post the names and lot numbers of repeat rule offenders. Rule 4.2.7.c states: “Two or more infractions of the same rule, two or more infractions in the same category, or more than one Serious or Major infraction in any combination and regardless of the rule or category within one (1) year are considered a repeat offense. In all cases the names of repeat offenders will be printed in the Association newspaper.”

By rule, the following property owners are classified as repeat offenders:

- **David Potter**, Lot #110, 4.5.4.d Untidy Lot 9/2/11, 11/23/11, 10/20/11, 11/23/11, 12/20/11 4/05/11.
- **Lee Killgore**, Lot #948, 4.3.1.r Juvenile Curfew 3/31/12; Damage to Property 4.3.1.a 7/21/11, 8/23/11, 3/31/12.
- **Ronda Henderson**, Lot #372, 4.3.1.f(3) Vicious Animal 1/10/12;4.3.1.a Damage to Property 4/5/12.
- **Ritchie Beougher**, Lot #63, 4.3.2.e Reckless Driving 5/26/12; 4.3.11.f(2) Cart numbers 5/26/12.

**LKPOA Employees Lend a Hand for July 4th Celebration**

Maintenance employees Donna Helton, Rita Mitcheson, Scott Manning and Georgia Tyler provided invaluable assistance by helping to set up and tear down tents, etc. for the July 4th Celebration.

Community Manager Randy Schmaltz works on the food serving line.

**Don Hoovver**

Public Works Manager

**Lodge employees Sarah and Erika accepting tickets at the Pavilion.**

**Michael “Tree” Nicholson, line cook at the Lodge, manned the hot grill during the July 4th Celebration.**
IMPORTANT CORRECTION

In the July Communiqué issue, an error occurred in the paragraph on page 41 entitled “Front Gate Project Mediation Agreement.” This item incorrectly was attributed to LKPOA Board President Jim Mead. President Mead did not write that paragraph and requested that a correction appear in this issue of the newsletter.

I was the author of that item. My intent was to provide a general description of the events that led to the mediation process as I understood them. I should have signed that article.

I apologize to President Mead for any inconvenience or problems my action may possibly have caused him.

LKPOA Finance Committee: Treasurer Brent Reed reported that a
LKPOA CD at the Bank of the Ozarks in Frisco had recently matured and
that he would like to open a new and deposit funds in a CD at Muenster State Bank. His plan is to ladder our CD’s in local banks so that they mature at three-, six-, nine- and twelve-year intervals. On a motion by Brent Reed and a second by La Vonne Jucha the Board unanimously agreed to open an account at Muenster State Bank.
Lake and Parks: Randy Andrews from the Lake and Parks Committee and Texas State Game Warden Darla Barr reported that beaver and goose populations have reached a critical level at Lake Kiowa. Beavers in particular are causing damage to trees, sea walls, boathouse foundations and along the downstream (south) side of the dam. The goose population has reached a destructive level and geese are currently eating about half the plants introduced into the lake by the Angler and Conservation Club. Several strategies were suggested; however, given the nature of the threat some form of lethal control was recommended. The Board recommended the Lake and Parks Committee work with Security to develop strategies to address the problem.
Golf Committee: Craig Lamkin explained the USGA and PGA supported the TEE IT FORWARD program. TEE IT FORWARD is designed to help golfers have more fun and enhance their overall experience by playing from a set of tees best suited to their abilities. He presented a proposal to establish a forward set of tees that would give our seniors, juniors and beginner golfers a set of tees that better suit their abilities. On a motion by Jay Titus and a second by Bill Morris the Board approved establishing a forward set of tees effective on July 1, 2012.
Covenant and Bylaw Committee: Corky Cohoon reported on the Covenant and Bylaw Committee’s progress to date and provided the Board members the latest drafts of the proposed cover letter; the proposed Covenants, the proposed explanation of changes and the proposed petition. He reviewed the open items and the proposed schedule. On a motion by Brent Reed and a second by Jay Titus, the Board approved town hall meeting dates to explain the Covenant changes on Monday, July 16, 2012 following the regular Board Meeting and Saturday August 4, 2012 at 9 a.m. In addition, Craig Lamkin moved and Brent Reed seconded a motion to hold a special board meeting on June 25, 2012 at 6 p.m. to discuss open items and finalize the drafts of the documents that will be mailed to the membership. All approved and the motion carried.
The Board recessed at 6:55 p.m. and reconvened at 7 p.m. in the Assembly Room of the Lodge.
Call to Order: Vice President Kelley Stewart called the meeting to order at 7:05 p.m. in the Assembly Room of the Lodge and led the Pledge of Allegiance.
There being no new attendees at the meeting, Treasurer Brent Reed gave the treasurer’s report a copy of which is attached to these minutes.
2012/2013 Budget Presentation: Manager Randy Schmaltz presented the proposed LKPOA budget for 2012/2013. The proposed budget of $3,780,825 reflects a 5% increase in the Regular Annual Maintenance Assessment for a total of $171.57 per member. The increase includes a 3.5% increase in salary expense and a projected 10% increase in health insurance costs. The CARF assessment remains at $6.35 and the ARRF assessment at $34. The total monthly assessment for 2012/2013 will be $211.92 per member. On a motion by Craig Lamkin and a second by Jay Titus, the Board unanimously approved the 2012/2013 budget.
Department Reports: Department heads presented their department reports, which are attached to these minutes. In the absence of Lodge manager Amy Mohan, Randy Schmaltz presented the Lodge report. He emphasized the July 14 fundraiser for security officer Ralph Hill and reported on future efforts to replenish the Employee Emergency Relief Fund.
Questions from the Audience: Manager Schmaltz was asked why the pasta buffet was discontinued and he replied that, while popular, it was a money loser that could not be sustained. He also reported that a new Lodge menu would be coming out in July.
The meeting recessed at 7:33 and reconvened in the Southwest Room at 7:43.
Manager’s Report: Community Manager Randy Schmaltz gave the manager’s report.
a. Proposed Fire Wise Committee Members. The last step in establishing the Lake Kiowa Fire Wise Program is to form a committee to oversee the program. Manager Schmaltz offered Dale Gary, Lloyd Marshall, Sam Moore, Joe Rider, Jacqui Osborn Stewart and Ed Tolmin as Fire Wise Committee Members. La Vonnie Jucha moved and Craig Lamkin seconded a motion to approve Manager Schmaltz’s recommendations for the Fire Wise Committee. All approved and the motion carried.
b. Zebra Mussels Quarantine. Manager Schmaltz reported a new procedure to question owners of incoming boats if they had been on Lake Texoma or Lake Lavon. If so, Security will ask for a voluntary quarantine period to prevent the introduction of zebra mussels into the lake.
c. Proposed Monthly Community Fruit/Vegetable Stand. A member had asked if it was possible to have local growers sell their produce at Lake Kiowa. Attorney Les Sweet advised since the LKPOA is a non-profit corporation, state law prohibits allowing outside commercial activities on LKPOA property.
d. Proposed Sale of Lot #463. The POA received an offer of $6,500 for Lot #463 that has an appraised value of $11,865. Jay Titus moved and Lou Vander Molen seconded a motion to counter the offer at $9,500. All approved and the motion carried.
e. Proposed CARF Purchase. La Vonnie Jucha moved and Lou Vander Molen seconded a motion to move the purchase of the golf maintenance tire changer from operations and maintenance to the Capital Asset Requisition Fund. All approved and the motion carried.
Additional Business: Manager Schmaltz provided a sample of new paper that will be used for future Communiqués.
There being no further business, the meeting adjourned at 8:31 p.m. on a motion by Brent Reed and a second by Craig Lamkin and unanimous approval of all present.
Craig Lamkin, Assistant Secretary
Lake Kiowa Special Utility District

Adjournment: At 9:10 a.m. Jack Thies made a motion to adjourn. Joanne Dorsch seconded and all were in favor.

Margaret Dressel, Secretary

LAKE KIOWA SPECIAL UTILITY DISTRICT
MEETING MINUTES OF TEMPORARY BOARD OF DIRECTORS
MONDAY, MARCH 21, 2012
Call to Order: Jess Maxwell called the meeting to order at 9 a.m. A quorum was established with all board members and Manager Ronny Young present.

Recognition of Visitors: Member Jay Houk was present.

Qualification of Remaining Temporary Directors, including Taking Oath of Office, Making Constitutional Sworn Statement, and Execution of Bond as required by Water Code §49.055: Bill White and Joanne Dorsch were sworn in by Ronny Young and signed an Oath of Office and a Constitutional Sworn Statement.

Consideration and possible action regarding appointment of early voting clerk, election judge and alternate election judge for confirmation and directors elections: The election judge and alternate election judge positions are still open and will be appointed at a later date.

Craig Lamkin made a motion to accept and mail the final covenant documents with one change to the cover letter to add the dates and times of the two Town Hall meetings. Jay Titus seconded the motion. All were in favor. Motion carried.

Manager’s Report given by Randy Schmaltz: A presentation was given on the lake algae and the steps being taken to solve the problem. Chad Robinson (Southern Fisheries) was also present to provide information. The algae growth this year is due to the mild winter and a warm early spring. There are three (3) methods of ridding the lake of the algae: mechanical, chemical and biological. The treatments that have been used to date are: 500 pounds of tilapia introduced to the lake in June; 1680 pounds of Cutrine Plus introduced into affected coves along with 10 gallons of Crystal Plex. There are enough chemicals for one more treatment which will be done in 3 weeks. The chemicals used to remove the algae are not harmful to humans, pets or the fish population in the lake.

ARRF Purchases:
(1) A replacement Jet Ski was purchased for the Security Office. The replaced Jet Ski was purchased in 2006 and a new Jet Ski was budgeted in the 2012/2013 budget. The budgeted amount was $18,000 and the replacement was purchased for $13,576 with a 5 year service contract.
(2) A replacement dish machine was purchased for the Lodge. The replacement was budgeted in the 2012/2013 budget. The budgeted amount was $5,250 and the replacement was purchased for $5,396.83.

Additional Business: None.

Adjourn: At 7:30 p.m. Craig Lamkin made a motion to adjourn the July 2, 2012 Board meeting. Kelley Stewart seconded the motion. All were in favor. Motion carried.

**COME ON OUT FOR A SPECIAL EXPERIENCE!**
Texas Hold’em at the Lodge is held every Wednesday and Friday nights starting at 7 p.m. at the Lodge. It’s free to homeowners, family and friends. Come join us. We have prizes at the end of each month. Most of the players show up early for dinner at the Lodge and play after. Not only is the food great, if you buy dinner at the Lodge you’ll also get extra chips for poker. It’s a great way to get out of the house, meet good people from your community and not spend a whole lot of money. We have a good solid group of players who are always looking to meet new people willing to learn how to play Texas Hold’em.

In June, we averaged 37 people each game night and had quite a few old friends dropping in that we have not seen in a while. The first game of the month was on June 1. Thirty-six players were seated and playing at 7 p.m. The first table was split up well before the first break and the rest of the night was fast paced. The final table was seated at 9:20 p.m. with 9 players. In the end B.R. Clements beat out Allene Johnson for 1st place after almost 20 minutes of one-on-one play. June 6 we had a turnout of 37 players. About half an hour after the first break we had 12 players all go out within three minutes of each other. We went from 4 tables to two without a pause. In the end, Dany Valenzuela and Paul Liscom went head to head with Paul taking 1st place. Due to the Kapers golf tournament, the Texas Hold’em game on June 8 was moved to the water department and the score was not counted towards the end of the month totals. Out of 28 players who joined us, Jan Dalton took 1st place with Jim Lewis in 2nd place. On June 13 we had a great turnout of nearly 50 players. Dany Valenzuela beat out Leslie Tomich for 1st place after only 2 hands of one on one. At the game on June 15 we had 35 players in the room at 7 p.m. We had two players join us later. After about 10 hands of one on one, D. Noble won 1st place over Dorothy Basket with a close enough hand that we all had to take a second look. On June 20 we had a great birthday cake and a pretty good turnout. As players went out a side game started that lasted until we had our final table. Brant Buck managed to beat out Jeremy Sparkman for 1st place after 20 minutes of head-to-head play. Then on June 22 out of 38 players, we had Marcy Titus, Randy Howell and John Burks end up in the final hand of the night. John Burks took first place and the game ended well before 10 p.m. June 27 was truly the night of 4-of-a-kinds. We had at least six 4-of-a-kind hands pulled that night. At the final table we had Jim Mead, Pat Mead, Jan Dalton and Bill Dalton as the final 4 players. It really was the battle of the couples there for a while. The Daltons finally ended up as the final two with Bill Dalton taking 1st place. On June 29 we had our end-of-the-month tournament. Out of 40 players, Billy Woods took 2nd place and Dot Heerema took 1st place. Our top-scoring players for the month are Diane Waldon in 3rd place, Paul Liscom in 2nd place and Dany Valenzuela taking 1st place after a well-played month. Congratulations to all our winning players!
