The Lake Kiowa Property Owners Association annual meeting will be held Saturday, March 9, 2013 at 7 p.m. in the Assembly Room at the Lodge. We encourage you to mark this date on your calendar and plan to attend this once-a-year event. The results of the February election for new board members will be announced at that time.

Wayne Shearer, Chair, announced that the Nominating Committee has selected six candidates for election to fill the three vacancies on the Lake Kiowa Board of Directors. Three will be elected for three-year terms. The candidates are (alphabetically): Deke Alexander, Al Arronté, Gary O’Dell, Leslie Tomich, Bill Turner and Billy Woods. Additional qualified members have until Jan. 15 to submit their names. Wayne also thanked everyone who had submitted a nomination form. According to the by-laws, the procedures for electing directors are as follows:

6.03 Procedures for Electing Directors.

[a] Nominations for the Board of Directors must be submitted to the Nominating Committee no later than November 15 of each year. The committee will select the best qualified applicants and publish their names in the January issue of Association publication, or include them with members’ monthly statement.

[b] Thereafter, nominations may be made by the membership at large by submitting the names and qualifications of such nominees to the Election Committee, accompanied by: (1) a statement signed by the nominee that he or she will accept the nomination and serve if elected, and (2) the written endorsement of at least fifty (50) members in good standing. Such additional nominees also must be members in good standing, and all the Election Committee must receive documents no later than January 15, in order to qualify, have information published in the Association publication and be placed on the ballot.

[c] Thenames, qualifications and pictures of all nominees will be placed in the February issue of the Association publication mailed to all members.

[d] Ballots shall be mailed to all members no later than February 1st.

[e] All voting shall cease on March 1st and all ballots post-marked or received in the Association office on or before said date, shall be acted upon by the Election Committee in accordance with 6.01[c]. The nominees receiving the largest number of votes shall be deemed elected. In the event of a tie, the affected nominees will draw for position in the presence of the Election Committee.

In addition to Chair Wayne Shearer, Linda Fite, La Vonne Jucha, Jim Lewis and Jerry Slater comprised the Nominating Committee.

**BALLOT POSITIONS FOR LKPOA BOARD OF DIRECTOR NOMINEES**

The nominees for election to the LKPOA Board of Directors attended the Dec. 17 open Board meeting. Nominating Committee Chairman Wayne Shearer introduced each nominee to those attending this meeting and supervised the drawing for ballot position. The results were: 1 – Bill Turner; 2 – Leslie Tomich; 3 – Deke Alexander; 4 – Al Arronte; 5 – Billy Woods; and 6 – Gary O’Dell.

Here we are now at the start of a new year that offers us many opportunities to succeed. The fire season is now upon us requiring firefighters and residents of Lake Kiowa to be on heightened alert for the threat of wildfires. Each year, wildfires consume hundreds of homes in what is known as the wildland/urban interface.

The LKPOA has taken steps to help protect the residents of Lake Kiowa with the introduction of the Firewise program. Based on our efforts in the spring and fall cleanups, along with the work our Firewise Committee members have done, Lake Kiowa has been recognized as the 54th Firewise Community in Texas.

Working together with Cooke County Fire Marshall Ray Fletcher and Chief Bob Pistor of the Indian Creek Volunteer Fire Department and the Firewise Committee, we will continue to provide information, support and programs to improve the safety of our residents.

In the event of an emergency evacuation, it is important for the first responders to know if you will need assistance to evacuate. Informing our Security Department in advance that you will need special assistance to evacuate will help the first responders to insure that no one is left behind.

Please review the “Ready, Set, Go!” link on the Lake Kiowa Web site for more information on preparing for an emergency.

With that in mind, I would like to thank the volunteers who have completed the Emergency Care Attendant (ECA) training. As stated in the past, the vast majority of 9-1-1 calls are for medical assistance. In response to that demand, Lake Kiowa now has 13 Emergency Care Attendants and 3 Paramedics working in the Indian Creek Volunteer Fire Department and Lake Kiowa Security to provide care when called for the residents of Lake Kiowa and the Indian Creek Fire District. These individuals spent countless hours in class away from their families studying while holding down their regular jobs to provide this much-needed service for our community.

That’s it for now. As is always the case, if you have any questions, comments or concerns, please let me know by calling the LKPOA Office at (940) 665-1055, or e-mail me at communitymanager@lkpoa.org.

Thanks,
Randy

Carlos Landin accepts Employee of the Month award from Randy.

Carlos Landin joined the Golf Course staff in March 2012. He relocated here from Arizona, having worked at several high-end courses there for 12 years. When a vacancy occurred in June for the Head Mechanic’s position, Carlos was promoted and has done an excellent job in both upgrading the shop operation and improving our preventative maintenance program. He is a team player and works well with everyone in our department. Congratulations on a job well done!

Besides his many duties as community manager, Randy is also a volunteer fireman and mentors students at local schools.

Tina and Brad Hall will be playing in the dining room at the Lodge for your listening pleasure in January. Watch for dates at the Lodge, on the Lake Kiowa Web site and the gate signs.

Dear Kiowa “Family,”

Words cannot express our gratitude for the outpouring of concern during my recent hospitalization. “Family” defines our community—each person unique, using their talents, sharing and helping one another in good and difficult times! Your encouragement and prayers were greatly appreciated. We wish all of you a Happy and Healthy NEW YEAR!

Mary and Bob Bingham

Dear Lake Kiowa neighbors and friends,

Words cannot express how thankful I am to all of you for your expressions of sympathy on the sudden loss of Dale on Nov. 15. Our new response team was very professional and immediate. I was thankful they were here to help me. The cards with the kind words of encouragement, the food, the calls and especially the prayers—I can’t imagine being anywhere else at a time like this.

May God bless each of you, as he has blessed me with this amazing community of support.

Warmly,

Barbara Mock and family

Nancy Mountcastle with the Gainesville State School Clothes Closet wants to express her gratitude to all of the great Kiowa people who have put new and gently-used dress shoes, packages of men’s small or medium boxers and white socks on her front porch.

Because of Kiowa’s extraordinary help, the Clothes Closet has been able to keep going for four years, and nearly 500 young men have been sent out with their bags and clothes into the “free,” as they call it, to start new chapters in their lives.

As always, Nancy will appreciate whatever you leave on her porch at 213 Navajo Tr. W. or just call (940) 612-2811 and she will pick up your donation.

This is a letter sent in gratitude to Joe Rider, our dedicated Volunteer Fire Chief and his crew for many years of service. The Lake Kiowa Volunteer Fire Department’s contract has recently been cancelled.

Dear Joe,

Mary and I, and all our family, wish to express to you our sincere thanks for all your help to us and many of our Lake Kiowa friends down through the years.

During the year and a half when my sister, Vera Linn was dying with cancer, you and other members of the Lake Kiowa Volunteer Fire Department could always be depended upon to provide any services and Hospital equipment needed without cost to the family.

Some years later when our eldest daughter, Gayle, lay dying with cancer, you and the others involved in the Volunteer Fire Department were still providing service and equipment. You were there by Mary’s side as Gayle died and helped her to call the necessary agencies that we would need.

Then Our great grandson came to live with us bringing all his issues with him. Whenever he was in need, day or night, you were there, helping to save his life and give him confidence. He still trusts Mr. Joe more than anyone. Although he is an adult now and has left Lake Kiowa, He still counts on you as a friend. Thank you for that, Joe.

Also, for the first Ten years you served as a Volunteer Fire Fighter and then the next 20 years you served as Chief of the Lake Kiowa Volunteer Fire Dept., you always made sure your crew was well trained in Fire Fighting as well as Life Saving and that they were all Certified. Never once was there any problem with the State of Texas Licensing or Certification or any other officials. Depending on Donations to help pay for Fire Fighting Equipment and Fire Fighter’s equipment you seldom had enough for the expenses. All these years, you all worked together to repair Donated things to sell and had Sales almost monthly to have enough to pay expenses—a lot of work over the years. But I guess that is what Ex U.S. Marines do; they just keep on serving.

I have always heard that “No good deed goes unpunished” but I thought that maybe hundreds and hundreds of good deeds over a thirty year period might be an exception. I guess I was just naive.

My family and a great many other families are going to miss you.

Mary and I wish there was some way we could really show our appreciation for your over 30 years of Services to the people here at Lake Kiowa and Cooke County. For all the lives you have touched and all those you have helped, we thank you, Joe. You will never be replaced in our hearts and minds.

The Christmas Party Quilt Bee gathered on Dec. 3 at the home of Donna Engels for an enjoyable evening of food, chatting, and showing of our “Challenge Quilts” that we have been working on during 2012. Towana Stafford brought us up to date on some of our members that were not able to meet with us due to physical or family illnesses. Our thoughts and prayers go out to those who were unable to attend.

There were at least 30 members in attendance so there was lots of food to share and news to catch up on. The 2012 Challenge was for each member to make a small or miniature quilt which began with a batik fat quarter that was drawn at the beginning of the year. There were many real works of art and fine craftsmanship on display. A few members didn’t get their Challenge finished or brought other quilts that they have been working on.

Pictures of the most interesting and challenging quilts and mini-quilts are pictured with their information.

Our January Bee will meet on Jan. 7 in the Lodge at 7 p.m. There will also be a Quilt Workday on Jan. 16 from 9 a.m. to 5 p.m. when we will meet in the Lodge for a day of quilting, helping each other, and sharing advice and knowledge.

SECURE YOUR WINDOWS 8 COMPUTER

Q. I’ve found some of my favorite programs in your Security Center. However, I’m about to upgrade my computers to Windows 8 and will need to protect it. Is there security software specifically built for Windows 8? Will I have to find all new programs?

-Bryan, from Lynchburg, VA, listens to my national radio show on WLNI 1390 AM.

A. I’m so glad you’re thinking about your computer’s safety, Bryan! That’s the first step to putting hackers out of business.

Of course, there are plenty of other things to think about before upgrading to 8, but security is one of Windows 8’s biggest perks.

On its own, Windows 8 is more secure than any previous version of Windows. Plus, it takes hackers a while to figure out the inner workings of a new operating system.

Upgrading isn’t the only thing you need to do, though. Security software is the backbone of any computer security setup. And anti-virus software is very different in Windows 8.

The biggest change is that Windows 8 comes with security software already installed. Just go to your Control Panel (the easiest way in Windows 8 is to hit Windows Key + X) and go to System and Security>>Action Center.

Spyware, virus protection and a firewall should be automatically turned on. If not, activate them. There’s even a “SmartScreen” that helps protect you from downloading malicious apps.

However, I still recommend you find different software. Hackers tailor attacks to the default options in Windows. It will only be a matter of time before they find a security flaw and infect thousands of PCs.

Third-party security apps are usually safer. Developers can react faster to exploits because security is their only focus. Many of the programs you’re used to will still work after your upgrade.

You can use Microsoft’s compatibility scanner to double check. Three of my favorite downloads - Avast!, Spybot Search & Destroy and the super-charged MalwareBytes - can all make the jump.

According to Microsoft’s compatibility checker, many firewalls won’t work in Windows 8. However, ZoneAlarm just released a new version made for Windows 8. Whether you choose it or stick with 8’s default firewall, just make sure you don’t have both running at the same time.

The last step to securing your surfing is picking your browser. Internet Explorer 10 is safer than ever, but you may want to look elsewhere.

Like I said before, security isn’t all you have to think about. The Windows 8 interface is quite a jump from previous versions. You can make it more like Windows 7, but it’s good to know how to use the default interface as well.

That’s why I wrote my Windows 8 Quick Start Guide. It walks you through using Windows 8 so you’ll be a pro in no time.

Some security tips stay the same no matter what operating system you use. Here are three helpful Internet safety reminders: 1) No matter how safely you surf online, a bad egg nearby could ruin your hard work! Protect your Wi-Fi from lurkers; 2) filtering software is one of the most important security measures for the family computer; 3) Security software won’t protect your browsing from someone watching you.

Lake Kiowa Chapel News

The Lake Kiowa Chapel would like to welcome everyone at Lake Kiowa to services on Sunday morning. These services are held in the Assembly Room of the Lodge from 8 to 8:30 a.m. Rev. John Hare and Rev. J. Ray Smith are the pastors delivering their messages on alternate Sunday mornings.

The December Quarterly Meeting and potluck of the Lake Kiowa Chapel was held at the Lodge on Monday, Dec. 10 with 60 members attending and enjoying a delicious assortment of food and a program of Christmas music by Glenn Wilson and the choir. During the business portion of the meeting, appreciation was expressed from VISTO for the generous donations of our members to their Backpack Buddies program. It was decided to increase the amount that we should donate to our new ICVFD. A Kiwanis member also noted two specific families in the Callisburg school system that are in extreme need of assistance. It was decided that a discretionary fund be established that may be maintained to help any needy family that Kiwanis may identify and determine their particular needs.

Rev. J. Ray Smith will be the pastor and deliver messages on Jan. 6 and 20. The titles of his sermons with the texts were not available at the time of printing.

Rev. Hare will be our pastor on Jan. 13 with his message entitled “Waiting” and text from Luke 2:22-40. The title of Rev. Hare’s message on Jan. 27 will be “Holiness in the Huddle” with text from Mark 2:21-28.

Chapel Choir sings for the service on the third Sunday of every month. The choir practices on Monday mornings in the Lodge at 8 a.m. They welcome anyone that enjoys singing to join them and add to the joyful noise on this particular Sunday of each month.

VISTO is the recipient of food contributed to the box in the entry to the Lodge. All packaged groceries are appreciated, but VISTO will make very good use of monetary donations as well. Buddy pack items for the many children who do not have a supportive home environment, i.e. weekends, are also greatly needed. You may sponsor a child for the school year for $125 and this child will receive a backpack of nourishment every weekend. A dollar spent by VISTO goes much further than your individual grocery dollars, so consider a check made out to VISTO and sent to P.O. Box 607, Gainesville, TX 76241.

The Lake Kiowa Chapel meets every Sunday morning from 8 to 8:30 a.m. in the Lodge. This is an interdenominational service that may precede your regular church service or a round of golf. Casual dress is always welcome. Please come and share this time with your friends and neighbors on Sunday morning at 8 a.m.

**ICVFD AUXILIARY NEWS**

The Indian Creek Volunteer Fire Department (ICVFD) Auxiliary has been busy compiling the mailing addresses of the residents of the Indian Creek Fire District for future notification mailings. We will soon send a membership form for the Auxiliary to all the residents within the fire district. As a convenience, we also include the form as a flyer in this month’s edition of the CommuniQué. Please fill out the membership form and mail it to 236 Navajo Tr. W., Lake Kiowa TX 76240. By joining the Auxiliary for $15 per year per household, you will help us get the word out and ensure the continuation of our ICVFD fundraising efforts. In the future, we will hold a membership drive every January.

The nonprofit status for our 501(c)3 filing with the state has been completed, so all of your donations to the Fire Department or the Auxiliary are tax deductible. All monies raised by the Auxiliary will benefit the ICVFD.

We are now planning our next big fundraising effort for the ICVFD in the spring. We will need everyone’s help. Please indicate on the membership form if you can assist in any way.

Whether it is making calls, donating time or providing ideas, we need your support. Right now, our firefighters are in dire need of a 4X4 brush or grass truck, so that is our next major goal. Our firefighters are searching for available used or new brush trucks.

The ICVFD also needs to get our tanker or tender painted. The tanker was given to us by the Valley View Fire Department and has been retrofitted to suit our specific needs at no cost by Oilfield Equipment Sales located at 5302 FM 902. This company has donated a lot of material and time to make our tender functional. A paint job, lights and a siren, along with a modified control panel and a few other changes should make this truck fit for service. All of these things cost money, so the Auxiliary has its work cut out for itself this year.

The next meeting of the Auxiliary will be held at the Lodge on Tuesday, Jan. 15 at 6:30 p.m. Sam Moore will be making a presentation on how to keep our property safe during this dry, dangerous season utilizing FIREWISE. Come learn how to be FIREWISE, what else is going on with the department and how you can help your new fire department.

**SANTA VISITS HOMES IN KIOWA**

Dec. 15 and 16 Santa visited some special little girls and boys arriving not with his reindeer, but in the fire engine! For a donation to the ICVFD, residents arranged a visit for Santa to come to their homes where pictures were taken of the children telling Santa exactly what they wanted for Christmas. Their eyes lit up as they saw Santa and most of the children walked Santa back out to his fire truck. Some even sat in the fire truck. A special Thanks to Randy Schmaltz, Scott Blackwell and Amy Mohan.

INIAN CREEK FIRE DEPARTMENT NEWS

Since I was introduced to you in the last CommuniQué, your Fire Department has been very busy.

The volunteer firefighters have elected three firefighters to be officers of the fire department to assist me. Bryan Buchanan is the Assistant Chief, Ben Hatton is Captain in charge of training and EMS, and Mark Bitsche is Lieutenant in charge of EMS scheduling. Mark’s job is to ensure we have firefighters available to respond to all EMS calls.

Assistant Chief Buchanan had previously applied for a grant from the Texas Forest Service to purchase fire protection clothing known as bunker gear. We were awarded a grant for $18,000. We will be purchasing fifteen sets of wildland fire bunker gear and five sets of structure bunker gear. Our firefighters will be able to fight the wildland fires safer and more comfortably than at present. We are now using used structure gear that is too bulky to fight wildland type fires.

The fire board has approved the purchase of a program to enter all our calls for service into a computer. We will now be sending all our reports to NFIRS, we will be eligible to apply for all Federal fire grants. The board also has approved purchasing needed fire and EMS equipment so that we can do a better job assisting our citizens with their emergencies.

Your firefighters completed their EMS training on Dec. 19. They will also complete their fire training in February 2013. They and their wives will be glad to see this phase of their training completed.

The department’s officers and firefighters want to thank all of you who have made donations to the fire department. We also want to thank the Auxiliary for the work that they are doing to receive more donations. We wish to thank the Board of Directors for the many hours of time that they all have given to the fire department. Without all the people that have joined the fire department, we could not do our job to protect you.

Of the 19 calls for service the department responded to between Nov. 11 and Dec. 15, six incidents were inside Lake Kiowa and thirteen were in the rest of the fire district.

I hope everyone had a Merry Christmas and will have a Happy New Year.

Bob Pistor, Chief
SANTA’S ON HIS WAY

Thanks to your attendance at the Kiwanis Club of Lake Kiowa’s fundraising events throughout the year, Santa visited many, many needy children at the Callisburg Elementary School and families at Lake Kiowa. It is our privilege to provide food baskets, toys, books and clothes, plus many other wished-for items during this wonderful holiday season. This help would not be possible without the support of this wonderful, giving community.

Special thanks go out to the Lake Kiowa Chapel for its generosity, and to the Lake Kiowa MGA and Scott Wakeford for their $545 donation. There also were many anonymous angels who give of their time, labor and funds to help us when needed. We mustn’t forget all of you who faithfully recycle your aluminum cans at our trailers. This provides us with funds to support those who so sorely need our help. It truly is better to give than to receive.

The Kiwanis Christmas party resulted in an overflowing table of gifts for needy children at Callisburg Elementary School. Thanks, everyone!

If you would like to get in on the fun, come join us. As an interesting note, President Franklin Delano Roosevelt was a Kiwanian. We meet the first and third Thursday of each month at the Lodge for a dinner meeting at 6:30 p.m. Please contact any Kiwanis member for more information or call: Bill Richey, Secretary, (940) 668-8118; Jim Kelley, (760) 533-3355; or Mike Pulec, (940) 612-2222. See you there.

Former Lieutenant Governor Leftwich welcomes new members Rick and Kathy Ramsey to the Lake Kiowa Kiwanis Club.

2012 Past President Maria Resendis presents joint Kiwanians of the Year honors to Gary James (L) and LeRoy Becker. Congratulations to you both for your outstanding support of all Kiwanis projects.

Happy New Year!!! The first meeting of Kiowa Woman’s Club is January 10, 2013 at 10:30 a.m. with social time at 10 a.m. We will be celebrating “Sandy Toes & Salty Kisses.” Please come and join us as we welcome back Dave Tanner with “Wonderful Women of Broadway.” He always has something new for us to listen to and sing-a-long. For more information, please see Sharon Clement’s article.

A big THANK YOU goes out to the Tour of Homes participants. I especially want to thank the people that opened their beautiful homes for the Kiowa Woman’s Club Tour of Homes. This is one of the club’s big fund-raising events and we appreciated everyone who came out and supported it. I think the weather had something to do with the crowds, because it was such a beautiful day. Special thanks go to Committee Chair Cathy Wilson and her committee for a great job. Money raised from this event helps to support the KWC activities and our community.

We had a number of events in December. The Bridge and Canasta party Dec. 1 was a smash hit and decorated. Driving around Kiowa at night is so beautiful with all the homes lit up with holiday cheer. It is such a joy.

Moving on into January with all the KWC activities. Arts & Crafts meets on Tuesday, Jan. 1 in the Southwest Room in the Lodge at 10 a.m. If you attend, you will be making an initial wall plaque. Call Sharon Clements at (940) 395-2487 if you are interested and did not sign up at the December KWC meeting. Garden & Nature will be meeting on Jan. 8 at Anita House’s home, 101 Pontiac CV. E. The speaker will be Patrick Dickinson and the topic is “Plant Selection for Water Conservation.” The social time starts at 9:30 a.m. and the meeting is at 10 a.m. Canasta also starts on Jan. 8 at 12:45 p.m. in the Southwest Room of the Lodge and players will again meet Jan. 22. On Jan. 15, each gourmet group will do their own thing. Bridge Tournament II starts Jan. 17 at 12:30 p.m. in the Lodge. The ladies usually gather for lunch first. Bible Study will be held at Glenda Hayes Page’s home, 1220 Kiowa Dr. E. on January 22 at 10 a.m. Glenda will be telling us about Abigail, sister of King David. Book Review will be Friday, Feb. 1 at 107 Navajo Tr. W., the home of Peggy Padgham, with Maurice Irish as the reviewer. KWC members may attend any or all of the above events. If you are not a member or would like to renew your membership, please contact Laverne Bialas at (214) 957-7936.

The Candidates Forum is scheduled for Sunday, Jan. 20 at 6:30 p.m. at the Lodge. Everyone is invited to attend and meet the candidates running for the open positions on the Lake Kiowa Property Owners Association Board of Directors. For additional information, contact Committee Chair Pat Jessee.

The members of the Kiowa Woman’s Club Executive Board wish everyone a Happy and Healthy New Year.

Sharon Wolek

January Program

Dave Tanner, a favorite entertainer of KWC, will be presenting “Wonderful Women of Broadway,” a new program that he’s just added to his repertoire. Come and see if your favorite women of the stage are the ones he has chosen. What a delightful way to start a New Year.
Sharon Clements

Lake Kiowa Woman’s Club Candidates Forum

Lake Kiowa Woman’s Club urges you to attend the annual Candidates Forum, Sunday, Jan. 20, 6:30 p.m. at the Lodge. You will have the opportunity to meet the candidates for the LKPOA Board of Directors, learn about their lives and hear their views on relevant issues regarding our community.
Candidates will respond to questions that have been submitted by property owners. Place your questions in boxes that have been set up in the Lodge and that have been submitted by property owners. You will have the opportunity to meet the candidates at the Lodge. You will have the opportunity to meet the candidates at the Lodge.

For those attending the Forum, there will be a drawing for four $25 gift certificates for dining at the Lodge.
It is important to attend and hear each candidate’s vision for Lake Kiowa.

Our holiday mood continued from our Christmas tree trimming in November to the December Arts & Crafts led by none other than Jackie Gary, the “Lake Kiowa Jewelry Guru.” Jackie instructed 15 ladies on how to create very festive cookbook bookmarks. These culinary page keepers will make great gifts or maybe, just maybe, will be found in the kitchens of some of our crafters.

The day was capped off with a great lunch that everyone thoroughly enjoyed. Then the dessert was served, and what a dessert it was, an English Trifle with fresh fruit topped with whipped cream! What a way to finish off a grand day.

The other momentous event during our craft was the neck-and-neck race to see who finished last, this being the battle between Sharon Smith and, you guessed it, BK. And the winner (or should I say loser) was again BK. Her mantle was lonely for the timer so it is now back home.

Jackie Gary led the instruction of creating bejeweled bookmarks for December’s craft at the Lodge. Many members were making gifts and some will keep their creations for themselves.

The Lake Kiowa Woman’s Club Bridge and Canasta departments had their Christmas party at the Lodge on Saturday, Dec. 1. Everyone enjoyed Bloody Marys and Mimosas followed by a beautiful buffet brunch. The fun was evident in the Southwest Room and the restaurant where bridge and canasta were played.

The bridge winners were: first - Jacque Wagborne; second - Louella McAnelly; third - Joyce Truitt-Surlow; fourth - Dorothy Basket and fifth - Sharon Smith. Achieving the lowest score for the entire day and therefore was Gussie Utting. As usual, the Christmas party was a fun event.

Well, here we are in January. Compared to December, we have nothing to do for two months, unless you are a gardener. For us, this is the season of “Dream and Scheme.”

The Lake Kiowa Woman’s Club Bridge Department is offering bridge lessons for interested bridge players. These classes will begin again on Thursday, January 17, 2013 at 9:30 a.m. until 11:30 a.m. We are requesting that those interested register in advance by calling Jan Thompson at (940) 665-6651 or me at (940) 665-4294. In order to better accommodate players, we need confirmation of the number of people planning to attend.

scheme how to achieve your goal. As for the dreaming, your sources of inspiration are limitless. You might start with seed catalogs. For many generations before us, this was the single most popular source for the dream. Whether you prefer the feel of glossy pages in your hands or the convenience of online resources, here are a few companies that come highly recommended.

Burpee Seeds, the largest American seed company specializing in the home garden, needs no introduction to the plant lover. Burpee has recently begun to reintroduce heirloom vegetables. They offer vegetables, flowers, perennials and herbs in both plants and seeds. The online address is www.burpee.com and the phone number is (800) 396-9238. For further help with your dream garden, we hope that you will join us at our Jan. 8 meeting at the home of Anita House, 101 Pontiac Cv. E. Hello Folks. I want to recognize and thank everyone who helped to make the Kiowa Woman’s Club Tour of Homes a huge success.

We were treated with wonderful, unique homes that had flair and style all their own. For the use of their beautiful homes, I give my heartfelt THANK YOU to Mark and Carole Bitsche, Scott and Sharon Catlett, Steve and Terry Johnson, Brent and Susan Langley, Don and Karen McCann, and Mike and Terri Pulec. You helped make this Tour fantastic.

Tour day would not have run so smoothly without my hostesses and tour guides. My sincere gratitude goes to all of you for your help and willingness to be part of this great event. Great job, ladies! I’d like to acknowledge you all:

- Anita House, Jennifer Monda and Donna Chapman, Brenda Fairbanks, (hostess), Betty Becker, Cheryl Canup, Linda Slater;
- Dorsch, Jan Neal, Sally Poker and Brindle, Sharon Clements, Joanne and Terry Johnson (hostesses), Lori Norman and Kathy Reed;
- Sharon Hey, Judy Hughes, Fran Thompson and Leslie Tomich;
- Catlett home – Dany Valenzuela (hostess), Linda Cooke, Vickie Jackson, Becky Knox, Janice Ritchie, Katherine Thacker, Jan Thies, Denise Thompson and Leslie Tomich;
- Catlett home – Dany Valenzuela (hostess), Marsha Day, Willa Hawke, Sharon Hey, Judy Hughes, Fran Norman and Kathy Reed;
- Johnson home – Margaret Carter and Terry Johnson (hostesses), Lori Brindle, Sharon Clements, Joanne Dorsch, Jan Neal, Sally Poker and Linda Slater;
- Langley home – April Wakeford (hostess), Betty Becker, Cheryl Canup, Donna Chapman, Brenda Fairbanks, Anita House, Jennifer Monda and Sharon Wolek;
- McCann home – Rita Buford (hostess), Anita Hughes, Maurice Irish, Kathie Milburn, Myrtle Mae Mullins, Judy Nehib and Jane Phillips;
- Pulec home – Nona Tipps (hostess), Carolyn Akin, Laverne Bialas, Karen Brewton, Julie Minter, Danette Morrison, Janet Perpich, Janie Street and Marcy Titus.

I am grateful to First State Bank, NASCOGA Federal Credit Union, J.B. Cole Insurance Company, the Lake Kiowa POA Office and the Kiowa Lodge office for making sure we had enough shoe covers so that none of the beautiful homes would suffer any damage from foot traffic. My thanks go to Ronnie Young at the Lake Kiowa Special Utility District office for selling tickets to the event. Thanks, folks, for doing such a good job.

Special thanks go out to Ms. Gayla Blanton at North Texas Medical Center, who orchestrated the hospital’s donation of a most generous supply of shoe covers so that none of the beautiful homes would suffer any damage from foot traffic. My thanks go to Ronnie Young at the Lake Kiowa Special Utility District office for making sure we had enough copies of maps for each home.

Thank you, Becky Branham, for creating such beautiful homeowner gifts. They were delighted with them, and I know the homeowners will always remember this tour whenever they use them.

A very special thank you goes to Gerri Williams, who helped with the penguin artwork, even though her world was topsy-turvy during that time. Gerri, your time and efforts mean so much to me.

A wonderful treat for our team was the loan of a penguin collection used for decorating the Lodge for the Homeowners Social. Thank you, Shirley Green, for delivering all those wonderful penguins. We also had a penguin donated by Sharon Clements, who actually let ‘Happy Feet’ leave his rocking chair for our event. Thanks, Sharon.

I’d like to thank Ladina and all the staff at the Lodge who helped with all my requests. You made sure everything I wanted was carried out. Nicely done!

I want to thank the staff of the CommuniQué for all its help. They guided me through uncharted waters and saw to it that my articles were a big splash!

And last, but certainly not least, many thanks go to Sharon Wolek, KWC President, for all the guidance and support she gave me through this project. Thanks for being so helpful, Sharon.

If I’ve unwittingly failed to mention anyone who helped on this huge project, please accept my thank you now.

As you can see, it takes a lot of people to accomplish something as big as the Tour of Homes. Months of planning and work came to fruition Dec. 2 with a GREAT TOUR. My sincere thanks to everyone!

Canasta play continues!!!! Our winners for Nov. 27 with six tables of play were: Anita House (1st), Fran Norman (2nd), Nancy Jones (3rd), Katherine Thacker (4th), April Wakeford (5th) and Janie Street (6th).

The December Bridge/Canasta Christmas Brunch was a wonderful success. The food, service and friendship were all excellent. With nine tables of play, we paid the top scoring nine winners, as follows: Dany Valenzuela (1st), Anita House (2nd), Diane Waldon (3rd), Fran Norman (4th), LaNelle Little (5th), Nancy Anderson (6th), Sharon Wolek (7th), Joanne Moreau (8th) and Mary Wood (9th). What a wonderful event it was to “kick-off” the Christmas season!

Dec. 11 was our last game for 2012. The winners from the five tables of play were: Dany Valenzuela (1st), Laverne Bialas (2nd), Sharon Wolek (3rd), Kerlene Ross (4th) and LaNelle Little (5th).

Canasta will start up again Jan. 8. We play every second and fourth Tuesday of the month at the Lodge. Lessons are held from noon to 1 p.m. each day we play and are open to all members of the Kiowa Woman’s Club. Sign-up for play ends at 12:45 p.m. to give us time to draw for table assignments. This way, you never know with whom you will be playing, which makes the game so much more fun and exciting. Come join us!!!!

Happy New Year to all,
2012 LAKE KIOWA RALLY FOR THE CURE® RAISES $44,600

Lake Kiowa’s Rally for the Cure® events for 2012 included a fabulous Girls’ Night Out in September and the men’s and women’s golf tournaments in October. Raffle items, hole sponsorships, yard signs and “Change a Woman’s Life” coin jars were additional ways that we raised funds. The final total sent to Rally HQ and Susan G. Komen for cancer research was $44,600.

Thank you to all Lake Kiowa residents and the Gainesville business community who supported us. We couldn’t have done it without you!

These days, investments don’t seem to generate a very sure return. Yes, some do better than others, but many eat away at your original investment. Mentoring is one of the best investments you can make. The time and energy you pour into a young man or lady will bring you profitable returns when you see that smile as they spot you down the hall or you hear how they succeeded in a subject they thought they would never understand. Sometimes returns take time and persistence, but they come. Mentoring builds confidence and self esteem; it encourages and emboldens.

Project Turning Point seeks mentors to place with young men and women who are as young as Kindergarten and as old as 12th grade. Mentors are men and women willing to volunteer just thirty minutes per week some time during a school day. Mentoring takes no special skill, but a willingness to be a friend to a child, week in and week out, during the school year. Summers provide a break for all, but mentees are always excited to see their mentors return the following year.

A typical mentoring session might include some time catching up on the weeks’ events, a quick game of cards or chess, a short time of reading or coloring and maybe even a Frisbee game. It is one time of day when the mentee gets to choose how to invest his or her time. Sometimes that means learning a new skill and sometimes it means just hanging out.

Teachers’ comments last year included, “I feel it’s a terrific program which really benefits students, especially those with low self esteem.” They noted the benefits of Project Turning Point: providing a “constant positive influence,” encouraging “self-confidence,” and giving the student “someone to trust.” One teacher noted that the mentee “returns to the classroom all smiles.”

If you are interested in learning more about mentoring at your local school, please contact me at Project Turning Point at (940) 668-5908 or via email at sykesmaggie@yahoo.com.

The setting for the Dec. 5 WGA General Meeting was very festive with all the holiday decorations in place. The 2013 officers were installed by Mable Samples, who did another creative and interesting presentation for the installation of our new officers by using the items in a golf bag to identify the various positions. The new officers are:

- President - Margaret Dressel; 1st Vice President (Membership); La Vonne Jucha; 2nd Vice President (Ways and Means) - Debra Cochrahn and Gwen Mullins; Secretary - Karen Brewton; Treasurer - Peggy Lewis; Golf Co-Chairpersons - 18 Hole - Judy Neal and Molly Worthen; 9-Hole Chairpersons - Donna Engels, Donna Rehm and Marcy Titus; Reporter - Linda Slater; Past President/Parliamentarian - Margie Nash.

As an ending to 2012, outgoing president Margie Nash was presented a necklace in appreciation for her year as WGA President. Margie thanked all their hard work. It was lots of fun and enjoyed by all.

Our year-ending membership stands at 235. Let’s try to beat that number in 2013. You should have received your 2013 membership forms in your December LKPOA statement. If you sign up quickly and get your form returned by Jan. 31, you will be in the 2013 Lake Kiowa MGA/WGA Directory. This is really a helpful directory as it lists all the golfers, all the events planned for the year, the constitution and by-laws and much, much more information about your golf at Lake Kiowa. You can turn in your membership form to the Pro Shop or mail to Peggy Lewis, our new treasurer for 2013. Treasurer Margaret Dressel reported our ending bank balance as of 11/30/12 was $3,981.04. The Hole-in-One pot balance is $735.

WGA members enjoyed a wonderful evening on Dec. 1 for the annual Christmas Dinner and Dance. Sharon James and her committee of Shirley Falkenhagen, Joy Mann, Janice Richey, Dee Lee and Nancy Bryan planned a fun evening with great music for dancing, and a delicious steak dinner. Door prizes and beautiful decorations created a special holiday feeling. A big thank you goes out to the Christmas Social Committee for all their hard work. It was lots of fun and enjoyed by all.

A few new things are in the works for 2013. A memorial tree in memory of Dr. Mickey Weatherly was approved by the Golf Committee and LKPOA Board. This tree will be planted in honor of Dr. Weatherly between holes #13 and #16.

The MGA is working to improve the wet “approach areas” in front of some of the greens. Nine holes have been identified to have greens that are wet/soggy due to poor design and poor drainage capability. The MGA and Dennis Tocquigny met with the LKPOA Board and received approval to do hole #4. An evaluation as to the success and cost of this hole will determine what will be done with the other holes.

Our next meeting and luncheon are planned for Wednesday, January 9, 2013. We hope to see you there!

MGA General Meeting and Playday
Saturday, December 15

On Saturday, Dec. 15 the Men’s Golf Association (MGA) met at the Lodge for its regular monthly meeting and last meeting for 2012. President Gerald Smith called the meeting to order at 12:30 p.m. followed with the Pledge of Allegiance. The MGA members observed a moment of silence in honor and respect for victims, families, friends and the community of Newtown, Connecticut.

Gerald welcomed everyone to the meeting and mentioned that the MGA has planned a great end of the year event with golf and then dinner and beverages with our spouses following golf.

MGA Members - A very special thanks was extended to all the MGA members for their participation in the MGA monthly meetings and playdays and major golf tournaments in 2012. There were several great MGA golf events in 2012 including the kick-off Spring Kicker, Kapers, Member/Member, and Senior Club Championship along with the monthly playdays with various fun formats. We had some good events and they were successful largely due to: 1) great participation by the MGA membership and 2) a great golf tournament committee and volunteers. The 2012 MGA Golf Tournament Committee consisted of Eddie Woodruff, R.J. Stroup, Gary James and John Seefeldt.

MGA Board in 2012 - Gerald expressed his personal thanks to Bobby Andrews, Joe Dressel, Ted Grant, Gary James, D. Noble, Gary O’Dell, R.J. Stroup, Jay Titus and Eddie Woodruff. Appreciation was also extended to Brown McCrory, Dennis Tocquigny and their staffs for their dedication, commitment and support for MGA golf events.

MGA Board in 2013 – A thanks to the MGA Nominating Committee (Joe Dressel, Ted Grant, Gary O’Dell and Gerald Smith) for their work in putting together a top-notch list of board candidates for 2013. The board candidates (Tom Blackwell, Rod McCutcheon, John Seefeldt, Lonnie Woods and Neil Wright) were presented to the MGA membership. A motion was made and seconded to elect the candidates to the MGA board for 2013. It was unanimous.

MGA Organizational Meeting - Gerald mentioned that an MGA organizational meeting for new board members is scheduled for Monday, Dec. 17 so they can elect the new board officers for 2013. Also, Al Arronte and Bob Wilsford will be appointed to the board and serve the second year of terms left by two board members who will not be able to fill their full term.

MGA Membership Forms for 2013 - Gerald mentioned that MGA Membership Forms were mailed in the December POA statement and encouraged members to complete and return their form for 2013. Please return your membership form and payment ASAP so the information can be included in the 2013 MGA/ MGA Directory.

Advertisers in MGA Directory - The six advertisers in the 2012 directory have renewed their ads for 2013. Much appreciation is given to J.B. Cole, Brent Reed, Randy Andrews, Don Schneider, NASCOGA Credit Union and Brown McCrory for their support of the directory. We really appreciate it.

2013 MGA Tournament Schedule - The MGA tournament schedule for 2013 is final and will be approved by the POA in early January. As soon as it is approved, a copy of the tournament schedule will be sent to the MGA members and posted on the bulletin board.

MGA Donation and Support - The MGA played a closest-to-the-pin contest with all donations going to the Kids of Callisburg. This month, our closest-to-the-pin winner was Jay Titus, who won $100 and returned the money to the MGA so that it could be given to the Kids of Callisburg in mid-December. The MGA donation and support totaled $865 for December. For the months of November and December, the MGA donated more than $1,300 in the closest-to-the-pin contest and all the donations will be provided for the Kids of Callisburg Christmas Fund. Many thanks go to everyone for your generosity and support for the kids in our community.

MGA Dream Team – The standings were reviewed with the members and there are some very close finishers in the various flights. We will send out a list of dream team winners by the end of the year.

MGA Hole-In-One – Jay Titus presented a hole-in-one plaque to Jim Mead. Also, Tommy Pierce made a hole-in-one and his plaque will be presented to him at the next MGA playday.

MGA committees (Financial, Membership, Tournament and Projects) provided updates and reports for the members. (See MGA board minutes for details on page 32).

The MGA had an exceptional December turnout, with 116 MGA golfers playing Rotor’s Revenge, which is by far the toughest format for the year. This is especially true since your team members are randomly selected after your round of play. The winners of the golf event include: 1st: Jim Cicon, Richard Mitcham, John Nash and Louis Carter; 2nd: Bill DeBorde, Tom Nardecchia, D. Noble and Don Frey; 3rd: Fred Inman, Jack Thies, Monte Lacy and Bill Parish; 4th: Jay Thompson, Sheldon Marsh, John Burks and Bill Herring; 5th (four teams tied): Brown McCrory, Jerry Bergeron, Bob Shugart and Jim Magee; Rod McCutcheon, Harold Bosse, William Bradford and Herbie Marchbanks; John Woods, Ward McCain, Billy Woods and Phil Handley; Kyle Kemp, Mark James, Bruce McDonald and Jay Titus.

After our round of golf, players and spouses (180 in total) met in the Assembly Room for a nice dinner (fajita buffet and a variety of beverages) as the winners were announced. We believe everyone had a great time and congratulations go to all the winning teams.

Many thanks to the MGA members who played in the December Playday and we look forward to seeing you on the golf course.

Please mark your calendar for the first 2013 MGA meeting and playday scheduled for Saturday, Jan. 19 with a 12:30 p.m. meeting and 1 p.m. golf.

MGA Board Meeting Minutes for Wednesday, December 12, 2012

President Gerald Smith called the MGA Board meeting to order at 9:02 a.m. In attendance were Joe Dressel, Gary James, Eddie Woodruff, R.J. Stroup, Bobby Andrews, Gerald Smith, Jay Titus and D. Noble. Also in attendance was Golf Pro Brown McCrory.

Golf course report – Started work the week of Dec. 10 to repair approach for wet areas on #4. The work will take approximately one week to complete during which time the hole will be closed to play. This hole should be open by Saturday, Dec. 15 in time for the MGA playday. An evaluation will be made to determine that the work was successful and then repair for certain other holes will follow after Jan. I provided that funds are available.

Brown McCrory – No report other than upcoming Saturday playday.

Old business – None.

New business – President Gerald Smith thanked all MGA board member for a job well done and expressed his gratitude for the time and effort put forth on behalf of the golfers of Lake Kiowa.

The 2013 MGA Board of directors’ candidates will be presented to the membership at the Saturday playday for election. A meeting will be held on Monday evening, Dec. 17 to elect a president and to appoint various positions for 2013.

The printing cost of the MGA directory has gone up during the past few years and the advertisers for 2013 will be informed that the cost of ads will increase to $225. Gerald will be in contact with the six advertisers to determine if they wish to renew for 2013.

There will be a closest-to-the-pin on #13 during the Saturday playday. All donations will be given to the Kids of Callisburg School which will provide Christmas gifts to the children.

The 2013 tournament schedule has been put together and will be on the agenda for the POA approval in early January 2013.

Financial report – Jay Titus reported that all bills have been paid and we are financially sound.

Tourism report – Saturday’s format will be Rotor’s Revenge with the meeting at 12:30 p.m. and tee off at 1 p.m. Eddie Woodruff expressed his thanks to the members of the Golf Tournament Committee and to all board members for a successful year.

Membership report - Bobby Andrews reported that we finished the year with 462 members, with 269 of those being in the hole-in-one club.

Projects report – Joe Dressel had nothing new to report at this time.

Adjournment – The meeting was adjourned at 10 a.m.

DID YOU KNOW…

That each member of your handicap committee undergoes training on the Handicap System and is certified by the USGA? Certification consists of attending a handicap seminar or completing the USGA’s online training program and passing a test on the handicap system. All your handicap committee members have completed one or both of the training programs and are USGA certified. The committee’s responsibility is to ensure that our golf club and that each of us comply with the USGA Handicap System. If you have a question about your handicap or any part of the handicap system, just ask a committee member. While we may not have the answer on the tip of our tongue, we know where to find the answer and we will be happy to research it for you. Your handicap committee consists of Craig Lamkin, Ronny Young, La Vonne Jucha, Mary Schuitt, John Wolek and Brown McCrory. Contact information can be found in the MGA/WGA Directory.

Lake Kiowa Public Information

Have you attended a Board Meeting recently?

Your Lake Kiowa Board of Directors meets twice every month to deal with your community's current affairs. They meet on the first and third Monday evenings at 6 p.m. in the Southwest Room of the Lodge.

On the third Monday the Board continues its meeting at 7 p.m. to inform the general public of current business decisions or conditions that need attention. Reports from the various departments i.e. Maintenance, Security, Lodge, etc. are given. Questions from property owners in attendance are encouraged. The room is set up for a generous audience, but many seats are rarely occupied.

Any resident concerned with the governance of the community should attend these Board Meetings. This will encourage your Board to act in accordance with the desire of the average property owner and help balance their decisions.

Well, another year has passed. The Angler & Conservation Club is looking forward to another great year at Lake Kiowa.

Your club held its December meeting at the 19th Hole this year. As always, the awards for “Angler of the Year” and “Youth Angler of the Year” were presented. As of this writing, the event had not taken place so look for the results and photos in next month’s CommuniQué.

As I reflect back on 2012 and look towards 2013, I am seeing changes coming to our club. As you all know, a dedicated few have worked hard to make our events happen. We have many generous folks who have contributed many hours of their time to help with the Kid’s Fish at Little Fox Pond, Annual Memorial Day Fish Fry, 4th of July, The Harvey Pippen Memorial Tournaments and all of our monthly bass tournaments. Please join with me in thanking all of these individuals who work so hard, giving towards 2013, I am seeing changes coming to our club. Looking at our new year, I feel that there are many opportunities for Lake Kiowa to have the best year of fishing in my twenty years of residency. It is very possible that the lake record could be broken. It also is very possible that we could see 25-lb. stringers at Lake Kiowa. The one other thing that stands out about this club is the fact that we give our youth the chance to know what the outdoors and fishing are all about. Please help us continue to support and teach our youth about the fun of fishing and the great outdoors here at Kiowa. Get outside and enjoy this amazing resource.

Don’t forget that we now are on Facebook. Search Facebook for Lake Kiowa Angler & Conservation Club. Through this media, we are able to upload photos, event schedules, publish tournament results and communicate with all. We hope to see your posts and suggestions there. If you would like to submit photographs of your fishing experiences and or outings send a note or photo to the club via e-mail at lkacc4u@yahoo. com. We can then upload your pictures to the Facebook page.

Thanks for all of your continued support. We are looking forward to a great 2013.

14. If the record is broken at any time, the next prize awarded will return to $100

**Lake Kiowa Fishing Limits**

Bob Lusk, Fisheries Biologist and Lake Management Consultant, made the following fishing limit recommendations. These recommendations have been given careful consideration to keep a thriving ecological habitat for Lake Kiowa. The Angler and Conservation Club has fully endorsed the following fishing guidelines for Lake Kiowa:

**Rainbow Trout:**  5 Per Day, Per Person

**Black Bass:** Keep Black Bass between 10-15 inches; 5 Per Day, Per Person. Release all other Black Bass under 10 inches and over 15 inches. (No Limit.)

**Crappie:** Crappie are removed from the lake only when a 6 fish limit is reached. (No Limit.)

**White Bass:** Otherwise known as Sand Bass. No Limit. Remove all you can.

**Perch:** No Limit.

**Channel Catfish:** Keep fish over 14 inches; No Limit. Release all under 14 inches.

**Drum:** Remove any caught from lake. (No Limit.)

**Carp:** Remove any caught from lake. (No Limit.)

**TROT AND JUG LINES ARE NOT PERMITTED**

Dock owners are encouraged to provide cover for the fish under your docks. Make sure the trees are securely anchored not to interfere with boat traffic. Feed the fish! Dry dog food or pellets especially made for the fish are readily available at feed stores. For questions, feel free to contact Mike Bitsche for specifics.
Cooke County Emergency Management Coordinator Ray Fletcher is pleased to announce the receipt of the first rebate reimbursement check for the Safe Room Grant Program! He stated: “We received a check for $96,273.61 from the Texas Division of Emergency Management to facilitate the reimbursement of half the cost of purchase and installation of a storm shelter for 45 residents of Cooke County.” These residents completed the installation of their shelters by the Oct. 1 deadline and were included in the first quarterly report to the state. Approximately eight more shelters have been completed since then and will be included on the second report to be submitted in January 2013.

One-hundred fifty Cooke County residents were given the initial go-ahead to install a safe room/storm shelter in August of this year. They have until May 31, 2013 to have their installations completed. Those not completed by that deadline will have their approval revoked and lose their opportunity to participate in the program. “We currently have an additional 94 residents on the waiting list and they will be given the places of those not complete by the May, 2013 deadline,” Fletcher said. Those approved to take the unused slots in May of 2013 will have until March of 2014 to complete their installations.

“With the spring severe weather season just around the corner, I hope the remainder of the original 150 get on the ball and get their shelters installed!” Fletcher said.

The Cooke County Safe Room Grant was originally approved in May 2012 and notification received in June of 2012. The original grant is for $450,000 to install a minimum of 150 safe rooms/shelters. Fletcher noted: “At this point, the first round of reimbursements did not use all of the allotted funds so we anticipate being able to do a few more than the 150 initially anticipated. As we get farther into the program, we’ll be able to reallocate any unused funds to allow for more shelter installations.”

To be eligible for the rebate the safe room/shelter and installer must be certified by the NSSA (National Storm Shelter Association) or ATSA (American Tornado Shelter Association). The applicant must own the home, the home cannot be in a flood plain and it must be in Cooke County. The county has a limited amount of funding for the program and will administer applications on a first-come, first-served basis.

Anyone with questions should contact the Cooke County Office of Emergency Management at (940) 668-5400.
SECURITY REPORT  
Nov. 17 - Dec. 13

The transition into the winter season at Lake Kiowa has been rather uneventful weather-wise, but it should be cautioned that ice on the streets and the bridge is not the only driving hazard to watch for. Dense fogs can rapidly develop this time of year, drastically reducing visibility and leaving the roadways damp and, in some locations such as the top of the dam, as slick as ice. When winter precipitation does become a concern, be sure to watch for the activation of the amber beacon atop the Guardhouse. It is used to alert the public to weather-related road closures.

During this reporting period, Security patrol continued to provide traffic control services. Seven stops were recorded for offenses ranging from speeding and reckless driving to parking and traffic sign violations. Citations were issued for Public Intoxication, Reckless Driving and Unauthorized Access. Six motorists were given assistance with their stalled vehicles.

The community reported three incidents of criminal mischief including damage to two golf course flags, tampering with LKPOA Maintenance equipment left at the Campground and a toilet paper wrapping event on Comanche Dr. E. Security patrol performed six welfare checks, responded to two residence alarms, looked for a reported prowler and secured an unlocked door. Two incidents of unauthorized entry, two suspicious vehicles, a golf cart accident and a disturbing the peace complaint were investigated. One party of golfers was confronted for playing on a day that the course was closed.

Animal control activities can be categorized as eleven stray dogs, five barking dogs and five varmint complaints. Two dogs were apprehended and transported to Noah’s Ark after being kept the requisite amount of time. Guardhouse personnel recorded eighteen Indian Creek Volunteer Fire Department page-outs. Security patrol provided four ambulance escorts.

GOLF COURSE UPDATE

1. We will begin the carts on paths only policy on Tuesday, January 1, 2013. We anticipate that at the very minimum, this will be in effect for the months of January and February.
2. The Hole #4 approach renovation will be completed on Friday, Dec. 14. The hole will re-open on Saturday morning, Dec. 15.
3. A herbicide has been applied to all of the greens to eradicate the poa annua that has recently appeared.
4. On behalf of me and my staff, we wish everyone a happy and prosperous holiday season.

LODGE MANAGER REPORT

Business has been the usual here at the Lodge until the first of December. The holidays have arrived and the Christmas parties have begun. We’ve gained the Select Energy group and lost the North Texas Medical Center Christmas Party due to their budget cuts. We hosted Select Energy group on Dec. 8 and are hoping they’ll return next year.

Here is a list of all the Christmas parties for 2012 and the number of guests scheduled to attend: KWC Bridge/Canaesta – 73; WGA Dance – 115; St. Mary’s – 55; Kiwanis – 45; Select Energy – 190; MGA Dinner – 130; Willowbend Assisted Living – 20; Computer Club – 40; Gourmet Club – 150; Bell Supply - 90 (last year 150 attended); Duplicate Bridge – 45; Arts & Crafts – 21; KWC Christmas Lunch – 110.

Amy and the Lodge Staff

PUBLIC WORKS MANAGER REPORT

Public Works has prepared water fountains and other freezeable water supplies for the winter. This will mean no water fountains available on the golf course for the duration of the winter months.

Fall cleanup has been completed and the department would like to thank the community for making this a smooth operation. Approximately sixteen 40-yard dumpsters were used during the cleanup.

PARKS AND LAKE

The lake level is currently at 697.40 elevation, which is down from the normal pool elevation of 700.00.

Work will continue thru the winter months on brush and dead tree removal in the parks and public areas. There have been numerous broken limbs due to the dry weather and winds.

Some work on the banks of the lake also continues to help the erosion.

ROADS AND BRIDGE

Some work along the ditch banks of the roads is also continuing. There will be no further major road projects until the warm weather returns.

The Public Works Department would like to wish everyone a safe and happy Christmas and Holiday Season.

LAKE KIOWA PROPERTY
OWNER'S ASSOCIATION
BOARD OF DIRECTORS
MEETING
November 5, 2012

Call to Order: President Jim Mead called the meeting to order at 6 p.m., November 5, 2012. All board members were present.

Establish a Quorum: A quorum was established.

Approve Minutes: Brent Reed made a motion to accept the October 15, 2012 POA Board Meeting minutes with corrections discussed. Kelley Stewart seconded the motion. All were in favor. Motion carried.

Review Tax Return and Audit - Brent Reed: Copies of the 2012 tax return were provided to all Board members for review/comment. A meeting with DeV olt and Company is scheduled for November 13, 2012 and will be attended by Brent Reed, Jim Mead, Kelley Stewart and Jay Titus.

Architectural Control Committee - Jim Mead: The proposed handbook revisions were discussed by the Board. After discussions a motion was made by Brent Reed to approve the Architectural Control Committee handbook revisions. Leslie Tomich seconded the motion. All were in favor. Motion carried.

Covenants Ballotting - Jim Mead: President Mead thanked Board members for making recommendations for covenants. Kelley Stewart commented. President Mead stated the Architectural Control Committee would review the covenants. Jim Mead seconded the motion. All were in favor. Motion carried.

Manager’s Report by Randy Schmaltz:
1. Semi-Annual Clean-Up: Plan dates a year in advance; so the date of the clean-up should be announced at the end of December 2012 for the clean-up dates for 2013. Reasoning for this suggestion: to allow weekenders to plan for the clean-up.
2. Zebra Mussel Quarantine: It was recommended by the Community Manager that the quarantine be extended to 21 days. A motion was made by Craig Lamkin that the 100th Meridian Initiative quarantine time be extended to 21 days. A motion was made by Brent Reed to accept the offer of $9,000 for the course unused property adjacent to Lot 951. Kelley Stewart seconded the motion. The vote was 6-3 in favor of the motion. Motion carried.
3. Application for Zebra Mussel Quarantine: A motion was made by Jay Titus to defer any consideration and to defer any decision until further research can be done. The motion died for a lack of a second. A motion was made by Brent Reed to accept the offer of $9,000 for the golf course unused property adjacent to Lot 951. Kelley Stewart seconded the motion. The vote was 6-3 in favor of the motion. Motion carried.

External Business: Greg Marishek #1598 presented the Board with two (2) suggestions:
1. Semi-Annual Clean-Up: Plan dates a year in advance; so the date of the clean-up should be announced at the end of December 2012 for the clean-up dates for 2013. Reasoning for this suggestion: to allow weekenders to plan for the clean-up.
2. To post a yield sign on the southbound corner of Pueblo Drive at the East Gate. By placing the sign on the southbound side would not impede traffic coming through the East Gate.
Adjourn: At 8:22 p.m., Kelley Stewart made a motion to adjourn the November 5, 2012 Board meeting. Leslie Tomich seconded the motion. All were in favor. Motion carried.

BOARD OF DIRECTORS
MEETING
November 26, 2012

Call to Order: President Jim Mead called the working session of the LKPOA Board of Director’s to order at 6:02 p.m. in the main assembly room of the Lodge.

Establish a Quorum: A quorum was established. All board members were present except Leslie Tomich and Lou Vander Molen. Community Manager Randy Schmaltz was also present.

Approve Minutes: Brent Reed made a motion to accept the November 5, 2012 LKPOA board meeting minutes after correcting “oplen” to “opinion” in line three of paragraph a. of the Manager’s Report and changing “mad” to “made” in line six of that same paragraph. It was also noted that secretary’s signature block was missing and that the official filed minutes will require the secretary’s signature. After a second by Kelley Stewart the motion passed unanimously.

Enjoy Lake Kiowa Trails...But Be Responsible

Have you put on your walking shoes and headed to the walking path by the dam or to the nature trail by Little Fox looking forward to an enjoyable outing?

Most days both areas provide a refreshing experience as well as a healthy one. But some days your walk may include encountering numerous piles of feces on the trails left by our canine friends.

Let’s all be responsible and clean up after our pets. Supplies are provided for you at the Little Fox trail entrance.

We are fortunate to have these amenities. Let’s keep them clean as we do any other areas we visit.

LKPOA Budget Review: Treasurer Brent Reed presented the October budget review. He reported that we are on budget and noted that while Lodge and Tavern was under projected revenue that was offset by their being under in expenses. He also noted that despite revising projected green fee income down for this budget year we are still under on projected green fee revenue.

Golf Committee: Chairman John Seefeldt presented three recommendations from the golf committee:
1. The Weatherly family has asked to donate a tree to be planted on the golf course in memory of Dr. Mickey Weatherly. The tree will be planted near the flowerbed in the turn-around between the #13 tee and the #16 green and the family is requesting no signage. It was the consensus of the Board to accept this donation.
2. The WGA has asked to donate three trees to be planted near the Red tee boxes on holes #10, 15 and 17. It was the consensus of the Board to accept this donation.
3. A proposal to fix the wet work areas fronts the green on holes #2, 4, 5, 7, 8, 9, 11, 12, and 15 was presented. This work would be done in-house by the golf course staff and would require re-contouring the approaches as well as adding or repairing drainage and possibly reconfiguring irrigation. It is estimated to take about one week per hole at an average cost of $1,000 per hole. Action on this item was tabled pending additional information on funding and scheduling.

Bylaws and Covenants Committee: Following feedback from the Board, Chairman Corky Cohoon presented options on three proposed draft bylaw provisions for the Board’s consideration. It was the consensus of the Board that the following be included in the proposed Bylaw changes that will be sent to the membership for a vote: 1) paragraph 4.06 be changed so that temporary guest cards issued for more than seven days require Board approval; 2) that the wording of paragraph 14.01 adequately clarified who is responsible for notifying the LKPOA upon a change of ownership; and 3) that Resolution 2005-1 which established the ARRF be an attachment to the Bylaws.

Road Committee: Chairman Bud Smith presented the recommendations of the Road Information Committee. The committee was responsible for making recommendations for road maintenance based on the

The POA members are members of point and liaison with the TABC and for our liquor license. The Lodge and Commission (TABC) requirement corporation was formed in the 1970’s. She explained that the conducted the annual meeting of the Lodge and Tavern Corporation (TABC). The resolution codifies a recommendation by our auditors to move after tax proceeds from real estate into the CDRF at the end of each tax year. Treasurer Reed noted the amount to be moved for the tax year was $65,661.40. On a motion by Jay Titus and a second by La Vonne Jucha the resolution was unanimously approved.

Manager’s Report: Manager Schmaltz gave the following reports.

a. ARRF Purchases. Manager Schmaltz reported on the planned purchase of golf maintenance equipment from the ARRF account. This equipment includes two Workman utility vehicles, two greens mowers, and one reel mower. Total cost is $122,028.00 which is $4,959.77 over the ARRF budget for this equipment but within the 10% tolerance allowed by ARRF policy.

b. Security Toll Tag System Upgrade. Manager Schmaltz reported that the existing toll tag system is no longer compatible with our current security computers and we cannot update the toll tag system. Security is using Windows 7 and the toll tag system is Windows XP. The sole source provider, Automatic Gate Equipment and Supply (AGES) no longer supports Windows XP systems. AGES submitted a proposal to replace our existing outdated processors with new processors, completely reconfigure the system, provide and install new Windows based software and train security personnel, and provide and install a new modem at the security computer. Cost of the work is $4,875.00. Manager Schmaltz recommended approving the upgrade and funding it from the Security Department budget. Following a motion by La Vonne Jucha and a second by Kelley Stewart, the upgrade was unanimously approved.

c. Proposed Lot Purchase. Manager Schmaltz presented an offer by Keith Orsburn to purchase lot 520 at 131 Shoshone Drive East for $4,000.00. The LKPOA lists the lot at $8,000.00 and it is on the tax rolls for $2,988.00. It was pointed out that POA lots are not in the same tax category as privately owned lots. Director Lamkin noted that he owns lot 521 and that is tax appraised at $8,398.00. After discussion, La Vonne Jucha moved to counter the Orsburn offer at $6,500.00. Following a second by Jay Titus, the Board voted 6 to 0 to counter the offer at $6,500.00. Craig Lamkin abstained. Keith Orsburn was present and accepted the counter offer of $6,500.00.

d. The proposed CARF project regarding office space was tabled.

Additional Business:

a. President Mead updated the Board on the lawsuit between the Lake Kiowa Volunteer Fire Department and the LKPOA and Manager Schmaltz. Local attorney Phil Adams represents the LKPOA regarding the Temporary Restraining Order against the fence between Lake Kiowa and the LKVFID. A Dallas firm specified by the LKPOA’s insurance provider represents the LKPOA and Manager Schmaltz in the suit alleging slander, libel and breach of contract. Requests for information have been given to the LKVFID and depositions will be taken in the next few weeks. Barring a settlement of some kind, the next scheduled court date is in February.

b. President Mead reported that the LKPOA is sending a letter under his signature to all those members who have not yet responded to the covenant petition. We are still short of the required number of petitions to change the covenants and it is hoped this letter will garner the required numbers.

there being no further business the meeting adjourned at 8:46 p.m. on a motion by Brent Reed with a second by La Vonne Jucha and unanimous approval of all present.

Craig Lamkin Assistant Secretary
A consent form was signed by all Board members to consider routine and administrative matters at the December 3, 2012 Board meeting. This was required due to the fact the posting of the agenda was not done in a timely manner. In accordance with Texas Property Code §209.001(h), no subject prohibited by this statute will be voted on during this meeting.

Call to Order: President Jim Mead called the meeting to order at 6 p.m., December 3, 2012. All board members were present.

Establish a Quorum: A quorum was established.

Approve Minutes: Kelley Stewart made a motion to accept the November 26, 2012 POA Board Meeting minutes as written. Jay Titus seconded the motion. All were in favor with an abstention by Leslie Tomich and Lou Vander Molen. Motion carried.

Consider Golf Committee Proposal for Repairs to Golf Green Approaches - Randy Schmaltz: A handout was made a motion to accept the November 26, 2012 POA Board Meeting minutes as written. Jay Titus seconded the motion. All were in favor with an abstention by Leslie Tomich and Lou Vander Molen. Motion carried.

Consider Road Maintenance Committee Proposal - Bud Smith: The committee recommended that the costs for the road maintenance be drawn from ARRF funds. The amount would be close to $3 million dollars over a ten year period ($300,000 per year). This could possibly mean an increase in the monthly ARRF fees, which will require a membership vote as laid out in the bylaws. Further discussion on this topic will occur at future Board meetings.

Lodge and Tavern Committee, Reservation Policy - Brent Reed: A copy of the policy for the Lodge and Tavern Committee Recommendation for Room Use was distributed to the Board. It is a first come, first serve policy. Annual events must be reserved each year and cannot be reserved in perpetuity. Brent Reed will bring a new policy proposal back to the Board for further consideration.

Manager’s Report given by Randy Schmaltz:

a. Contract Proposal, Merit Advisors, LP: Mr. Will Presson was present at this meeting to inform the Board as to the tax services provided by Merit Advisors, LP. A motion was made by Leslie Tomich to authorize President Jim Mead to sign the annual contract with Merit Advisors, LP for a cost of $1,000 annually. Craig Lamkin seconded the motion. All were in favor with an abstention by Kelley Stewart. Motion carried.

b. Adams, Bennett & Duncan Attorneys at Law: A motion was made by La Vonne Jucha to pay the November invoice of $1,450 to Adams, Bennett and Duncan for services provided in continuing legal matters. Leslie Tomich seconded the motion. All were in favor. Motion carried.

c. After seven months of hard work, Lake Kiowa’s Firewise Wildfire Mitigation Plan was recognized by the State of Texas. Lake Kiowa is one of 54 communities within the state of Texas that received this recognition.

d. The geese and beaver population. Two beavers have been removed, but there are more in the lake; but due to the low water, it is impossible to trap and remove them at this time. The geese have thinned due to migration, but there are enough still present to cause problems and they will be dealt with as the need arises.

Additional Business:

a. President Mead announced that a chairperson is needed for the Golf Committee.

b. A POA contract with the new Indian Creek Volunteer Fire Department is being drafted. This contract stipulates an allocation of a monthly payment of $1,250 to the fire department (this amount is the same as given to the LKVFDC).

c. Balloting for the covenant changes went well in November.

d. The introduction of candidates will be at the next Board/POA meeting on December 17, 2012.

Adjourn: At 7:08 p.m., President Mead called a five-minute break.

Executive Session - Personnel: At 7:12 p.m., Brent Reed made a motion to enter the Executive Session. Kelley Stewart seconded the motion. All were in favor. Motion carried. Personnel matters were discussed with no action taken. At 7:50 p.m., Brent Reed made a motion to end the Executive Session. Kelley Stewart seconded the motion. All were in favor. Motion passed.

Adjourn: At 7:51 p.m., Leslie Tomich made a motion to adjourn the December 3, 2012 Board meeting. Jay Titus seconded the motion. All were in favor. Motion carried.

Respectfully submitted by,
Leslie L. Tomich Secretary
