Lake Kiowa Anticipates Another Great Fourth of July

Beginning in July, there will no longer be a 7 p.m. LKPOA Board of Directors meeting on the third Monday of the month. The two regularly scheduled 6 p.m. meetings will continue on the first and third Monday of each month. The Treasurer’s Report and Questions from the Audience will be covered at the third Monday’s meeting. Department Manager reports will not be read as they are published in the Communi Qué each month.

All board meetings, with the exception of Executive Sessions, are open meetings; all LKPOA members are welcome and encouraged to attend.

Lake Kiowa Property Owners Association Board of Directors

The road over the dam will be closed from 8-10 p.m. on July 4 for the public fireworks display.

See the Insert for THE 4TH OF JULY 2013 Schedule of Events

Private fireworks prohibited at Lake Kiowa

The dock above which burned on July 4 last year shows why fireworks are illegal. Fireworks other than the public display at the dam are prohibited everywhere at Lake Kiowa.

1938 - 2013
Hello Kiowans,

Summer is here and as, in the past we are kicking it off with our annual Fourth of July Celebration. The day will start with the flag-raising ceremony where we honor the flag that so many have given their all to protect.

After the ceremony, the fun begins with parachutes dropping from the sky, a pancake breakfast and golf cart parade. This year the parade will include fire trucks from the Indian Creek, Oakridge and North Shore Volunteer Fire Departments.

Several activities have been added for the kids with the Kiowans Organization including a waterslide to their obstacle course. The Computer Club will have its traditional Kid’s Fishing Pool, plus a Skeeball game. Also added for the kids’ enjoyment are a barrel train and a swinging pirate ship called “Pirates Revenge.” These attractions will be open for business at 11 a.m. Of course, the Woman’s Club cakewalk and a Texas Hold’em tournament will still take place in the Lodge; the LKACC boat rides will run during the day.

Unfortunately, with the summer comes the increased number of mosquitoes and mosquito bites. If you’ve been following the news, the first signs of the West Nile virus have already begun to appear in the form of positive Culex (southern house mosquito) pools from Richardson. According to Dr. Michael Merchant, Professor and Extension Urban Entomologist at Texas A&M, this is much earlier than last year and possibly earlier than ever seen before. We are not sure at this time if it is due to a more sensitive testing protocol, earlier and more thorough surveillance or a very early mosquito season. With that said, here at Lake Kiowa we have already begun trapping mosquitoes and delivering them to Cooke County Emergency Management Coordinator Ray Fletcher who in turn sends the test results of the samples submitted to Austin for analysis. To date, the test results of the samples submitted were negative for the West Nile virus.

With that said, residents and their guests should still take precautions to protect themselves from mosquito bites when going outdoors in the early morning or evening. Applying DEET and wearing clothing that covers exposed skin have proven to be effective in reducing mosquito bites and should be considered when venturing outdoors.

While we should all take precautions to reduce or prevent mosquito bites, we can and should take advantage of all the outdoor activities and enjoy the beauty that Lake Kiowa affords its residents and visitors who come to our community.

Have a great Fourth of July,

Randy

Starting June 22, a trailer-mounted trash compactor will be stationed at the Lake Kiowa Security parking lot located at the main gate. This trash compactor is available for weekend residents to deposit their household trash before leaving the lake after the weekend. The compactor will be in place from Saturday morning through Sunday evening.

Please be advised that this compactor is to be used for household trash only and for the convenience of our weekend residents. No wood, tires, batteries, mattresses or hazardous materials can be left in or around the compactor.

INSURED FOR YOUR PROTECTION
My family and I want to thank everyone for the cards, food, phone calls and prayers during Pete’s illness and passing. We appreciate everyone’s support.

Pete and I love Lake Kiowa and the caring people that live here. I also want to thank the Security Dept. and the NOSD for all their help with Pete in the months before his falling.

Kiowa is a special place and we are all blessed to live here.

Thank you all so much.

Genevieve Avinger

The Gainesville Meals on Wheels needs volunteers. I am one of six or seven people from Lake Kiowa who volunteer. In my case, I do it once a week every Monday starting at 10:30 a.m. I deliver prepared meals to fourteen to fifteen older people who can’t get out to buy their own food, are too disabled to prepare it or too poor to afford it. Most are very nice people who are very, very grateful. What volunteers like me deliver to them is a well-balanced meal including meat, vegetables, fruit, bread and milk. It only takes me about an hour to do something that is very rewarding by helping people who truly need help. I know Kiowans is all about helping young, needy children and they are to be roundly applauded. In this case, it is all about helping yesterday’s needy children!

If interested, please call Kim, the local manager of our local Meals on Wheels at (940) 665-3493 between 9 and 11 a.m. Monday through Friday. You’ll be glad you did!

Thanks,
Ken Wehrle

The Paynes

Thank You Lake Kiowa! and a special thanks to Donna Rehm for your overwhelming generosity and kindness of spirit. We are extremely blessed.

Rosemary Emby
YES     NO

Do people around you seem to mumble?

Do you find yourself asking people to repeat themselves?

Is it hard to hear when you can't see the speaker's face?

Do you have trouble hearing when you're talking on the telephone?

Do you find it hard to hear in crowded places?

Does your family complain because you turn the TV up too loud?

If you answered “Yes” to two or more of these questions, you may have a hearing loss. Call now to find out 903.868.2650

THE HEARING LOSS Self Test

“THE awesome new Bluetooth® technology streams audio signals from your cell phone into both ears at the same time, which is really a dynamic change within the hearing industry. Everything is crystal clear. We have it all right here in the office, so if you want to come by and try it out to see the difference for yourself, just give us a call.” — Kenneth Sheppard, Jr., Licensed Fitter & Dispenser of Hearing Instruments

We Need Your Pontoon Boat on July 4th!

The Lake Kiowa Anglers & Conservation Club provides rides during the 4th of July Celebration. This ride is very popular because it allows residents who don't have a boat to view Lake Kiowa from the water. We need pontoon boats to be able to provide the rides and volunteers to work the booth and drive the boats.

If you have a pontoon boat that the club may use for a couple of hours on July 4th, and/or can volunteer some of your time, please either email us at LKACC4U@yahoo.com or call Randy Andrews at (214) 534-4716.

Thanks, Randy Andrews

RED HAT LUNCHEON

Save the date! The next Red Hat luncheon is set for Tuesday, July 30 at a restaurant still to be determined.

Any Kiowa lady over 50 is invited to attend our Red Hat luncheons. There are no dues or other qualifications. We hope you can join us sometime.

We meet for lunch on the fifth Tuesday of any month that has a fifth Tuesday, being July, October and December this year. These are strictly social events where we wear red hats and purple and red outfits and pay for our own meal. One of our group volunteers to choose a restaurant, make reservations and notify known members of where and when. Johnyne White is handling that month.

For questions about our group or for reservations, call Johnyne at (940) 665-7312 or me at (940) 612-1864.

Kathie Milburn

• No lot leases or friends or relatives of residents unless living full-time at Lake Kiowa.
• All items must be designed and made by the seller. No kits or resale items allowed.
• Each 6-foot exhibition space is $15. Limit one space per vendor.
• Sellers are asked to be in their booths from 9:30 a.m. to 4 p.m.
• Set up July 3 from 1 p.m. to 5 p.m.

Make check payable to LKPOA
Mail to Jackie Gary • 308 Kiowa Drive North, Lake Kiowa TX 76240

SPACE IS LIMITED...PLEASE APPLY ASAP!

SOLD OUT
AND THE WINNERS ARE...

One of the ongoing programs sponsored by the Kiwanis Club of Lake Kiowa is participation in the Callisburg Elementary School’s “Perfect Attendance Program.” The winners had to have at least one six-week period of perfect attendance during the school year to participate in a drawing for a new bicycle at the end of the school year. Really dedicated students could have as many as six chances to win.

In a recent letter to our Kiwanis Club, Jennifer Dracos, representing the Callisburg School, wrote: “...The joy on these children’s faces when they received their bikes was such a blessing to everyone in attendance at the awards ceremonies. The murmur of the children setting their goals to be at school, working hard every day next year made it obvious the incentives we were able to offer (because of the Lake Kiowa Kiwanis) are a proven motivator.

“Our motto is ‘Callisburg Elementary is laying the foundation for families, educators and community to unite in building our children’s future. Brick by Brick.’

“Thank you for acknowledging that it does indeed take all of us working together to ensure our students are building a bright future.”

We sincerely wish you would join us in our worthwhile endeavors to improve our community and help the children “One Child at a Time.” For more information about the Kiwanis Club, please contact President Richard Mitcham (972) 821-1923, President-Elect Rick Ramsey (903) 952-7273, Bill Richey (940) 668-8118, or Jim Kelley (940) 668-9052. The club meets at the Lodge for a dinner meeting the first and third Thursday of each month. We will be selling drinks at the Pavilion behind the Lodge during the 4th of July celebration so do stop by to say hello. You will be welcomed.

Marlene Kelley, Secretary
Kiwanis Club of Lake Kiowa

- Going to church doesn’t make you a Christian any more than standing in a garage makes you a car.
- Change is inevitable, except from a vending machine.
- Where there’s a will, there are relatives.
- I’m supposed to respect my elders, but it’s getting harder and harder for me to find one now.

THOUGHTS TO PONDER
- Why do banks leave vault doors open and then chain the pens to the counters?
- Why do supermarkets make the sick walk all the way to the back of the store to get their prescriptions while healthy people can buy cigarettes at the front?
- Why do people order double cheeseburgers, large fries, and a diet Coke?

- Why do banks leave vault doors open and then chain the pens to the counters?
- Why do supermarkets make the sick walk all the way to the back of the store to get their prescriptions while healthy people can buy cigarettes at the front?
- Why do people order double cheeseburgers, large fries, and a diet Coke?

COUNTRY WISDOM
from the Lake Kiowa Kiwanis Club and an anonymous donor

- Why do banks leave vault doors open and then chain the pens to the counters?
- Why do supermarkets make the sick walk all the way to the back of the store to get their prescriptions while healthy people can buy cigarettes at the front?
- Why do people order double cheeseburgers, large fries, and a diet Coke?
Enjoy views of the lake from 2 living areas, kitchen, breakfast, master bedroom and screened patio play room. Just under 3000 square feet, this home has large open areas for inside entertaining with a large outdoor living area. Manicured grounds take you down to boat dock with lift. Close to clubhouse dining, playgrounds and the Golf Pro Shop.
The Lake Kiowa Chapel would like to welcome everyone at Lake Kiowa to services on Sunday morning. These services are held in the Assembly Room of the Lodge from 8 to 8:30 a.m. Rev. John Hare and Rev. J. Ray Smith are the pastors delivering their messages on alternate Sunday mornings.

Rev. Smith’s message on July 7 will be entitled “A Quiet and Peaceful Life” with text from I Timothy 2:1-4. This is a break in his “Marks of a Christian” series for the Fourth of July celebration.

Rev. Hare’s message on July 14 will be “Paying a Price” with text from Mark 6:14-29.

“Hospitality” is the title of Rev. Smith’s message on July 21 with text from Romans 12:13b. This message resumes the series “Marks of a Christian.”

The title of Rev. Hare’s message on July 28 will be “Press ‘1’ for Jesus” with text from John 16:1-15.

The Quarterly Meeting and Potluck of the Lake Kiowa Chapel at the Lodge took place on June 10 with 42 members attending. After a delicious meal was shared, an update was given regarding some of the recipients of funds that were allocated. A program followed featuring a “Farewell for Billy Hoagland.” He has been a faithful member of the Chapel and was an usher for 31 years. The program featured a song by Sharon Mitcham and an anecdotal history of Billy’s life here by Nancy Bryan. Billy will be missed, but we hope he will be an occasional visitor.

Chapel Choir will take a summer break after July 4. They will resume practice on Monday mornings in the Lodge on Aug. 19 at 8 a.m.

VISTO is the recipient of food contributed to the box in the entry to the Lodge. All packaged groceries are appreciated, but VISTO will make very good use of monetary donations as well. A dollar spent by VISTO goes much further than your individual grocery dollars, so consider a check made out to VISTO and sent to P.O. Box 607, Gainesville TX 76241-0607.

The Lake Kiowa Chapel meets every Sunday morning from 8 to 8:30 a.m. in the Lodge. This is an interdenominational service that may precede your regular church service or a round of golf. Casual dress is always welcome. Please come and share this time with your friends and neighbors on Sunday morning at 8 a.m.

Carole Clausing
Hoagland Serves Chapel for 31 Years

Billy Hoagland was born in Joplin, Missouri June 9, 1921. He was raised by his Grandmother in Joplin, where he attended elementary and secondary schools. At age 10 he began working for his room and board at a grocery stores. At age 10 he began working for his room and board at a grocery stores. At age 10 he began working for his room and board at a grocery stores.

Bill relocated to Corpus Christi, Texas, where he attended high school and began working for Eastern Airlines in 1938 (age 17). He worked at the Cliff Maus Airport handling the U.S. Mail and airfreight. Bill and another man manned the station daily until he had enough money to buy his first car, a Model T Ford.

Bill served in the US Army Air Corps as a Staff Sergeant in World War II from 1942 until 1945. Since he had prior air traffic control experience, he taught control tower procedures and techniques at Kelly Field in San Antonio, Texas, and was then transferred to Casablanca, Marrakech, in North Africa. Bill was reassigned to Accra, British West Africa.

Bill had a couple of other assignments; but after two plus years overseas, he wanted to get home. He was transferred to Sheppard Field in Wichita Falls, Texas. After two weeks there, the atomic bomb was dropped on Hiroshima, Japan. Shortly thereafter, Bill was honorably discharged from the service and returned to Corpus Christi, Texas.

In civilian life, Bill worked for Eastern Airlines. After that, he installed raised flooring for huge computer systems when computers began being big business in the 1970’s. He has installed 230 raised floors nationwide. One of the floors he installed was at FEMA in Denton, Texas. That building has four floors underground.

Bill purchased property at Lake Kiowa in 1969 and his was the third house in our development. Lake Kiowa had no lake, and no golf course. He built his home at 908 Kiowa Drive East in 1981. This has been his one and only address at the lake.

According to Bill’s best recollection, the Lake Kiowa Chapel was established in October 1976 with ten members. They met in the old clubhouse early Sunday morning, like we do now, to accommodate the golfing folks. When it rained, the roof leaked profusely and they placed buckets under the drips so they could hold service. There was a fireplace in the clubhouse that helped with the heating.

The preacher was from Lake Kiowa, the organist was Sally Echols and the pianist was Myrtle Pedigo. The ladies had a terrible problem keeping time with each other, so Bill’s stepson made an electronic timing device that enabled them to “play together.” That was used for 3-4 years.

The choir started about three years later and Arlene Grant was the director. She was known as the “General” because she barked at the choir like a military general and was very strict. The choir consisted of six members.

Chapel has always been a non-denominational. The Chapel Board was organized in 1981. It was 5-6 years before Chapel began donating money to other organizations. Miriam Hogan donated large amounts of money to the Chapel, but said she would deny it if anyone ever asked her about it—another way Miriam helped our community to be what it is today.

Bill Hoagland was the first and only usher for 3-4 years. As other people started moving to the lake and joined Chapel, he asked for volunteers. Bill served as an usher from 1981 to 2012 (31 years); when injuries occurred he had to step down. He still serves when needed.

Bill also served on the Lake Kiowa POA Board of Directors from 1974-1976 during which time a huge lawsuit took place and made nervous wrecks out of the board members. We thank you, Bill, especially for helping make Chapel the wonderful worship entity it has become. Lake Kiowa is a much better place for all of us today due to the “pioneering efforts” by Kiowans like “Mr. Bill.”

West Nile Alert

Disease carrying mosquitoes are in the area and Swafford’s has the solution with Skeetobusters.

The West Nile virus is a serious disease transmitted to humans by mosquitoes. Every hundred of cases are reported, and possibly many hundreds more go undiagnosed or misdiagnosed. The disease can present in a mild fever form or a severe encephalitic form.

Call A CERTIFIED PRO today to find out how you can protect your home, family and pets from this disease.

CALL US TODAY AND ASK US ABOUT OUR MOSQUITO BARRIER SYSTEM FOR YOUR HOME!
DEFEAT A VIRUS THAT TAKES OVER YOUR COMPUTER

Q. Kim, I can’t use my laptop anymore. It gives me this bizarre message that my computer was downloading child porn and that the FBI has locked it down! I’d never do that! It says I have to pay a $200 fine to something called MoneyPak if I want my computer back. Is this for real? How can I clear my name?

-Ron from Galesburg, IL, listens to my national radio show on WGIL 1400 AM.

A. Being accused of watching child porn is a scary, sickening experience. I don’t blame you for being freaked out, Ron.

Luckily, no one is actually accusing you of anything. This sounds like a “ransomware” scam to me.

This scam, sometimes called scareware, is popping up more and more. Security analysts believe it’s responsible for millions of dollars in losses each year.

It’s becoming more dangerous, too. In addition to completely locking down your computer, it can find and steal your passwords. It’s enough to make you consider paying the “fine” just to get it over with!

You don’t have to pay a dime to get your computer back, though. All you need is to know is how this scam works and how to get rid of it.

Here’s how it works: A ransomware virus sneaks on to your computer. It might be from a malicious website or an infected email attachment.

Though it sometimes spreads as a virus, ransomware can be any kind of malware. I’ve seen ransomware viruses, worms and even nasty Trojans. Regardless, it usually comes from downloading an infected file. Once it’s running, it pops up a message that says you’ve been doing something very naughty. Child porn and illegal downloading are two common ones.

The worst part is that the ransomware locks you out of your computer. Your mouse and keyboard are practically useless. You can’t delete the virus or activate security software.

Does that mean you should pay the “fine” to unlock everything? Absolutely not!

You’ll just be giving cash to a scammer. Once they get the money, they’ll just keep hounding you for more cash. The services they use, like Western Union and MoneyPak, are difficult to trace. You’ll never see that money again.

Plus, they won’t actually delete the virus, so there’s nothing stopping it from coming back. That’s if they unlock your computer in the first place.

Instead, you need really powerful anti-virus software to kick the ransomware out. AVG offers the AVG Rescue CD specifically for nasty viruses like this.

You burn it to a CD and then it runs when your computer is booting. It kills the ransomware before it can lock your system again.

Of course, this program can cause serious problems if used incorrectly. Make sure you follow my step-by-step instructions to avoid that.

Even after you remove the virus, there may be some long-term effects. Ransomware can damage some of your sensitive files. Rare forms of ransomware can encrypt your files so you don’t have access.

If your files are backed up, you have nothing to worry about. If you don’t have a backup, check out my advertiser Carbonite. It provides safe, easy automatic backup to a remote location.

The best way to take care of ransomware is to stop it before it starts. All the usual rules for avoiding Web scams apply.

[Adapted from Kim Komando Tip of the Day, 6/11/2013]
Our agents are making HOT summer deals and sales are UP!

Monroe King, now of Gainesville, is the Hole-In-One Champion of Lake Kiowa, and he knows a winner when he sees it. When Monroe and wife, Eva, needed home health care, he only took one swing and chose NTMC Home Health.

- Skilled nursing care.
- Nurses available 24 hours a day.
- Physical therapy.
- Occupational therapy.
- Speech therapy.
- Social assistance with our medically trained social worker.
- Wound therapy.

For compassionate, skilled care in the home, NTMC is the agency of choice.

**INDIAN CREEK VOLUNTEER FIRE DEPARTMENT AUXILIARY**

**SHABBY CHIC RESALE SHOP GRAND OPENING**

June 7

The grand opening of the Shabby Chic Resale Shop on Friday, June 7 was a huge success! Our advertising blitz brought treasure hunters from Gainesville, Whitesboro and Collinsville as well as from Mountain Springs and Lake Kiowa. The sale was attended by our Auxiliary volunteers in shifts, both days. Furniture, appliances, kitchenware, antiques, tools and even jewelry were quickly and excitedly purchased to benefit our fire department’s needs. A big thank you must go to our volunteers who braved the heat and made our grand opening a big success! We will be opening on the first Friday and Saturday of each month. We always need volunteers, so if you can spare an hour or two, come have fun with us!

Please contact Melva Akins at (940) 745-1455 or Karen Vander Molen at (214) 789-5647 to volunteer.

The next Shabby Chic sale will be Friday, July 5, and Saturday, July 6 from 8:30 a.m. until 2 p.m. Our location is right outside the front gate in Kiowa Plaza storage unit #80. Just follow the signs to find your treasure! To donate clean resalable items, please contact Linda Seals at (940) 372-3576, Karen Vander Molen at (214) 789-5647 or Melva Akins at (940) 745-1455. We would appreciate you bringing small items to us for the sales but if you are unable to bring the items to us, we will try to arrange and schedule a pickup by one of our volunteers.

The Fourth of July Celebration is upcoming and the Auxiliary will have a booth selling Lake Kiowa T-shirts and Polo shirts, a membership booth and a Shabby Chic booth so find our locations and support your fire department. In addition, ICVFD firefighters and some from other area departments will be grilling hot dogs and hamburgers at the Pavilion this year! The cost for two hot dogs or a hamburger plus chips and a drink will be only $6!!! Enjoy the day, grab a bite and support our departments!

We had our Board and General Auxiliary meetings on Monday, June 10 and introduced Jo Brannan, our newest Auxiliary Board member, to the membership. Jo will be an asset to our board as she has experience on boards of charitable organizations. We look forward to some new ideas.

Maureen is researching some fun activities for our October event that will mark the first anniversary of the fire department, so be ready for a fun night! More information will come soon!

Kristin is getting the Auxiliary Facebook page updated and accessible to more residents and is working on some new emails that will strictly be used for Auxiliary business. Kristin has close ties with the ICVFD as her brother and boyfriend are both ICVFD volunteers.

The possibility of Bingo is looking up as we are trying to work with another fire department to help us bring Bingo back to Lake Kiowa. We were shooting for a goal of July 4th, but it doesn’t look like that will happen. Please know that we are working very hard on this. It’s not a matter of if Bingo returns, but when it returns!

Our next Auxiliary General Meeting will be July 8 at 6:30 p.m. at the Lodge. Come get involved, meet some neighbors and see what you can do to help. We hope to have the August or September Auxiliary Meeting outside Lake Kiowa.

Stay cool this Fourth of July, and don’t use fireworks!

ICVFD Auxiliary Board

(214) 789-5647 or Melva Akins at (940) 745-1455. We would appreciate you bringing small items to us for the sales but if you are unable to bring the items to us, we will try to arrange and schedule a pickup by one of our volunteers.

Stay cool this Fourth of July, and don’t use fireworks!

ICVFD Auxiliary Board
The Fourth of July will be with us a few days after you read this. The fire department will be cooking hamburgers and hot dogs that day between 10 a.m. and 3 p.m. for the Lake Kiowa Fourth of July celebration. We will have our trucks parked at the Pavilion and, if you would like to take a look at them, just ask any firefighter to show you around.

Fireworks are not permitted at Lake Kiowa, but if you are going to another area where they are permitted please be careful. The grasses are drying out and are primed to burn. Always have a pail of water and a garden hose available when using fireworks. The used fireworks can be placed in the pail of water. If a device does not go off, soak it with water before you try to pick it up. Sparklers are fun for the kids, but unfortunately many children get burned every year by grabbing the hot end. Always supervise your children when they are around fireworks.

We responded to 32 calls for service in the last month. We responded to two structure fires (they came in about 30 minutes from each other), an oil battery fire, twenty-three medical calls, three calls to assist people who had fallen, were dispatched twice to two calls and canceled while en route and responded to one unintentional fire alarm. We responded inside Lake Kiowa for 19 of these calls or 59% of our total this month.

Have a fun and safe Fourth of July.

Remember!
Be safe!
NO fireworks allowed at Lake Kiowa!

Come Support your Fire Department!!
Quilt Bee met on June 3 with close to 30 members attending. Four new faces joined us and even had some quilts to share. The Kiowa Quilt Bee is open to all quilters or those interested in any aspect of sewing, handwork or quilting. The Bee meets to share ideas and projects that others may be interested in. Anyone is welcome to ask questions or seek advice. It is a very informal group and all are welcome – no dues or other memberships are required.

Dany Ford led our meeting at Sharon Catlett’s request as Sharon was unavailable this month. The four first-timers were Nancy Nelson, Sharon Dugan, Annie Anderson and Carol Fletcher. Judy Akin’s paper-piecing class in May was again a huge success and those that attended were very complimentary.

Becky Branham has arranged for a work day on July 16 in the Lodge. Plan to come and spend all or any part of the day with the group on a project of your choice. Tables and extension cords will be provided, each person should bring their own equipment and supplies. This is always a good time to share information, techniques and solve problems that we all encounter.

We were sad to learn that this was Patsy Hudson’s last meeting as a resident at Lake Kiowa, but we look forward to her visits after she relocates to Rowlett.

Our next meeting will be July 1 in the Lodge at 7 p.m.

We had a great “show and tell” session as the following pictures will illustrate.

Carole Clausing

Amanda Hatfield also had another full size scrappy quilt that she recently finished with Dany Ford looking on.
Meet Diane, making the difference at Carrus

Diane Swenson is the Chief Nursing Officer for Carrus Hospitals. She earned her Baccalaureate of Science Degree in Nursing, with honors, from Hartwick College in Oneonta, NY. She obtained her Master’s Degree in Nursing Administration from UTA. She oversees Carrus clinical services, human resources and medical staff functions. Her leadership philosophy embodies empowerment and support of all Carrus caregivers in providing patients and families with comprehensive, quality care in a safe and healing environment.

“Carrus Specialty Hospital is not a nursing home! We are a long-term acute care facility designed to treat serious illnesses or complex conditions for a longer period of time than most patients would be in a traditional hospital. It surprises some people to learn that we have all ages of patients in the Specialty side of Carrus Hospitals. We recently admitted a young person with traumatic injuries as a result of a motorcycle accident. He was a great success story! People come to Carrus Specialty Hospital after having a stroke or experiencing post-surgical complications. We have patients who are ventilator dependent or have kidney failure. Our patients stay an average of about 25 days, depending on their needs. We work together with patients, families and referring physicians to provide the highest level of care within a positive, welcoming environment.”

Call 903.870.2600 today for a tour of CARRUS SPECIALTY HOSPITAL & CARRUS REHABILITATION HOSPITAL

Carrus is a physician-owned facility offering private rooms & four themed courtyards.

“I’ve worked hard to get where I am, and I need a bank that works for my best interests.”

-Larry Kremling

I’m not looking for gimmicks; I’m looking for peace of mind. Thanks to the friendly staff and a personal loan from Landmark, that’s exactly what I have. Do you?
From the President...

“This has been an incredible year for me and I have so many memories to treasure.” With tears in her eyes, these were the opening words from President Sharon Wolek at her final meeting.

She then presented her last Sea Creature of the Month, the Spotted Eagle Ray. Sharon told us that in all her years of diving she has only seen two. This is a very rare creature.

After the regular business meeting, Sharon thanked all the ladies that have helped her throughout her term as President. She then introduced the new Department Chairs: Arts & Crafts - Paula Brinson, Co-chairs - Katherine Thacker and Jackie Ditman; Bible Study - Penny Cotten; Book Review - Judy Beard, Co-chair - Peggy Padgham; Bridge - Chris Bost, Co-chairs - Terry Johnson and JoAnn Lay; Canasta - Dany Ford, Co-chair - Fran Norman; Garden & Nature - Becky Knox, Co-chairs - Becky Branham and Jackie Ditman; Gourmet - no chair?

A $500 check from the Kiowa Woman’s Club was presented to Chief Bob Pistor for the Indian Creek Volunteer Fire Department. Chief Pistor promised the money would be spent for greatly needed supplies.

A plea was made for baked goods and workers for the KWC Cakewalk at the 4th of July Celebration. Also a reminder was made to submit your membership form by the middle of July if you want your name in the year book.

Sharon Clements introduced her last program for 2012-2013. Arlene Colbert of Dallas mesmerized all with her portrayal of Harper Lee, the author of “To Kill a Mockingbird.” You would have believed Lee was really on our stage right down to the Deep South accent. I would love to see her portray Julia Child!

Maureen Anselmi introduced the officers-elect for 2013-2014. She installed each officer with an explanation of her duties and presented a colorful tote to carry the tools of her office.

The 2013-2014 Kiowa Woman’s Club officers are: President – Sharon Clements; First Vice President – Norma Desilets; Second Vice President – Rita Langley; Recording Secretary – Lori Brindle; Corresponding Secretary – Lori Brindle; Treasurer – Rita Langley; Parliamentarian – Sharon Wolek.

The meeting came to a close with the presentation of the traditional President’s Necklace to Sharon Wolek by Laverne Bialas, followed by tears, thanks and good-byes. Sharon Wolek’s final act was passing the gavel to newly installed President Sharon Clements.

Clements first act was to adjourn the last meeting of 2012–2013 and ask Pat Meade to give the Invocation.

Ladies, have a wonderful summer and I’ll see you next fall. Please come back. The new board intends to work hard for our “Incredible Year.”

Sharon Clements, President

“The eye is the Lamp of your body. When your eyesight is sound, your whole body is lighted up.”
Luke 11:34
Kiowa Woman’s Club News

Arts & Crafts had its last hurrah on Tuesday, June 4, probably the coldest June 4 in history. We had a brunch for all of the crafters that participated in this year’s sessions. Can you imagine Arts & Crafts without Mod Podge, a glue of some sort and scissors clipping away? But we had a wonderful time eating, drinking and conversing. Moms of Gainesville provided the great food. There were door prizes provided by My Empty Nest that everyone who won just loved. Thank you, Theresa and Connie, for making our little get-together a success. “Virtual Egg Timer” trophies were given out to all of the winners from throughout the year. We know they will hold a special place of honor in the home of the winners.

Sharon and I thank everyone for making this a fabulous year for Arts & Crafts. A special thanks to Jackie Gary for more wonderful crafts this year. Have a great “Kiowa Summer.” I’ll see you in the fall.

Leslie Tomich

Jane Outlaw and Sue Sprenger presented a beautiful platter to Sharon James (middle), winner of the monthly door prize.

KWC arts and crafters had a craft-free potluck dinner on a cold June day at the Pavilion.

TO ALL KWC MEMBERS: CAKEWALK HELP NEEDED

KWC sponsors the Cake Walk at the annual Fourth of July celebration in the Assembly Room. This year the event will be held on Thursday, July 4. We need baked goods—and LOTS of them! The Cake Walk will be open from 10:30 a.m. until 2 p.m.

Please bring a cake, cupcakes, brownies and cookies for this event, if you can. You can drop them off in the Assembly Room at the Lodge on Wednesday afternoon, July 3 or before 10 a.m. on Thursday, the day of the event. Feel free to bring more than one item.

This activity is one of only two yearly KWC fund-raisers; we hope each KWC member will plan to participate. The Cake Walk is open to all ages! Tickets are needed to participate. Thank you very much in advance for your help!

KWC YEARBOOK DEADLINE

It’s getting late! The new KWC Yearbook is being assembled now for distribution at the September meeting. Please join the Kiowa Woman’s Club by paying your $15 membership dues. The deadline to be in the yearbook is July 15. Include your name, address, phone number, email address and birth date. Please send your dues and information to Kiowa Woman’s Club-Membership, 143 Shoshone Dr. E., Lake Kiowa TX 76240.

Play will continue all summer long so come and join us at 12:45 p.m. on the second and fourth Tuesday of the month at the Lodge. Lessons also continue to be held from noon until 1 p.m. on the days that we play.

The Canasta Group voted to play “Pony Tail” Canasta on the second Tuesday of the month and “Hand and Foot” Canasta on the fourth Tuesday. These variations of the game have been exciting.

The winners on May 28 were LaNelle Little (1st); Lori Brindle (2nd); Gloria Sullo (3rd) and Nancy Jones (4th). On June 11, our winners were Pam Rimer (1st); Peggy Ashton (2nd); Sharon Wolek (3rd); Sharon Clements (4th) and Charolette Loncar (5th).

On Monday, July 1 the Canasta Group is going to have a Potluck at noon at the Lodge and play cards starting at 1 p.m. We will be meeting in the Assembly Room. For the Potluck, bring any special dish you think the group would enjoy. If you want to join us for cards starting at 1 p.m., please call either Dany Ford at (940) 372-9909 or Fran Norman at (940) 665-9075 so that we make sure we have the right number of players. The group wanted to play both “Pony Tail” and “Hand and Foot,” so you can pick your favorite game to play as well as those with whom you wish to play. Enjoy your summer.

Dany Ford

KIOWA WOMAN'S CLUB 2013-2014

To All Women of Lake Kiowa,

The Kiowa Woman’s Club is collecting the annual dues of $15 for the 2013-2014 year from all current members and from any interested residents. There are no additional dues to participate in these seven departments: Arts & Crafts, Bible Study, Book Review, Bridge, Canasta, Garden & Nature, and Gourmet. Please fill out the form below and mail (with your check payable to Kiowa Woman’s Club) to:

Kiowa Woman’s Club—Membership
901 Kiowa Dr. West
Lake Kiowa, Texas 76240

The Kiowa Woman’s Club was started in 1973 to provide social and cultural activities for its members. General meetings are held at the Lodge on the second Thursday of the month, September through June. The social hour begins at 10 a.m. and the meeting begins at 10:30 a.m., with a luncheon following. If you have any questions, please call Norma Desilets, Membership Chair, at 940-239-5116. If you wish to drop off at my home, 143 Shoshone Drive E., there will be a box on my front porch for this purpose.

Please print your name, address and phone numbers as you want them to appear in the 2013-2014 KWC Yearbook directory:

Name ______________________  Spouse ______________________
Address ______________________
Phone____________________ Birthday (Mo. & Day)____________________
Cell # ______________________ Email address ______________________

Most communications will be sent via e-mail. If you have no e-mail, you will be contacted by phone. Do you want on permanent reservation list for luncheons? Yes _____ No _____ (This MUST be renewed each year. If unable to attend, you must contact the Reservation Committee by noon on Monday before meeting.)

**EVENING PROGRAM:**
Would you be interested in our evening programs? Yes _____ No _____

Please give us suggestions/ideas on what would be of interest in regard to some evening programs/events to allow more working women or those who cannot participate during the day time to become members of Kiowa Woman’s Club.

Please let us know your interests and special talents:

THE ART GALLERY TO OPEN IN SAINT JO

Texas artist and art teacher, Larry G. Lemons, and his wife Donna are proud to announce the opening of The Art Gallery in Saint Jo. Located at 104 S. Broad in the lobby of the historic Texas Kings Hotel, the gallery will feature a number of Lemons’ personal artworks and selected original works, prints, and gift items from some of the area’s finest artists. The Lemons’ have been active in promoting fine art and art education in and around Montague County since selling their photography studio in 2000.

A number of the exhibiting artists will be at the gallery on a regular basis to discuss their work, answer questions, and help customers with any purchases they might wish to make. Lemons states, “We are honored to be a part of the Saint Jo business and art community and hope to see it continue to flourish. We are most appreciative to artist Donna Howell-Sickles for the encouragement to open another gallery in town and to the Weger family for making the space available to us. Though we are a small gallery, we will have some really great art.”

The gallery will be open Wednesday through Saturday and on Sunday afternoons. Contact Larry G. Lemons at (940) 366-5782.
The 2013 Lake Kiowa golf extravaganza known as the Kiowa Kapers Golf Tournament was held June 7-9. This year the tournament had a field of 105 teams, the largest ever. The weekend was full of golf, great competition, beautiful weather and lots of giveaways for the players.

Golf course Superintendent Dennis Toquigny and his great staff provided the Kapers golfers a beautiful golf course on which to play. Everyone was pleased with the condition of the course. PGA Professional Brown McCrory and his staff provided a smoothly-run tournament as always. We appreciate immensely what these professionals do for the Kapers tournament and the MGA as a whole.

In addition to the two staffs, it takes dozens of MGA and WGA volunteers to make the tournament happen. Without the efforts of these people, a tournament of this magnitude would not come about: MGA Tournament Committee: Neil Wright, Bob Wilford, Tom Blackwell, Rod McCutcheon, Lonnie Woods, Gerald Smith, Jim Lewis and R.J. Stroup.

WGA Volunteers: WGA President Margaret Dressel, Gwen Mullins, Joy Mann, Janice Richey, and all the ladies who helped them.

Results of the golf tournament were as follows:

‘A’ - Championship Flight - 1st - Hank Cooper/Mark Rogers; 2nd - Kyle Kemp/Aaron Sides; 3rd - Mike Russell/Curtis Clark; 4th - Preston Klutts/Darren Kupper.

John Seefeldt
MGA President

1st Place – Flight ‘A’ (L-R): Mark Rogers and Hank Cooper.

1st Place – Flight ‘B’ Not pictured: Mike Merolla and Jerry Briggs.

1st Place – Flight ‘C’ (L-R): Kris Loia and Joe Dorman.

1st Place – Flight ‘D’ (L-R): John Schneider and James Hogan.

1st Place – Flight ‘E’ (L-R): Billy Aday and Gary Whitford.

1st Place – Flight ‘G’ (L-R): Chris Heaton and Steve Berryman.

DID YOU KNOW...
That two basic premises underlie the USGA Handicap System? First, that each player will try to make the best score at every hole in every round regardless of where the round is played and second, that the player will post every acceptable round for peer review. The player and the player’s Handicap Committee have joint responsibility for adhering to these premises. As a player you must post a nine-hole score if you play seven to twelve holes and post an eighteen-hole score if you play thirteen or more holes. Scores for any unplayed holes must be recorded as par plus any handicap strokes you are entitled to receive. It is your responsibility to insure that all scores are posted accurately. If you fail to post all your scores your handicap becomes just that, a handicap—not only to you in individual play, but also to your teammates in team play. Failure to accurately post your acceptable scores undermines the purpose of the USGA Handicap System which is to make the game of golf more enjoyable by enabling players of differing abilities to compete on an equitable basis. While we all have different abilities, we are peers on the golf course and our play is subject to peer review. Peer review is the ability of golfers to gain an understanding of a player’s potential ability and to form a reasonable basis for supporting or disputing a score that has been posted. If your peers dispute your handicap they can come to the Handicap Committee for resolution. Ultimately it is you, the player, who insures the integrity of your handicap and the handicap system. It’s simple to do, play your best on every hole and accurately post all your acceptable scores.

Your Handicap Committee

The Kiowa Couples Golf Association sponsored a Night Golf Scramble on Saturday, June 15. Thirty-six couples participated in the nighttime fun with glow balls for nine holes. Winning couples are pictured (L-R): Carla Wilson, Tracy Wilson, Keith Wilson, Joan Wilson, Eddie Dickerson, Jennifer Dickerson, Terry Atterbury, Gary Atterbury, Scott Allen, Gena Allen, Todd Davis and Donna Rehm, who is not pictured.

The next event will be held on Sunday, July 21 (Wife Swap Scramble). Sign up at the Pro Shop the Friday before these Sunday events.

Dee Dorman

RECIPE OF THE MONTH
Pork Chili Verde
- 2 LB pork tenderloin - cubed
- 2 cloves garlic peeled
- 12 tomatillos peeled, halved
- 2 onions quartered
- 2 14 oz cans green enchilada sauce
- 2 tsp salt & pepper
- 1 TBSP cumin & chili powder
- 2 TBSP lime juice, pineapple juice, & worcestershire
- Cilantro - washed & chopped for garnish
Put all ingredients except cilantro in crockpot
6-8 hours on low heat. Shred meat at end. Stir in cilantro. Serve on corn tortillas, with black beans, and Monterrey jack cheese.

We started our Wednesday Scramble day with rain in the early morning. The sky cleared prior to the scramble in time for a brief chipping clinic by Pro Brown McCrory. Thank you, Brown.

Treasurer Peggy Lewis reported our ending bank balance as of 5/31 was $4,434.45. The Hole-in-One Group has 146 players with a pot of $730. We had our first hole-in-one winner in May by Donna Erwin on hole #8. Membership Chairperson La Vonne Jucha reported we currently have 228 WGA members. Our newest members are Lisa Bohannon, Susie Holamon, Monica Satterwhite and Robin Kemp. Welcome, ladies! We hope you will participate on our Wednesday playdays as well as other events.

The Member/Guest Tournament committee of Dee Dorman, Nancy Gingerich, Susan Metzler and Charlotte Winter did a fantastic job. The tournament had 33 teams with 66 women playing. Lots of food and fun activities were planned over the course of this tournament. A huge thank you to Dee and her committee for a very successful tournament.

Lake Kiowa hosted Central Women’s Golf Association in May and had a good turnout. Six members from Lake Kiowa played and most did really well in their flights. The WGA netted $475 for this event. Representative La Vonne Jucha thanked everyone involved in making this a successful event and gave a special thanks to those who loaned their golf carts. Kiowa Kapers has come and gone. I’m sure our Ways and Means team headed by Gwen Mullins and assisted by Janice Richey and Joy Mann are happy to have all this behind them. Gwen was seen everywhere in her yellow ’57 Chevy golf cart. Many trips were made going from the Pro Shop to concession stands #4 and #13, preparing the brats, delivering sandwiches, beer, ice and supplies. No one can really appreciate what goes on behind the scenes from recruiting volunteers, securing supplies, asking for donations and time working this three-day event. Gwen oversaw this moneymaker and did a super job in helping make the Kapers a successful endeavor for the WGA. Gwen, Janice and Joy deserve a huge thank you for their time and work in overseeing this event. Also, a big thank you to all the concession workers, game workers, sandwich makers, brats servers, donations and volunteers! As a side note, Mother Nature cooperated this year by giving these ladies as well as the golfers an almost perfect three days of spectacular weather.

Members on the Board continue to be asked about the rule for hitting into the water on holes #9, #13 and #16. To keep it simple, just remember 1-2-3. Add a one-stroke penalty for hitting into the water; a one-stroke penalty for taking out of the water and a one-stroke penalty to carry to other side. This is a total of three penalty strokes so you will be hitting stroke four when you drop on the other side. If you choose to hit another ball and it also goes in the water, then add another stroke for hitting in the water again and another stroke for taking out of water again. You will be hitting stroke six when you drop on the other side. If you don’t want to hit the ball at all over the water, you will have the same number of penalty strokes for hitting into the water, taking out of the water, carrying over and dropping. You can also find this rule in our WGA Directory on page 7: WGA-ONLY “CARRY OVER” RULE.

Are you filling in your divots? Are you picking up your broken tees? Let’s all do our best and help Dennis and his crew continue making our course as good as possible.

The combined scramble will be Wednesday, July 3. Meeting and lunch will follow play.

Linda Slater
May/June Winners

5/18, 19 Member/Guest Tournament (see pages 28-29)

5/22 Playday
9-Hole (Straight Scramble): 1st Place Team: June Cloud, Carol Hawkins, Judy McLain.

5/29 Playday – Honor Seniors and Super Seniors
18-Hole - 1st Flight: Gross La Vonne Jucha (92), Net Margaret Dressel (68); 2nd Flight: Gross Cathy Wilson (100), Net Debbie Cochrain (70); 3rd Flight: Gross Corina Nichols (111), Net Shirley O'Dell (77); Seniors: Gross Nancy Bryan (29), Net Margaret Dressel (24); Super Seniors: 1st Flight: Gross Peggy Lewis (37), Net Anita Hughes (25.5); 2nd Flight: Gross Corina Nichols (46), Net Dee Erwin (28.5).

6/5 Combined Scramble (see pictures left)

6/12 Playday
Dear Community,

We wanted to share some of our thoughts concerning the recent legislative session and how it might affect us here in Callisburg. The legislature passed House Bill (HB) 5 and it was signed by the governor to go into effect almost immediately. Some of the major changes in the bill deal with the new testing system. Back in 2011, the legislature changed our testing requirements in grades 3-8 from the TAKS test to the STAAR test. The same grades and subjects are tested with the STAAR test and students in 5th and 8th grade are still required to pass the reading and math portion of the test before moving on to the next grade. The primary difference between the two lies in the type of questions asked on the STAAR test compared to the old TAKS test. If you look at the TAKS test the majority of the questions were written at the comprehension and application level. Does a student understand and can he apply what he has learned? The STAAR test writes the majority of their questions at the application and evaluation level. This requires a student to not only apply their knowledge but to evaluate how to use that knowledge. This is higher order thinking skills and it’s more challenging for our kids. As educators, we believe the higher order thinking skills are necessary for the 21st century but getting all of our kids to this level will require us to change some of the ways we teach. In this legislative session the passing of HB 5 did not change any of the testing requirements in grades 3-8. At the high school level, the TAKS test was replaced with “End of Course Exams.” Under the old TAKS test students in 9th grade took two tests, sophomores took four tests, and juniors took four tests. In order to graduate students had to pass the four tests that were taken at the junior level. Under the new EOC tests students were required to take 15 tests, 5 each year in 9th, 10th, and 11th grade. Students had to meet a minimum score on each test in order to graduate. Just like the STAAR test the new EOC tests were significantly harder than the old TAKS test. As well, the sheer number of tests mean that some students could be retaking as many as 15 tests their junior year of high school. HB 5 has significantly changed this requirement. Under the new law the legislature has cut the number of tests in high school down from 15 to 5. Students will have to take and pass the EOC tests in Algebra I, English I, English II, Biology and U.S. History. In addition, the English I and English II tests were given in two parts, reading and writing, creating 4 tests. Under the new HB 5 the English exams will be combined so that there will be only one English I test and one English II test. These tests will still be challenging but the number of tests is much more manageable. This year was the second year of STAAR/EOC testing and as a district we gained over 200 percentage points in improvement.

HB 5 also added some money back into the education funding formulas. Back in 2011 the legislature significantly cut public school funding by approximately 5.2 billion dollars. For Callisburg, the 5.2 billion dollar cut amounted to about $500,000 this school year. Half a million dollars in a 9 million dollar general operating budget was a significant cut for us to absorb. Under HB 5, this year’s legislature has added about 3.5 billion back into education funding. That’s a great thing but not every school gets back the same amount of money. For Callisburg, in the 2013-14 school year, we are going to see about $160,000 more than we received in

the 2012-13 school year. The addition is appreciated but it is a far cry from the $500,000 that was cut by the 2011 legislature. Even though this year was tight financially it appears we will end the year with a small surplus.

School finance is extremely complicated because it is made up of a conglomerate of different formulas. Students in special programs such as “special education” or “ESL—English as a Second Language” are weighted heavier and generate more funding. These formulas get tweaked during legislative sessions in order to add or subtract money from the system. Because there are so many different things involved in the formulas, funding changes tend to affect each district a little differently. To explain school funding roughly I will use the following analogy. Imagine that each district gets a jar of money for each student enrolled in their district. To fill this jar with money the state relies on a system of state money and local tax money. If a school fills the jar half way full with local tax money, then the state fills the jar to the top with state dollars. If a local district fills the jar ¾ full with local tax dollars then the state fills the jar ¼ full with state money. If a local district overfills the jar with local taxes then the state gets the overflow in the form of a “Robin Hood Payment.” So if your property tax appraisal goes up and you pay more in local taxes the school district does not benefit because the state will take an equal portion away. Be aware, the jar of money schools receive for each child is not necessarily the same size for every school. The difference in size of the jar can amount to several thousands of dollars per jar. The state average size would be around $5300 and Callisburg would be fairly close to that amount. The difference in these amounts has to do with years of legislative changes, loopholes, and hold harmless clauses concerning funding changes. As well, we do not actually get a jar of money for each kid enrolled we get a jar for each kid in average daily attendance. For example, if we have 1200 students enrolled and our attendance rate for the year is 96%, then we would receive funding for 1152 (1200 x 96%) students. If our attendance rate goes up to 97% for the year then we would receive funding for 1164 (1200 x 97%) students. If our attendance rate goes up to 97% for the year then we would receive funding for 1164 (1200 x 97%) students. As you can see, we have to staff for 100% of our students but the state only funds us for the average number that attends. One last point to remember is that our revenue is basically static. Our funding formulas are set by the state, so unless our attendance rate increases or our student population grows our revenue remains flat. For every percentage point increase in our attendance rate we average about $50,000 more in funding. For every student we add to enrollment we generate a little over $5000. Student growth only generates additional revenue if the growth doesn’t require us to hire more staff.

I hope this article sheds a little light on all the news you hear about HB 5 and the legislative changes to education. In spite of the challenges we face in education, our staff, students and community are dedicated to making Callisburg ISD great.

Listed in the above box are some of our accomplishments this school year.

Sincerely,
Steve Clugston, Superintendent
Callisburg ISD
I have been praying for rain and lots of it to fill our lake. Finally we received a decent rain dumping between 3 1/2 to 4 inches of rain overnight. The lake came up significantly. Readings provided by Security now show that we are only approximately 5 to 6 inches below normal pool. This is a welcome relief to what I was reporting last month. So get up and get out there and enjoy our beautiful lake.

For those of you wondering about fishing, the new lake level will definitely change the locations of the fish. The reports I am hearing are that fish have moved into the coves. Bass are biting on top water baits, jigs and crank baits. Soft plastics seem to be a little slow. Crappies have begun moving out to deeper water. We are still catching a few shallow in some locations. Sand Bass should begin schooling up on the surface soon. Hybrid bass are also biting. I have heard reports of some in the three-pound range being caught. These fish are growing fast; we only introduced them into the lake last year.

I spoke to Allen Johnson a few days ago. He was really happy about the nice catfish he has been catching. I promised not to disclose his fishing location.

So here come the 100º days of mid-summer. This means lots of boating and swimming activities around the lake. Keep in mind to watch your distance from your fellow boaters and water enthusiasts. Remember to stay hydrated by drinking plenty of water along with your favorite beverages.

Let’s move on to the May Bass Tournament results. We started with a reasonable late spring morning. Some wind was blowing and as always increased as the day progressed. Twenty-three fishermen started at 5:30 a.m. with every hope of catching a winning stringer. Many of them proved to make a good catch and three made it to the top of the list. Dylan Perry managed a good stringer of 14.66 pounds taking third place at this event. Chris Henry caught his stringer of 15.02 pounds to take second. For some reason I can’t remember the name of the guy who came in first with 15.80 pounds, but everyone says his picture is in the paper quite a lot.

Those of us who fish like to throw an extra five dollars into the mix for big bass cash. One individual being new to Kiowa did not feel he had a chance to win “Big Bass.” Always remember at any moment you may only be one cast away from the lake record fish. I want to recognize Mike Brindle as catching the big bass of the tournament at 5.30 pounds. Thanks, Mike, for deferring to me.

At the time of this publication, our June tournament had not taken place so look for results in the August edition. As a reminder we have 4th

Continued on page 35
Mike Brindle caught the Big Bass on May 18 but he won no prize money. He was not entered in the contest. Always remember that you are just one cast away from the lake record bass.

Continued from page 34 of July boat rides on the schedule. If you have not had the opportunity to see the beautiful homes from the water, we invite you to share a cruise around the lake. We also have our bass tournament on July 20 and hope to see you all there.

If you haven’t seen our Facebook page yet, take the time to visit our site. We have received a positive response from our community with many pictures being shared.

Search Facebook for Lake Kiowa Angler & Conservation Club. Through this media we are able to upload photos, event schedules, publish tournament results and communicate with all. We hope to see your posts and suggestions there. If you would like to submit photographs of your outdoor experiences, send a note or photo to the club via our e-mail account at lkacc4u@yahoo.com. We can then upload your pictures to the Facebook page.

Mike Bitsche

RULES FOR LAKE BLACK BASS RECORD PROGRAM

1. Black Bass must be caught from Lake Kiowa
2. Black Bass must be caught on artificial bait
3. Black Bass must be weighed on official LKACC scales
4. Black Bass must be measured by hard measuring rule
5. Black Bass must be photographed
6. Black Bass must be witnessed by at least one of the established members listed with security
7. Black Bass must be witnessed, released alive in Lake Kiowa or transferred to the ShareLunker Program
8. Each Black Bass must be weighed within each time frame will be given a $100 prize from the LKACC
9. One Black Bass replica shall be awarded for that year’s largest record Black Bass
10. Each replica shall hang on the wall in the 19th-Hole at the Lodge until a new record is established, at which time the defeated replica shall be returned to the owner
11. If the record is not broken each year the latest record shall remain in place until defeated
12. Each year that a new record is not established, the $100 prize shall roll over to the next year. (Example - no new record for 5 years, prize pot would be $500) The cumulative pot shall not exceed $1,000 at any time
13. If the record is broken at any time, the next prize awarded will return to $100

Your Lake Kiowa Board of Directors meets twice every month to deal with your community’s current affairs. Beginning in July, there will no longer be a 7 p.m. LKPOA Board meeting on the third Monday. The two regularly scheduled 6 p.m. meetings will continue on the first and third Monday evenings in the Southwest Room of the Lodge. Questions from the audience and the Treasurer’s Report will be covered at the third Monday’s meeting. Department Managers Reports will not be read as they are covered in the CommuniQue.

All board meetings, with the exception of Executive Sessions, are open meetings; all LKPOA members are welcome and encouraged to attend.

Any resident concerned with the governance of the community should attend these Board Meetings. This will encourage your Board to act in accordance with the desires of the average property owner and help balance their decisions.

Gay O’Dell (Chair), (940) 372-3156, (E-mail: g-dell@sbcglobal.net).

Members: Harold Bosse, Ed Cooke, Don Knox, Jim Mead, Mike Rickwa (ex officio).

**CELEBRATION COMMITTEE:**

Bill Morris (Co-Chair), (940) 440-8345, (E-mail: bankiowa@ntin.net).

Members: Bill Burhans, Maria Resendis, Billy Woods, Randy Schmaltz.

**COMMUNICATION COMMITTEE:**

Marcy Titus (Chair), (940) 668-7676, (E-mail: marcytitus@gmail.com).

Members: Bill Burhans, Carole Clausing, Justin McMurry, Linda Teagarden, Jay Titus.

**ELECTION COMMITTEE:**

Susan Metzler (Chair), (940) 736-3209, (E-mail: mssmetzler@kiowonline.net).

Members: Marion Hoefflein (Election Judge), Reba Chisum, Joanne Dorsch, Carolyn Jacobsen, Mary Ann Johnson, Ann LaRue, Clara Lemming, Margie Nash, Joanne Prestage, Bill Morris (Co-Chair), (940) 372-3156, (E-mail: g-dell@sbcglobal.net).

Members: George Aune, Couples Golf; Margaret Dressel, WGA; John Seefeldt, MGA; Billy Aday; Craig Lamkin; JudyNeal; Dennis Tocquigny, Course Superintendent (ex officio); Brown McCrory, Golf Pro (ex officio); Randy Schmaltz, Community Manager.

**FIREWISE COMMITTEE:**

Sam Moore (Chair), (940) 668-2072, (E-mail: sammoore@sbcglobal.net).

**GOLF COMMITTEE:**

Gary O’Dell (Chair), (940) 372-3156, (E-mail: g-dell@sbcglobal.net).

Members: George Aune, Couples Golf; Margaret Dressel, WGA; John Seefeldt, MGA; Billy Aday; Craig Lamkin; JudyNeal; Dennis Tocquigny, Course Superintendent (ex officio); Brown McCrory, Golf Pro (ex officio); Randy Schmaltz, Community Manager.

**INFORMATION SYSTEMS COMMITTEE:**

Lou Vander Molen, Chair, (940) 612-0603, (E-mail: ljvm@att.net).

Member: Scott Manning, Jay Titus.

**INVESTMENT COMMITTEE:**

Brent Reed (Chair), (940) 612-1502, (E-mail: brentreed55@yahoo.com).

Members: Deke Alexander, Kelley Stewart.

**LAKE & PARKS COMMITTEE:**

Bill Turner (Chair), (940) 387-7669, (E-mail: wfturner@verizon.net).

Members: Randy Andrews, Bill Brantham, Denny Engels, Randy Howell; Wayne Kyle, Mike Merolla, John Schneider, Jason Snuggs.

**Lodge & Tavern Committee:**

Requires at least three members, with board member as chair.

Leslie Tomich (Chair), (940) 284-3372, (E-mail: Leslie.tomich@att.net).

Members: Sharon Clements, Julie Minter, Bill Morris, Jane Outlaw, R.J. Stroup, Jayne Sweet, Katherine Thacker.

**LONG-RANGE PLANNING COMMITTEE:**

Requires at least seven members with staggered terms, with board member as chair.

Craig Lamkin (Chair), (903) 429-9994, (E-mail: pecos@dnmspeed.net).

Members: Gary Cotten, Don Hanratty, Jack Thies. Additional members needed. If you are interested in serving on this committee, please email Kelley Stewart.

**NOMINATING COMMITTEE:**

Membership pending. If you are interested in serving on this committee, please email Kelley Stewart.

**ROAD IMPROVEMENT COMMITTEE:**

Bud Smith (Chair), (940) 284-3940, (Email: budsmith@ntin.net).

Members: Bob Bergbower, Tim Hatfield, Jack Thies, Bob Hughes.

**RULES ENFORCEMENT COMMITTEE:**

Requires at least five members; board members cannot serve on board.

Jim Lewis (Chair), (940) 665-7785, (E-mail: jlewis8585@aol.com).

Members: Tom Blackwell, Monika Botha, Dee Dorman, Don Thacker.

**WAYS & MEANS COMMITTEE:**

Jess Maxwell (Chair), (940) 665-1811, (E-mail: jmaxwell@ntin.net).

Members: Bob Brewton, Bill Richey, Jack Thies, Bill White, Brent Reed - POA Treasurer.
We do not need the calendar to tell us that the summer season is in full swing at Lake Kiowa. The lake, beaches and parks have become busy hubs of excitement and fun for all ages, but especially for the younger set, who are celebrating the start of their summer vacation away from the rigors of the academic year. Memorial Day Weekend has come and gone as have the area high school graduations with their attending parties and celebrations. All events have gone off without a hitch from a Security standpoint, but there is one disturbing trend that has surfaced of late.

During the past two weeks, vandals have damaged two mailboxes on Kiowa Drive East, a garage window on Cocopa Drive West and the veterans’ memorial on the island. Additionally, half a dozen of the American flags distributed by the Rotary Club were taken from front yards and deposited in a ditch, where they were recovered by Security. There is a strong lead in one of the above-mentioned cases and an arrest is expected. Please be observant and report any suspicious activity to the Guardhouse and know that Security personnel continue to strictly enforce the juvenile curfew.

The designated Lake Patrol officers have been vigilant plying the waters of Lake Kiowa to insure safety through compliance with the rules. Twenty-one boating stops have been recorded during this reporting period as have five assists of stranded boaters. One citation was issued for Employee Interference was issued to a member who took vociferous exception to a verbal warning given to him for an expired Lake Kiowa boat registration. Security patrol on terra firma performed eleven traffic stops, responded to six residence alarm activations, investigated reports of three suspicious vehicles and checked out two suspicious persons. Five unlocked doors or gates were found and secured, assistance was rendered to four motorists, a resident welfare check was performed, two illegal signs were taken down and a search was made for a reported trespasser. Unaccompanied guests were confronted on two occasions, an overloaded golf cart was pulled over, a motor vehicle accident was investigated and the operator of a pickup was stopped for littering. Citations were issued for Reckless Driving and for the use of offensive language.

Cooke County Sheriff’s Office deputies responded to Lake Kiowa for a domestic disturbance and assisted Security with a residence alarm and a suspicious person. Animal control officers gave chase to twelve stray dogs, dealt with five varmints and investigated two barking dog complaints. Security patrol provided one non-emergency ambulance escort. Security first responders were dispatched to medical emergencies within Lake Kiowa on eight occasions.

Gary Davidson, Chief of Security

**REPEAT OFFENDER LIST**

If you have received a citation and have questions, all rules can be found on the Lake Kiowa Website. Additionally, you may call Gary Davidson at (940) 665-3221 or Randy Schmaltz at (940) 665-1055. All written notifications will be mailed directly to you as soon as possible. Parents or guardians of minors will be notified immediately if their child has received a citation.

In accordance with Rule 4.2.7.C, the LKPOA is required to post the names and lot numbers of repeat rule offenders. Rule 4.2.7.C states: “Two or more infractions of the same rule, two or more infractions in the same category, or more than one Serious or Major infraction in any combination and regardless of the rule or category within (1) year are considered a repeat offense. In all cases the names of repeat offenders will be printed in the Association newspaper.”

By rule, the following property owners are classified as repeat offenders: Mischa Brown, Lot 938: Rule # 4.3.2.b, Speeding -10/15/12 and 4/22/13 Stella Johnson, Lot 1123: Rule 4.3.1.m, Unauthorized access -11/28/2012; 12/24/12; 3/13/13

Steve Overstreet, Lot 1495: 4.3.1.f,(l), Positive control of pets - 7/5/12; 9/3/12

William Stone, Lot 1081: Rule 4.3.3.a, Use of facilities - 1/18/13; Rule 4.3.1.m, Unauthorized entry - 1/28/13

SECURITY REPORT

Chief of Security

**HOURS FOR THE EAST GATE ON JULY 4**

The East Gate will once again be open and manned between the hours of 10 a.m. and 6 p.m. on July 4. Stickered vehicles, individuals displaying membership or guest cards and guests who have previously received a guest pass at the Front Gate will be admitted. Members wishing to personally escort their guests in may also use the East Gate during this time period, but all unescorted guests must come to the Front Gate to be properly signed in.

**VISITOR AUTHORIZATION NOTIFICATION TO SECURITY FOR JULY 4TH HOLIDAY THROUGH LAKE KIOWA WEB SITE**

LKPOA residents may notify Security of incoming guests for the July 4th holiday by utilizing the e-form on the Lake Kiowa Web site. Access the site, www.lakekiowatx.com, and log in with member I.D. Click on e-forms on the left-hand menu. Select Visitor Authorization Form and fill in the appropriate boxes. Click Submit. You should receive an electronic acknowledgement that your request was submitted.

IMPORTANT: Security accesses the Website to receive e-form notifications at noon and midnight only each day. Be sure you have submitted your visitor notification form in plenty of time before arrival to ensure visitors’ names have been received. As an example, if you have visitors coming to watch fireworks the evening of the 4th, you will need to submit notification before noon July 4.

**JULY 4TH PARADE PARKING**

The July 4th Parade will begin at 10 a.m. Thursday, July 4 and will follow the same route as last year. The parade will form on Modoc Trail, proceed down Navajo Trail to the Lodge and then turn south on Kiowa Drive West. Mohican Trail will again be by-passed in favor of a right-hand turn to the north on San Chez Drive. The entire length of San Chez Drive will be traversed as will that section of Kiowa Drive West between San Chez Drive and the parade terminus at the Lodge.

In the interest of public safety, the following special parking measures will be in place on the streets making up the parade route:

1. Parking on the streets making up the parade route will be limited to the side of the street opposite the placement of mailboxes from 6 until 11 a.m. This essentially means that parking along the Kiowa Drive West portion of the route will be permitted on the right-hand side of the road according to the perspective of one negotiating the parade route. Parking on San Chez Drive will be limited to the left side of the road.
2. Parking will only be permitted in the direction of travel.
3. Parade spectators should remain in driveways or yards, completely off of the road surface at all times.
4. Parade participants throwing candy are asked to line up at the rear as the parade forms up on Modoc Trail.
5. Candy tosses should only be made to spectators remaining in established driveways or yards where the view is unobstructed. At no time should candy be tossed in such a way as to cause spectators to dart onto the road to retrieve the candy.

Gary Davidson, Chief of Security
LAKE KIOWA PROPERTY OWNERS ASSOCIATION

LKPOA MANAGER REPORTS

GOLF COURSE UPDATE

1. In spite of numerous problems that occurred the week prior to the Kapers tournament, I am pleased to report that the golf course maintenance department delivered once again. All reviews of the golf course conditions were positive. I want to recognize my staff and especially my First Assistant, Nathan, for everyone’s dedication and hard work leading up to and continuing throughout the tournament.

2. Either due to a lightning strike or a power surge following the electrical storm on May 31, we lost our control system for the irrigation pumps for three days. The replacement of the VFD component was completed on Monday, June 3.

3. We also received a 3.5-inch rain the evening of June 5, flooding the golf course and creating numerous challenges prior to the tournament.

4. The work on the pole barn is scheduled to begin next week.

5. The greens aerification will occur as scheduled on Monday, June 17.

Dennis J. Toquigny, CGCS
Lake Kiowa Golf Club

LODGE MANAGER REPORT

We were expecting a busy May with all the weddings we had scheduled. Unfortunately, we had two cancel at the last minute. We had Kapers this past week and it went over very good. Everybody was happy and the food and drinks were great. Thank you, John Seefeldt, for working with us and making everything go smoothly!

Thank you,

Amy and the Lodge Staff

PUBLIC WORKS MANAGER REPORT

Rain has continued to help the lake. A total of 4.4 inches has been recorded at the office facility so far this month. The lake elevation has risen to 699.6, which is just below the normal elevation of 700.00. The rain has also made mowing one of the main concerns.

PARKS AND LAKE

There have been additional spot treatments to the chara in the lake. New water and higher levels should help this problem. Cattails are to be sprayed around the association docks to help with the extra growth during the low lake elevation periods.

ROADS AND BRIDGE

The road construction project has begun. Streets affected are Mohawk Cv. E., Shawnee Dr. E., Pontiac Dr. E., the 700 block of Kiowa Dr. E. and Comanche Dr. E. These sections are having the old surface ground and relaid with cement for a new base. New asphalt will then be placed on the surface. We are trying to keep traffic interruptions to a minimum. Care should be taken when driving through the construction zones. Thanks for your time and consideration.

Lake Kiowa 4th of July 2013

July 4th

Lake Kiowa Property Owners Association, 107 Kiowa Dr. S., Lake Kiowa, TX 76240
LAKE KIOWA PROPERTY OWNERS ASSOCIATION
BOARD MEETING
MONDAY MAY 20, 2013
SOUTHWEST ROOM - 6 p.m.

Call to Order - President Kelley Stewart called the meeting to order at 6 p.m. May 20, 2013. All board members were present.

Establish a Quorum - A quorum was established.

Approve Minutes:

a. Craig Lamkin made the motion to approve the minutes for Board Meeting May 6, 2013 as written. Jay Titus seconded the motion. All were in favor with Leslie Tomich abstaining. Motion carried.

b. Brent Reed made the motion to approve the minutes for the Budget Workshop minutes May 10, 2013 as written. Craig Lamkin seconded the motion. All were in favor with Lou Vander Molen and Leslie Tomich abstaining. Motion carried.

c. A discussion about the signs located at various locations around Lake Kiowa, which read “NO VEHICLES BEYOND THIS POINT EXCEPT HANDICAP GOLF Carts.” In order to avoid confusion about who would be eligible to have a handicap sticker and the need to patrol this, Lou Vander Molen made the motion to change the signs to read “NO VEHICLES EXCEPT GOLF Carts.” Craig Lamkin seconded the motion. All were in favor. Motion carried.

d. Randy Schmaltz reported that recommended changes to the proposed budget have been made. Some of the recommended changes were the amount of storage fee for trailers have gone from $10 per month to $15 per month. Also retirement fund for the lodge staff when they become eligible. A motion to approve 2013/2014 budget with the AARRF fund to be discussed later was made by Bill Turner and seconded by Craig Lamkin. All were in favor. Motion carried.

Manager’s Report - Randy Schmaltz:

a. Proposed road repairs are continuing with looking into a fabric mesh, which will be applied to the road surface. This product will extend the life of the road by making the asphalt stronger and withstand use by large trucks. It will most likely be used on Pontiac Drive, which will be completely redone this year. Also he told us that we must be finished with the road work by early October for the asphalt to be applied correctly.

b. Main and East gate toll tag equipment. Mike Storm made a presentation on the toll tag readers. The readers we now have are obsolete because we cannot get the toll tags that attach to our autos. He has researched different companies and found one in Florida named Maxtex. He has installed a reader at the front gate to check and make sure it would work with the reader we now have. With the new reader we will not have to change existing tags. A motion to purchase the new equipment from Maxtex for $6186 using AARRF funds was made by Bill Turner. Seconded by Craig Lamkin. All were in favor. Motion carried.

c. A motion to change the signs to read “NO VEHICLES BEYOND THIS POINT EXCEPT HANDICAP GOLF CARTS.” In order to avoid confusion about who would be eligible to have a handicap sticker and the need to patrol this, Lou Vander Molen made the motion to change the signs to read “NO VEHICLES EXCEPT GOLF CARTS.” Craig Lamkin seconded the motion. All were in favor. Motion carried.

d. A motion to purchase the new equipment from Maxtex for $6186 using AARRF funds was made by Bill Turner. Seconded by Craig Lamkin. All were in favor. Motion carried.

e. President Kelley Stewart called a short recess.

Call to Order: At 7:06 p.m. President Kelley Stewart called the meeting to order.

Pledge of Allegiance - President Kelley Stewart led the Pledge of Allegiance.

Treasurer’s Report - Brent Reed reported that revenues were up for the CommuniQue because of increases in advertising. The Lodge was also better because of a decrease in expenses. Reed went on to say that we were in very good shape with our finances.

Department Report - Randy Schmaltz: A motion was made by Craig Lamkin to waive the reading of the Department Manager’s report because there were only board members present and we had copies of their report. Leslie Tomich seconded the motion. All were in favor. Motion carried.

Question from the Audience - Craig Lamkin inquire about the camera on golf hole #14 being out of order. Randy Schmaltz stated that it was disconnected from the electrical source because it was disrupting the watering system on the golf course. They were going to need to run about 700’ of wire to get it hooked up again. Mr. Lamkin asked if they had checked for a break in the present line. Mr. Schmaltz said they would run a check on it.

Next, Craig Lamkin asked about the fountain on #2 golf hole. The transformer was removed by Cooke County Electric. Brent Reed stated that he would talk with them about getting it put back. A new pump will have to be placed there if they will not put the transformer back.

Reconvene in Regular Meeting 7:10 p.m. Manager’s Report (continued):

a. Randy Schmaltz met with the Gainesville Parks Director about the park project.

LAKE KIOWA Property Owners Association
Editorial Policy

The policy and purpose of this publication is to inform all residents of events and activities within our community, to report on actions and decisions made by our Lake Kiowa Property Owners Association Board of Directors, and to publish the results of those decisions. Information is important for everyone to know that problems are being worked on and remedies are being sought.

The following items will be accepted for publication: Events and information about Kiowa organizations that are open to all residents; events in our surrounding communities when Kiowa residents may be involved in them; and items of a personal nature that reflect on the generous character of our residents or a milestone in their lives. A Letter to the Editor should be less than 350 words in length and will be accepted if it presents a thoughtful and constructive view to an issue that may be controversial within our community. It may be reviewed and verified for factual accuracy by the appropriate authority. The factual clarification will be published along with the letter. The letter should be typed or in legible handwriting, signed by a verifiable resident, and will be published unedited with misspellings indicated when necessary. If handwriting cannot be easily read, it cannot be used. The CommuniQue will not be responsible for misreading a handwritten word. A letter may be refused publication if space is limited. If several letters are received expressing the same view, one may be chosen for publication. Letters containing personal attacks, self-promotion, or advertising will not be published. Letters to the Editor do not necessarily reflect the view of this newspaper or its advertisers.

LAKE KIOWA PROPERTY OWNERS ASSOCIATION

LAKE KIOWA PROPERTY OWNERS ASSOCIATION BOARD MEETING
MONDAY, JUNE 3, 2013
SOUTHWEST ROOM - 6 p.m.

President Kelley Stewart called the meeting to order at 6 p.m. All members were present. A quorum was established.

Approve Minutes:

a. Minutes from May 20, 2013 were approved by a motion from Bill Turner and seconded by Bill Morris. All were in favor. Motion carried.

b. Minutes from the Special Meeting May 28, 2013 were approved by a motion from Brent Reed and seconded by Craig Lamkin. Gary O’Dell and Bill Turner abstained. All were in favor. Motion carried.

James Cukr presented a concern about the lack of safety messages to the Lake Kiowa residents. He stated that people go past stop signs without stopping and are speeding on our roads. He suggested that we have messages put on our front and back gate message boards that have safety tips, and should be changed out after a couple of weeks. President Stewart thanked Mr. Cukr for the input.

Tommy Jackson, Lot #86 124 Noweta, appealed the decision of the Architectural Control Committee, which denied him a permit to build another dock on his property which would be separate from his existing boat dock. The Architectural Control Handbook on p. 11, Docks and Davits item E states the “No more than one dock permitted per lot.” Mr. Jackson explained that his lot has about 500 feet of waterfront property and should be allowed to have separate docks. A motion was made by Brent Reed to uphold the decision of the Architectural Control Committee which denied the permit and was seconded by Leslie Tomich. All were in favor. Motion carried.

Proposed Committee Membership:

a. President Stewart entered the following names for the Election Committee. Susan Metzler, Chairman, Marion Hoeflein, Bill Turner, Reba Chisum, JoAnne Dorsch,Carol Lemminger, Carol Jacobsen, Mary Ann Johnson, Margie Nash, JoAnne Prestage, Ann La Rue. A motion was made by Jay Titus to accept these on this committee, and was seconded by Craig Lamkin. All were in favor. Motion carried.

b. President Stewart placed the name Gary Cotten for the Long Range Planning Committee. Motion to approve by Leslie Tomich and seconded by Craig Lamkin. All were in favor. Motion carried.

Randy Schmaltz talked about the proposed budget and all the changes have been made and all that was left to do was for the Ways and Means Committee to go over the ARRF budget.

John Wolek spoke to the board concerning the 2013/2014 Budget. His concern was about the proposed 5% increase when a 3% surplus was showing in the present budget. He presented an analysis that he made which showed some of the trends. He also made a comparison with the increases in Social Security, USA COLA for 2013 and USA inflation rate for 2013, which were less than the 5% increase in the proposed budget. Brent Reed thanked Mr. Wolek for coming and Mr. Reed explained that by the time the budget came out in July that the surplus he was talking about would most likely evaporate. President Stewart thanked Mr. Wolek for coming.

Bill Turner discussed the possibility of placing a trash dumpster at the front gate for the people who come up on the weekend. They would be able to dispose of their trash before leaving Lake Kiowa after the weekend is over. He told about people putting out their trash on Sunday morning and it being scattered over their yard by Monday morning. This would hopefully reduce this problem. Randy Schmaltz said that they would try this and have a place to put the trash located at the front gate.

The Road Committee submitted a report in February on the condition of our roads from the engineering company Atkins Pavement Management. After looking over the evidence from the Committee, it was decided that we should start with some plan to keep our roads in good condition. We discussed the need to set up a fund that would be earmarked for roads only. This would be an ARRF item, which will require raising the amount contributed to this fund. It was decided to talk with the Ways and Means Committee on how much we should ask for. In the meantime, a motion was made by Lou Vander Molen to increase the ARRF fund by $1 and was seconded by Craig Lamkin. All were in favor. Motion carried.

Manager’s Report:

a. Randy Schmaltz told about the road repairs to be done this summer. As reported in May 6, 2013 Board Meeting, the roads on Pontiac, Shoshone and Mohawk will be redone. The cost of removal will be $27,754 and to repave will be $38,000 per road. Also we will do some work on Kiowa Dr. E. between Sequoya Drive and Kiowa Dr. E. between Comanche and Bowie. A rejuvenator will be applied on about 9 miles of road. The work will be done by Allstate Paving of Irving. Atkins Engineering will oversee the operation.

b. A pole barn needs to be erected at the Golf Maintenance Barn in order to have more parking for equipment under roof. The barn will be erected by volunteers who will do the welding. A motion was made by Leslie Tomich to allow the barn to be built. Bill Morris seconded the motion. All were in favor. Motion carried.

c. The camera on golf course hole #14 has been repaired.

d. Golf course hole #2 Water fountain will need a new pump and will cost $3480. It was decided to wait until July to use the ARRF fund to replace the pump.

e. Driving range has become very rough and is in need to have some work. It has been proposed to spread dirt, which will be taken from the stockpile at the end of the driving range. Then Bermuda grass seed will be scattered over the area. This will be done by Golf Maintenance personnel.

Randy Schmaltz told the board that we lost one of the irrigation controllers that allow access to the system so it will water the golf course. Without this device, you must turn the system on manually. The new controller will cost around $5000.

Short Recess

At 7:59 p.m. Jay Titus made the motion to enter into Executive Session. Leslie Tomich seconded the motion. All were in favor. Motion carried.

At 8:37 p.m. a motion to adjourn the Executive Session was made by Lou Vander Molen and seconded by Leslie Tomich. All were in favor. Motion carried. Legal and Personnel issues were discussed.

At 8:38 p.m. Bill Turner made the motion to adjourn and Bill Morris seconded. All were in favor. Motion carried.

Submitted by,

Gary O’Dell, Secretary
The first order of business was to accept the resignation of Jim Mead from ICVF Board of Directors effective Saturday, June 1, 2013, 10:55 a.m. per email received. A motion was made by Bonnie Woodruff that Ed Tomlin become President. Steve Dumovich seconded. The motion passed unanimously.

A motion was made by Jaqui Osborn-Stewart that Steve Dumovich be elected Vice President. Ed Tomlin seconded. The motion passed unanimously.

First order of business per President Tomlin was that alcohol, tobacco and tobacco-related products would be prohibited at our meetings. All attending agreed to this request.

Approve Minutes: Secretary Stewart submitted the minutes from the May 1, 2013 meeting. A motion to approve was made by Donna Woodruff, seconded by Steve. All were in favor. Motion carried.

Treasurer’s Report: Treasurer Woodruff presented the May, 2013 Monthly Treasurer’s report. Our beginning balance was $82,009.68, with deposits of $10,126.31, expenses totaling $6,901.19, giving us a month-end balance of $85,234.80.

Bonnie also informed Fire Chief Pistor that our gas card has a $6 monthly administration fee and there was a $40 setup fee. Bob was aware that the $40 setup fee would be charged to our account.

Bonnie also pointed out that our $7,016.31 grant from the Texas Forest Service had been received and deposited on May 8, 2013.

Jaqui Osborn-Stewart made a motion to accept the April 10th, 2013 regular board meeting. Steve seconded. All were in favor. Motion carried.

Executive Session. Bonnie seconded. Motion was made to exit out of the Executive Session. Steve seconded. All were in agreement, the motion passed unanimously.

Motion was made by Ed Tomlin to go into Executive Session. Stew Stewart. A quorum was established.

Next Chief Pistor explained concerns from ICVF Board of Directors: Vice President Thies to approve the bid submitted by Prosperity Bank for Depository Services. A motion was made by Vice President Thies to approve the bid submitted by Prosperity Bank. Motion was made by Vice President Thies to approve the winning bid for Depository Services for district funds: A motion was made by Vice President Thies to approve the bid submitted by Prosperity Bank for Depository Services, seconded by Secretary Anselmi and all approved.

Consideration and possible action to approve the winning bid for Request for Proposals (RFP) for Depository Services for district funds: A motion was made by Vice President Thies to approve the bid submitted by Prosperity Bank for Depository Services, seconded by Secretary Anselmi and all approved.

Consideration and possible action to approve the winning bid for the LKPOA to service or maintain water system maintenance and storage tanks. Chief Pistor did not note that there were three additional incidents after his report had been prepared and printed.

Chief Pistor then asked if the Board had details that they could share regarding the former Lake Kiowa Volunteer Fire Department buildings. President Thies made a motion to discuss the terms of a possible future lease. At this time no details are known. The motion passed unanimously.

Another item brought to the Board’s attention was the purchase of parts by the LKPOA to service or maintain the vehicles. Invoices forwarded to ICVF are taxed, they are done without the Fire Chief’s approval and it is difficult to monitor our budget. The Board felt like this would be less of an issue once we were in our own location.

Marty Smith, our ICVF Training Coordinator and EMS Instructor, will begin to assume responsibilities that formerly had been done by Randy Schmaltz as updating our FRO lists. Chief Pistor informed the Board that we have two individuals who still need to take their tests.

Other Business: The Board agreed to delay a discussion on Emergency Service Districts.

The next meeting will be Wednesday, July 10, 2013 at 7 p.m. at the Lodge. Treasurer Bonnie Woodruff made a motion to adjourn the meeting, Steve seconded. All were in agreement, the motion passed unanimously. The meeting was adjourned at 8:55 p.m. Respectfully submitted Jaqui Osborn-Stewart Secretary

## Small-Job Specialist

I have 40 years experience in every facet, every aspect of constructing, repairing, restoring and remodeling a home. Working on the very same homes in Highland Park for 25+ years has provided me with insights into what procedures and which materials work best. I now work alone (and I really do not care for the commute), so small projects are preferred. Call me if I can be of assistance to you.

Texas Hold’em Poker

It has been an exciting month at poker. We’ve celebrated Dorothy Baskett’s birthday with not one, but two delicious birthday cakes. Yes, we like to share birthday cake at our poker games. It was fun to see Dorothy back playing with her sparkly crown and inflatable cane. We’ve also had some great poker hands during the month. Diane Waldon had four Aces. ‘River’ Roger Hereema caught four Five’s, on the river of course. Bill Thompson had four Queens, and lastly, Tom Brannon had a straight flush!

The Spirit of Poker prize this month goes to D Noble for highlighting why Texas Hold ‘em poker is so much fun. Down to a few chips early on in the game, he persevered, going all in at least six times and he went on to win the tournament that evening. One of the life skills poker teaches is never to give up, to keep fighting, even when the odds are against you.

Every month we play for points. Last month’s winners were first place - Jim Mead with 985.5 points, second - Brant Buck with 867 points and third - B.R. Clements with 832 points. In addition there is a Championship Game. This is held on the last Friday of the month. Winners for April were in first place - John Springer and Paul Liscom in second place. The Lodge generously donates a token of its appreciation to both the points’ leaders and monthly winners each month.

If you are looking for a free, sociable activity, then come join us for Texas Hold’em at the Lodge every Wednesday and Friday evening. Sign-up is at 6:45 p.m. and the game starts around 7 p.m. You will often find a number of us enjoying food beforehand in the 19th Hole. We always look forward to seeing our old friends, and welcoming new friends, at every poker game.

Jennifer Mason
Poker Player

Diane Waldon not only got four of a kind.... she got FOUR ACES!

D Noble won the SPIRIT OF POKER prize for May.

John Springer and Paul Liscom were the first- and second-place winners for the month of April.

Residents and their guests enjoyed the Kapers dinner
