I am pleased to announce that the lawsuit between Lake Kiowa Volunteer Fire Department and the Lake Kiowa Property Owners Association is formally resolved.

In October 2012, the Lake Kiowa Volunteer Fire Department filed a lawsuit against the Lake Kiowa Property Owners Association claiming breach of contract and business interference and against Lake Kiowa Property Owners Association and Randy Schmaltz claiming libel and slander. LKPOA filed a counterclaim against the LKVFD to void the permanent ingress/egress easement that was signed by Scott Campbell in 2005.

Last month, the LKPOA and LKVFD reached an agreement that included the Lake Kiowa Property Owners Association’s purchase of the Lake Kiowa Volunteer Fire Department property at Lake Kiowa for $155,000. Both Parties agreed to a Take Nothing Judgment on all claims and causes and, also, agreed to a mutual permanent injunction preventing either Party from making libelous or slanderous statements about the other Party, or its Board of Directors, Randy Schmaltz or Joe Rider. The Final Orders, signed by Judge Haverkamp on June 25 and 27, disposes of all issues between the Parties.

LKOAP-LKVFD LAWSUIT STATEMENT

FOURTH OF JULY CELEBRATION FUN FOR ALL!

The annual Independence Day celebration at Lake Kiowa brought a large crowd for the festivities. Daylong family celebrations were held throughout the community, but special activities centered on the Lodge were a rousing success. Many community organizations such as the Angler & Conservation Club, Kiwanis, Kiowa Woman’s Club, Computer Club, Chapel Choir, The Kiowans Organization, Indian Creek Volunteer Fire Department (augmented by representatives and vehicles from Oak Ridge, North Shore and the ICVF Auxiliary) contributed to making the event a huge success. The parade was bigger and better than ever, proving that the patriotic spirit is alive and well at Lake Kiowa. The celebration closed with a tremendous fireworks display that many observers called perhaps the best ever.

The committee responsible for the festivities was made up of people from the organizations involved and many others who just volunteered their time to make sure that our community celebrated our country’s 237th birthday in grand style. See celebration pictures throughout this issue.

We can’t begin to thank everyone who volunteered time, money and effort to this cause, but we know who you are and the community surely knows that we have a wealth of energy and talent available just waiting to be put to use.

So, hats off to all of us for our strong community spirit!
FRIENDS OF THE LODGE UPDATE

The first Friends of the Lodge (FOL) Family Movie Night was held June 22 at the Lodge. The ten children, their parents and grandparents who attended enjoyed the door prizes, popcorn and the movie “Toy Story 3.”

The FOL events on the 4th of July were a great success! Having Bobby Krahn, Randy Howell, John Springer, Bob Smith and especially Marvin Crew in the Dunking Booth made for good fun and good profits. The winner of the 50/50 raffle was Jim Cicon whose payout was $202.

Please save the date Aug. 17 for the next FOL dance at the Lodge. You can come and enjoy dinner beforehand or have a libation at the 19th Hole while enjoying the fresh popcorn provided by the FOL or sitting at the newly renovated bar enjoying the beautiful lights, also provided by the FOL. The music will be provided by DJ Mike Neal who will entertain us with a night full of great music. Be sure to submit your request to Mike to play your special song. Hope to see y’all at the dance.

Another save the date is Saturday, Oct. 26 for the FOL Annual Chili Cook-Off. More information will be coming in the next couple of months.

ANNUAL CHILI COOK-OFF AND DANCE

FRIENDS OF THE LODGE

Awaiting Family Movie Night activities to begin.

Marvin Crew anticipates being dunked at the July 4th Celebration.
Hello Kiowans!
I hope everyone is having a great summer. It’s hard to believe that we are already in August and just five months away from December.

The 4th of July Celebration had a number of changes this year. I hope everyone enjoyed the event and appreciated all the hard work the volunteers put in so the rest of us could enjoy the day with our family and friends. The weather cooperated, and the mix of new attractions and old favorites along with good food and music set the tone for another enjoyable day at the lake.

With summer in full swing and the occasional summer shower that has helped keep the temperatures below the century mark, it’s not surprising that we have had an increase in the number of mosquitoes that join in on our summer fun. Of course, along with the mosquitoes comes the threat of being bitten by a mosquito infected with West Nile virus. We have been working with the Cooke County Emergency Management Coordinator and the Texas Department of State Health Services in collecting and testing mosquitoes for West Nile virus. I am happy to say that since we began collecting samples back in May, all the samples submitted to the State for analysis have tested negative for the virus. Nonetheless, there could still be that one mosquito out there that is infected with the virus so please continue to use caution when going out early in the morning or in the early evening when mosquitoes are most active.

In the July issue of the CommuniQuè we informed the readers that the LKPOA was starting a new program providing residents leaving the lake prior to Sunday a place to deposit their household garbage at a receptacle located at the front gate. Unfortunately, a small number of residents has taken the opportunity to use the trash receptacle as a depository for construction materials, tires and even Christmas decorations.

What started out as a program with good intentions to some has become an extension of the spring and fall cleanups where anything and everything has been left for someone else to clean up. On one weekend alone, 1,35 tons of trash were dropped off at the front gate. And, seeing that the packer was full, residents just left bags of trash and debris in front of and behind it creating an eyesore for everyone leaving the lake as well as a safety issue for security vehicles parked in the same area.

To reiterate, this trash receptacle is for residents who are leaving the area prior to Sunday morning and only for general household debris. After that, according to Rule 4.3.4.g, trash and refuse can be placed at the side street. Further misuse may cause Board members to reconsider supporting this program.

July actually kicked off the new fiscal year for the LKPOA. I am very happy to report that we finished FY2012-2013 under budget and within 1% of the Board-approved budgeted expense amount of $3,780,825. Association managers Sherry Brummett, Don Hoover, Gary Davidson, Amy Mohan and Dennis Tocquigny should be commended for their efforts in managing their department’s expenses while continuing to meet the expectations of the property owners and residents of Lake Kiowa.

That’s all for now. If you have any questions or comments, please feel free to call (940) 665-1055 or e-mail communitymanager@lkpoa.org.

Dear Friends at Lake Kiowa,

We are so lucky to live in such a loving and caring community. The last three months your prayers, cards and visits were a true blessing.

Lake Kiowa is a wonderful place to live. I know God looks down on each of you every day with a smile. Thanks again for your friendship.

Jennie Hall

Lake Kiowa,

We at Flambeaux Fireworks would like to thank the Lake Kiowa community and its event facilitators for allowing us to put on your July 4 fireworks show this year. The safety and success of the show is a credit to Lake Kiowa’s professionalism and attention to detail, as well as the courteous and safety conscious mentality of your staff members and residents.

It was an absolute pleasure working with you. We hope that everyone enjoyed the show and we look forward to providing your fireworks shows in the future!

Thank you,

George Eaton

KIOWA LADIES—
THE CLOTHES CLOSET NEEDS YOUR HELP!

We are nearing the new school year and are in need of a few volunteers to join the work groups for the clothes closets at the elementary school at Woodbine and the high school at Callisburg.

As a rule, we work one morning a month per location. We usually start around 9:30 or 10 a.m. and work til noon. We go through the donations and identify and hang all useable items. We are a fun group and a pure joy to work with! How could you resist us!!

Give me a call at (940) 665-8263 and work a session with us to see if you’d like to join our group.

Jackie Gary

Olde Recipe

Somewhere in our trips and travels we happened upon a 1923 cookbook from Ames, Iowa. Ames at that time had a population of 8,000 and covered 4-1/2 sq. miles. Facts about the city included “That the recipes in this book are best when cooked by electricity.” I would guess a lot of folks still had wood stoves at that time.

Following is a recipe from this book:

GERMAN CABBAGE

(Provided by Cora B. Hoke)

Cut cabbage fine, put on to stew with very little water and 2 T. meat fryings. When done if any juice is left, drain and add the following mixture:

- 1 egg
- 1/2 c. sugar
- 1/2 c sour cream
- 1/4 c. vinegar
- Salt to taste.

Boil a few minutes and serve.

STAGE 2 Water Restrictions
In Effect - ORANGE (Summer) Mandatory Water Use Restrictions:

Automatically goes into effect June 1 of each year and ends on September 30 of each year.

Water Use Restrictions. Under threat of penalty for violation, the following water use restrictions shall apply to all persons:

(a) Irrigation of landscaped areas with hose-end sprinklers or automatic irrigation systems shall be limited to Tuesday, Thursday, and Saturday for customers with a street address ending in an even number (0, 2, 4, 6 or 8), and, Wednesday, Friday, and Sunday for customers with a street address ending in an odd number (1, 3, 5, 7 or 9), and there shall be NO unattended outside watering between the hours of 10 a.m. and 6 p.m.

** You may water only on two of the allowed days.

(b) There is to be NO unattended outside watering on MONDAYS!!

(c) Use of water to wash any motor vehicle, motorbike, boat, trailer, or other vehicle is allowed on designated watering days. Such washing shall be done with a hand-held bucket or a hand-held hose equipped with a positive shutoff nozzle for quick rinses.

(d) Use of water to fill, refill, or add to any indoor or outdoor swimming pools, wading pools, or Jacuzzi-type pools is allowed on designated watering days.

(e) All restaurants are prohibited from serving water to patrons except upon request of the patron.

(f) The following uses of water are defined as non-essential and are prohibited, except when an emergency condition exists:

1. Wash down of any sidewalks, walkways, driveways, parking lots, tennis courts, or other hard-surfaced areas.
2. Failure to repair a controllable leak(s) within a reasonable period after having been given notice directing the repair of such leak(s).
3. Use of water to wash down buildings or structures.
4. Flushing gutters.

Use Restrictions:

Deep, infrequent watering is best for established lawns and trees. The goal is to saturate the top six inches of the soil once per week.

Once per week during most of the year is an adequate watering frequency. In the hottest parts of the summer, you may need to water two times at most per week. But, be sure to follow your local watering restrictions.

Early morning, between 2 a.m. and 10 a.m. or evenings from 6 p.m. and 11 p.m. are the best times to water your landscape.

How To Evaluate How Long To Water:

Set out five or six open-top low profile cans randomly on the lawn (tuna and cat food cans work best, because they have short sides). Turn the sprinkler head or system on for 30 minutes. Measure and record the depth of water caught in each individual can. Calculate the average depth of water from all of the cans in 30 minutes. (Add each amount together, then divide by the number of cans.)

Use a garden spade to determine how deep the soil was wet during the 30-minute watering. Measure the depth of the wet soil. When you know how much water was applied in a 30-minute cycle and how deep that volume of water wet the soil, it is easy to determine how long the sprinkler head must run to adequately wet the soil to a depth of 6 inches.

Example: The system put out ½ inch of water in 30 minutes, wetting the soil to a depth of 3 inches. Therefore, 1 inch of water will need to be applied to wet the soil to a depth of 6 inches giving a run time of 1 hour.

3” wet soil = ½” of water = 30 minutes
6” wet soil = 1” of water = 1 hour

If you find you’re getting run-off before you saturate to 6 inches, you can split the cycle up into two sessions, with a break in between.

If you are having problems with your irrigation system resetting itself during electrical service disruptions, you might think about purchasing a battery backup (UPS) system akin to the kind used on computer systems. They are relatively affordable and can keep the timer from resetting.

If you are having problems with your pressure, you might consider watering during the evening period or when your neighbor(s) are not watering.

You might also raise the height of your mower blades to three inches to increase the canopy effect on the grass to help it cool itself to hold the moisture for a longer period of time.

Dr. Burlingame and his associates,
Dr. Plauché & Dr. Bossen, welcome new patients.
Thanks to all the wonderful participants in the July 4th celebration, the Kiwanis Club of Lake Kiowa had its best year ever. Recycled cans returned to the bins provided near the drink tables were filled several times. When turned in along with the cans you so kindly recycle at the two locations within Lake Kiowa provided by the Kiwanis Club, these could provide another computer for the Callisburg Elementary School.

Special thanks go out to sponsors Wade Jones with U.S. Foods and also to Herky Biffle of Select Energy for the drinks we sold at the celebration.

FROM CANS TO COMPUTERS....

Please mark your calendar for the Kiwanis Club’s Annual BBQ/Picnic on Monday, Sept. 9 from 5 to 7 p.m. Your participation will allow us to continue our obligation to provide assistance to our adopted school. Proceeds from these fundraisers go directly into our “Needy Kids” Fund with no administrative costs. The club also provides Thanksgiving dinners and children’s Christmas gifts as well as holiday food from this fund.

We could always use help from this great giving community and invite you to join us in our worthwhile endeavors.

TOO KIOWA... from the Lake Kiowa Kiwanis Club and an anonymous donor

More PARAPROSDOKIANS...
- I asked God for a bike, but I know God doesn’t work that way. So I stole a bike and asked for forgiveness.
- I want to die peacefully in my sleep, like my grandfather. Not screaming and yelling like the passengers in his car.
- How is it that one careless match can start a forest fire, but it takes a whole box to start a campfire?

THOUGHTS TO PONDER
- Why do banks leave vault doors open and then chain the pens to the counters?
- Why do supermarkets make the sick walk all the way to the back of the store to get their prescriptions while healthy people can buy cigarettes at the front?
- Why do people order double cheeseburgers, large fries, and a diet Coke?

FIVE KEYBOARD SHORTCUTS EVERYONE SHOULD KNOW

Q. I absolutely loved your tip on essential keyboard shortcuts, Kim. I’ve been using them and it seriously speeds up my computer use. Thanks! However, you said there are “dozens” of keyboard shortcuts. I was wondering what those were. Could you tell me a few more that are useful?

-Walter, from Richfield, UT, listens to my national radio show on KSVC 980 AM.

A. Keyboard shortcuts can be very addictive, Walter! It makes sense that you want to learn more. And I’ve got plenty more to tell you. Now that you’ve aced keyboard shortcuts 101, get ready for the next level of your keyboard shortcut education!

Let’s get on with shortcut show! Oh, and for Mac users, CMD stands for the Command/Apple key.

Select All (PC: CTRL + A) (Mac: CMD + A)

So you know you can copy (CTRL+C) and paste (CTRL+V) without your mouse. Did you know you can select text without your mouse, as well?

Just tap CTRL + A to highlight an entire block of text. From there, you can cut, copy and paste it to your heart’s content. You can copy the text from entire webpages or documents for easy sharing.

This secret is good if you need to change the formatting on lots of text at once. Just tap CTRL + A and then choose the new font, font size or color you want.

Change programs (PC: ALT + TAB) (Mac: CMD + TAB)

It seems like the CTRL key has most of the fun when it comes to keyboard shortcuts. Your ALT key can be just as much of a time-saver. In this case, it can take you from one program to another in seconds.

When you hit it, you’ll see an animated menu of your open programs. Hold down the ALT key and keep pressing TAB to move through the programs. You can move through them with your arrow keys, as well.

Once you land on the program you want, just release the ALT key. You’ll immediately switch to the new program window. You can jump between several programs at once without touching your mouse.

Bonus shortcut: Hold down the SHIFT key along with the ALT key and tap TAB to move through programs in the opposite direction.

Close files (PC: CTRL + F4) (Mac: CMD + Q)

The function keys are the F keys at the top of your keyboard. It’s easy to forget they’re there. However, when combined with ALT, CTRL and other keys, they can do so much! When it comes to mouse-free surfing, the F4 key is really your friend.

When you hit CTRL + F4, it closes the document you’re working on. If you want to close a Word document but not Word itself, for example, just hit CTRL + F4.

Bonus shortcut: If you’re done with a program entirely, hit ALT + F4 to close it. If you aren’t using any programs, hitting ALT + F4 takes you to your computer’s shutdown menu.

Close and reopen a browser tab

The function keys are the F keys at the top of your keyboard. It’s easy to go a little overboard with this trick, though. If you happen to close something you were still working on, just hit CTRL + SHIPT + T. It will bring the last tab you closed.

This tip works in Internet Explorer, Firefox, Chrome and most other browsers. In Safari, hit the CMD + W to close and the CMD + Z to bring it back.

If you’re stuck typing slowly on your gadget’s touch screen, I can help. Use these tips to type faster on your Smartphone.

Indian Creek Volunteer Fire Department Auxiliary

It has been a hot and busy summer for the ICVFD Auxiliary. Since January 2013, your Auxiliary has donated $4337 to the ICVFD! We opened up the SHABBY CHIC Resale Shop in June and, with our first month’s purchases, donated $2250 to the fire department for fifteen pair of Wildland boots! Auxiliary Board member Dorothy Baskett presented Fire Chief Bob Pistor with the donation check in early July.

We are working hard collecting your donated items and storing them for resale at the SHABBY CHIC. The shop is open on the first Friday and Saturday of each month at Kiowa Plaza storage unit #80. In August, SHABBY CHIC will be open Aug. 2 and 3. In an attempt to beat the heat, we have shortened the hours. We will be open from 8:30 a.m. to 2 p.m.

We must thank our men volunteers who have been so great helping with SHABBY CHIC. A big thanks must go to Lou Vander Molen, Walter Schmidt, Chris Portesi, Mark Bitsche, George Chapman, Jim Nehib, Tom Brannan, Jim Marfice, Butch Ross and Lloyd Marshall. They have been helping us pick up items, moving them from one unit to another, preparing and opening SHABBY CHIC.

At the risk of forgetting someone, we're going to attempt to thank the ladies also: Linda Seal, Kristin Molsbee, Maureen Anselmi, Phyllis Willis, Clara Lemming, Sharon Chapman, Patty Fritz, Alice McDonald, Jane Outlaw, Nancy Jones, Marcy Titus, Daphne Kehrli, Nasha Craddock, Charolette Loncar, Dorothy Basket, Gayla Robles, Gail Buchanan, Jan Thies, Kathie Milburn, Chris Bost, Barbara McCain, Jane Kirkpatrick, Theresa Stoffer, Sharon Clements, Leslie Tomich, Donna Marfice, Jo Brannan, Kathy Reed, Melva Akins, Judy Nehib, Linda Marshall and Cathy Cecil.

Donate what you don't want and buy what you need at SHABBY CHIC! Please contact Melva Akins at (940) 745-1455 or Jo Brannan at (940) 395-3405 to make a donation of furniture, clean goods or appliances.

The Fire Department will soon be moving to their new building on 550 Kiowa Dr. W., the area that formerly housed the previous fire department. The Auxiliary has been busy collecting what our fire department needs for use there. So far, we have supplied bunk beds, recliners, two desks, a microwave, a washer and dryer; we will continue to donate what they need as we receive usable items.

The Auxiliary Board of Directors has been busy amending its bylaws to ensure continuity of the Auxiliary board. We also wanted to clarify a few items in our bylaws. This is a tedious process that must be done, but we have almost completed the revisions. Once these revisions are complete, they will be brought before the membership at a subsequent general meeting for examination and for a vote the following month. The current bylaws and the proposed changes will both be available to read so every member will understand why the changes were made.

Bingo is still in the works and is getting closer and closer to happening. Your Auxiliary has thirteen registered Bingo workers, we have the Bingo equipment reserved, we have money earmarked for the Bingo equipment, we have a place to conduct Bingo and the patrons who love Bingo. We hope to be able to work with another fire department to be able to conduct Bingo here at Lake Kiowa. We will keep you informed each month. Don’t give up hope!

At the Fourth of July Celebration, the Auxiliary had a SHABBY CHIC booth, signed up new members and also sold Kiowa shirts. We were very busy as were the firefighters from the Indian Creek, Oak Ridge and North Shore Volunteer Fire Departments. They cooked the hamburgers and hot dogs as a team here for the first time. I’m not sure if you got a hamburger, but they were great! Thanks, guys, for braving the heat and cooking for the masses! The guys from all three fire departments are a great group of men that put their lives on the line every day. Next time you see a firefighter, tell him how much you appreciate what he does. In addition, please thank the Auxiliary volunteers that keep the money-making events going so that we can continue to support our fire department.

ICVFD firefighter Chris Portesi grills hamburgers and hot dogs at the July 4th Celebration.

This was my first July 4th Celebration at Lake Kiowa and the turnout was amazing. We made some mistakes with the cooking of the food and we will not make those mistakes again. Special thanks to North Shore and Oak Ridge Fire Departments for their help.

The Indian Creek Auxiliary donated a check for $2250 to purchase Wildland fire boots for all the volunteers. We do appreciate that very much since walking in the woods in structural fire boots (bunker boots) is neither fun nor safe.

We are purchasing four new SCBA bottles ($2641.12 total); these are the air bottles firefighters carry on their backs into fires. They are air bottles, not oxygen. This will bring us up to seven spare bottles. We are purchasing twelve SCBA bottle thread caps. These protect the bottle threads when the bottles are not mounted on an air pack ($42.84). Also, we bought SSCBA air mask bags that protect the masks when they are stored in the trucks ($76.10). We also are purchasing eight fifty-foot sections of 1.7-inch hose ($788) that are the hand lines we use to fight fires. We currently do not have any spare hose and this will permit us to put clean dry hose back on the truck. The last item we are purchasing is two 25-foot sections of 3-inch hose used to fill the tanks on the trucks from a hydrant ($173). This equipment purchase totals $3721.06.

We responded to twenty-six calls for service between June 14 and July 14: fire – five; rescue and emergency medical service – fourteen; hazardous conditions – one; service call – one; good intent call – four; false alarm and false call – one. The total estimated loss is $800. Eleven of the calls were inside and fifteen calls were outside the Lake Kiowa gates.

The Lake Kiowa Chapel would like to welcome everyone at Lake Kiowa to services on Sunday morning. These services are held in the Assembly Room of the Lodge from 8 to 8:30 a.m. Rev. John Hare and Rev. J. Ray Smith are the pastors delivering their messages on alternate Sunday mornings.

Rev. Smith will continue his “Marks of a Christian” series on Aug. 4 with his message entitled “Sweetness” with text from Romans 12:14.

Rev. Hare’s message on Aug. 11 will be “Ant Rafts” with text from Ephesians 4:1-16.

“Empathy” is the title of Rev. Smith’s message on Aug. 18 with text from Romans 12:15.

The title of Rev. Hare’s message on Aug. 25 will be “Practice Makes Perfect” with text from Ephesians 4:25-35.

Chapel Choir has been on a summer break but will begin practicing again on Monday mornings in the Lodge at 8 a.m. beginning Aug. 19. This would be a good time to join the choir as they begin for the next season. They welcome anyone that enjoys singing to join them and add to the joyful noise on the third Sunday of each month.

VISTO is the recipient of food contributed to the box in the entry to the Lodge. All packaged groceries are appreciated, but VISTO will make very good use of monetary donations as well. Buddy pack items for the many children who do not have a supportive home environment, i.e. weekends, are also greatly needed. You may sponsor a child for the school year for $125 and this child will receive a backpack of nourishment every weekend. A dollar spent by VISTO goes much further than your individual grocery dollars, so consider a check made out to VISTO and sent to P.O. Box 607, Gainesville, TX 76241-0607.

The Lake Kiowa Chapel meets every Sunday morning from 8 to 8:30 a.m. in the Lodge. This is an interdenominational service that may precede your regular church service or a round of golf. Casual dress is always welcome. Please come and share this time with your friends and neighbors on Sunday morning at 8 a.m.

Carole Clausing

Rev. J. Ray Smith (L) alternates delivering the Sunday sermon with Rev. John Hare.
Inspirational Events

SMALL GROUP BIBLE STUDIES FOR EVERYONE!!!

Bible studies are open to women of Lake Kiowa. It would be great to have small groups of four or five ladies in a neighborhood to meet for an hour once a week. Below are suggested topics. The small groups will choose the study best for them. Bible studies also can be set up for couples if desired.

Stonecroft Ministries Bible Studies;
Aware Series - Aware (five lessons making Jesus known every day), Belong (six lessons learning to follow Jesus’ footsteps), Call (seven lessons to let others know about Christ); Newly Revised Stonecroft Bible Studies - Living in God’s Will; Following Jesus with Luke; Christ in the Psalms; Introductory Studies - Who is Jesus (six lessons); Who is the Holy Spirit (six lessons); Connecting with God (eight lessons); Why Believe (four lessons); Know the Truth (Romans, five lessons); Mark (twelve lessons); Studies for Growing Christians - Colossians (eight lessons); I John (ten lessons); Genesis I (twelve lessons); Genesis II (fourteen lessons); Genesis III (nine lessons); James (eight lessons); Philippians (ten lessons); For Young working women - What’s Brewing? (five lessons about being caught in the daily grind); Ten Smart things women can do to build a better life (ten chapters); Moving from Fear to Freedom (move beyond fear of rejection, change, and inadequacy to the freedom found in Jesus Christ) (ten chapters).

If interested in attending, please contact me at (940) 612-0188 or Judy Beard 940-736-5665.

Kerlene Ross

KIOWA KIDS’ BIBLE CLUB

The Kiowa Kids’ Bible Club experienced another great success! Day One - 17 Kiddos and Day Two - 16 Kiddos attended. Both days we had fun exploring the “Good News” that God has an AWESOME GIFT for us - the gift of ETERNAL LIFE, which is to know the one and only true God and to know his Son, the Christ, who he sent.

Both days were filled with lots of action and fun. The bounce house, water balloons, and Popsicles were a big hit. A big thank you goes out to Dottie Heerema, Amy Baker and Judy Beard for helping and to Kelli Odom for coming all the way from Ohio to share the “Good News.”

The July Quilt Bee met in the Lodge on Monday, July 1. There were about 30 ladies attending with two visiting for the first time. Joanne Moreau is a part-timer at Lake Kiowa and was interested to see just what we were all about. Eileen Ritter, Karen Ritter’s mother, also visited us from the Dallas area. She even had a beautiful quilt that she made to share with the Bee.

Our leader, Sharon Catlett, was back and shared news with us about our various members that have medical concerns and updated us on their conditions.

Sharon also updated us on the Gainesville Common Threads Guild and the TAQG Web page and activities. We were reminded of the scheduled sew day on Tuesday, July 16 at the Lodge. Quilters were encouraged to bring any project with them to work on that day.

Tuesday, July 16, was a good day with several members spending the day or part of the day to work on their projects. Sew days are a good time to share tips and challenges or ask advice from fellow quilters.

The next “Sew Day” has not been scheduled, but watch this page and mark your personal calendar when it is. It is always on the Lake Kiowa calendar in the CommuniQue. We plan to encourage all ladies with various needlework projects to join us and share the day.

Paula Brinson demonstrated a method for sewing a 7-hour quilt using her serger. Thank you, Paula!

There were several members with quilts to display and share.

The next Quilt Bee will meet Aug. 5 at 7 p.m. in the Lodge.

The North Central Texas Chorale is looking to add more singers for the 2013 fall season. The Chorale is a community-based chorus that has been in existence for over 37 years and has presented quality music in Texas, New York, and abroad.

This fall Dr. Mike Linder will be back as our Director. Dr. Linder retired from North Central Texas College in 2011, where he was Director of Choral Activities and Professor of Voice and also served as Coordinator for the Music Department. He has conducted choirs around the world including performances in England, Ireland, Scotland, France, Germany, Austria, Italy, and the Czech Republic. He conducted the Texas Festival Chorus in a performance of the Beethoven Mass in C Major in Carnegie Hall and the InterSchool Orchestra of New York City in 2004. Linder holds the MME from Midwestern State University and the Doctor of Musical Arts degree from Southwestern Baptist Seminary.

Our accompanist will be Marilyn Thompson. She is active in classical and sacred music today. She has performed within the United States as accompanist for international operatic baritone Robert McFarland. Upon completion of her Bachelor’s degree from Azusa Pacific University in Southern California, Marilyn expanded her musical education by receiving Associate and Licentiate Degrees in teaching and a Fellowship Diploma in Piano Performance from Trinity College of Music, London. Much of Marilyn’s life has been spent as a church musician accompanying and organizing special musical productions.

The Chorale had a very successful spring season featuring Pop and Jazz music. For the fall season we will feature something new and something old. The John Rutter Requiem was written in 1985. It is a very contemporary musical version of the Requiem Mass. The Joseph Haydn Little Organ Mass was written in 1775. It has a beautiful organ solo in the Benedictus. The main concert will be in November. Then the Chorale will join forces with the First Presbyterian Church, Denton choir to present a Christmas program. We will present this special concert in both Denton and Gainesville.

Although a majority of Chorale members are from Gainesville, many other cities including Denton, Decatur, Pilot Point, Muenster, and St. Jo have been represented. There is no audition required to sing with the Chorale. We do ask that singers have experience singing in choirs. The ability to read music and sing on pitch is also very important.

Rehearsals are on Tuesdays from 7 till 8:30 p.m. in the Choir Room at the First State Bank Center for the Performing Arts. This building is on the NCTC campus in Gainesville. Rehearsals will begin Aug. 27.

We look forward to adding more singers. If you have any questions, please contact me at (940) 387-1886.

Respectfully submitted,

Phil Schenk
Message from the President

With August just around the corner, our new Board and Committee Chairs have gotten the Kiowa Woman’s Club 2013–2014 year all planned. From the previews, I have seen you are in for a very fun and exciting year. The yearbook is almost ready to go to print but, until you receive your new copy at the September General Meeting, look at the KWC Web site. Every department schedule and special events are now on the site. Armed with this information, you can mark your calendar for all the activities you wish to attend. There will also be monthly articles from the department chairs in the CommuniQue. You now have the opportunity to plan your year, the year celebrating the 40th Anniversary of the KWC.

I must give out kudos to everyone who helped at the 4th of July Celebration. First, THANK YOU to the ladies who brought the most delicious looking and tasting baked goods for our annual cakewalk. You made our day a success. To all the volunteers who worked on the 3rd and 4th of July, THANK YOU! Last, but definitely not least, to all the families and guests who participated in the KWC Cakewalk, THANK YOU! Without your generous contributions, we would not be able to have the programs our members enjoy all year. See you on Sept. 12 when we begin our celebration of “40 YEARS OF FRIENDSHIP.”

Sharon Clements  
KWC President

New Kiowa Woman’s Club President Sharon Clements muffles her laughter during the official IN/OUT luncheon she hosted for incoming and outgoing officers. With her are (L-R): Rita Langley, 2nd Vice President; Sharon Clements, President; Norma Desilets, 1st Vice President; Anita House, Corresponding Secretary; Dany Ford, Treasurer; Sharon Wolek, Parliamentarian. Seated: Lori Brindle, Recording Secretary; and Judith Kulp, Historian.

KWC officers for 2013-14 prepare for the year of “Forty Years of Friendship” honoring the 40th anniversary of the Lake Kiowa Woman’s Club. Standing are (L-R): Rita Langley, 2nd Vice President; Sharon Clements, President; Norma Desilets, 1st Vice President; Anita House, Corresponding Secretary; Dany Ford, Treasurer; Sharon Wolek, Parliamentarian. Seated: Lori Brindle, Recording Secretary; and Judith Kulp, Historian.
Kiowa Woman’s Club News

KWC Department Chairs for 2013-14 are (L-R): Norma Desilets, Gourmet; Judy Beard, Book Review; Dany Ford, Canasta; Becky Knox, Garden & Nature; Paula Brinson, Arts & Crafts; and Penny Cotten, Bible Study. Not pictured: Chris Bost, Bridge and Marcy Titus, Webmaster.

Kiowa Woman’s Club Yearbooks are being printed now and will be available at the Sept. 12 meeting.

It isn’t too late to join. Contact Norma Desilets, Membership Chair, (940) 239-5116.

The KWC cakewalk was packed with participants as they hoped to land on the winning number and get a cake! This is one of the biggest fundraisers for the Kiowa Woman’s Club. Let’s hope they did well!

**“COOKS LIKE IT HOT”**

Join the Arts & Crafts group Tuesday, Sept. 3 at 10 a.m. and create a trivet for all your hot dishes. The trivet will feature wine corks and your creativity. The event cost is $10 and will be held at the Lodge. All good cooks like to serve hot hot hot. So join the fun and take home a trivet.

This event will precede the Kiowa Woman’s Club meeting, so please reserve your spot by contacting Paula Brinson at pmbrinson07@aol.com or call (972) 342-9531.

Jackie Ditman

The KWC cakewalk was packed with participants as they hoped to land on the winning number and get a cake! This is one of the biggest fundraisers for the Kiowa Woman’s Club. Let’s hope they did well!

Canasta play continues throughout the summer, so come and join us for fun, friendship and a great day of playing cards. On June 25 we had four tables of play. The winners were Peggy Ashton (1st), Fran Norman (2nd) and Dany Ford (3rd).

We had a potluck and played both “Pony Tail” and “Hand and Foot” July 1. The food was delicious and everyone brought their best dishes. Can Kiowa women cook? Yes they can. We had four tables playing “Pony Tail.” Our winners were April Wakeford (1st), Dany Ford (2nd), Pam Rimer (3rd) and Fran Norman (4th). We also had three tables playing “Hand and Foot,” with the winners being Becky Knox (1st), LaNelle Little (2nd) and Sharon Wolek (3rd). Play continued on July 9 as we filled five tables of “Pony Tail.” The winners were Janie Street (1st), Carolyn Holman (2nd), Fran Norman (3rd), Sharon Catlett (4th) and Dany Ford (5th).

Canasta is one department of the Kiowa Woman’s Club. We invite all members to come join us on the second and fourth Tuesday of each month at 12:45 p.m. at the Lodge. If it has been awhile since you have played, come early at noon on the days that we play and we will ensure you will be ready to play that afternoon. Canasta is fun and easy to learn. We hope to see you soon. Have a great summer.

Canasta winners June 25.

Canasta July 9 winners.

Canasta players on July 1.

Canasta is one department of the Kiowa Woman’s Club. We invite all members to come join us on the second and fourth Tuesday of each month at 12:45 p.m. at the Lodge. If it has been awhile since you have played, come early at noon on the days that we play and we will ensure you will be ready to play that afternoon. Canasta is fun and easy to learn. We hope to see you soon. Have a great summer.

WEST NILE ALERT

Disease carrying mosquitoes are in the area and Swafford’s has the solution with SKEETOBSURS.

The West Nile virus is a serious disease transmitted to humans by mosquitoes. Every year hundreds of cases are reported, and possibly many hundreds more go undiagnosed or misdiagnosed. The disease can present in a mild fever form or a severe encephalitis form.

Call A CERTIFIED PRO today to find out how you can protect your home, family and pets from this disease.

CALL US TODAY AND ASK US ABOUT OUR MOSQUITO BARRIER SYSTEM FOR YOUR HOME!
Golfing Fore! WILDCATS

The WGA is introducing a new golf tournament/fundraiser called “Golfing Fore! Wildcats” to benefit Callisburg Independent School District (CISD) students. Our goal is to help provide hand-held computers, specifically Android tablets, to our middle and high school students. Providing technology that many other districts already utilize will greatly benefit the educational success of our students and the future of our community.

Event Details: (Please sign up at the Pro Shop)
Date: October 9, 2013
Entry Fee: $50 per player (WGA members and invited guests)
PLEASE COME OUT AND SUPPORT THIS TOURNAMENT!
We need hole sponsors ($100 and up) and big ticket items for an auction. Should you have any questions or donations, please contact Toni Andrews at (214) 538-4767 or email randrews@greatswroofing.com.
Committee members: Toni Andrews, Beverly Berryman, Grace Matherly, Monica Satterwhite, Sharon Wolek, Carta Wilson and Dee Dorman.

ADDITIONAL OCTOBER EVENTS PLANNED TO BENEFIT WILDCATS
Girls Night Out
Wednesday, October 2
at the Lodge from 6 - 10 p.m.

Our Wednesday combined scramble consisted of 40 players. We played the best score on nine holes. Our 18-hole chairpersons, Judy Neal and Molly Worthen have asked for your help on Wednesday playdays when you fill out your scorecards. Please legibly fill in your full name, as a first or last name only turns into a guessing game. Members are asked to put their scores into the system before turning in their scorecards. It would be helpful to new members if a more experienced player would ride with them on playdays. The more-experienced player is more familiar with the course and can provide useful information to the new players.

Treasurer Peggy Lewis reported our ending bank balance as of 6/30 was $5,964.33. Hole-in-One has 146 players with a pot of $730. Membership remains the same at 228.

The President’s Cup Tournament Committee headed by Mabel Samples and assisted by Miriam Beebe, Genevieve Avinger and Donna Rehm did a fantastic job! The tournament had 32 teams broken down into four flights and assisted by Miriam Beebe, head of the committee also ran concessions for the Habitat Tournament. Gwen and her assistants Joy Mann and Janice Richey did a superb job. Both fundraisers resulted in some nice income for the WGA treasury.

Thanks to Toni Andrews and her committee of Beverly Berryman, Grace Matherly, Monica Satterwhite, Sharon Wolek, Carla Wilson and Dee Dorman, plans are in the works for a WGA-sponsored “Golfing Fore! Wildcats” tournament to be held Oct. 9 in support of Callisburg ISD Wildcats” tournament to be held Oct. 9 in support of Callisburg ISD. The goals of the tournament are to help provide electronic tablets for middle and high school students. This tournament will replace the Rally for the Cure® for school students. MGA General Meeting and Playday
Saturday, July 13, 2013

The Men’s Golf Association (MGA) met at the Lodge July 13. Vice-President Tom Blackwell called the meeting to order at 8 a.m.

**Upcoming tournaments** - The Men’s Medal Play Championship will be Aug. 17, 18. This was formerly the Senior Club Championship. The format will be the same and will still be flighted by age group. But this year there will be an “Under 50” flight so all players can participate regardless of age.

**Playday tournament** – The July playday format was Red/White/Blue Scramble. The winning teams were:

**August playday format** – The August playday will be held Aug. 10. Format for the playday will be the Devil’s Game 6-6-6: holes 1-6 – Scramble; holes 7-12 - two low gross scores; holes 13-18 - two low net scores.

John Seefeldt
President
DID YOU KNOW…

That Equitable Stroke Control (ESC) is a USGA mandatory procedure that puts a cap on individual hole scores for handicap purposes? The intent is to make your handicap more representative of your ability. Notice in that first sentence that ESC is applied to individual holes “for handicap purposes.”

All scores for handicap purposes, including scores made in competition, are subject to the application of ESC. You may shoot 90 in a competition and that’s what’s posted on the leader board, but when it comes time to post that score for handicap purposes, it may be reduced by ESC based on your course handicap. Lake Kiowa’s computer handicap system (both in the Pro Shop and online) will automatically reduce your score by ESC, but only if you post hole-by-hole scores. On a course where hole-by-hole scores cannot be posted, the player is responsible for applying the appropriate ESC based on course handicap for the tees played. Maximum ESCs for both 18- and 9-hole course handicaps are posted in the Pro Shop or they can be found on the USGA website. For an 18-hole course, the maximum ESC for a course handicap of 0-9 is double bogey. For a 10-19 it’s a 7; a 20-29 is an 8; a 30-39 is a 9; and a 40+ is a 10. To illustrate how ESC works, let’s use John, who is playing in a competition and has a course handicap of 14. He shoots 90 in the competition, which includes individual hole scores of 9 and 8. 90 is his score for the competition, but when his score is posted to the scoring record for handicap purposes, ESC reduces each hole score to the applicable maximum of 7. (9-7) + (8-7) = 3. John’s adjusted gross score is reduced by 3 to 87 and 87 is entered into the scoring record for handicap purposes. Remember that your handicap represents your potential ability and ESC is essential in determining your handicap. In fact, the USGA handicap manual states “A handicap determined from scores to which ESC has not been applied may not be termed a Handicap Index.” So either post your hole-by-hole score or post your adjusted gross score and rest assured that your handicap is a true reflection of your potential ability.

Your Handicap Committee
Although we moved into July with an almost full lake and even had several days of record low high temperatures, we are looking at a significant deficit again. At the time I am writing this article, we were at least 14 inches below normal pool. The water tends to fall rapidly during the summer months. Sometimes I think you can stand and watch it drop. Keep an eye on the water level if you live on the lake. We would hate for you to have a dry-docked boat for the rest of the season.

For those of you wondering about fishing during the warmer temperatures, the bite has slowed some. Early mornings and late evenings tend to be the best time to catch fish. You can still catch fish at midday if you can keep the sweat out of your eyes long enough to see your line move. It also helps to have some luck on your side.

As several of you tell me from time to time, I am able to get my picture in the paper. But did you know it is not as easy as you think? I want to share my June tournament experience with you just to prove it is not so easy. My alarm woke me at 4 a.m. I turned it off and said “That’s not good. What did you do, step on your rod?” After a few grumblings under my breath, I watched a section of my pole follow in mid-swing and readjusted my lure and line, everything appearing to be fine. On the second attempt I found out why things had felt odd on the first attempt. As I made my cast, I watched a section of my pole follow the lure out into the lake. Jack laughed and said “That’s not good. What did you do, step on your rod?” After a few grumblings under my breath, I managed to retie my favorite top water to another pole. After making only two casts, I landed a bait-sized bass and released it to grow up.

As the day progressed I managed to catch a small five fish limit. Knowing this was not going to get my picture in the paper, I had to get serious. Jack and I started in the best hole in the lake. No worries. We can start in the second-best place today, being late and all. I felt it was fitting. I jumped up and told Jack it was time to get it at it. I retrieved a rod from my deck and started to sling my bait into the darkness. About half way back in my cast, I felt something odd. So I stopped in mid-swing and readjusted my lure and line, everything appearing to be fine. On the second attempt I found out why things had felt odd on the first attempt. As I made my cast, I watched a section of my pole follow the lure out into the lake. Jack laughed and said “That’s not good. What did you do, step on your rod?” After a few grumblings under my breath, I managed to retie my favorite top water to another pole. After making only two casts, I landed a bait-sized bass and released it to grow up.

The only problem was that every time I set the hook, my line was breaking. I went through four rods one after another with the same results. I finally came time to weigh in, so Jack and I left for the Pavilion. Upon arriving we tied up to a pier and proceeded to weigh our fish. With my small sack and no chance to win, I went through the motions. We presented the awards and put away the scale so that I could go home and lick my wounds. Seems my wounds were not deep enough yet. As I walked down the pier I could see that my boat had been damaged while tied up during the weigh-in. Yep, it was so; the boat bumper had been torn from the side of the boat by the wave motion on the lake. Well, there was nothing I could do at this point, so I got in and left for the boat ramp. It seemed that I made it to the ramp okay so I docked the boat and went to the truck. I began backing the trailer down to the ramp. Watching carefully in my right-side mirror, I started down the ramp when, all of the sudden, there was an abrupt stop to my backward motion. I put the truck in park and got out to see what had happened. It was not good. I had backed into the post adjacent to the ramp. With a bent bumper and crushed pride, I loaded out and went home hoping my day of defeat was over. So if any of you think that getting your picture in the paper is easy, I challenge you to the test.

Enough of all that. Let’s move on to the June Bass Tournament results. Dylan Perry took first place for lake rides on the 4th of July.
by bringing in a catch weighing 18.13lbs. Following in second place was Mike Merolla with a nice 17.34lbs. Rounding out in the third place position was Mike Otway with a 14.30lb stringer. Mike Merolla caught the Big Bass that weighed 5.79lbs.

Congratulations to the winners. Look for the results of our July tournament in the next CommuniQué.

We would like to remind you of upcoming events in August. Our next Bass Tournament will be held Aug. 17 with a start time to be announced. We hope to see you all there. Don’t forget to mark your calendar for the new LKACC Labor Day Fish Fry and Fundraiser. I want to ask the community to turn out for some fried catfish and all the fix-ins. The club is planning to have a few auction items, but most importantly we need to raise money to fund the moving of the fishing barge. The approvals have been granted to move the barge out into deeper water. With your support, we can make this happen.

As always be safe while on the water and take your fellow outdoor enthusiasts into consideration while out and about on wonderful Lake Kiowa. If you haven’t seen our Facebook page yet, take the time to visit our site. We have received a positive response from our community with many pictures being shared.

Find us on Facebook for Lake Kiowa Angler & Conservation Club. Through this media we are able to upload photos, event schedules, publish tournament results and communicate with all. We hope to see your posts and suggestions there. If you would like to submit photographs of your outdoor experiences, send a note or photo to the club via our e-mail account at lkacc4u@yahoo.com. We can then upload your pictures to the Facebook page.

Mike Bitsche

ZEBRA MUSSELS FOUND IN LAKE LEWISVILLE AND BRIDGEPORT

Be vigilant on cleaning your boat if you have been on any other area lakes. Lake Kiowa would have a big, big problem if we got the zebra mussels in our lake!
LKPOA 2013-2014 COMMITTEES

ARCHITECTURAL CONTROL:
Requires at least three members with board member serving as chair.

Members: Harold Bosse, Ed Cooke, Don Knox, Jim Mead, Mike Rickwa (ex officio).

CELEBRATION COMMITTEE:
Bill Morris (Chair), (940) 440-8345, (E-mail: bamkiowa@ntin.net).

Members: Randi Andrews, Bill Brantham, Denny Engels, Randy Howell, Wayne Kyle, Mike Merolla, John Schneider, Jason Snuggs.

COMMUNICATION COMMITTEE:
Marcy Titus (Chair), (940) 668-7676, (E-mail: marcytitus@gmail.com).

Members: Bill Burhans, Maria Resendis, Billy Woods, Randy Schmaltz.

COMPUTATION COMMITTEE:
Members: George Aune, Couples Golf; Margaret Dressel, WGA; John Seefeldt, MGA; Billy Aday; Craig Lamkin; Judy Neal; Dennis Tocquigny, Course Superintendent (ex officio); Brown McCrory, Golf Pro (ex officio); Randy Schmaltz, Community Manager.

INFORMATION SYSTEMS COMMITTEE:
Lou Vander Molen, Chair, (940) 612-0603, (E-mail: ljvm@att.net).

Members: Scott Manning, Jay Titus.

INVESTMENT COMMITTEE:
Brent Reed (Chair), (940) 612-1502, (E-mail: brentreed55@yahoo.com).

Members: Deke Alexander, Kelley Stewart.

LAKE & PARKS COMMITTEE:
Bill Turner (Chair), (940) 387-7669, (E-mail: wfturner@verizon.net).

Members: Randy Andrews, Bill Brantham, Denny Engels, Randy Howell, Wayne Kyle, Mike Merolla, John Schneider, Jason Snuggs.

LODGE & TAVERN COMMITTEE:
Requires at least three members, with board member as chair

Leslie Tomich (Chair), (940) 284-3372, (E-mail: leslie.tomich@att.net).

Members: Sharon Clements, Julie Minter, Bill Morris, Jane Outlaw, R.J. Stroup, Jayne Sweet, Katherine Thacker.

LONG-RANGE PLANNING COMMITTEE:
Requires at least seven members with staggered terms, with board member as chair

Craig Lamkin (Chair), (903) 429-9994, (E-mail: pecos@dtmspeed.net).

Members: Gary Cotten, Don Hanratty, Carol Johnson, Jack Thies. Additional members needed. If you are interested in serving on this committee, please email Kelley Stewart.

NOMINATING COMMITTEE:
Membership pending. If you are interested in serving on this committee, please email Kelley Stewart.

ROAD IMPROVEMENT COMMITTEE:
Bud Smith (Chair), (940) 284-3940, (Email: budsmit@ntin.net).

Members: Bob Bergbower, Tim Hatfield, Jack Thies, Bob Hughes.

RULES ENFORCEMENT COMMITTEE:
Requires at least five members; board members cannot serve

Jim Lewis (Chair), (940) 665-7785, (E-mail: jlewis8585@gol.com).

Members: Tom Blackwell, Monika Botha, Dee Dorman, Don Thacker.

WAYS & MEANS COMMITTEE:
Jess Maxwell (Chair), (940) 665-1811, (E-mail: jmaxwell@ntin.net).

Members: Bob Brewton, Bill Richey, Jack Thies, Bill White, Brent Reed - POA Treasurer.

LKPOA Board Meetings Are Worth Attending

Your Lake Kiowa Board of Directors meets twice every month to deal with your community’s current affairs. Since July, no 7 p.m. LKPOA Board meeting has been held on the third Monday. The two regularly scheduled 6 p.m. meetings will continue on the first and third Monday evenings in the Southwest Room of the Lodge. Questions from the audience and the Treasurer’s Report will be covered at the third Monday’s meeting. Department Managers Reports will not be read as they are covered in the CommuniQué.

All board meetings, with the exception of Executive Sessions, are open meetings; all LKPOA members are welcome and encouraged to attend.

Any resident concerned with the governance of the community should attend these Board Meetings. This will encourage your Board to act in accordance with the desire of the average property owner and help balance their decisions.
SECURITY REPORT
June 13 - July 10

July 4, 2013 is now history, along with its attendant commemorations and celebrations. It will certainly take its rightful place alongside all of the other successful holiday fourths of the past. Security personnel on the ground reported near-record crowds at all events, including the parade and the fireworks show. Traffic through the Front Gate ran extremely heavy and usage of the East Gate was reportedly double that of previous years.

The interval between Memorial Day and the 4th of July is always the busiest time of any calendar year and, true-to-form, for this reporting period there is much activity to talk about. In all, nine citations were written with the breakdown as follows: Beach Closing – two, Juvenile Curfew – two, Reckless Driving – two, Unauthorized Access – one, Guest Responsibility - one, No Golf Cart Permit – one.

The citations detailed above were generated by an active and consistent Security patrol that performed routine checks and responded to a variety of calls: Motorist Assists – ten; Traffic Stops – eight; Disturbing the Peace Complaints – four; Unlocked Doors – four; Residence Alarms – three; Illegal Signs – two; Golf Cart Violations – three; Golf Course Violations – two; Soliciting – one; Suspicious Person – one; Suspicious Vehicle - one

Additionally, Security personnel investigated four motor vehicle accidents, involving, in separate incidents, two golf carts, a moped and an SUV. Lake patrol weathered the holiday weekend and all the busy ones leading up to it in fine fashion. Thirty-four stops were made for observed violations; five boat operators were given assistance (most of them in the form of a tow).

Animal Control chased eleven stray dogs and a cat. Five varmints were caught in traps and one snake was destroyed. Three barking dog complaints were received, one dog welfare check was conducted and three canines were transported to Noah’s Ark in Gainesville. A Cooke County Sheriff’s deputy assisted Security with an Unauthorized Entry incident. Run sheets were prepared by Security dispatch for twenty-six ICVF emergency calls. Security Medical Responders were involved with seven medical page-outs within Lake Kiowa.

Gary Davidson, Chief of Security

REPEAT OFFENDER LIST
JULY 2013

If you have received a citation and have questions, all rules can be found on the Lake Kiowa Website. Additionally, you may call Gary Davidson at (940) 665-3221 or Randy Schmalz at (940) 665-1055. All written notifications will be mailed directly to you as soon as possible. Parents or guardians of minors will be notified immediately if their child has received a citation.

In accordance with Rule 4.2.7.C, the LKPOA is required to post the names and lot numbers of repeat rule offenders. Rule 4.2.7.C states: “Two or more infractions of the same rule, two or more infractions in the same category, or more than one Serious or Major infraction in any combination and regardless of the rule or category within (1) year are considered a repeat offense. In all cases the names of repeat offenders will be printed in the Association newspaper.”

By rule, the following property owners are classified as repeat offenders:

Mischa Brown, Lot 938: Rule # 4.3.2.b, Speeding - 10/15/12 and 4/22/13
Stella Johnson, Lot 1123: Rule 4.3.1.m, Unauthorized access - 11/28/2012; 12/24/12; 3/13/13
Steve Overstreet, Lot 1495: 4.3.1.f.(l), Positive control of pets - 7/5/12; 9/3/12
William Stone, Lot 1081: Rule 4.3.3.a, Use of facilities - 1/18/13; Rule 4.3.1.m, Unauthorized entry - 1/28/13

GOLF COURSE UPDATE

1. At this writing, we have received some unexpected and beneficial rains along with some cooler temperatures. It continues to be a bizarre year as far as the weather is concerned.

2. We have received a brand-new tractor to add to our fleet. This was a replacement item on our ARRF schedule. Thanks to Randy Schmalz for helping to facilitate this.

3. The golf course continues to hold up well condition-wise, although the hot, dry weeks of August are still ahead of us.

4. Some remediation work has begun on the driving range to help alleviate some issues with the roughness of the terrain.

Dennis J Tocquigny, CGCS
Lake Kiowa G.C.

LODGE MANAGER REPORT

There has not been much activity at the Lodge other than our normal groups. Friends of the Lodge hosted a movie night in mid-June. Not many people turned out for the event. We are hoping that the next movie night will attract more of an older crowd. We did have a few people who stopped by and wanted to know what movie was playing because they were interested. The movie they chose to do the trial run was “Toy Story 3.”

Fourth of July was somewhat different for the staff here this year. Most of the staff was off this year, but a few staff members worked the breakfast. The kitchen staff did a great job par-cooking for the fire departments, helping to prepare them for the big rush. I am not sure how much the fire departments made but I am sure they did well. The Kiowa people are generous and are very willing to help any fundraiser.

Thank you.

Amy and the Lodge Staff

PUBLIC WORKS MANAGER REPORT

Cool weather and rain has again helped the lake, the people and the workers at Lake Kiowa. Some 1.6 inches of rain were recorded at the maintenance facility in the last few days. The lake has received some water and the elevation continues to rise although not quite at the full elevation. The department would like to thank all the people who helped with the Fourth of July celebration. No numbers, but a good turnout of members and visitors enjoyed the events. The parade especially had a large attendance.

PARKS AND LAKE

Spot treatment of cattails and the Chara continues in the lake. There is also a mosquito capture program with testing for the viruses. The program for zebra mussels also remains in effect. This means a quarantine period for any boats entering Lake Kiowa. Mowing and maintenance of the parks continue with the recent rains.

ROADS AND BRIDGE

New paving was completed on some streets and a number of cuts in the roads for water line repairs were completed at the same time.

Don Hoover

WEEKENDERS’ TRASH REPETITION IS BEING USED

Back in late June, a trailer-mounted trash compactor was put in place at the Lake Kiowa Security parking lot located at the main gate. This trash compactor has been available for weekend residents to deposit their household trash before leaving the lake after the weekend. The response to this service has bordered on the overwhelming. The compactor, which is in place from Saturday morning through Sunday evening, has been full to overflowing several times. This “amenity” apparently has been well used, but perhaps by non-weekenders?

As a reminder, this compactor is to be used for household trash only and for the convenience of the weekend residents. No wood, tires, batteries, mattresses or hazardous materials can be left in or around the compactor.

38 Communique August 2013
LAKE KIOWA
PROPERTY OWNERS ASSOCIATION
BOARD MEETING
MONDAY JUNE 17, 2013
SOUTHWEST ROOM - 6 P.M.

President Kelley Stewart called the meeting to order at 6 p.m. A quorum was established with all members present except Jay Titus. A motion by Craig Lamkin and seconded by Brent Reed to approve the minutes for June 3, 2013 as written. All were in favor. Motion carried.

Consider appeal of ACC ruling on lot #856. Mike McDonald spoke to the board in order to protest the ruling that he must remove the privacy fence he constructed in front of his hot tub. The Architectural Control Committee ruled that the fence was located inside the 40-foot setback allowed on a golf course lot. Rule regarding fence in the Architectural Control Handbook paragraph B. item 2, states that “All fences within the 40-foot setback from the golf course shall be non-privacy and not exceed a maximum height of 4.00 feet.” A motion was made by Brent Reed to uphold the ACC ruling and seconded by Bill Turner. All were in favor. Motion carried.

Kelley Stewart told us that Jack Opel had resigned from the Lakes and Parks Committee. He was replaced as Chairman by Bill Turner. Jason Snuggs was announced as the replacement. Motion to accept Snuggs was made by Bill Turner and seconded by Craig Lamkin. All were in favor. Motion carried.

Brent Reed discussed the funding for our road repair. He has sent to the Ways & Means Committee for a decision on using the ARRF fund to pay for road repair. We should have an answer by the next meeting.

Randy Schmaltz informed us about the amount of money we will spend for consultant management for paving by Adkins Paving Management. The amount of hours has been reduced to 16 hrs. and will amount to $5746. 

b. An update on paving progress on the East side informed us that traffic has been diverted in order to get the paving completed.

c. Lake algae update informed us that another application of the Cutchin-plus will take place in the coves over the next week in preparation for the 4th of July Celebration. An inspection of Little Crow Cove found that the algae to be approximately 5” to 6” tall.

d. Discussion on the air conditioners at the Lodge by Randy Schmaltz revealed that last week we had three units to go down. Two have been repaired and the other needs a new compressor. It was discussed to replace the older unit instead of replacing the compressor. Mr. Schmaltz will get all the costs for replacement and have them for us at the next board meeting.

e. An invoice for legal services from Adams & Bennett was submitted. A motion to pay the invoice in the amount of $662 was made by Leslie Tomich and seconded by Brent Reed. All were in favor. Motion carried.

Randy Schmaltz informed us that the Stirr toll tag reader at the front gate had possibly been hit by lightning and was no longer working. A new reader has been ordered but he was asked to look into using the new style reader from Maxtex and changing toll tags. Also he is checking to see if insurance will pay any part of the repair cost or toll tag replacements.

SHORT RECESS - RECONVENE IN THE SOUTHWEST ROOM - 7 P.M.

President Kelley Stewart called the meeting to order at 7:07 p.m. President Stewart then led us in the Pledge of Allegiance.

Jack Atkins and Cathy Bryce were the only new attendees present.

Brent Reed reported that we had a net income of $340,610 for the month and after expenses a net income of $16,792. The Golf Course expenses were up on account of fertilizer and weed killer. Security also showed a rise due to the purchase of toll tags. Lodge sales were down. He ended by saying that we have a total cash balance of $2.1 million.

Randy Schmaltz explained that the new budget would have a 5% increase in the O & M budget which would amount to $8.58 increase per month and $1 increase for ARRF. Brent Reed explained the tight budget was caused by the high employee insurance rates. Randy Schmaltz read the reports from the Golf, Public Works, Security and Lodge department heads.

a. Public Works - The lake level is almost at the normal level.

b. Lodge - A busy May and June with Weddings. Income is down but expenses are down as well.

c. Golf – The Kapers tournament went well and the course is in great shape. Aeration of the greens will begin next week.

3. Jim Mead lot #1003 stated that Lake Kiowa has three main assets: lake, golf course and roads. He said we have addressed the golf course and roads. When are we going to address the silt problems? Kelley Stewart told him and the audience that we would instruct the Long-Range Planning Committee to come up with a plan.

Meeting was adjourned at 7:57 p.m.

After short recess the board reconvened to discuss items from the 6 p.m. meeting.

Continued on page 40
President Kelley Stewart suggested that because of the low attendance on the third Monday meetings that we not have the 7 p.m. session, that we combine them and start at 6 p.m. The board agreed to try beginning at the July 15 meeting.

Lou Vander Molen made the motion to enter into executive session at 8:16 p.m. and was seconded by Leslie Tomich. All were in favor. Motion carried.

Leslie Tomich made the motion to adjourn from the executive session at 8:25 p.m. and was seconded by Lou Vander Molen. All were in favor. Motion carried. Items discussed were a legal issue and contracts.

Brent Reed made the motion to adjourn at 8:26 p.m. and was seconded by Lou Vander Molen.

Submitted by,

Gary O'Dell, Secretary
Indian Creek Volunteer Fire Department
Board of Directors Meeting
July 10, 2013

Call to Order: President Ed Tomlin called the meeting to order at 7 p.m. All board members were present. A quorum was established.

Approve Minutes: Secretary Stewart submitted the minutes from the June 5, 2013 meeting. A motion to approve was made by Treasurer Bonnie Woodruff. President Tomlin seconded. Motion carried.

Treasurer’s Report: Treasurer Woodruff passed out the June 2013 Monthly Treasurer’s Report. Our beginning balance was $85,234.80, with deposits totaling $11,157.30, and expenses of $8,991.89 for a new ending balance of $87,400.21. Secretary Stewart made a motion to accept the Treasurer’s report, Vice President Dumovich seconded. Motion carried.

Bonnie also informed the Board that the signature cards and First State Bank’s Corporate Resolution now reflected Ed Tomlin’s signature in lieu of Jim Mead’s.

Fire Chief Report: In June there was a total of 28 calls. 20 – medical, 4 – fire, 1 – electrical line down, and 3 – Good intent. For the quarter, there were 115 hours spent on training.

Fire Chief Bob Pistor was also pleased to report that the 4th of July cookout was a huge success. Cash donations totaled $945, which was split three ways among the Indian Creek, Oak Ridge and North Shore Fire Departments. Bob received a check today for all the funds raised from the hamburger cookout. This totaled $1,532.10 after the expenses for the food. This check will also be divided among the three fire departments.

Other Business: Vice President Steve Dumovich made a motion to go into Executive Session. Treasurer Woodruff seconded. The Board entered Executive Session at 7:25 p.m.

Secretary Stewart made a motion to come out of Executive Session. President Tomlin seconded. The Board exited Executive Session at 8:51 p.m.

The open meeting resumed at 8:54 p.m. A motion was made by Treasurer Woodruff to select John Prudenti as our fifth board member. Vice President Dumovich seconded. Motion carried.

President Tomlin made a motion to accept the lease submitted to the Board from the LKPOA for the lease of the property located at 550 Kiowa Drive West, and to authorize President Tomlin to sign documents on behalf of the ICVFD Board of Directors. Vice President Dumovich seconded. Motion carried.

The next meeting will be August 14, 2013 at 7 p.m. at the Lodge.

Vice President Dumovich made a motion to adjourn. Secretary Stewart seconded. Motion carried. Meeting adjourned at 8:58 p.m.

Lake Kiowa Special Utility District

REGULAR MEETING OF THE BOARD OF DIRECTORS
DATE: Wednesday, June 12, 2013
TIME: 9 a.m.
PLACE: 133 Kiowa Drive South, Lake Kiowa, Texas 76240

1. Call to Order and Declaration of Quorum: President Jess Maxwell called the meeting to order at 9 a.m. All Directors were present. Staff members present: General Manager Ronny Young and Attorney James Wilson were present.

2. Review and approval of minutes: May 15, 2013 Special Called board meeting. Director Bill Richey made a motion to accept the May minutes as published and Vice President Jack Thies seconded the motion and all approved.

3. Public Comment: (Speakers limited to five minutes each): There were no public comments.

4. New Business:
   (a) Administer Oath of Office to newly elected/appointed Directors: Manager Ronny Young administered Oath of Office to Vice President Jack Thies and Directors Bill Richey and Bob Bergbower.
   (b) Election of Officers for Lake Kiowa Special Utility District Board of Directors: Director Bill White made a motion for the officers to remain in their current positions and Director John Anselmi seconded the motion and all approved.
   (c) Consideration and possible action regarding approval of Lake Kiowa Special Utility District Personnel Policies: Director Bill White made a motion to table approval of Personnel Policies and Director John Anselmi seconded the motion and all approved.
   (d) Consideration and possible action for disposition of Kubota tractor and appurtenances and purchase of larger tractor with front loader and brush hog mower: After considerable discussion, Director Bill White made a motion to purchase a Kioti tractor from S&W tractor, Inc., John Anselmi seconded the motion, and all approved.
   (e) Consideration and possible action regarding approval of purchase of boring machine to make road bores: Manager Ronny Young stated that he would check on different models versus prices before the next board meeting. No action taken.
   (f) Consideration and possible action regarding selection of accounting firm for 2012/2013 Annual Audit: Manager Ronny Young stated that he had received an engagement letter from the firm of Schalk and Smith and that their cost to do the Audit would be $5,450. Vice President Jack Thies made a motion to accept the firm of Schalk and Smith to do the annual audit, Director Bill White seconded the motion and all approved unanimously.
   (g) Consideration and possible action regarding possible action to approve capital improvement plans or projects and financing: Director Bill White made a motion to table the item and Vice President Jack Thies seconded the motion and all approved unanimously.
   (h) Consideration and possible action regarding possible action to approve capital improvement plans or projects and financing: Director Bill White made a motion to table the item and Vice President Jack Thies seconded the motion and all approved unanimously.
   (i) Consideration and possible action regarding possible action to approve capital improvement plans or projects and financing: Director Bill White made a motion to table the item and Vice President Jack Thies seconded the motion and all approved unanimously.
   (j) Consideration and possible action regarding possible action to approve capital improvement plans or projects and financing: Director Bill White made a motion to table the item and Vice President Jack Thies seconded the motion and all approved unanimously.
   (k) Consideration and possible action regarding possible action to approve capital improvement plans or projects and financing: Director Bill White made a motion to table the item and Vice President Jack Thies seconded the motion and all approved unanimously.
   (l) Consideration and possible action regarding possible action to approve capital improvement plans or projects and financing: Director Bill White made a motion to table the item and Vice President Jack Thies seconded the motion and all approved unanimously.

5. Committee reports:
   (a) Human Resources (HR) Committee: No report
   (b) Budget and Rates Committee: No report, but Vice President Thies stated he would have the report ready by the next meeting.
   (c) Long-Range Planning and Conservation Committee: Manager Ronny Young stated that the Drought Contingency Plan is in effect and that usage during the year has remained at a steady level. He also stated that he would meet with the attorneys later this week concerning the selling of bonds to begin our Capital Improvement Project.

6. Old Business:
   (a) Consideration and possible action to approve capital improvement plans or projects and financing: Director Bill White made a motion to table the item and Vice President Jack Thies seconded the motion and all approved unanimously.
   (b) General Manager’s report re: review of financial documents; water system maintenance and status; status of various projects; and recommendations for improving the water system and customer relations; and recent activities of the North Texas Groundwater Conservation District: General Manager Ronny Young went over the financial statements and stated there was one new meter installed during the month of May and nine new taps for the past year. Manager Young reported there was one main break and one road bore during the month. He also stated that the new SCADA system will be installed within about two weeks and that he was still working on a contract with the bank. Manager Young stated that he will be attending the North Texas Groundwater Conservation District meeting next week and that he is still serving as the NTGCD representative on the Greater Texoma Utility Authority General Manager search committee.

7. Review and approval of monthly financial report(s) and payment of bills: A motion was made by Vice President Thies, seconded by Director White, to approve the monthly financial report and payment of bills as presented. A vote was taken and the motion passed unanimously.

8. Future agenda items: (a) Approval of capital improvement plans or projects and financing and (b) Approval of Lake Kiowa Special Utility District Personnel Policies.

Adjourn: Motion was made by Director Bob Bergbower to adjourn at 10:10 a.m. and it was seconded by Director Bill Richey and all approved.

Ronny P. Young,
Deputy Secretary

MARK these events on YOUR Calendar. Friends of the Lodge plan and promote social events and activities at the Lodge. Be sure to watch the CommuniQué for details of each event. Call Gerald Smith with any questions (972) 754-4607.
Poker has been very active this month with quite a few new players joining the regulars, ranging in skill level from beginners to experienced players. We especially had a number of new players for the July 4th game. The poker group will always offer a warm welcome to new players, and will happily work with you while you learn the rules if you are a beginner.

We had a few changes in the schedule due to events at Lake Kiowa, but one unexpected event did not deter the Lake Kiowa diehard poker fans. On July 3 we found our supplies locked up in the Arts & Crafts exhibit room, but rather than going home and giving up on the fun, we were very fortunate that Dany Ford had some chips and a table we could use to play our game. Dany definitely deserves the “Spirit of Poker” award for being prepared and saving the day.

Every month we play for points. Last month’s winners were Roger Hereema in first place with 886 points and Billy Woods coming in second with 748 points. In addition there is a championship game. This is held on the last Friday of the month. Winners for June were Sharon Clements (1st) and Dany Ford (2nd). The Lodge generously donates a token of its appreciation to both the point’s leaders and monthly winners each month.

In addition the Lodge showed support for the July 4th game and the winners were Jennifer Mason (1st) and Jeff Dugan (2nd). We are so appreciative to the Lodge and would especially like to thank Bobby for all his hard work every poker session and Amy for her continued and very welcome support for the group.

We had some great hands this month. Truman Houk had a straight flush and Sharon Clements decided to go all out with a seven-card straight even though only five were needed to win the hand. It was also wonderful to see Jonnie Hall after her absence, and we look forward to when Jonnie can play again on a regular basis.

Finally, it has been a busy birthday time leaving us all in cake heaven. We celebrated with John Nash and enjoyed his Chocolate on Chocolate cake, and we had a joint celebration with Jeanette Holthofer and Cheryll Brown with their German Chocolate and Chocolate on Chocolate cakes. Yummy indeed!

If you are looking for a free, sociable activity, then come join us for Texas Hold’em at the Lodge every Wednesday and Friday evening. Sign-up is at 6:45 p.m. and the game starts around 7 p.m. You will often find a number of us in the 19th Hole beforehand enjoying food.
