2014-2015 LKPOA Board of Directors (L-R): Vice President Craig Lamkin, Treasurer Bill Turner, Justin McMurry, D Noble, Jay Titus, Secretary Gary O’Dell, and Assistant Treasurer Brent Reed. Seated (L-R): Assistant Secretary Leslie Tomich and President Kelley Stewart.

During the 2014 annual meeting of the LKPOA, Election Judge Marion Hoeflein certified that a valid election was held. She stated that 456 ballots were received, 15 were determined to be invalid, and 441 valid ballots were counted. She then announced the results of the voting for the new LKPOA Board of Directors (listed in ballot position order): Keith Mason – 202; Kelley Stewart – 293; Justin McMurry – 235; D Noble – 307; Michael Canon - 185. Thus, Kelley Stewart, Justin McMurry, and D Noble were declared the winners. Marion also announced that the revenue sharing ruling was approved by the voters, with 417 voting for and 16 voting against.

During its March 8 board meeting held immediately following the annual meeting, the 2014-2015 LKPOA Board of Directors elected its officers. The new officers are: President – Kelley Stewart; Vice President – Craig Lamkin; Secretary – Gary O’Dell; Treasurer – Bill Turner; Assistant Secretary – Leslie Tomich; Assistant Treasurer – Brent Reed.

The fire department property acquisition in June was the result of formally resolving the lawsuit that was filed in the fall of 2012. The settlement agreement included the purchase of the Lake Kiowa Volunteer Fire Department property at Lake Kiowa. Indian Creek Volunteer Fire Department is now leasing the property from us. We are very fortunate to have a group of brave and caring men and women watching over our community and to have them as our neighbor inside the gates.

Randy Schmaltz
Achieves Professional Certification

I want to take a moment to recognize our Community Manager for an accomplishment this year. Randy received his Professional Community Association Manager certification, also known as the PCAM, from the Community Association Institute (CAI) in February. This was no easy feat. For the past few years, Randy has been working his way through CAI’s Professional Management Development Program.

To quote CAI directly, the PCAM is “the pinnacle of community association management. The PCAM designation is the highest professional recognition available nationwide to managers who specialize in community association management.”

To be eligible for the PCAM designation, the candidate must have:

SPRING CLEANUP APRIL 10-12

Spring Cleanup will take place Thursday, Friday and Saturday, April 10, 11 and 12 at the parking area by the dam. The following guidelines will be enforced: Lake Kiowa property owners only; no hazardous materials (tires, batteries, paints, insecticides, fertilizers, and so forth); no scavenging; no construction or remodeling waste; and no contractors with construction debris.

Lake Kiowa personnel will supervise the cleanup site operation and will assist residents where necessary.

Fall Cleanup will be held Nov. 6-8.

Randy Schmaltz

Continued on page 2
The condition of our roads and the concern of sediment buildup in the lake have been hot topics in the community for the last several years. The Ways and Means Committee began the second Five Year Major Asset Review for the Asset Reserve Replacement Fund this year. In conjunction with this review, I asked them to assess the impact on the fund if repair and maintenance of the roads were to be fully funded through ARRF. In November 2012, the Roads Committee, after reviewing the study conducted by Atkins North America, proposed to the Board that we consider a seven dollar increase in the Asset Replacement Reserve Fund fee specifically to fund the roads. I am pleased to report that the Ways and Means Committee believes that the ARRF Program can absorb the full repair and maintenance of roads with a minimal increase in the ARRF assessment during the next few years. Within the next few months, Ways and Means will have a final plan and recommendation to the Board, including their opinion on if fully funding the repair and maintenance of roads is possible through ARRF. I am grateful for the time and energy that each member on this committee has invested in this project.

For the lake, we engaged Atkins North America to provide a conceptual assessment of several viable alternatives for possible sediment removal methods. The projected cost for sediment removal is dependent upon the method of removal and the method of disposal and may range from $2.5 million to $7.5 million. Last month, the Board approved $80,000 for Phase Two of Atkins North America’s Sediment Removal Project. In this phase of the project, Atkins will provide a preliminary design for three potential sediment removal methods. The projected cost for sediment removal is dependent upon the method of removal and the method of disposal and may range from $2.5 million to $7.5 million. Last month, the Board approved $80,000 for Phase Two of Atkins North America’s Sediment Removal Project. In this phase of the project, Atkins will provide a preliminary design for three potential sediment removal methods. The projected cost for sediment removal is dependent upon the method of removal and the method of disposal and may range from $2.5 million to $7.5 million. Last month, the Board approved $80,000 for Phase Two of Atkins North America’s Sediment Removal Project. In this phase of the project, Atkins will provide a preliminary design for three potential sediment removal methods.
First off, I would like to congratulate Justin McMurry and D Noble on becoming our newest board members and Kelley Stewart, our returning board president, to the Lake Kiowa Board of Directors. Their contribution to the community and willingness to serve is greatly appreciated. This is the second time around for both Justin and Kelley and their experience working on the board for the members will be a tremendous asset to the community.

April is the kickoff for the busy spring season at Lake Kiowa. With warmer temperatures and longer days, activity around as well as in and on the lake accelerates. With all the activities going on, it is important to remember that there will be more guests on our roads, not only in cars and trucks, but in golf carts as well. In addition, please look out for those people jogging and those riding bicycles. Please pay careful attention when driving past them. Besides folks exercising, others may be looking for an address or checking out the scenery. Whatever they’re doing, they may not be looking out for you so please pay attention.

On April 13, 14, Lake Kiowa will host the Second Annual Indian Creek Volunteer Fire Department Fundraiser. This year’s fundraiser is complete with a fish fry, plus silent and live auctions on Sunday, April 13, with a golf tournament the next day. The event is open to the public with proceeds going to the fire department. Last year the event raised over $45,000 that went towards the purchase of a new brush truck used in fighting wild fires. Your support once again is needed as the department is in the process of purchasing a new tanker.

On Saturday April 19 we will have the Annual Easter Egg Hunt at the Lodge. As in previous years, donations of filled eggs will be greatly appreciated. In past years, Lodge staff members and volunteers have filled roughly 2,000 eggs for this event so be sure to bring the kids and grandkids out for the Easter egg search.

On Easter Sunday, the Lodge will be hosting the annual Easter Sunday Lunch Buffet. This event sells out early so please make your reservations right away to reserve a table. There are two seatings scheduled. Check out the ad on page 2 in this Communiqué for additional details.

In closing, I am sad to report that Amy Mohan has resigned as Lodge manager for personal reasons. She had been with the Lodge since 2008 and had worked her way up from server to the job of manager. Amy’s care and concern for the members and for her staff will be missed by all. In the meantime, until a new manager can be identified and hired, past Lodge Manager Pat Greenlee and I will be filling in.

Randy Schmaltz continued from page 1

- Five years of direct community association management;
- Successfully completed six M-200 level programs;
- Successfully passed the Certified Manager of Community Associations examination; and
- Successfully completed the PCAM Case Study.

The PCAM Case Study is the final step toward earning the PCAM designation. It involves an in-depth examination of an actual community association. The PCAM applicants participate in classroom instruction and on-site inspection of the subject community where the applicants review the administrative policies, procedures, and legal documents of the community and also visit with the community’s managers, key personnel, and board of directors. The case study paper must be submitted within thirty days of the on-site inspection.

In the fall, Randy joined fellow PCAM hopefuls in Arizona for a comprehensive examination of the community that would be the focus of their PCAM Case Study. In order to make his return flight home, Randy had to miss half of the last classroom day where the candidates participated in critical group discussion regarding the subject community and each other’s observations from their visit. Randy spent weeks forming his paper. The end result was over 300 pages of a well thought out and well written plan for the subject community.

Let me share with you some data so you can truly understand what an accomplishment Randy has achieved:
- There were twenty-four members in his PCAM class in Arizona; sixteen wrote a passing Case Study.
- The Dallas/Ft. Worth CAI Chapter, of which Lake Kiowa is a member, represents eighty-seven community associations in the Metroplex.
- There are sixty active PCAMs in both the Dallas/Ft. Worth Chapter.
- There are one hundred sixty-five active PCAMs in the great State of Texas.
- There are one thousand six hundred and thirty six active PCAMs worldwide.

Randy gets to count himself among them now.

To me, it is truly impressive to see Randy’s dedication to our community in this respect. We didn’t ask him to pursue this or any other continuing education coursework. He did this out of his own initiative and his love and respect for the community that he serves. Lake Kiowa is very fortunate to have such a devoted individual representing our great community.

Kelley E. Stewart
LKPOA President

**Auction Items**

- Lake Kiowa ‘lake view’ lot – 839 Kiowa Dr East - Lot #1505
- Tickets to major sporting events
- Private dinner parties such as: Italian dinner for 8, Fish Fry for 40-50, Salmon dinner for 6, Pig Roast w/fixins’ & margaritas for 30

Kiowa Kare

We would like to thank our wonderful friends for the great food, cards, calls, and prayers, even trips to the doctor for Fred, during my recent illness! We are very thankful to live at Lake Kiowa among such a caring community.

May God bless you all.
Dottie and Fred Bradley

Pam Cargill Townsend, daughter of the late Lake Kiowa residents Joyce and Paul Cargill, passed away on November 17, 2013 in Tahlequah OK. Pam suffered from COPD, severe skin problems since childhood, and back problems. She was a resident of Lake Kiowa for a short period of time.

Many will remember Pam as a delightful person who loved people as much as she loved dogs. Pam is survived by her brother, David Cargill of Dallas and many friends, both human and animal. She will certainly be missed by all who knew her.

Julia Mayo

RED HAT LUNCHEON - SAVE THE DATE!

Tuesday, April 29, 2014 at 11:30 a.m.
We will lunch at the Saffire Café located in the Antique Experience Store at 5800 I-35 in Denton, phone (940) 566-3333. If you would like to carpool, we will meet at the south parking lot at the Lodge and depart by 10:45 a.m.

Any Kiowa lady over 50 years old is invited to attend our Red Hat luncheons. There are no dues or other qualification for our group. We meet for lunch on the fifth Tuesday of any month that has a fifth Tuesday (April, July, September, and December in 2014). The ladies wear a Red Hat and purple and red outfits at this strictly social event and they pay for their own meals. One of our group volunteers to choose a restaurant, make reservations, and notify known members of where and when to meet.

If you would like more information about Red Hats or to make an April lunch reservation, call me at (940) 612-1864.

Kathie Milburn

CALLISBURG HIGH SCHOOL CLOTHES CLOSET

We are again, and always, in need of gently used clothes for pre-teen (think 6th grade), teen, young adult, and adult clothes for the high school. These clothes can be dropped off at my house at 308 Kiowa Dr. N.; if no one is home, just leave them on the porch. Carol Beck, Rita Buford, and I are taking care of the High School Clothes Closet and are very appreciative of your donations. One item we do not use is shirts, T-shirts or jackets with business sports teams or high schools from any schools other than the Gainesville area teams. A good place for this type donation is ABBA in Gainesville.

The Elementary School Clothes Closet in Woodbine is now the total responsibility of the school personnel. No one from Lake Kiowa is working in this clothes closet. Any children’s and/or baby clothes should be dropped off at the office in the school. A great big “THANK YOU” from Marcy Titus and me goes to all ladies who helped us in the work group and the Saturday open house group. It was a big job and you all gave your best.

Jackie Gary

It’s Time To SPRING Into Action!

SPRING has sprung and if you want to sell your home during PEAK season NOW is the time to call me for a professional consultation. Let me guide you through the home selling process, step by step and TOGETHER we will get your home sold for the most amount of money in the shortest time possible with the least amount of inconvenience to you!

Phyllis Gardner

To all our friends at Lake Kiowa, our church and family,

Thank you for the months and months of prayers, food and support for this last year through my neck surgeries. My prayer box is overflowing with your cards! I am now receiving wonderful physical therapy and hope to regain the full use of my arm. My wonderful husband, Gary, has been amazing taking care of me.

Many blessings back to each and all.

Joy Mathews

Words cannot express my gratitude for all the support and acts of kindness.

Dear Kiowa Friends,

Many thanks for all the prayers, calls, cards, food, and flowers during my recent bout with pneumonia and a special thanks to all the first responders. They were so professional and efficient—absolutely the best. I do apologize for calling you out in the wretched, icy weather.

Words cannot express my gratitude for all the support and acts of kindness.

Thanks again and blessings to all.

PATHWAYS—A VISTO PROGRAM

What is Pathways? This is a program that has an overall mission of independence from government assistance and poverty for current and future generations.

Its eight core values are: relationships; self; work; education; spiritual; health; recreation; financial.

Pathways is a program developed to assist women with children in their journey of self empowerment. Pathways utilizes informal classes to build life-skills so participants can reach their stated goals. Pathways connects participants to the community through: Facilitators; Path Finders; Spiritual God Parents; Pathways Action Circles (PACs); Life Coaches; Poverty 101; Quarterly Workshops.

Facilitators teach basic life-skills classes that can be done at any location/time. Path Finders show that the first step is often the hardest. For example: helping someone enroll in the GED program at NCTC.

Spiritual God Parents form an informal relationship. Pathways Action Circles (PACs) are autonomous advocacy groups. Life Coaches are a formal relationship with meetings twice a month with the participant and documents progress. Poverty 101 provides learning how to work with people in poverty. Quarterly Workshops are half-day workshops where we celebrate the participants’ successes.

Typical participants are single parents age 19-45 that have had at least one traumatic event in their life with either no support or a poor support system. They could be a high school graduate or dropout or a product of generational poverty with no positive male role model in life. They are motivated to change, have low self esteem and lack basic life skills.

The current circle of family/ friends is opposed to the participants improving themselves and are rarely, if ever, encouraged.

If you had the opportunity to change someone’s life for the better, would you?

For additional information, contact VISTO at (940) 668-6403 or email: edvisto@sbcglobal.net.

WISHES DO COME TRUE

Callisburg Elementary School, which the Kiwanis Club of Lake Kiowa has adopted and tries to help with their needs, recently requested renovation of one of their playgrounds. Thanks to your continuing support throughout the year, we were able to purchase and replace deteriorating boards on one large piece of their playground equipment. In spite of inclement weather, ten Kiwanians accomplished this task during the school’s Spring Break so use of the equipment was not interrupted.

The Perfect Attendance Program, which our Kiwanis Club sponsors, is rolling right along with two more six-week opportunities for a student from each grade at Callisburg to enter with a chance to win a new bicycle. Again, our sponsorship is only possible due to your faithful attendance at our fundraisers during the year. Your depositing aluminum cans in the two receptacles within Lake Kiowa is also helpful, as is the support provided by the Chapel, the MGA, and donations from individuals. Remember that every dollar collected goes entirely into the “Needy Kids Fund.” Nothing is retained for administrative costs. We are only able to continue assisting the children and our community because of the generous residents of Lake Kiowa and we cannot thank you enough.

If you wish to discover more about the Kiwanis Club at Lake Kiowa, please join us for a dinner meeting the first and third Thursday of each month at 6:30 p.m. at the Lodge. For more information, you may contact: President Rick Ramsey, (903) 952-7273, rick.r.1@juno.com; Vice President Richard Mitcham, (972) 821-1923, sharon.mitcham@yahoo.com; or Treasurer Jim Poker, (940) 612-889-2369, jim.poker1@gmail.com. You will always be welcome.

Marlene Kelley, Secretary

DEEP ROOT FEEDING that puts nutrients where the trees need it now, while beneficial microbes sustain fertility in the soil.
GAINESVILLE CHRISTIAN WOMEN’S CONNECTION

The Gainesville Christian Women’s Connection (GCWC) April Brunch will be Thursday, April 24 at 401 W. Garnett, Gainesville TX. The event time is 10 to 11:30 a.m. and the cost is $8 per person. Brunch will be catered by Lone Oak Ranch and Retreat.

The keynote speaker will be Yvonne King, a former Christian radio producer and underwriter. Yvonne will tell her real-life story of how she overcame life-crippling circumstances to come out on top from many forms of adversity. A special feature will be Dorothy Caples, a local jewelry maker. Dorothy will share information on Beads of Courage while demonstrating making jewelry beads from Italian glass. Music will be performed by Cynthia Nobles of Sunset, Texas.

GCWC is a non-denominational organization affiliated with Stonecroft Ministries open to women of all ages. Whether you are new to the area or have lived here a long time, come join us. For reservations call Judy DeField at (940) 612-3130 or email gcwcreservations@yahoo.com by Thursday, April 17.

Thank you,

Laura Patterson, Vice Chair GCWC

LAKE KIOWA JUNE GENEALOGY SEMINAR

The Lake Kiowa Genealogy Group will be hosting a seminar at the Lodge on Saturday, June 21 from 10 a.m. until 2 p.m. Our featured speaker will be Don Raney. Mr. Raney has been an active genealogist for over 35 years. He is a sixth-generation Texan who has made presentations on both the local and national level. He has given presentations on early American migration routes, researching state and federal land records, as well as several family research processes.

For our seminar, Mr. Raney will be making presentations on Early American Migration Routes, Finding Your Ancestor in the Federal Land Records, and How to Research a Common Surname.

No registration will be allowed at the door and we are limiting attendance to 30 people. The cost is $20 (includes a salad bar lunch). You can pick up a registration form at the Lodge office. Any questions can be directed to me at (940) 665-0670.

Cindy Barnhart

R.J. Stroup (L) entertained at the Chapel Quarterly Potluck. Pictured to the right are VISTO representatives (L-R): Sharron Acker, Suzanne and Don Yeager. Suzanne told Chapel about VISTO programs and needs in Cooke County. See page 5 for details on the new Pathways program.
The stage is almost set for what will be the “doggone funniest play of the season!” Sylvia—a story of the stray who came to stay!

“Sylvia” is a 1995 comic masterpiece about a dog who totally seduces the attentions and affection of a hard-working, middle-class husband in one howler of a play. Sylvia, a dog played by a human, presents dialogue that is a revelation. She performs for her “master” throughout the play, but the tricks-and-treats scene stands out. Sylvia does a trick; Greg praises her and pops a treat into her mouth. Then he gives the command for a second trick. Sylvia replies, “I’m still eating.”

This production proves the old adage that “drama is easy, comedy is hard.” A glorious evening filled with nonstop laughs is light hearted entertainment with a focus on the fantasies and foibles of middle-class life.

This funny, sometimes outrageous, production will be presented by the Butterfield Stage Players starting May 8 and will continue through May 16. Tickets will go on sale April 16 at the Butterfield box office at 201 S. Denton St. The box office is open Monday thru Thursday 10 a.m. to 2 p.m. Call (940) 665-1284 for ticket information. Tickets can also be purchased online at www.butterfieldstage.org.

Frank Mahnich

“SIGHTS AND SOUNDS” – A GALA OF ART, MUSIC, AND FOOD RAISING MONEY FOR SCHOLARSHIPS IN THE ARTS

The Cooke County Arts Council proudly presents the Fifth Annual Scholarship Concert to be held on Friday, April 4. The Arts Council includes Butterfield Stage Players, Gainesville Swing Orchestra, The North Central Texas Chorale, GAVA, and The Gainesville Circle Garden Club. Throughout the year these groups present plays, music programs, art classes, demonstrations, and exhibits, and a variety of gardening programs. All these groups work together to present the Scholarship Concert. Proceeds are used to fund a scholarship for a senior Cooke County high school student that will be attending college in the fall. Previous winners have attended Texas State University, Austin College, Lamar University, Southeastern Oklahoma State University, Sam Houston State University, and UT Arlington. This is the seventh year that a scholarship has been given. The winner will be announced during the concert. Additional funds raised also will be used to help with operating expenses for the Art Council groups.

The concert will be held at The First State Bank Center for the Performing Arts. The doors open at 6:30 p.m. and concert goers will be treated to wine, coffee, and finger foods. GAVA and the Garden Club will have art and floral exhibits to enjoy with the food. Then at 7:30 p.m. Butterfield Stage Players will present a short skit. The North Central Texas Chorale will feature jazz and pop songs of “Don’t Get Around Much Anymore,” “Come Rain or Come Shine,” “Don’t Sit Under the Apple Tree,” “I Will Arise,” and “If We Ever Needed the Lord Before.” The Chorale is directed by Dr. Mike Linder, and the accompanist is Carolyn Hook.

The Gainesville Swing Orchestra will close the concert featuring a theme of Sentimental Journey. They will be playing songs such as: “But Beautiful,” “Fly Me to the Moon,” “Tennessee Waltz,” “Boy from Ipanema,” and “Duke’s Place.” These are sure to bring back memories. Dave Alexander will be leading the band.

Tickets are $15 for general admission and $10 for seniors and children. Tickets are available at Horace Mann Insurance office of Kevin Beall, Butterfield Stage Players (940-665-8152), and will be available at the door the night of the concert. Please join us for a fun evening of food, music, and art!

Phil Schenk
NCTC EQUINE DEPARTMENT TO OFFER YOUTH SUMMER CAMPS

GAINESVILLE – Children who want to learn to ride are invited to attend one of North Central Texas College Equine Department’s Youth Mini Summer Camps in June. The camps, for children ages 8-15, are limited to six campers per session and cost $175 per camp.

The Beginner I camp will run June 10-12, the Beginner II camp will be June 17-19 and the Beginner III camp will run June 24-26.

The Beginner I camp is for children with no previous riding experience or who have a fear of riding. The Beginner II camp is for riders who are very confident walking and/or somewhat confident trotting. The Beginner III camp includes riders who are very confident trotting and/or ready to lope.

Enrollment should be based on the comfort level of the rider in performing camp activities listed and not on whether a camper has already participated in a camp in prior years.

Students will study horse theory, parts of the horse, parts of the saddle, equine nutrition and much more.

Camps will be taught by NCTC Equine Science instructor Bill Kaven. Along with his teaching duties, Kaven coaches the college’s IHSA Equestrian team. He also has over 20 years of experience as a horse trainer, breeder, clinician, and judge. He has helped horses and riders achieve top honors in numerous events and has shared that knowledge through the many clinics he has given worldwide.

“Our summer riding camps for youth have proven to be extremely popular for many years,” Kaven said, “giving participants the opportunity to learn the fundamentals of riding and horse behavior and to become familiar with basic tack and related equipment.

They also learn how to care for horses and, most importantly, how to be safe around them.”

A parent or guardian must accompany each youth participant the first day to fill out paperwork, and there will be an informational meeting after the paperwork is completed.

“We will supply nice gentle horses for the camps, as well as saddles and all the rest of the tack and equipment needed,” Kaven said. “All campers are required to wear a certified riding helmet. We recommend that students provide their own, but, if this is not possible, the college has a limited number to borrow.”

Participants may use their own horses with instructor approval. Jeans are recommended, and footwear should have heels. Boots are recommended, but not mandatory.

For more information on the summer camps, contact Bill Kaven at (940) 668-7731 or by email at bkaven@nctc.edu. You can download registration forms at www.nctc.edu/AgricultureHome/EquineCenter.

Ten Tips and Tricks For New iPad Users

1. SECURE YOUR iPAD

Rule number one? Protect your new iPad with a passcode to keep snoops and thieves out of your information.

When you first turn the iPad on, it will walk you through the steps to set up a passcode. Keep in mind that you have the option to choose an easy passcode like 1234, but you should also consider using a passcode that is harder to remember.

2. MOVE YOUR DATA

If you’re like me, you have hundreds of contacts on your old gadget...and with the iPad, it’s no exception. The iPad is capable of so many things; the only question is where to start. That’s what I’m here for! I’ve got 10 tips and tricks you need to know when setting up your new awesome piece of hardware for the first time.

3. GET THE ESSENTIAL APPS

The newest iPads come preloaded with some essential apps like iTunes, Siri and an entire productivity suite. But you shouldn’t stop there. There are awesome games, utilities, and a bunch of other fun apps you can download.

4. DELETE OR TURN OFF APPS

Whoops! You downloaded the wrong app from the app store! That doesn’t mean you are stuck with it forever. To remove an unwanted app, just tap and hold the app’s icon on the home screen. When the icons start wigging, click on the x to delete it.

5. ORGANIZE WITH FOLDERS

Once you’ve downloaded the fantastic apps, you will find your home screen is a bit cluttered. Fortunately, you can organize apps in folders. To create a folder, just click and hold an app. When the icons start to wiggle, drag and drop one over another similar app. Viola! You have a folder. Then just give the folder whatever name you want. For example, all my games are in one folder named Games.

6. SET WALLPAPERS

You spent a pretty penny for that iPad, so why not decorate it just the way you want it? You can set the iPad’s wallpaper by going to Settings>>Brightness & Wallpaper>>Wallpaper. You can choose from the default themes or from a custom photo stored in the Camera Roll or Photo Stream.

You also have two different options of wallpapers. You can set the wallpaper for the home screen – the one with all the apps – as well as the lock screen – the one that keeps your iPad secure.

Once you figure out what your new wallpaper will be, tap the button that says Set Home Screen, or Set Lock Screen – whichever one you want it to be.

7. SAVE BATTERY LIFE AND CHARGE FASTER

Did you know that your Apple gadget will charge twice as fast if it is in Airplane mode? Do this by going to Settings>>Airplane Mode and toggle it On. That trick will help you when you’re out of power, but before your gadget drains your battery, try turning down the brightness to save energy. Go to Settings>>Brightness & Wallpaper and adjust accordingly.

There’s also the Battery Saver app. It will also display the amount of time that your battery has left and tell you which apps take up the most power. This way, you can delete the power-hungry apps you don’t need or use.

8. ENABLE BOOKMARKS

Do you use bookmarks when you surf the Web? They come in quite handy more often than not for quickly loading your favorite websites. But, for some reason Safari (the iPad’s default browser) doesn’t display bookmarks by default.

To get your bookmarks started, go to Settings>>Safari and turn on “Always Show Bookmarks Bar.”

9. KID-FRIENDLY ACCESS

If you have kids (or if you have nosy guests), you can set up your iPad so they can’t get to anything they aren’t supposed to. All you need to do is turn on Guided Access. Go to Settings>>General>>Accessibility>>Guided Access. From there, you can triple-click on apps you want to keep hidden.

10. MAKE PHONE CALLS

There are a few different ways you can make phone calls on your iPad. Every newer model of the iPad has FaceTime built in so that you can use to make video calls to other FaceTime users. If you want to keep it old school, you can place free voice calls by dialing the email address associated with a person’s Apple ID. However, FaceTime is just limited to Apple users.

Other popular apps for voice calling are Skype, Google Hangouts, and Pinger. These apps can call any gadget or even landlines.

Due to the last icy day of this winter, there were only ten members in attendance at the Quilt Bee on March 3. Sharon Catlett led the meeting and reviewed the current activities of our quilters.

The 2014 Challenge was again explained. Anyone who has not drawn their packet of crayons from the blind draw is encouraged to do so soon. The challenge is to create a quilted project using fabrics matching the three colors of the crayons that were drawn. One additional color may be used. The project is to be finished and ready for show and tell at our end-of-the-year party.

Sharon reviewed the activities of the Common Threads Quilt Guild in Gainesville and encouraged our members to participate. They have a strip exchange organized for those that want to participate and a “moo” challenge for this year.

We were also reminded of the Dallas Quilt Show at Market Hall on March 7-9. Sharon also encouraged everyone to visit the Texas Association Quilt Guild website. A question was asked about our own website on the Lake Kiowa page. It should have some contact information and possibly more news and pictures.

Our next Sew Day is April 18 and the next regular meeting is April 7. Remember, Sew Day welcomes everyone with needlework to share during our day of fellowship and exchange of ideas.

Carole Clausing

Judy Beard showed her American Star quilt in red, white, and blue that she made for her grandson.

Karen Ritter (L) recently finished this small quilt of stars and also brought a quilt (above) that her mother, Eileen Ritter, recently finished.
Anita House displayed a braid quilt that she recently made using only fabrics from her stash.

Stephanie Brown brought a large tee-shirt quilt that she recently finished.

Faye McCarrell brought a finished donation quilt that will be raffled off in Gainesville.

The next Quilt Bee will meet April 7 -- 7 p.m.
at the Lodge.
The next Sew Day is April 18.
“The first day of spring is one thing, and the first spring day is another. The difference between them is sometimes as great as a month.” – Henry Van Dyke.

I think April is not too early to be wishing for spring, do you? We have had one long winter for Texas.

It’s the time of year to start working on our slate of officers for 2014-2015. Julie Minter and her committee will be looking for candidates. The nominees will be announced at our short general meeting before the fashion show on April 10. This is the big event of the year for the Kiowa Woman’s Club.

Jane Sweet, Rita Langley, and Linda Cooke and their team have been working on this for months. I hope everyone has their tickets, because if the skit performed by these ladies is any example of the show, it is going to be over the top!

Lee Skinner as Katherine Hepburn was wonderful. I feel sad for all the KWC members who did not get to see her performance. This is one talented woman!

“A compliment is something like a kiss through a veil.” – Victor Hugo

Sharon Clements

Kiowa Woman’s Club Bible Study met at the home of Johnnye White in March. Nancy Flores led us in our study of Women in the Bible with a lesson about Jezebel. The story of Jezebel teaches us how NOT to act! She was given so much—beauty, power and charisma. But, as we studied her life, we learned that only in service and humility can we achieve greatness and lasting rewards.

Our next meeting will be on April 22 at the home of Barbara Mock, 212 Kiowa. Dr. N. Nancy will be sharing with us the story of Mary Magdalene. Mary was the first to see the risen Lord on Easter morning. Her background makes her an unlikely choice in our eyes. However, only God knows the heart of each of us, and Mary’s heart was in the right place. Much has been written about her, but let’s see exactly what the Bible says about this amazing woman.

Bible Study begins at 10 a.m. with refreshments followed by our study at 10:30 and ends at 11:30 a.m. If you have questions, please give me a call at (469) 337-1698. Any member of Kiowa Woman’s Club is welcomed. I hope you will join us!

Kiowa Woman’s Club News

Kiowa Woman’s Club News

Garden & Nature celebrated the long-awaited arrival of spring with our annual plant exchange. We appreciate our March hostess Sally Poker welcoming us into her home. Not only did we enjoy sharing plants and their stories, we learned more about our local birds from our guest, Carol Beck.

Carol reminded us to get out our hummingbird feeders, clean them thoroughly, and fill with a dye-free sugar solution. If you hang more than one, place them more than 10 feet apart due to their territorial nature. Birdbaths, feeders, and houses also need to be cleaned and rinsed well. Keep feeders and water supplies filled at all times, especially during this spring nesting season.

Our April field trip has been rescheduled for Wednesday, April 16 due to other women’s club activities. Hopefully, more of you will be able to attend on this date. We will be visiting the Japanese Gardens at the Ft. Worth Botanic Garden. If you are interested, please contact Jackie Ditman or me.

It has been a long time since we have seen color in our landscape. Enjoy it, remembering that gardening should be fun and rewarding, never considered a chore. Now, go dig in the dirt!

Liz Lipperman is coming!!!

Friday, April 4
Social Time 10 a.m.
Meeting Time 10:30 a.m.
Hostess: Linda Ford
Address: 106 Teepee Cv. W.
Co-Hostesses: Barbara Mock and Judy Beard
Reviewer: Judy Neal

We are so excited to have Liz Lipperman, our former Kiowa resident turned author, return with one of her many new books. She will share what she has been doing since her last visit and how writing for fun has evolved into writing for endless deadlines. Judy Neal will review another in her Clueless Cook Mystery Series entitled “Chicken CACCIA-KILLER.” I have just finished reading it and enjoyed it thoroughly!

Jordan, the food critic for the local newspaper, who knows nothing about cooking, gets involved with another murder mystery when the International Italian Festival comes to town. You’ll love hearing about her adventures!

Our thanks go out to Kay Goodman, Sarah Franklin, and Becky Branham for the wonderful food and review of “God Bless America.” It is a beautiful story and history lesson.

We hope you will bring a friend and join us April 4.

APRIL CRAFT
BUTTON CROSS PROJECT
Tuesday, April 1 – 10 a.m.

April showers bring spring flowers. And to go with those spring flowers, the Arts & Crafts Group is going to create beautiful crosses from buttons. The project will be complete with a frame. Save any special buttons or charms you might have and bring them to use on your project. All supplies will be furnished but, if you have some special buttons or charms, bring them, too.

Please contact Paula Brinson at pmbrinson07@aol.com or (972) 342-9531 for a reservation. Reservations are due by noon on March 29.

Jackie Ditman

Canasta play continues. On Feb. 25 we had six tables. Winners were: Dany Ford first; Peggy Ashton second; Becky Knox third; Margy Langley fourth; Gloria Sullo fifth; and Lori Brindle sixth. On March 11, we also had six tables. Winners were: Norma Desilets first; Katherine Thacker second; Dany Ford third; Margy Langley fourth; Laverne Bialas fifth; and Gussie Utting sixth.

Spring is here so it is time to party. Join us on Cinco de Mayo (May 5, Monday) for a potluck and Canasta game. It will be held in the Lodge Dining Room. Bring a dish, get your table of four, and let’s have fun. We will start with the potluck at noon and then play from 1 until 4:30 p.m. We will have a sign-up sheet at Canasta and on the bulletin board. So get your table together or give one of us a call. Bring your favorite dish. We will have a lot of good food and then play the afternoon away.

Canasta is always held on the second and fourth Tuesday of the month. Lessons and refreshers are held the days we play from noon till 1 p.m. Sign in by 12:45 p.m. and play begins at 1 p.m. We have a great time so join us. All members of the Kiowa Woman’s Club are welcome. We hope to see you all there.

Happy Easter!

Dany Ford
Fran Norman

ATTENTION:
ALL LAKE KIOWA CLUBS AND ORGANIZATIONS

Your presence is needed at the Newcomers Spring Social. Please plan on attending the Kiowa Woman’s Club Newcomers Spring Social on May 31 from 4 - 6 p.m. in the Assembly Room at the Lodge. The format will be the same as the Fall Social and we invite you to have a representative attend to speak about your club/organization.

Please call me in advance so that I can be sure to reserve table space for your information. For more information please feel free to contact me.

Thank you,
Joann Broughton
(713) 906-7681
or email jc.broughton@sbcglobal.net

Happy Easter!
This beautiful new building will be our new chapel, restrooms, lobby and preparation room. It will also have state of the art sound and video system. The video system will also be available for those that are unable to attend services so they may log on to the internet and watch a live feed of the services. We will be converting our current chapel into a family reception area or an alternative service area. We will have a coffee bar set up in the new reception area. So, we have a lot of changes that will soon be starting, and we hope to start construction in about two weeks. Also there will be an entrance from the North and the South side of the building.

Happy Spring everyone! Hopefully spring will come in like a lamb because we are all quite done with cold weather. It’s nice to be able to write about an event that has already taken place such as the FOL/Lodge St. Patrick’s Day Dinner/Dance. We had a great turnout of approximately 87 “Wearers of the Green.” Starting with the fabulous appetizers to the luscious chocolate cake, Shaun and his staff did a remarkable job. His spin on the traditional corned beef and cabbage was a crowd pleaser. Sarah, Elise, and Randy Schmaltz did a blue-ribbon job serving all diners, so thanks so much for a job very well done.

This was the first time the Willie Kick It Band entertained at an FOL dance and we’re sorry a lot of you missed it, because it was great! They are a very versatile band and played music to get everyone’s toes tapping.

Don’t forget that April 5 is our Member Appreciation Party. If you have not joined the FOL yet, come to the party, fill out your membership form, and join us for some excellent Lake Kiowa FOL hospitality. Clint Sturgeon, one of our favorite DJs, will be providing the music for the night’s entertainment.

We want to thank everyone who helped decorate and “undecorate” the Assembly Room for the party. We couldn’t have done it without you.

Please make sure to complete your 2014 FOL membership form.

Submitted by,

P.R. Execs D & L

Willie Kick It band played at the FOL St. Patrick’s Day dinner and dance.
Join the LKACC Crappie Tournament - April 5
Cost: $15 per angler - $5 Big Crappie (optional)
10 fish per angler. Total weight wins.
Payout: 50% first, 30% second, 20% third
100% of all money collected will be paid out.
11 a.m. Sign-up at the Pavilion.

Kids Fish Free! Family, Friends and Neighbors, bring them all!
We will have a Kids Division 10 and under and 11 to 16.
We will give 3 trophies to first, second, and third in each division.

You may fish from boat or shore.
Fish will not have to be alive.

Facebook: Search Lake Kiowa Angler & Conservation Club

Lake Kiowa Anglers & Conservation Club is seeking donations for our Annual Fish Fry Fundraiser which takes place over Labor Day Weekend. The Board is planning some fun events and we need your help to make it a huge success! If you or your company can provide items for our Silent Auction/Raffle, please give me a call. Items can be new or perhaps you have an item that is no longer of use to you and wish to donate it. We are “thinking outside the box” so any item that you think might be of value to a fellow Kiowan is greatly appreciated. Some ideas of what we are looking for include:
• Perhaps you work at a car dealership and your company can provide a weekend sports car rental.
• You own/work at a jewelry store and can donate a piece of jewelry.
• You work at a retail shop - perhaps you can find an item to donate.
• If you have a timeshare week that you are not using, perhaps you can donate the week.
• If you have lots of frequent flyer points, perhaps you can donate round trip tickets.
• You work at Winstar Casino and can get us concert tickets, free meals, hotel accommodations.

The LKACC Mission is to raise funds to provide financial support for lake maintenance. We need your help through our membership drive and additional donations. The annual membership for a FAMILY is just $35.

Thanking you in advance for any support you can give to the LKACC.

Joanne Broughton Special Event Coordinator Cell: (940) 372-3952

“YOUR LAKE NEEDS YOUR HELP!”

Lake Kiowa Anglers & Conservation Club
Here we are with one-fourth of the year behind us. Temperatures are finally beginning to warm up. “Spring is here!” The last few months we have been trying to get the message out that “Your Lake Needs Your Help.” The Lake Kiowa Angler & Conservation Club (LKACC) working with the Lakes & Parks Committee has been endeavoring to develop plans to support the maintenance of the lake and our parks. It has been identified that the lake maintenance will take a significant amount of funding. We have asked every Kiowa property owner to donate money to support programs that we can implement to maintain our most precious assets.

At the February LKACC meeting, Chad Robinson, our lake biologist, was asked to speak about the lake issues. Chad informed us that three mussels have been identified as “endangered species” in the state of Texas. The chemical treatment of our Chara also impacts the mussels of Texas. The word is out that the mussels have been identified as “endangered species” in the state of Texas. The chemical treatment of our Chara also impacts the mussels in the lake. The word is out that the chemicals that we use to treat the Chara will most likely be outlawed within the next six months to a year. Special permits will be required to use these chemicals and studies to determine if the endangered mussels are in the lake must be completed before permits allowing chemical treatment will be issued. If the mussels are found in our lake, they must be removed prior to permits being issued.

Our best defense at this time is the use of Tilapia to control the algae. The Tilapia will also help control some of the other nuisance aquatic plant life and provide a food source for our fish. Chad recommends 20 pounds of Tilapia per acre or a total of 11,000 pounds. Beginning this stocking early is imperative. We must be prepared to fund and implement this plan as water temperatures begin to warm. Lakes & Parks recommends budgeting $10,000 for fish in 2014. Included in these funds are only 800 pounds of Tilapia. Additional funds must be raised to support our plan. We must also control the cattails that have been overtaking much of the common access areas, golf course lake frontage, and many private property locations. Early intervention must be a priority.

Unfortunately the March 15 Kids Fish Event was postponed due to threatening weather conditions. The event was moved to March 22. Look for results in the May Communi Qué. As for the February Bass Tournament, 19 anglers greeted the cold morning in pursuit of the winning sack of fish. Three anglers showed up to weigh in with impressive strings of bass. Jordan Grant managed to school all of the participants with an impressive 17.94 lbs bag and big bass at 5.55 lbs. In second place was Zach Bradshaw with 14.90 lbs. Third place went to Brad Shuflin with 10.22 lbs. Water was near 53 degrees and is approaching optimum fishing temperature. The fish are beginning to feed for the spring spawn and will continue to gain weight over the next several weeks.

The March Bass Tournament was also postponed for one week due to the Kid Fish Event delay. Look for results of this tournament in the May Communi Qué. Fortcoming April events include the annual Crappie Memorial Team Bass Tournament scheduled for April 5. All family, friends, and neighbors are welcome. You may fish from a boat, dock, or the shore.

The Sixth Annual Harvey Pippen Memorial Team Bass Tournament is scheduled for April 19. Teams must be signed up and have paid no later than April 17. See our notices for results in the May Communi Qué.

We hope to see your posts and suggestions there. If you would like to submit photographs of your fishing experiences and outings, send a note or photo to the club via our e-mail account at lkacc4u@yahoo.com. We can then upload your pictures to the Facebook page.

Thanks for all of your continued support. We are looking forward to a fantastic 2014.

Mike Bitsche
Lake Kiowa Fishing Limits

Chad Robinson, Fisheries Biologist and Lake Management Consultant, made the following fishing limit recommendations. These recommendations have been given careful consideration to keep a thriving ecological habitat for Lake Kiowa. The Angler and Conservation Club has fully endorsed the following fishing guidelines for Lake Kiowa:

Hybrid Stripper: Catch and release.
Black Bass: Keep Black Bass between 10-15 inches; 5 Per Day, Per Person. Release all other Black Bass under 10 inches and over 15 inches.
Crappie: Keep over 10 inches; 30 Per Day, Per Person. Release all under 10 inches.
White Bass: Otherwise known as Sand Bass. No Limit. Remove all you can.
Perch: No Limit.
Channel Catfish: Keep fish over 14 inches; No Limit. Release all under 14 inches.
Drum: No Limit. Remove any caught from lake.
Carp: No Limit. Remove any caught from lake.

TROT AND JUG LINES ARE NOT PERMITTED

Dock owners are encouraged to provide cover for the fish under your docks. Make sure the trees are securely anchored not to interfere with boat traffic. Feed the fish! Dry dog food or pellets especially made for the fish are readily available at feed stores. For questions, feel free to contact Mike Bitsche for specifics.

RULES FOR LAKE BLACK BASS RECORD PROGRAM
1. Black Bass must be caught from Lake Kiowa
2. Black Bass must be caught on artificial bait
3. Black Bass must be weighed on official LKACC scales
4. Black Bass must be measured by hard measuring rule
5. Black Bass must be photographed
6. Black Bass must be witnessed by at least one of the established members listed with security
7. Black Bass must be witnessed, released alive in Lake Kiowa or transferred to the ShareLunker Program
8. Black Bass records shall be effective from October 1 through September 30
9. Each Black Bass record caught within each time frame will be given a $100 prize from the LKACC
10. One Black Bass replica shall be awarded for that year’s largest record Black Bass
11. Each replica shall hang on the wall in the 19th-Hole at the Lodge until a new record is established, at which time the defeated replica shall be returned to the owner
12. If the record is not broken each year the latest record shall remain in place until defeated
13. Each year that a new record is not established, the $100 prize shall roll over to the next year. (Example - no new record for 5 years, prize pot would be $500) The cumulative pot shall not exceed $1,000 at any time
14. If the record is broken at any time, the next prize awarded will return to $100
The Polk Family
and all their employees
wish you and
your family a
Happy Easter!
DID YOU KNOW...

That we have a new computer program for Handicaps that offers lots of exciting new features? The first thing you’ll notice is the new touch screen in the Pro Shop for entering scores. The input format has changed, but it is intuitive and easy to follow. Just be sure to enter the correct date and the correct set of tees. The computer scorecard will be the same color as the tee you played. You can enter scores either hole-by-hole or a quick entry by simply entering your Adjusted Gross Score. Remember that an Adjusted Gross Score is your gross score adjusted for unfinished holes, conceded strokes, holes not played, and Equitable Stroke Control so adjust your scorecard accordingly.

The online system is where the new program really shines. It can be reached through our old address at gshandicap.com or by going to golfsoftware.com. Sign-in is the same as the old system. In the GSID window put the Lake Kiowa ID 3322, followed by a dash and your lot number, followed by a “1” for MGA or a “2” for WGA. For lot 521 and an MGA player the GSID is 3322-5211. The default password is your last name but it must contain at least eight characters. Add zeros (not the letter O) to the end of your name if needed to make eight characters; i.e., “Smith000.”

Once on the new home page, don’t be hesitant to explore all the features by clicking on any of the resources or tabs. There’s nothing you can do to harm the site. In the upper right corner of the home page you will see your name and an icon. Click on the icon to edit your profile or sign out. Feel free to add comments or questions to the comment window.

Want to make a tee time reservation on the Old Course at St Andrews, see what the weather’s like at Pebble Beach, look up a USGA rule, get the latest golf news from ESPN, find a tip on putting or read classic golf quotes? You can do it all from the Resources links on the Home Page. On the Scores tab you can see all your scores and enter a new score just like in the Pro Shop either hole-by-hole or by an Adjusted Gross Score quick entry. The Handicaps tab will show you your current Handicap Index, allow you to print a Handicap Card, show you your Course Handicaps for favorite courses that you select and, best of all, show you exactly how your current personal Handicap Index was calculated. The Players tab will give you a list of all MGA or WGA members and allows you to sort the list in several different ways. You can also access the player’s list or look up individual players without logging in by simply entering the Lake Kiowa ID in the “Lookup Golfer(s)” window on the sign-in page. The Files tab allows us to add files to the site such as the tournament schedule and the Signups tab will eventually give us the ability to sign up for events online. We believe you will enjoy the new program and its features.

You can see that it’s not just for Handicaps, but it also has the potential to be a complete golf resource for Lake Kiowa. It’s a work in progress with lots of exciting capabilities so log on, look around, and let us know what you think.

YOUR HANDICAP COMMITTEE

The Lake Kiowa Couple’s Golf Association will host its first tournament on Sunday, April 13. Any man/woman couple may participate. The format is an Easy Go Scramble with four players.

Sign up as a couple at the Pro Shop by April 11. The cost is $8 per couple. Meet at the Pro Shop by 12:30 p.m. on April 13 for team assignments and a 1 p.m. shotgun start. Call Joe with questions at (940) 727-4868.

Dee and Joe Dorman

Home page of the new handicap system for Lake Kiowa.
We began our 2014 season with very bad weather. Although our golf was canceled, we were still able to hold our meeting and lunch as scheduled. We had sixty-eight (68) people in attendance. Our scheduled scramble was rescheduled for Feb. 12 and then again had to be canceled due to cold weather. Not a great season opener, but I am sure spring will eventually arrive.

Kim Cooke, executive director of Abigail’s Arms, was invited to our meeting to explain exactly what functions Abigail’s Arms performs in Cooke County. Kim began her presentation by playing a recording received by a 911 operator from a child asking for help. Kim went on to explain that Abigail’s Arms is a nonprofit organization that provides services to victims of all types of crimes. In the past three years there have been at least six Lake Kiowa residents who have directly utilized their services. Kim covered all services and programs offered by Abigail’s Arms. The greatest needs for the organization at this time are computers, playground equipment, and resources to fund a program called “Boot Scootin’.” This program focuses on recreation, extracurricular activities, and exposure to social experiences. The WGA will be voting at the April general meeting on whether the WGA wants to support Abigail’s Arms for this year’s charity tournament.

R.J. Stroup provided information to our membership on the upcoming Indian Creek VFD Fundraiser Golf Tournament scheduled for April 14. The objective for this year’s tournament is to raise money to be applied toward the purchase of a new pumper truck. If the $35,000 goal is met, the government will subsidize the rest of the purchase. We all hope our membership will come out and support this very worthy cause.

Did you get your new 2014 Lake Kiowa MGA/WGA Directory? Much thanks to Lori Brindle and her team for compiling all this information. A special thank you also goes to Marcy Titus for her hard work in putting all the WGA and MGA information together for print. Much hard work goes into compiling the directory and Kim Cooke, executive director of Abigail’s Arms, covered the services and programs provided in Cooke County.

Lori and Marcy are commended for doing such a great job. For those who did not get a directory, there are copies available in the Pro Shop.

Treasurer Sharon Mitcham reported that our ending bank balance as of 2/28/14 was $5,409.98. Earmarked money totals $1,910.56 leaving an actual ending balance of $3,499.42. There are currently 131 players in the Hole-in-One pot that totals $655.

Tables, chairs, and umbrellas have been purchased for the patio area by the Pro Shop. Hopefully we will be blessed with good weather soon so we can enjoy our new purchases. Lori Brindle, our membership chairperson, reported our membership is currently at 219 members.

The 18-Hole (Janice Richey/Sharon James) and 9-Hole (Shayron Gathright/Continued on page 31

Lake Kiowa Member-Member Tournament
April 24 – 26, 2014

Let the Good Times Roll

Tournament will be a two-person team, two-day eclectic (ability to improve your score on 2nd day of play). Join us for fun, fun, fun and even more fun!

Events

Thursday, April 24th:
3:30 start, Flighted 2-Person Team, Shoot-out
$25 Entry
Play to the last team standing. Return to Pro Shop for Cookout and Margaritas compliments of Brent and Kathy Reed.

Friday, April 25th:
8:30 start, 2-Person Team, Flighted, Medal Play
$25 Entry
Be Closest to the Pin, Closest to the Line. Hit the Longest Drive.

4:00 – 6:00 p.m. Member-Member Cocktail Party
Celebrate your first day of play—Cry in your beer, toast your partner with a glass of vino or drown your sorrows in our Blue Kiowa cocktail. Cocktail Party sponsored by Sharon Mitcham of Lake Kiowa Premiere Real Estate, and Maureen Anselmi. Hosted by Joy Mann at 100 Teepee Cove.

Saturday, April 26th:
8:30 start, 2-Person Team, Flighted, Eclectic
Improve your team score from Friday.
Lunch at LK Lodge after play. Win Door Prizes! Collect your Awards!!

Deadline to Enter: April 18th

Watch for sign-up sheets at the Pro Shop

Paula Brinson chairpersons have asked the membership to follow these guidelines for playdays: The Pro Shop will provide a sign-up sheet a week in advance of play so you can sign up early. If you sign up early, and then decide not to play, please call the Pro Shop and cancel. Fees for scrambles will be collected on the day of the scramble. Pictures will now be made after the teams have been announced, and before play has begun. This will ensure that complete team pictures are provided to the CommuniQué. Also, be sure to mark birdies and chip-ins on your scorecard. Players should always enter their scores into the handicap system following play.

Our first tournament for this year will be the Member/Member on April 25, 26. Kathy and Brent Reed of Lake Kiowa Professional Services will be sponsoring the Shoot-out. This is scheduled to be held on April 24 at 3:30 p.m. Joy Mann will host a cocktail party after play on Friday. Grab a partner and reap the benefits of all the hard work your tournament committee is doing to make this a fun and enjoyable golfing experience. The Member/Member committee consists of Joy Mann, Margy Langley, Carol Bosse, and Genevieve Ayinger.

Molly Worthing has redone the bulletin board in the 19th Hole. Check out the pictures and information that have been posted there. Thank you, Molly, for handling this project!

Golf association representatives are again encouraging everyone to participate in their playdays. Please contact La Vonne Jucha for Central, Margie Nash for Texoma, and Ruth Robinson for Texa Women’s Golf. The schedule for the association events can be found on the WGA website and in your directory.

Please continue filling your divots on the fairways and tee boxes. Please also repair pitch marks on the greens. A little help will do wonders to keep our course looking good.

The Dream Team Challenge/Scramble is scheduled for Wednesday, April 2. Everyone come out on scramble day and give these girls a run for their money. A meeting and lunch will follow play. Craig Lamkin will discuss the handicap system. Neil Wright, the MGA Tournament Director, will present information on the Make-A-Wish Tournament to be held July 13, 14. Hope to see you there!

WGA News
MGA General Meeting and Playday
Saturday, February 22, 2014

On Feb. 22, the Men’s Golf Association (MGA) met at the Lodge. President Tom Blackwell called the meeting to order at 12:30 p.m. The meeting was postponed from Feb. 8 due to winter weather conditions.

R.J. Stroup provided information about the benefit golf tournament and dinner/auction for the Indian Creek Volunteer Fire Department, being held April 13, 14.

Tom introduced Bryan Brown, the new Golf Course Superintendent. Bryan spoke to the group and answered questions from the floor.

Tom presented a Hole-in-One plaque to Mark Gillings.

Tournament Director Neil Wright provided a report on upcoming tournaments:

1. March Playday: The format will be the 6-5-4-3 Martini Scramble. This is a four-man scramble with six drives from the Blue tees, five drives from the White tees, four from the Golds, and three from the Reds. Each team selects which tee box on which hole.

2. Spring Kicker tournament will be April 5, 6: two-man teams (member/member). Field will be flighted based on team handicap, with six teams per flight. Each team will play the other three teams in its flight in 9-hole matches. Three matches will be played on Saturday (27 holes) and two matches on Sunday (18 holes).

In all, 127 golfers participated in the February playday. The format was a two-man scramble, with each flight having its own tournament. Results were as follows:

‘A’ flight: 1st place: Jack Biffle and Mark Metzler; 2nd place: Tracy Wilson and Jay Thompson.

‘B’ flight: 1st place: Mark Gillings and Mark Anthony; 2nd place: Vic Norman and Jim Mead.

‘C’ flight: 1st place: Keith Wilson and Greg Otto; 2nd place: Kent Harvick and Phil Handley.

‘D’ flight: 1st place: Lloyd Butts and Frank Loncar; 2nd place: Ken Peichel and Harold Bosse.

Submitted by,

John Seefeldt
MGA Secretary

1st Place in ‘A’ flight (L-R): Mark Metzler and Jack Biffle.

1st Place in ‘B’ flight (L-R): Mark Gillings and Mark Anthony.

1st Place in ‘C’ flight (L-R): Keith Wilson and Greg Otto.

1st Place in ‘D’ flight (L-R): Lloyd Butts and Frank Loncar.

MGA General Meeting and Playday
Saturday, March 15, 2014

On March 15, the Men’s Golf Association (MGA) met at the Lodge. President Tom Blackwell called the meeting to order at 12:30 p.m.

R.J. Stroup provided information about the benefit golf tournament and dinner/auction for the Indian Creek Volunteer Fire Department being held on April 13-14.

John Seefeldt reviewed the Kapers tournament information that was sent by email to the MGA membership. Tournament dates are June 13-15. The Friday night Calcutta event will be outside this year – under the “big top” tent on the Pro Shop parking lot. The ladies are invited this year. The Concept Store is back this year, sponsored by Titleist/Footjoy. It will be open on Friday between 10 a.m. and 3 p.m. We’ll have a team putting contest on Saturday. No events are planned for Saturday evening.

Tom reminded all those who volunteered to fill divots on Mondays to please do so. The grass will be growing soon, so it’s time to concentrate on the divots.

Tournament Director Neil Wright provided a report on upcoming tournaments:

(1) April Playday: This will be the Dream Team Challenge. Format is a four-man Shamble – all drive and select the best drive; play your own ball from there. Count three scores on each hole: one gross and two nets. Four drives are required from each player.

(2) Spring Kicker tournament will be April 5, 6: two-man teams (member/member). Field will be flighted based on team handicap, with six teams per flight. Each team will play the other five teams in its flight in (five) 9-hole matches. Three matches will be played on Saturday (27 holes) and two matches played on Sunday (18 holes).

Eighty-seven golfers participated in the March playday. The format was the Martini Scramble – six drives from the Blue tees, five from the Whites, four from the Golds and three from the Red tees. Four drives from each player.

By now you hopefully have heard about some of the great items we have for the annual ICVFD Auction on Sunday, April 13. Property. Yes, I said property, vacations, private plane rides for dinner, or to just see Cooke and Grayson County from a different point of view. We have guided fishing tours, jewelry, and much, much more. We've placed some of the items at the Lodge so you can preview them before the auction. Make sure you check them out. We will be changing out the items each week at the Lodge until the auction. We are very excited to have Janice Seeffield, Cathy Cecil, Maureen Anselmi and Melva Akins on board to gather donations. Residents and area businesses have stepped up and donated vacations and other great items. We thank you for your generosity in advance. Please remember that credit cards, checks, and cash will be accepted at the auction checkout.

The Annual ICVFD Fundraiser consists of a two-day celebration. On Sunday, the Fish Fry, where chances will be sold for a flat screen TV, and both a silent and live auction will occur. The winner need not be present to win the TV. On Monday, April 14 a super fun golf tournament held at Lake Kiowa with plenty of prizes will round out the fundraiser. Get a team together or sign up as a single but sign up! Brown McCrory will make sure and get singles together for a team. Contact the Pro Shop at (940) 668-7394 for more information.

Our Shabby Chic sale had one good day and one cold and rainy day in March. We sold some larger items, which helped free up space in our storage units. The temperature dropped on Saturday so we closed early since not many were shopping. Nonetheless, we were able to take in more than $1500!

Thanks so much to the residents who have donated items for resale. If you would like to donate gently used household items, tools, furniture, or lawn equipment, please contact Jo Brannan at (940) 395-3405. Our next sale will be on April 4, 5, which is always the first Friday and Saturday of each month. Come find your treasure!

Our Auxiliary general meeting in March allowed us to present the bylaw changes to those in attendance. Please plan to come to the next meeting on Monday, April 14 at 6:30 p.m. at the Lodge to vote on the changes the Auxiliary board feels are necessary to our bylaws.

We hope to see you at the ICVFD fundraiser!

Spring has arrived with Daylight Saving time. If you did not check your smoke detectors when you changed your clock, please do it now. Batteries should be changed twice a year when you change your clock.

We have smoke detectors that we will give to anyone who needs one. Jim Goldsworthy State Farm donated 250 of them to the Indian Creek FD to give to people who do not have one or if the one they have does not work.

We were hoping that the new Tender would be delivered in time for our fundraiser on April 13 and 14, but that will not be the case. Our first inspection trip will be in early April and it should be delivered in early May. We will take pictures on our trips to the factory.

We are inviting everyone to come to our fundraiser event. On Sunday, April 13 we will have the catfish dinner and auction. On Monday we will have a golf tournament. Lunch will be provided and the format will be one that all golfers will enjoy.

Our call volume for February was down from last year by 13 calls. For the year we are down nine calls from last year. We have had 18 fewer EMS calls for the year. This is actually good, because it means fewer sick and injured people. We responded to 7 calls inside Lake Kiowa and 12 outside the gates for the month. For the year, we have responded to 22 calls within the gates and 30 outside.

SECURITY REPORT

Feb. 13 - March 12

Spring Break for area schools is in progress now even as this report is being prepared. The upturn in activity levels usually seen during this week is likely to continue as the advancing calendar presages the seasonal warm-up of temperatures. The advent of spring always activates the pent-up longings of boat owners for the water, the instinctive urges of resident wildlife for nightly wanderings and sometimes, unfortunately, the inexcusable desire of some to use the cover of night to engage in acts of senseless destruction.

Correspondingly, this month’s report affirms that increasing numbers of boat owners are obtaining their updated stickers at the Guardhouse, Security Animal Control disposed of 12 varmints caught in traps versus a total of two shown in last month’s report, and three incidents of criminal mischief (reported from KDW, Colt and Little Fox Pond) compare unfavorably with no such incidents posted last month.

Security patrol officers working traffic control performed 11 stops, 10 of them for speeding. Consequently, two citations were issued for speeding. An additional two citations were sent to residents for having dogs straying loose in the community. Five stranded motorists were given assistance, three unlocked doors were secured, two resident welfare checks were conducted, and an illegal sign was taken up. Departmental logs indicate a Security response to two business alarms, a resident alarm, a disturbing the peace complaint, and a report of kids playing on the golf course. Two incidents of vehicular trespassing captured by surveillance cameras are under investigation. One party of unaccompanied juvenile guests violating curfew were transported off property and turned over to an authorized adult guardian.

Security dispatchers documented 25 ICVF emergency runs. Nine of those calls were to medical emergencies inside Lake Kiowa. ECA-certified Security personnel responded to four of the nine calls originating from within Lake Kiowa.

Gary Davidson, Chief of Security

GOLF COURSE UPDATE

As I sit in my office, we just had the nicest day of the year. Yesterday’s high temperature was near 80 degrees. Hopefully, that is a sign of things to come and spring is right around the corner. The Golf Maintenance Department is ready to move from this harsh winter into spring. Spring may be my favorite time of the year. The turf will green up and leaves will start to come back to the trees, and we can get back into a nice routine.

The most recent cold snap set the completion of our pre-emerge herbicide application back one week. We were finally able to finish that up on Monday, March 10. We could not have asked for a better day. Temperatures were in the 60s with very little winds. Those are ideal spraying conditions. Not to worry, we were able to finish the application within our February 15-March 15 window when annual weeds are producing seeds. This application should eliminate a weed outbreak similar to what we saw in our green surrounds last fall.

Beginning in late March or early April, we will begin a very aggressive verticutting program on our fairways. Over the past few years, we have mowed fairways in the same direction. This practice has produced very distinct mow lines on our fairways. Although it is visually appealing, it has become detrimental to the overall health of the turf. Because the grass has been mowed in the same direction for so long, it has become nearly impossible to get a good cut on the turf. The grass has been laid over by mower reels and not cut effectively. As a result, the grain is predominant. To alleviate this problem, an aggressive verticut program must be done.

Verticutting serves several benefits for the turf grass. The primary benefit is the removal of thatch. Thatch is the accumulation of dead plant material and organic matter. This thatch layer results in softer, spongier playing conditions and can also slow water infiltration. By removing some of this thatch layer, water can move into the soil more effectively and can potentially reduce water usage. Currently, water that cannot get into the soil becomes runoff and is essentially wasted meaning more water is needed to keep the turf healthy. Also, verticutting will reduce the amount of grain in the fairway. By cutting the stolons (lateral shoots), the grass plant is forced to grow more vertically producing a denser turf. Balls will sit up top of the grass after this process.

After meeting with the Golf Committee, it is their recommendation that we do two-three fairways a week and finish the process as quickly as possible while considering our tournament schedule. This process will be time consuming due to the amount of material that needs to be removed and our equipment limitations. It should take 10 days to two weeks for the fairways to heal. The areas will still be playable, but will be thin during recovery.

See you around the course!!

Bryan

LODGE MANAGER REPORT

April is the kickoff for the busy spring season at the Lodge. With warmer temperatures and longer days, the Lodge is the place to be for dining, cocktails, and socializing with friends and neighbors. Please remember to complete the Guest Comment Card to let us know how we’re doing. At the same time, your name will be placed in a drawing for a free dinner for two simply for completing the card.

In closing, it is with a sad note that the management change has been mowed in the same direction for so long, it has become nearly impossible to get a good cut on the turf. The grass has been laid over by verticutting serves several benefits for the turf grass. The primary benefit is the removal of thatch. Thatch is the accumulation of dead plant material and organic matter. This thatch layer results in softer, spongier playing conditions and can also slow water infiltration. By removing some of this thatch layer, water can move into the soil more effectively and can potentially reduce water usage. Currently, water that cannot get into the soil becomes runoff and is essentially wasted meaning more water is needed to keep the turf healthy. Also, verticutting will reduce the amount of grain in the fairway. By cutting the stolons (lateral shoots), the grass plant is forced to grow more vertically producing a denser turf. Balls will sit up top of the grass after this process.

After meeting with the Golf Committee, it is their recommendation that we do two-three fairways a week and finish the process as quickly as possible while considering our tournament schedule. This process will be time consuming due to the amount of material that needs to be removed and our equipment limitations. It should take 10 days to two weeks for the fairways to heal. The areas will still be playable, but will be thin during recovery.

REPEAT OFFENDER VIOLATIONS

April 2014

If you have received a citation and have questions, all rules can be found on the Lake Kiowa Website; additionally, you may call Gary Davidson at (940) 665-3221 or Randy Schmaltz at (940) 665-1055. All written notifications will be mailed directly to you as soon as possible. Parents or guardians of minors and lot numbers of repeat rule offenders. Rule 4.2.7.c states: “Two or more violations of the same rule, two or more infractions in the same category, or more than one Serious or Major infraction in any combination and regardless of the rule or category within (1) year are considered a repeat offense. In all cases the names of repeat offenders will be printed in the Association newspaper.”

By rule, the following property owners are classified as repeat offenders:

William Herring, Lot 1754: Rule 4.3.1.f (1) Positive Control of Pets - 8/15/13, 2/5/14, and 2/24/14.

MANAGERS’ REPORTS continued on page 37.
PUBLIC WORKS MANAGER REPORT

PUBLIC WORKS: Public works continues on regular winter work schedules. A new sound system has been installed in the main room at the Lodge to enhance meetings and events.

PARKS AND LAKE: The lake elevation has remained steady as of late, with the current reading at 698.1. Normal elevation of the lake is 700.00.

ROADS AND BRIDGE: Roads are still being sanded and salted as new cold fronts pass thru the area. The weather will surely warm soon.

Editorial Policy
The policy and purpose of this publication is to inform all residents of events and activities within our community, to report on actions and decisions made by our Lake Kiowa Property Owners Association Board of Directors, and to publish the results of those decisions. Information is important for everyone to know that problems are being worked on and remedies are being sought.

The following items will be accepted for publication: Events and information about Kiowa organizations that are open to all residents; events in our surrounding communities when Kiowa residents may be involved in them; and Items of a personal nature that reflect on the generous character of our residents or a milestone in their lives.

A Letter to the Editor should be less than 350 words in length and will be accepted if it presents a thoughtful and constructive view to an issue that may be controversial within our community. It may be reviewed and verified for factual accuracy by the appropriate authority. The factual clarification will be published along with the letter. The letter should be typed or in legible handwriting, signed by a verifiable resident, and will be published unedited with misspellings indicated when necessary. If handwriting cannot be easily read, it cannot be used. The CommuniQué will not be responsible for misreading a handwritten word. A letter may be refused publication if space is limited. If several letters are received expressing the same view, one may be chosen for publication. Letters containing personal attacks, self-promotion, or advertising will not be published. Letters to the Editor do not necessarily reflect the view of this newspaper or its advertisers.
Annual Meeting
of the Members
Saturday, March 9, 2013
7:00 p.m. Assembly Room
The Lodge at Lake Kiowa
1. Call to Order: At 7:00 p.m., March 9, 2013 President Jim Mead called the Annual Meeting of Members to order. Directors Kelley Stewart, Brent Reed, Leslie Tomich, Craig Lamkin, Jay Titus, LaVonne Jucha, Lou Vander Molen, Bill Morris were present along with Community Manager, Randy Schmaltz.
2. Pledge of Allegiance: President Mead led the Pledge and welcomed all present.
3. Reading of Minutes from the Annual Meeting of the Members of March 10, 2012: The reading of the minutes was waived in accordance with Bylaw 6.02a. The minutes were accepted as presented.
4. Announcement of the Organizational Meeting of the New Board: An organizational meeting of the new Board will be held immediately after the conclusion of this Annual meeting.
5. Award Presentation by Firewise USA to Lake Kiowa: State Representative Drew and Mrs. Springer, County Commissioner BC & Mrs. Lemons and Cooke County Fire Marshall Ray Fletcher were in attendance to witness this award. Mr. Nick Harrison, Texas Department of Forestry formally recognized the Lake Kiowa community as the 54th Firewise USA Community in the state of Texas. A plaque was presented to Jim Mead and Randy Schmaltz. Plus a sign to be posted at the front entrance was also presented. Committee Chair Sam Moore and committee member Barbara Moore were in attendance.
6. Election Committee Report - Election of Directors, Dennis Horvath: Dennis Horvath, Election Committee Chair, announced that the Election Committee counted votes from 9:00 a.m. to 1:01 p.m., with a 30-minute break for lunch, and thanked his committee for their time and efforts. He introduced Donna Marfice, Election Judge, to read the results. Donna declared that the election was a valid election. 1,215 ballots were mailed, 20 percent (20%), or 511 of the ballots were required to be returned for this election to be valid. 494 valid ballots were received. The results are:
   a. Bill Turner
   b. LaVonne Jucha
   c. Leslie Tomich
   d. Bill Turner
   e. Deke Alexander
   f. Lyne Arnette
   g. Billy Wood
   h. Gary O’Dell
7. Recognition of Outgoing Board Members: Plaques were presented to the following outgoing Board members.
   a. Jim Mead
   b. LaVonne Jucha
   c. Leslie Tomich

Continued on page 39
8. State of the Community Report - President Mead:
   a. Our community’s financial condition continues to improve with our overall cash position in our reserves increasing about 10% over the previous year. Our reserve accounts continue to grow through good management practices of our committees and the board of directors. Earlier this year, our total cash position in all accounts exceeded $2 million for the first time. The Lodge continues to operate within budgetary guidelines for the second year in a row and I feel confident that it will continue to do so with the management programs that have been instituted.
   b. A Road Improvement Committee was established in April of last year to evaluate in detail improve our roads and how to pay for it. The committee has made a recommendation and I am sure that next year’s board will present its recommendation to the community in order to move that project forward.
   c. One of our goals last year was to develop a wildfire action plan. Randy went to work on this project and as a result of his diligent work, we not only have a wildfire action plan in place but Lake Kiowa is now recognized as a Firewise Community of which there are only about 60 in the state.
   d. In June, we completed the front entrance project and the grand opening event was well attended. This was a much needed improvement and our new entry reflects the pride that we have in our community. Thank all of you who supported this endeavor.
   e. We continued to retain a marine biologist to help us manage our lake. As our water quality continues to improve, it brings with it other challenges such as aquatic weeds that need to be controlled. An overall plan is in place to manage the aquatic weeds and over time, we will learn how to effectively maintain the lake so that everyone can enjoy it. We instituted a boat quarantine plan to try to prevent the spread of zebra mussels. This program was well received by our community with very little negative feedback. In consultation with the Texas Parks & Wildlife Department, we started a goose and beaver abatement program. We have too many geese making a permanent home at our lake primarily as a result of people feeding them. The geese eat our good aquatic plants and foul our beaches and golf course creating a health hazard. The beaver have become too numerous and need to be managed so they don’t get into the dam and cause a breach. Also, we have renewed our silt removal permit with the Corps of Engineers. We need to begin the planning process to not only remove the silt from our coves but to deal with the amount of silt in the deeper parts of the lake. We have closed our eyes to this problem for too long and need to have a plan to deal with the silt and how to fund it.
   f. As you know, every five years there is an opportunity to change our covenants. I asked Corky Cohoon who had just finished his three year POA board commitment to take on this task which he agreed to do. Corky did an outstanding job leading the committee and disseminating information to the community. As a result of his and the committee’s efforts, all of the proposed covenant changes were passed by the membership with 835 property owners casting ballots. After the covenants were finished, he and his committee tackled the bylaws. Once again, all of the proposed changes to the bylaws were voted in by the membership. Corky, Craig Lamkin and Jack Thies were certainly the right people for these two projects and the community owes each of you a big thank you for a job well done.
   g. As a board, we were hoping to have what I would call an event free term but it was not to be. In August, the board gave notice to the Lake Kiowa Volunteer Fire Department that we were terminating our contract under the letter agreement both parties signed in 2005. We made plans to start a new volunteer fire department and to attempt to win the county contract in September. As you know, the Indian Creek Volunteer Fire Department was successful in winning the contract and has been effectively operating as our fire district’s first response team since October 1, 2012. After the county awarded the contract to the new fire department, the Lake Kiowa Volunteer Fire Department filed lawsuits claiming breach of contract, slander and libel against our community manager and the POA. Our legal counsels are of the opinion that none of the lawsuits have any merit.
   h. I don’t want to give the impression that the decision to start a new fire department happened overnight. It was a process over many months where we monitored what kind of service and response that our membership and others were receiving. Once the decision was made, our community responded at a level that surprised me. There are so many people to say thank you to that if I tried to do it here I would leave too many out. Let me just ask the members of the fire department, the board of directors and the auxiliary board members that are here tonight to stand. Now, there is one person above all others who, once the decision was made, carried the weight of establishing our new fire department on his shoulders. Without his fierce determination to get the department up and running, it could have never happened in so short of a time period. While I had sleepless nights and worrisome days, he assured me that it was the right course that we had undertaken. Our community owes its thanks and gratitude to Randy Schmaltz.
   i. As is the tradition, I will open the floor for comments and answer questions after I finish.
   j. To all the committee members and volunteers who make Lake Kiowa a great place to be, thank you. To the board of directors who have had to put up with me, thank you for your support and guidance.
   And I would be remiss if I didn’t publicly say thank you for all the support that my wife Pat gave me during this time. She has been my soul mate and confidant for over 30 years. Every time that I have had to be in a public forum she has always given me comfort and confidence with a hug and these words “Make sure your pants are zipped up.”

I never planned, hoped or wanted to serve two terms as the president of the board of directors. Fate intervened with the challenge to the front entrance project and I suppose the board thought I should continue to guide us through that period since it began on my watch, so to speak. Now, as I looked back on my time as president and my service on the board, I thought about some famous quotes in an attempt to describe my feelings about my time as president. I thought of Dr. King and his famous speech on the Washington Mall where he said “Free at last. Free at last. Thank God Almighty I’m free at last.” But upon further reflection, I thought about all the new friends and acquaintances I have made coupled with all of the things we accomplished. Those recollections brought me to recall a quote from my favorite movie, Lonesome Dove, where Gus McCrae was on his death bed and his lifelong friend Woodrow Call was at his side. Just before Gus died he opened his eyes and proclaimed to his friend “By God, Woodrow, it’s been quite a party.”

Thank you all very much.

9. Membership Comments:
   a. Lodge Banquet/Restaurant Department - Ed Tomlin, President
   b. The board took no action on a request by the owner of lot 699 for a letter of conveyance that the LKPOA would have no exception to the portion of lot 670 that was sold to lot 699 some time ago. Following the sale, lot 699 was re-platted and recorded the portion of lot 670 that was sold. After discussion it was determined that the LKPOA has no authority over exceptions to a recorded deed.

10. Adjournment:

   a. Lodge Banquet/Restaurant Department - Ed Tomlin, President
   b. Motion: At 7:36 p.m., Jim Mead adjourned the Annual Meeting of the Members.

   Submitted by, Leslie Tomich, Secretary
new tables and chairs for the 19th hole, Dining Room and Assembly Room. The Pavilion will get 300 new folding chairs at a cost of $7,350. The Assembly Room tables will cost $12,329 and the Banquet chairs will cost $10,197.

b. DeV olt engagement letter which gave us the amount for service for the coming year. They audit our books and help fill out our tax papers to file with the IRS. The new fee will be $4,400 which could have some added to the amount if extra work is needed. Leslie Tomich made the motion to approve the work not to exceed $5,000, the motion was seconded by Bill Morris. All were in favor. Motion carried.

VIII. Additional Business - There was no additional business.

IX. Questions from the Audience - Jim Mead asked if there had been any progress made on our road improvements. Brent Reed told him that the Ways & Means committee is looking for the way to fund the program. This should be ready soon.

X. Executive Session - Lou Vander Molen made the motion to enter into executive session at 6:34 p.m. and was seconded by Leslie Tomich. All were in favor. Motion carried.

XI. Adjourn - Craig Lamkin made the motion to adjourn at 6:47 p.m. and was seconded by Leslie Tomich. All were in favor. Motion carried.

Submitted by,
Gary O’Dell, Secretary
The next ICVFD Board meeting will be Thursday, April 10 at 7 p.m. at 550 Kiowa Dr. W.

INDIAN CREEK VOLUNTEER FIRE DEPARTMENT
BOARD OF DIRECTORS’ MEETING
ICVFD FIRE STATION
February 27, 2014
The meeting was called to order by Ed Tomlin at 7 p.m. All newly elected Board members were present: Ed Tomlin, Bob Hughes, Sam Moore, Bonnie Woodruff, and Rosina Salsman.

NOMINATIONS:
President: Bob Hughes made a motion to appoint Ed Tomlin as President. Rosina Salsman seconded. Motion carried.

Vice President: Ed Tomlin made a motion to appoint Bob Hughes as Vice President. Bonnie Woodruff seconded. Motion carried.

Secretary: Bonnie Woodruff made a motion to appoint Sam Moore as Secretary. Ed Tomlin seconded. Motion carried.

Treasurer: Bonnie Woodruff made a motion to appoint Rosina Salsman as Treasurer. Bob Hughes seconded. Motion carried.

President Ed Tomlin made a motion that board meetings be changed to the second Thursday of each month at 7 p.m. at ICVFD Fire Station. Vice President Bob Hughes seconded. Motion carried. Sam Moore will contact necessary media contacts to change the meeting information being given to the public.

Vice President Bob Hughes made a motion to adjourn the meeting at 8:49 p.m. President Ed Tomlin seconded. Motion carried.

Respectfully submitted,
Rosina Salsman, Acting Secretary

LAKE KIOWA SPECIAL UTILITY DISTRICT
MINUTES FOR REGULAR MEETING OF BOARD OF DIRECTORS
DATE: Wed., February 12, 2014
TIME: 9 a.m.
PLACE: 133 Kiowa Dr. S.
Lake Kiowa, Texas 76240

1. Call to Order and Declaration of Quorum: The meeting was called to order by President Maxwell at 9:02 am. All Directors were present along with legal counsel James Wilson and General Manager Ronny Young. Two guests representing Greater Texoma Utility Authority (GTUA), Drew Satterwhite and Jerry Chapman, were present.

2. Review and approval of minutes: January 2013 Regular board meeting: Director White made a motion to approve the minutes. All Directors were in favor. Motion carried.

3. Public Comment. (Speakers limited to 5 minutes each): None

4. New Business:
(a) Presentation on possible financing options and outline of services by Greater Texoma Utility Authority’s staff: Jerry Chapman from the Greater Texoma Utility Authority introduced the new General Manager of the GTUA Drew Satterwhite who then went over a power point presentation explaining what GTUA is and what benefit they could be to LKSUD in financing and completing the water line replacement and improvement project the we are currently planning. Drew and Jerry answered question from the board and then were thanked for the information and time. A motion was made by Director Bergbower to call a Special Called Meeting on February 19, 2014 at 9 a.m., for the purpose of discussion and possible action concerning a contract with GTUA and any other items needed to pursue the funding for the waterline and system improvement project. The motion was seconded by Director Thies and all were in favor.

(b) Consideration and possible action regarding approval of Ordinance No. 2014-002 ordering the May 10, 2014 general election to elect 2 directors: Attorney Wilson explained that under new election laws we would be able to hold our May 10th election ourselves since we met one of the criteria of not having to have an election last year since there were no contested races. He then presented Ordinance No. 2014-002 ordering the May 10, 2014 general election to elect 2 directors. Vice-President Thies made the motion to accept Ordinance No. 2014-002 and Director White seconded the motion and all were in favor.

(c) Consideration and possible action concerning changing March monthly meeting date:
After some discussion Director Bergbower made a motion to call a Special Called meeting of the Board of Directors on March 5th at 2 p.m. and to cancel the originally scheduled March 12th monthly meeting. The motion was seconded by Director Anselmi and all approved.

5. Committee reports:
(a) Human Resources (HR) Committee: None
(b) Budget and Rates Committee: None
(c) Long-range Planning and Conservation Committee: None

6. Old Business:
(a) Consideration and possible action regarding HR Committee recommendation concerning approval of Lake Kiowa Special Utility District Personnel Policies: The HR Committee consisting of President Maxwell and Directors Thies and Dressel presented the new Employee Policy Manual and stated that after a very long process they were ready to have it approved. Director Thies made a motion to approve the new Employee Policy Manual and Director Richley seconded the motion. All Directors approved.

(b) Consideration and possible action regarding customer adjustment request: All adjustment requests were previously taken care of by the General Manager so no action was taken.

7. General Manager’s report: review of financial documents; water system maintenance and status; status of various projects; and recommendations for improving the water system and customer relations; and recent activities of the North Texas Groundwater Conservation District:
General Manager Young gave a report of the water system and problems had during the previous cold weather. He stated that the financial statements would be sent out in a few days since they were still being updated. He also stated that the NGCD meeting for February was cancelled due the bad weather to our south on Tuesday.

8. Review and accept monthly financial report(s) and payment of bills: Director White made a motion to approve the payment of bills for January, it was seconded by Director Thies and all were in favor.

9. Future agenda items: None

10. Adjourn: Motion was made by Director White to adjourn, it was seconded by Vice-president Thies and all were in favor.

By: Ronny P. Young
Deputy Secretary

Lake Kiowa Functional
February was another busy month for poker with five tables playing at most of the tournaments. Typically, an equal number of men and women of all skill levels play, which makes for a very lively and entertaining evening. It is always fun to see new faces and hear all the different stories on how people find themselves living at Lake Kiowa.

Fours-of-a-kind hands were not as plentiful this month. Susan Tucker had four A’s, Tom Nardecchia had four Q’s, Steve Jackson had four 10’s, Paul Mason had four 9’s, Dany Ford and Jim ‘The Pickle’ Morris had four 3’s, I had four 7’s, and Dorothy Baskett won again with her favorite 2’s. I have never met anyone who can win as often as Dorothy does with pocket 2’s. It is definitely her lucky hand. Curtis Walker had a delightful Straight Flush, which was nearly a Royal Flush.

The computer program is up and running again at the Lodge and points leaders for January were Marvin Crew, Allene Johnson, and Johnnie Hall. For February, the points leaders were Jennifer Mason with 967.5 points, Curtis Walker with 954 points, and Bill Thompson with 796 points. The winners of the championship game held on the last Friday of the month were Dennis Horvath in first place and Randy Howell second. The Lodge generously donates a token of its appreciation to the point leaders and championship winners each month. We are very appreciative of their support for the Poker group, especially Amy, who did a great job making sure we were looked after!

We hope to see you at the Lodge at 6:45 p.m. on Wednesdays and Fridays to join us for a friendly, free, fun game, of Texas Hold’em.

Jennifer Mason
