SECOND ANNUAL ICVFD FUNDRAISER BIG SUCCESS

(L-R): Auxiliary President Melva Akins and volunteer Sandy Fairfield stand by as ICVFD Board President Ed Tomlin thanks all the volunteers for their work and dedication at the ICVFD Fundraiser on April 13. See pages 6-9 for further information.

MARCH 22 KID FISH WINNERS

Six-to-nine age group winners (R-L): 1st, Payton Elind; 2nd, Ryan Dugan; 3rd, Gabe Zinchi (not pictured).

Ten-to-sixteen age group winners (R-L): 1st, Brady Knabe; 2nd, Logan Bromberg; 3rd, Chandler Talley.

NEWCOMERS SOCIAL

Saturday, May 31 4-6 p.m.

The Kiowa Woman’s Club and the Lake Kiowa POA would like to invite you to a Newcomers Social. The event will be held in the Southwest Room at the Lodge on Saturday, May 31, 4 till 6 p.m.

If you are a newcomer to Lake Kiowa, and have not yet attended a newcomers social, we urge you to attend and find out what all Lake Kiowa has to offer!

We will have many speakers to give you information about all of the clubs and organizations. Don’t miss this event!

One of my Gainesville High School buddies, Bill Adams, was a weekender from 1981-2007 and still has an interest in Lake Kiowa. He came across two items connected with Lake Kiowa advertised on eBay. Bill emailed the lady he bought them from to see where these 1968 pages from two TV Guides came from, but she didn’t know. They probably had to have come from her local area. Bill decided to order them and had them sent to me.

I never took the ads out of the sleeve so I really had no idea what the date was on them. These have to be some of the very first ads to appear because people in fact were buying property back in 1967. However, I doubt there was very much to see if a potential buyer came to look in January 1968.

Bill Turner
Community Manager’s Report

Spring is in the air, flowers are in full bloom, the grass is green, and the temperatures are mild. But, summer along with its hot dry days is just around the corner and, at the end of May, we celebrate Memorial Day. Recognized as the kickoff of the summer season, Memorial Day was originally called Decoration Day and was initiated to honor the soldiers for the Union and Confederate armies who died during the American Civil War.

Today, the Memorial Day weekend is three days long for most people and with that comes the influx of residents who call Lake Kiowa their summer retreat on the water.

Please remember that Lake Kiowa initiated strict rules to prevent the introduction of Zebra mussels into the lake. Residents may have forgotten that, when taking watercraft out of Lake Kiowa, they must inform Security at the Front Gate to avoid a mandatory two-week quarantine of the watercraft upon return.

On August 20, 2012, the Board of Directors took action to prevent the zebra mussel infestation, adopting the Texas Parks and Wildlife Clean, Drain and Dry policy for all watercraft. As part of the policy, all live wells, bilges, bait buckets, coolers, motors, and stern drives must be drained and flushed with clean water. The watercraft and trailer will then be quarantined (dried) for a minimum of 14 days before they will be allowed onto the lake.

When coming through the gate, Security officers will inspect the watercraft and, once satisfied with compliance of the watercraft draining and cleaning, it will be secured to the trailer for the 14-day quarantine. This means that, if your boat or watercraft isn’t in Lake Kiowa on or before May 8, it will not be allowed on the lake for the Memorial Day holiday. Failure to comply with the above procedures and quarantine will result in a $2,500 fine and a one-year suspension of privileges.

It’s important to note that, when taking watercraft out of Lake Kiowa for fuel at one of the local service stations, please make sure to stop and check out with Security. A record of the watercraft’s departure will be kept to help determine the quarantine status of that watercraft upon re-entry. Without exception, if the watercraft is removed from the lake without notifying Security, upon its return it must be quarantined for the minimum 14 days.

With spring here and summer fast approaching, summer vacation from our schools is also approaching. So as not to interfere with the kids’ summer enjoyment here at the lake, please be sure to have kids 13 and older who do not hold a valid driver’s license obtain a Golf Cart Permit from the Security Office. Please contact the Security Office for the next date and time the Youth Golf Cart Safety Education Program Class will be held.

That’s it for now. As always, if there are any questions or comments, please don’t hesitate to call or write.

Randy

LKPOA BOARD OF DIRECTORS MEETING CHANGE
During its April 7 meeting, the LKPOA Board of Directors voted to change meeting dates. Effective in June, the board will meet once per month on the third Monday of the month. These meetings will be held at 6 p.m. in the Southwest Room. Should the need arise, a meeting could be held in the Assembly Room.

NEW COMMITTEE MEMBERSHIP
The composition of the committees that serve to assist the LKPOA Board of Directors in its deliberations has been approved. Please go to page 37 to learn who among the Lake Kiowa homeowners have volunteered their time and effort to make our association fully effective.

LKPOA BOARD PRESIDENT RECOGNITION
The Community Associations Institute’s (CAI) Community Association Leader Appreciation Month initiative draws long-deserved attention to the hundreds of thousands of homeowner volunteer leaders who dedicate themselves to the success and well-being of their community associations. With April being National Volunteer Month, this is the ideal time to recognize and honor Americans who serve on their association boards. The CAI has recognized Kelley Stewart in its April announcement. Go to the LKPOA website and click where indicated in the first item below the yellow boxes.

Looking for a Waterfront Home? Build It Your Way!!

Genealogy Group dousing at Dye Cemetery near Lake Kiowa in April.

Ted Wright teaching Dottie Heerema how to grave douse.

Thank you everyone who participated in bringing our classy Kiowa speak easy to life. You all helped make our job much easier and, as we all know, it does take a village!!
Big hugs!
Candy, Lolita, & Cookie
(Jayne, Rita & Linda)

Wishing you a Happy 90th Birthday Dorothy Basket! May 14

Thanks...
Just another reason to live in Lake Kiowa!
I looked out my front door only to see a young man fixing my flag. It had been hanging for some time as it was off of the roller. Greg Leatherman passed by and not only came by to fix it, but brought a new flag. He and his brother both served in the services and this is very special to them.

My thanks go to Greg and especially to Jane and John Leatherman for raising such nice young men.

Molly Worthen

Many thanks for all the prayers, cards, and food during Ray’s illness. The people at Lake Kiowa and our church family are the best.
He is home now and has home health with him.
Our family thanks you.
Inez, Terri, Steve, Leslie, and Randy

Cindy Barnhart

The Lake Kiowa Genealogy Group will be hosting a seminar at the Lodge on Saturday, June 21 from 10 a.m. until 2 p.m. Our featured speaker will be Don Raney.
Mr. Raney has been an active genealogist for over 35 years. He is a sixth-generation Texan who has made presentations on both the local and national level. He has given presentations on early American migration routes, researching state and federal land records, as well as several family research processes.

For our seminar, Mr. Raney will be making presentations on Early American Migration Routes, Finding Your Ancestor in the Federal Land Records, and How to Research a Common Surname.

No registration will be allowed at the door and we are limiting attendance to 30 people. The cost is $20 (includes a salad bar lunch). You can pick up a registration form at the Lodge office. Any questions can be directed to me at (940) 665-0670.

The Rotary Club of Gainesville greatly appreciates the many Lake Kiowa residents who loyally have supported our flag program year after year. Club members place flags in front of the homes of our supporters six times per year.

You should receive a notice explaining the program and describing how to register with us. We ask our regular customers who are ready to rejoin the program to fill out the form and send their check to renew. If you are new to this effort and wish to join, please fill in the form, include your check and mail both to the indicated address. Encourage your neighbors to join as well.

Many program participants have agreed to maintain the flags and put them out on any occasion that they deem fit. We appreciate this help as it allows us, the six Rotary members who live here (plus one volunteer), to accommodate more participants. We gladly will handle the flags for anyone unable to do so themselves for whatever the reason. Thus, do not hesitate to join if you fall in that category.

The program costs $40 per year. Our club puts these funds to very good use to carry out the important community, local area, national, and international service programs for which Rotary is well known.

Please email any questions to me at russeng@ntin.net (the preferred method) or call me at (940) 736-6249. Thank you all very much for supporting us.

Bill Burhans

INDIAN CREEK VFD

John Salsman and Ron Sudderth assisting in the cooking.

Our second annual fish fry and golf tournament is complete. I want to thank all the people that came to the event to help your fire department. I need to thank the committee members for all the work they put into organizing the event. Thank you to all the people who donated items to the auction. I want to thank all the people who helped cook and serve the food. Those people include private citizens, Auxiliary members, board members and officers, and department firefighters. The board treasurer will make a report on the money raised.

On April 21 Captain Ben Hatton and I traveled to Mississippi to inspect the new Tender. The truck was getting the wiring installed and the pump was installed. We were able to take pictures so in the future we would know where the wiring was and also be able to easily take pictures of the pump. The truck is still scheduled to arrive the second week in May. The old tanker is up for sale and hopefully we will sell it soon.

Incident responses were down again from last year. This March we responded to 25 incidents compared to 29 in 2013 (building fire - 1; passenger vehicle fire - 1; grass fire - 2; rescue, EMS incident, other – 5; medical assist, assist EMS crew – 8; assist invalid – 2; dispatched and cancelled en route – 4; false alarm or false call, other – 1).

So far in 2014 we have responded to 13 fewer calls then we did in 2013. In March we responded to more calls outside the gates. Ten responses were inside Kiowa and 15 outside. For the year, we have responded to 13 fewer calls inside the gates compared to 2013. We have responded to 77 incidents so far this year compared 90 in 2013.

We installed a new smoke detector in a home that did not have any working smoke detectors.

Chief Bob Pistor

Everyone seemed to enjoy the fundraiser on Sunday, April 13. Food, music, fellowship, and buying items for a good cause... our Fire Department!

Brad Shasteen and Mike Merolla, two of the many who cooked at the event.

(L-R): Firefighters in blue, Zack Crane and Reed Sudderth.

Call or stop by your nearest branch today to learn why First State Bank remains first in community banking.
**ICVFD AUXILIARY**

Auxiliary member Janice Seefeldt was the 2014 ICVFD Auction Donation Coordinator. If you see her, tell her what a great job she did!

April was another busy month at the Auxiliary. First, the Auxiliary Bylaws were changed by a vote and accepted by the membership in attendance on Monday, April 15 during the monthly General Meeting. In summary, the changes made were:

- Bylaws modified to reflect the current process of not collecting Auxiliary membership dues of $15 annually. Membership is now free as the board felt this was necessary since residents were confusing the Auxiliary dues with the $75 annual donation to the ICVFD.
- The duties of the Board of Directors were clarified.
- Auxiliary general meetings would no longer be mandatory each month.
- Maureen Anselmi has been an active Auxiliary member as well as a board member since our inception in 2012. In April 2014, Maureen was nominated and she accepted the position of ICVFD Auxiliary Vice President. She will continue her duties as Fundraising Chair as well. We have been lucky to have her.
- The ICVFD Annual Fundraiser was a success! Special thanks must go to many, but especially to Janice Seefeldt, Cathy Cecil, and Melva Akins. They worked hard to get different items like trips, sports tickets, and unusual items for the event. Thanks also go to all of the volunteer workers at the auctions. I counted, and there were more than 27 volunteers just working the auctions! We had a slow and scary start with rain in the morning, but the clouds parted and the sun came out. The silent auction was held inside the Lodge due to the wind, but the live auction was held at the Pavilion. The structure was packed with excited residents bidding on their favorite items and watching who got the other items. We had a pig roast for 30, a fish fry for 40, a Lake Kiowa property donated by the Crozier family, two vacations, and great tangible items to take home. Thanks also to the winners of the silent and live auctions. Without you and the donations, and of course the volunteers, we would not have been able to have another successful fundraiser.
- R.J. Stroup was the entertainment and the announcer! Mike Merolla, his crew, and the firefighters cut, breaded, and fried the fish for the event. From fried corn, pickles, and jalapenos to the fantastic fish, beans and coleslaw, the meal was a great success! The food lines were kept to a minimum and everyone seemed to have a fun time. Linda Seal organized bakers to make delectable desserts to top the meal off. We hope you didn’t miss it!
- Our April Shabby Chic Sale was another success even though it was cold and windy. We sold a lot of large items so we now have room for more donations. If you have an estate sale and have items left, or something you just don’t need any more, please consider donating to the Auxiliary. To donate appliances, furniture, or large lawn equipment, please contact Melva Akins (940) 745-1455 or Jo Brannan (940) 395-3405 for pickup. Otherwise, bring any items you would like to donate early the day of the sales. The money from our sale goes toward a good cause. So far, we have been able to donate money for a Thermal imaging camera, communications equipment, and medical bags for our ICVFD First Responders. Our next sale will be on Friday and Saturday, May 2, 3. Don’t miss it!
- Cathy Cecil was the creator of the Lottery Trees that were raffled off and the gift card baskets for the auction. Well done, Cathy!
Glenn Polk Ford earns the 2013 President’s Award presented by the Ford Motor Company

Glenn Polk Ford is among an elite group of Ford and Lincoln dealerships to be recognized with the 2013 President’s Award by Ford Motor Company. The prestigious award honors dealerships that have excelled in automotive retaining in 2013, by providing exceptional customer service and satisfaction.

“Earning this award is a reflection of our entire staff’s commitment to delivering the best customer experience possible,” says Glenn Polk, owner of Glenn Polk Ford. “I couldn’t be more proud to receive this recognition, especially since it comes from the people we value most -- our customers. They’re the reason we were able to achieve this award.”

The President’s Award was established in 1998. Dealers become eligible through survey responses from customers related to their sales and service satisfaction.

“In order to achieve the President’s Award, dealers must exceed customer expectations every day in every department. The pursuit of excellence is not for the faint of heart -- it requires performing Ford and Lincoln dealerships that embrace these philosophies, achieving among the highest levels of customer satisfaction -- in both sales and service -- in automotive retailing,” said Brad Wilson, Dallas Zone Ford representative.
The Lake Kiowa Chapel would like to welcome everyone at Lake Kiowa to services on Sunday mornings. Services are held in the Assembly Room of the Lodge from 8 to 8:30 a.m. Rev. John Hare and Rev. J. Ray Smith are the pastors delivering their messages on alternate Sunday mornings.

In May Rev. Smith will begin a new series entitled “The Blessings of God’s Grace” with texts from I Peter 1:3-9. His message on May 4 will be entitled “A Living Hope.”

Rev. Hare’s message on May 11 will be “Supercharged Friendship” with text from Acts 16:16-34. “An Imperishable Inheritance” is the title of Rev. Smith’s message on May 18. Text is again I Peter 1:3-9.

Chapel Choir practices on Monday mornings in the Lodge at 8 a.m. They welcome anyone who enjoys singing to join them and add to the joyful noise on the third Sunday of each month. VISTO is the recipient of food contributed to the box in the entry to the Lodge. All packaged groceries are appreciated, but VISTO will make very good use of monetary donations as well. Buddypack items for the many children who do not have a supportive home environment, i.e. weekends, are also greatly needed. You may sponsor a child for the school year for $130 and this child will receive a backpack of nourishment every weekend. A dollar spent by VISTO goes much further than your individual grocery dollars, so consider a check made out to VISTO and send it to P.O. Box 607, Gainesville, TX 76241-0607.

The Lake Kiowa Chapel meets every Sunday morning from 8 to 8:30 a.m. in the Lodge. This is an interdenominational service that may precede your regular church service or a round of golf. Casual dress is always welcome. Please come and share this time with your friends and neighbors on Sunday morning at 8 a.m.

Carole Clausing

NCTC Chorale Presents Concert - May 4

The North Central Texas Chorale proudly presents "An Eclectic Blend of Pops, Light Jazz, Spirituals & Sacred Music" on Sunday, May 4. The concert will be at 3 p.m. at First Presbyterian Church, located at 401 S. Denton Street, in Gainesville. Tickets will be available at the door. Adult tickets will be $7; tickets for students and seniors will be $5.

Our director has picked favorites from each category of music styles. This is music that is fun to sing and will be very enjoyable for the audience. In addition the Chorale will have a guest soloist for the concert. Dr. Pietro Vargas is Professor of Foreign Languages at North Central Texas College and has been a singer of the Spanish Bolero for over 30 years. He will be performing several songs in both Italian and Spanish. The Chorale will be joined by Carolyn Hoon on piano and a guest percussionist.

If you happen to miss this concert, the Chorale will also be presenting the concert at First Presbyterian Church, 1114 W. University in Denton on Thursday, May 8 at 7:30 p.m.

The Chorale is under the direction of Dr. Michael Linder. Dr. Linder is the retired Director of Chorale Activities at North Central Texas College. Please visit our website, www.northcentraltxschorale.com for more information.

Respectfully submitted,
Phil Schenk

Entrepreneurs plan for success

Multi-generational investment planning for sharing wisdom and wealth.
We had only a small group attend the April 7 Bee, perhaps due to the wind, rain, and thunder. Sharon Catlett reminded us that the Gainesville Quilt Bee, Connecting Threads, meets every second Monday at 7 p.m. and has frequent activities and guest speakers. Their Guild has a $20 annual membership fee. She is planning to attend and suggests carpools if others are interested.

Connecting Threads is currently sponsoring a “Moo Cow” challenge. If anyone is interested, Sharon has the pattern book “Out of the Box” by Mary Lou Weidman that gives the template and information for designing this quilt.

Kathie Milburn volunteered to submit this month’s article since Carole Clausing was ill.

Judy Bennett shared a wonderful quilt she made for her granddaughter using Mary Englebert theme fabric. Jennifer Mason brought in some unneeded fabric to share and showed some star blocks she has made. Kathie Milburn displayed a quilt top made with Kaleidoscopes’ 2013 Blocks of the Month and a table topper using the Disappearing 9 patch pattern.

Our next regular meeting is May 5 and the next Sew Day is May 16. Remember, Sew Day and our meetings welcome everyone with needlework to share and to enjoy fellowship and exchange of ideas.

Kathie Milburn displayed her kaleidoscope quilt above and a table topper below.

Judy Bennett shared a quilt made for her granddaughter.

BUTTERFIELD STAGE PLAYERS

FUN – FOOD – ENTERTAINMENT

Fish dinner, beverages, live music, split the pot raffle – all take place on the lawn of Butterfield Stage at Fish Fest, an annual block party to say “thank you” to Center Stage Circle members and to celebrate the talents of 2013-2014 season production casts and crews. Also honored this year will be distinguished “actors from the past.”

These volunteers are the backbone of Butterfield Stage. Their gifts of talent offer the citizens of Gainesville, Lake Kiowa, and surrounding areas an opportunity to enjoy evenings of artistic entertainment.

To help salute our honorees and back by popular demand is the band “Varian & Reynolds,” who will provide music and song of all genres. Everyone is invited to this lively event.

Fish Fest takes place on Thursday, May 29 from 6:30 till 9:30 p.m. Tickets are $15 each and go on sale May 1. They can be purchased from me (940) 727-8424, Don Thacker (940) 736-7459, or any other Butterfield Stage board member. They are also available on the Butterfield website at www.butterfieldstage.org or by calling (940) 665-1284.

Come and celebrate with us!

THREE WAYS TO PULL THOSE IMPORTANT FILES OFF A DEAD OR DYING COMPUTER

If your computer is starting, but running, you can try Safe Mode. This is a stripped-down version of Windows that loads only the information it absolutely needs to start. Whatever is causing the problem probably won’t load.

To access Safe Mode in Windows 7 and earlier, press the F8 key as the computer is starting. You want to press it before you hit the Windows loading screen. The timing is important, so you might have to do it a few times to get it right.

Once you’re on the boot-up screen, select Safe Mode (use Safe Mode with Networking if you need Internet access) and see what happens.

For Windows 8 users: You need to be able to get at least to the Windows 8 sign-in screen. If you can get there, click the power icon and then select Restart while holding the Shift key. If it’s locking before that point – you’ll need to move on to the next idea.

Anyway, once you’re in Safe Mode, transfer your important files to an external drive before doing anything else. Once they’re safe, you can go troubleshooting. Of course, if getting into Safe Mode doesn’t work, you’ll have to try another trick.

USE A LIVE CD

If Windows won’t load, then you’re going to need to find a temporary operating system. I don’t recommend installing it on your hard drive, though: You might overwrite your files.

Instead, you can make a Live CD or Live USB, which is mainly used for on-the-go troubleshooting. Of course, if getting into Safe Mode doesn’t work, you’ll have to try another trick.

One example of a Live CD is Tails, which is mainly used for on-the-go security, but should work for this purpose. Ubuntu is another option you can use. Follow the directions on the site to create the Live CD or Live USB.

Once you have the Live CD or USB running, you can open the operating system and access your important files. You might overwrite your files, but should work for this purpose. Ubuntu is another option you can use. Follow the directions on the site to create the Live CD or Live USB.

BE AWARE OF HEARTBLEED

Heartbleed is a security bug in the open-source OpenSSL cryptography library, widely used to implement the Internet’s Transport Layer Security (TLS) protocol. This vulnerability is due to a missing bounds check in the handling of the Transport Layer Security (TLS) heartbeat extension. A fixed version of OpenSSL was released on April 7, 2014, at the same time as Heartbleed was publicly disclosed. At that time, some 17 percent (around half a million) of the Internet’s secure web servers certified by trusted authorities were believed to be vulnerable to the attack, allowing theft of the servers’ private keys and users’ session cookies and passwords. Forbes cybersecurity columnist Joseph Steinberg wrote, “Some might argue that [Heartbleed] is the worst vulnerability found (at least in terms of its potential impact) since commercial traffic began to flow on the Internet.”

A United States Cabinet spokesman recommended that “People should take advice on changing passwords from the websites they use... Most websites have corrected the bug and are best placed to advise what action, if any, people need to take.” On the day of disclosure, the Tor Project advised anyone seeking “strong anonymity or privacy on the Internet” to “stay away from the Internet entirely for the next few days while things settle.”

You can use this tool to check if other websites you use are exposed -https://www.ssllabs.com/ssltest.

Bill Burbans
Principal Conley presented a gigantic thank you card to Rick Ramsey, which he accepted on behalf of the Kiwanis Club of Lake Kiowa. It was signed by every student from the third grade since they make the most use of the playground equipment that the club renovated for the school last month. Principal Conley also presented a letter of appreciation, part of which stated: “After spring break, we were all very taken aback with the generosity of your fine organization in following through with making repairs to our playground equipment. The Lake Kiowa Kiwanis chapter has always been a very important part of the Callisburg Elementary family, and the time, money, and energy used to help with this very worthy endeavor are another example of the special people within your group.”

We are only able to assist the Callisburg School due to this community’s support at our fundraisers during the Fourth of July celebration and at our annual Picnic BBQ in September. We therefore pass along our thanks to you all.

The Bikes for Perfect Attendance Program, which the Kiwanis Club of Lake Kiowa sponsors, is coming to an end and the students at Callisburg are awaiting the drawing of names at the end of the school year. Each child is allowed to participate when they have a six-week period with no absences. A lucky student’s name from each grade will then be drawn and he/she will receive a brand new bicycle. One bike has been displayed in front of the school office, allowing all students to view their potential prize, and causing quite a traffic jam at times.

As an update, all of you who missed helping the club clean 2.8 miles of FM 902, you will get another chance. Since weather would not allow the cleanup scheduled for earlier this month, we have now postponed the project until May. Knowing your disappointment, we would appreciate your again contacting Jerel Wardlow (940) 440-8095 so you won’t miss out on the “fun day.” We are all hoping for warmer weather.

Our club has grown this year and, if you would like to assist in the Kiwanis Club’s efforts to help needy children and improve our community, please join us for a complimentary dinner. We meet the first and third Thursdays at the Lodge at 6:30 p.m.

For more information, please feel free to contact one of the following:
Rick Ramsey (903) 952-7273;
Richard Mitcham (972) 821-1923, or
Jim Poker (940) 889-2369.

Marlene Kelley, Secretary
A huge thank you to everyone the scene and I want to express several more workers behind model attendants. There were Outlaw played the role of Sharon Chapman, and Jane Judy Beard, Barbara Cole, Langley, and Judy Wellman. Branham, Dee Insinna, Margy were Carol Jacobsen, Becky Judith Kulp. Our ticket sellers Knox, Jackie Ditman, and table decorators were Becky were Carol Bosse, Jackie of the way. Joint Decorators who helped them every step were wonderful group of workers who was there.

Words, but those of everyone ever. These are not just my bringing us one of the BEST show. Kudos to you ladies for top with this year's fashion L. Linda Cooke, went over the top with this year’s fashion show. Kudos to you ladies for bringing us one of the BEST era. We even had speakeasy and cigarettes girls wandered into a 1920’s Speakeasy, The Lodge was transformed into a 1920’s Speakeasy, a sight that never will be topped! Flappers, coppers, and cigarettes girls wandered the room for the flavor of the era. We even had speakeasy-dancers and hilarious “All Dolled-Up Models.” What a show!

The Great Trio, Jayne Sweet, Rita Langley, and Linda Cooke, went over the top with this year’s fashion show. Kudos to you ladies for bringing us one of the BEST era. We even had speakeasy-dancers and hilarious “All Dolled-Up Models.” What a show! The Great Trio had a wonderful group of workers who helped them every step of the way. Joint Decorators were Carol Bosse, Jackie Ditman, and Judy Nehib. The table decorators were Becky Knox, Jackie Ditman, and Judith Kulp. Our ticket sellers were Carol Jacobsen, Becky Branham, Dee Insinna, Margy Langley, and Judy Wellman. Judy Beard, Barbara Cole, Sharon Chapman, and Jane Outlaw played the role of model attendants. There were several more workers behind the scene and I want to express a huge thank you to everyone who worked on this event of the year.

Julie Minter announced the Kiowa Woman’s Club slate of officer nominees for 2014–2015; President, Norma Desilets; 1st Vice President, Rita Langley; 2nd Vice President, Becky Knox; Recording Secretary, Lori Brindle; Corresponding Secretary, Margy Langley; Treasurer, Leslie McElroy; Historian, Judith Kulp; Parliamentarian, Sharon Clements. Congratulations to these nominees. And a great big thank you also goes to Julie and her committee (Maureen Anselmi, Katherine Thacker, Joyce Marsh, Jackie Ditman, and Becky Knox) for their hard work and excellent selections. The Bible Study Department will host the May 8 general meeting. See you then.

“There is nothing stronger in the world than gentleness.” — Han Suyin

May Program Features Arlene Anderson

As we continue celebrating our fortieth year, our guest at the May 8 meeting will be Arlene Anderson from Mountain Springs, who will entertain us with music played on hammer dulcimer and psaltery. These are ancient biblical instruments.

Arlene is well-known as an artist, musician, corporate chaplain, and Bible Study Fellowship leader.

During her time as a chaplain for Marketplace Ministries in Dallas, she learned about The Rafiki Foundation, which supports an orphanage in Africa. After hearing that 100% of any donation goes directly to the orphans, she taught herself to play the dulcimer and psaltery as a means for supporting the children. She has been playing the instruments professionally for 20 years and also had a band called “Yesterday’s Road” for five years. They played at various venues in the Dallas area until her husband retired and then she began performing by herself throughout a four-state area.

Twelve years ago, Arlene became interested in pursuing an art career. She had studied art in high school as well as in college at University of North Texas and Texas Women’s University. The ancient technique of pyrography—the process of burning designs on wood, leather, and even gourds using a heated tool—had always intrigued her. After seeing a gourd at her mother’s home, she decided that a gourd would be a perfect medium for using this art form. After the senior editor for “Cowboys and Indians” magazine (an upscale southwest art magazine) saw her work at an art show, Arlene was featured as Artist of the Month. Her art was chosen by the Visual Art Society of Texas to be displayed at their Annual National Art Exhibit. Arlene attributes to God her talent and ability to support the orphans through The Rafiki Foundation.

All That Twitters and Blooms

The Ft. Worth Botanic Garden is the oldest botanic garden in Texas. The 110-acre property in the heart of the Cultural District envelopes 23 specialty gardens including the Japanese Garden. Fourteen ladies enjoyed our spring field trip to the garden. Following lunch in the historic Rock Springs building, we toured the grounds.

Our May meeting will be the traditional Breakfast with the Birds. Everyone should bring a dish to share. Please join us May 13, at 9:30 a.m. at the home of Joann Smith, 401 Navajo Tr. W.

Now, there has never been a better time to go dig in the dirt!

Becky Knox
Chairman

Garden & Nature made a field trip April 16 to the Fort Worth Botanic Garden for lunch and a self-guided tour of the Japanese Garden, the Rose Garden, and the Perennial Garden.

BIBLE STUDY CLUB

Barbara Mock was our hostess for our Kiowa Woman’s Club Bible Study in April. As we continued our study of Women in the Bible, Nancy Flores led us in the wonderful story of Mary Magdalene. From her story we are reminded that God knows the heart of each of us, and Mary’s heart was in the right place. We can certainly follow her example.

On May 27, we will meet in the home of Pat Morgan at 105 Chippewa Cv. N. Nancy will be sharing with us the story of Jael. Last year we ended the year studying Deborah—the great prophetess and judge. Jael was part of that story. Her seemingly gruesome act served the will and purpose of God. Are we so led by the Holy Spirit to serve Him?

May is also the month for our annual “potluck” brunch. Please bring a favorite dish to share as we enjoy brunch together and our last meeting before we break for summer.

Bible Study will begin at 10 a.m. with brunch, followed by our study. If you have questions, please give me a call at (469) 337-1698. Any member of Kiowa Woman’s Club is welcomed. I hope you will join us!

Penny Cotten

A Blue Heron was seen at the Ft. Worth Botanic Garden by KWC in April.
Well, spring is here. Yea!!! Canasta continues and we love to play cards. On March 25 the winners were: Marilyn Board, 1st; Janie Street, 2nd; Pam Rimer, 3rd; Judy Wellman, 4th; and Laverne Bialas, 5th. On April 8 the winners were: Dany Ford, 1st; Norma Desilets, 2nd; Sharon Catlett, 3rd; and Marty Vandeman, 4th.

Now get ready for a great Cinco de Mayo potluck and Canasta game May 5. Bring your favorite dish. The potluck lunch starts at noon with Canasta starting at 1 p.m. The event will be held in the Lodge dining room. Get your own table of four and join us or see if there is a table that needs another player. There is a sign-in sheet on the bulletin board. We hope you can all join us for a great time playing cards and, of course, enjoying great food.

Many thanks to April Wakeford and Gloria Sullo who have volunteered to run Canasta for the 2014-2015 year. Volunteering makes it great for all who love to play cards. Thank you both.

Join us if you want to learn how to play Canasta. We hold lessons on the second and fourth Tuesday of the month from noon until 1 p.m. and then we play from 1 until 4:30 p.m.

Join the Kiowa Woman’s Club so you can play. This is one of the many great activities you will enjoy.

Friday, June 6
Social Time: 10 a.m.
Meeting Time: 10:30 a.m.
Hostess: Joan Carroll
Address: 526 Kiowa Dr. E.
Co-Hostesses: Anita House and Peggy Padgham
Reviewer: Patsy Wilson

It was such a joy to welcome our famous writer-reviewer duo to our Book Review in April. As always, Liz Lipperman and Judy Neal entertained us with not only an overview of the hilarious adventures in her latest Clueless Cook Mystery novel, but Liz also shared information about her future books and how her life has changed since leaving Lake Kiowa. She promised to return soon with one of the four books in her “naughty” series.

Thank you also goes to Linda Ford for opening up her beautiful home and Barbara Mock for helping with the refreshments. And thanks to all of you for attending and reminding Liz how much we miss her.

In June we will again welcome the very popular reviewer, Patsy Wilson, to visit our group. She will be reviewing, “All Girls Filling Station Reunion” by Fannie Flagg. Patsy will keep all of us in stitches so please plan to attend.

Peggy Padgham and Judy Beard
Kiowa Woman’s Club News

April’s Arts & Craft Button Cross Project was enjoyed by eleven women at the Lodge.

Spring has sprung, we’ve had our fun, learned new tricks, made new friends, and now it’s time to celebrate. Join the group for a Potluck Brunch, May 6, 10:30 a.m. at the Ditman home, 728 Kiowa Dr. W. Please RSVP to Katherine Thacker (940) 612-0685.

The month of April is now behind us and we have seen flowers blooming and water temperatures in the mid-60s. April proved to be the month for the fish to begin being active.

The last few months we have been trying to get the message out that “Your Lake Needs Your Help.” The Angler & Conservation Club (LKACC) working with the Lakes & Parks Committee has developed plans to support the maintenance of the lake and our parks. We realize that lake maintenance will take a significant amount of funding. We have asked every Lake Kiowa property owner to donate money to support programs that we can implement to maintain our most precious asset.

We have requested permission to run a test similar to the grass carp testing in years past. The club has built cages and will place them in the lake to study the progress of the Tilapia controlling the “Chara.” To date, we have met with the Lakes & Parks Committee and the LKPOA Board requesting approval of the study. With mixed emotion, the approvals were granted.

By the time you read this article, the plan to place four cages in the lake to observe the Tilapia will be underway. Cages will be placed near the shoreline out of the way of boat traffic. They are made of steel square tubing, are covered by chicken wire, and are eight feet wide and four feet high. Two have openings that allow us to place Tilapia inside and keep them there. We plan to observe the Tilapia on a weekly basis to see how effective they are at controlling the Chara.

It is understood that we are placing the Tilapia inside a cage where they have no other source of food. So, as it stands, we are observing whether the Tilapia will eat the Chara at all. As we understand it, the Tilapia will eat the young tender Chara and maybe not eat the calcified plant.

We also are introducing two different numbers of Tilapia in two of the cages to see whether or not larger numbers of the fish provide better control. Again, the fish are in a barrel so they have no other food source and may not tell us what we want to know. At the end of the day we should know if they are eating it or not! This is what started the idea because so many people were telling us the Tilapia are not doing anything.

One of the other two cages will be used as a control point to observe the "Chara” growth. In addition, we intend to use the fourth cage as a control to observe the Cutrine application. We will also observe the chemical control from several levels.

Again, our best defense at this time is the use of Tilapia to control the algae. The Tilapia will also help control some of the other nuisance aquatic plant life as well as provide a food source for our fish. Early stocking is imperative. We must be prepared to fund and implement this plan as water temperatures begin to warm. Additional funds must be raised to support our plan. We also must control Continued on page 27
the cattails that have been overtaking much of the common access areas, golf course lake frontage, and many private property locations. Early intervention must be a priority.

As promised, here are the Kid Fish results. Weather was not the greatest at this event. It was cold and damp, but the children and families had a great time. The winners in the different categories are pictured on page 1. We must thank the NASCOGA Credit Union for their sponsorship of the food and drinks for this event. Thank You, NASCOGA!

During the March Bass Tournament, nineteen anglers greeted the cold morning in pursuit of the winning sack of fish. The day warmed up and the participants came to the scales with an impressive catch. First-place winner was Chris Henry with 22.5lbs and Big Bass at 6.2lbs. Clay Wingo, who fished from the shoreline, took second with 16.53lbs. This is a recognizable feat to catch the second-place stringer from shore. Third place went to that individual whose picture frequently appears in this publication; his catch totaled 15.54lbs.

The April Crappie Tournament went off without a hitch. Ten participants fished for top prizes. First place and Big Crappie was won by Trevor Coker (9.63lbs total and Big Crappie at 1.55lbs). Second place was Chris Henry with 9.15lbs for his nine-fish total. Third place was Lesa Orgain, who came in third with five crappie that weighed 5.21lbs. Look for the results of The Sixth Annual Harvey Pippen Memorial Team Bass Tournament in the June CommuniQué.

Don’t forget the Angler & Conservation Club is on Facebook. Search for “Lake Kiowa Angler & Conservation Club.” Through this media we are able to upload photos, event schedules, publish tournament results, and communicate with all. We hope to see your posts and suggestions there.

If you would like to submit photographs of your fishing experiences and/or outings, send a note or photo to the club via our e-mail account at lkacc4u@yahoo.com. We can then upload your pictures to the Facebook page. Thanks for all of your continued support. We are looking forward to a fantastic 2014.

Mike Bitsche

April 5 Crappie Tournament

Trevor Coker had the heaviest stringer at 9.63lbs, plus reeled in the Big Crappie that weighed 1.55lbs.

Chris Henry finished in second place.

Lesa Orgain, the third-place winner.

The traditional down payment and closing costs seemed impossible, but a low-interest loan through Landmark Bank's USDA mortgage program helped us purchase a house with zero down payment and less than $1,200 in out-of-pocket expenses. Thanks to Landmark, we're now living in the home of our dreams. Ask Landmark what they can do for you.
Lake Kiowa Fishing Limits
Chad Robinson, Fisheries Biologist and Lake Management Consultant, made the following fishing limit recommendations. These recommendations have been given careful consideration to keep a thriving ecological habitat for Lake Kiowa. The Angler and Conservation Club has fully endorsed the following fishing guidelines for Lake Kiowa:

**Hybrid Striper:** Catch and release.
**Black Bass:** Keep Black Bass between 10-15 inches; 5 Per Day, Per Person. Release all other Black Bass under 10 inches and over 15 inches.
**Crappie:** Keep over 10 inches; 30 Per Day, Per Person. Release all under 10 inches.
**White Bass:** Otherwise known as Sand Bass. **No Limit.** Remove all you can.
**Perc:** **No Limit.**
**Channel Catfish:** Keep fish over 14 inches; **No Limit.** Release all under 14 inches.
**Drum:** **No Limit.** Remove any caught from lake.
**Carp:** **No Limit.** Remove any caught from lake.

**TROT AND JUG LINES ARE NOT PERMITTED**
Dock owners are encouraged to provide cover for the fish under your docks. Make sure the trees are securely anchored not to interfere with boat traffic. Feed the fish! Dry dog food or pellets especially made for the fish are readily available at feed stores. For questions, feel free to contact Mike Bitsche for specifics.

RULES FOR LAKE BLACK BASS RECORD PROGRAM

1. Black Bass must be caught from Lake Kiowa
2. Black Bass must be caught on artificial bait
3. Black Bass must be weighed on official LKACC scales
4. Black Bass must be measured by hard measuring rule
5. Black Bass must be photographed
6. Black Bass must be witnessed by at least one of the established members listed with security
7. Black Bass must be witnessed, released alive in Lake Kiowa or transferred to the ShareLunker Program
8. Black Bass records shall be effective from October 1 through September 30
9. Each Black Bass record caught within each time frame will be given a $100 prize from the LKACC
10. One Black Bass replica shall be awarded for that year’s largest record Black Bass
11. Each replica shall hang on the wall in the 19th-Hole at the Lodge until a new record is established, at which time the defeated replica shall be returned to the owner
12. If the record is not broken each year the latest record shall remain in place until defeated
13. Each year that a new record is not established, the $100 prize shall roll over to the next year. (Example - no new record for 5 years, prize pot would be $500) The cumulative pot shall not exceed $1,000 at any time
14. If the record is broken at any time, the next prize awarded will return to $100

Mike Bitsche prepares one of the cages to be placed into the lake to study the progress of the Tilapia used to control Chara growth.
Cold weather persisted, but we finally had our first WGA Scramble March 19. There were forty-one players who showed up and fought through the cold. Players enjoyed snacks, wine, and camaraderie after play. The new patio furniture was enjoyed by all and provided plenty of seating for everyone.

Our first Wednesday playday was held March 26. The weather was cold, damp and rainy. Fourteen ladies showed up to play giving us four teams. Only one team battled the weather to the very end and completed all eighteen holes. These brave or crazy warriors were: Paula Brinson, Reba Chism, Corina Nichols, and Linda Slater.

Our second scramble was held April 2. There were forty-two players in the 18-hole scramble and nine 9-hole scramble players. This was another 18-hole scramble and nine 9-hole scramble, if possible. Laura Childers made our first hole-in-one this year on number five. Karen Brewton was awarded a “broke 100” pin. The verticutting program on the fairways was in full force on our playday. Maintenance personnel plan to verticut two to three fairways each playday. We also accepted other funeral home pre-needs.

The verticutting program on the fairways was in full force on our playday. Maintenance personnel plan to verticut two to three fairways each week. This aggressive type of cutting is aimed at eliminating built-up thatch so that water can penetrate to the roots of the grass. Please continue filling your divots on the fairways and tee boxes, and repair pitch marks on the greens.

The Dream Team Challenge will take place after the next LKWGA General Meeting May 7. This will be a breakfast meeting at the Pro Shop starting at 7:45 a.m. Check-in cut-off time for those wanting to participate in the scramble is 7:30 a.m., with tee time following the meeting. Come join the fun and get to know your fellow golfers.

Janice Richey encouraged all golfers wishing to play in the WGA Scramble to sign up in advance of the day of the scramble, if possible. Laura Childers made our first hole-in-one this year on number five. Karen Brewton was awarded a “broke 100” pin.

MGA News

MGA General Meeting and Playday
Saturday, April 12, 2014

On April 12, the Men’s Golf Association (MGA) met at the Lodge. President Tom Blackwell called the meeting to order at 8 a.m.

R.J. Stroup provided information about the benefit golf tournament and dinner/auction for the Indian Creek Volunteer Fire Department being held on April 13, 14.

Gerald Smith provided information about the East/West Challenge tournament, which will be May 3, 4. Gerald will be the East Captain and Dwayne Hopson will be the West Captain. Sign-up will begin Saturday, April 19.

Tom reminded all those who volunteered to fill divots on Mondays to please do so. The grass will be growing soon, so it’s time to concentrate on the divots.

Tournament Director Neil Wright provided a report on upcoming tournaments:
(1) Kiowa Kapers: Initial sign-up period ends today, April 12. The entries will be assigned to the Friday period ends today, April 12. The tournaments:

(2) Spring Kicker: The final match of the Spring Kicker tournament was postponed due to the weather. Participants will play their final match between now and the first of May. Final results will be posted in May.

(3) May Playday: Format will be the Devil’s Game 6-6-6. Holes 1-6 scramble, 7-12 two best gross scores, 13-18 two best net scores.

In all, 104 golfers participated in the April Playday, the Dream Team Challenge. The Dream Team players were: Jeff Leatherman, Greg Darbro, Bill Parish, and Jim Rakes. They posted a score of 199. Six teams were able to beat that score and split the $1,000 pot.

Submitted by: John Seefeldt, MGA Secretary

DID YOU KNOW…

That Equitable Stroke Control (ESC) is a USGA mandatory procedure that puts a cap on individual hole scores for handicap purposes? The intent is to make your handicap more representative of your ability. Notice in that first sentence that ESC is applied to individual holes “for handicap purposes.” All scores for handicap purposes, including scores made in competition, are subject to the application of ESC. Lake Kiowa’s computer handicap system (both in the Pro Shop and online) will automatically reduce your score by ESC, but only if you post hole-by-hole scores. Our new system allows you to make a Quick Entry of an Adjusted Gross Score. An Adjusted Gross Score is a gross score to which ESC has been applied. It is the player’s responsibility to apply the appropriate ESC based on the course handicap for the tees played. Maximum ESCs for both 18- and 9-hole course handicaps are posted in the Pro Shop or they can be found on the USGA website. For an 18-hole course, the maximum ESC for a course handicap of 0-9 is double bogey. For a 10-19 it’s a 7; a 20-29 is an 8; a 30-39 is a 9; and a 40+ is a 10. To illustrate how ESC works, let’s use John, who is playing in a competition and has a course handicap of 14. He shoots 90 in the competition which includes individual hole scores of 9 and 9. 90 is his score for the competition, but when his score is posted to the scoring record for handicap purposes, ESC reduces each hole score to the applicable maximum of 7. (9-7) + (9-7) = 3. John’s gross score is reduced by 3 to become an Adjusted Gross Score of 87 and it’s 87 that is entered into the scoring record for handicap purposes. Remember that your handicap represents your potential ability and ESC is essential in determining your handicap. In fact, the USGA handicap manual states, “A handicap determined from scores to which ESC has not been applied may not be termed a Handicap Index.” Only by posting your hole-by-hole score or your Adjusted Gross Score can you be assured that your Handicap Index is correct and truly reflects your potential ability.

Friends of the Lodge

April started out well with our Friends of the Lodge (FOL) Member Appreciation Party and dance. We had a great turnout of 125 members and guests. Shaun and his staff served up a wonderful buffet of assorted appetizers. Free beverages were flowing until 7 p.m.

Clint Sturgeon did a fantastic job playing a variety of music for our dancing pleasure. One of the dancing highlights was watching guests dancing “the gator” to a tune from “Animal House.” Don’t forget to join us for another fun-filled FOL dance May 17 at the Lodge.

If you would like to join the FOL, please complete and return a 2014 membership form.

Respectfully,

PR Execs DM and LT

Trent from the Lodge staff serves delicious cold salmon for attendees at the April KWC Fashion Show.
March was a quiet month for the quality of poker hands, but it was a busy month for the number of people playing poker. There were numerous new faces of all ages. The poker group at Lake Kiowa is certainly a diverse and fun mix of people.

It was great to see two of Jan Dalton’s children, Jeanna Witt and Wes Favors, at one of the tournaments. It was Jeanna’s first time to play Texas Hold ‘em Poker and it was awesome to see her make it to the final table, beating over 40 people in the process!

Four people had a four-of-a-kind hand this month. Dan Deaton had four Aces, Ted Grant four Queens, Bill Thompson four Jacks, and Sharon Chapman had four 7’s. The point leaders for March were Frank Amthor, Marvin Crew, and Jack Walker. The winners of the Championship Game held on the last Friday of the month were Steve Jackson, 1st, and Jan Dalton, 2nd.

The Lodge generously donates a token of its appreciation to the point leaders and championship winners each month. We are very appreciative of their support for the Poker group!

We hope to see you at the Lodge at 6:45 p.m. on Wednesdays and Fridays to join us for a friendly, free, fun game of Texas Hold’em.

Jennifer Mason
SECURITY REPORT
March 13 - April 16
The lake at Lake Kiowa has been central to the growth of the community from the beginning. The serpentine nature of its beautiful shoreline has, of necessity, been imprinted on the balance of the development as public access and residential areas and the roads that serve them have been laid out in a similar serpentine fashion. The narrow, winding nature of Lake Kiowa’s roads certainly highlights the imperative that all users closely follow traffic and safety rules. The Security Department performs its traffic control function with the idea that it is a necessary support to overall safety. Having said that, the numbers are in for this past reporting period: fourteen stops were made for observed violations and five auto accidents were investigated. Two citations were issued for Reckless Driving and one for Speeding. Two motorists were given assistance.

Security patrol discovered three unlocked doors, responded to two business alarms, investigated a reported theft, and checked, upon request, the welfare status of three residents. A warning was issued for putting trash out too early and search was made for a fence jumper. A significant incident of criminal mischief at the Disc Golf Course was investigated and suspects identified. Citations for Damage to Property have been issued to the responsible members for the four juveniles implicated.

An early spring flurry of animal movements kept Security Animal Control busy chasing seventeen stray dogs and two cats. Twelve varmint calls were recorded and two barking dog complaints were investigated. Twenty-one ICCVD emergency runs were monitored. Security Medical First Responders were active on four calls within the community. Cooke County Sheriff’s Office personnel were dispatched to Lake Kiowa in response to one of the medical calls and to the reported theft.

Gary Davidson, Chief of Security

LODGE MANAGER REPORT
at the Grayson College Career Fair held earlier in the month.
To continue to improve the service at the Lodge, we have also added three new servers to the food and beverage team: Connor Daley, Justin Sparkman, Taylor Mozingo and Barton Ellis. Connor, Justin and Taylor attend Callisburg High School. Barton attends North Central Texas College. The next time you visit the Lodge, please welcome our newest team members.
Kudos to the entire Lodge staff for their outstanding performance in assisting kitchen manager Shaun McKee prepare and serve the outstanding luncheon at the KWC Style Show. They all worked very hard to ensure the ladies had an enjoyable afternoon. A special thanks also goes out to D Noble who stepped in at the last minute the night before to help in the kitchen to prepare for the event.
Our search for a Lodge manager continues and we hope to have one in place by the next report. Until then, Pat Greenlee will continue to provide her outstanding service to the guests who choose the Lodge for their meeting, dining, and drinking pleasure.

Thank you,

Randy

PUBLIC WORKS MANAGER REPORT
PUBLIC WORKS
Public Works has finished the spring cleanup and collection, filling several 40-cubic-yard dumpsters. The department would like to thank everyone for their participation and help in cleaning up Lake Kiowa.

Several events have been held in the Lodge and the improved sound system seems to be well received. New furniture is arriving for the Lodge and will be installed when all the pieces have arrived.

PARKS AND LAKE
The lake elevation has remained steady as of late, with the current reading at 698.1. Normal elevation of the lake is 700.00. Several rains have been received, but little run-off to help raise the lake level. The department is underway in cattail removal and improving drainage into the lake. There has been enough rain and warmer weather to start regular mowing schedules in the parks.

ROADS AND BRIDGE
More road patches have been made and the bridge on Kiowa Drive South is in the process of being painted and restored. Accidents have caused damage in some areas along the dam and these are repaired. You are asked to drive carefully, especially when small rains cause the oil on the top of the streets to become slick.

Don Hoover

GOLF COURSE UPDATE
When is the weather going to be normal? I understand that weather in North Texas is unpredictable, but this is getting ridiculous! We had another freeze on April 15. Hopefully, that is the last one until sometime in November or December. That being said, we completed our first aerification of the year on Tuesday, April 15. After the holes were punched, the greens were top-dressed and dragged to work that sand into the open holes. With a little help from Mother Nature, greens should be healed in 10-14 days.

We also completed our aggressive verticutting of fairways this week. I am very pleased with the result and how quickly the process was completed. Again, verticutting serves several benefits for the turfgrass. The primary benefit is the removal of thatch. Thatch is the accumulation of dead plant material and organic matter. This thatch layer results in softer, spongier playing conditions and can also slow water infiltration. By removing some of this thatch layer, water can move into the soil more effectively and can potentially reduce water usage. Currently, water that cannot get into the soil becomes runoff and is essentially wasted, meaning more water is needed to keep the turf healthy. Also, verticutting will reduce the amount of grain in the fairway. By cutting the stolons (lateral shoots), the grassplant is forced to grow more vertically producing a denser turf. Balls will sit up on top of the grass after this process. This will become a regular part of maintaining our fairways. We may try to repeat the process later in the summer and going forward; this will become something we continue to do annually. It should be noted that to continue to reduce the grain, this will take several years due to the severity of the grain issue after mowing in the same direction for several years.

Just a reminder that water conservation will remain a main focus in our department. Water in areas that are not essential to play will be reduced over the coming months which may result in areas that become brown. See you around the course!

LAKE KIOWA PROPERTY
OWNERS ASSOCIATION
BOARD MEETING
Monday March 17, 2014
Southwest Room - 6 p.m.

I. Call to Order - President Kelley Stewart called the meeting to order at 6 p.m.

II. Pledge of Allegiance - President Stewart led the Pledge of Allegiance.

III. Introduction of New Attendees - There were no new attendees.

IV. Establish a Quorum - 8 members present, Jay Titus absent.

V. Approve Minutes -
   a. Leslie Tomich made the motion to approve the minutes from March 3, 2014 and was seconded by Craig Lamkin. All were in favor. Motion carried. Justin McMurry and D Noble abstained.
   b. D Noble made the motion to approve the minutes from the Organizational meeting on March 8, 2014 with one correction to item (e) add after nomination cease “and elect by acclamation.” The motion was seconded by Justin McMurry. All were in favor. Motion carried.

VI. Proposed Committee Chairman -
   a. President Stewart presented the following names for Chairman of these Committees.
      1. Architectural Control Committee
         Gary O’Dell (POA BoD)
      2. Election Committee
         Susan Metzler
      3. Golf Committee
         Gary O’Dell (POA BoD)
      4. Information System Committee
         Justin McMurry (POA BoD)
      5. Lake & Parks Committee
         Bill Turner (POA BoD)
      6. Long-Range Planning Committee
         Craig Lamkin (POA BoD)
      7. Rules Enforcement Committee
         Jim Lewis
      8. Ways & Means Committee
         Susan Metzler
      9. Facilities Committee
         Brent Reed (POA BoD)
     10. Land Use Committee
         Bob Bergbower

   D Noble made the motion to approve these as committee chairmen and was seconded by Bill Turner. All were in favor. Motion carried.

VII. Treasurer’s Report - Bill Turner gave the February Financial report. He reported that we had net revenue of $52,272 and we are $93,727 better than budget at this time. He pointed out two items that were under the budgeted amount which was Green Fees, which he attributed to bad weather and building permits also weather and time of year.

VIII. Managers’ Report - Randy Schmitz
   a. Proposed Golf Equipment Lift ARRF purchase; Randy reported that he had received 3 bids for the lift which will replace the old lift that is not working correctly. The bids came from PTP Company which bid $6,100, Ben Pearson Co. a bid of $4,695 and Ben -Pak Co. a bid of $4,990 plus you need to spend $2,000 for an attachment to hold the mowers while in the place on the lift, which will boost their bid up to almost $7,000. Randy informed the Board that he would like to purchase the lift from PTP for a bid of $6,100 which would be $500 over the ARRF replacement amount but under the allowable overrun. There were no objections to the purchase.

IX. Additional Business - There was not any additional business.

X. Question from Audience - There were none.

XI. Executive Session - Leslie Tomich made the motion to enter into Executive Session at 6:12 p.m. and was seconded by Craig Lamkin. All were in favor. Motion carried.

XII. Adjourn - Motion to adjourn the meeting at 6:27 p.m. was made by D Noble and seconded by Craig Lamkin. All were in favor. Motion carried. Submitted by,

Gary O’Dell, Secretary

**Editorial Policy**

The policy and purpose of this publication is to inform all residents of events and activities within our community, to report on actions and decisions made by our Lake Kiowa Property Owners Association Board of Directors, and to publish the results of those decisions. Information is important for everyone to know that problems are being worked on and remedies are being sought.

The following items will be accepted for publication: Events and information about Kiowa organizations that are open to all residents; events in our surrounding communities when Kiowa residents may be involved in them; and Items of a personal nature that reflect on the generous character of our residents or a milestone in their lives.

A Letter to the Editor should be less than 350 words in length and will be accepted if it presents a thoughtful and constructive view to an issue that may be controversial within our community. It may be reviewed and verified for factual accuracy by the appropriate authority. The factual clarification will be published along with the letter. The letter should be typed or in legible handwriting, signed by a verifiable resident, and will be published unedited with misspellings indicated when necessary. If handwriting cannot be easily read, it cannot be used. The Communi Qué will not be responsible for misreading a handwritten word. A letter may be refused publication if space is limited. If several letters are received expressing the same view, one may be chosen for publication. Letters containing personal attacks, self-promotion, or advertising will not be published. Letters to the Editor do not necessarily reflect the view of this newspaper or its advertisers.

LAKE KIOWA WATER SYSTEM IMPROVEMENTS

Lake Kiowa Special Utility District is responsible for serving the Lake Kiowa community with a safe and dependable water source. We currently have four water wells, two elevated storage, and three ground storage tanks. We have about twenty three miles of main water lines, valves, fire hydrants, and greater than 1250 service connections. Our main line consists of 4”, 6”, and 8” diameter concrete lines that for the most part have been in the ground since early 1968.

We have been experiencing an accelerating number of cracks and breaks in our main water lines over the previous few years. I am sure you have traveled over many bumps in the roads caused by the repairs. Also you may have noticed that all the other utilities (phone, cable, electric) serving Lake Kiowa have recently completed line replacements. Most of those have not been in the ground as long as the main water lines. LKSUD was also able to replace some sections of main line in the previous three years, but with the costs rising quickly the decision was made to accelerate the replacement of the remaining main lines.

The LKSUD Board of Directors has contracted with Cobb Fendley Engineering of Frisco to plan for the remaining replacement and other improvements to our system. The total project is expected to cost from 10 to 12 million dollars over a period of years. We have approved an agreement with Greater Texoma Utility Authority to assist us in financing the project using funds from the Drinking Water State Revolving Fund (DWSRF). By using DWSRF funds we will save 1.25% in interest payments.

The total project has been broken down into four phases with the cost for engineering of the total project and the first phase being $3.83 million. The first phase includes an additional 250,000 gallon elevated storage tank and replacement of approximately 21,700 lineal feet of main water line and appurtenances. The main lines that are being replaced will be placed outside the current roadway within our easements and will be a larger diameter than the current lines so that they can flow additional water. By installing the additional elevated storage tank we will also allow for more consistent pressure in the system. The existing water main lines will be abandoned in place to minimize road disruption and to conserve expenses.

We expect to schedule the project over the next few years to try to keep rates from rising too quickly. We will be able to complete the first phase without being required to raise rates but we do expect that rates will have to be adjusted going forward to complete all phases. We anticipate that the work will begin on the first phase in the first quarter of 2015.
INDIAN CREEK VOLUNTEER FIRE DEPARTMENT
BOARD OF DIRECTORS’ MEETING
MARCH 13, 2014

CALL TO ORDER: President Ed Tomlin called meeting to order at 7:02 p.m. All Board members were present. A quorum was established. Also in attendance Chief Bob Pistor, Asst. Chief Bryan Buchanan, Lt. Lou Vander Molen, firefighter Monroe Salsman, and Kathy Reed.

APPROVE MINUTES: VP Hughes made a motion to approve the Minutes from the February 12, 2014 meeting. Bonnie Woodruff seconded. Motion carried.

APPROVE MINUTES: Board Member, Bonnie Woodruff, made a motion to approve Minutes from February 27, 2014 Officer selection meeting. VP Hughes seconded. Motion carried.

TREASURER’S REPORT: Board Member Woodruff submitted the following for the month of February:

Beginning balance $97,351.95. Income was $15,945.76. Expenses were $6,898.81. The ending balance for February 28, 2014 was $106,398.90. Motion carried.

Treasurer Salsman made a motion to make Bonnie Woodruff Assistant Treasurer and outline the duties of treasurer and assistant treasurer. Seconded by Secretary Moore. Motion carried.

FIRE CHIEF’S REPORT: The February Incident Report reflected 19 calls compared to 32 in February 2013. There were 2 building fires, 1 vehicle fire, 1 wildland fire, 2 brush fires, 2 EMS rescue incidents, 7 assist EMS crews, 1 MVA with injuries, 1 MVA clean up, 1 assist invalid and 1 call cancelled en route.

The iCloud Firehouse Software is working well, allowing reports to be entered in a timely manner from remote locations. Plus, Firehouse keeps track of equipment that needs inspecting and/ or testing on a periodic basis.

Reconsideration of the Grant, requested in May 2013, for acquisition of a First Responder/Command vehicle was initiated by Chief Pistor. The Chief explained that with the expenditures for bunker gear and the tanker/tender we should withdraw the Grant application. Pres. Tomlin made a motion to withdraw application of grant. Seconded by VP Hughes. Motion carried.

The Auxiliary donated $3,500 to the ICVFD and Chief Pistor would like to purchase radios, pagers and a David Clark intercom system for Engine 801 at a cost of $3,414.12. Motion made by VP Hughes to purchase radios. Seconded by Secretary Moore. Motion carried.

There will be another inspection of the new tanker/tender in April 2014, with delivery expected in the second or third week in May 2014. Chief Pistor would like to go ahead and try to sell the current tanker/tender. Motion made by Asst. Treasurer Woodruff to put the current tanker/tender on the market for sale. Seconded by Pres. Tomlin. Motion carried.

Asst. Chief Buchanan to advise on thank you letter.

OTHER BUSINESS: Update on fundraiser: Newly opened Kiowa Spirits will match Goody Goody’s cost on liquor and mixers. Pres. Tomlin made a motion to purchase locally. Seconded by VP Hughes. Motion carried.

Jan Dalton donated a complete new Harley Davidson motorcycle clothing ensemble with a request that it be donated in honor of her late husband, Bill. Pres. Tomlin made a motion to accept the donation and the request. Seconded by VP Hughes. Motion carried.

Discussions concerning LKSUD and repairs to the fire station were held. VP Hughes to contact LKSUD to clarify activities on hydrants, installation of water lines and insurance services organization (ISO) requirements.

9:43 p.m. – Pres. Tomlin made a motion to go into Executive Session. Seconded by VP Hughes.

EXECUTIVE SESSION: The Board discussed the following:

1. Public relations committee relationship to ICVFD Board of Directors.

Appointment of administrator for ICVFD Facebook.

Appointment of ICVFD director as public relations contact.

10:01 p.m. – Pres. Tomlin made a motion to adjourn from Executive Session and reconvene on open board meeting. Seconded by VP Hughes. Motion carried.

The next scheduled open board meeting will be April 10, 2014 at 7 p.m.

Pres. Tomlin made a motion to adjourn at 10:03 p.m. Seconded by Secretary Moore. Motion carried.

Respectfully submitted,

Sam Moore, Secretary
