Construction Underway to Improve Visibility at Corner of FM 902 and CR 211

Above is the much-improved view looking westward from the corner of FM 902 and CR 211. The road construction project includes lowering the dangerous hill by five feet. Drivers will now have the opportunity to make safer turns onto or from these roads.

NOTICE:
LKPOA Town Hall meeting on the FY 14/15 Proposed Budget will be held Saturday, June 21 from 10 a.m. to 1 p.m. in the Lodge Assembly Room. (Budget summary on page 40.)

East Side Wins Golf Challenge

Dwayne Hopson, West team golf captain, takes the losing dip in the lake. See more information on page 31.

A random mid-May storm caused damage to local trees at Lake Kiowa. The above damage happened at the north end of the lake.

Hello everyone,

Summer is here and with it come the 90-degree temperatures.

I hope everyone enjoyed the Memorial Day Holiday. We should never forget that, while we enjoy the kickoff to the summer, the holiday was established to honor the men and women who died while serving in the United States Armed Forces.

With Memorial Day behind us, that can only mean that the 4th of July is fast approaching. This year the Lake Kiowa celebration will be held on Friday, July 4. This year there will be more rides and attractions as well as the Lake Kiowa Golf Cart Parade. Look for more information in the July CommuniQue.

At the May 19 Board Meeting, the Board of Directors approved the proposed Annual Maintenance Budget for the Lake Kiowa Property Owners Association. A town hall meeting is scheduled for Saturday, June 21 at 10 a.m. to go over the details of the new budget. I encourage all Lake Kiowa members to attend this informative session.

Security will be holding a Golf Cart Safety class on Saturday, June 14. Contact Chief Davidson to register for the class. Remember that minors over the age of 13 may obtain a golf cart permit only if they have successfully completed the class and passed the exam.

Security Chief Gary Davidson has reported that phone scammers are making calls to Lake Kiowa residents. These individuals claim to be from AT&T and that there is a problem with the phone line to the residents. To confirm the resident’s identity, they need personal bank information. As always, never give personal information out to anyone over the phone without first verifying their identity. If you receive one of these calls, you are encouraged to contact the Cooke County Sheriff’s office and report the call.

And last, but not least, we have a new Lodge manager, Charlie Foster was at one time a resident at Lake Kiowa as were his parents. While currently living in Lantana, Charlie and his wife were planning on returning to Lake Kiowa when he saw the advertisement for the position. Charlie brings to the Lodge 35 years of restaurant management experience as well as a Bachelor’s Degree in Food Science Technology from Texas A&M and a Master’s Degree in Hospitality Management, with a minor in Marketing, from the University of North Texas in Denton.

Charlie has worked for Brinker International (Romano’s Macaroni Grill), at the University of North Texas as Instructor and Senior Lecturer of Merchandising and Hospitality Management, and at Carlson Restaurants (TGI Fridays), just to name a few of his recent endeavors. Please stop by and welcome him when you get a chance.

That’s all for now. Have a wonderful month of June.

Randy

LKPOA BOARD OF DIRECTOR MEETING CHANGE

During its April 7 meeting, the LKPOA Board of Directors voted to change meeting dates. Effective in June, the board will meet once per month on the third Monday of the month. These meetings will be held at 6 p.m. in the Southwest Room. Should the need arise, a meeting could be held in the Assembly Room.
INDIAN CREEK VOLUNTEER FIRE DEPARTMENT
NEIGHBORLY ASSISTANCE

Chris Portesi, a volunteer member of the Kiowa ICVFD, recently exhibited the kind of personal involvement and community awareness the members of this new organization have brought to Lake Kiowa.

A recent high-velocity wind and lightning storm struck a 15-year-old Bradford Pear tree in our yard. My husband is recovering from back surgery and is unable to do any heavy work. Chris, our neighbor, immediately offered to help remove the tree limbs.

However, on closer observation, he noted that the tree was split all the way to its roots and would no doubt fall down completely during another such storm. True to his nature, he worked tirelessly for two days to cut the tree down and remove all the wood and residue. He would not accept any compensation and did not want any recognition. He commented that the members of the ICVFD were committed to helping the Lake Kiowa community in any way they can.

Their many acts of kindness are apparent throughout the community. Our thanks go to Chris and to all the members of the ICVFD in appreciation for the service they provide all of us on a daily basis. We plan to make an additional donation to the ICVFD in Chris’ name.

Thank you.
Miriam and Bill Beebe

RUTH KURTZ MEMORIAL SERVICE

A memorial service for Ruth Kurtz, long-time Lake Kiowa resident, will be held in the Chapel at the George Carroll & Son Funeral Home at 2 p.m. on Thursday, June 5. This will be a very informal gathering.

The Red River Valley Tourism Association (RRVTA) would like to invite you to this year’s regional event of the season—the U.S. Hwy 82/287 Yard Sale! In the Red River Valley area, North Texas, and Southern Oklahoma on June 6, 7 there will be yard sales, garage sales, sidewalk sales, farmers markets, and flea markets LOCATED WITHIN participating communities covering 425 miles of the Highway 82 and Highway 287 corridors and beyond! From as far as New Boston in the east, to Munday and Seymour in the west, south to Henrietta and north to Quanah, and Frederick, Oklahoma points in between, you are sure to find lots of treasures.

HOW IT WORKS: Along the way, participating towns will have maps available guiding shoppers to the special sales throughout their communities. Some towns will have yard sales set up at a central location, while others may have them spread throughout the community. Still others will showcase their downtown merchants or their flea markets/trade days. In most communities, we DO NOT set-up along the highway.
Updated Cape Cod:

....with Lakeview features. Three large bedrooms each with full bath, huge commercial kitchen, granite and concrete countertops, recently replaced stainless steel appliances, 2 ovens, icemaker, gas cook top and griddle, built-in refrigerato, large den, dining, sun porch overlooking salt water pool and hot tub, Murphy bed in sun porch, office and exercise room, 2-two car oversized garages, large landscaped lot with sprinkler system, small garden.

537 Kiowa Drive East $589,500
3-3 ½-2 living/office/2 two car/pool

Wow, what a windblown month of May! Fortunately, we did receive some much-needed rain. At the time this article was written, the lake was approximately 1 foot, 8 inches low. The water temperature was around 73-75 degrees and the Chara was beginning to show.

Our spring shocking of the lake had taken place and the Tilapia were installed into the lake. We will wait to see if the early placement of the Tilapia helps with the control. The proposed cage program to observe the Tilapia control of the Chara was still in the approval process. So, we hope to get this going soon.

It was brought to my attention in one of the LKPOA Board Meetings that people are fishing in front of the tee boxes while golfers are trying to tee off. Please be advised that this is not allowed. Golfers have the right of way over the water. Boaters: this rule also applies to you. If golfers are on a tee box, you must wait to pass in front of that tee box. After they hit, please move through the area as soon as safely possible. This is a very dangerous place to be. You cannot win the fight with a golf ball. If you find yourself in front of a tee box and golfers approach, please move out from the area. After they hit across and no one is waiting to hit, you may fish these areas.

The Sixth Annual Harvey Pippen Bass Tournament was held on April 19. It was a tough day of fishing with most anglers catching weights of 13lbs or less. This is the lowest weight catches this year and seems to be about normal looking back at the past few years. In third place were Brad Shufflin and Ryan Shufflin with 14.45lbs. Brad Shasteen and Trevor Coker with a 15.51lbs stringer comprised the second-place team. The winning team of Zach Bradshaw and Brandon Burks brought in a nice catch of 16.13lbs. Big Bass was caught by Trevor Coker and weighed in at 3.92 lbs. It was a good day of hard fishing.

Boating season is now in full swing. Please remember to keep 50 feet away from all docks while on plane. A 75-foot distance away from all watercraft on the water is recommended. If skiing/tubing, be sure you have a spotter watching the people you are towing. Watch on all sides for people in the water swimming or waiting to be picked up by their boat. Always have a personal floatation device for each member in your watercraft.

“YOUR LAKE NEEDS YOUR HELP!”

Lake Kiowa Anglers & Conservation Club is seeking donations for our Annual Fish Fry Fundraiser which takes place over Labor Day Weekend. The Board is planning some fun events and we need your help to make it a huge success. If you or your company can provide items for our Silent Auction/Raffle, please give me a call. Items can be new or perhaps you have an item that is no longer of use to you and wish to donate it. We are “thinking outside the box” so any item that you think might be of value to a fellow Kiowan is greatly appreciated. Some ideas of what we are looking for include:

- Perhaps you work at a car dealership and your company can provide a weekend sports car rental.
- You own/work at a jewelry store and can donate a piece of jewelry.
- You work at a retail shop - perhaps you can find an item to donate.
- If you have a timeshare week that you are not using, perhaps you can donate the week.
- If you have lots of frequent flyer points, perhaps you can donate round trip tickets.
- You work at Winstar Casino and can get us concert tickets, free meals, hotel accommodations.

The LKACC Mission is to raise funds to provide financial support for lake maintenance. We need your help through our membership drive and additional donations. The annual membership for a FAMILY is just $35.

Thanking you in advance for any support you can give to the LKACC.

Joanne Broughton         Special Event Coordinator      Cell: (940) 372-3952

Don’t forget that we are on Facebook. Search for “Lake Kiowa Angler & Conservation Club.” Through this media we are able to upload photos and event schedules, publish tournament results, and communicate with all. We hope to see your posts and suggestions there.

If you would like to submit photographs of your fishing experiences and/or outings send a note or photo to the club. Email us at lkacc4u@yahoo.com. We can then upload your pictures to the Facebook page. Thanks for all of your continued support.

Mike Bitsche
ZEBRA MUSSELS. DON'T BE A CARRIER. CLEAN, DRAIN & DRY YOUR BOAT.

Lake Kiowa Fishing Limits
Chad Robinson, Fisheries Biologist and Lake Management Consultant, made the following fishing limit recommendations. These recommendations have been given careful consideration to keep a thriving ecological habitat for Lake Kiowa. The Angler and Conservation Club has fully endorsed the following fishing guidelines for Lake Kiowa:

Hybrid Striper: Catch and release.
Black Bass: Keep Black Bass between 10-15 inches; 5 Per Day, Per Person. Release all other Black Bass under 10 inches and over 15 inches.
Crappie: Keep over 10 inches; 30 Per Day, Per Person. Release all under 10 inches.
White Bass: Otherwise known as Sand Bass. No Limit. Remove all you can.
Perch: No Limit.
Channel Catfish: Keep fish over 14 inches; No Limit. Release all under 14 inches.
Drum: No Limit. Remove any caught from lake.
Carp: No Limit. Remove any caught from lake.

TROT AND JUG LINES ARE NOT PERMITTED
Dock owners are encouraged to provide cover for the fish under your docks. Make sure the trees are securely anchored not to interfere with boat traffic. Feed the fish! Dry dog food or pellets especially made for the fish are readily available at feed stores. For questions, feel free to contact Mike Bitsche for specifics.

RULES FOR LAKE BLACK BASS RECORD PROGRAM
1. Black Bass must be caught from Lake Kiowa
2. Black Bass must be caught on artificial bait
3. Black Bass must be weighed on official LKACC scales
4. Black Bass must be measured by hard measuring rule
5. Black Bass must be photographed
6. Black Bass must be witnessed by at least one of the established members listed with security
7. Black Bass must be witnessed, released alive in Lake Kiowa or transferred to the ShareLunker Program
8. Black Bass records shall be effective from October 1 through September 30
9. Each Black Bass record caught within each time frame will be given a $100 prize from the LKACC
10. One Black Bass replica shall be awarded for that year’s largest record Black Bass
11. Each replica shall hang on the wall in the 19th-Hole at the Lodge until a new record is established, at which time the defeated replica shall be returned to the owner
12. If the record is not broken each year the latest record shall remain in place until defeated
13. Each year that a new record is not established, the $100 prize shall roll over to the next year. (Example - no new record for 5 years, prize pot would be $500) The cumulative pot shall not exceed $1,000 at any time
14. If the record is broken at any time, the next prize awarded will return to $100

HAPPINESS IS A NEW BICYCLE

The Kiwanis Club of Lake Kiowa sponsors several programs at the Callisburg Elementary School. It is again time for the Callisburg annual “Perfect Attendance Program” whereby a lucky winner in each grade will receive a new bicycle. Anticipation is high among the students as to the identity of the lucky winners. Every student is eligible when they complete a six-week period of perfect attendance with no tardy arrivals or early withdrawals, so they could possibly have their names in the running six times during the school year. Watch for pictures of the winners in a future issue.

This is only possible because of the support offered by this wonderful community to the Kiwanis Club’s fundraisers. Your continuing contribution of aluminum cans in the two trailers help so much in allowing us to continue our assistance to the school. Please look for the Kiwanis tables at the upcoming July 4 celebration and select your favorite beverages from us. We appreciate everything you do!

A recent change to the goal of Kiwanis clubs everywhere now reads “Kiwanis is a global organization of volunteers dedicated to improving the world one child and one community at a time.” Should you wish to assist in the efforts of the Kiwanis Club of Lake Kiowa to help needy children, please feel free to join us for a complimentary dinner the first and third Thursday of each month at 6:30 p.m. at the Lodge. For more information, contact Rick Ramsey (903) 952-7273, Richard Mitcham (972) 821-1923, or Jim Poker (940) 889-2369.

Marlene Kelley, Secretary

THE PATRIOTIC CORNER

Robert Whiting, an elderly gentleman of 83, arrived in Paris by plane. At French Customs, he took a few minutes to locate his passport in his carry-on. “You have been to France before, monsieur?” the customs officer asked sarcastically. Mr. Whiting admitted that he had been to France previously. “Then you should know enough to have your passport ready.”

The American said “The last time I was here, I didn’t have to show it.” “Impossible,” said the officer, “Americans always have to show their passports on arrival in France!”

The American gave the Frenchman a long hard look. Then he quietly explained, “Well, when I came ashore at Omaha Beach on D-Day in 1944 to help liberate this country, I couldn’t find a single Frenchman to show a passport to.”

You could have heard a pin drop...
So Many Landmarks

Gainesville and Lindsay Landmarks.

Our customers are proud to step up and say, "I’m a landmark."

You can be a landmark, too. Stop by any of our twelve Texas locations and find out what everybody’s talking about.
You are invited to attend the Quarterly Business Meeting and Potluck Dinner of the Lake Kiowa Chapel at the Lodge on Monday, June 9. Plan to be there at 6:15 p.m. with your dish to share. Beverages are provided by the Chapel. A program and business meeting will follow the meal. All are invited to attend and enjoy the fellowship as well as take part in decision-making regarding our community involvement.

The Lake Kiowa Chapel would like to welcome everyone at Lake Kiowa to services on Sunday mornings. Services are held in the Assembly Room of the Lodge from 8 to 8:30 a.m. Rev. John Hare and Rev. J. Ray Smith are the pastors delivering their messages on alternate Sunday mornings. However, in June Rev. Smith will take June 1, 8, and 29 services. Rev. Hare will cover June 15 and 22.

In June Rev. Smith will continue the series entitled “The Blessings of God’s Grace” with texts from I Peter 1:3-9. His message on June 1 will be entitled “A Powerful Protection.” His message on June 8 will be “A Proven Faith.” His message on June 15 will be “Some Burning Questions” with text from I Kings 18:20-39. His message on June 22 will be “The Collision at Nain” with text from Luke 7:11-17.

“Inexpressible Joy” is the title of Rev. Smith’s message on June 29. Text is again I Peter 1:3-9.

Chapel Choir practices on Monday mornings in the Lodge at 8 a.m. They welcome anyone that enjoys singing to join them and add to the joyful noise on the third Sunday of each month.

VISTO is the recipient of food contributed to the box in the entry to the Lodge. All packaged groceries are appreciated, but VISTO will make very good use of monetary donations as well. Buddy pack items for the many children who do not have a supportive home environment, i.e. weekends, are also greatly needed. You may sponsor a child for the school year for $130 and this child will receive a backpack of nourishment every weekend. A dollar spent by VISTO goes much further than your individual grocery dollars, so consider a check made out to VISTO and sent to P.O. Box 607, Gainesville, TX 76241.

The Lake Kiowa Chapel meets every Sunday morning from 8 to 8:30 a.m. in the Lodge. This is an interdenominational service that may precede your regular church service or a round of golf. Casual dress is always welcome. Please come and share this time with your friends and neighbors on Sunday morning at 8 a.m.

KIDS ENTERTAINING KIDS FUNDRAISER AND SILENT AUCTION

Audrey Slack of Van Alstyne has spent many hours of her life serving non-profit organizations, her church, and other people. Her latest gift of love is a quilt she quilted to be used to raise money for the Early Childhood Intervention (ECI) program’s Kids Entertaining Kids Fundraiser and Silent Auction. The quilt is named “Butterflies of Hope.” It features hand appliqued butterflies, Indian girls, and teepees.

The 6th Annual Kids Entertaining Kids Fundraiser will be held Saturday, Aug. 9 from 2 until 4 p.m. at the Sherman Municipal Ballroom, 405 North Rusk. The event will feature six or seven children's acts including Theatricks, Musical Hands, the Neblett Drummers, University of Gymnastics, and more. Winx the Clown will be there to tie animal balloons. Face painting, refreshments, a silent auction, a raffle drawing, and other activities will also be part of the fun.

Tickets for the quilt drawing will be available soon and can be purchased by calling (903) 957-4865. Other items on the ticket are $500 cash, a $200 Shell gasoline gift card, a $200 Kohl’s gift card, and a box of Tyson’s ribeye steaks. The drawing will be held the day of the event, and you do not have to be present to win. Tickets are available for a donation of $5 for one or $20 for five.

ECI’s mission is to support families of children ranging from birth to thirty-six months of age with developmental needs by providing or helping access services that support family choice and promote independence within the context of the family’s natural environment and daily routines. The program is designed to encourage and assist parents with an infant or a child who appears to be slow in development or who has organic deficiency and/or medical conditions that usually result in developmental delay. Early intervention is the most effective strategy to enable the child to live as a functional adult and is the most cost-effective time. This intervention helps avoid more extensive and expensive intervention as the child progresses through the school system and later in life.

Thank you,
Laura Patterson,
Vice Chair GCWC

GAINESVILLE CHRISTIAN WOMEN’S CONNECTION

The Gainesville Christian Women's Connection (GCWC) June Brunch will be Thursday, June 26 at 401 W. Garnett, Gainesville TX. The event time is 10 to 11:30 a.m. and the cost is $8 per person. Brunch will be catered by Lone Oak Ranch and Retreat.

The keynote speaker will be Jana Vick, a vivacious school teacher and drama major from Southwest Texas University. Jana is a professional clown and puppeteer who found “The Best.” Jana will also provide the special feature on creative party planning. Music will be performed by Gerre and Jo Joiner.

GCWC is a non-denominational organization affiliated with Stonecroft Ministries open to women of all ages. Whether you are new to the area or have lived here a long time, come join us. For reservations call Judy DeField at (940) 612-3130 or email gcwreservations@yahoo.com by Thursday, June 19.

Thank you,
Laura Patterson,
Vice Chair GCWC

www.meadorfunderalhomes.com
Auxiliary Board member Dorothy Baskett presented Chief Bob Pistor with a check for $7000 to complete the communications equipment upgrades and the balance will go towards our next project, which will be funds to purchase Jaws of Life.

Thanks to all who helped with the monthly Shabby Chic sales! The May sale was another great success, grossing a total of $3,078. We hear from many of the regulars that this is THE best sale around. If you haven’t checked it out before, come and visit us at the next Shabby Chic scheduled for June 6 and 7. We think you’ll find something you didn’t even know you needed, and at a great price to boot!

Speaking of Shabby Chic, please note: Shabby Chic hours for the summertime are changing due to the heat. The sale will begin on Friday and Saturday mornings at 8 a.m. and will close at noon. No early sales on Thursdays in those months in which we set up on Thursday afternoon—the board has agreed that it isn’t fair to let some folks get a crack at premium items before we officially open the sale.

The Shabby Chic volunteers are the best our fire district has to offer and we couldn’t do it without them. You know who you are! Just like we have “regulars” who shop with us, we have “regulars” who work for us. From the strongest volunteers loading and moving furniture and large appliances to the faithful cashiers, this project could not be accomplished without each and every one of you. We thank you!

The result is a tremendous benefit to our Indian Creek Volunteer Fire Department. At our April 14 general meeting, we were asked how much has been raised since Shabby Chic began. So far, the monthly sales have raised $22,717. When we add in to-date proceeds from bake sales and tee shirt sales, the total reaches $27,640!

Of this amount, $22,850 has been given to the fire department to fulfill their unbudgeted needs. This includes $7,000 donated on May 12 earmarked for communications and Jaws of Life equipment. Another $743 has been spent so far on promotional support such as mailings and sponsoring their candidate forum. Everything we do is done for our fire department and everything they do is done for our fire district. Thanks to all of you working for the fire department!

Our storage unit partners are another group of supporters that should not be overlooked. It’s tough to find places to store our merchandise between sales. The owners of Kiowa Plaza Storage Units, Lake Kiowa Mini Warehouse, and Big Tree Self Storage all have been generous with their property. Shabby Chic success is due to you also and we thank you very much!

If you have large items to donate to Shabby Chic, please contact Melva Akins (940) 745-1455 or Jo Brannan (940) 395-3504 to make arrangements for pickup. Small items can be brought to us on sale days.

Kathy Reed
ICVFD Auxiliary Treasurer

ADOPT-A-MONTH
We have several months that need a patron to pay for our storage costs for SHABBY CHIC. If you would like to help us, please contact Kathy Reed (940) 736-3531
On behalf of the Board of Directors, officers and firefighters, I want to thank everyone who participated in our annual fundraiser. This includes all the people who volunteered many hours to organize and work at the events. The money raised will help us to serve you all better.

The first week of April, Captain Hatton and I went to Deep South Fire Trucks, Inc. in Seminary, Mississippi to inspect the tanker. The compartments were on the chassis along with the pump. We were able to make some minor changes to the specifications that will improve how we can use the truck. After we left, it was driven to the paint shop. It was scheduled to be there a week and then will move on to the wiring shop. There, all emergency equipment (lights, sirens etc.) will be mounted and wired. The lettering and required striping as well as the compartment doors will also be put on the truck. This should take a minimum of another week. After the wiring is completed, the 3000-gallon water tank will be installed. Empty, the water tank weighs one ton, so this also will take a little time. The expected delivery date is the first week of June.

After the truck arrives, we will need to install the hose and all the other equipment that will go on the truck. Then we will start to train our firefighters on how to operate this new apparatus. If you see us working on the truck, please stop by and ask any question that you might have.

We responded to fourteen calls for service in April. Two were inside Lake Kiowa and twelve were outside the gates. We have responded to 92 calls so far this year.

Bob Pistor

The next ICVFD Board meeting will be Thursday, June 12 at 7 p.m. at 550 Kiowa Dr. W.
Sharon Catlett opened our May 5 Quilt Bee meeting with 12 quilters in attendance. She asked us to keep several members in our prayers due to illnesses. Reminder, the Gainesville Quilt Guild, Common Threads, meets on the second Monday each month. We were updated on the guest lectures and events to be presented for the rest of the year.

Several Bee members showed their recent projects. Frances Walling did a special wall hanging using ribbons her granddaughter won at horse shows. Also, Kay Marshall’s family has an annual weekend gathering at a family home in Kansas. This year twenty-three cousins made seven lap quilts for charity and she shared them with us. In the last 12 years, Kay’s family members have made 105 quilts at such gatherings. Great job, ladies!

Our next Sew Day is Wednesday, June 18 and our next regular meeting is Monday, June 2 at 7 p.m. Remember, Sew Day and our meetings welcome everyone with needlework to share to enjoy fellowship and exchange of ideas.

Kathie Milburn

Frances Walling made a wall hanging of her granddaughter’s horse-show ribbons

Stephanie Broun showed her appliquéd Thimbleberries fabric quilt.

Kay Marshall and her cousins created seven charity quilts (two shown above) at a two-day gathering.

Kathie Milburn completed a Charm Square quilt.

Jennifer Mason created a beautiful star quilt for a friend.

Janet Samuel used 1930’s reproduction fabrics and her own quilting pattern.

Next Meeting June 2
Next Sew Day June 18
I received a call this morning from someone claiming to be from Microsoft who told me that my computer was infected with a computer virus. He wanted me to give him remote access to troubleshoot and remove the offending virus.

It was plain to me that this was a scam since I scan all my computers and our staff is very particular about keeping our systems clean and scanned regularly. When I did a search, I found that Microsoft had already put out a warning about this kind of scam. Also, Microsoft is in the business of making money. They do not give away customer support away for free (in most cases).

Quite a few people seem to have already fallen for this scam and been taken for hundreds of dollars.

So, what do you do if you did get fooled into providing information and remote access to these scam artists? Well, here you go:

1. **Report it to the cops.** Most police departments have an electronic crimes department. Remember that they do have to reach the other end.

2. **If you received a call,** that is different. You know who you initiated the call. If you called provide information to a stranger, it’s different.

3. **Use a different computer (or that of a trusted friend or family member) and change all your bank/financial institution/credit card account passwords.** Make sure that you set a strong unique password.

4. **Change your router password and make sure that remote web administration on the router is disabled.** Regularly monitor your credit card accounts and bank accounts and raise any suspicious transactions with the institution right away. If you provided your credit card information to the caller, get your card replaced immediately.

Siva Ram
Certified Information Security Auditor

Breaking news such as the massive data breach at Experian or Target now seems common. Leaving aside the victims of actual fraud, I hear constantly from people who’ve had to swap out every debit and credit card, or whose cards were unilaterally replaced by their bank. This causes all sorts of problems.

Sometimes it makes you long for the days of cash. While cash is not practical for everything, there are very compelling reasons to consider it or other alternatives instead of those debit cards.

Of course, you also have to watch where you get your cash, too. Criminals are good at installing near-invisible skimmers on ATMs. These steal your card information and then a miniature camera over the keypad steals your PIN. It’s everything a thief needs to drain your account.

Avoid out of the way ATMs in isolated areas. When you can, use ATMs in a restricted-access foyer. You should also hold your hand over the keypad when you enter your PIN. This blocks a camera from seeing what you’re doing.

Now that you know how to safely get cash, here’s where you should use it.

1. **GAS STATIONS**

ATMs aren’t the only places criminals can install card skimmers. Gas stations are a favorite target for thieves. Last year, four men were arrested for allegedly stealing $2.1 million using skimmers at gas stations in the south. The skimmers were installed in the pumps and were even equipped with Bluetooth that allowed the thieves to come by and extract the collected numbers and PINs wirelessly!

To keep the odds in your favor, use cash. If nothing else, use a credit card at a gas pump. It’s not widely appreciated that consumer responsibility for debit-card charges are different than they are for credit cards. Credit-card charges are easier to contest, and you’re only liable for up to $50 of fraudulent purchases.

With a debit card, you have to report a fraudulent purchase within a few business days for the $50 liability limit to kick in.

2. **RESTAURANTS**

Restaurants, too, can be a source of trouble. Some unscrupulous servers bring handheld card skimmers to work to swipe your card info. Even low-tech thieves can just write down the card numbers.

To make matters worse, many restaurants use older computer systems for processing cards. These are easy for hackers to install card-sweep software, as in the Target hack. The price paid can be quite high; Subway got hit in 2011 by Romanian hackers, who got away with $10 million from 150 restaurants.

3. **STORES**

Restaurants and gas stations make juicy targets: a steady stream of customers, some not from the area. Continued on page 17
LAKE KIOWA JUNE GENEALOGY SEMINAR
Join us on Saturday, June 21 at 10 a.m. for our first Lake Kiowa genealogy seminar. Our featured speaker will be Don Raney. Mr. Raney will speak on American migration routes, finding a common surname, and using federal land records.
Due to space restrictions, we are limiting attendance to 30 people. The cost is $20 (includes a salad bar lunch) and the registration deadline is June 14. You can get a registration form at the Lodge or by contacting me at cbarnhart50@gmail.com.
Cindy Barnhart

EXCELLENT RESPONSE TO ROTARY 2014 FLAG PROGRAM
The Rotary Club of Gainesville greatly appreciates the many Lake Kiowa residents who have supported our flag program year after year. Club members place flags in front of the homes of our supporters six times per year. The response to our recent letter to homeowners has been excellent. As of May 22, we have 201 homeowners sign up. Of that number, almost 25 percent are new to the program. This is very heart-warming. We hope those who are continuing will join.
You should have received a letter explaining the program and describing how to register with us. We ask our regular customers who are ready to rejoin the program to fill out the form and send their check to renew. If you are new to this effort and wish to join, please fill in the form, include your check and mail both to the indicated address. Encourage your neighbors to join as well.
Many program participants have agreed to maintain the flags and put them out on any occasion that they deem fit. We appreciate this help as it allows us, the six Rotary members who live here (plus one volunteer from outside Lake Kiowa), to accommodate more participants. We gladly will handle the flags for anyone unable to do so themselves for whatever the reason. Thus, do not hesitate to join if you fall in that category.
The program costs $40 per year. Our club puts these funds to very good use to carry out the important community, local area, national, and international service programs for which Rotary is well known.
Please email any questions to me at russeng@ntin.net (the preferred method) or call me at (940) 736-6249. Thank you all very much for supporting us.

Message from the President

“An anniversary is a time to celebrate the joys of today, the memories of yesterday, and the hopes of tomorrow.”

We are at the end of our Celebration of “Forty Years of Friendship.” I hope you received pleasure from the joys and memories that we presented this year and now have great hopes for the future.

It has been a joy for me to be President of the Kiowa Woman’s Club in this landmark year. Thank you to the Board and Committee Chairs for your support. I could not have made it through this year without your help and the wonderful jobs each and every one of you did. I also want to thank the KWC members for your encouragement and sweet messages. They were appreciated very much.

We will finish our anniversary year the way we started, with Dee Dee Boles KWC Punch and a very special dessert (of course, there will be lunch, too) There will be a wonderful program followed by the installation of our new officers for 2014-2015. I have it on good authority that this year’s installation is going to be very special! I hope you will join us at the June 12 meeting and luncheon and help us welcome the new board and end our yearlong celebration with a BANG.

“Enthusiasm moves the world”—Arthur Balfour

**June KWC Program**

At our June 12 meeting, we will be finishing our celebration of Kiowa Woman’s Club’s 40th Anniversary. We will have motivational speaker Brian Manhart with us to tell us about “In My 40 Years.”

Brian has encountered many different anniversaries in his life and he will speak about some of them. He will also share with us his journey through his career.

Brian and his family live at Lone Oak Ranch where Camp Kiowa is located. We will also hear about how that particular destination came to reality. This will be an inspirational and joyful presentation and we hope to see you there.

All That Twitters and Blooms

Garden & Nature held its annual Breakfast with the Birds at the beautiful home of Joann Smith. The setting could not have been more perfect as we enjoyed brunch with good friends in this inspiring oasis surrounded by nesting birds. There is no formal program more educational than a trip to visit a successful backyard transformation.

At this final meeting, our new chairman was introduced. Jackie Ditman has accepted the garden trowel and will be assisted by Debbie Shugart and Sally Poker. We have a lot to look forward to as our meetings resume in September.

Becky Branham, Jackie Ditman, and I have enjoyed being a part of the continued interest and growth of our group. It is our hope that we have, in small ways, encouraged and motivated others to appreciate and protect the natural beauty of Lake Kiowa.

Now, go smell the roses, enjoy the birds, and dig in the dirt!

Becky Knox, Chairman

Yay! Summer is here...
Come on in for breakfast or a great burger!

If you like to play cards and are a member of the Kiowa Woman’s Club, come join us for Canasta. We play the second and fourth Tuesday of each month at the Lodge. Sign in by 12:45 p.m.; play starts at 1 p.m. and usually ends around 4:30 p.m.

The winners for April 22 were: Dany Ford (1st); Mary Smith (2nd); Debbie Moody (3rd); Marty Vandeman (4th); Pam Rimer (5th); and Fran Norman (6th). There were six tables of play.

Our winners on March 13 were: Dany Ford (1st); Sharon Catlett (2nd); April Wakeford (3rd); and Margy Langley (4th). There were four tables of play.

On Cinco de Mayo (May 5) we had a Canasta potluck. Wow, there was so much food. It was a feast and the best food ever. Kiowa ladies are surely the best cooks in Texas! We had nine tables of play and the room was packed. Each table had a winner. They were Gussie Utting, Joyce Marsh, Peggy Ashton, Vicki Liles, Debbie Moody, Laverne Bialas, Margie Langley, Pam Rimer, and Kerlene Ross. What a day of fun that was!

Canasta is but one benefit of being a member of the Kiowa Woman’s Club and all members are welcome to join us.

Fran Norman
Dany Ford

SOLD!
Dear Community,

The Callisburg Independent School District (ISD) has had a very good year and we wanted to share some information about the district along with some of our plans for the future.

We started out the 2013-2014 school year by lowering the overall tax rate by 2 cents. The refinancing of some older bonds, at a more competitive interest rate, enabled us to make this reduction since it lowered our annual bond payment. As a district, we were able to save some money from the 2012-2013 budget, which allowed us to make some needed improvements to our high school parking areas and field house. As well, we purchased three new buses this past summer to replace three 15-year-old buses in our fleet. So far, we have been able to do this work without having any significant impact on our fund balance (savings). Bus purchases are a substantial challenge to the budget, because a single bus costs in the neighborhood of $90,000. With 12 buses that run a daily route, plus travel buses, the need to replace aging buses becomes an annual event. We try to do a few buses at a time so that we do not get overburdened with the need to replace several outdated buses in our fleet.

This year, costs have been a little higher due to some equipment breakdowns and higher utility bills. Both of these increases were impacted by the colder than normal temperatures experienced over the winter. Fortunately, these higher costs should be offset by the slight increase we had in our student enrollment. Overall, the budget for this year looks stable and we are beginning to work on the budget for the 2014-2015 school year. The biggest challenge we face in a school budget is that our revenue is pretty stagnant. Even if our tax base goes up, our revenue remains relatively flat. The only way to increase revenue is by an increase in student enrollment, improved attendance, or raising the tax rate, which we always try to avoid.

The teaching staff has been working diligently to further our academic rigor in the classroom. This year we increased the number of students taking dual-credit college courses and, once again, met all state standards. We won the district championship in academic UIL competition at all three campuses for the second year in a row. The district also joined a group of 72 other districts in a consortium of high-performing schools. The idea behind this consortium of schools is to ensure that we are changing with the demands of the world and truly preparing our students for the 21st century. One of the key starting points, recommended by the consortium, is to develop a graduate profile. This is a list of abilities we want to help our kids develop by the time they graduate; in short, it’s our end product. We need to have an end product in mind, throughout a student’s education, as we shape and mold our students into tomorrow’s leaders. We invite you to give us feedback on what skills you feel are essential for our students to possess, once they reach graduation. What does a Callisburg ISD graduate need to be able to do in order to be successful in college and life? We will take your thoughts along with ours and work to build a graduate profile over the summer. Please email me your thoughts at sclugston@cisdtx.net.

The district has made a few changes in the technology department as well. In January, we added a new Technology Director to help strengthen our network and help guide us through the technology challenges we face. After making some adjustments to our network and strengthening our wireless capabilities, we are now ordering tablets for the first phase of a multi-year process to place a tech device in the hands of each student. Last fall, the Lake Kiowa Women’s Golf Association (LKWGA) hosted a golf tournament fundraiser for the district and made a substantial contribution towards the purchase of these tablets. The generosity of our community and the hard work of the LKWGA made the purchase of the tablets possible. The tablets will be introduced through some of our more “tech savvy” teachers and we plan to expand this program each year.

Reflecting on the generosity of the LKWGA, we would also like to mention how blessed we are as a district. Between the athletic and band boosters clubs, the FFA parents club, the PTO fall festival, and the WGA, the communities of our district raised over $125,000 for our students this year. In addition, our faculty has once again given over $3000 to our senior scholarship fund and donated over $10,000 to the United Way. When you look at all of this together it shows what a great community family we have and just how much they care for kids. Behind every great school is a great community. GO WILDCATS!!!!!!!

Sincerely,

Steve Clugston
Superintendent
NCTC GRADUATES HONORED AT SPRING 2014 COMMENCEMENT

NCTC President Dr. Eddie Hadlock speaks to graduates at the Spring 2014 Commencement ceremony May 9 in Gainesville. This ceremony marked the final commencement for Dr. Hadlock, who will retire this summer after 40 years at the college.

GAINESVILLE – North Central Texas College announced its official listings of students recognized for outstanding academic achievement during the recently concluded 2014 Spring semester.

Students named to the NCTC President’s Honor List are those who achieved a perfect 4.0 grade point average (GPA) while enrolled in at least 12 semester credit hours. The Dean’s Honor List includes those students earning a GPA of 3.5–3.99 while taking 12 or more hours.

“We’re very proud to honor our students in this way,” said Dr. Larry Gilbert, Arts & Sciences dean. “Performing at this high level in all courses is not easy, particularly for the large number of our students who work either full-time or part-time while attending classes.

“For their hard work and for their pursuit of excellence in their studies, we congratulate all of these students and wish them the very best as they continue their education or move into the workplace.”

Persons wishing to obtain additional information about academic honors recognition at North Central Texas College may contact the office of the Dean of Student Services at 940-668-4241. Students honored for academic achievement included:

- President’s Honor List
  - Callisburg - Mikka Michelle English.

- Dean’s Honor List
  - Lake Kiowa - Penny Dee Eiland.

More than 700 students applied for graduation at NCTC this spring and more than 350 participated in the two graduation ceremonies. Carley Caulene Abbott and Jeremy Ryan Sparkman from Lake Kiowa received their diplomas during this event.

Jill Swarner, the 2014 Faculty of the Year recipient, was the guest speaker for both commencement ceremonies. NCTC Vice President of Instruction Dr. Brent Wallace presented the Class of 2014 and certifications of graduates, and NCTC President Dr. Eddie Hadlock conferred the degrees.

Wow! There were fifty-four (54) members at the 7:45 a.m. General Meeting held at the Pro Shop patio area on May 7. Whether it was the warm weather, breakfast goodies, or the challenge of trying to beat the Dream Team that brought everyone out, the WGA Board was thrilled to have such a great turnout.

The General Meeting was held before play. Treasurer Sharon Mitcham reported that our ending bank balance as of 4/30/14 was $8,073.72. Earmarked money totals $2,409.66. There are currently 135 players in the Hole-in-One pot, which totals $675. Lori Brindle, our membership chairperson, reported our membership is currently at 226.

The 2013 Dream Team of Dee Dorman, Molly Worthen, Janice Richey, and Audrene Robison were challenged by twelve teams. Five teams beat the Dream Team. See Richey, and Audrene Robison were Dorman, Molly Worthen, Janice Mann, Jim Goldsworthy, Agent for State Farm Insurance, donated 60 golf umbrellas that were used for door prizes. Players were treated to a wide variety of hors d’oeuvres prepared by Joy’s committee. The second day of play also began with coffee and snacks. Following play there was lunch at the Lodge. Several ladies were lucky winners of the door prizes. Joy Mann and her committee consisting of Margy Langley, Carol Bosse, and Genevieve Avinger worked extremely hard to make this a very successful tournament. A huge thank you goes to Joy and her committee members, sponsors, contributors, and MGA volunteers for putting on a wonderful tournament. It was simply an over-the-top event!

A kickoff meeting for the Abigail’s Arms WGA Charity Tournament was held on April 29. Lori Brindle will serve as chairperson for this tournament to be held Oct. 1. Give Lori a call if you are interested in working on this tournament.

The Girls Night Out will be co-chaired by Maureen Anselmi and Katherine Thacker. This event will be held on Sept. 16. Give Maureen or Katherine a call if you are interested in helping them with this fun event.

Tony Andrews, Ways and Means, is working hard on the MGA Kiowa Kapers Tournament scheduled for June 13-15. This is the WGA’s major fundraiser and Toni needs lots of help. The WGA will be managing the concession stands, games on certain holes, serving brats, making sandwiches, and working the putting contest. If you haven’t already signed up to help with this three-day event, give Toni a call and see where she could still use some help. Toni has also started working on our second fundraiser of the year, the Habitat for Humanity Tournament on June 21. Volunteers are needed, so please let Toni know if you are available.

The WGA sent out a survey via email in May providing members a forum through which to share their likes, dislikes, and comments about WGA activities. The survey is completely anonymous and confidential. Paper copies of the survey are available in the women’s restroom at the Pro Shop. Please take advantage of this opportunity to let the WGA know what your interests are.

Please continue filling your divots on the fairways and tee boxes, and repair pitch marks on the greens.

The next general meeting and scramble will be on Wednesday, June 4. This will be a luncheon meeting and not a breakfast meeting as published in the directory. We hope to see everyone there.

Linda Slater

May 17 All WGA Saturday Scramble

Dearest WGA Members,

Thank you so much to all that were able to participate in the WGA Saturday Scramble. It was my utmost hope for all to have a great time of fellowship and golf. I want to be sure and again thank Great Southwest Roofing (Toni and Randy Andrews) for the hot dogs and drinks. I also wanted you to know once again that I requested my tee time to be the first at 8:30 a.m. but the computer gave the tee times. The teams were formed by a random draw based on handicap. Again, thank you so much for everything. I love you all.

Danette Morrison

INSURED FOR YOUR PROTECTION
The annual East-West Challenge golf tournament was held May 3, 4. This year's captains were Dwayne Hopson for the West and Gerald Smith for the East. Both the East and West had filled their roster and there were a few players on the waiting list. The weekend's festivities began on Friday night at the Pavilion with a wonderful potluck dinner; pairings and tee times were announced. The stage was set for some great golf matches on Saturday and Sunday. The golf event and social gatherings coupled with great weather resulted in an outstanding weekend for everyone.

To win the “Challenge,” one team has to accumulate 60 ½ points. The first day of play on Saturday saw the East taking a very slight lead with 31 ½ points and the West capturing 28 ½ points. As in past years, the result would be a very hard-fought battle and would go down to the wire.

On Sunday, the ladies played first and the East-West ladies split their matches with 8 points each. At this point, the East was still ahead by 3 points, but we know that the tide can turn in a hurry. The wind was blowing and the temperatures were in the 90’s so we would soon see who was blowing the most hot air and lighting it up on the golf course. There were some really good matches in the afternoon and it would end up on Sunday with the men from the East winning by a narrow margin of 31 ½ to 28 ½.

So, after all the scorecards were tallied, the East would walk away with the win by a score of 63 to 57. Again, we saw a really tight race to the finish.

We gathered at the Pavilion on Sunday with dinner, beverages, and results being announced. Soon to follow, Captain Dwayne Hopson showcased his swimming skills in his new Superman bathing suit (a gift given to him by the captain from the East) and took a wet plunge into the lake. The “go swimming” part is a tradition for the captain of the losing team. This was the highlight of our fun weekend in the 2014 East-West Challenge Golf Tournament.

In addition, we had a few contests during the two-day event and listed below are the winners:

**Saturday Event Winners:** Preston Klutts (two contests), John Seefeldt, Leanne Bitsche, and Lori Brindle;

**Sunday Event Winners:** Dennis Cochran, John Leatherman, Gerald Smith, Judy Neal, and Patricia Folsom.

A big thanks to Brown McCrory, Bryan Brown, and their teams for all their support, too. We could not have pulled it off without you.

We hope everyone had a good time and many called it the most fun and enjoyable golf event of the year. Our captains for 2015 are Robin Howell for the West and Joe Dorman for the East.

Respectfully yours,
Dwayne Hopson and Gerald Smith

### Couples Golf

Many of the May 18 first through sixth place winning couples teams.

Oh, what a beautiful day and a fantastic turnout the Kiowa Couples Golf Association had during the “Odd/Even Scramble” on Sunday, May 18. One-hundred-twelve players attended the event and fun was had by all. Many thanks to George Aune as he helped rookie Co-chairs Ronnie and Lisa Bohannon kick off the first tournament of 2014 while President Joe Dorman and his first lady Dee were out of town.

The team of Sam and Mary Piler with Donna Morris and R.J. Stroup won with playoff scorecard of 64. Coming in second with the same score of 64 were John and Jane Leatherman with Herbie and Carol Marchbanks. Our third-place team of Bob and Karen Brewton along with Tracy and Carla Wilson shot a 65 while Kyle and Robin Kemp with Richard Moore and Pamela Kirk took fourth shooting a 66.

Another scorecard playoff score of 67 rounded out the winners for fifth and sixth place. Jim Morrison and Nancy Gingerich with Lou and Karen Vollen finished fifth, leaving the team of Truman and Sally Houk and Alton and Carolyn Pannell in sixth place. The top six teams were awarded prize money and most of the winners are pictured above.

Be sure to join us next month on Saturday, June 28 for our “Saturday Moonlight Scramble.” This will be a four-person scramble over nine holes in the moonlight. Watch for sign-ups in mid-June as space is limited to the first thirty couples to register. Call Joe or Dee Dorman with any questions: Joe (940) 727-4868 or Dee (940) 727-4869.

Thanks for playing!

Lisa Bohannon

---

### DO YOU KNOW...

Which of the following courses is the more difficult: Course A with a Course Rating of 72.8 and a Slope Rating of 114 or Course B with a Course Rating of 67.8 and a Slope Rating of 127? If you answered Course A you would be correct because it is the Course Rating and not the Slope that is the more dominant factor in defining course difficulty. You may be wondering why there are two sets of numbers. When the USGA conducts a Course Rating, they look at each hole and each shot through the eyes of both the Scratch golfer and Bogey golfer to determine both a Scratch rating and a Bogey rating. It is the difference between these two ratings that determines Slope. In our example, if a Scratch golfer were to complete 20 rounds on Course A, it would be expected that his 10 best scores would average around 72.8. If a Bogey golfer were to complete 20 rounds on Course A, it would be expected that his 10 best scores would average around 94.0. Slope merely tells you how “proportionately” more difficult a set of tees plays for higher handicapped golfers as opposed to lower handicapped golfers. The more difficult the tee plays proportionately for the higher handicappers; i.e., the bigger the gap between the Scratch rating and the Bogey rating, the greater the Slope Rating. A course of average playing difficulty has a Slope Rating of 113. On a course with a Slope Rating of 113, your Handicap Index rounded is your Course Handicap. Any other Slope Rating may change your Course Handicap. Fortunately, USGA rated courses are required to post a chart that uses Slope Rating to convert your Handicap Index to a Course Handicap for each set of tees on that course. You can calculate Course Handicap yourself by multiplying your Handicap Index by the Slope Rating and dividing the result by 113. If you’re not a Scratch golfer, Slope is a critical part of the handicap system, but it should not be used as an indicator of a course’s difficulty. Use the Course Rating to compare the relative difficulty between different courses and to decide which tee is appropriate to your ability. Once you’ve done that, use the Slope Rating to determine your Course Handicap so that you get all the strokes you deserve to ensure your match is fair.

(Adapted from an article by Jim Cowan, Director of Course Rating and Handicapping, Northern California Golf Association. To see the full article, visit [http://www.ncga.org/handicap/explanation-slope](http://www.ncga.org/handicap/explanation-slope/))

Love, Lisa
On April 12th, the Men’s Golf Association (MGA) met at the Lodge. Vice President Bob Wilsford called the meeting to order at 8 a.m. He presented a Hole-in-One plaque to Bob Hey.

Tournament Director Neil Wright provided a report on upcoming tournaments:

(1) Kiowa Kapers: Plans are being finalized for the tournament. The field is full with several on the waiting list.
(2) Spring Kicker: Final results were announced on May 2, as follows:
   Flight 3: Tie 1st – Kemp and Kemp – 31 points; Dorman and Cole – 30.5 points.
   Flight 8: Tie 1st – Langle and Marchbanks – 29.5 points; Young and Jackson – 29.5 points.

(3) June Playday: Format will be the Team Handicap Modified Stableford (Kapers points). Team quota is 144 minus Total Team Handicap. Acquire points as follows: Bogey = 1 point; Par = 2; Birdie = 4; Eagle = 6; Hole-in-One = 10.

Eighty-seven golfers participated in the May 10 Playday, the Devil’s Game 6-6-6. Results were:
1st place: 115 – Monty Hoeflein, Robert Terrell, Jeral Wardlow, Bill Turner, and Joe Mullins;
2nd place: 116 – Clark Enright, Mark Anthony, Harold Baker, Cotton Nix, and Steve Bezner;
3rd place: 116 – Mark Gillings, Billy Woods, Wayne Howell, and Jack Thies;
4th place: 118 – Joe Dorman, Bobby Andrews, Ken Peichel, Mike McCain
5th place: 119 – Robin Howell, John Wolek, Bill Parish, Glenn Waldon;
6th place: 119 – Mike Erwin, Bob Shugart, Neil Wright, and B.R. Clements;
After golf, Superintendent Bryan Brown updated the group on the condition of the greens.
Submitted by:
John Seefeldt, MGA Secretary

Bob Hey (L) receives his Hole-in-One plaque from Bob Wilsford.

May 10 - 1st place (L-R): Robert Terrell, Bill Turner, Monty Hoeflein, and Jeral Wardlow.

May 10 - 3rd place: (L-R): Billy Woods, Jack Thies, Mark Gillings, and Wayne Howell.

LODGE NEWS

As the temperatures rise, so does the excitement level at the FOL monthly dances!! We scheduled a Friday night dance on April 25 and found that we were competing with a couple of local events—the WGA Member-Member golf tournament and Friday night Texas Hold’em. Thus, our attendance was slightly down. Fortunately, DJ Clint kept everyone happy dancing to their favorite tunes. Many thanks go to Clint, and a thank-you goes out to Susan Stokes for providing excellent service to the folks at the dance.

Please mark your calendar and join us at the Lodge on Saturday, June 21 as we have scheduled a dance with DJ Katie Dieter. She plays a variety of music for your dancing and listening pleasure.

Be sure to stay tuned to the Communiqué for upcoming news pertaining to the FOL events for the 4th of July spectacular.

PR execs, DM & LT

Wow, what an April and beginning of May! Poker hands were amazing, laughter was in abundance, and attendance was terrific. We had a very special birthday celebration for Dorothy Baskett, who turned 90. The cakes, yes cakes, were delicious (thank you, Nona Tipps), and everyone joined in singing and wishing Dorothy a very happy birthday.

The best hand of the month was Dottie Heerema’s enviable and rare Royal Flush. Shirley Kramer, Jan Dalton, and I had Straight Flushes. A whopping eleven people had four-of-a-kind. B.R. Clements and Marcy Titus had four aces. Jan Dalton and Dan Deaton had four tens. Tom Nardecchia, Harold Bosse, and Truman Houk had four eights. Margie Nash and Glenn Waldon had four sixes. Joe Dressel had four sevens. D Noble had four fours and, finally, Jan Dalton capped off her very successful month with four threes. The points leaders were Billy Woods, Marvin Crew, and Glenn Waldon. The winners of the Championship Game held on the last Friday of the month were John Nash (first) and Smokey Mountcastle (second). The Lodge generously donates a token of its appreciation to the points leaders and championship winners each month. We are very appreciative of their support for the Poker group!

We hope to see you at the Lodge at 6:45 p.m. on Wednesdays and Fridays to join us for a friendly, free, and fun game of Texas Hold’em.

Jennifer Mason

SECURITY REPORT
April 17 - May 14

A precursor of things to come, Security Patrol performed their first boating stop and first boater’s assist of the season. The 2014 watercraft registration effort continues apace and takes on even greater significance with the first holiday weekend of the summer just a week away. The zebra mussel quarantine is still in full effect. All incoming watercraft and accessories such as rafts, tubes, and boards are subject to inspection and the quarantine. Be sure to check out with Security at the Guardhouse when pulling watercraft out the gate for fuel or service in order to avoid the quarantine upon reentry.

Traffic control efforts netted nine stops for speeding, three stops for stop sign violations, two for parking violations and two stops for exceeding bridge weight limits. One citation was issued for running a stop sign. Two automobile and two golf cart accidents were worked. Security patrol secured three unlocked doors and gates, performed one welfare check and responded to two business alarms and a residence alarm. Single incidents of unauthorized entry and unaccompained guests were investigated as were two complaints of disorderly conduct and a report of reckless driving. Security personnel assisted five motorists and two golf cart operators, cautioned a resident for putting trash out too early, and confronted a golfer found practicing on the course. Three complaints of criminal mischief were received detailing incidents on Ottawa Cv. E. and the 600 and 800 blocks of Kiowa Dr. W. Suspect information has been gathered and the investigation is ongoing in at least one of the incidents.

Animal control officers pursued twelve stray dogs, collected three cats and dispatched ten varmints. Two barking dog complaints were received and one dog was turned over to Noah’s Ark Animal Shelter in Gainesville. One citation was written for a leash law violation. Fifteen ICVFD emergency runs were monitored by Guardhouse personnel. Security first responders answered one medical call. A Cooke County Sheriff’s Office deputy was dispatched to Lake Kiowa for one of the business alarms.

REPEAT OFFENDER VIOLATIONS
June 2014

If you have received a citation and have questions, all rules can be found on the Lake Kiowa Website; additionally, you may call Gary Davidson at (940) 665-3221 or Randy Schmalz at (940) 665-1055. All written notifications will be mailed directly to you as soon as possible. Parents or guardians of minors will be notified immediately if their child has received a citation.

In accordance with Rule 4.2.7.c, the LKPOA is required to post the names and lot numbers of repeat rule offenders. Rule 4.2.7.c states: “Two or more infractions of the same rule, two or more infractions in the same category, or more than one Serious or Major infraction in any combination and regardless of the rule or category within (1) year are considered a repeat offense. In all cases the names of repeat offenders will be printed in the Association newspaper.” By rule, the following property owners are classified as repeat offenders:

GOLF COURSE UPDATE

Spring is here! I think. After a week of nice spring weather, it was 48 degrees when I got to work this morning. I feel like I say this in every monthly report, but I think we have finally turned the corner with the weather. Hopefully, this is the last cool front that moves through.

Obviously, the greens are a concern. Like a lot of golf courses in the area with Bermudagrass greens, we have experienced some winter damage. A very cold winter and a late spring have taken their toll. Several greens, holes 8, 9, 10, 11, and 12, seem to have been affected the most significantly. I have consulted with several former superintendents whom I respect very much, and they have all told me the same thing. There is plenty of grass there, and we need to promote growth by applying additional fertilizer. So, beginning on April 28, we have made two fertilizer applications weekly. In addition to our weekly program that contains a mixture of macro- and micro-nutrients based on soil analysis, we have added a second application of straight nitrogen that is readily available for the grassplant to absorb through the leafblade and use. We are doing all that we can, but we still need help from Mother Nature. The magic number for Bermudagrass is 150. When the sum of nighttime temperatures and nighttime highs reach 150, Bermudagrass thrives.

Over the last two weeks, we have had several days that have reached the magic number of 150 and, as a result, I have noticed tremendous improvement over that time period.

Beginning on Monday, May 19, we will start to sod some of the larger areas. I made this decision primarily because I want the greens in the best condition as soon as possible, and like you, I hate looking at the greens in this condition. sod will be taken off of our nursery green. It is for instances like this that we maintain a nursery green.

Some might wonder if we could have prevented the damage by using the covers more during the winter. I cannot say definitively that using the covers more would have made a big difference. The covers are a tool to help protect the greens during extremely cold temperatures, not a guarantee to prevent any damage. It should be noted that our best green is our nursery green and it was not covered during the winter. The nursery green is maintained exactly the same as the greens on the golf course with one exception. It is not exposed to foot traffic from golfers. Thank you for your patience!

On a lighter note, we have switched out the pansies with summer annuals and added a few new planting beds. Hopefully, these new additions will add a little more color. New mulch will be added to all planting beds as well.

We will continue to rock some of the worn areas adjacent to cart paths and some other little projects.

Please continue to fill your divots on fairways and tees and repair pitch marks on the greens.

See you around the course.

Bryan Brown
Golf Course Superintendent

PUBLIC WORKS MANAGER REPORT

PUBLIC WORKS

Public works has recorded almost 3.5 inches of rain this month. Although it is helping the grass grow, there has been little runoff to put water in the lake. Mowing of some empty lots is running behind, but mowing continues each day. The flowers added by the Golf Department at the information sign on the corner of Kiowa Drive South have improved the looks there and we thank golf for helping get that done.

PARKS AND LAKE

As before, the lake elevation is staying around 698.1. There just hasn’t been any runoff with what rains that have been received. Cattail removal is an ongoing project and will continue. The tables in the parks are being redone with trex composite lumber. Some were done earlier and the department is trying to get all tables to match with a more user- and maintenance-friendly material. With the dry weather, more dead trees and broken branches are also being removed from the park areas.

ROADS AND BRIDGE

The painting and refurbishing of the driving bridge on Kiowa Drive South has been completed. The water company continues to have problems with broken water lines in the streets. This brings more patching to the streets.

Don Hoover
LODGE MANAGER REPORT

The end of April and the first half of May have been busy at the Lodge and it appears that June is going to be even busier. The summer events are being booked and most, if not all, of the weekend dates during the summer months are booked.

With the warm days and the feeling of spring in the air, the golfers, fishers, graduates, and families are using the Pavilion and the patio at the Lodge. Please watch for our special events we are planning for the residents during the summer months and our big event we are looking forward to is the 4th of July.

As mentioned, we have increased our staff in the kitchen and dining room as well.

Thank you.

Pat Greenlee

June 15
LAKE KIOWA PROPERTY OWNERS ASSOCIATION
BOARD MEETING
Monday April 7, 2014
Southwest Room - 6 p.m.

President Kelley Stewart called the meeting to order at 6 p.m. All members present.

Leslies Tomich made the motion to approve the minutes from March 17, 2014 and was seconded by Craig Lamkin. All were in favor. Motion carried. Jay Titus abstained.

President Kelley Stewart presented the proposed committees and their chairman. She said that the Election Committee Chairman has requested that three alternate members be allowed to the list of committee members. After all had looked over the list, Brent Reed made the motion to approve the committees and their chairman. He was seconded by Bill Turner. All were in favor. Motion carried.

Mike Bitsche, Lake Kiowa Anglers Club, made a presentation about fish cages they would like to place at various locations in the lake. The cages are eight feet wide and four feet tall. There will be four cages; one will have no Tilapia and three to have different number of Tilapia. The intent will be to monitor the amount of Chara the fish will consume. The one with no fish will determine how fast the Chara will grow. This study will determine if Tilapia eat the Chara and how much they consume. It is not sure if this study will deliver the information needed since it will be in a control environment with nothing to eat but the Chara. The Anglers Club will be financing the study on their own. A motion was made by Jay Titus to allow the Anglers Club to set the cages in the lake for a period of three months. The club will need to inform the POA where they set the cages. Craig Lamkin seconded the motion. All were in favor. Motion carried.

Kelley Stewart asked the board if they would be receptive to changing the April 21 meeting to April 22 due to the fact there will not be the sufficient number of board members to establish a quorum. It was decided to cancel the April 21 meeting and not reschedule the meeting. The next meeting will be May 5, 2014.

Also discussed was if the Board would like to try meeting only one time a month. All agreed to try this beginning on Monday June 16, 2014.

Manager's Report:

a. Randy Schmaltz informed the board about the tire changer located in the maintenance shop needs to be replaced. He had received prices from three different places and the one he chose was from Northern Tools for a cost of $2800. This is an ARRF purchase.

b. Fourth of July fireworks last year were provided by Flambeaux Fireworks. Randy expressed his desire to have them come back this year since they worked so good with being safe and working close with the Fire Chief and Security. They will provide music with the show, which will last about 17 minutes. The cost is around $7,000. D Noble made the motion to allow them to come and was seconded by Leslie Tomich. All were in favor. Motion carried.

c. Rides for the Fourth of July last year were provided by Yesteryear Farms. This year Randy said he would like to increase the amount of rides to four attractions. The cost would be $3,300 with ticket sales to cover about half of the cost or $1,600. Yesteryear has their own liability insurance. Craig Lamkin made the motion to accept the proposal and was seconded by Brent Reed. All were in favor. Motion carried.

Additional Business - There was none.

Questions from Audience - There were none.

Executive Session - Leslie Tomich made the motion to enter into Executive Session at 7 p.m. and was seconded by Bill Turner. All were in favor. Motion carried.

Craig Lamkin made the motion to adjourn from the Executive Session at 7:07 p.m. and was seconded by Leslie Tomich. All were in favor. Motion carried.

Legal issues were discussed.

Brent Reed made the motion to adjourn at 7:08 p.m. and was seconded by Jay Titus. All were in favor. Motion carried.

Submitted by,

Gary O’Dell, Secretary

LAKE KIOWA PROPERTY OWNERS ASSOCIATION
BOARD MEETING
Monday May 5, 2014
Southwest Room - 6 p.m.

I. Call to Order - President Kelley Stewart called the meeting to order at 6 p.m.

II. Establish a Quorum - Leslie Tomich was absent and 8 members present.

III. Approve Minutes - D Noble made the motion to approve the minutes from April 7, 2014 and was seconded by Justin McMurry. All were in favor. Motion carried.

Brent Reed made the motion to approve the minutes for the Budget Workshop April 29, 2014 and was seconded by Craig Lamkin. All were in favor. Motion carried.

IV. Facilities Committee - Brent Reed spoke about the Facilities Committee and their mission statement. They are to study the buildings and structures, not currently covered in any asset replacement program. The committee consists of the following: Gary Cotten, Pat Jessie, Brent Reed, and Gerald Smith. The Board concurred with the Facilities Committee’s Mission Statement.

V. Lake Kiowa Anglers & Conservation Club - Mike Bitsche gave a report on the fish cages that will be placed at four different locations in the lake. He has talked to each property owner who has property near the location and they did not have any problems with the placement. The cages will be in the lake for a period of three months and will be marked for safety. Bill Turner made the motion to allow the placement and was seconded by Craig Lamkin. All were in favor. Motion carried.

VI. Golf Committee - Gary O’Dell presented a recommendation from the Golf Committee to allow the Gainesville Boys & Girls Club to have a tournament on Monday, October 13, 2014 at 12 noon. Brent Reed made the motion to allow the tournament and was seconded by Craig Lamkin. All were in favor. Motion carried.

Gary O’Dell gave a report on the golf course condition. He told about speaking with Golf Course Supt. Bryan Brown. He told about the harsh winter and late spring has delayed the growth of the fairway and the greens. It is going to take some warm weather to get the grass growing. They are using extra fertilizer to help stimulate the growth.

VII. Architectural Control Committee - Gary O’Dell presented an addition to the Architectural Control Handbook concerning picket fences. The new rule will limit the height of picket fences on waterfront and golf course lots not to exceed three feet. Brent Reed made the motion to approve the rule change and was seconded by Craig Lamkin. All were in favor. Motion carried.

VIII. Managers’ Report - Randy Schmaltz

i. Security vehicle 2012 Toyota will be traded in for a new Toyota 4-wheel drive vehicle. The price after trade in will be $10,876.46. This will be an ARRF purchase.

ii. Golf Sand Pro - A new Toro SandPro 5040 will replace the old machine. The price will be $18,523.56 less trade in of about $1500. ARRF purchase.

iii. Toro Automated Station - this is a weather station that will help monitor watering the golf course. By using the weather station it will help to reduce the amount of water applied to the course and that will result in savings. The cost to the station will be $14,527, with $8,000 allocated in ARRF. A motion by Jay Titus to make up the difference of $6,527, savings from previous ARRF purchases, and was seconded by D Noble. All were in favor. Motion earned.

b. Interview status for vacant positions. Randy Schmaltz told us about the interviews he has had for a new Lodge and office manager. The interviews are going well with some...

Lake Kiowa Property Owners Association offices.
The policy and purpose of this publication is to inform all residents of events and activities within our community, to report on actions and decisions made by our Lake Kiowa Property Owners Association Board of Directors, and to publish the results of those decisions. Information is important for everyone to know that problems are being worked on and remedies are being sought.

The following items will be accepted for publication: Events and information about Kiowa organizations that are open to all residents; events in our surrounding communities when Kiowa residents may be involved in them; and Items of a personal nature that reflect on the generous character of our residents or a milestone in their lives.

A Letter to the Editor should be less than 350 words in length and will be accepted if it presents a thoughtful and constructive view to an issue that may be controversial within our community. It may be reviewed and verified for factual accuracy by the appropriate authority. The factual clarification will be published along with the letter. The letter should be typed or in legible handwriting, signed by a verifiable resident, and will be published unedited with misspellings indicated when necessary. If handwriting cannot be easily read, it cannot be used. The CommuniQue will not be responsible for misreading a handwritten word. A letter may be refused publication if space is limited. If several letters are received expressing the same view, one may be chosen for publication. Letters containing personal attacks, self-promotion, or advertising will not be published. Letters to the Editor do not necessarily reflect the view of this newspaper or its advertisers.

The LKPOA Board open hearing on the FY 14/15 Proposed Budget (summary shown at left) is scheduled for Saturday, June 21 from 10 a.m. to 1 p.m. in the Lodge Assembly Room.
LAKE KIOWA SPECIAL UTILITY DISTRICT

LKSUD BOARD OF DIRECTORS ELECTION RESULTS

The results of the May 10, 2014 election for two directors for the LKSUD are as follows:
- William (Bill) Richey 54
- Robert (Keith) Massey 12
- William (Bill) White 43

The election results will be canvassed at the May 14 monthly meeting.

If everything remains as is, Bill Richey and Bill White will retain their directorships. (Ronny P. Young, General Manager, LKSUD)

LAKE KIOWA SPECIAL UTILITY DISTRICT
MINUTES OF
REGULAR MEETING
OF BOARD OF DIRECTORS
DATE: Wed., April 9, 2014
TIME: 9 a.m.
PLACE: 133 Kiowa Dr. S.
Lake Kiowa, Texas 76240

1. Call to Order and Declaration of Quorum: Meeting was called to order at 9:03 a.m. All Directors were present except Director White who was ill. Bob Hughes was a guest. General Manager Young was present as was Attorney Wilson.

2. Review and approval of minutes: March 5, 2013 Special Called Board meeting: Vice President Thies made a motion to accept the minutes as presented. Director Bergbower seconded the motion and all approved.

3. Public Comment. (Speakers limited to 5 minutes each): Bob Hughes of 1315 Kiowa Dr. E. spoke to the Board about what the Indian Creek Volunteer Fire Department needs from LKSUD to try to work with the (ISO) Insurances Services Organization to try to reduce the insurance rating for Lake Kiowa.

4. New Business:
   (a) Consideration and possible action on notification to fire departments about the use of LKSUD hydrants only for filling purposes: General Manager Young was directed to work with our attorney to create an agreement to try to become a Silver Sponsor at the ICVF.
   (b) Consideration and possible action concerning approval of a one year extension for the contract for financial services: Director Thies made a motion to approve an extension with Prosperity Bank for financial services for a period not to exceed two years. This was the term that was in the original RFP for financial services. The motion was seconded by Director Richey and all were in favor.

5. Committee reports:
   (a) Human Resources (HR) Committee: None
   (b) Budget and Rates Committee: None
   (c) Long-Range Planning and Conservation Committee: None
   (d) General Manager’s report re: review of financial documents; water system maintenance and status; status of various projects; and recommendations for improving the water system and customer relations; and recent activities of the North Texas Groundwater Conservation District: General Manager Young presented the March financial statements and discussed the mainline valve replacements that are currently being completed. We had only a few breaks this month and we will be manually reading the water meters this month to look for any discrepancies. He also stated that the NTGCGD meeting was held on Tuesday morning and adjustments are being made on the Temporary Rules and that revisions were made in the current year budget.
   (e) Review and accept monthly financial report(s) and approve payment of bills: Director Bergbower made a motion to accept the financial reports and approve the payment of the bills. The motion was seconded by Director Richey and all approved.

6. Future agenda items: Fire Flow agreement, RFP for rate analysis.

7. Adjourn: Vice President Thies made a motion to adjourn and Director Bergbower seconded the motion and all were in favor.

By, 
Ronny P. Young 
Recording Secretary

NEW SIGNAGE

New signage was recently installed on the fire department building at 550 Kiowa Dr. W.

INDIAN CREEK VOLUNTEER FIRE DEPARTMENT

INDIAN CREEK VOLUNTEER FIRE DEPARTMENT
BOARD OF DIRECTORS’ MEETING
APRIL 10, 2014

CALL TO ORDER: President Tomlin called meeting to order at 7 p.m. All board members were present. A quorum was established. Also in attendance were Chief Bob Pistor, Lou Vander Molen and Monroe Salsman.

APPROVE MINUTES: Pres. Tomlin made a motion to approve minutes from March 13, 2014 meeting. VP Hughes seconded. Motion carried.

VP Hughes made a motion from this day forward the minutes of any regularly scheduled board meeting not be approved until the following board meeting. Seconded by Asst. Treasurer Woodruff. Motion carried.

TREASURER’S REPORT: Treasurer Salsman submitted the following for the month of March: Beginning balance was $106,398.90. Income was $6,680.00. Expenses were ($6,043.70). Capital expense allocation for new tanker is ($38,000.00). Capital expense allocation for PPE (new bunker gear) is ($20,000.00). Restricted net assets by donor ($1,000.00). The ending balance for March 31, 2014 is $48,035.20. Motion made by VP Hughes to accept treasurer’s report as submitted. Seconded by Pres. Tomlin. Motion carried.

On January 1, 2014 the IRS increased its mileage reimbursement rate to $0.56. Cooke Co. Commissioner’s Court voted to increase their reimbursement rate to $0.56 also. Asst. Treasurer Woodruff made a motion that the ICVF should pay the same amount for any mileage occurred during fire department related business. Seconded by VP Hughes. Motion carried.

Donation was made in memory of Asst. Chief Buchanan’s grandfather. Treasurer Salsman recommended we buy Microsoft Pro software for $36.00 and a QuickBooks license for $45.00. VP Hughes made a motion to make the purchase. Seconded by Secretary Moore. Motion carried.

FIRE CHIEF’S REPORT: The March Incident Report reflected 25 calls compared to 29 in March of 2013. There were two building fires, one vehicle fire, two grass fires, five EMS rescue incidents, eight assist EMS crew, two assist invalids, four cancelled en route, and one false alarm.

Chief Pistor reported on several items: Vehicle inventory has been completed; a decision to send a letter to ISO will be made at the end of 2014; we are preparing to list the existing tanker for sale; construction on new tanker is behind schedule and an inspection is scheduled for early May; new radios, pagers, and David Clark intercom system should arrive in two weeks; new bunker gear is expected by the end of April.

OTHER BUSINESS:

Contractors are working on bids for repair cost to the 27-year-old fire station.

Thank you cards have been purchased.

Motion made by Secretary Moore to become a Silver Sponsor at the 2014 Kiowa Kapers. Seconded by VP Hughes. Motion carried.

Decision was made to add VP Hughes and Fire Chief Pistor to the First State Bank signature card.

Pres. Tomlin made a motion to adjourn meeting at 9:22 pm. Seconded by Asst. Treasurer Woodruff. Meeting adjourned.

Sam Moore, Secretary
