July 4th Celebration Golf Cart Parade Winners and Judges

Winners were as follows (L-R): BEST ALL AROUND - Pat and Laura Heinsen; MOST CREATIVE - Named "Great American Train Game" (consisted of three golf carts) Mike Demarest family, Randy Jensen family, and Larry Zieman family; MOST BEAUTIFUL - Jon Daniels family; and MOST PATRIOTIC - Melynnie Nehib. Parade judges in front row (L-R): Billy Woods, Jim Poker, Billy Aday, and Sally Poker.

School Starts Aug. 25
Watch out for children on roadways and around bus stops.

FY 14/15 BUDGET VOTE PROCEDURES
The schedule for the vote on the proposed FY 14/15 budget is as follows:
July 11 – mailed out ballots;
Aug. 15 – cut-off date for valid ballots;
Aug. 21 – counting of ballots received;
Aug. 25 – special meeting to announce results.
NEW ADVERTISER
3T’s (TJ’s Terrific Touch)

My name is Tameka Ayoka Bisa Jones Kaeufer. However, most people call me T.J. My husband, Richard, and I moved to Lake Kiowa about a month ago and we absolutely love it here! Richard works in the IT computer field and I am a LMT, Licensed Massage Therapist. I own a massage therapy business, 3T’s (TJ’s Terrific Touch), located in Frisco TX and am now happy to announce my second location opening right here at Lake Kiowa!

Richard and I have been married for almost three years now and have been looking on and off for our perfect home for about two years. The Lake Kiowa community has made us feel right at home, from our wonderful neighbors welcoming us with open arms to our contractors who got our house move-in ready. They didn’t mind staying a minute to chat and update us on a few of the community events.

And last but not least, the fabulous 4th of July celebration that showed us that Lake Kiowa really knows how to have good, clean, family friendly FUN! We are very happy with our new home and look forward to all of the great memories.

I also can’t wait to meet many more of you guys and gals here when you come by for your massage! 3T’s is located inside Salon Taje’, so Tammy and I, along with the other salon girls, will be waiting for you!

Ask for T.J. at 3T’s (TJ’s Terrific Touch), www.tj4ttts.com, (940) 665-1648, email: tj4ttts@yahoo.com, operating by appointment only. Wednesday through Sunday from 9 a.m. to 9 p.m.

See 3T’s advertisement on page 3 of this issue.

Enjoying the beach on July 4.
Hello Kiowans,

I hope everyone who attended this year’s 4th of July celebration had a great time. It’s wonderful that we have the opportunity to share all of the food and entertainment during the day with our friends and family. However, we should always show our gratitude to those who fought in our name to secure the privilege to celebrate our independence. And to those who live here at Lake Kiowa, we express a very special Thank You.

The mussel study is completed and the report can be found on the Lake Kiowa Website. The report was a requirement of the Texas Parks & Wildlife Department (TPWD) as a precursor to any silt removal operation. Two positive results were noted in the report. The first is that there are no endangered species of mussels in our lake. Secondly, and arguably more importantly, our efforts to prevent the introduction of zebra mussels into the lake have been successful. Two years after strict quarantine measures were introduced, no evidence of this invasive species was found in the lake. Atkins Engineering has submitted the study to the TPWD for review and comment, and is moving forward with Phase II of the sediment study.

It’s that time of year again when residents and their guests are here to enjoy the lake and the freedom of living in a safe gated community. However, there is a minority here at the lake that believes that destroying LKPOA property is cool, fun, or a joke. As parents of this minority, remember that if your child or teenager is caught damaging LKPOA property, you will be held responsible. Rule 4.3.1.a Damage to Property states in part, “No member, lessee or guest shall intentionally, knowingly, recklessly, or with or through criminal negligence cause damage to or destroy Association or members property.” The penalty for the first offense is $200 plus restitution, and a 30-day suspension of privileges. The second offense is $400 plus restitution, and a 90-day suspension. PLEASE INFORMATION YOUR KIDS AND YOUNG ADULTS THAT THIS IS NOT A JOKE!

It is with great sadness that we had to say good-bye to two great Lake Kiowa employees in July. After 14 years of service, LKPOA Office Manager Sherry Brummett decided to retire. Sherry’s husband, Mike Rickwa, who has held several positions with Lake Kiowa for the past 24 years (most recently as the code compliance officer), also has decided to retire. Both have worked tirelessly in their jobs in the service of the residents of Lake Kiowa, and for me.

While Sherry’s title does not begin to describe what she did for the community, just ask one of the past LKPOA treasurers to get just a small glimpse of what she meant to them. The same can be said for Mike. Ask one of the many members who have been on the Architectural Control Committee. As the code compliance officer, Mike had what is arguably one of the most difficult jobs in the property management industry. Their dedication to the community, and to me personally, truly will be missed. I wish them only happiness and excellent health in their retirement.

Randy
Kiowa Kares

There are no words to express our gratitude for the outpouring of love and concern since the loss of our daughter. The beautiful cards, visits, food, and especially the hugs, have meant more than words can say. We are so blessed to live in this beautiful community with so many loving and caring friends.

Jim and Pat Williams

"Dear Friends (in her own words),

I would like to thank all of my family and friends. And thanks to many others that may have brought food, cheered me up with visits, sent cards, flowers, and gifts. Especially for all the prayers. There is no way I could mention you all. You are all angels and I believe that God heard all of your prayers. Thank you all so much. You all have made this battle much easier.

"Love,

Donna Schneider"

Thanks to all the wonderful people and friends that supported me and my family through this. We love you all.

From the family of John Schneider

LAKE KIOWA HISTORY 2003-2013 (BOOK IV)

The first edition of the fourth Lake Kiowa History Book 2003 - 2013 is available for sale at $10 a copy. Sponsored by the Kiowa Woman’s Club, this book commemorates the 40th anniversary of the KWC founding, and covers the improvements and accomplishments of the Lake Kiowa community over the past ten years. It maintains the same format and style as the previous three editions, but features sixty-four black and white and color photos.

The Kiowa Woman’s Club is offering the entire set of four books for a special price of $25. This set is a MUST HAVE for all Lake Kiowa property owners. Books can be purchased from Joan Carroll, (940) 665-3037, Peggy Padgham, (940) 665-3165, or me, (940) 665-5292. Copies are also available at the Lodge.

Miriam Beebe

The 4th of July was a huge success and I would like to thank the following people and groups that made it possible: Randy Schmaltz; Bill Turner; Don Hoover and crew; Friends of the Lodge; Computer Club; Tom Blackwell and his marshals; The Kiowa Woman’s Club; Indian Creek VFD; Lake Kiowa Kiwanis Club; Billy Woods and crew; and the Lodge staff. Your participation brought happiness and joy to many faces.

D. Noble, Celebration Committee Chairman

Congrats to Brown McCrory, Guy Payne, John Stewart, and Glenn Waldon, members of the Lake Kiowa team, for taking third place during the May 30 Chaplains, Jockeys, and Horsemen Benefit Scramble.

Thanks for your support. God Bless!

Chaplain Sam

The Hamilton Family

940-665-3300
Sharon Catlett opened the meeting with an update from our members on health problems, wonderful family gatherings, pending weddings, and grandchildren. We had fourteen ladies present, as well as four members of the Beard family, who were visiting.

Sharon presented an update on the Gainesville Quilt Guild’s special projects and challenges. Several members were interested in the Guild’s quilt retreat, planned for October. Information on the retreat will be presented to members at the August meeting.

After an open discussion on quilt needs, we turned our attention to the recent 4th of July celebration and the annual cakewalk. So, we have a question: who made the amazing oatmeal cake and the cinnamon rolls? We would love your recipes if you will share. Please call me at (940) 665-1311 or (406) 599-6390. Thanks!

During the “Show and Tell” portion of our meeting, we were thrilled when Emma Beard, age 11, shared the first four blocks of her first quilt with all of us. She did a wonderful job, and we look forward to seeing her finished project. After the completion of “Show and Tell,” the meeting adjourned.

The next meeting is scheduled for Aug. 4 and the next sew day will be Aug. 22.

Sharon Catlett

Emma Beard, age 11, brought the first four blocks she has ever made.

Becky Branham found an antique flour sack.

RED RIVER BANCORP, INC. TO ACQUIRE CHISHOLM BANCSHARES, INC.

Gainesville, Texas

On July 2, Chisholm Bancshares, Inc. signed a definitive agreement which provides for the acquisition of Chisholm Bancshares and its subsidiary, North Texas Bank, Decatur, Texas by Red River Bancorp, Inc. Red River Bancorp is the parent company of First State Bank, Gainesville, Texas.

North Texas Bank was formed in 2004 and currently has approximately $150 million in total assets. It operates from its home office in Decatur and a branch in Roanoke. Like First State Bank, North Texas Bank is extremely involved in the communities it serves, and focuses on providing the best possible service to their clients.

First State Bank CEO, Frank Morris, stated, “We are excited to add the North Texas Bank branches, staff, and clients to the First State Bank family, and to continue First State’s growth in serving North Texas communities. Decatur and Roanoke are great markets for a community bank like First State, and we are thrilled to have the opportunity to serve them.”

“The merger of North Texas Bank into First State Bank is a terrific opportunity for our customers, employees and our communities”, said J. Andrew Rottner, President and Chief Executive Officer of North Texas Bank. Mr. Rottner continued, “Merging with a larger independent community bank like First State will afford our customers a greatly expanded product and service set, which will continue to be delivered by the same friendly, responsive and familiar faces our customers have come to know the past 10 years.”

After the consolidation is complete, First State Bank will have offices in four contiguous counties of Cooke, Denton, Montague, and Wise. Post-acquisition totals will yield assets approaching $900 million, a loan portfolio of $400 million, deposits of $800 million, twelve locations and approximately 200 total employees.

As part of the transaction, First State Bank will welcome North Texas Bank Chairman of the Board, Don Robinson and Rottner to its Board of Directors to represent the new Wise County market.

First State Bank, chartered in 1905, is the oldest state bank in Texas, and offers a full portfolio of financial products and services including mobile banking applications, consumer and commercial loans, and long-term fixed-rate mortgages.
The North Central Texas Chorale is looking to add more singers for the 2014 fall season. The Chorale is a community-based chorus that has been in existence for over 38 years and has presented quality music in Texas, New York, and abroad.

This fall we welcome Mr. Clint Kelley as our Director. He has been the Junior High and High School Choir Director at Sacred Heart School for seven years. He received his Bachelor of Music from the University of Texas at Tyler. From 2006 to 2007 he worked with the University of Nevada Reno Community Chorus prior to coming to Texas. Mr. Kelley is a creative concert planner who excels at motivating and inspiring singers.

Our accompanist will be Carolyn Hook. Mrs. Hook was born in Woodward OK. She holds bachelor and master degrees in piano performance from Oklahoma City University. Her music career includes solo appearances with orchestras, accompanist positions with civic choirs, faculty accompanist at colleges, concert performer, and adjunct and private piano teacher. She has also had many positions as church organist.

The Chorale had a fun spring season featuring Eclectic Jazz, Pops, Gospel and Spiritual music. For the fall season our feature music will be Mozart’s The Solemn Vespers (also called “The Evening Prayers”). The Solemn Vespers was Mozart’s final composition for the Salzburg Cathedral in 1780. These pieces highlight Mozart’s compositional genius and mastery of music when working under some strict guidelines set up by his benefactor Hieronymous Colleredo, the Prince Archbishop of Salzburg. The Solemn Vespers consists of six unique and contrasting movements: Dixit, Confitebur, Beatus vir, Laudate Pueri, Laudate Dominum, and lastly Magnificat. This feature music will be paired with Ave Maria and Sing Me to Heaven.

Although a majority of Chorale members are from Gainesville, many other cities including Denton, Decatur, Lindsay, Pilot Point, Muenster, Sanger, St. Jo, and Whitesboro have been represented. There is no audition required to sing with the Chorale. We do ask that singers have experience singing in choirs. The ability to read music and sing on pitch is also very important.

Rehearsals are on Tuesdays from 7 until 8:30 p.m. in the Choir Room at the First State Bank Center for the Performing Arts. This building is on the NCTC campus in Gainesville. Rehearsals will begin on Aug. 26.

We look forward to adding more singers. If you have any questions, please contact me at (940) 387-1886.

Respectfully submitted,
Phil Schenk, President
Dr. Brent Wallace (above) was officially hired as the next President of North Central Texas College by a unanimous vote of the college’s regents. Dr. Wallace will take over for retiring President Dr. Eddie Hadlock effective Aug. 1. The contract is for three years at a salary of $163,000.

Regents also approved a voluntary retirement agreement for Dr. Hadlock, who has been the NCTC President for the last 10 years and has worked at the college for 40 years. His retirement will be effective on Aug. 31.

Dr. Wallace is currently the Vice-President of Instruction and Chief Academic Officer at NCTC. He will become the 11th President of NCTC, which was established in 1924.

In other action, regents voted to terminate the contract with PBK Architects for architectural services related to the Health Sciences Center, Career Technology Center addition, parking lot, and miscellaneous renovations at the college’s Gainesville campus. According to the motion, NCTC will terminate the contract “for owner’s convenience and without cause based on a statement by PBK representative Mr. Baggio that there will be no termination expenses and that the college will continue to have use of its non-exclusive licenses to use the architect’s instruments of service including all AutoCad drawings, specifications, project manuals, and meeting minutes for the project.” The motion passed 5-0.

Regent Dave Flusche, who chaired the meeting in the absence of Board President Bill Ledbetter who was unable to attend, appointed fellow regents Patsy Wilson, Karla Metzler, and Richard Haayen to help establish institutional priorities in advance of a meeting with the Denton County Foundation and Legislative Committee.

Board members Bill Ledbetter and Matt Chalmers were unable to attend.

NCTC regent Dave Flusche (right) presented retiring NCTC President Dr. Eddie Hadlock a plaque of appreciation at the conclusion of the July 17 board meeting. That meeting was the final one for Dr. Hadlock, who is retiring after 40 years of service to the college.
WHO DOESN’T LOVE A NEW BICYCLE?

Continuing with the annual Perfect Attendance Project at the Callisburg Elementary School, the Kiwanis Club of Lake Kiowa has again presented a student from each grade with a new bicycle. To qualify for a chance to win the coveted prizes, all students with perfect attendance for any six-week period were allowed to place their names in contention for the end-of-the-school-year drawing. Many dedicated students were able to enter their names six times during the school year. Some of the winners were Scout Morrow, Lundyn Blythe, Riley Dugger, Sabrina Kight, and Austin Smith.

This is the first year that separate presentations to the winners have been made in their auditorium with all students present. In recent correspondence from Principal Derrick Conley, he stated “...our kids were all smiles at the ceremony. This motivation is a great way to encourage attendance. In fact, several students and parents referenced it in questions to me throughout the year. Thank you so much for all that you do for our students. Your organization is greatly appreciated.”

The appreciation mentioned above belongs to all of you, not just members of the Kiwanis Club of Lake Kiowa. Without your continuing support of our organization, our support of our local school and community would not be possible. Again, we send our sincere thank you to the wonderful and generous residents of Lake Kiowa.

Your purchase of drinks from us at last month’s 4th of July celebration allowed us to surpass sales of all previous years. Please be assured that all profits are now in our “Needy Kids Fund” to be used for Thanksgiving dinners for needy families with children from Callisburg School and our community. Additional funds hopefully will be acquired during our annual September BBQ/Picnic. Look for more news on that project in the September CommuniQué. Additional funds from the BBQ will be used to purchase “wish list” gifts for needy kids identified by school personnel and also to provide Christmas dinners for their families.

It was our intention to give away four 3x5 American flags (made in America) at the July 4 celebration. Sadly, although many, many tickets were given away, the winners did not all check to see if they had won. Should you still have your free tickets, the winning unclaimed numbers are: 355285, 355327, and 355379. Please call me at (760) 533-3355 should you possess one of these numbers and your flag will be delivered to you.

Please join us for a dinner meeting the first and third Thursdays each month at the Lodge at 6:30 p.m. If you would like further information about the Kiwanis organization, contact: Rick Ramsey, (903) 952-7273; Richard Mitcham, (972) 821-1923; or Jim Poker, (940) 889-2369. Have a safe summer and enjoy our wonderful Lake Kiowa.

Marlene Kelley, Secretary

Winner Austin Smith.

Winner Sabrina Kight.

Winner Lundyn Blythe.

Kiwanis workers had a busy day at the July 4th celebration.
The Lake Kiowa Chapel would like to welcome everyone at Lake Kiowa to services on Sunday mornings. Services are held in the Assembly Room of the Lodge from 8 to 8:30 a.m. Rev. John Hare and Rev. J. Ray Smith are the pastors delivering their messages on alternate Sunday mornings.

The Chapel always remembers the servicemen that have a Kiowa connection with prayers and asks the congregation to also include them in their prayers. It was proposed that the Chapel support those that are serving overseas with a gift box during the holiday season. However, their military addresses are needed soon as the deadline for shipping them is well before the Holidays.

If you have a relative that is serving overseas and would like to submit their address to be included in this project, please submit their address to Molly Worthen, 103 Cocopa Dr. W., or by email at molly@ntin.net.

Active duty US Army SFC Ryan Brandon Neal gave a moving patriotic speech at the July 4th Opening Ceremony. Brandon is the son of Don and Judy Neal.

Rev. Smith’s message on Aug. 3 will be entitled “Financial Prosperity” with his text from Proverbs 3:9-10. This concludes the “Rewards of Wisdom” series.

Rev. Hare’s message on Aug. 10 is from Hosea 11:1-11 and is entitled “A Compulsive Obsession.”

Rev. Smith will begin a new series entitled “The Don’t’s and Do’s of Brotherly Love” with texts from Romans 14. His message on Aug. 17 will be “Don’t Be a Stumbling Block; Do Be Loving” with text from Romans 14:13, 15.

“Larry the Lobster’s Legacy” is the title of Rev. Hare’s message on Aug. 24. Text is Jeremiah 1:4-10.

Aug. 31 is the fifth Sunday and Rev. Hare will administer the Lord’s Supper. His message is entitled “Red Bull Rush” with text from Luke 17:5-10.

VISTO is the recipient of food contributed to the box in the entry to the Lodge. All packaged groceries are appreciated, but VISTO will make very good use of monetary donations as well. Buddypack items for the many children who do not have a supportive home environment, i.e. weekends, are also greatly needed. You may sponsor a child for the school year for $130 and this child will receive a backpack of nourishment every weekend. A dollar spent by VISTO goes much further than your individual grocery dollars, so consider a check made out to VISTO and sent to P.O. Box 607, Gainesville, TX 76241-0607.

The Lake Kiowa Chapel meets every Sunday morning from 8 to 8:30 a.m. in the Lodge. This is an interdenominational service that may precede your regular church service or a round of golf. Casual dress is always welcome. Please come and share this time with your friends and neighbors on Sunday morning at 8 a.m.

Compassionate Care 24 Hours A Day

ICVFD Auxiliary Vice President Maureen Anselmi presented a check for $3,000 to ICVFD President Ed Tomlin at the fire department meeting on July 17.

The hot weather on July 4th did not stop the Indian Creek Auxiliary volunteers from holding the monthly Shabby Chic and T-shirt sale. Sales were brisk, totaling approximately $3,360 that day. Without the volunteers who worked that day and during the sales each month, we could not accomplish this. Also, thanks to our firefighters for their service with the lifting and hauling of furniture and appliances. In addition, thanks to all the customers that came out to help us reach that dollar amount.

All the money raised goes to help the Indian Creek Volunteer Fire Department purchase equipment necessary to better serve our community. Right now, the ICVFD is working on purchasing extrication equipment (Jaws of Life) with the help of funds raised by the Auxiliary. On July 17, Auxiliary Vice President Maureen Anselmi presented another check for $3,000 to the Fire Department towards purchase of this equipment. So far this year, the auxiliary has donated $17,000 to the Fire Department. It takes a lot of hard work and dedication on the part of our volunteers to help raise these funds.

To donate household items, call Jo at (940) 395-3405, or Melva at (940) 745-1455. In the July CommuniQué, the phone number was incorrect and we apologize for any inconvenience this might have caused.

The next Shabby Chic sale will be held Aug. 1, 2 from 8 a.m. until noon. Items you wish to donate may be delivered the morning of the sale, or call one of the numbers listed above to make delivery arrangements. Each month, we have wonderful merchandise for sale, so come out and shop. Remember: one person’s trash is another’s treasure.

The Indian Creek Auxiliary general meetings are held on the second Monday of the month in the Southwest Room of the Lodge and everyone is welcome to attend. Be sure and read the CommuniQué for all the news about meetings and Shabby Chic sales. See you at the next sale on Aug. 1, 2.

Maureen Anselmi

Lake Kiowa residents and guests had an opportunity to see the new tender up close during the 4th of July celebration.
The 4th of July was a great day with a parade, rides, food, and fireworks. Parties took place around the lake and fun was had by all. I hope a lot of you were able to see the new tender and ask any question on what it is capable of doing. If you do have questions, please ask any of us and we will be more than happy to answer all your questions.

This month I would like to thank our Board of Directors. The makeup of the board is President Ed Tomlin, Vice President Bob Hughes, Secretary Sam Moore, Treasurer Rosina Salsman, and Assistant Secretary Bonnie Woodruff. These men and women donate several hours of their time to your fire department each month. They listen to what the officers request and make decisions that are not only good for the fire department, but also for you, the citizens of the fire district. They are constantly trying to fund the equipment for the department that will help the officers and firefighters perform their duties more efficiently. Without this board, the officers and firefighters could not do their job. So when you see them, please thank them for all the work they do for you and the fire department.

We responded to 21 calls in June. Nine were inside Lake Kiowa and 12 were outside the gates. For the year we have responded to 133 calls (52 inside and 81 outside the gate).

Chief Bob Pistor

Congratulations to the Indian Creek VFD on receiving a $200,000 grant to help purchase the new tender.
FIVE FUN SIRI TRICKS YOU MIGHT NOT KNOW ABOUT

Can you believe Siri is only two years old? Apple’s virtual assistant was such a big game changer it seems like she’s been around forever.

Of course, in the last two years competitors like Google Now and Microsoft’s Cortana have emerged on the scene and they’re giving Siri a run for her virtual money.

Rumor has it that Apple is trying to stay ahead of the curve by hiring a number of speech technology specialists and researchers for its Siri team. So, signs are pointing to a new and improved Siri in the near future.

Still, Siri is already fantastic. She can read you your emails, help you calculate a tip and other useful tricks, but she’s got other fun tricks up her sleeve that can make you the life of the party.

1. PLAY MUSIC
   If you’re going to be the life of the party, you’ll need a little music. All you have to do is tell Siri the name of the iTunes Radio station, genre, song, artist or playlist you want to hear. You can say “play my party mix,” “play The Beatles” or “play Surfin’ USA.” You can also tell Siri to play, pause or skip selections.

2. TELL ME A JOKE ... OR TWO
   What’s a party without some laughs? Good thing Siri is a funny gal. She’s Rickrolled, told us what she thought about “Her” and even had a few humorous words for her competitors. The laughs don’t have to stop there. Simply ask Siri to tell you a few jokes and she will. You also might want to give her a riddle to solve, or ask her the meaning of life. Her responses are quite amusing.

3. FLIP A COIN, ROLL THE DICE
   Some of life’s biggest decisions can be made with the flip of a coin or a roll of the dice. Don’t have a coin? Don’t have dice? Don’t flip some obscure object like a credit card - let Siri roll the dice or flip the coin for you.
   Simply say “flip a coin” or “roll the dice” and Siri will tell you if it’s heads or tails, or what number is on each die.

4. WHAT AIRPLANES ARE ABOVE ME?
   Have you ever gone to pick up a friend or relative at the airport and wondered if that was their plane landing in front of you in the distance? Siri can tell you.
   Ask Siri “What airplanes are above me?” and she will give you a list of planes flying overhead and a map to help you identify them.

5. READ ME A BEDTIME STORY
   When the party’s over, Siri can help tuck you in at night. Just ask her to read you a story. It might take a little convincing - you might have to ask her a few times - but Siri will tell you a story about her life. But don’t expect much more after that - it’s apparently the only story she knows.

BONUS: USE SIRI TO SHAZAM

When the party’s over, Siri can help you identify them.

It’s a GREAT time to be a LEOPARD!

$2,939,000

Scholarship dollars earned by the Class of 2014

Collegiate Academy: A partnership with NCTC allowing students to begin dual credit coursework their freshman year with the goal of earning 53+ college hours by high school graduation.

Honors: Advanced-level classes available beginning freshman year in English, math, science and social studies for weighted credit.

AP: Rigorous high school classes taught at the college level in physics, chemistry and calculus.

Dual-Credit: Carson Markle, pictured, has 54 college credits going into his Senior year at Gainesville High School. 132 students earned 998 hours of college credit in 2013-2014.

Endorsements: In the state of Texas, House Bill 5 recently mandated public schools offer “endorsements,” or career pathways. GHS offers 27+ endorsements in the following areas...STEM Math, STEM Science, Agriculture, Architecture & Construction, Arts, A/V Tech & Communication, Hospitality & Tourism, Information Technology, Manufacturing, Transportation, Distribution, Logistics, Education & Training, Human Services, World Languages, Social Studies, and Fine Arts, Core Course Option & Dual Credit Option.

Fine Arts: Art, Marching, Concert & Jazz Band, Choir, and Theater Arts & Production.

Campus Clubs: National Honor Society, Student Council, Key Club, Health Careers Club, Reading Red Book Club, Fellowship of Christian Athletes, Future Farmers of America, Texas Association of Future Educators, School Health Advisory Council
So we move into the middle of the summer heat. The lake at the time I wrote this article was about 2.5 feet low. It was also forecast to rain over the next few days. We had to wait to see what happened? The water temperature was at 85 degrees and fishing has gotten tough. We possibly could lose two or more feet of water and, if we do, it will be the lowest I have ever seen this lake. Many of the docks will not have water under them.

The cages placed in the lake in late May have proven that the Tilapia do eat the Chara. I checked all cages July 14 and observed crystal-clean water with no Chara inside the cage. There is Chara growing around the outside of the cages so the fish can still eat.

As you all know, the vote for the dues increase is right around the corner. I want to thank all of the board members andLKPOA staff for working hard to give us what they feel are the cost requirements to help our community. These proposed increases are to help us keep things moving in a positive direction. The cost of everything continues to go up so it makes sense that our cost to live here should go up. Maybe the question is how much should it go up? There are a lot of folks against this increase and many that are for the increase. Please vote, whether for or against. It is your decision. Just remember, we have to live with our choices.

The studies for the endangered mussels proved that Lake Kiowa does not have any endangered species to date. It is a huge relief that we will not have to remove them from the lake before we continue treating our water.

Phase II of the silt study should begin soon during which time the bottom of the lake will be mapped to tell us where the silt is located. Phase III will show us what it will cost to make the lake a better impoundment overall. From my understanding, the lake studies are not a part of the increases to the funding requirements. These funds came from the Capital Assets Requisition Fund established to help with replacement of assets, the lake being one. It is imperative that all waterfront owners understand that the silt removal plan will not benefit anyone’s dock. Silt removal, if approved, may not occur within 50 feet of any dock. Most of the silt is believed to be in the deep water areas of the lake. If you are experiencing low water at your dock, it is mostly due to the low lake level. Not to be a defeatist, but this issue will most likely get worse before it gets better.

We want to announce that the LKACC Annual Fish Fry is scheduled this month. Saturday, Aug. 30 will be our day. Come join us for catfish and fixings at the Pavilion at 5 p.m. We hope to see all of you there!

During the June bass tournament, 16 individuals showed up to fish on a pre-summer day. Tournament results were looking better with several nice strings weighed. Jordan Grant, a firm contender for 2014, produced a respectable 17.41lbs. Jordan also caught Big Bass that weighed 8.28lbs for third place finish. Brandon Burks beat Jordan by only one-hundredth of a pound with 17.42lbs for a second place finish. Brad Shuflin cleaned house with a nice sack containing 20.99lbs to clinch first place. What a day! These are some good weights coming into the summer months. Please look for the results of the July tournament in the September CommuniQué.

Unfortunately the 4th of July boat rides were cancelled due to the low lake levels. It was too dangerous with the low, rough water conditions to attempt loading and unloading people from the boats. We look forward to the...
"YOUR LAKE NEEDS YOUR HELP!"

Lake Kiowa Anglers & Conservation Club is seeking donations for our Annual Fish Fry Fundraiser which takes place over Labor Day Weekend. The Board is planning some fun events and we need your help to make it a huge success! If you or your company can provide items for our Silent Auction/Raffle, please give me a call. Items can be new or perhaps you have an item that is no longer of use to you and wish to donate it. We are ‘thinking outside the box’ so any item that you think might be of value to a fellow Kiowan is greatly appreciated. Some ideas of what we are looking for include:

• Perhaps you work at a car dealership and your company can provide a weekend sports car rental.
• You own/work at a jewelry store and can donate a piece of jewelry.
• You work at a retail shop - perhaps you can find an item to donate.
• If you have a timeshare week that you are not using, perhaps you can donate the week.
• If you have lots of frequent flyer points, perhaps you can donate round trip tickets.
• You work at Winstar Casino and can get us concert tickets, free meals, hotel accommodations.

The LKACC Mission is to raise funds to provide financial support for lake maintenance. We need your help through our membership drive and additional donations. The annual membership for a FAMILY is just $35.

Thanking you in advance for any support you can give to the LKACC.

Joanne Broughton  Special Event Coordinator  Cell: (940) 372-3952

Lake Kiowa Fishing Limits

Chad Robinson, Fisheries Biologist and Lake Management Consultant, made the following fishing limit recommendations. These recommendations have been given careful consideration to keep a thriving ecological habitat for Lake Kiowa. The Angler and Conservation Club has fully endorsed the following fishing guidelines for Lake Kiowa:

**Hybrid Striper:** Catch and release.

**Black Bass:**
- Between 10-15 inches: 5 Per Day, Per Person.
- Keep Black Bass under 10 inches and over 15 inches.
- Release all other Black Bass under 10 inches.

**Crappie:** Keep over 10 inches; 50 Per Day, Per Person.
- Release all under 10 inches.

**White Bass:** Otherwise known as Sand Bass. No Limit. Remove all you can.

**Perch:** No Limit.

**Channel Catfish:** Keep fish over 14 inches; No Limit.
- Release all under 14 inches.

**Drum:** No Limit. Remove any caught from lake.

**Carp:** No Limit. Remove any caught from lake.

**TROT AND JUG LINES ARE NOT PERMITTED**

Dock owners are encouraged to provide cover for the fish under your docks. Make sure the trees are securely anchored not to interfere with boat traffic. Feed the fish! Dry dog food or pellets especially made for the fish are readily available at feed stores. For questions, feel free to contact Mike Bitsche for specifics.

2015 holiday to resume boat rides.

As a reminder, boating season is now in full swing. Please remember to keep 50 feet away from all docks while on plane. As the rules state, please stay 75 feet away from all watercraft. This rule was established because most ski ropes are 75 feet in length. If skiing/tubing, be sure you have a spotter watching the people you are towing. Watch on all sides for people in the water swimming or waiting to be picked up by their boat. Always have a personal floatation device for each member on your watercraft. It is the property owner’s responsibility to inform guests of our lake rules.

With your help and increased support we can overcome our challenges.

Don’t forget the Angler & Conservation Club is on Facebook. Search Facebook for “Lake Kiowa Angler & Conservation Club.” Through this medium, we are able to upload photos and event schedules, publish tournament results, and communicate with all. We hope to see your posts and suggestions there. If you would like to submit photographs of your fishing experiences and/or outings, send a note or photo to us at lkacc4u@yahoo.com. We can then upload your pictures to the Facebook page. Thanks for all of your continued support. We are looking forward to a fantastic second half of 2014.

Mike Bitsche

Message from the President

“We cannot accomplish all that we need to without working together.” Bill Richardson

Hope you all had a wonderful time at the 4th of July celebration. The cakewalk was a great success and we would like to thank all of you that participated in the event. Thanks to the workers and thanks to everyone that donated a baked good.

The Executive Board has been working hard this summer to put together our events for next year. The yearbook is almost finished and our membership is exceeding expectations. If you haven’t joined, please be sure to send in your application. Our yearbook will be available at our Sept. 11 meeting.

This year, I would like to highlight some of our wonderful committees and the great work they do. And, in keeping with our theme of “Lake Kiowa Connects Us,” I will share where our committee chairs originated.

Our Library committee is headed by Cynthia DeBorde who was born and raised in Gainesville. She graduated from Gainesville High and Cooke County College. She chairs a group of very dedicated ladies (Linda Seal, Penny Cotten, Myrna Smith, and Kay Creech) who keep our library running smoothly. If you haven’t been to our library, it is located in the Lake Kiowa SUD building. We have many hard cover books, paperbacks, and videos you can check out. Book donations are accepted; we just ask they not be over two years old, because we don’t have the space to accommodate them.

To keep up with the Kiowa Woman’s Club, please visit our website. We are starting to post pictures and events for the 2014-2015 year. We are looking forward to a very successful year. Please join us on Sept. 11 for our first meeting.

Enjoy your summer.

Norma Desilets

2014-15 Officers (L-R): Lori Brindle, Recording Secretary; Becky Knox, 2nd VP; Lezlie McElroy, Treasurer; Rita Langley, 1st VP; Sharon Clements, Parliamentarian; Norma Desilets, President; Margy Langley, Corresponding Secretary; and Judith Kulp, Historian.

2014-15 Department Chairs (L-R): Quita Barton, Webmaster; Lynn Keckonen, Arts & Crafts; Joann Broughton, Canasta; Katherine Thacker, Gourmet; Anita House, Book Review; Tricia Folsom, Bible Study; and Sally Poker, Garden & Nature.

Kiowa Woman’s Club News

On June 24, the new 2014-2015 Canasta Chairs, Joann Broughton and Marilyn Board, took over the responsibilities of the club. We wish to thank the previous chairpersons, Dany Ford and Fran Norman, for a fun 2013-2014 year.

The club meets on the second and fourth Tuesday of each month and we play from 1 until 4 p.m. in the Southwest Room of the Lodge. Lessons for new players are held on the second Tuesday, beginning at noon, with regular play starting at 1 p.m. You must be a member of the KWC to play so please be sure to pay your annual membership by September.

Please mark your calendars now for these important dates:
- Fall Potluck - Monday, Oct. 27
- Christmas Party with Bridge Club – Dec. 6
- Cinco de Mayo Potluck – Monday, May 4

We look forward to a fun and fabulous Canasta Club year!

Joann Broughton

Have you joined a Gourmet Group this year? This is an excellent way to get to know your fellow KWC members better.

We are in the process of forming groups for next year. The first meeting date is Sept. 16. If you would like to join, but have not done so, please call Katherine Thacker (940) 612-0685 or Jane Outlaw (940) 668-1895.

We will be hosting an organizational meeting with all the group leaders on Aug. 5 at 4 p.m. at the home of Jane Outlaw (205 Modoc Tr. W.). At this meeting, the leaders will receive the schedule of activities for the year and a roster of their group.

We are looking forward to having a fun time in Gourmet this year.

Katherine Thacker and Jane Outlaw

In the image, there is an advertisement for Swafford's Landscape, offering landscaping services such as landscape design, drainage, patios, irrigation systems, and backflow testing. The contact information includes a phone number and email address.

Additionally, there is an advertisement for Lake Kiowa Functional Chiropractic, offering services like digital X-ray, physiotherapy, and family chiropractic care. The clinic accepts Medicare and most major medical insurances. The contact information includes a phone number and clinic address.

The text also includes a mention of a Kiowa resident named MARK SWAFFORD, who has over 30 years of experience in landscaping.

There are images of a parade and people enjoying a picnic, suggesting a community event or gathering at Lake Kiowa.
Did you know Lake Kiowa IS affected by domestic violence? Six incidents have occurred within Lake Kiowa’s gates in the past three years. Lake Kiowa Women’s Golf Association (WGA) is asking for your help during the upcoming charity tournament. The Sustaining Hope Golf Tournament benefiting Abigail’s Arms will be held at Lake Kiowa on Oct. 1. We need Lake Kiowa residents to help “PUTT an End to Domestic Violence” by signing up to sponsor a hole; sponsorships start at $100 (Level 5). A hole sponsorship form is below or you can contact Lori Brindle at (512) 426-7938 to sign up. No contribution is too small for this important cause.

**HOLE SPONSORSHIPS**

Please mail to: Lake Kiowa Women’s Golf Association, P.O. Box 163, Lake Kiowa, TX 76240. (512) 426-7938. ALL DONATIONS ARE TAX DEDUCTIBLE

The threat of lightning on July 2 resulted in the cancellation of our monthly scramble. The scramble was rescheduled for July 9 and 44 ladies played. Plans are underway to have a second scramble during the months of July, August, and possibly in September.

Our General Meeting was held at 12 p.m. Our ending bank balance as of 6/30/14 was $10,040.51. Earmarked money totaled $2,571.83, leaving a true ending balance of $7,668.68. Membership approved moving $362.17 of earmarked funds designated for the Kapers putting contest to be used to purchase additional patio furniture. Funds earmarked for landscaping will be decided in the fall.

Our total membership is now at 229. Welcome Mary Gorton, our newest member. Congratulations to Cynthia DeBorde for receiving her “Broke 90” pin. Nine-hole players Shayron Gatrigth and Lucy Deck received pins for breaking “Under 60.”

The President’s Cup Tournament had great weather that provided a perfect atmosphere for two days of very enjoyable golf. We had 44 ladies participate. Golfers began the day on Wednesday with homemade breakfast goodies. Following play, participants enjoyed snacks and drinks on the patio. Thursday concluded play with lunch and awards. Congratulations to the 2014 President Cup 18-hole winner Mary Pifer and the 9-hole President’s Cup winner Carol Hawkins. The committee comprising Ann LaRue, Peggy Lewis, and June Cloud worked very hard to make this a fun and enjoyable tournament. Thank you to the tournament committee and Brown McCrory for a very successful event. Toni Andrews, Ways and Means, reported the WGA netted $4,972.14 from the Kapers tournament. Toni also recruited WGA volunteers to help with the Habitat for Humanity Tournament. The WGA raised $384 and the entire amount was donated back to Habitat for Humanity. Thank you to Toni and all the wonderful group of WGA ladies who supported her with these fundraisers.

Maureen Anselmi and Katherine Thacker are in full swing in their preparations for Girls Night Out on Sept. 16. Dinner, music, entertainment, and an evening with friends are being planned for your pleasure. Tickets go on sale Aug.1 at a cost of $25. Please get your ticket early and support this wonderful cause.

Lori Brindle and her team are working hard on our 2014 charity tournament, “Sustaining Hope Golf Tournament – PUTTing an End to Domestic Violence.” Mark your calendar for Oct. 1 and plan to play in this tournament that benefits Abigail’s Arms. Lots of activities are in the works for Sept. 30, the evening prior to the tournament. These include a Mexican dinner, a live auction, silent auction, auction of teams, and raffle board.

Only thirty surveys have been received from our membership of 229 concerning WGA activities. Areas of interest include the following: playday pairings, the handicap system, a desire for more scrambles and post-playday socials, times and length of WGA meetings, tournament days, and activities for those new to Kiowa and/or golf. Many of these comments will be acted upon this year, with others to be considered for implementation next year.

Over the past two months, Carol Marchbanks and Brown McCrory have given PowerPoint presentations on selected situations that commonly occur during a round of golf. Carol has covered water hazards, out of bounds, movable and immovable obstructions, loose impediments, and a few associated local rules. Please let Carol know of any rules of golf you would like to have covered in the next Rules of Golf sessions in August and September. The material covered in these presentations is available on the WGA website.

DIVOTS, DIVOTS, DIVOTS!!! Please do your part to keep our course looking good by filling your divots on the fairways and tee boxes. Also, repair pitch marks on the greens.

Aug. 6 will be the next scramble, meeting, and lunch. Put on your sun screen, wear a hat, and play in this summer scramble. Linda Slater

On July 12, the Men’s Golf Association (MGA) met at the Lodge. President Tom Blackwell called the meeting to order at 8 a.m.

Mike Merolla gave a report on the Make-A-Wish Gala and Benefit Golf Tournament, which will be held July 13, 14. Sign-up information is available at the Pro Shop.

Tom reported on upcoming tournaments:
(1) The Medal Play Club Championship will be held August 16, 17.
(2) The Match Play Club Championship will be held Sept. 12-14.
(3) August Playday: The format will be a Pro-Am Scramble. ‘A’ Player plays his own ball – Max score of double bogey per hole. B/C/D players scramble – Must use at least three drives from each player. May use ‘A’ player’s drive a max of nine times. Count both scores: ‘A’ player’s Net score and Team Scramble score.

The July playday saw 104 golfers participate. The format was Best Ball/Scramble Combined. Results were: 1st place: 131 – Craig Lamkin, Jim Poker, Ronny Young, and Fred Jackson; 2nd place: 137 – J.J. Walls, Bill Morris, Ted Grant, and Ken Bonzo; 3rd place: 137 – Del Maners, Gary Folsom, Gary Holmen, and Jack Thies; 4th place: 138 – Mike Grant, George Davis, Kent Harvick, and Pierce Monkres; 5th place: 138 – Brian Brister, Clark Enright, Keith Wilson, and Richard Mitcham.

Hole-in-One (L-R): Jim Marfice was presented a plaque by MGA President Tom Blackwell.

**DID YOU KNOW...**

That your Handicap Index can be automatically reduced for exceptional tournament play? As we begin the tournament season, it’s important to understand how this reduction works. Tournament scores are identified in the handicap system with a “T” and they are often referred to as “T-Scores.” Not all competitions qualify or need to be posted as a tournament score. The MGA/WGA Directory identifies the Lake Kiowa tournaments that will be posted as a tournament score, but if you play in an away tournament, the committee in charge of the competition should inform you if your score should be posted as a tournament score. Any T-Scores that are part of the best ten of your last twenty scores will be used to calculate your Handicap Index. Once your Handicap Index is calculated, the handicap system automatically compares your index to a separate file that contains up to six of your best and most current T-Scores. The handicap system then uses a formula to determine if your Handicap Index should be reduced for exceptional tournament play and if so, by how much. If a player’s Handicap Index is reduced, an “R,” such as 11.2R, will identify it. Your best T-Scores are maintained for a minimum of 12 months and a good tournament score has the potential to affect your Handicap Index for a year or more. In addition, one of the quirks of the T-Score reduction is that if you have an “R” Handicap Index, a series of high scores in regular play can actually decrease your index. This is because the T-Score adjustment looks at the difference between your Handicap Index and your best T-Scores. If that difference increases, the T-Score reduction also increases, causing your Handicap Index to decrease. The system’s review of a player’s T-Score file protects the integrity of the handicap system and aids in accurately measuring a player’s potential ability, which is what the handicap system is all about.

Your Handicap Committee

**Completion is scheduled for September. Stop by for a visit and see all of our progress.**

I’m a Landmark.

Landmark is the only bank I need.
- Roger Stieben

The ease and efficiency of getting a real estate loan proved to me the value of the company, and I’m proud to say I trust Landmark with all of my banking business. Do you need a bank that has everything you’re looking for? Stop by Landmark today, and let the team help you.
The fading sun and the light of a glowing golf ball were all these golfers needed to have a lot of fun with no sun at the “Saturday Night Moonlight Scramble” on June 28. Rumor has it that all 30 slots were taken within an hour once sign-ups began for this very popular event. Larry and Nancy Gingerich hosted a get-together before the tournament. They cooked brats and other couples brought side dishes. The food was fabulous!

According to the sun and moon calculator, sunset was around 8:35 p.m. with tee-off soon thereafter. Everyone brought their sense of humor, the night was their handicap, and the results were hilarious. The winning team was Marvin and Norma Crew paired with Lou and Karen Vander Molen. Coming in second was the team of Mike and Lori Brindle along with Jim and Danette Morrison. Our third-place team comprised Brian and Kelly Brister playing with Robin and Cindy Howell.

Many thanks go to Ron and Marchele Metcalf for taking care of business while President Joe Dorman and his first lady Dee were out of town (again). We also need to recognize and thank Tracy and Carla Wilson, Jim and Danette Morrison, and Keith and Joan Wilson who helped set up the course. Stay tuned for our next couples golf event. “Wife Swap” will be the name of the game. Thanks for playing!

Lisa Bohannon
Jesse May, an American poker commentator and player, said: “Poker is a combination of luck and skill. People think mastering the skill part is hard, but they’re wrong. The trick to poker is mastering the luck.” Two of our regular poker players, John Nash and B.R. Clements, have definitely mastered their luck. Yet again it is great to see their name in lights as our points leader and tournament winners for the month.

Six people had four-of-a-kind hands. Debbie Moody and Chan Glidewell had four Kings, Dorothy Baskett four Jacks, Glenn Waldon four nines, Bill Thompson had four eights, and Dany Ford had four sevens. The points leaders for June were B.R. Clements (first), Dennis Horvath (second), and Dottie Hereema (third). The winners of the championship game held on the last Friday of the month were John Nash taking first place and Billy Woods coming in second. The Lodge generously donates a token of its appreciation to the points leaders and championship winners each month. We are very appreciative of their support for the Poker group!

We hope to see you at the Lodge at 6:45 p.m. on Wednesdays and Fridays for a friendly, free, fun game of Texas Hold’em. You will often find a number of players around 6 p.m. enjoying dinner beforehand in the 19th Hole and Dining Room, and we are always ready to welcome anyone who would like to join us.

Jennifer Mason
The days are beginning to get really hot, but not as hot as a Friends of the Lodge (FOL) dance so come on out and join us for a fun evening! We are planning some really fun activities for the remainder of the year, so try to put these events on your calendar.

July was an eventful and fun-filled month for the FOL. We held a dance on June 17 at the Lodge featuring DJ Katie Dieter. She provided a nice variety of dance tunes and fortunately we had more members attend than usual. In fact, several of our Thursday night Lounge Lizards joined in the fun. As always, we would like to thank Charlie Foster and his staff for the outstanding support and service that they always provide at the FOL events.

It wouldn’t be July without the Lake Kiowa 4th of July celebration. The FOL would like to thank everyone who participated in our Dunk Tank and the 50/50 contest. Many thanks to John Springer, Randy Howell, and our Community Manager, Randy Schmaltz for volunteering to get wet in the tank. Did you happen to see Randy’s staff bringing down about 8 bags of ice and dump it in the Dunk Tank to make sure Randy was nice and chilled? It was so funny!

Also, Tony Kihroy, a guest from San Antonio, stepped in for a sickly Marvin Crew who was under the weather. We all couldn’t believe Marvin came down with a really bad stomachache on the day he was scheduled to get in the Dunk Tank. Tony, thanks much for helping us out. Tony is a proud fan of the St. Louis Cardinals and he let all the Ranger fans know it. Denny Engels was the big winner of the 50/50 contest. He (or should we say his wife, Donna) bagged a cash prize of $254.

We had our monthly dance on July 19 featuring DJ Clint Sturgeon. As always, he spins all of your favorite dance tunes. We strongly encourage you to send an email to us (Donna, Leslie, or Gerald) requesting your favorite songs in advance.

Calling all Kahunas and Gidgets! The FOL will be hosting a “Back to the Beach” dance on Saturday, Aug. 16 at the Lodge. The guest DJ will be Mike Neal. Please join us for a fun-filled theme dance. Wear your favorite summer attire, but please, no swimsuits.

Also, please mark your calendar for Saturday, Sept. 20; Saturday, Nov. 1; and Wednesday, Dec. 31 for future FOL events that are guaranteed to be a lot of fun. You will not want to miss’ em.

Stay cool and we will see you at the Lodge.

DM and LT, FOL PR Execs.

FOL 50-50 Raffle ticket booth at the July 4th celebration.

At the June 17 dance, we were able to photograph the happy group together for the first time ever.
SECURITY REPORT
June 13 to July 16

It has been said before and it is still the truth: Nobody does up the 4th of July like Lake Kiowa. Small-town patriotic fervor was as much on display in 2014 as in past years. A massive influx of family and friends aided the celebration, and while there were periods of extreme congestion at the Front Gate during the middle of the day, the movements of large crowds of people in attendance at all of the planned events were facilitated in smooth fashion. There is an expected and understandable spike in activity levels on this busiest of holiday weekends and in the weeks just preceding, so there is much to summarize in this report.

Boating safety at Lake Kiowa is strongly emphasized throughout the boating season and especially on the 4th of July. True to their mission, Lake Patrol officers performed twenty-seven cautionary stops for observed violations and cited one member for a major infraction of watercraft Operation and Safety rules. The operators of six watercraft with mechanical difficulties were lent assistance in the form of a tow. Security patrol on land performed four traffic stops and assisted the operators of six vehicles and four golf carts. The welfare of residents was checked on two occasions, two illegal signs were removed, three notices were issued for putting trash out too early, and a warning was given for having glass bottles at a swimming beach. Reports of a suspicious person and a suspicious vehicle were received as was the report of a theft of documents. A stop was made of a delivery truck that entered via the exit lane. Departmental logs also indicate that response was made to five business alarms, two residence alarms, and a 9-1-1 hang up.

It increasingly seems to be a rite of passage at Lake Kiowa that young people get their first wheels in the form of a golf cart at age 13. This is entirely permissible provided a golf cart permit has been obtained after attendance at the Youth Golf Cart Safety Class. Security personnel seek to pay particular attention to the actions of young people on golf carts, especially on holiday weekends. During this reporting period, six citations were written for young people operating a cart without a permit or a driver’s license. Additional citations were issued to young golf cart operators for violating the juvenile curfew and for disregarding the instructions of a Security officer directing traffic. Three golf carts were pulled over for observed violations of equipment and operating rules. Five warnings were given for violation of the parks curfew.

The more nefarious, intentionally destructive, actions of vandals, unfortunately, have to be made a part of this report. Two mailboxes and the volleyball net at the East Beach were casualties of the 4th. An additional five mailboxes and a porta-privy bit the dust on July 15. Suspects in that outbreak have been identified and an investigation is ongoing. Additional single acts of criminal mischief included the breakage of a window at a vacant house and the theft of a golf course flag. Cooke County Sheriff’s Office deputies were called out to assist with a domestic disturbance. Security patrol removed two unaccompanied guests and a trespasser from Lake Kiowa. Two reports of illegal fireworks were investigated. Single citations were issued for the use of fireworks and for an unaccompanied guest.

Animal Control officers chased sixteen stray dogs and collared ten varmints of various species. Five barking dog complaints were investigated. Security dispatchers monitored thirty-four ICVFD emergency runs. Security Medical First Responders were a part of five medical calls at Lake Kiowa.

Gary Davidson
Chief of Security

LODGE MANAGER REPORT

We are shifting from a Weekly Special tactic to a Limited Time Offer (LTO) strategy to better utilize our resources while still offering variety to our Guests. We plan to offer seasonal menu items and keep them for six to eight weeks, so you can enjoy them multiple times. We expect to have three to four menu items and an adult beverage with each LTO. Our first offering is featuring Hatch Green Chiles and we are aiming to kick it off around the first week of August. Similar efforts are being made with our adult beverage selections as we have trimmed out a few items that are very slow sellers, but added great sellers like Tito’s Handmade Vodka, Gilbey’s Gin, and J&B Scotch.

We have added a new server with Richard (Ty) Jackson joining our team in July. By the way, “The Times They Are A-Changin’” is the name of an album, and a song written and performed by Bob Dylan and released in early 1964.

Charlie Foster

GOLF COURSE UPDATE

Summer is here! During the month of June, we held Member/Guest tournaments for both the WGA and MGA. Both tournaments were a success.

The golf course continues to get better and better every week. The sod on number 10 green rooted down very well and is slowly becoming a good playing surface. It will only get better as we continue to verticut and topdress every other Monday. Number 8 green is almost completely healed and, with the exception of the back left corner, number 12 green is in the same boat. There are still a few bare areas that will require more sod. I have contacted King Ranch Turfgrass and they will be bringing us a few pallets of sod to fill in those small remaining areas. Our nursery green will be replenished using sprigs that will be installed by King Ranch.

August aerification is scheduled for Monday, Aug. 18 following the MGA Match Play Championship. We will be pulling larger cores than we did back in April. Healing from a more aggressive aerification will take a few days longer, but should be complete by the MGA Match Play Championship.

Keep filling your divots and repairing your ball marks. See you around the course.

REPEAT OFFENDER VIOLATIONS - August 2014

If you have received a citation and have questions, all rules can be found on the Lake Kiowa Website. Additionally, you may call Gary Davidson at (940) 665-3221 or Randy Schmaltz at (940) 665-1055. All written notifications will be mailed directly to you as soon as possible. Parents or guardians of minors will be notified immediately if their child has received a citation.

In accordance with Rule 4.2.7.C, the LKPOA is required to post the names and lot numbers of repeat rule offenders. Rule 4.2.7.C states: “Two or more infractions of the same rule, two or more infractions in the same category, or more than one Serious or Major infraction in any combination and regardless of the rule or category within (1) year are considered a repeat offense. In all cases the names of repeat offenders will be printed in the Association newspaper.”

By rule, the following property owners are classified as repeat offenders:

- William Herring, Lot 1754: Rule 4.3.1.f (1) Positive Control of Pets – 8/15/13, 2/5/14, and 2/24/14.
- Heather Holt, Lot 368: Rule 4.3.2.e.(3) Operating golf cart without a permit, 8/5/13 and 6/19/14.
- Judson Kassing, Lot 1417: Rule 4.3.2.e.(1) Reckless driving - 9/8/13; Rule 4.3.2.e.(4) Golf Cart Operating Equipment - 9/8/13; and Rule 4.3.1.j Fireworks prohibited - 7/4/14.
How Often And How Long Should I Water My Lawn Each Week?

Deep, infrequent watering is best for established lawns and trees. The goal is to saturate the top six inches of the soil once per week.

Once per week during most of the year is an adequate watering frequency. In the hottest parts of the summer, you may need to water two times at most per week. But, be sure to follow your local watering restrictions.

Early morning, between 2 a.m. and 6 a.m. or evenings from 6 p.m. and 11 p.m. are the best times to water your landscape.

How To Evaluate How Long To Water:

Set out five or six open-top low profile cans randomly on the lawn (tuna and cat food cans work best, because they have short sides). Turn the sprinkler head or system on for 30 minutes. Measure and record the depth of water caught in each individual can. Calculate the average depth of water from all of the cans in 30 minutes. (Add each amount together, then divide by the number of cans.)

Use a garden spade to determine how deep the soil was wet during the 30-minute watering. Measure and record the depth of the wet soil. When you know how much water was applied in a 30-minute cycle and how deep that volume of water wet the soil, it is easy to determine how long the sprinkler head must run to adequately wet the soil to a depth of 6 inches.

Example: The system put out ½ inch of water in 30 minutes, wetting the soil to a depth of 3 inches. Therefore, 1 inch of water will need to be applied to wet the soil to a depth of 6 inches giving a run time of 1 hour.

3” wet soil = ½” of water = 30 minutes
6” wet soil = 1” of water = 1 hour

If you find you’re getting run-off before you saturate to 6 inches, you can split the cycle up into two sessions, with a break in between.

If you are having problems with your irrigation system resetting itself during electrical service disruptions, you might think about purchasing a battery backup (UPS) system akin to the kind used on computer systems. They are relatively affordable and can keep the timer from resetting.

If you are having problems with your pressure, you might consider watering during the evening period or when the wind is low.

You might also raise the height of your mower blades to three inches to increase the canopy effect on the grass to help it cool itself to hold the moisture for a longer period of time.

LKPOA 2014-2015 COMMITTEES

ARCHITECTURAL CONTROL COMMITTEE:
Requires at least three members with board member serving as chair.
Gary O’Dell (Chair), (940) 372-3156, (E-mail: g-dell@sbcglobal.net).
Members: Harold Bosse, Ed Cooke, Don Knox, Jim Mead, LKPOA Compliance Officer (ex officio).

CELEBRATION COMMITTEE:
D Noble (Chair), (940) 738-9218, (E-mail: d noble5754@aol.com).
Members: Sharon Clements, Rick Ramsey, Gerald Smith, Billy Woods.

COMMUNICATION COMMITTEE:
Justin McMurry (Chair), (817) 980-7378, (E-mail: cjcmcmurry@verizon.net).
Members: LaQuita Barton, Bill Burhans, Linda Teagarden.

ELECTION COMMITTEE:
Susan Metzler (Chair), (940) 736-3209, (E-mail: mssmetzler@kiowaonline.net).
Members: Marion Hoefflin (Election Judge), Reba Chisum, Joanne Dorsch, Carolyn Jacobson, Mary Ann Johnson, Kay Kane, Ann LaRue, Clara Lemming, Margie Nash, Judy Neal, Madolyn Tomlin, Bill Turner.

FACILITIES COMMITTEE:
Brent Reed (Chair), (940) 736-0285, (E-mail: brentreed55@yahoo.com).
Members: Gary Cotten, Pat Jesse, Gerald Smith.

GOLF COMMITTEE:
Gary O’Dell (Chair), (940) 372-3156, (E-mail: g-dell@sbcglobal.net).
Members: Billy Aday MGA; Tom Blackwell, MGA; Joe Dorman, Couples Golf; Karen Brewton, WGA; Paula Brinson WGA; Craig Lamkin, Handicap Committee; Bryan Brown, Course Superintendent (ex officio); Brown McCrory, Golf Pro (ex officio).

INFORMATION SYSTEMS COMMITTEE:
Justin McMurry (Chair), (817) 980-7378, (E-mail: cjcmcmurry@verizon.net).
Members Scott Manning, Lou Vander Molen.

LAKE & PARKS COMMITTEE:
Bill Turner (Chair), (940) 387-7669, (E-mail: wfturner@verizon.net).
Members: Randy Andrews, Mike Bitsche, Denny Engels, Randy Howell; Wayne Kyle, Mike Merolla, Ken Minter, John Schneider, Jason Snuggs.

LAND USE COMMITTEE:
Bob Bergbower (Chair), (940) 641-0328, (E-mail: bergy@ntin.net).
Members: Jim Hawkins, Bob Hughes, Linda Keeney, Craig Lamkin.

LODGE & TAVERN COMMITTEE:
Requires at least three members, with board member as chair.
Brent Reed (Chair), (940) 612-1502, (E-mail: brentreed55@yahoo.com).
Members: J.B. Cole, Jack Thies.

LONG-RANGE PLANNING COMMITTEE:
Requires at least seven members with staggered terms, with board member as chair.
Craig Lamkin (Chair), (940) 814-9325, (E-mail: pecos@dtnspeed.net).
Members: Dan Busch, Gary Cotten, Don Hanratty, Diane Hickel, Carol Johnson, Mike McDonald, Jim Nehib, Kelye Stites.

NOMINATING COMMITTEE:
Membership pending. If you are interested in serving on this committee, please email Kelley Stewart.

RULES ENFORCEMENT COMMITTEE:
Requires at least five members; board members cannot serve.
Jim Lewis (Chair), (940) 665-7785, (E-mail: jlewis8585@aol.com).

WAYS & MEANS COMMITTEE:
Jess Maxwell (Chair), (940) 665-1811, (E-mail: jmaxwell@ntin.net).
Members: Bob Brewton, Bill Richey, Brent Reed, Jack Thies.

Lake Kiowa Property Owners Association offices.
LAKE KIOWA PROPERTY OWNERS ASSOCIATION
BOARD MEETING
Monday, June 16, 2014
Southwest Room - 6 p.m.

President Kelley Stewart called the meeting to order at 6 p.m. President Stewart led the Pledge of Allegiance.

Introduction of New Attendees - None in attendance.

All members present.

Approve Minutes -
a. Craig Lamkin made the motion to approve the minutes for May 19, 2014 and Budget meeting May 19, 2014 and was seconded by Jay Titus. All were in favor. Leslie Tomich abstained.

Motion carried.

Cathy Dewitt, Lot #1753, made a request to the Board to erect a fence on POA property, which is part of the golf course near hole #4. President Stewart read a response from POA Attorney Leslie Sweet that he did not think this was a good idea because it would block other members’ access to POA property. Bill Turner made a motion not to allow the fence to be built on POA property and was seconded by Leslie Tomich. Seven votes for the motion, D Noble against and Brent Reed recused himself.

Motion carried.

Bill Turner gave the Treasurer’s Report and stated that the income for May was down $2,116 from budget projections with the primary cause being Lodge Food & Beverage sales over $6,000 below budget projections. However, actual expenses were $14,707 less than the budget projections resulting in Net Revenue of $12,590 for May. All departments’ expenses were less than budget with the exception of the Parks & Lakes and Golf. The Lakes & Parks variance was primarily caused by the purchase of $8,227 worth of fish. Although there was $9,000 in the budget for the fish, all of them were purchased in May. The variance in Golf budget was for chemicals, botanical expenses, and irrigation repair.

Facilities Committee - Brent Reed gave a report about a study on space planning for the Lodge. It will be conducted by Alliance Architects. A study will be performed of the existing Lodge building space plan in an effort to identify if the spaces within the Lodge can be re-arranged or possibly expanded to become more efficient. The study will also take in the lake area around the Lodge and the Pavilion.

A motion was made by Brent Reed and seconded by Craig Lamkin to allow the study at a cost of $4,820. Eight were for the motion and Jay Titus against. Motion carried.

The ballots for the Budget approval will be mailed on July 11 and returned ballots will need to be postmarked by August 15. The ballots will be counted on August 21, with a special meeting called on August 25 to announce the results.

The election chairman has requested that three alternates be placed on the Election Committee. A special meeting will be called on June 21 to approve these alternates.

Managers’ Report - Randy Schmutz:

a. Purchase of POA/POS software suite. Our present software, Aloha, is being phased out and will not be supported after November. A new software package, Abacus 21, and update our existing TOPS software was proposed. It was explained about the advantages of having the new programs. The new software has the capability to integrate all POA functions, Administration, Lodge, and Security. We would have a photo ID, which would help eliminate charges to the wrong member. The cost of the package will be $55,895, with an annual fee of $13,435. Scott Manning and Lou Vander Molen explained how the programs will work and that they can add other parts later if decided to do so. Brent Reed made the motion to purchase the software package with the funding to come out of 2013/2014 O & M. Craig Lamkin seconded the motion. All were in favor. Motion carried.

b. ARRF purchase:

i. Ice Machine for Public Works will be purchased for $2,800 from TDI Industries.

ii. Two new Kubota Mule RTV 900 will be purchased from Grayson Kubota for $19,847. These are used to haul materials to and from different job sites.

iii. Mussel Study Update. Atkins will be here on June 25 to make the mussel study. They will have divers and will use our pontoon boat.

iv. Water Report - to date, the Golf course has use 11,717,227 gallons. The total estimate for the entire year was 68,149,000 gallons.

b. Update:

i. Office Manager worked one week and called in after an auto accident and said she would not be returning. Ads have been placed to look for another person to fill the position.

ii. New Lodge Manager Charlie Foster is at work and adapting very well. He is working on the menu.

Additional Business - The Town Hall meeting will be Saturday, June 21 in the Lodge at 10 a.m. There will be another Town Hall meeting on Monday, July 7 in the Lodge.

Questions from the Audience -

Dean Dorsch, Lot #380, asked about the fountain on golf hole #14. He was told the motor was burned out and is on order. He asked about the flowers on hole #9 and why we did not have any flowers, but annuals have been put in. He was informed that when plants die, we replace them.

Randi White, Lot #1461, asked about the study on the Lodge and why we were doing this. It was explained that we needed a professional look at what we could do at the Lodge. He asked about the new software, Abacus 21 and TOPS. He wanted to know where the Cloud server was located and what security was in place. Trapp on line is located in Arizona. They have security. He also asked why we would not make the photo ID mandatory. Randy explained that later it might be, but at the present time it will not.

Jim Manning, Lot #962, asked why we did not charge contractors a permit fee to do business at Lake Kiowa. President Stewart said that it had been discussed before, but no action was taken.

Bill Turner made the motion to adjourn the meeting at 7:35 p.m. and was seconded by Brent Reed. All were in favor. Motion carried.

Submitted by,

Gary O’Dell, Secretary

LAKE KIOWA PROPERTY OWNERS ASSOCIATION
SPECIAL BOARD MEETING
Saturday June 21, 2014
Assembly Room - 10 a.m.

President Kelley Stewart called the meeting to order at 10 a.m. All members present. Quorum was established.

President Stewart led the Pledge of Allegiance.

A request from election Judge Marion Hoeflein to add three alternate to the Election Committee. Names submitted: Kay Kane; Madolyn Tomlin; and Judy Neal.

A motion was made by Bill Turner to accept the nominees and was seconded by Leslie Tomich. All were in favor. Motion carried.

A motion was made by D Noble to adjourn the meeting at 10:07 a.m. and was seconded by Craig Lamkin. All were in favor. Motion carried.

Submitted by,

Gary O’Dell, Secretary

LAKE KIOWA PROPERTY OWNERS ASSOCIATION
BOARD MEETING
Monday, July 7, 2014
Assembly Room - 6 p.m.

President Kelley Stewart called the meeting to order at 6 p.m.

Six members were present. Leslie Tomich, Bill Turner, and Justin McMurry were absent.

Discuss granting an Estoppel for Lot #372, 412 Cocopa Dr. W. In 1979, there was a building permit issued for a new house. The contractor placed the house only 5’ from the property line and the Covenant rule says it should be 10’. The house has sold three times before now and this item was not caught. Jay Titus made the motion to grant the Estoppel and was seconded by Craig Lamkin. All were in favor. Motion carried.

Brent Reed made the motion to adjourn at 6:04 p.m. and was seconded by D Noble. All were in favor. Motion carried.

Submitted by,

Gary O’Dell, Secretary

July 4th crowds enjoying the lake.
MINUTES
INDIAN CREEK VOLUNTEER FIRE DEPARTMENT
BOARD OF DIRECTORS
MEETING
JUNE 12, 2014

CALL TO ORDER: President Tomlin called meeting to order at 7 p.m. All board members were present. A quorum was established. Also in attendance were Chief Pilot, Capt. Ben Hatton, Lt. Lou Vander Molen, and Firefighter Monroe Salsman.

APPROVE MINUTES: VP Hughes made a motion to approve minutes from May 8, 2014 meeting. Treasurer Salsman seconded. Motion carried.

TREASURER’S REPORT:
Treasurer Salsman submitted the following for the month of May 2014:
- $165,767.73 Cash in Bank as of April 30, 2014 (includes Operating Funds, Capital Expense Allocations and Restricted Net Assets)
- $2,984.92 May Income
- $4,163.19 May Expenses
- $6,075.00 May Fundraiser Income
- $811.20 May Fundraiser Expenses
- $24,868.39 Capital Expense Investment Activities
- $7,000.00 Restricted Net Asset Financing Activities

$151,984.87 Cash in Bank as of May 31, 2014 (includes Operating Funds, Capital Expense Allocations and Restricted Net Assets).

Cash in Bank Designations - (Operating Funds, Capital Expense Allocations and Restricted Net Assets):
- $106,984.87 - ICVFD Operating Funds
- $38,000.00 Capital Expense Allocation Vehicles
- $1,000.00 Restricted Net Asset Communications Equipment
- $6,000.00 Restricted Net Asset Extermination Equipment

$151,984.87 Total Cash in Bank as of May 31, 2014.

VPIS Insurance renewal installment of $1,906.00 is due. Motion made by VP Hughes to pay insurance. Seconded by Pres. Tomlin. Motion carried.

Motion made by Treasurer Salsman to approve the final fundraiser report and to have the report published separate from the Treasurer’s report. Seconded by Asst. Treasurer Woodruff. Motion carried.

A discussion was brought to the table about the need of a long-term budget forecast. The committee would consist of Pres. Tomlin, Secretary Moore, Chief Pilot, and Capt. Hatton. A motion was made by Treasurer Salsman that this committee be formed. Seconded by VP Hughes. Motion carried.

A discussion was made about paying off the balance of B801 (39,000+) that would make us debt free. It was tabled until next month.

A motion was made by Treasurer Salsman to open a $200,000 line of credit with NASCOGA. Seconded by VP Hughes. Motion carried. Asst. Treasurer Woodruff to start the paperwork.

Treasurer Salsman presented the 2014/2015 budget. VP Hughes made a motion to accept budget. Seconded by Asst. Treasurer Woodruff. Motion carried.

Secretary Moore made a motion to accept the Treasurer’s report. Seconded by VP Hughes. Motion carried.

FIRE CHIEF’S REPORT: The May incident report reflected 19 calls compared to 28 in May of 2013. There was one structure fire other than in a building, one wildland fire, one brush fire, one grass fire, three rescue EMS incidents, eight medical assists, one assist police, one authorized controlled burn, and two false alarms.

A letter requesting a formal survey by the ISO was sent out on May 28, 2014. Nothing has been scheduled as of yet. Hydrants with main size have been entered into firehouse. Hose testing should be completed within the next week.

The new 3000-gallon, pumping capability of a minimum of 1000 GPM, tender arrived today. Because of red tape it will be 30-45 days before the tender can get certified by the Forestry Service and we get our grant money. Great sacrifices were made by Chief Pilot, Captain Hatton, and FF Salsman in a whirlwind two-day trip to pick up the tender. Then it took several more man hours to mount needed equipment to get the tender in service.

VP Hughes made a motion to purchase hose jacket, hose clamp, roller hose, playpipe, double stacked tips, and cellar nozzle from NAFECO for engine and tender. Seconded by Asst. Treasurer Woodruff. Motion carried.

Electric rescue equipment was tabled until next month.

OTHER BUSINESS:
- Attorney Switzer to review bylaws. Motion made by Treasurer Salsman to throw an open house on July 12, 2014 to show off the new tanker and let the fire district members see what their donations are going towards. Seconded by VP Hughes. Motion carried.

Capt. Hatton presented some T-shirt designs to the board. Secretary Moore made a motion to purchase several different sizes and sell them at the open house. Seconded by VP Hughes. Motion carried.

Emergency Service Districts to be discussed at a future meeting as to how to proceed.

Conflict of interest needs to be signed by all board members.

ADJOURNMENT: Pres. Tomlin made a motion to adjourn. Seconded by VP Hughes. Motion carried.

Meeting adjourned at 9:15 p.m.

Next meeting date will be July 10, 2014 at 7 p.m.

Respectfully,
Sam Moore, Secretary
