ICVFD Board of Directors Election Results

The new board members are (L-R): Randy Cade, Steve Dumovich and Bruce McDonald.

The ICVFD Election Committee was made up of Mike Morris, Terry Prince and Kay Marshall. They met on April 2, 2017 to canvass the votes for the 2017 ICVFD Board election. They checked the voters’ addresses for eligibility to vote in this election, checked for duplicate voting and counted the paper (mail-in) votes.

The results were: Randy Cade 72; Steve Dumovich 70, Gay Enright 51; Mike Galvan 41; Rod McCutcheon 38; Bruce McDonald 78.

During the annual meeting on April 8, four individuals were recognized for their loyal service. See picture on page 5.

FREE TO ALL BRING YOUR OWN CHAIR & DRINKS LAY ON THE BEACH LISTEN FROM YOUR BOAT OR SIT ON THE PATIO & ORDER FROM THE LODGE DANCING IN THE PAVILION

Big City Cardiac Care with Small Town, Short Commute Appeal.
After a cardiac event, your doctor might tell you to reduce the stress in your life. What better way to do that, than to eliminate the long drive to the big city for cardiac care!

Muenster Memorial Hospital offers the following for your cardiac care:

MMH Family Health Clinic:
Cardiovascular Risk Assessments/ EKGs/Blood Pressure Management/ Cardiology Referrals as needed

Services:
Cardiology Clinic 3 days a week,
Texas Cardiovascular Specialists:
Richard F. Ammar, Jr., M.D., FACC
Babu Makkina, M.D., FACC
Mian Atif Yousuf, M.D.

Cardiac Diagnostics:
Echocardiograms, Stress Echocardiograms, Treadmill Stress Tests, Lexiscans (Nuclear Medicine—medically induced stress tests), Myoviews (Nuclear Medicine—treadmill induced stress tests)
Following a cardiac event or procedure MMH offers Outpatient Cardiac Rehabilitation. 12 to 15 weeks, as prescribed by physician.
All available in Muenster!
Enjoy the Outdoors
Fall quickly shifted to summer it seems and we all are spending more time enjoying the outdoors. With the very mild winter and warm spring, there is a good chance we may have a bad year for mosquitoes.

I recently attended my second educational seminar about mosquitoes and the problems they can cause. The sessions were presented by experts in this field and the material presented was technical with more emphasis on practical than last year. West Nile virus most likely could be our biggest concern from mosquitoes in the future, as nearly half of the infections nationwide occur in Texas. Many of us could have been affected by West Nile and not even know it, as it is not a serious condition for most people. We had one mosquito test positive at Lake Kiowa last year for the West Nile virus, so we know if could happen again here. There is additional information posted on our website, so please check it out.

The best way to avoid any issues with mosquito problems is to follow the four “Ds”:

- **DEET** – Use insect repellent containing this ingredient;
- **Dress** – Wear long sleeves and long pants outdoors;
- **Dusk/Dawn** – Avoid being outside between dusk and dawn (when mosquitoes are most active);
- **Drain** – Remove and drain standing water as well as drain children’s wading pools when not in use.

Additionally, emphasize these areas:

- Replace water in bird baths every 3 to 4 days;
- Drill a hole in tire swings or recycling containers so water can drain out;
- Check for clogged rain gutters and clean them out (gutters can produce millions of mosquitoes each season);
- Remove discarded tires, and other items that could collect water;
- Clean vegetation and debris from the edges of ponds;
- Dispose of cans, plastic containers, ceramic pots or similar water-holding containers;
- Turn over wheelbarrows;
- Aerate ornamental pools or stock them with fish;
- Clean and chlorinate swimming pools not in use (watch for stagnant water on the pool cover) as mosquitoes may breed in any puddle that lasts for more than four days.

If you experience mosquitoes at your house, most likely they have hatched in your yard or very close by. If every property owners maintained their yard to minimize mosquitoes, Lake Kiowa would be a better place. The POA team will be again reviewing our public areas this summer to reduce potential problems in common areas. We have a plan of action to maintain our public areas and ask that our residents maintain their properties as well. We will also be working closely with officials in Cooke County in a coordinated effort to trap mosquitoes on a weekly basis and send them off to Austin for expert analysis to determine if they are infected.

We also test our lake water for the presence of E. coli bacteria several times during the water sports season and we have been blessed with favorable results. Test results for the last several years are posted on our website; we will update the list this summer as test results come in.

The end of May kicks off our peak season, with Memorial Day weekend and the end of the school year. Enjoy the outdoors and use your bug spray!

Charlie

The Cooke County Arts Council proudly presents the 8th Annual Scholarship Concert to be held on Friday, May 5 at the Frist State Bank Center for the Performing Arts. The Arts Council includes Butterfield Stage Players, Gainesville Swing Orchestra, Gainesville Area Visual Arts (GAVA) and The North Central Texas Chorale. Throughout the year these groups present plays, music programs, art classes, demonstrations, and exhibits. All the groups work together to present the Scholarship Concert. Proceeds are used to fund a scholarship for a senior Cooke County high school or home-schooled student who will be attending college in the fall. Previous winners have attended Texas State University, Austin College, Lamar University, Southeastern Oklahoma State University, Sam Houston State University, Texas Tech, and UT Arlington. This is the tenth year that a scholarship has been given. The Scholarship Winner will be announced during the concert. Additional funds raised will also be used to help with operating expenses for the Art Council groups.

Doors open at 6:30 p.m. for hor d’oeuvres and a GAVA art exhibit, a meet and greet and opportunity to buy art. At 7:30 p.m. Butterfield opens the show with a short presentation followed by selections by the chorale directed by Clint Kelly, accompanied by Carolyn Hook. The concert closes with a Disney set by the Gainesville Swing Orchestra sure to please old and young.

Tickets are $15 for general admission and $10 for seniors and children. Tickets are available at Horace Mann Insurance office of Kevin Beall, by calling Bonnie at (940) 736-8672, and will be available at the door.

Phil Schenk
To all our friends at Lake Kiowa,

We want to give our sincere thanks for the cards, flowers, phone calls and especially the delicious meals brought to us. Your thoughts and prayers meant so much and helped us on the road to recovery.

Thank you for being so kind and caring. We hope to be out and around real soon.

Ralph and Dolly, Marek

THE GOING-TO-BE-70 GALS

Madelyn Tomlin, Kathy Seay, Carolyn Pannell, Carrol Haywood, Cheryl Mason and a couple other gals are all turning 70 soon. So, they got a group of their friends together and had a golf tournament.

After golfing, the group gathered to eat lunch and sing Happy Birthday to the gals. Then they moved to the Patio at the Lodge to enjoy the birthday cake. A fun time was had by all!

The response to our recent mailing for our patriotic program has been lively once again this year. It appears we may exceed last year’s responses. I continue to check our post office box in Gainesville often in the hopes of receiving more flag requests.

If you have misplaced your notification letter or never received one, please contact me at (940) 736-6249 or email to russeg@tnt.net. I will ensure you receive a copy.

The Gainesville Rotary Club appreciates your support very much.

Bill Burhans

RED HAT LUNCHEON

Tuesday, May 31
11:15 a.m.

Prairie House Restaurant
10001 US 380
Cross Roads, TX 76227
(940) 488-4413

Carpool will meet at Lodge parking lot at 10:15 a.m.

Any Kiowa lady over 50 is invited to attend our Red Hat luncheons. There are no dues or other qualifications for this strictly social group.

The ladies wear a Red Hat and purple and red outfit and pay for their own meal. To obtain more information about our group, call (940) 612-1864.

Kathie Milburn
Indian Creek VFD Auxiliary

Not to worry, the Auxiliary is still up and running! Our goal of raising money for the Fire Department is still a priority. If anyone has any fundraising ideas, we would love to hear from you. Our next General Membership meeting is on May 8 at 6:30 p.m. at the Lodge. Hope to see you there.

The ICVFD has a golf tournament scheduled on May 15. Everyone is welcome. Bring your friends and family for lots of fun!

As always, the Auxiliary appreciates greatly all who volunteer to make our events successful.

Melva Akins

Recognized at the 2017 ICVFD annual meeting were (L-R): Bryan Buchanan, Bonnie Woodruff and Sam Moore. Absent, but also recognized, was Ed Tomlin. ICVFD President Bob Hughes presented the plaques.

Free video and picture drone photography included when listing with me!
Genealogy News

Genealogy “Year” Ends

We end our genealogy “year” on May 25 with a mini-workshop on Organization and Timelines.

It doesn’t take long before anyone doing genealogy is covered up with copious amounts of paper, notes, pictures, maps, just to name a few! We are notorious about keeping any and all documents, whether we know they’re important or just think they might be. What do you do with all those pictures or memorabilia you just can’t throw away? You have reams of paper of important or potentially important documents; how do you make sense of them? You’ve got all this “stuff,” how do you make sure it’s kept safe? What kind of filing system do I need to use? How do I organize all this mess to be able to find it when I need it? How do you know when you have the correct ancestor? There is not a “one size fits all” answer, but we’ll answer these common questions and give you some ideas. If you have a tip that works for you, please be prepared to share it with us. We can all learn something new!

Like genealogists, timelines come in all sizes and forms. It’s an important technique that can point out inconsistencies at a glance, let you know with certainty that you’re on the right path. We’ll discuss what a timeline is and fill one out in class. Please bring a troublesome ancestor (every date and place you have as well as immediate family members).

Our first class for next year (Sept. 28) will be Ancestry.com taught by Cindy Barnhart, our former Lake Kiowa Genealogy Group leader. Until then, have a wonderful summer. We hope you will find lots of “skeletons in your closets!”

Spring has finally come to Lake Kiowa. This means that your friends and relatives will be flocking to the lake for those great spring weekends. We hope you will invite them to come to Chapel with you on Sunday morning at 8 a.m. It is also good to know that you can make an 8:45 or 9 a.m. tee time and still pay your respect to God by attending Chapel. After the great Easter Celebration that many of you attended, now is the time to start making Chapel a habit.

Special thanks to Jo Brannan for the Bible Study classes she conducted. Also, kudos to the choir for the wonderful Easter music.

Sermons for the month of May follow: May 7 - J. Ray Smith “What is Prayer?”; May 14 - John Hare “A Sold Out Crowd/Jn 20:19-23; May 23 - J. Ray Smith “Why Pray?” (Choir sings); May 28 - John Hare “I Can’t Believe This is Happening”/Jn 20:24-29.

Hope to see you on Sunday.

Joan Carroll

Men’s Book & Bible Conversation Group Takes on Tough Questions in May

Do you like to learn in a way that holds Biblical conversation to a reality that intersects with the way we live? Have you ever wanted to be able to have a conversation about life that goes beyond “hello, how are you?”, the ordinary greeting. Have you ever wanted to have a conversation that takes a hard look at life in a way that it is lived out around you and respects you and your values? Have you ever wanted to hold the Bible up to our culture in a way that gives you insight to the issues of today and still meets you where you are today? Have you ever wanted to read something that is honest and challenges you in a positive way to be better? Are you the kind of guy who can sit around with other men and just talk about things? If these questions can prick your interest, then the Men’s Book & Bible Conversation Group that meets each Wednesday at 8 a.m. in the Southwest Room of the Lodge is for you.

Each week a group of men gathers to have conversation about life as we live it here in our community and hold it against a Biblical perspective. You are invited to join them and be part of the experience. This is a growing group of guys and recognizes that guys cannot attend every Wednesday conversation; however, guys come when life allows. There is a real sense of integrity in this group that keeps conversation real and authentic while holding to an intentional Biblical perspective.

In the month of May, we will begin new emphases and this would be a good time to test out the group. Try it out for a few sessions and see if this is something that works for you. We are going to be tackling tough issues, difficult scriptures and answering the tough questions; maybe you have some that you would like us to deal with, so join us in the conversation and experience the growth places.

The discussion and conversation leader is Rev. J.H. Langley, a retired United Methodist Lead Pastor. Reverend Langley brings a deep theological understanding into both complex contemporary, everyday issues and helps the group discover simple truths. All men are warmly invited to be part of this exciting, growing men’s Biblical conversation group. Come join us Wednesdays at 8 a.m. and be part of the dialogue. We are having great conversations. For more information, call Rev. Langley at (724) 591-0518 or email him at revjhl@ntin.net.

Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another. Heb. 10:25.

Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another. Heb. 10:25.
This article is a continuation of the three-part series of articles on hospice care. The first, entitled “What are the Medicare Guidelines for Hospice Care?” appeared last month. This month will cover the steps to take to choose a hospice and, in June, will conclude by describing typical expectations of a quality hospice.

Choosing a Hospice:

15 Questions to Ask

Hospice is a set of services that we all may need someday – if not for ourselves, for our parents, relatives or friends. We do have choices about the services we use at the end of life and hospice care is one. Although many believe going on hospice is giving up hope, it is just the opposite, as it is the best option in the last months of life because it offers a variety of benefits and support to both the patient and the family members and caregivers.

So how do you find the right hospice for you? Here is a list of 15 questions to consider and use in your research and evaluation of the right team for you.

1. What do others say about this hospice? Get references both from people you know and from people in the field – e.g., local hospitals, nursing homes, clinicians. Ask anyone that you have connections to if they have had experience with the hospice and what their impressions are. Review their website. Anecdote and word of mouth won’t paint a full picture, but they are still valuable data points.

2. How long has the hospice been in operation? If it has been around for a while, that’s an indication of stability. Many nonprofit hospice organizations started before Medicare began reimbursement in 1983.

3. Is the hospice Medicare-certified and accredited, and if required, state-licensed? Medicare certification is essential if the patient is a Medicare beneficiary to permit reimbursement and it also means that the hospice must meet certain standards of performance. A certified hospice generally has periodic inspections and surveys of its operations. Accreditation (JCAHO or CHAP) is not required and not having it doesn’t mean a hospice isn’t good, but if the hospice has it, then you know a third party has looked at the hospice’s operations and determined they come up to a reasonable standard of care.

4. What is the expectation about the family’s role in caregiving? See if what the hospice expects from family members is consistent with what the family is able to do. Both the patient and the family control pain or manage symptoms only. Some hospices would not be willing to control pain or manage symptoms only. Some hospices would not be willing or able to afford to do this but others might.

5. Are there limits on treatment currently being received? A patient may be receiving specialized care that is beyond the scope of hospice or the hospice team. Ensure that all are aware of the care and are in agreement that proper care can and will be provided.

6. Can the hospice meet your specific needs? Mention any concerns the family or patient have about care and ask the hospice staff how they will address those concerns. This is a good time to ask about the frequency of hospice staff visits.

7. Does the hospice offer extra services beyond those required? Some services fall in a gray area. They are not required by Medicare but may be helpful to improve the comfort of a patient. An example is radiation for a cancer patient to control pain or manage symptoms only. Some hospices would not be willing or able to afford to do this but others might.

8. How rapid is crisis response? If the family needs someone to come to the home at 3 a.m. on a Saturday, where would that person come from? What is their average response time? Hospice is to provide 24/7 access to nurses, both on the phone and in person.

9. What are the options for inpatient care? Patients being cared for at home may need to go to an inpatient unit for management of complicated symptoms or to give their family respite. Facilities can vary from the hospice having its own private inpatient unit to leased beds in a hospital or nursing home. Visit the facilities to ensure that they are conveniently located and that you are comfortable with what they offer; if not, you should have the option to choose the location.

10. If the family caregiver gets exhausted, is respite care available? Caring for someone with a serious illness can be exhausting and, at times, challenging. In addition to hospice services, many hospices offer extra services beyond those required, such as respite care.

WHEN CHOOSING WHO TO SEE FOR EYE CARE, CONSIDER SOME FACES YOU’VE SEEN AROUND TOWN.

When selecting an eye care practice, we understand that it’s about who you see. What they know. And how they make you feel. That’s why at RGB Eye Associates, quality eye care is about safe and effective procedures using the latest technologies—expertly provided with genuine warmth and respect by the friendliest staff around. Because when it comes to caring for your eyes, we know what it’s really all about. You.

The contest started out with 26 folks supported our efforts on the lake. Community who recently passed after a special member of our participants had a great time. Don Schneider Memorial Crappie club sponsored the First Annual clean water again. This vegetation if we ever hope to have to write about the lack of aquatic week and, with the abundance of high temperature is near 70 and very stained due to 2.7” of rain received last this vegetation if we ever hope to have clean water again.

As of this writing, the water temperature is near 70 and very stained due to 2.7” of rain received last week and, with the abundance of high winds, it will stay muddy. I continue to write about the lack of aquatic vegetation in our lake. We really need this vegetation if we ever hope to have clean water again.

Speaking of high winds, your club sponsored the First Annual Don Schneider Memorial Crappie Tournament on April 8. This was a poor day of very windy fishing, but all participants had a great time.

It is fitting to name this tournament after a special member of our community who recently passed away. Don was an avid supporter of this club who loved to fish and always supported our efforts on the lake. The contest started out with 26 folks showing up to fish for the elusive crappie. This spring, as is usual, the crappie have been moving in and out of the shallow water as cold fronts pass. One day they are biting and the next, not so much. Saturday, April 8 was one of the windiest days in recent memory. Holy cow, I had to put rocks in my pockets to keep from getting blown off the boat! I put out four anchors and still couldn’t keep the boat from moving. Several smarter people fished from the shore. As the weighed-in began, it became clear that those people had made a good choice.

At the end of the day the little ones shined. There were two age groups. Winners of the 11-16 age group were: 1st Kalib Barthold age 14; 2nd Ben Willis age 14; 3rd Jake Kemna age 16. The 10 and under age group winners were: 1st Haddon Oliver age 4; 2nd Hutch Oliver age 9; 3rd Rebecca Warren age 7. All received a trophy for their efforts. The big money winners: 1st Haddon Oliver with 4.29lbs; 2nd Kalib Barthold 3.39lbs; 3rd Hutch Oliver with 2.29lbs. Elliott Sullivan, Don’s son-in-law, caught Big Crappie (1.72lbs), a very fitting result for our first Don Schneider Memorial Tournament. I could not help but think that Don was watching over us on this special day.

The following weekend, your club hosted the Ninth Annual Harvey Pippen Bass Tournament on April 15. This is our biggest payout tournament of the year and is a lot of fun for all. The day began with coffee and doughnuts for all participants. Sixteen teams showed up and awaited the glow in the sky signaling the beginning of the tournament. Boats left the docks just before 6:30 a.m. and it was on. The early morning bite proved to be special as everyone was catching early. When the sun got up, it became harder to catch those big bass. Some folks still managed to get it done. The wind did blow and picked up more and more as the day went on. The 2:30 p.m. weigh-in came around with mechanical removal and some chemical help. Why can we not maintain our lake vegetation the same way we do our golf course? It is all other teams taking home respectable winnings.

The third-place team was Chase Grant and Matt Norris who caught a 20.66lb five-fish stringer; two teams chased them for fourth and fifth with 19lbs+ stringers. Sorry, but these finishers only get bragging rights. Tim Purks and Jordan Grant came in second with five-fish sack that weighed 23.47lbs, a very nice effort. The first place team of Chance Willis and J.D. Smith really shone with a great catch of 27.06lbs.

April was a great month with two fantastic events. Congratulations to all of the winners. I can’t wait for May to get here.

Don’t stop thinking of ways for our club to help develop some maintenance programs that allow for aquatic vegetation. There must be a way to manage our vegetation with mechanical removal and some chemical help. Why can we not maintain our lake vegetation the same way we do our golf course? It is all

(L-R): Chance Willis and J.D. Smith captured 1st place.
(L-R): Tim Purks and Jordan Grant took second place.
(L-R): Chase Grant and Matt Norris placed 3rd.

home hospice care and inpatient care when symptoms prove unmanageable at home, hospices also offer “respite” care (periodic breaks for the caregiver of up to 5 days during which the patient is moved to an inpatient bed). Ask the hospice under what conditions the hospice provides these types of care.

11. Are their MDs/RNs certified in palliative care? Not having it doesn’t mean the staff is not competent as experience counts for a lot but having this credential is an indication of specialized study in palliative medicine/nursing.

12. How are patient and family concerns handled? Is there a clear process for sharing concerns with appropriate hospice staff and making sure they are addressed? The questions you have and any concerns should always be shared with the hospice team. Your patient rights give you the option to revoke care if you desire. There is no rule that you have to use a certain hospice, it is your choice, not your physicians, the hospital, the facility or anyone else. Ensure that you have what you need for the best possible quality of life.

13. How does the hospice measure and track quality? You are not looking for a lot of technical detail, just a response that indicates that the hospice evaluates its own performance in order to improve it. They should have a process as this is a Medicare requirement.

14. What are your general impressions at initial contact? First impressions do count, and it is important for you to feel comfortable and confident in the organization that you choose.

15. What kind of bereavement services does the hospice offer? Caring for the family after a loss is part of the hospice program. There are many types of grief support from calls, letters, cards, educational materials, individual counseling, special programs and support groups. These services are available pending the needs of family members and caregivers for at least a year and in many cases they are available when you are ready.

maintenance the way I see it. Without some vegetation, our fish health will continue to fail. Installing artificial habitat may help, but it is going to take years to get enough in this lake to meet the required need. We will continue to support lake management.

Look for the LKACC on Facebook by searching for “Lake Kiowa Angler & Conservation Club.” Through this medium we are able to upload photos and event schedules and publish tournament results. We hope to see your posts and suggestions there. If you would like to submit photographs of your fishing experiences and/or outings, send a note or photo to the club via our email account at lkacc4u@yahoo.com. We can then upload your pictures to the Facebook page. Thanks for all your continued support.

**Learn About Hospice Care (continued)**
Quilt Bee met April 6 in the Lodge with nearly 30 quilters attending. Sharon Catlett opened the meeting welcoming a few visitors and many resident quilters.

Sharon briefed us on the history and organization of our Quilt Bee. She would like to be relieved of her position as “Queen Bee” and suggested that some fresh leadership would be helpful. Anyone interested in helping with some aspect of our group’s organization is encouraged to call Sharon.

This month’s sew day will be April 21 at the Lodge. Please join us for the day or any part of the day to work on a project. Bring your equipment to the Lodge and work as long as you like between 9 a.m. and 4 p.m. We eat lunch together at noon and our orders are placed at 11:30 a.m.

If you just want to join us for lunch and some discussion, you are welcome. If you have any questions or problems that you are trying to solve, it’s a good time to ask for suggestions.

It was also proposed and adopted that the challenge for this year will be a black and white quilt of any size with one other color. This should be finished for the Christmas meeting – the first Monday evening in December.

Karen Ritter and Deanna Brown reported on the Medal of Honor Quilts that were being presented to the Honorees in Gainesville. Eighteen quilts were finished, but they may need some additional quilts made up quickly.

Dec. 4 is the Christmas Party that Lisa Bohannon has agreed to host once again – mark your calendars.

Our next Quilt Bee will meet May 1 at 7 p.m. in the Lodge.

Happy Quilting!!

Carole Clausing

Becky Branham showed one of eight charity quilts that she and volunteers made from donated fabric. Most of them were donated to EMT in Saint Jo and other agencies there that handle emergency situations.

Cathy Wilson created a mermaid set for her granddaughter.

Karen Ritter had a table runner that she recently finished along with two other quilts. She asked for some suggestions or other advice on a quilt she was working on.

Connie Fisher brought her first (and last) hand-quilted quilt (R) that she recently finished.
Terri Darger brought a whole cloth quilt (below) that her mother had spent 3 years quilting by hand. Terri also brought her first big quilt top that she recently finished.

Jeanne Smith brought a Dresden quilt made by her grandmother in the 1930s for Jeanne’s mother.

Lisa Bohannon brought two quilts that she made for her grandchildren, one for her soccer-loving granddaughter and another for her all-sports-loving grandson. Cathy Wilson helped quilt the soccer quilt.

GLENN POLK AUTOPLEX HAS BEEN RECOGNIZED AS A 2017 WINNER OF THE FCA CUSTOMER FIRST AWARD FOR EXCELLENCE

...MEANING, WE ACHIEVED THE HIGHEST LEVEL OF OVERALL CUSTOMER EXPERIENCE. WE’RE VERY BLESSED TO BE A PART OF AN ELITE GROUP OF CHRYSLER, DODGE, JEEP, RAM AND FIAT DEALERSHIPS ACROSS THE UNITED STATES....AND WE COULDN’T HAVE DONE IT WITHOUT MY AMAZING EMPLOYEES AND OF COURSE, YOU, OUR CUSTOMERS.

We just celebrated 22 years of being Family Owned and Operated here in North Texas!
Our Kiwanis men have been busy this month staining the benches and picnic tables at the Callisburg Elementary playground. They were also busy staining the playground equipment at the Lake Kiowa East Beach and worked on generally cleaning up the area. After that, they moved to the East Side Can Recycling area and stained the fence there. Big thanks go out to the men who worked on these projects.

Don’t forget to recycle your cans – this is a fundraiser for the Kiwanis.

The Lake Kiowa Kiwanis Easter Egg Hunt took place on Monday, April 10 at the Callisburg Elementary School. Rain or shine, the kids were still able to find over 5,000 Easter eggs. Due to the bad weather, some classes found the eggs in the gym as well as in the playground. Lots of fun was had by all. Thanks to the volunteers who helped with this special event.

Don’t forget the Lake Kiowa Kiwanis BBQ and Auction scheduled for Saturday, May 27 beginning at 4:30 p.m. We hope to see you there for a great night. All contributions benefit the Callisburg Elementary School, its children and the needy of Cooke County. None of the proceeds go to Kiwanis International or toward administration. Donations can be mailed to Lake Kiowa Kiwanis, 216 Cayuga Tr. N, Lake Kiowa, TX 76240.

Staining project at Callisburg Elementary School.

East Beach playground equipment gets a fresh look.

The Eastside recycle station also gets a fresh coat.
Many households now need more Internet speed to handle more streaming, more gaming, more downloading, and more socializing. Fortunately, you can get a lot more Mbps for just a little more money:

CALL 940-759-2251 TO START ENJOYING MORE!
This year’s fashion show took us back in time and then brought us back to the present. The decorations were a hit. Everyone hated to see them come down as the room was transformed to be elegant, classy and full of surprises.

The backdrop that Ginger and Jack Walker made was the most amazing work of art! Their creativeness and attention to detail were jaw dropping.

The special touches on each table with the “Little Black Dress” segment. Lisa Bohannon time to change clothes for the “Little Black Dresses” and were stunning. I love the way they followed based on our theme.

The food was over-the-top spectacular and the serving staff did a fabulous job.

A visit from our special guest, Audrey Hepburn, played by Connie Fisher, was a great way to start the show. Connie played the part perfectly and she was stunning as well. It got the ladies all excited about what they were about to see. She made a second appearance later in the show to give emcee Lisa Bohannon time to change clothes for the “Little Black Dress” segment.

Ladies love to laugh and Leslie Tomich brought laughter to the stage as she came out wearing nothing but a man’s dress shirt and sleep mask. She recreated a short scene from the movie “Breakfast at Tiffany’s” and left the room saying “I’m just crazy about Tiffany’s.”

Special stories about the vintage clothing and jewelry and how some of the clothing of the past can still be worn today was a favorite part of the show.

We hope that everyone in attendance enjoyed our luncheon after the show. I hope when they see a “little blue box with a white ribbon” in the future, they will remember this day and hold onto the promise of love, the legacy of a legend, the allure of all that’s beautiful and a timelessness that makes the gift endure. I personally will remember all of that and that the women of Lake Kiowa are just like that little black dress—classy, timeless, fabulous and never out of style.

Thank you to the committee members for all their hard work, endless hours of setup and cleanup, and to the Lodge Staff for making our lunch so very special. A huge special thank you goes to Ginger and Jack Walker for the storefront and to Sam and D Noble for preparing our wonderful lunch.

Patti Jackson, Chairwoman

(Not pictured: Kathryn Taylor, Hollie Clugston and Anaiah Cox).

CALLISBURG HIGH SCHOOL PRESENTS “ALICE IN WONDERLAND”

What a wonderful year this has been! The time has flown! It’s time for the performance!

I am so excited to bring to our Lake Kiowa stage Callisburg High School’s one-act play production “Alice In Wonderland” on May 11.

The group competed in the one-act play contest in March where two students, Caleb Ford and Emma St. Onge, were named to the honorable mention all-star cast. This production features whimsical music, wild transitions and the traditional cast of creatures Alice meets along her journey through wonderland.

The Theatre Department is under the direction of Cassie Cranshaw, a Gainesville native, who has previously taught in Oklahoma, South Carolina and Texas at Valley View and Wylie ISDs. Cassie and her family currently live at Lake Kiowa.

You won’t want to miss this wonderful production. Bible Study will host. See you there or, as they say in show biz, “Break a Leg!”

Kiowa Woman’s Club News

Our April meeting was at the home of Mindy Busch. This meeting was our annual plant and seed exchange. Quite a few people brought plant starts to share as well as seeds for future plants. Each person who brought something talked about the characteristics of the plant. Time also brought something talked about the future plants. Each person who starts to share as well as seeds for our annual plant and seed exchange.

Our next meeting will be on Tuesday, May 9 at the home of Lezlie MacElroy at 105 Apache Cv. E. It is the traditional Breakfast with the Birds. Members have signed up already to bring food, so potluck dishes are not required. Please carpool if you can to minimize the number of parking spaces needed.

This month’s tasks for the garden:*

- Plant caladiums and elephant ears as night temperatures reach 70 degrees.
- Plant ground covers and hot weather annuals such as periwinkles, portulaca, salvia, zinnias, and coleus.
- Continue to plant warm season turf grasses.
- Finish planting black-eyed peas, cantaloupe, cucumber, eggplant, green beans (pole or bush type), lima beans, okra, peppers, pumpkin, sweet corn, sweet potato, squash and watermelon. Plant perennial herbs in prepared soil or containers.
- Plant hardy varieties of palms and other conifers, treat as required.
- Inspect broadleaved evergreen shrubs such as euonymus and hollies for scale insects, and treat as necessary.
- Check ornamentals, flowers, and vegetables for spider mites, which begin to appear with hot weather.
- Continue regular mowing of warm season turf grasses every 5 to 7 days.
- Prune climbing roses after their blooms fade.
- Prune spring blooming shrubs such as forsythia and Indian Hawthorne after they finish flowering.
- Snip off the dried foliage of early spring bulbs such as daffodils and the faded flower stalks of irises.

Check roses for black spot and apply fungicide as necessary according to label directions.

- Check for chinch bugs in St. Augustine lawns (late May to September). Also watch for gray leaf spot fungal disease.
- Mulch planting beds to conserve moisture, deter weeds and keep soil cool.
- Be attentive to the water needs of new plantings.

*Information from Dallas County Master Gardener Association, Inc.

**Plant of the Month

Sedum Autumn Joy

This plant is as dependable and adaptable as they come. Its flowers bloom from August into November; they open pink and mature to a copper befitting of autumn. It is 2 feet tall and wide, with succulent stems and leaves. Sedum Autumn Joy looks great with ornamental grasses.

Noteworthy Characteristics: The long-blooming flowers change to August to December, the long-blooming flowers change to deep pink to copper. Attracts butterflies.

Care: Sedum prefers moderately well-drained soil and full sun to part shade.
fertile, moist soil in full sun, but can take it drier. 'Autumn Joy' can be tip pruned at 6 to 8 inches to shorten plant, but this will also delay flowering.

Propagation: Take softwood cuttings or root leaves in early summer. Start seed of hardy species in fall. Divide in spring.

Problems: Fairly trouble free, but watch for mealybugs, scale insects, slugs, and snails, as well as bigger critters, including deer.

Height: 1 ft. to 3 ft.
Spread: 1 ft. to 3 ft.
Growth Habit: Clumps
Growth Pace: Moderate Grower
Light: Full Sun to Part Shade
Moisture: Medium Moisture
Maintenance: Low
Characteristics: Attracts Bees, Attracts Butterflies, Showy Flowers, Showy Seed Heads
Bloom Time: Early Fall, Fall, Late Summer, Summer
Flower Color: Hazelnut, Pink Yarrow, Red
Uses: Beds, Borders, Cut Flower

A heartfelt thank you to Melinda Huggins for hosting Bible Study in April.

We wrapped up Ecclesiastes Chapters 9 and 10, reflecting on the full revelation of God to us: Living with joy, with the wisdom of humility, with wisdom and not with foolishness.

As we come to the end of our study, the final chapters of Ecclesiastes will reveal to us how our experiences in life play important roles in understanding the benefits of living a Christ-centered life.

God has set up our universe with precepts and order. We will do well to submit to his sovereignty as best we can, even when we do not grasp the meaning or end of it all.

Our hostess for the May 23 meeting will be Adele Foster. 138 Blackfoot Tr. N. We will celebrate the end of our wonderful study of Ecclesiastes this month with a potluck lunch. Everyone is encouraged to bring something yummy to share. Bible Study will begin at 10 a.m. followed by lunch. If you have questions, please contact Penny at (469) 337-1698 or Tricia at (512) 966-7591.

Hope to see you in May!

Tricia Folsom

Every house I’ve bought, I’ve bought through Landmark, and every time it’s been an easy, stress-free process.

- Adrienne Jacobs

Building our home was a tremendously wonderful experience. Our banker helped get the construction loan processed quickly so we could start building, and she sent emails and made phone calls to keep us up to date. Ninety days after we closed on the land, we were able to move in. Isn’t it time you became a Landmark?

The WGA had 55 members attend the general meeting on April 5. The weather was very windy and cold with only 27 players participating in the scramble. The meeting was kicked off with a golf video on ball location marking. Ladies, you can view these videos by going to www.usga.org.

Our Treasurer’s report showed an ending bank balance as of March 31 of $8,852.49. This includes $2,756.21 of earmarked funds, leaving a working balance of $6,096.28. Membership is now at 260 of which 128 participate in the hole-in-one pot. New members are: Joann Broughton, Crystal Harvick, Lisa Porter, Cynthia Prange, Sally Read, Kerlene Ross, Elaine Smith, and Rena Verhaert. Lorene Nix reported the golf clinics with Brown Smith, and Rena Verhaert. Lorene Nix has started with over 100 golfers participating.

Qualifying for the Dream Team has been expanded to include our Saturday golfers participating.

On May 24 the WGA will be hosting Texoma Golf Association. June Cloud and her committee hope everyone will participate by playing. Golf carts and volunteers are needed to make this moneymaker a success.

Gay Enright is gearing up for the MGA Kapers Tournament to be held June 9-11. This is a moneymaker for the WGA so Gay will need everyone’s support. Volunteers are needed to work the games, concessions, assist with food, and run errands.

Peggy Lewis and Molly Worthen hosted our Spring Fling Tournament on March 29. They headed the 18-hole players and Mary Lou Johnson headed the 9-hole players. Snacks and coffee were available before the 44 players headed off to play. A baked potato lunch with all the fixings was enjoyed after play and the awards presentation followed. Many thanks go to these ladies for a great tournament.

The weather turned cold for our March 15 Wednesday playday. Only eight 18-hole and seven 9-hole players braved the cold weather for a round of medal play. Players having a March birthday were recognized and treated to freshly made baklava prepared by Debbie Moody. After a round of medal play on March 22, Debbie and Dee had snacks and drinks available on the Patio. A cloudy and cool morning for our March 12 playday brought out 36 players for medal play with the game of HORSE.

Debbie and Dee, 18-hole chairs, are encouraging new members to play by starting a buddy program. They are planning to have more experienced players play a few holes with novice players on Thursdays at noon and on Saturday mornings. Rules, etiquette, scheduling tee times, and posting scores will be the focus of this training.

Lisa Bohannon and Cheryl Mason entertained everyone with a brief song featuring the theme “Motown in the Compound” for the Ladies Night Out event to be held on Oct. 12. A casting call is in the works. Lisa is asking all WGA members to participate and audition for a part in this great event.

Starting in April, the Handicap Committee will do random checking to make sure that scores are entered correctly. The Handicap Committee has the authority to assess a “par” penalty score after a second mistake has been identified. Carol Maners reported the “adopt a hole” program has had a positive impact on filling divots. Thanks to those who signed up for this initiative. Remember ladies, this is your course, and filling your divots and repairing pitch marks go a long way toward keeping our course in great shape.

Wednesday, May 3 will be our next scramble, meeting and lunch. Sign in by 8 a.m. with play 30 minutes later. Meeting and lunch follow play.

Linda Slater
Several of WGA 9-Hole players enjoy a March round.

1st (L-R): Barbara Cole, Debbie Romines, Cindy Cade and Anita Hughes.

2nd (L-R): Carol Bosse, Lori Brindle, Kay Gregory and Lisa Bohannon.

3rd (L-R): Sharon Mitcham, Genevieve Avinger, Dru Scholl and Debbie Moody.

Several of WGA 9-Hole players enjoy a March round.

April 5 Scramble Winners

- 9-Hole (12 players)
  1st Net Genevieve Avinger, 2nd Net Mary Lou Johnson, 1st Gross Cathy Wilson, 2nd Gross Dru Scholl.
DID YOU KNOW ...

That the USGA Handicap System is based on two basic premises? 1) That every player will try and make the best score possible on every hole and 2) that every acceptable round will be posted for peer review. Those are the basic tenets of the Handicap System and if not followed a player’s Handicap Index does not accurately reflect their potential ability. Why is that important? For fair and equitable competition. As golfers we’re all familiar with the term sandbagger—the player who artificially inflates their handicap to improve their chances of winning tournaments or bets. There’s also the opposite end of the spectrum—the player who artificially deflates their handicap to appear better than they are. Let’s call them egomeisters. In both cases, handicap manipulation not only hurts the individual manipulating the handicap, but it also hurts everyone they play with or against. In any competition the sandbagger has an advantage over other competitors while the egomeister is at a disadvantage because not only can they not compete on an individual basis but also they put their team at a disadvantage in a team competition. Many of us know sandbaggers and egomeisters and while the Handicap System has some checks and balances it is ultimately each of our responsibility to identify such individuals through peer review. Peer review is the one sure way to identify and correct the problem. As defined in the USGA Handicap Manual, “Peer review is the ability of players to gain an understanding of a player’s potential ability and to form a reasonable basis for supporting or disputing a score that has been posted. Peer review is not easy because it means that someone has to step up and say something when a player manipulates the system and creates a handicap that does not accurately reflect his or her ability.” You can step up and personally question a player or you can let the Handicap Committee know of your suspicions and we will investigate. The Handicap System’s purpose is to make the game of golf more enjoyable by enabling golfers of differing abilities to compete on an equitable basis. A Handicap Index that a player’s peers have reviewed and verified as truly reflecting a player’s potential ability is the only way to ensure that happens.

MGA General Meeting and Playday
Saturday, April 8, 2017

On Saturday, April 8, the Men’s Golf Association (MGA) met at the Pavilion. President David Verhaert called the meeting to order at 8 a.m.

David reported the HD screen/camera on hole #14 tee box is installed with the crew coming out this week to adjust the view so we can see more of the fairway by the trees. As you know, additional sand has been added to the traps, which according to Bryan will improve over the next few weeks. Please remember to execute the 90-degree rule going to your ball and not drive down the fairway. Also, all carts should be 50 feet from the green, not next to the green.

Jim Lewis reported the MGA has a current balance of $33,489 with $15,440 committed and $18,049 uncommitted. The hole-in-one amount is $4,560. The additional money is from two Kapers sponsors.

Jim Poker reported we have a total of 445 paid members with 28 new members, and 304 in the hole-in-one pool.

Jim Cicon announced the playday format for April 8 is the Dream Team Challenge. The result: 1st place – Gerald Smith, Larry Gingerich, Steve Bracy and Bob Bergbower. This is the first time the Dream Team has beat the field of 16 other four-man teams.

Upcoming MGA events:
May 6, 7 – East/West Challenge;
May 13 – MGA Playday;
June 9-11 - Kiowa Kapers.

Submitted by,
Larry Gingerich

1st place – Dream Team (L-R): Gerald Smith, Larry Gingerich, Steve Bracy, and Bob Bergbower.

SUNDAY COUPLES GOLF

Pictured are the winning couples from the April 9 tournament.

Twenty-four couples participated in the first 2017 Sunday Couples Golf tournament on April 9. The format was a four-person Stableford with points awarded on each hole according to the player’s gross score. Bogeys were worth 1 point, par worth 2 points, birdies worth 4 points and eagles worth 6 points.

Three flights were determined at the close of the competition.

Flight A winners were: First - Robert and Barbara Bergbower and Bob and Sharon Hey; Second – William and Lisa Herring and Greg and Jane Leatherman; Third – Scott and Debbie Moody and Mike and Donna Morris.

Flight B winners were: First – Jim and Danette Morrison and Richard Johnson and Dianna Robison; Second – Walter and Dru Scholl and Dwayne Hopson and La Vonne Jucha; Third – John Chapman and Molly Worthen and Tommy and Joy Mann.

Flight C winners were: First – Russel and Cheryl Davis and Mike and Linda Hicks; Second – Monte Lacy and Shayron Gathright and Ed and Madolyn Tomlin; and Third – Ron and Regina Spencer and Bill and Cynthia DeBorde.

Following the tournament, participants enjoyed a delicious dinner at the Lodge of chicken fingers, green beans, mashed potatoes and gravy with brownies for dessert. The next Couples Tournament will be Sunday, May 21 and the format will be a Las Vegas Scramble. Plan to come and join the fun!

Pride of Callisburg Named Sweepstakes Band

The Callisburg Wildcat Band did it AGAIN!! On March 3, the Wildcat Band participated in the UIL Region 2 Concert and Sight Reading Contest at Krum High School. Once again, the band received a Division 1 in both Concert and Sight-Reading. This resulted in the band receiving a Sweepstakes award for the second year in a row. Also, the Callisburg Wildcat Band is the only 3A band in Region 2 to receive the Sweepstakes award. Congratulations to The Pride of Callisburg and their director, Mr. Odis Bonner. They have worked very hard to deliver this honor to our school.

UIL Academic Team Wins District

They did it again! The UIL Academic Team dominated the competition in the 3A District Meet at S&S on March 22 and came out on top once again. Forty-six CHS students traveled to Tyler Junior College on April 7 to compete at the Regional Meet hoping to move on to the state competition. Check out the team results on the next page.

Ford and Riggsby Take Bronze at State Debate

The Cross-Examination Debate team of Caleb Ford and Mati Riggsby made it to the State Semi-Finals and finished in third place! Riggsby was named top speaker in 3A and Ford received the fifth-best speaker award. They are coached by Ronnie Conyers.

Lady Cat Powerlifters Go to State

Callisburg Lady Cat Power Lifters Katlyn Armstrong and Rebecca Eugster represented Callisburg High School when they competed in Waco on March 18. Rebecca Eugster met the challenge and finished 7th overall. Katlyn was prepared, but a computation error sidelined her opportunity. Congratulations, Lady Cats!

Prom Royalty Reigns at CHS Vegas Night

Hayden Baucum and Katlyn Armstrong were crowned the 2017 Prom King and Queen on April 1 at the CHS “Vegas Night” Prom. Everyone had a great time dancing and having fun with friends. It will always be a night to remember.

INTRODUCING ACUPUNCTURE

with Dr. Blake Young D.C., R.N.

Why Acupuncture?

- Stand longer without pain
- Get the energy to work & play
- Sleep more soundly
- Have overall balance
- See improvements such as increased range of motion
- Sit longer without feeling tightness in the neck

If you have heard about Acupuncture and have always wondered if it can help you, don't miss out!

If you have any questions, contact Texoma Wellness, and Dr. Young will call you back.

Call to Schedule:
903-564-9815
Serving ALL our community, clinics & patients!

FREE CONSULT
including an Acugraph Scan
(A State-of-the-Art mapping system for the body).

Find out how balanced your body is...
Find out about your daily rhythms and how Acupuncture can realign your energy so that some behaviors are switched on, and others are switched off.

Thank you Lake Kiowa!

March was a great month for Lake Kiowa’s Texas Hold’em poker group. Nona Tipps and Kim Howell had straight flushes, Jimmy Stewart had four aces, Gary Grant had four queens, John Nash had four nines, Jack Walker had four sixes, Gloria Sullo had four fives, and Elaine Blackwell had four twos.

The group enjoyed cake during the month, celebrating the birthdays of John and Vicki Springer, Paul Pucci, Randy Howell, and Elliott Sullivan.

Winners in March were:

End-of-the-month winners were Jack Walker, Georgia Blythe, George Chapman, and Mitch Sorsby.

There appears to be a pattern emerging with one of our regulars. It seems Randy Howell can get to the final two, but he’s having a little trouble getting that big win. Nice to see that Kim can get there though.

The Lodge continues to generously donate prizes every month for our weekly winners. You are welcome to join many of our players at the Lodge prior to Texas Hold’em on Wednesdays and Fridays to enjoy the great food being offered.

In addition to the Lodge, we are thankful to have Marvin Crew of Marvin’s Pest Control, Norma Crew of Premiere Real Estate, and Kim and Randy Howell of Bluebonnet Custom Homes donating additional prizes for our end-of-the-month game. We appreciate these Lake Kiowa residents and encourage you to consider using them when you need someone with their years of knowledge and experience.

If you are interested in playing Texas Hold’em, come to the Lodge on Wednesdays and/or Fridays at 6:45 p.m. There is no fee to join the poker group or play a game. Players of all experience levels are welcome.

Debbie Moody

The birthday celebrants enjoyed some cake (L-R): John and Vicki Springer, Randy Howell, Paul Pucci and Elliott Sullivan.

Texas Hold’em at the Lodge

Nona Tipps (L) and Kim Howell revealed straight flushes.

Jimmy Stewart had four aces.

Kim Howell revealed straight flushes.

Gary Grant was dealt four queens.

John Nash had four nines.

Jack Walker turned up four sixes.

Gloria Sullo shows her four fives.

Elaine Blackwell proudly shows four twos.

The birthday celebrants enjoyed some cake (L-R): John and Vicki Springer, Randy Howell, Paul Pucci and Elliott Sullivan.
Tenuto Torciano Winery provided another great wine tasting in April at the Lodge. Steve and his staff provided excellent service, making sure that we had plenty of bread, cheese and meats to enhance the tasting experience. Thank you doesn’t express our gratitude for all the help they provided to make this event a huge success. Thanks also go to Mike and Terri Pulec for their lead role in coordinating the wine tasting, along with all the FOL Board members for their service in setting up and cleaning up after the event. Last, but certainly not least, thank you to everyone who attended and supported Friends of the Lodge (FOL).

We quickly turn our attention from wine to horse racing. FOL is sponsoring its first annual Kentucky Derby Party on May 6 in the Assembly Room starting at 3:30 p.m. We will have Southern Appetizers (Fried Chicken Drumminis, Pimento Cheese Sandwiches, Biscuits and Ham Sliders, and Pecan Pie), play Derby games, and watch the race live. Prizes will be awarded to the Best-Dressed Couple and for the ladies’ Best Hat. A five-piece jazz combo from UNT will provide our music. The cost is $25 per person and a cash bar will be available and, of course, Mint Juleps will be featured. If you have not made your reservation, please contact Susan Hair at skhair@aol.com or (432) 770-5155.

Memorial Day Weekend is the official kickoff to summer and we are celebrating with a free summer concert on the lawn. Join us on Sunday, May 28 starting at 7:30 p.m. Clint Sturgeon and The Running Haggard Band will be playing live country music for our enjoyment. Bring your lawn chairs, blankets, or sit on the Patio and enjoy the music. Dancing will be available under the Pavilion. Reminder: you cannot sit on the Patio while drinking your own alcohol and drinks need to be in plastic containers on the beach. If you purchase alcohol from the Lodge, you must stay on the Patio. As always, we must abide by TABC regulations.

We are excited about these two new events and hope to see you at the Lodge.

Susan and Greg Hair
LAKE KIOWA PROPERTY OWNERS ASSOCIATION

Security Report
March 15 - April 11, 2017
Green grass, leafed-out trees, wildflowers and an increased penchant amongst the general public for the dropping of baited hooks in the water at the parks and low water crossings are the truest indicators that spring has come to Lake Kiowa.

Anglers are blessed with a well-stocked lake and multiple access points, but it must be noted that outside guests are not permitted to fish or use any of the other lake amenities unless accompanied by a member who has specifically authorized their admittance. The completion of the Low Water Crossing #3 bridge has opened that area up to fishing once again within the following parameters: all vehicle parking will be at the east-end access and dock area; pedestrian and golf cart traffic will be permitted on the north side of the road. The west-side (Blackfoot Tr. N.) docks are on private property and cannot be used without permission of the owners. Absolutely no fishing will be allowed from the bridge.

Security Guardhouse personnel have witnessed the tackle of boat sticker update requests turn into a stream as the year has progressed, and new boat registrations have become a several-times-a-day occurrence. Security patrol, during this reporting period, noted three parking violations, assisted two motorists and a golf cart operator, performed two welfare checks and investigated four auto accidents. Lake patrol aided two boat operators experiencing mechanical difficulties. Departmental logs indicate that response was made to two business alarm activations, a reported suspicious vehicle, a disorderly conduct complaint and unauthorized fishing at the bridge construction area. An illegal sign was taken down, unauthorized guests fishing at Low Water Crossing #2 were removed and a dog owner was asked to remove a pet from the West Beach. Two golf cart operators were given verbal warnings for not displaying lot numbers on their carts. One member reported criminal mischief involving a vehicle on San Chez Dr. W.

Citations for violations of the juvenile curfew and for employee interference (impeding an investigation) were written by Security patrol for the actions of minor dependents on a golf cart at 2 a.m. on a Sunday morning. Cooke County Sheriff’s Office deputies responded to Lake Kiowa for a reported domestic disturbance with a resultant medical emergency page-out for ICYFD. Thirty-four additional fire department emergencies were monitored by Security staff from the Guardhouse. Seven ambulance escorts to Lake Kiowa addresses were provided by Security patrol. Security first responders were activated on three occasions.

Animal control activities included nineteen stray dog chases, response to two barking dog complaints, a dog bite investigation and thirteen varmint calls and complaints. One dog was transported to Noah’s Ark Shelter in Gainesville after being housed in the POA kennel for the requisite three days.

Golf Course Update
April showers bring May flowers! We have already had several rain events this month. Thankfully, we have avoided any of the severe weather that has hit North Texas. If we don’t have a two-month stretch similar to the spring of 2015, I will never complain about the rain. It may throw a wrench into some of our maintenance plans, but there is nothing better for turf than rain water!

On Monday, April 3, we performed a solid tine aeration on greens. The purpose was to relieve some compaction and, most importantly, promote gas exchange. An added benefit is improving water movement through the soil profile. If you played on Tuesday, you probably didn’t even realize we had done anything to the greens on Monday. Our two core aerifications are scheduled for May 2 and Aug. 21. We will probably add two more solid tine aerifications in June and July.

On Tuesday, April 4, Fleetwood Services began installation of a new greens loop irrigation line. They started on #2 and finished up on #16 on Friday, April 7. The Greens Advisory Group identified them as two of the worst surrounds that remain wet for long periods of time during frequent watering in the summer. If we see a noticeable difference, I hope the remaining greens will be done later.

Tees continue to get their every two-week nutrient application. Although they don’t look as good as the fairways and greens, I do think they are ahead of where they were at this time last year. That is promising. As mentioned in previous reports, this will continue through October.

Also, during the first week of April we made our first monthly wetting agent application to fairways. This is something we did last year and the feedback I received on fairways was overwhelmingly positive. The main purpose of the wetting agent is to make our irrigation more efficient by holding the water in the soil root zone a little longer so the plant can take it up through the roots. Monthly applications will continue throughout the growing season. On Monday, May 15 we are scheduled to make our annual granular fertilizer application to fairways. The application is a custom-blended fertilizer based on soil tests. It is a mixture of quick-release nitrogen and slow-release nitrogen that provides a quick burst of growth followed by a steady season-long feed. It is the same blend we used last year, and I expect a similar response.

An issue that has come up repeatedly is the bunkers. I heard a lot of complaints that there was not enough sand in the bunkers. That is just not accurate. The real issue is that over the sand has become compacted. Last week, we experimented with a few things to break up that top 2-3” of sand but still maintain a playable surface. I know for a few days the bunkers were a little rough, but I do think the bunkers have become less compacted. We will go back to our normal way of maintaining the bunkers and may stir them up again when I feel it is necessary.

Please continue to fill your divots and repair your ball marks!

Bryan Brown
Golf Course Superintendent

REPEAT OFFENDER VIOLATIONS
April 2017
Rule 3.2.7.c.-Repeat Offenders
Within a 12-month period members, lessees, or contractors that receive two or more citations or a combination of two or more citations in the Special, Serious or Major categories will be considered as repeat offenders. Multiple infractions issued during the same incident will not be considered as repeat offenses. Names of repeat offenders will be posted on the Lake Kiowa website and printed in the Communiqué.

By rule, the following property owners are considered as a repeat offender:
Robert Richardson, Lot 404, family members violated boating laws in June and August.

Lodge Update
The wind and the rain sure have made outdoor activities challenging the last month. The Patio has been full almost every day and fun is still being had by all. So come and join the fun and enjoy what’s happening at the Lodge!

The number one selling limited menu item is still the meatloaf with the chicken fried chicken coming in at number two. I have decided to continue with the same menu for another month. I am working on new menu items that will be added in the future and I will let you know when they are finalized.

We will have some exciting new events coming this month. The FOL is hosting a Kentucky Derby party in the Assembly Room. We have gotten cable TV set up on the big screen TV for a great viewing for everyone, no matter how big the crowd. There will be fun games and I’m sure there will be a best hat contest. The FOL will also sponsor the first “Concert on the Beach” featuring Clint Sturgeon and the Running Haggard Band. It will start at 7:30 p.m. and go till 11 p.m.

Thanks again for all your support!

Steve Wunderlich
Public Works Update

Public Works has finished work at the entrance to the main office. The redecoration with paint, new moldings, furniture, and carpet has improved the looks and hopefully your visits to the office. A new engraved stone with the Lake Kiowa logo in the flowerbeds should make the office easier to find and identify when driving on Kiowa Drive South.

PARKS AND LAKE

Glad to report that the lake remains at the full elevation of 700.00. Fishing tournaments have benefitted with the entrance to the lakeside. Thanks again for your time and consideration during the construction.

Don Hoover

The new bridge at Low Water Crossing #3 has been completed. Traffic is restricted to weight-limited vehicles. Thanks again for your participation and numbers of fish caught as the temperature of the lake rises. Please be advised that there is no fishing allowed from the new bridge located at Low Water Crossing #3.

Work continues as the bathrooms and other structures receive new paint and repairs to these facilities. Thanks to the volunteers for help in upgrading the playground areas.

ROADS AND BRIDGE

The new bridge at Low Water Crossing #3 has been completed. Traffic is restricted to weight-limited vehicles. Thanks again for your participation and numbers of fish caught as the temperature of the lake rises. Please be advised that there is no fishing allowed from the new bridge located at Low Water Crossing #3.

The following options are available to all Lake Kiowa residents:

- **Auto Debit - Free Service!!**
  Preferred method of payment; no late fee charges if payment debit is not rejected. Automatically debits your specific, total monthly amount on 10th day each month - if 10th falls on a weekend or holiday, account will be debited next business day.

- **Online Payments**
  Available at lakekiowatx.com website - listed on Menu under Personal - Pay Account Online.

Fees for using this method, which vary depending on your funding choice; requires you to set up your payment each month.

Must set up a personal account on the website. Allow enough time for payment to complete processing before 25th day of the month to avoid late fee charge.

- **LKPOA Office Drop-Off**
  Office is open to receive payments Monday through Friday, 8 a.m. to 4:30 p.m., except for legal holidays. Cash is accepted, but checks are strongly preferred.

LKPOA Payment Methods & Policies

- **Payment by Mail**
  Addressed to LKPOA, 107 Kiowa Dr. S., Gainesville, TX 76240.
  Payment envelopes must be postmarked no later than 25th day of the month to be considered on time.

- **Bill Pay Services Through Your Own Bank.**
  Most banks offer Online Bill Pay services. Ensure your processing date in accordance with your bank’s suggested lead time in order for payment to reach us before 25th day of the month to avoid late fee charge.

- **RED Drop Box.**
  The Red Drop Box located near the entrance of LKPOA Office parking lot - NO CASH in here.
  Drop box is cleaned out twice daily - 8 a.m. and 4:30 p.m.
  On the 25th day of the month all payments that are removed from Drop Box at 4:30 p.m. are considered “on time.”

Any payments placed in drop box after 4:30 p.m. on 25th day or later are considered late and a $50 Late Fee will be charged to property owner’s account.

***Special Note*** If the 25th day of the month falls on a Saturday, Sunday or an observed holiday, payments must be received by 4:30 p.m. on the last business day before the 25th in order to be considered on time.

Lake Kiowa Property Owners Association
Board Meeting
Monday, March 20, 2017
Southwest Room

• Call to Order – President Busch called the meeting to order at 6 p.m.
• Pledge of Allegiance – President Busch led the Pledge of Allegiance.
• Established a Quorum – Lori Brindle and Jim Marifice absent. All other members present. Quorum established.
• Approve Minutes – Gerald Smith made a motion to approve the minutes from Feb. 20. Seconded by Gary Cotten, all approved, motion carried. Jim Mead abstained. Jim Mead made a motion to approve the minutes from March 11 Organizational Meeting, which was seconded by Norma Desilets, all in favor, motion carried.
• Treasurer Report by Keith Cole – February Income $364,898 against a budget of $345,133 positive $19,766 or $139,467 YTD. Expense for February $339,035 vs. $331,371 negative $7,664 or $65,618 YTD. Net Revenues for February $25,864 vs. $13,762 or $205,085 YTD. Major income contributors for the month – Maintenance Fees $10,473, Building Permits $4,041, Lodge Sales $7,193 Newsletter Ads (2,046) and Green Fees ($2,793). Major expenses for the month of February came from – Security ($1,579), Administration ($9,833), Lodge Food Service ($8,402) and Communi Qué $2,674. The status of our reserve funds continues to be excellent – ARRF $1,170,326, CARF $224,102, FRRF $93,897 and the Capital Development balance is $209,026 with $154,000 transferred in February from real estate sales. We had a slight increase in delinquencies 65 versus 62 delinquencies, but monies owed were reduced $20,404 vs $25,970 in February.
• Project Funding Model – Gary Cotten presented the latest update of the Project Funding Model. The goal is to establish a Major Projects’ Funding Plan that includes a prioritized project summary, estimated cost, estimated timing and funding source. Gary reviewed the completed Project Template, modified Project Decision Tree, the Selection Roadmap and the recently developed Project Selection Spreadsheet. The Project Funding Models’ objective is to provide the current Board and future Boards with a roadmap of current asset improvements and newly identified asset requirements.
• Survey Discussion – The Board members discussed plans for the 2017 Community Survey. It was agreed that Charlie Foster would work on the development of tactical questions to be included in the survey and the Long-Range Planning Committee would begin development of strategic questions for the survey. The plan is to distribute the survey before fall of 2017.
• 2017/2018 Budget Discussion – The Board reviewed the Budget Development Schedule. The first meeting will be held April 3 at 3 p.m. The second Funding is scheduled for April 20. The next two meetings are scheduled for May 1 and May 15. The budget is expected to be approved at the June 19 Board Meeting.
• Committee Updates: Lori Brindle was named as the new chairperson for the Golf Committee. Norma Desilets was named as chairperson of the Celebration and Communications committees. Jim Marifice was named as the new chairperson for the Long-Range Planning Committee and Sam Saunders was named as the new chairperson for the Rules Committee. Jim Mead made a motion to approve the appointments and was seconded by Keith Cole. All in favor, motion carried.

Cathy Witt – chair of the Information Service Committee and Scott Manning

LAKE KIOWA PROPERTY OWNERS ASSOCIATION

Special Budget Meeting
Monday, April 3, 2017
Southwest Room

• Call to Order – President Busch called the meeting to order at 3 p.m.
• Established a Quorum – Norma Desilets absent. All other members present. Quorum established.
• Charlie Foster – made a request on behalf of Nathan Outlaw to allow the Shriners to collect donations at the Front Gate on Friday, April 21. Dan Busch made a motion to allow the Shriners to do collections this month and go forward every April in the future, which was seconded by Gary Cotten. All in favor, motion carried.
• Gerald Smith – made a request and a motion to allow for the deconstitution of lots #380 and #307 located at 403 Cocopa Dr. W. The lots have been constituted since 1993. The owner has met the four-step requirements of rule 1508.C and subject to county approval regarding Lot #380. Pete Mason seconded the motion. The ACC has approved the deconstitution and the Board is approving based the deconstitution process. All in favor, motion carried.
• Charlie Foster – made a request for $5,000 to repair the cart path that runs between both cart paths on Hole #7. It is estimated that 200 linear feet of path would need to be replaced by our personnel. Keith Cole asked if any outside bids had been secured. Charlie explained that had not been secured. Dan Busch suggested that outside contractors should be contacted for suggestions and bids. The request was tabled until outside vendors had been contacted and bids received.
• 2017/2018 Budget Discussion – The Board reviewed the Budget Development Schedule. The second meeting is scheduled for April 20. The next two meetings are scheduled for May 1 and May 15. The budget is expected to be approved at the June 19 Board meeting. The topics discussed and reviewed at this meeting included the following items:
  • YTD Expense actuals and forecasted for 16/17 by category;
  • YTD Revenue actuals and forecasted for 16/17 recurring and non-recurring;
  • Number of lots to be used for budgeting purposes – 1442;
  • Reserve Funds – AARF and FRRF;
  • List of new initiatives needs and items;
  • Road Plan go forward 10 plus years;
  • Technology and Security requirements;
  • Lake Reserve Fund and what can be done with existing working capital.
• Additional budget considerations – Jim Mead suggested the removal of the PVC colored yardage markers from each hole on the course and replaced with something more attractive and practical. Additionally, he noted that the sprinkler head yardage markers need to be corrected, repaired and/or replaced.

Jim Marfice led a short discussion of the survey plans and questions. Gary Cotten asked about future services to be provided such as on the Lodge Patio, Lodge experiences and POA etc.
• Motion to Adjourn: a motion to adjourn was made by Gerald Smith, seconded by Jim Marfice. Everyone agreed, motion carried. Meeting ended at 5:35 p.m.

Submitted by,

Pete Mason
Secretary

Temporary passage by light vehicles was allowed in early April over Water Crossing #3.

The new bridge over Water Crossing #3 opened to all weight-limited traffic on April 17.
LAKE KIOWA SPECIAL UTILITY DISTRICT

MINUTES FOR MEETING OF BOARD OF DIRECTORS
DATE: Wednesday March 8, 2017
TIME: 9 a.m.
PLACE: 133 Kiowa Drive South, Lake Kiowa, Texas 76240

Minutes

1. Call to Order and Declaration of Quorum: President Thies called the meeting to order at 9 a.m. All Directors were present with the exception of Secretary Cole. General Manager Young and Community Manager Charlie Foster were also in attendance.

2. Review and approval of minutes of February 8, 2017 board meeting(s): Vice President Bergbower made a motion to accept the minutes as presented after a correction of the word “and” was inserted between report and approve on item eight. Director James seconded the motion and all approved.

3. Public Comment. (Speakers limited to 5 minutes each): None

4. New Business:
   a) Discussion and possible action relating to Ordinance No. 2017-002 ordering THE CANCELLATION OF THE GENERAL Election SCHEDULED FOR May 6, 2017, FOR the purpose of electing two (2) directors to the Board of Directors of Lake Kiowa Special Utility District: After some discussion, Director Dressel made a motion to adopt ordinance No. 2017-002 to cancel the May 6, 2017 election. Vice President Bergbower seconded the motion and all approved.

5. Old Business:
   a) Discussion and possible action to engage an engineering firm to provide surveying and other services required to amend the district’s certificate of convenience and necessity in order to serve Lake Kiowa Property Owners Association acreage.
   b) Update and possible action agreeing to participate in a Regional Water Study for the purpose of developing a plan to take, treat, and distribute water to water rights holders in Collin, Cooke, Denton, and Grayson counties.
   c) Update on fixed base meter reading system upgrades: Manager Young updated the Directors on the ongoing installation process.
   d) Discussion and update on the waterline replacement Project #2.
   e) Committee reports:
      i) Human Resources (HR) Committee:
      ii) Budget and Rates Committee:
      iii) Long-range Planning and Conservation Committee:

7. Reports:
   a) General Manager re: review of contractual matters; water system maintenance and status; status of capital improvement projects; rates and finances; customer relations; employee matters; special projects; equipment, materials, and vehicles; administrative matters; and, recommendations for water system improvements: General Manager Young discussed some items that needed to be addressed in our current Rate Order and stated that he would add them to a later agenda for action. He also went over the current financial statements and discussed several items.
   c) Recent activities of the North Texas Groundwater Conservation District: None

8. Review and accept monthly financial report(s) and approve payment of bills: Treasurer Richey made a motion to accept the monthly financial reports and approve the payment of bills. Director Dressel seconded the motion and all approved.

9. Discussion on future agenda items: Rate Order changes, items from old business.

10. Adjourn: President Thies adjourned the meeting at 9:25 a.m. By:

Ronny P. Young
Deputy Secretary

INFORMATION SYSTEMS COMMITTEE: Bonnie Woodruff moved to approve minutes, seconded by Sam Moore. Motion carried.

SECRETARY’S REPORT: February meeting minutes were reviewed, Bonnie Woodruff moved to approve minutes, seconded by Sam Moore. Motion carried.

Small-Job Specialist
I have 40 years experience in every facet, every aspect of constructing, repairing, restoring and remodeling a home. Working on the very same homes in Highland Park for 25+ years has provided me with insights into what procedures and which materials work best. I now work alone (and I really do not care for the commute), so small projects are preferred. Call me if I can be of assistance to you.

Paid Advertisers and “Letters To the Editor” do not necessarily reflect views of the LKPOA and endorsement is not intended.

Editorial Policy
The policy and purpose of this publication is to inform all residents of events and activities within our community, to report on actions and decisions made by our Lake Kiowa Property Owners Association Board of Directors, and to publish the results of those decisions. Information is important for everyone to know that problems are being worked on and remedies are being sought.

The following items will be accepted for publication: Events and information about Kiowa organizations that are open to all residents; events in our surrounding communities when Kiowa residents may be involved in them; and items of a personal nature that reflect on the generous character of our residents or a milestone in their lives.

A Letter to the Editor should be less than 350 words in length and will be accepted if it presents a thoughtful and constructive view to an issue that may be controversial within our community. It may be reviewed and verified for factual accuracy by the appropriate authority. The factual clarification will be published along with the letter. The letter should be typed or in legible handwriting, signed by a verifiable resident, and will be published unedited with misspellings indicated when necessary. If handwriting cannot be easily read, it cannot be used. The CommuniQué will not be responsible for misreading a handwritten word. A letter may be refused if space is limited. If several letters are received expressing the same view, one may be chosen for publication. Letters containing personal attacks, self-promotion, or advertising will not be published. Letters to the Editor do not necessarily reflect the view of this newspaper or its advertisers.

Welcome Brent Reed to our office!

Brent and Kathy have lived at Lake Kiowa for over 20 years. As owner of Brent Reed Financial Services for the last 15 years Brent has a strong background in finance and is very happy to be adding real estate sales and representation to his list of services.
