It's the time of year to start thinking about candidates for the LKPOA Board of Directors. This year there will be three directors to be elected. The three whose terms are expiring are Dan Busch, Jim Mead and Gary Cotton.

The LKPOA Board of Directors has the responsibility to govern our community and to preserve our LKPOA common assets and amenities. You can appreciate how important this process of elections is to the preservation and protection of our individual rights and property values. The decisions made by our board are vital to the stability and growth of our community.

We need people of integrity who are interested, intelligent and involved to be presented on the ballot. Each director is elected to serve a three-year term.

The Board of Directors Governance Policy, Sections 1.2 Major Duties of the Board and 1.3 Due Diligence – Responsibilities of Individual Board Members describe the duties of a board member. The entire document is available on the LKPOA website under Documents.

Potential candidate names must be submitted to the committee by Nov. 15. Committee recommendations of candidates are to be presented to the LKPOA Board of Directors on Dec. 18. The candidates’ names will be published in the January 2018 CommuniQué.

Ballots will be mailed to all homeowners on or about February 1, 2018. Those elected will be announced at the LKPOA Annual Meeting to be held March 10, 2018.

If you are interested in talking with the nominating committee about running for the LKPOA Board, please contact me at (940) 736-7725 or cohooncorky@tnin.net

The LKPOA Nominating Committee comprises the following: Corky Cohoon, Lisa Bohannon, Jim Lewis, Leslie Tomich and Bill Turner.

Thank you for your interest and participation in our LKPOA nomination process. Corky Cohoon

Lake Kiowa Newcomers Event
Reservations Deadline Oct. 2

The Kiowa Woman’s Club in conjunction with the Lake Kiowa Property Owners Association is sponsoring the semi-annual Lake Kiowa Newcomers Event on Saturday evening, Oct. 7 at the Lodge at 6 p.m.

Invitations were sent to Lake Kiowa property owners and lessees new to the community since the last event in March. If you didn’t receive an invitation or have not attended this event and are new to the community within the past year, you also are welcome to attend. A Mexican Buffet will be served and you will hear valuable information from our Community Manager and LKPOA Board President with an opportunity to ask questions.

Because dinner is being served, a head count is needed by Oct. 2. Please call or email me at (940) 727-4869 or deec@tnin.net to RSVP or ask questions.

We had a wonderful summer, blessed with rainfall that has kept our lawns and trees lush and growing well. With this growth comes a need for proper maintenance in the fall and winter to ensure the great condition of our landscaping for the future.

The LKPOA has invested in resources for pruning our trees in our parks and on the golf course. This maintenance improves the appearance of the trees, allows more light to reach the ground and thus improves the chance of turf below the trees, and removes weak or dead limbs that will come off in future storms anyway. Getting the limbs down and hauled away in advance of storms anyway. Getting the limbs down and hauled away in advance of a storm event could prevent damage to property like fences or vehicles. The overall health of the tree is improved, as a balanced tree has less risk of branch or whole-tree failure. All trees go through their life cycle, albeit some quicker than others. In the event a tree on your property dies, please have it removed right away to maintain the appearance in our community and to prevent potential future damage.

Once the deciduous trees lose their leaves, it is also a good time to have the parasitic invader mistletoe removed. While it may be appreciated around the holidays by some people, it causes problems on trees as it will reduce the growth and can ultimately kill a whole tree. The LKPOA had mistletoe removed from many of its trees last year and it appears to be staying away in those areas. It would be extremely beneficial to our entire community if all property owners had the mistletoe removed from their trees and we could limit the devaluation of our important assets - beautiful trees.

The lower pruning is done by our staff, but the taller work is best done by professionals as they make safe and quick work of it. If you prune your trees yourself, make sure that the branches are bundled in sections less than 36” in length and weigh no more than 35 pounds per bundle. They can also be placed in trash bags for pickup, but also ensure that they are at or under the weight limit and placed on the curb no earlier than Sunday before Monday trash pickup.

The trees that make Lake Kiowa so special can create quite a chore to manage in the fall once the leaves begin to fall. Mulching our leaves into our lawns is the easiest method and improves our turf while at it. The shredded leaves work their way into the soil, break down and improve the quality of the soil for free. By leaving your grass at 3 to 4 inches, it allows the ground leaf particles to work down to the soil and not be blown away. This may mean you must mow several times a week in the fall to process the leaves before they become too thick, but that should be easier than raking and bagging for several hours each week. Processing your leaves on a timely basis keeps your yard looking better, harbors less pests and keeps debris from finding its way into our lake. If you choose to bag your leaves, ensure the bags weigh less than 35 pounds each and are placed on the street in front of your house as noted above.

Our fall cleanup is scheduled for Thursday to Saturday, Nov. 16-18 at the campground area below the dam from 8 a.m. to 5 p.m. each of those days. This is for your household rubbish only, no hazardous wastes, tires, batteries, paint, chemicals, electronics, etc. Check out the Gainesville Solid Waste Transfer Station (http://www.gainesville.tx.us/index.aspx?NID=213) or Texoma Area Solid Waste Authority (http://www.taswa.com/) for information on disposing of items that we do not accept.

How do I say Thank You?

For the overwhelming support of community that truly lessened for me the fog of grief I felt after losing my husband, Roger Heerema.

I’m so grateful for every card, food, visit from friends and text messages, calls and emails of love to help me over this loss. I still haven’t caught my balance, but feel very loved.

Kiowa is a one of a kind place; I am so grateful!

Dottie Heerema

Can you lend a toy firetruck?

The ICVFD Fish Fry/Auction will be held Oct. 14. We are in dire need of toy firetrucks for table decorations. If you can lend us a truck, please call me at (972) 742-5813. Big or small, we can use them all.

Just put your name and number on the bottom and we will get them back to you after the event. You can drop off your truck at my home at 300 Colt Dr. E., or at the Lodge and I will pick them up.

Downen's Celebrate 70th Wedding Anniversary

Just a note to let you know that Elaine and I celebrated our 70th wedding anniversary Sept. 14. We are pleased with our accomplishment.

We were married at Fields Springs State Park, which is near Anatone, WA. We went on and finished my GI Bill and I graduated from Washington State University in Pullman. Then I worked with several companies and we lived throughout the United States.

We found Lake Kiowa in January 1994 and have enjoyed the many friendships and activities.

JUDGE MORRIS SEeks REELECTION

County Court at Law Judge John Morris announces that he will seek re-election to a fifth term. Morris took the bench in January, 2003, as the first elected judge of the Cooke County Court at Law. He has been reelected three times. His present four-year term expires at the end of 2018. As a candidate he must file to run for office at the end of 2017. The primary election will be held in March, 2018, with the general election in November, 2018.

After seven years as the criminal district attorney of Fannin County and two years in private practice in Sherman, he moved with his family to Gainesville in 1981 to join the law firm of Stark & Barnhart. He was in private law practice in Cooke County from then until he was elected judge. His wife Galene retired from the Gainesville Independent School District as an elementary school teacher after almost thirty years in the classroom. Their two daughters graduated from Gainesville High School.

Judge Morris is board certified by the State Bar of Texas in the area of criminal law which he says serves him well as judge in that more than half the court’s docket is criminal cases. Morris says that his judicial philosophy is to make judgments based on the facts and law without legislating from the bench. He says it is not his job to make the law but to adhere to his oath to follow the laws of Texas and the United States. He has never had a case overturned by an appeals court.

As a civil servant of Cooke County, Judge Morris has always stayed within the court’s budget as set by the county commissioners. Disposing of hundreds of criminal and civil cases a year, the court operates efficiently with a well-trained staff consisting of a court coordinator, a court reporter, and a bailiff.

“I make an effort to treat all who come into my courtroom with courtesy and respect whether they are lawyers, litigants, or private citizens. It has been my honor and privilege to serve the people of Cooke County as the judge of the court for fifteen years. I look forward to another term in their service.”

COMMUNITY
October 2017
Special thanks and credit go to Jim Marfice and Gary Cotten for their part in the Hurricane Harvey Relief Effort. Jim Marfice worked with the Texas/Oklahoma Kiwanis Disaster Relief Organization and the Arlington Kiwanis Club as they provided the funds, the contacts and the list of items purchased and delivered. Marshall Kregel, the TX/OK disaster relief chairman, did all the logistics.

Below are details of their journey by Gary Cotten:

“We left Kiowa around 8:30 Tuesday morning and drove to Sam’s in Arlington where we met the Director of the TX/OK organization and the President of the Arlington Kiwanis Club. We purchased and loaded a variety of supplies including food, cleaning supplies, diapers and paper goods - a total of just over $4,000. We loaded Jim’s truck and my trailer to capacity. We drove to a Boys and Girls Club facility in Orange TX, which was being used as a distribution center. We arrived about 6 p.m. and were greeted by representatives from the Salvation Army and the Orange County United Way.

“After unloading, we attempted to find motel rooms in Beaumont, Winnie and Baytown, but there were none available - all full or not open, so we drove back home arriving about 4 a.m. It was a long day, but everyone we worked with - the TX/OK organization, Arlington Kiwanis, United Way and the Salvation Army - were so appreciative and helpful that it made it all worth the effort.”

We cannot express enough thanks to these two guys for everything they did and endured during their journey.

Our kids have started back to school and we have been told they are loving their new playground. The Callisburg Elementary Student Council attended our meeting and thanked the Kiwanis for the new facility. They said, “This fun play area bridges our school together, and allows our students and teachers to enjoy additional opportunities and resources.” Our playground ribbon cutting ceremony will be Friday, Oct. 20 at 10 a.m.

The student council also advised us that they would be doing a Harvey Relief Fund; Lake Kiowa Kiwanis is contributing to this fund. We have also decided to give to the Callisburg Elementary Book Fair scholarships for needy kids determined by the school’s counselor.

It was so rewarding to meet these great kids from Callisburg Elementary. Remember, by joining the Lake Kiowa Kiwanis, you are helping all these kids in our area. If interested, please contact Barbara Martin at bjmartin617@yahoo.com or Jim Poker at jim.poker@gmail.com.

Remember: Kids need Kiwanis – Kiwanis needs you!

By the time you read this article, I hope fall will have come to stay at Lake Kiowa. We have had a very nice September and I am hoping for a beautiful fall.

The newly decorated Lodge, specifically the Assembly Room, is waiting for your inspection if you have not already seen it. What a beautiful place to worship God. Our year is in full swing. The choir gave its first performance on Sept. 17.

Speaking of the choir—it is still looking for people who love to sing to join them as they rehearse every Monday morning at the Lodge at 8 a.m. They perform for us on the third Sunday of each month. Since I do not sing, I can’t say from experience, but I hear that they have a very good time with our great director Glenn Wilson. Why not give it a try?

Chapel has been concerned about the victims of Harvey and Irma. Instead of making a contribution to one of the national response agencies, we have chosen to help relatives of our members who were affected by providing personal checks for them to use. If you have a relative in need, please inform someone on the Board and we will try to help them.

The sermons for the month are:

Oct. 15 - J. Ray Smith “Retaining and Releasing” Part 11/ Ecclesiastes 3:6 (Choir sings);
Oct. 29 - J. Ray Smith “Peace and War”/ Ecclesiastes 3:8 (Communion).

Come join us at 8 a.m. for fellowship and the worship of God in our newly decorated Assembly Room.

Advent Chapel Bible Study

This is it, the Bible study so many have been asking me about. It starts this month and is a four-week series held on Tuesdays at 1 p.m. at the Lodge. It will start on Tuesday, Oct. 17 and go through Nov. 7. It is a wonderful study that should help prepare our hearts for the Advent season.

Once again it is a video series by Dr. Kenneth Bailey and is entitled “A Clear View of the Birth of Jesus.” The lesson titles are as follows: Where was the Manger and What was the Inn?; Three Surprises: His Ancestors, Joseph and Herod; Salvation and the Wise Men; and Herod’s Atrocities and Simeon’s Welcome. These videos last about 30 minutes and discussion will follow.

Dr. Bailey spent 40 years living and teaching New Testament in Egypt, Lebanon, Jerusalem and Cyprus. He brings his Middle Eastern experience of the culture and nuances of the language to the parables of Luke that enriches and deepens our understanding of the life and teachings of Jesus.

Notes will be provided for you so that you might relax and enjoy the information that Dr. Bailey is presenting. Mark your calendars for Tuesdays at 1 p.m. starting Oct. 17.

The Sept. 4 meeting of the Kiowa Quilt Bee had 18 quilters present. We enjoyed having Dee Anna Brown’s birthday cake during our meeting.

We were reminded to put the Common Thread Guild’s Quilt Show on our calendars. It will be held Oct. 13, 14 at the Gainesville Civic Center. Be sure to go see the amazing quilts. In addition to the quilt show, there will be a silent auction for miniature quilts to benefit the local ABBA (All Babies Born Alive) Women’s Center.

Our next meeting will be Oct. 2 at 7 p.m. in the Lodge.

The planning continues as we prepare to support the ICVFD in their Annual Fish Fry and Auction on Saturday, Oct. 14 starting at 5:30 p.m. We are still collecting items for both the silent and live auctions, so if you have any items that you wish to donate, please contact Carol Jacobsen at (940) 368-4950.

Another opportunity to help our ICVFD is by purchasing a ticket for the quilt raffle. The quilt was created locally and hand-quilted by people at the Sanford House.

Tickets are one for $5 or five for $20; tickets remaining after the drawing will be included in all other drawings at the fish fry. Please contact Marilyn Board at (214) 924-1009 or any Auxiliary board member to purchase tickets for this raffle.

Fish fry tickets are $20 each (children under 6 are free) and members of our ICVFD will have them available to sell or you can contact any Auxiliary board member to purchase them. They will be on sale at the Dollar General store on FM 902 and you may also purchase them at the door the night of the event. This is something you won’t want to miss and what a fun way to help support our ICVFD.

A gentle reminder: Have you given your $75 donation to the ICVFD? It is an easy thing to forget so check your records and, if you haven’t made this all-important donation, please take the time to do it now. Just drop it off in the ICVFD’s locked mailbox at 550 Kiowa Dr. W.

UPCOMING EVENTS
The ICVFD Auxiliary’s annual bake sale is always held on the Sunday before Thanksgiving. This year that is Sunday, Nov. 19. What a great way to have home-baked goods to add to your Thanksgiving dinner. Mark this date on your calendar so you don’t miss out on these delicious homemade goodies from pies, cakes, breads, cookies and so many other items that our bakers prepare for this event.

And, speaking of bakers, we’ll need volunteers to donate these wonderful baked goods, so interested bakers can contact any Auxiliary board member to help us with this event. Please give us a call.

For information or to volunteer to help, please contact any Auxiliary Board member: Jo Brannan (940) 395-3405, Melva Akins (940) 745-1455, Judy Hughes (940) 736-3820 or Kathy Reed (940) 736-3531.

Our next ICVFD Auxiliary meeting will be held Monday, Oct. 2 at 6:30 p.m. in the Southwest Room in the Lodge. Hope to see you there!

“We Don’t Talk About Them…”

Is there a relative dropped off the family tree who nobody wanted to talk about? Looking for an ancestor who might have been up to (or accused of) no good? Kimberly Wells will discuss how to look for these “troublemakers” while doing your genealogy research. She will also discuss how to search for prisoners, deserters, runaway spouses and other possible pariahs in a variety of sources.

Kimberly received her BA in History and MLS from the University of North Texas. She spent six years working in the Genealogy and Local History department of the Fort Worth Public Library. In 2006, she accepted a position with the Denton Public Library and currently is the manager of the Emily Fowler Central Library.

Kimberly made a lasting impression with her presentation on “Epidemics” that’s still being talked about. She’s a dynamic speaker you don’t want to miss, especially with a topic like this one!

Join us every fourth Thursday as we expand our knowledge of history, genealogy and ourselves. Our meetings are from 1 to 3 p.m. with a social lunch from 11:30ish till 1 p.m. Everyone is welcome.

The price is right (FREE) and the only requirement: your time. See you Oct. 26!

“Dr. Vissers performed knee surgery on me and the care I received was excellent. I don’t know why anyone would drive out-of-town for healthcare services when we have wonderful care here. I have been in many larger healthcare systems and by far, this was the best experience. NTMC made it easy and convenient and the small town, personal touch is a huge bonus.”

Our September meeting was full of new beginnings – new board, new committee chairs, AND a “new” Assembly Room. It was wonderful being one of the first groups to meet in our elegant, newly decorated assembly hall.

The new membership yearbook was revealed and members could pick up their personal copy. If you were not able to attend in September, be sure to pick up your membership yearbook in October. Each of the departments was able to showcase its events for the coming year. Be sure you sign up for Gourmet, Bridge and Canasta and come to Arts & Crafts! It’s bound to be a great year!

Pat Mead, Program Chairperson, has a special treat in October! Our program will be “Motown Matinee!” Besides our regular members, I expect several guests who were not able to attend the Girls Night Out performance. Members may bring as many guests as they like, but they must make a luncheon reservation for them. No one may attend unless they are a guest of a KWC member. Please make your reservations early, as I think our room will fill up quickly.

In October, Lake Kiowa will again celebrate its Fall Festival. KWC will participate with its cookie walk, and lots of volunteers are required to make it a success. Please contact either Jayne Sweet or Joann Broughton and let them know how you can help.

It clearly takes a village to keep everything running smoothly, but with the wind at our backs and our sails unfurled, we are well on our way to a wonderful year!

Together in Friendship,
Cheryl Mason

Guest Speaker Chris Hahn (L) cleverly helped Kiowa women discover their “color personality” at the Sept. 14 meeting. President Cheryl Mason (R) and members exchanged notes on their discovered personality traits. Decorations at the tables launched the year of sailing.

Volunteers, please!
OCTOBER COOKIE WALK
This year KWC will host a cookie walk during the Fall Festival on Saturday, Oct. 28 from 5:30 to 7:30 p.m. in the Pavilion. This will be much like the 4th of July Cakewalk.
We need volunteers to bake/buy cookies and to work the event. If you can help in any way, please call Jayne Sweet (940) 641-0687 or Joann Broughton (713) 906-7681.

MOTOWN MATINEE

The program for the Kiowa Woman’s Club Oct. 12 meeting will feature the Motown Sound. Motown shattered barriers, shaped our lives and made us all move to the same beat.

Lisa Bohannon will be our emcee for this song and dance extravaganza and introduce many famous Motown names. Talented Lake Kiowa performers will take us on a musical journey through the 60s, 70s and more. Make your reservation and join us for this musical matinee.

What a great turnout for our September Bible Study! We enjoyed a wonderful introduction to the book of James by the author of our study, Nan Anderson. Thank you, Maccene Adams, for opening your home to us and to those who provided yummy food for us to enjoy.

Have you ever asked “why” when life seems so hard and messy? Our study of James begins with a look at the purpose of trials in our lives and offers an answer for this question. As we look at the first chapter of James, we will begin to see the importance of faith in everyday life. We hope you are enjoying your time with the Lord answering the questions provided and reflecting on this first chapter.

On Oct. 24 we will meet in the home of Melinda Huggins, 108 Tomahawk Dr. E. Our time begins with refreshments at 10 a.m. and our study ends at 11:30 a.m.

If you are new to Lake Kiowa and would like to participate in Bible Study or have questions, please contact Penny Cotten at (469) 337-1698. She will be glad to add you to our email list and/or get questions for study to you.

A huge adventure awaits the women who come to the Book Review on Friday, Nov. 3 at Sally Poker’s home, 216 Cayuga Tr. N. You will hear her review “The 100-Year-Old Man Who Climbed Out the Window and Disappeared” by Jonas Jonasson.

Booksellers say about the book, “A reluctant centenarian much like Forrest Gump (if Gump were an explosives expert with a fondness for vodka) decides it’s not too late to start over . . .”

His adventure would be the adventure of a lifetime for anyone else, but Allan Karlsson has a larger-than-life backstory. He has witnessed some of the most important events of the twentieth century, and he has actually played a key role in them.

Be prepared to laugh, perhaps to cry. For those of us who approach centenarian status, we will laugh more loudly!

Social time begins at 10 a.m. with the review beginning at 10:30 a.m.

#### Garden & Nature

Thirty ladies came early to hear our young speaker, Emma Bronnenberg via Skype, tell about her project for the community garden.

Next month we’ve determined that rather than travel outside Kiowa for a field trip, we will visit lovely gardens right here in our community. One only has to drive through Kiowa to see beautiful, well-maintained lawns. The gardens we will tour were planned and executed by the homeowners themselves. We will meet at 9:30 Kiowa Dr. E. at 9:30 a.m. to load as few cars as possible for the tour. Following the tour, the group will gather at the home of Sandra Clark for light refreshments and visitation.

To use a nautical expression, fall is coming and it is time to “batten down” for those long, cold winter days. Keeping an eye on the forecast, begin to gather baskets and pots you intend to winter over for next season into greenhouses and/or any area that can be kept at a positive temperature of at least 50°. Mulch heavily tropical ground plants to protect them. No pruning of plants after mid-September to prevent new growth that will not winter over. Rule of thumb, certain plants can wait till they go dormant. In some cases, it will destroy next season’s blooms. Know your plants “personally,” as some require special treatment.

**BE ALERT!!** Army worms are on the march. After they’ve decimated a yard, they proceed to the neighboring yard. Several people have already reported yards devastated by them. It is very possible they’ve been brought in by landscapers delivering soil from outside this area as well as turf from South Texas growers. When purchasing these items, ask where the product will be coming from and if they guarantee the product to be pest free.

COMMUNITY OUTREACH PROGRAM

This year the KWC community outreach program is to reach out to an organization close to home and hearts—Indian Creek Volunteer Fire Department. The desired outcome of this project is that the department will be supported by a much higher percentage rate than now is the case. We have three goals in this initiative and will need help to reach them.

Goal one: To encourage our members to set up an automatic draft for their yearly donation of $75 or more. We have discovered that most people do want to donate, but they just forget to do so each year.

Why is it so important to set up a draft? It is very simple. Each year this draft? It is very simple. Each year this

For each member to remember we need to convince one other person who has not done so to donate. Our slogan—“1+1 Will Increase the Fund.” If each of our meetings, we will share

Goal two: For each member to set up an automatic draft for their yearly donation of $75 or more. We have discovered that most people do want to donate, but they just forget to do so each year.

Goal three: To educate our members and the community about the department’s needs and all they do to protect and serve our community. At each of our meetings, we will share a one-minute “Did You Know” fact about the fire department.

Please see Marilyn Board or me for further information. And, please support the fundraising dinner and auction on Oct. 14 in the Pavilion.

Community Outreach committee members (L-R) Marilyn Board and Lynn Keckonen hold the quilt being raffled to benefit the ICVFD while Lee Skinner signs a raffle ticket.

Because when it comes to caring for your eyes, we know what it’s really all about. You.
Lake Kiowa Angler & Conservation Club

Aug. 19 Bass Tournament

The Fisheries Biologist and Lake Management Consultant made the following fishing limit recommendations. These recommendations have been given careful consideration to keep a thriving ecological habitat for Lake Kiowa. The Angler & Conservation Club has fully endorsed the following fishing guidelines for Lake Kiowa:

**Hybrid Striper:** Catch and release.

**Black Bass:** Keep Black Bass between 10-15 inches; 5 per day, per person. Release all other Black Bass under 10 inches and over 15 inches.

**Crappie:** Keep over 10 inches; 30 per day, per person. Release all under 10 inches.

**White Bass:** Otherwise known as Sand Bass. **No Limit.** Remove all you can.

**Perch:** **No Limit.**

**Channel Catfish:** Keep fish over 14 inches; **No Limit.** Release all under 14 inches.

**Drum:** **No Limit.** Remove any caught from lake.

**Carp:** Grass Carp have been intentionally introduced to the lake to help manage excessive grass and weed growth. Do not remove any caught from lake.

**TROT AND JUG LINES ARE NOT PERMITTED!**

Dock owners are encouraged to provide cover for the fish under your docks. Make sure the trees are securely anchored so as not to interfere with boat traffic. Feed the fish! Dry dog food or pellets especially made for the fish are readily available at feed stores. For questions, feel free to contact Mike Bitsche for specifics.

ZEBRA MUSSELS. DON'T BE A CARRIER.

CLEAN, DRAIN & DRY YOUR BOAT.

WHAT SHOULD I DO IF I CATCH A TAGGED BASS?

If you catch one of the tagged bass (white tag behind the dorsal fin), please record the tag number, weigh, measure and date.

Quickly return the fish to the lake.

Then send the data to the club at lkacc4u@yahoo.com.

Thanks and tight lines plus good fishing!

For Geri Pollard and Charlie Bitsche, love is truly lovelier the second time around. On Sept. 2, in the shade of a large oak tree south of the Pavilion, they were married. Again.

In 1960 a Catholic priest married the two. Some years later they divorced and each married new partners. Both of those partners died in recent years. So, Geri and Charlie decided to put their lives together again in 2017 at ages 75 and 79.

They had been divorced for 30 years, Geri explained. They asked a priest to marry them now, but he declined, saying that the Catholic Church does not recognize divorce. Therefore, in the eyes of the Church, they have been married for 57 years. They were amused by that, but to make it a legal new marriage, the reunited couple decided to exchange vows with Lake Kiowa Security Officer Sammie Hughes officiating in the presence of their family.

It did not seem difficult to gather the family. Two sons, Mike and Mark Bitsche, live at Lake Kiowa. Their daughter, Chris Lunsford, lives in Collinsville. As long as Mark, the volunteer assistant fire chief of the Indian Creek Volunteer Fire Department was not called to a fire, it seemed easy to schedule. However, it was difficult to find a time for the nuptials that would work for Mike who was extremely busy preparing for the Angler & Conservation Club’s annual fish fry. So, the couple decided to exchange vows near the Pavilion just before the fish fry to make it easier for the whole family to be there.

Children, grandchildren and two great-grandchildren gathered in a circle around Geri and Charlie as they exchanged vows and rings. Then the family celebrated with a special wedding cake, fish and fixin’s and dancing with Lake Kiowa friends.

The following examples illustrate how to ensure you are competing on an equitable basis. In our first example, Bob and Ruth are playing each other from Lake Kiowa. Both have an identical 12.4 Handicap Index that is used to compute their Course Handicap. Bob’s Course Handicap is 14 and is calculated using the men’s slope rating for the Green Tees: (12.4x125)/113=13.7. Ruth’s Course Handicap is 15 and is calculated using the women’s slope rating for the Green Tees: (12.4x138)/113=15.1. Despite having identical Handicap Indexes, Ruth’s Course Handicap gives her an additional stroke when competing against Bob from the Green Tees. In our second example, Young is playing from the Green tees and competing against Elder who is playing from the Member tees. Young’s Green tee Course Handicap is 7 and Elder’s Member tee Course Handicap is 20. Normally this is where everyone stops with Young playing to scratch and Elder receiving 13 strokes, but this is incorrect. To truly compete on an equitable basis an additional adjustment is required for the difference in Course Rating between the two sets of tees, in this case three strokes (71.1-68.3=2.8). Why? Because Young is playing a more difficult golf course than Elder. The Rating difference is normally added to the Course Handicap of the player playing from the higher rated set of tees but it can be subtracted from the player playing the lower rated set of tees. In our example, if Young plays to scratch then Elder would receive only 10 strokes in the match. Oh, by the way men, if you’re playing Lake Kiowa from the Member tees and competing against your wife who is playing to scratch and Elder receiving 13 strokes, but this is incorrect. To truly compete on an equitable basis an additional 7 strokes must be subtracted from Elder’s Handicap Index, giving her an additional three strokes (71.1-68.3=2.8) and a new Handicap Index of 22. Why? Because Young is playing a more difficult golf course than Elder. The Rating difference is normally added to the Course Handicap of the player playing from the higher rated set of tees but it can be subtracted from the player playing the lower rated set of tees. In our example, if Young plays to scratch then Elder would receive only 10 strokes in the match. Oh, by the way men, if you’re playing Lake Kiowa from the Member tees and competing against your wife who is playing from the Silver tees, it’s a bad bet. The USGA formula says you have to give her an additional three strokes. Move up to the Green tee and the formula says she gets no additional strokes. What she says might differ.

Our general meeting and scramble were held on a beautiful, cool day on Sept. 6. We had 52 players participate. The Treasurer’s report for August 2017 showed an ending bank balance as of Aug. 31 of $8,520.83. Earmarked funds not included total $726.21. Our total membership is currently at 272, with 133 members participating in the hole-in-one pot.

Only 16 players participated on Aug. 23 for our playday scramble. The low turnout was largely due to a very wet course and cart path only. Following play, everyone enjoyed brat sliders grilled by Scott Moody and Steve Wunderlich. Thanks guys, for supporting our WGA playdays. On Aug. 30 we had 36 players for a Bingo, Bango, Bongo game where players were awarded points for being first on the green, first closest to the pin and first in the hole.

Our restrooms have been decorated over the years by the tireless efforts of Dolly Marek. New Year’s, Valentine’s Day, Easter, St. Patrick’s Day, Memorial Day, July 4th, fall and Christmas are just a few of the themes Dolly used to put a little touch of the season into the restrooms on #4 and #13. Now it’s time for Dolly to retire and we need someone to step up and assume this responsibility. So, if you have some spare time, a little talent in decorating and the desire to support the WGA, we would love to have you. Please let Carol Maners know if you are interested. Thank you, Dolly, for all you have done with this project by giving your talent, time, resources and your love to the WGA.

A nominating committee for the 2018 WGA Board has been established. The members are: Carol Maners, Danette Morrison, Molly Worthen, Debbie Romines and Cynthia Prang. Please let one these ladies know if you are interested in serving the WGA in 2018.

This will be the ninth year for Girls Night Out. WGA talent, under the direction of Lisa Bohannon, is working very hard to make this another fun and fantastic evening. This year’s theme will be “Motown in the Compound,” and will be held on Oct. 10.

Looking ahead to October, tournament chairs are working hard on our final two tournaments of the year. The President’s Cup and Club Championship will be held Aug. 20-22. Plan to sign up for these great tournaments.

The next scramble, meeting and lunch will be Wednesday, Oct. 4. Please sign in before 8 a.m. Don’t forget to fill your divots and repair pitch marks on the greens.

Friends of the Lodge News

Friends of the Lodge (FOL) is very appreciative for everyone who donated blood at the Lodge last month. Many residents responded and gave generously. Texoma Regional Blood Center will return on Monday, Nov. 13 from 11 a.m. to 3 p.m. If you missed this opportunity or would like to give again, we hope you will consider donating in November.

Fall Festival returns on Saturday, Oct. 28. Activities begin at 5 p.m. at the Pavilion. Bring the kids and grandkids for a fun evening of old fashioned activities for all ages. There will be a costume contest, pumpkin painting, face painting, bounce houses, carnival games and several photo opportunities. The Indian Creek Fire Department will have equipment on site to give the kids a closeup view of the firetrucks and the equipment they use as well as an opportunity to be a fireman. Come see the surprise the fire department has planned. The Lodge will have hot dogs ($3), bratwurst ($4), hamburgers ($5) and cheeseburgers ($6) for sale, all served with chips and condiments. Trunk or Treat will start at 6:30 p.m. in the south parking lot of the Lodge.

With all Lake Kiowa organizations participating in the carnival activities, we desperately need volunteers to participate in the Trunk or Treat. Please consider decorating your trunk or golf cart to hand out candy or trinkets to our ghosts and goblins. I’m not sure who had more fun last year, the adults or the kids. If you are planning on participating in Trunk or Treat, we would appreciate it if you would let us know in advance. Not a requirement, but it would help us to know if we have enough volunteers. You can let Patti Jackson, our Fall Festival chairman, know by phone or text at (580) 341-8097 or by email pafred48@att.net. We look forward to another successful event and hope you have Oct. 28 on your calendar. If you have any questions, please contact Patti.

Reservations are open for our dinner theater event, “Katharine Hepburn—Through Her Eyes,” written and performed by Lee Skinner. The date is Saturday, Nov. 4 starting at 5:45 p.m. for cocktails and hors d’oeuvres (cash bar) with the performance starting at 6:30 p.m. (no bar service during the performance). Dinner will be served at 7:30 p.m. and there will be live music during dinner. The cost is $30 per person and reservations can be made by calling Penny at the Lodge (940) 665-3741 no later than Oct. 30. The cost will be charged to your lot. The menu consists of bacon-wrapped dates with goat cheese and sausage apple skewers for appetizers, the entrée will be steak saltimbocca with potato mélange and candied carrots, followed by caramel apple quesadilla for dessert. Reserve early as this will be a popular event.

Save the date for FOL’s New Year’s Eve celebration on Sunday, Dec. 31. The theme this year is “Winter Wonderland.” We are excited to announce that we have the same awesome band from last year returning this year. No doubt, the Lodge is THE place to ring in the New Year. As always, hope to see you at the Lodge.

August was a good month for Lake Kiowa’s Texas Hold’em poker group. Cindy Cade had a straight flush. Georgia Blythe and Gloria Sullo were dealt four aces, and Tom Nardecchia had four eights. Mike Johnson had his first four-of-a-kind with four jacks, but no one called him on his bet, so it didn’t really count as far as our monthly article goes. We decided to take his picture anyway since it was his first such hand.

Since we lost Jerry Bergeron, our long-time leader, we have had several people lend a hand running our twice-weekly games. Unfortunately, no one thought to keep track of the winners each night, so we’re not able to print their names. The only thing I know is that I didn’t win any night during August.

We are currently looking for someone willing to show up twice a week to set up and run the games, so if you are interested, please let Penny at the Lodge know.

The Lodge continues to generously donate prizes every month for our weekly winners. You are welcome to join many of our players at the Lodge prior to Texas Hold’em on Wednesdays and Fridays to enjoy the great food being offered.

In addition to the Lodge, we are thankful to have Marvin Crew of Marvin’s Pest Control, Norma Crew of Premiere Real Estate and Kim and Randy Howell of Bluebonnet Custom Homes donating additional prizes for our end-of-the-month game. We appreciate these Lake Kiowa residents and encourage you to consider using them when you need someone with their years of knowledge and experience.

If you are interested in playing Texas Hold’em, come to the Lodge on Wednesdays and/or Fridays at 6:45 p.m. There is no fee to join the poker group or play a game. Players of all experience levels are welcome.

Security Report
Aug. 15 - Sept. 12
Lake Kiowa residents and guests closed out the summer season in fine fashion, observing the Labor Day weekend with golf, tennis, gatherings on the beach, forays on the lake and backyard cookouts. The Front Gate did a brisk business and Security Patrol was out in force on land and lake to insure a fun and safe experience for all.

During this last reporting period of the summer, Lake Patrol effected five stops for observed violations and assisted stranded boaters on four occasions. Land Patrol dispensed five warnings for illegal parking and assisted three motorists. One vehicle operator was found to be without possession of a valid license and one young golf cart operator was escorted to his home when found to be without a golf cart permit.

Note should be taken of the troubling number of motor vehicle accidents reported in the community. Security personnel investigated a total of seven such incidents. At least six could be attributed to driver inattention or carelessness. The Cooke County Sheriff’s Office was called to respond or carelessness. The Cooke County personnel investigated a total of seven incidents. At least six could be attributed to driver inattention or carelessness. The Cooke County Sheriff’s Office was called to respond or carelessness. The Cooke County Sheriff’s Office was called to respond to an accident involving driving under the influence.

Eight citations were issued this month for the following offenses: commercial parking on the street without traffic cones; glass containers on the beach; unaccompanied guests; damage to property; reckless driving; public intoxication; leaving the scene of an accident; and playing golf after closing.

Security Patrol secured one unlocked door, performed one welfare check, removed an illegal sign and chased down a gate runner. Response was also made to one residence alarm and one business alarm. Security personnel were called to investigate a disturbing-the-peace complaint and a reported auto burglary.

Animal Control actions included 18 dog chases, a stray cow and 12 varmint interactions. The Guardhouse monitored 32 ICYFD emergency calls and provided three ambulance escorts. Security medical first responders were activated on two occasions.

Golf Course Update
Labor Day has come and gone, signifying the end of summer. Fall is here! This might be my favorite time of the year. Cool mornings followed by mild afternoons. Leaves on trees changing colors. Football season. Kids back in school. Just so much to love! All that being said, there is still a lot to do in golf course maintenance. In the next few weeks, we will be performing wall-to-wall application of pre-emergent herbicide. This is done to prevent germination of winter annual weeds. In the tank, we will include a post-emergent herbicide to clean up what weeds we have out there now. This year, we are contracting out the pre-emergent herbicide application. The company can finish the process in one day, but if we do it ourselves, it can take up to a week or more. This will be such a time saver and a more accurate application.

We performed our final core aeration on greens on Aug. 22, 23. Having that second day has really improved the whole process; everything went well. Three weeks after aeration, the greens are nearly 100% healed. The recent early morning temperatures in the low 50’s have slowed the recovery slightly. Following aeration, we did raise our mowing height to help recovery. We have begun lowering the mowing height incrementally and will continue to do so until we get green speeds where we want them for the Men’s Match Play, Couples Club Championship, WGA Club Championship and the MGA Member-Member tournaments.

We continue to apply low doses of complete macronutrient fertilizer weekly and are supplementing those with micronutrient packages every two weeks. Beginning this month, we have increased the amount of potassium fertilizer in our program. Potassium activates plant enzymes used in protein, sugar and starch synthesis. It also plays a key role in maintaining turgor pressure in plants. Thus, it has a strong influence on the drought tolerance, cold hardiness and disease resistance of turfgrasses. Deficiencies of potassium in turf may be expressed as increased susceptibility to drought, winter injury and disease. This is done to prepare the greens for the cold winter temperatures.

Overall, tees are in good shape. They are on a 14-day fertilizer program and will be through the month of October. Fairways remain in really good shape. The final two wetting agent applications for 2017 will be made over the next six weeks. This helps with color and water retention.

Please continue to fill your divots and repair your ball marks.

See you around the course.

Bryan Brown
Golf Course Superintendent

Public Works Update
PUBLIC WORKS
We are working on getting mowing and weed eating caught up after August rains. We also have been assisting with cleanup from construction at the Lodge. The renovation is moving along at a steady pace. It is starting to take shape. We appreciate your patience. The end is getting closer and it will be very nice to enjoy for a long time.

ROADS AND BRIDGES
We are beginning to schedule road work with contractors, hopefully to start in the next few weeks. As soon as we get a date, we will pass that information on to you.

Mike Dillard

BE SAFE - BE AWARE

When walking or riding bicycles on the streets of Lake Kiowa, please remember these guidelines:

Walk on the left side of the road FACING traffic.
Wear reflective clothing or carry a light at dark.
Bicycles should travel in the same direction WITH traffic.

PARKS AND LAKE
Lake elevation as of Sept. 13 is at 700.00. Again, please observe the informational buoys around the lake while enjoying full lake elevation.

We are currently working on trimming up and cutting down trees around parks, especially the nature area, as well as around lake walls on the golf course. We are also replacing damaged posts on the boat docks.

Happy Halloween

Lodge Update

Lake Kiowans,

We have started off our busy event season with a bang and are moving rapidly towards awesome events to round out our year at your Lake Kiowa Lodge. We appreciate every group letting us bring these events to life with the great support of our many Lake Kiowa groups.

I wanted to let everyone know we have been paying attention to comment cards and have made some changes based on guest recommendations. We have added a daily special that will be different every day and have also started crafting our own soups daily, which we will be different every day and have also started crafting our own soups daily.

We are currently in the middle of our Summer Hatch Chiles menu and will be moving full speed into our Oktoberfest menu starting Oct. 1. We have not yet solidified the menu choices, but are currently looking at Oktoberfest specials in years past and planning to add more authentic German and Austrian menu items to help celebrate fall!

As always, please fill out your comment cards or come see me at the Lodge. Thank you again for all your wonderful patronage. We look forward to seeing you soon!

Thanks,
David Auffrey

Check out the Oktoberfest Menu on page 32. These items are available the entire month of October.

Board Meeting
Monday, August 21, 2017
Southwest Room

Executive Session – Dan Busch made a motion to enter Executive Session at 5:30 p.m., which was seconded by Norma Desilets. The topic was a Citation Appeal. Dan Busch made a motion to exit Executive Session, which was seconded by Gerald Smith. All in favor, session ended 5:58 p.m.

Call to Order – President Dan Busch called the meeting to order at 6:00 p.m.

Pledge of Allegiance – President Busch led the Pledge of Allegiance.

Established a Quorum – All members were present except Jim Mead. Quorum established.

Approve Minutes – July 17 regular meeting – Norma Desilets made a motion to approve the previous Board Meeting Minutes and was seconded by Keith Cole. Dan Busch abstained. All approved, motion carried.

Treasurer Report by Keith Cole – Income for July $422,974 against a budget of $393,867 positive $29,107 for the month. Expense for July $363,713 vs. $359,821 negative for the month ($3,892). Net Revenues for July $53,987 vs. $28,772, positive for the month $25,215. Major income contributors for the month over budget – Lodge Sales $12,058 Food and Beverage, Green Fees $8,786, Late Fees $2,519 and Newsletter Ads $1,670. Major expenses for the month of July came from – Security ($6,812), Public Works ($5,236), Golf Course $3060, and Administration $2,602. The status of our Reserve Funds continues to be excellent as of July 31 – ARR $1,248,050, CARF $234,853, FRRF $376,796 and the Capital Development balance is $209,559. Total delinquencies 50 with money owed $14,367. President Busch asked Charlie Foster to investigate the Security Department overrun of their monthly budget.

Committee Updates
- By-laws and Covenants Committee – Gerald Smith presented the suggested changes to our current Covenants and By-laws. Included in the Covenants suggested changes are proposed updating of the rezoning process by the Architectural Control Committee and the Board of Directors. The second suggested change to the Covenants is increasing the minimum square footage of any new dwelling from 1500 square feet to 1750 square feet. The By-laws suggested changes would give the Board authority to correct administrative errors that occur in the current Covenants and By-laws. The second suggested update would clarify the definition and location of the term “Family” in the current Covenants and By-laws. Gerald presented the sample Petition for Covenant Changes ballot, which was approved by the Board and will be distributed to the membership for voting purposes. Gary Cotten made a motion to approve the suggested Covenants change, which was seconded by Jim Marfice. All approved, motion carried. Keith Cole made a motion to approve the By-laws updates, which was seconded by Gary Cotten. All approved, motion carried.
- Lake & Parks – Pete Mason presented a request on behalf of the tennis and pickle ball organizations to purchase four benches to be located at the tennis/pickle ball court. The benches are made of recycled material and are like the current benches located at the Pro Shop. Unanimous support from Lake & Parks Committee was received. Total cost including shipping and tax not to exceed $2,000. Gary Cotton made a motion to provide funding for the requested benches, which was seconded by Gerald Smith. All in favor, motion carried.

Pete Mason presented a request from the Angler & Conservation Club for funding to build additional fish habitat for the Lake as suggested by PondMedics. Sixty units each of small, medium and large habitat will be constructed by Club members. Total funding needed to purchase materials not to exceed $12,000. Dan Busch made a motion to provide funding for the request of the LKACC, which was seconded by Gerald Smith. All in favor, motion carried.

The Lake & Parks Committee voted unanimously to recommend the relocation of the Frisbee/Disc Golf course from its current location below and around the dam to the area identified as the Horseshoe Nature Trail area. Conceptual approval was agreed upon. Motion was tabled and Charlie Foster to develop plans for the lay-out of the course and present to the Board for final approval.

Pete Mason made a request for $2,000 plus tax for the development of a design and rendering for the East Beach area, which will include one CAD drawing and one color rendering by Richmond and Associates. Parameters will include: asphalt driveways and parking, additional small pavilion, expansion of the current playground, cart path along berm to the basketball court, double sand-rinsing station and additional tennis/pickle ball court. Gary Cotten made a motion to approve the requested funding, which was seconded by Lori Brindle. All in favor, motion carried.

Gerald Smith made a request of the Board to provide $2,500 to secure the development of design and color renderings for refurbishment of the Pavilion and surrounding areas provided by Richmond and Associates. Richmond and Associates led the development and construction of the Lodge Patio. Gary Cotten made a motion to approve the request which was seconded by Lori Brindle. All in favor, motion carried.
- Lodge & Tavern: Lodge Refurbishment – Gerald Smith made a request of the Board to increase the contingency fund for the Lodge Refurbishment Project by an additional $20,000 due to remodeling issues uncovered during demolition. Dan Busch made a motion to provide the additional funding, which was seconded by Gary Cotten. All in favor, motion carried.

Kiowa Woman’s Club – Cheryl Mason, President of KWC made a presentation to the Board requesting funding for the purchase of new Christmas decorations for the Lodge. Ms. Mason explained that KWC has only $150 in the budget to secure decorations annually. Keith Cole made an amended motion to provide Kiowa Woman’s Club with $5,000 this year and include line-item funding in the amount of $2,500 go forward. The motion was seconded by Gary Cotten. All in favor, motion carried.

- Project Priority Planning – Gary Cotten provided a detailed update of the Top 10 Projects identified by the Board, which include: Phase III – Pavilion, IT Enhancements, Pro Shop Covered Patio, Driving Range Enhancements, Main Gate Facility, Lake Access, Rental Slips, Indoor Activity Center, East Beach Basketball Court fencing and lights, Golf Course #4 & #13 Bathroom Improvements and the Parks Improvement Plans. Gary also presented the project action plans and next steps, which include: establishment of dedicated projects review, which would review project status, approve dollar estimates, approve funding source, approve priorities and final designs, approve construction funds and address lake maintenance and drainage projects.

- Break time: 7:25 – 7:32 p.m.
- Community Manager Report – Charlie Foster reviewed the status of the ongoing projects throughout the community. West Beach wall and sidewalk repair continue to be on hold due to high water. Drainage issues: Pueblo work is underway, issue at Lots #1043 & 1044 have surveys completed and engineer report in hand. Colt Lots #1068–#1072 are functioning and will do enhancements once requested. There will be a road maintenance “field trip” held for the Board on Aug. 22.

Communication – the website remains on hold until third-party issues are resolved. Golf Course update: GAG is developing a course improvement plan. USD update: The next phase of pipe replacement will begin in October. Lake & Parks – vegetation survey indicates light buildup, but no action is required and mosquito trappings have not identified any issues. The lot sales initiative has been completed and all available POA lots have been sold. Nine lots are listed as NOT FOR SALE due to strategic location or identified as unbuildable.

- Charlie Foster – reviewed the current grazing lease of the 52 acres. No action is required at this time and the current lease will renew as agreed upon.

Charlie made a presentation to the Board regarding a Policy and Procedures change to the vehicle toll tag policy for employees and their dependents. The change would allow for the use of toll tags by employees and their dependents to enter the property without stopping at the guard house, speeding the process and shortening the wait lines. A motion was made by Gary Cotten and seconded by Norma Desilets to implement the change. All in favor, motion carried.

- Additional Business – Pete Mason announced he would not attend the next Board Meeting. Dan Busch distributed Lake Kiowa Land Use Vision Planning Guide and explained the proposed process.

- Questions from the audience – Mike Brindle Lot 1698 inquired about the effects of allowing employees and their dependents use of Lake Kiowa assets. It was explained they currently have access to those amenities. Jim Larkin Lot 772 inquired as to which lots would be affected by the proposed Covenants change. The response was that would be included in proposed town hall meetings. She also expressed her concerns with the proposed changes. Doug Moral Lot 766 also questioned common access and lake access lots. Again, that will be covered in town hall meetings.

- Motion to Adjourn: A motion to adjourn was made by Gerald Smith and seconded by Jim Marfice. Everyone agreed and motion carried. Meeting ended at 8:18 p.m.

MINUTES FOR MEETING OF BOARD OF DIRECTORS

DATE: Wednesday August 9, 2017
TIME: 9 a.m.
PLACE: 133 Kiowa Drive South, Lake Kiowa, Texas 76240

Minutes

1. Call to Order and Declaration of Quorum: Secretary J. B. Cole opened the meeting at 9:02 a.m. All Directors were present with the exception of President Jack Thies and Vice-President Bergbower. General Manager Young was present and Community Manager Charlie Foster was also present.

2. Review and approval of minutes July 12, 2017 board meeting(s): Director White made a motion to accept the minutes with suggested changes and Director Dressel seconded the motion and all approved. Vice President Bergbower arrived and took over the meeting.

3. Public Comment. (Speakers limited to 5 minutes each): None

4. New Business:
   (a) Discussion and possible action concerning refurbishment of Water well #1: General Manager Young updated the Directors that we are doing our best not to damage the roads, but sometimes the main line is under the roadway and we must be able to get to the line to make repairs. He stated that we had a lightning strike at the dam station over the previous weekend. The damage was minimized with our VFD electronics protecting the well and pump motors. We are in the process of interviewing for our part-time receptionist position and look to fill it soon.
   (b) Discussion and possible action concerning Customer billing adjustment: None

5. Old Business:
   (a) Discussion and possible action to engage an engineering firm to provide surveying and other services required to amend the district’s certificate of convenience and necessity in order to serve Lake Kiowa Property Owners Association acreage: Discussion was had and a decision was made to remove this item from the agenda going forward.
   (b) Update and possible action agreeing to participate in a Regional Water Study for the purpose of developing a plan to take, treat, and distribute water to water rights holders in Collin, Cooke, Denton, and Grayson counties: None
   (c) Update on fixed base meter reading system upgrades: General Manager Young updated the Directors on the fixed based system. He told the Directors that we are getting to the final stages and should have everything working and running by the end of September.

6. Committee reports:
   (a) Human Resources (HR) Committee: None
   (b) Budget and Rates Committee: None
   (c) Long-range Planning and Conservation Committee: None

7. Reports:
   (a) General Manager re: review of contractual matters; water system maintenance and status; status of capital improvement projects; rates and finances; customer relations; employee matters; special projects; equipment, materials, and vehicles; administrative matters; and, recommendations for water system improvements: General Manager Young discussed the service line breaks and damage being done to the roads. He stated that we are doing our best not to damage the roads, but sometimes the main line is under the roadway and we must be able to get to the line to make repairs. He stated that we had a lightning strike at the dam station over the previous weekend. The damage was minimized with our VFD electronics protecting the well and pump motors. We are in the process of interviewing for our part-time receptionist position and look to fill it soon.
   (c) Recent activities of the North Texas Groundwater Conservation District: None

8. Review and accept monthly financial report(s) and approve payment of bills: Director White made a motion to accept the financial reports and approve the payment of bills. The motion was seconded by Director Dressel and all approved.

9. Discussion on future agenda items: Audit

10. Adjourn: Vice President Bergbower adjourned the meeting at 10:53 a.m.

Paid Advertisers and “Letters To the Editor” do not necessarily reflect views of the LKPOA and endorsement is not intended.

Editorial Policy
The policy and purpose of this publication is to inform all residents of events and activities within our community, to report on actions and decisions made by our Lake Kiowa Property Owners Association Board of Directors, and to publish the results of those decisions. Information is important for everyone to know that problems are being worked on and remedies are being sought.

The following items will be accepted for publication: Events and information about Kiowa organizations that are open to all residents; events in our surrounding communities when Kimawa residents may be involved in them; and items of a personal nature that reflect on the generous character of our residents or a milestone in their lives.

A Letter to the Editor should be less than 350 words in length and will be accepted if it presents a thoughtful and constructive view to an issue that may be controversial within our community. It may be reviewed and verified for factual accuracy by the appropriate authority. The factual clarification will be published along with the letter. The letter should be typed or in legible handwriting, signed by a verifiable resident, and will be published unedited with misspellings indicated when necessary. If handwriting cannot be easily read, it cannot be used. The Communiqué will not be responsible for misreading a handwritten word. A letter may be refused publication if space is limited. If several letters are received expressing the same view, one may be chosen for publication.

Letters containing personal attacks, self-promotion, or advertising will not be published. Letters to the Editor do not necessarily reflect the view of this newspaper or its endorsement.

WHY CHOOSE US to buy or sell in Lake Kiowa?

Our agents represented the buyer, seller, or both in 91% of all Lake Kiowa home sales last year.

Take a look at our numbers

Lake Kiowa homes spend fewer days on the market when listed with one of our agents.

We represented the sellers AND buyers in 100% of the 5 most expensive home sales last year.

We can take our clients golfing, on a boat ride, or to eat at the lodge. Outside agents can't do that!

WE ARE LAKE KIOWA!
