Candidate Forum Questions!

You can get involved in selecting POA Board Candidates.

See page 7 for details about how to submit questions for the Dec. 22 Forum.
To all our Kiowa friends and family,

We would like to extend a heartfelt thank you to all those who have helped with the Hurricane GoFundMe account for Hannah and her family. We are incredibly fortunate to be a part of such a fantastic and giving group of people.

The Red Cross has also received many donations in her name that will go to so many people in need after Hurricane Michael hit Panama City and other parts of Florida so devastatingly hard.

Hannah and her family are so grateful for all the assistance and thoughts that came pouring in on their behalf.

Our Lake Kiowa family is truly an amazing group of people and we feel so blessed to live in such a great community! Thank you very much for your thoughts, prayers and donations.

Robin and Cindy Howell

Words cannot express the thankfulness for our friends and neighbors we have felt from the day we heard our son, Ty, had terminal cancer three years ago to the day of his Celebration of Life on Oct. 14. So many of you have been with us during that journey that we would like to thank you: for all the prayers, for the lovely cards, for the floral pieces, for the food, for the donations in his honor and for all your thoughts and calls. We were overwhelmed at your attendance at his services and honored by the hugs and kind words you spoke to us. Special thanks are extended to the Kiowa Lodge for the accommodations and seamless reception for fellowship after the service and for the coordination of friends who helped us through this experience.

Mark and I would again like to thank all of you for the blessings you have shared with us. We are so happy to be a part of the wonderful Kiowa family that we have here. Thank you for being there for us.

Mark and Sandy Anthony and family

And the Word became flesh and dwelt among us, and we have seen his glory, glory as of the only Son from the Father, full of grace and truth.

John 1:14

Merry Christmas!

It all began for Mary and me in 2002 when I got my insurance license to work with Kiowa seniors and help them in determining their needs when becoming Medicare eligible. Our goal was then and still is to help educate seniors in all of the different options when choosing their health and prescription drug coverage. Our little business has now expanded to over 500 clients throughout Texas and Oklahoma. We thank you Kiowa friends who have made up our core business, for being loyal clients and recommending our services to your friends and relatives.

Thank you Lake Kiowa. We look forward to working with you in 2019.

Bob and Mary Bingham

BINGHAM INSURANCE
A SENIOR SERVING SENIORS
**WINTER 2018 PREPAREDNESS**

As another crazy weather year comes to a close at Lake Kiowa, we all need to get prepared for the possibility of additional inclement weather that could affect our daily routines.

Our Lake Kiowa Emergency Preparedness was developed by our Safety and Security Committee and is posted for all to access on our website. This document consolidates links to helpful websites and we recommend that everyone access it beforehand, so they can be prepared in advance of a possible need.

The main preparation points follow:
- Emergency kit - details listed on website, BUT do not wait until you need it;
- Snow shovels and rock salt to melt ice, sand to improve traction;  
- Sufficient fuel - propane if you depend on it for heat, backup firewood for others;
- Food, water, and medications to allow your household to function for at least one week;
- Communication plan - advise other family members and friends in advance of potential storms of your whereabouts and ways to get in touch with you.

The ice storm in February 2018 showed us that mobile phones could not be counted on;
- Stay informed - NOAA broadcasts, smartphone apps, etc.;
- Pets - Consider their special needs during inclement weather, make sure you have food and medications for them, too;
- Vehicle maintenance - up-to-date on service, good tires, full gas tank, emergency kit in vehicle;
- Winterize home - clear gutters, remove hoses, cover faucets and so forth;
- Battery backups for all your essential electronics and flashlights;
- Plan ahead. Do not travel if bad weather is forecast so you do not get stuck;
- Turn off your sprinkler system during freezing weather, as it could create a massive hazard right in your own yard beyond what mother nature does;
- Ensure your septic system has been properly serviced to allow for optimal performance.

For those on the lake, you want to prepare your watercraft properly for cold weather and get them as high and secure as you can in case of high-water situations. Lot numbers are required on your watercraft and dock. Ensure that your street number clearly identifies your house, as First Responders continue to tell us that some properties are difficult to locate.

Make plans to possibly stay somewhere closer to family members or medical providers if you need assistance and the bad weather would prevent travel. Your LKPOA team will be ready to do everything within its power to keep our community open and operating. We have prepared our equipment for snow and ice. Constant Contact has been in use for over three years now. Make sure you and your family and friends are signed up for it to be able to stay informed with all our updates.

Security will be our initial and primary communication source, supplemented by the LKPOA staff. Hope for the best, but plan for the worst and it may never happen.

Charlie
The North Central Texas Chorale proudly presents the Antonio Vivaldi Gloria and A Carol Suite by Hal Hopson. The concert will be on Dec. 4 at 7 p.m. at St. Peter’s Catholic Church in Lindsay. The Vivaldi Gloria is one of the great works in choral literature and is an audience favorite. The Gloria has a sunny and uplifting nature with beautiful distinctive melodies and rhythms. A Carol Suite contains traditional Christmas favorites like Once in Royal David’s City, Sing We Now of Christmas, Still, Still, Still and Angels We Have Heard on High. The Chorale will be accompanied by a chamber orchestra.

Soloists for the concert will be Courtney Kelley, soprano and Rebecca Stubbs, mezzo soprano. Shirley Hatfield is our rehearsal accompanist and has done a wonderful job in getting the Chorale ready for this beautiful music. Not only does St. Peter’s have great acoustics, its beauty will add to the festive nature of this music. The Chorale is under the direction of Clint Kelley. Please visit our website, www.northcentraltexaschorale.com for more information. Tickets are available from Chorale members and will also be available at the door. Adult tickets will be $10; tickets for students, seniors, and St. Peter’s Parishioners will be $8. Please join us for a beautiful and emotional concert for the start of the Christmas Season.

Respectfully submitted,
Phil Schenk
A special “Thank You!” to David and Bonnie Slack who donated a beautiful butterfly quilt to the Kiwanis. The quilt was raffled off to raise over $3600 for Kiwanis and Callisburg projects. Jeanie Grace was the lucky winner and enjoys quilting herself! Other winners were Steve Wunderlich - $100 gift card; Susan Hair - $100 gift card; Courtney Kiser - $50 gift card and Kevin Ford - $50 gift card.

The men of Kiwanis have again improved the playground at Callisburg Elementary. They placed a sun shade over some of the equipment that was exposed to the hot sun and removed the dangerous pea gravel in favor of a wood chip platform. The improvement of the playground from old barrels and wooden platforms to a state-of-the-art playground has been an ongoing project of the Kiwanis in conjunction with the Callisburg PTO.

Lake Kiowa Kiwanis has provided the calculators necessary for our Callisburg Middle School students to participate in the Texas Math and Science Coaches Association program. It allows our students who participate in math, science, calculator and number sense to practice for their events and compete in contests throughout the school year. This should improve all these skills and help the students to be even better competitors at the district University Interscholastic League (UIL) meet in the spring. As the holidays approach, not all families are as fortunate as we are at Kiowa. Several of our members are busy putting together Thanksgiving dinners for the needy families right here in the Callisburg area. Without these dinners, many families would have no Thanksgiving meal.

In December, Kiwanis will start its Christmas toy shopping and Christmas dinners for needy families. We would like to thank Walmart Corporation for supporting our project.

We are all proud to be Kiwanians and part of these worthy causes. If you want to participate in the fun, camaraderie and great causes of the Lake Kiowa Kiwanis Club, please contact Pete Mason at kiwapete@gmail.com or Jim Poker at jim.poker1@gmail.com.

Remember Kids need Kiwanis – Kiwanis needs you!  
Cheryl Mason
Men’s Book and Bible Conversation Group

Do you remember the way the Thanksgiving and Christmas holidays were for you as a kid? Can you smell the smells as if it were yesterday and can you grab a wonderful food taste memory as well? But life changed. It changed from those “kid times” into the times when it was your family gathered around the holiday tables and enjoyed the children noises and the excitement that they brought and transformed your holiday into a new event and experience. Now that the kids are gone, and they are busy creating their own traditions and their own memories, now that the grandchildren and children are getting older and developing their own holiday agendas, we are left with the transitions yet again into another new life’s stage and finding new ways to make holidays a “holiday” worth remembering.

If this gives you a touchstone for where life is today for you, then you will enjoy the Men’s Book and Bible Conversation Group as we explore the Biblical book of Exodus throughout November, December, and January. Each Wednesday morning at 8 a.m. at the Lodge a group of men gathers to have conversation around a Biblical theme that gives insight into the way we live life here in Lake Kiowa in this particular time and place. This is a dynamic conversation group that meets the guys where they are today; different faith traditions make the conversation rich and exciting. New guys join us all the time. And, we fully understand that life here in Lake Kiowa is also dynamic with folks traveling and involved in the coming and goings of life, so the group is fully understanding that this is how we live and that does not diminish the experience. The discussion and conversation leader is Rev. J. H. Langley, a retired United Methodist lead pastor living here at Lake Kiowa. He brings a rich understanding of life and how God intersects with us today through the scriptures. All men are warmly invited to be part of this exciting, growing, men’s Biblical conversation group. We laugh, we are real and we work at being authentic. For more information call Rev. Langley at (724) 591-0518 or email him at revjhl@ntin.net.

Candidate Forum Questions?

Each January a Candidate Forum is sponsored by the Kiowa Woman’s Club. At the forum you have the opportunity to meet the candidates and hear their views on relevant issues regarding our community. Candidates will respond to questions that have been submitted by property owners. Because of the timing of the election process, the questions must be submitted by December 22nd.

This year, you are requested to submit a question by email to: marykolb@cableone.net. Please title the emails “Candidate Questions.” Or you can use the form below and drop off anonymously in the box labeled Questions in the lobby of the Lodge. Names of those submitting will be confidential.

All property owners are encouraged to submit a question. The Forum is scheduled for Saturday, January 19th at 6:30 p.m. to allow those living off-site to attend.

The Candidate Forum Needs Your Questions!

Your questions will be posed to the POA Board Candidates at the Forum on Jan. 19 at 6:30 p.m. in the Lodge. Please fill out this form and drop it off in the box at the Lodge after Dec. 1, or you can email questions to marykolb@cableone.net

Christmas Rummage SALE!!

Saturday, December 1st
8:30am to 2:00pm
Gainesville Civic Center

$1 entry donation
Benefiting Home Hospice of Cooke County

“Light Up A Life with...
“It’s a Wonderful Life”!

Who: Home Hospice of Cooke County
What: Light Up A Life Event and special showing of “It’s a Wonderful Life”
When: Monday, December 10, 2018 – 5:30 p.m. and 6:30 p.m., movie
Where: DMAX Theaters, 4319 South I-35 Frontage Road, Gainesville, TX

Home Hospice of Cooke County is hosting its Annual Light Up A Life Event, plus special screening of “It’s a Wonderful Life” on Monday, Dec. 10 at DMAX Theaters in Gainesville. Friends, patients and staff join together to celebrate those who have touched our lives by honoring or remembering them during this special event. It begins at 5:30 p.m. with a reception, premiere of our Digital Memory Wall and program. At 6:30 p.m. we will host a very special showing of “It’s a Wonderful Life” in the theater.

Light Up A Life is our Home Hospice Annual Giving Campaign and people donate by purchasing doves to place on our special tree. Your donation level also determines the number of tickets you will receive for the special movie showing. “People touch our lives in many ways and placing a dove on the tree is a special way to remember those people this year,” said Kerlene Ross, past Home Hospice Auxiliary President.

You can purchase doves and tickets by going online at www.homehospice.org to use the Light Up A Life donation link, by completing a donation form, calling our office at (940) 665-9891 or by email to barb.samuelson@homehospice.org. Funds raised go toward providing services and care for terminally-ill patients and their families in Cooke County.

Home Hospice of Cooke County is a 501(c)(3) local non-profit community-based organization. We are dedicated to providing the best care and support to enhance the quality of life of our patients and their families. We have been the most trusted hospice serving our community for 36 years. Contact us for additional information at www.homehospice.org, call us at (940) 665-9891 or follow us on Facebook at www.facebook.com/homehospiceofgrayson.

Nancy Jackson

VISTO has experienced a tremendous increase recently in the need to feed local school children through the Backpack Buddy Program. Backpack Buddy provides a child designated to be “at risk for hunger” with needed food over the weekends throughout the school year. The need has risen from 721 kids in 2017-18 to 855 children this school year; with this increase the agency is expecting a $60,000 shortfall. The cost to feed one child through the Backpack Buddy Program is $200 per year. Donations of any amount are welcomed and appreciated.

Contact VistaHelps.com, through your church, or call (940) 668-6403.

Shown above (L-R) are volunteers Scott Davis, Jerry Hankins and Gary James of First Christian Church and the Lake Kiowa community.

Sharron Acker
As noted in our October CommuniQué, the Indian Creek Volunteer Fire Department has been invited to share our story. To this end, we want to start where we began with so many volunteers doing so much. ICVFD started with nothing in 2012.

Immediately and ever since, our Lake Kiowa community has risen to the challenge of funding and resourcing our department. By the time this article appears, two major fundraising events will be the latest part of our story.

Let’s start with one project that tells the community’s story of sustaining our volunteer fire department.

More than a year ago, the Lake Kiowa Women’s Golf Association (LKWGA) chose our volunteer fire department as the recipient of the 2018 WGA Charity Golf Tournament. WGA leaders, the tournament committee and all WGA members worked tirelessly to raise funds via the tournament and many other activities.

Far beyond the golf tournament, WGA members conducted highly successful “Fill-the-boot” drives, presented uplifting profiles of individual volunteer fire fighters, designed and published monthly interest and advertising articles, presented an over-the-top “Not So Newlywed” production and so many other highly successful activities and campaigns. What a year this has been for all involved! Words fall short in expressing the gratitude of our ICVFD community for our LKWGA.

Thank you, WGA, for going far above and beyond what any organization could ever expect. Your contagious and enthusiastic spirit and energy have resulted in yet another major success. The WGA will forever be a part of our ICVFD story.

Knowing the level and extent of this marvelous support has raised the morale of this very healthy department of volunteer firefighters and first responders to new heights. We are also deeply grateful to all who donated funds, prizes, energy and other resources. We truly have our roots in a community where generosity of spirit and resources is the norm.

Are you having surgery or have a medical problem requiring a wheelchair, walker, rollator, knee scooter, crutches, or commode chair?

The ICVFD has these items available FREE!
We will deliver to you.

The holidays are here and life at Kiowa is busy, busy, busy. Hold on to your hats! Again, we were amazed at the turnout for our Fall Festival. Just watching the ghosts and goblins having a grand time brought a smile to your face. Thank you to our organizations that joined us in making this event possible: LKACC (Anglers); Kiwanis; Kiowa Woman’s Club; Indian Creek Volunteer Fire Department; and all the volunteers who decorated their trunks and golf carts and participated in Trunk and Treat. See pages 24 and 25 for photos.

Greg and I want to thank our Friends of the Lodge (FOL) Board members for all their time and hard work in making this event possible. They literally were on their hands and knees with the children having a blast. A shout out to Patti Jackson who served as the FOL coordinator for the event this year. We start planning during the summer and appreciate all the time and hard work that goes into planning and executing the Fall Festival.

We also thank those of you who donated blood in November. The support by Lake Kiowa has far surpassed the expectations of the Texoma Regional Blood Center, but we at Lake Kiowa aren’t surprised at all by your generosity and community spirit. We want to publicly thank Mike Brindle who has served as the liaison between the Blood Center and FOL for the last two years. Job well done!

FOL is pleased to carry on Golf Cart Caroling that was started a few years ago by former Kiowan Carol Brindle who has served as the liaison for many events that enhance our life here at Lake Kiowa and help support the activities at the Lodge and Pavilion. Please help us thank these individuals: Tari Darger; Mike Brindle; Chris and Dianne Hale; John and JoAnn Halliburton; Patti Jackson; John and Roberta Kallina; David and Kim Kent; Mike and Melanie Kirkland; Colleen LePree; Jeanie Northern; Shelley Parkinson; Scottie Rowland; and David and Rene Verhaert. We are always looking for new ideas and members to volunteer. If you would like to serve with this group of people who are fun, creative and easy going, we would love to hear from you. Call or text (432) 770-5155 or email skhair@aol.com.

It is time to renew your FOL membership. Dues and sales of t-shirts are our only fundraising events, so it is important to join. In 2018 we brought you the Valentine’s Day Dinner and Dance, St Patrick’s Day Dinner and Dance, Karaoke, FOL/Supper Club Dinner, recycle and shredding, Kentucky Derby Party, three free summer concerts, participated in 4th of July Celebration, 50th Celebration t-shirts, Chili Cook-Off and Fall Dance, Fall Festival and New Year’s Eve. We depend on your support to make these events possible. We hope you will join us. The membership form is conveniently located on this page.

As always, we hope to see you at the Lodge.

Susan and Greg Hair
Snowflakes and Stardust

Join us at The Lodge for an Enchanting New Year’s Eve Party

Monday, December 31st

7 PM to Midnight

Live Music Featuring Clint Sturgeon and The Uplifters

Cost is $75 per person
Cash Bar Available

Menu includes

Appetizers: Bacon Wrapped Scallops, Cranberry Pomegranate Baked Brie with Crackers and Shrimp Cocktail

Salad

Dinner: Prime Rib, German Au Gratin Potatoes, Oven Roasted Vegetables

Desserts: Strawberry Napoleons and Chocolate Peanut Butter Eclair Cake

Champagne Toast and Good Luck Black Eyed Peas at Midnight

Call Penny at (940) 665-3741 to make your reservation.

Lake Kiowa Golf Cart Caroling
Tuesday, December 11th

Caroling from 5:30 to 7:30

North side will meet at Little Fox Pond and South side at the boat ramp by the dam.

After Caroling join us at the Lodge for a Frito Pie and Baked Potato Bar.
Cost $10 per person with a cash bar available.

It is not required, but appreciated, if you will let the following captains know that you will be caroling. North Side, contact Shelley Parkinson by text or email at (972) 841-3412 or rparkin100@sbcglobal.net. South Side, contact John Kallina by text or email at (972) 529-2596 or jtk654321@gmail.com.

If you know someone that would appreciate the carolers stopping at their house, please share that information with our captains as well.

As your teen grows up, you want to make sure they are developing healthy financial skills. Put your teen on the road to financial freedom with a student banking account from First State Bank.

Call First State Bank at (940) 665-1711 or visit us at F-S-B.com.
As the song says, “It’s beginning to look a lot like Christmas! Everywhere you go.” Especially here at Kiowa. The Lodge looks particularly merry and bright thanks to Melanie Kirkland and her KWC committee. They worked long and hard to give the Lodge its look of casual elegance. It provides a gorgeous setting for the numerous December festivities.

The November meeting was extremely interesting with a program by Karen Marcotte. She spoke to us about the role of women during the Second World War, and how women helped win that war. I hope you were able to hear this very informative program.

The Annual Kiowa Woman’s Club Christmas Tour of Homes is scheduled for Sunday, Dec. 2. Tickets are available at the Lodge, the water department and the LKPOA office for $12. If you wait until Dec. 2 to buy your ticket at the door the price will be $15. Get your girlfriends together for a fun few hours on a Sunday afternoon. We have five beautiful homes on the tour.

It was August 1983 that our club celebrated its tenth anniversary showing a roster with 353 members. Also, this was the year the Anice Rhodes Scholarship Fund was established in loving memory of Anice Rhodes, KWC past president and author of the first Lake Kiowa history book.

You don’t want to miss the December meeting. Come hear the Red Thong ladies as they share their “thong-a-tude” about life, friendships and growing older gracefully. You will laugh out loud as you learn how to adopt a bold, assertive Red Thong Strong attitude. The luncheon menu will feature Country Captain Chicken. This dish originated in India as a simple poultry or game recipe involving onions and curry. One theory is that an early 19th century British sea captain, possibly from the East India Company, working in the spice trade introduced it to the American South via the port of Savannah. The port of Charleston would disagree with this theory as South Carolina also claims the origin of this dish. But then, Philadelphia likes to get into the argument with proof of the dish being in a cookbook published there in 1857. In any case, it is a classic dish worthy of our luncheon menu.

There will be lots of parties in December. Christmas brunches will be held by both Bridge and Canasta. Gourmet will host an “all group” Christmas party. Garden & Nature will have its annual Christmas Brunch.

December is a very full month. “Let nothing you dismay; remember Christ, our Savior, was born on Christmas day, O tidings of comfort and joy.”

Merry Christmas and Happy New Year!

Patricia Mead
Girlfriends Forever

Above, Karen Marcotte and at right (L-R): Jeanie Northern, treasurer and Lezlie MacElroy, door prize winner.
Ladies of Lake Kiowa: get ready to trade in your granny panties for a bold, new attitude as our speakers Dec. 13 share with us their secrets to becoming red-thong strong! These amazing ladies will share with us their “thong-a-tude” about life, friendships and getting older gracefully.

Brought together by faith, fellowship and a thing for fashion, eight Texas women set sail on a voyage to write the ultimate girlfriend’s handbook. The result, Red Thong Strong: Girlfriends’ Little Secrets to Smoothing Life’s Panty Lines, became a bestseller in May.

Their story began more than 30 years ago. When their paths crossed in a young-married Sunday school class, they got acquainted while planning fundraisers and working in the church nursery. Their friendship matured as their children did. As the kids grew up, these women grew closer. They found themselves enjoying a unique bond and a deep, personal friendship. Their encouragement stories offer inspiration, practical tips on getting older gracefully, dealing with unexpected detours and staying true to your Red Thong Strong attitude.

Red Thong Strong is a laugh-out-loud, girlfriend getaways and a thing for fashion, eight Texas ladies of Lake Kiowa: get ready to decorate our tables. Our December Luncheon will feature an amazing ladies will share with us their secrets to maximizing life’s ages and stages. Each chapter covers tips on achieving fulfillment in all aspects of life. Their encouraging stories offer valuable insight to our readers preparing for the future. They also reveal essential beauty advice for your 30s, 40s, 50s and 60s; time-tested shopping secrets; pointers for planning great girlfriend getaways; and eight divine diva destinations. They pull back the curtain on 30 years of experiences to show others how to bring more joy to their lives.

This Red Thong Strong program is a lighthearted, yet realistic look at achieving fulfillment in all aspects of life. Their encouraging stories offer valuable insight women can incorporate into their own lives no matter their age, family situation, wallet-size or panty preference.

The Book Review ladies will be decorating our tables for us this month! I can’t wait to see how they will decorate our tables for our December meeting.

Jamie Orsburn
Kiowa Woman’s Club News

The fall tournament is over, and we are excited to announce the winners. In first place were Peggy Lewis and La Vonne Jucha. Second went to Nona Tipps and Peggy Carpenter. Pat Morgan and Terry Johnson took third, with Gayla Blackmon and Sue Sprenger finishing fourth. Congratulations, ladies!

The next tournament begins Jan. 17. Please call Jan Thompson (214) 732-8211 if you would like to join in the fun.

Jan Thompson
Peggy Lewis
Sue Sprenger

We only have one playday this month, on Dec. 12 at 10 a.m. This will be our Annual Christmas Brunch. Cost will be $12.50 to be charged to your lot. The menu is an Egg Frittata, Potatoes, Bacon, Bagels, Fruit and Yogurt. We will also have some pitchers of Mimosas and Bloody Marys! Don’t forget to make your reservation with Scottie Rowland (see below) by Friday, Dec. 7. Our January playdays will be Jan. 2 and Jan. 16. Check-in time is 12:45 p.m. and play begins at 1 p.m.

Whether you have played Canasta before or want to learn, please contact Scottie at (682) 232-5337 or nofearbr6@gmail.com to get on the email list. We play by reservation only. She will email the group the week before game day and will confirm your reservation. Please reply to the email as soon as you receive it. Players will be announced the Monday before the playday.

Merry Christmas and Happy New Year!

Barbara Martin

The Swafford Family would like to thank our friends and customers for your support over the years and want to wish everyone a Very Merry Christmas and Blessed New Year.

Swafford’s LANDSCAPE

Thank You!
The following is a brief listing of authors in our library, by category. There are dozens and dozens of other writers; this is just a list of some of the better known.

**NOVELS**

**MYSTERIES, INTRIGUE, ADVENTURE**
Ace Atkins, David Baldacci, Alex Berenson, C.J. Box, Dale Brown, Sandra Brown, Lee Child, Michael Connelly Robyn Cook, Cline Cussler, Jeffery Deaver, The Kellerman’s (Faye and Jonathan), Robert B. Parker, James Patterson (lots!!), Sue Grafton, Daniel Silva, Stuart Woods, Harlon Coban and John Sandford.

**ROMANCE**
Mary Balogh, Robyn Carr, Janet Daily, Christina Dodd, Lisa Jackson, Jayne Ann Krentz, Debbie Macomber, Susan Mallery, Linda Lael Miller, Jody Thomas, Sherryl Woods and many more!

**WESTERNS**
Max Brand, Ralph Compton, Ralph Cotton, Tabor Evers-The Longarm series, J.A. Johnstone, Elmer Kelton, Louis L’amour, William W. Johnstone and, of course, Zane Grey.

We have a shelf of Christian fiction and a few large-print books. We also have a varied collection of non-fictions with lots of biographies. So, come and look for your favorite authors.

Linda Seal

---

**November** - The Arts & Crafts ladies designed amazing holiday plates.

**December** - We will create wine cork Christmas trees and ornaments on Dec. 4 at the Lodge for our December project. See photos at right of samples of trees.

Arts & Crafts will not meet in January. Mark your calendar for Feb. 5 for a card-making project. Call, text or email me at (806) 679-5016 or lindajames1004@gmail.com to sign up or join the event on Facebook at https://www.facebook.com/KWCCrafts/.

Kiowa Woman’s Club News

Book Review met Nov. 2 at the home of Macsene Adams for a glimpse of life among the Amish and Judy Beard’s review of A Lancaster County Christmas by Suzanne Woods Fisher. Book Review will not meet until Feb.1 when Denton author Anna LeBaron will review her book, The Polygamist’s Daughter.

Our November Bible Study at the home of Adele Foster was about Joseph, the husband of Mary. Joseph is indeed an unsung hero who gives us some tips for Christian living. He heard and listened to God afresh. Joseph believed God wholeheartedly and adjusted to Him...unconditionally. He also obeyed Him...immediately and in faith. Studying about Joseph certainly prepared us for worshipping our Lord Jesus’ birth.

Bible Study will not meet in December, but we are looking forward to studying Caleb for our January meeting. We will meet at the home of Laquita Barton, 135 Hogan Dr. E. on January 22, 2019 at 10 a.m.

We will be going back to the Old Testament as we study a more “sung” hero in Caleb. There will be lots to learn from such a brave and courageous man who was willing to stand against the majority because of his strong faith in the Lord God.

Enjoy your time with the Lord during our Christmas break. We look forward to seeing you in January. We begin with refreshments at 10 a.m. and end our time together at 11:30 a.m. New “girlfriends” are always welcomed.

If you have questions, please contact Tricia Folsom at (512) 966-7591 or Penny Cotten at (469) 337-1698.

Merry Christmas to ALL,

Tricia Folsom
Penny Cotten

Kiowa Woman’s Club News

The fall season for Gourmet Groups tickled taste buds at new places. Some of the groups are featured here. Clockwise from top right are:

Group 1 at the Greenhouse in Denton;
Group 9 at Lucy’s on the Square in Celina;
Group 6 in the home of Judy Nehib;
Group 4 at Port Fino’s Italian Restaurant in Krum;
Group 10 at Marca Sino’s Steakhouse in Gainesville; and
Group 8 at The Taste in Marietta, OK.
Kiowa Woman’s Club presents
Lake Kiowa Home Tour 2018

Sunday, December 2
1 - 5 p.m.

Advance Tickets $12 available at the following:
POA Office, Lodge Office, LKSUD
or purchase on day of tour at any of the homes for $15

Contact: Norma Crew at crew565@gmail.com

A description of each home on tour was printed
in the November CommuniQué.
However, a portion of the Keckonen’s description was mistakenly omitted.
Please read the full description on the next page.
The Keckonen home was built by Stokx Brother Construction. When I say brothers, I mean brothers, seven of them! All with different specialties and talents to make this family business unique. Our home was built by a family for a family!

Our home is on the Tour of Homes in the honor of Mike Stokx, who we lost to cancer last year. We are privileged to have his last project be our home. His special touches throughout our house include: handcrafted cabinets and made-to-order laundry bench and closet that often make us think of Mike.

Stokx Brother Construction is known for new builds, remodels and was also the creator and builder of the Derrick complex near the Kiowa gate. Randy Stokx, owner, has such a creative mind. I would text him at night with an idea and the next day he would send Mike a picture asking him to build it – such talent! Our built-in shelves, pergola area and office/laundry all resulted from a late-night text. Duke and Mike often joked with me that every change we made would add another month to the build!

The footprint of the house was built when we purchased it. Randy’s creative mind made it our own and the process was so much fun! We took one of the bedrooms in the front of the house and opened it up to make an extra living area. I shared we did not want traditional bathroom cabinets, so Randy and his wife Jennifer found two great pieces in Canton to make it all come together. Our guest bathroom reminds us of our log house which was our previous house here at Kiowa. I shared we wanted to use the old sewing machine as the sink cabinet, just like that, a bathroom sewing room theme was born! Our favorite place to be is in the outdoor space which helps open up the house.

Tom has a passion for wood, so many items in our home have special memories as they were built by Tom. When we first came to Kiowa, a realtor told us, you'll probably move two or three times. I laughed at him saying no not us. This is our second home in Kiowa who knows there may be a third!
I love our Kiowa Quilting Bee. It’s one of the best places to hear stories told through the quilts and from our friends. Becky shared a story on how to do “quilting yoga” while you sew. Judy Akins asked us to make quilts for the Gainesville Guild Quilt Show, July 26 and 27, 2019. Just imagine the stories behind the quilts that will be made!

Birthdays always make a good story. We celebrated Ann’s birthday with her sisters from out of town and her daughter Deanna. Deanna shared the quilt that her grandmother, Ann’s mother, made called Grandmother’s Garden. It is handmade from clothing fabric and quilted by nuns.

Sharon’s quilt stories are telling us they are on their way to college for her grandsons going to Duke and Colgate universities. (Oh, the story’s those quilts could tell after being at college.)

Carlene shared a story of a quilt show “inside a mountain” on her recent visit to Colorado. She selected the fabric with a winter scene panel that she created for the patterns that frame the panel.

The story for December will be our annual Bee Christmas Party/Meeting. Join us for the fun and see our challenge projects. Each year a challenge project is selected to share at the Christmas Party. This year’s challenge is a pillow made with a quilt pattern in mind. The potluck party will be held Dec. 3 at 6 p.m. at my home at 104 Sequoya Cove E.

Sharon’s college-bound quilts. Quilted by Laura in Sherman.

Maurice created embroidered clowns with pinwheels.

Grandmother’s quilt surrounded by Ann’s family.

Maurice’s block-of-the-month pattern created a stunning quilt.

Tari’s snowflake pattern was made from woven fabric for her daughter.

Carlene’s quilt fabric was from a quilt show “inside” a Colorado mountain. She took a panel and designed a quilt pattern around it.

Deanna and her jelly roll rug.

Vicki’s hand-sewn quilt was made by her grandmother.

Cathy made a “red work” table runner (a style of embroidery done with only red thread).

Sharon’s college-bound quilts. Quilted by Laura in Sherman.

The Whitehorse Steakhouse

Lake Kiowa Basic Genealogy Group

I clearly remember the Christmas of 1942. I was approaching one year old and World War II was in progress. My father was in a tank crew and my mother was driving a cab in Fort Worth. What about your family?

Our December meeting will be primarily a work session with discussion on what subjects you would like us to cover in 2019. Here are some suggestions: timelines; epidemics; passports; source citations; message boards; the original 13 colonies; immigration and naturalization; western migration; subjects for review.

Please think about it and give us your recommendations during our December work session.

Jackie Gary
Cathy Farquhar

Lake Kiowa Genealogy Group

The Lake Kiowa Genealogy Group was started 10 years ago by Nancy Bier, who also began our Christmas Party tradition that first year. I don’t have an accurate count of people who have begun or continued their genealogy searches with this group since we started, but it’s got to be over a hundred! It’s a hobby that unites those of us who want to know more about “who we are and why?”

Join us Thursday, Dec. 6, at Brenda Threadgill’s at 805 Kiowa Dr. E. from 1-3 p.m. to celebrate the friendships we’ve made the last 10 years and all the searches for our lost ancestors, successful or not! Please bring a snack and join us.

For more information, please call me at (903) 893-4000 or email carolsbeck@yahoo.com.

Carol Beck

PLEASE NOTE!!
Our meeting in December is NOT on our normal meeting date!

The year is winding to a close. We in the Lake Kiowa Anglers & Conservation Club (LKACC) have much for which to be thankful. The lake has remained at or near full for the entire year, people have enjoyed the water and they caught a lot of fish. Our events this year were well attended, and we have more events planned for 2019.

Our last bass tournament of the year was held Oct. 20. Third place went to Jordan Grant with 13.25lbs pounds, Donnie Warren earned second place by catching 16.05lbs and Chance Willis won first place with 20.41lbs. He also had the biggest bass of the tournament with a fish that weighed 5.31lbs. While one of the lowest winning weights of the year, those three weights total 50 pounds of bass, an average of 3.33lbs pounds per fish. Where else will you find tournaments with an average of over 3 pounds per fish during a competition resulting in one of the lowest overall weights of the year?

Please make reservations for our annual LKACC Christmas Dinner and Celebration on our regular scheduled meeting date of Dec. 20 in the Lodge Assembly Room. We will have a great dinner (free to all LKACC members) that by itself is worth the cost of your membership. We will celebrate the Angler of the Year, present the new Board of Directors and go over our plans for next year. RSVP to Susan Hair at skhair@aol.com or (432) 770-5155 to make reservations. We won’t spend much time on the club business, so it should be a fun time. There will be a cash bar and R and D will provide the music. Join us for a fun evening!!

One of the fish feeders on the barge was vandalized again. We have partnered with the LKPOA in purchasing new fish feeders for the barge and Little Fox Pond. We are planning to add additional security and cameras to these areas and will be working with Mike Dillard on the proper installation and security of these new feeders.

On Nov. 1 we installed the newest group of 32 fish attractors in deep water. It was windy, which made our day challenging, but we got it done. These were put near previously placed attractors around the south end of Hogan Drive East. I understand that people are already catching fish near them. As soon as additional bases arrive, we will be setting more fish habitat out. A notice will go to all members asking for volunteers for the preparation and installation.

The LKACC participated in the Fall Festival sponsored by the Friends of the Lodge (FOL). We had two fishing games for the kids manned by D Noble, Mike Brindle, Hal Hoyt and Joe Dickhut. I heard from an unbiased attendee that we had the best booth at the festival! Thanks D, Hal, Joe and Mike! It’s a lot of work and we appreciate your efforts.

There are a lot of other things coming up in which we will participate. Golf Cart Caroling sponsored by FOL is Tuesday evening, Dec. 11. We will meet at Little Fox Pond or the boat launch area by the dam (pick which is better for you). If you or anyone you know would like us caroling to them, especially anyone who is ill or can’t get out, please send their names and addresses to me at jtk654321@gmail.com or (972) 529-2596. Come have a great time. Everyone meets at the Lodge afterwards to warm up and have some food and drink.

On Nov. 10 Mike Brindle and I attended the newcomers meeting representing the club. There were five other organizations represented and we made a lot of great contacts with the newcomers. We hope they all join the LKACC.

Pond Medics was on the lake Nov.12 surveying fish. The LKPOA will receive a report on their findings after the new year and we will share their findings with our members. We hope to see you all at the Dec. 20 party. Have a fun and safe New Year and watch for us to start our new expanded tournaments in February.

John Kallina

Don’t miss out on the free fun on Wednesday and Friday nights playing Texas Hold’em at the Lodge.

Winners for the month were:
10/3 1st Steve Jackson, 2nd Rob Cummins;
10/5 1st Scott Wilson, 2nd Cindy Cade;
10/10 1st Paul Pucci, 2nd Scott Wilson;
10/12 1st Jimmy Stewart, 2nd Jo Stewart;
10/17 1st Bob Schumann, 2nd Randy Howell;
10/19 1st Gary Grant, 2nd Randy Howell;
10/24 1st Steve Jackson 2nd Susie Brion;
10/26 end-of-month winners - 1st Abraham Lagmay, 2nd John Springer, 3rd Tom Nardecchia, 4th Pat Mead;
10/31 1st Jimmy Stewart 2nd Gary Grant.

There were lots of great hands in October: D Noble four Aces; Scott Wilson four kings; Cindy Cade, Elizabeth Deal and Mike (Dano) Johnson each had four jacks; B.R. Clements four sevens; Tom Blackwell four sixes; Sharon Smith, Elliott Sullivan and Glenda Buck each had four threes.

You are welcome to join our players at the Lodge every Wednesday and Friday evening. Please be there and sign in by 6:45 p.m. for play beginning at 7 p.m. You may want to come early and join many players who eat at the Lodge prior to play and you will receive an additional $500 in chips for play. Players of all experience levels are welcome to join in the fun, and it is free!

We hope to see you soon for fun playing Texas Hold’em.

When choosing who to see for eye care,
consider some faces you’ve
seen around town.

When selecting an eye care practice, we understand that it’s about who you see. What they know. And how they make you feel. That’s why at RGB Eye Associates, quality eye care is about safe and effective procedures using the latest technologies—expertly provided with genuine warmth and respect by the friendliest staff around. Because when it comes to caring for your eyes, we know what it’s really all about. You.

Call 903.892.3282 today to schedule an appointment
1625 HWY 75N | SHERMAN, TX
Our General Meeting was held Wednesday, Nov. 7. The monthly scramble was cancelled and rescheduled for Nov. 21 due to heavy rain closing the course.

Our current membership stands at 291. The treasurer’s report, by Cynthia Prange, showed ending balances as of Oct. 31 in NASCOGA checking of $3,374.74 and $3,050.07 in savings. First State Bank showed a balance of $4,511.57.

Due to lack of participation, representative Danette Morrison recommended withdrawing from the Central Golf Association in 2019. Membership approved Danette’s recommendation.

The nominating committee for the 2019 WGA Board presented the slate of officers and the membership approved. Elected to serve in 2019 are: President, Donna Dillard, 1st Vice President, Julie Hoyt, 2nd Vice President, Donna Morris, Treasurer, Cynthia Prange, and Reporter Linda Slater. Nine-hole reps are Sharon James, Debbie Shugart and Mary Lou Johnson. Eighteen-hole reps are Paulette Andrews and Maggie Aune. Debbie Romines, past president, will serve as Parliamentarian. Installation of officers will be at the December meeting.

Our fall has been rain, rain and more rain. Playdays and the Texoma Golf Association tournament were cancelled and the days we were able to play were cart path only, which made everything wet and messy. Players in the Club Championship experienced wet, cold and terrible conditions for this very important tournament. The Championship Flight played on Friday in a steady rain, with the course having to be closed before the completion of their full round. NASCOGA provided hamburgers with all the trimmings after play to nourish the rain-drenched players.

Saturday continued with a very soggy course. Pat and Vic Norman prepared tacos with all the trimmings after play. Play was completed on Sunday in a relatively drier atmosphere, but still on a soggy course. Jane Letterman and Allan Johnson sponsored the meal after play.

The committee chaired by Debbie Teer and Cindy Cade certainly had their hands full with all the weather conditions, not knowing if play would go on or not. Manuelito’s, Tom Thumb and Marvin and Norma Crew provided breakfast items. Everyone won a door prize ranging from a free golf lesson at Winstar by Elliott Sullivan, a free massage from TJ, a free hair cut from Delana and various other gift certificates. Many thanks to all our sponsors and volunteers. Debbie, Cindy and their committee deserve extra praise. They did a fantastic job when you consider all the factors surrounding this tournament. Congratulations goes to Jessica Martinson, our 2018 Club Champion.

Work has begun on the sand traps and tee boxes and will continue for approximately 45 days, resulting in some holes being closed during this period. Although cart path only makes it tougher to fill divots, please do your best to do so and repair pitch marks on the greens.

The WGA Christmas Dinner/Dance is Dec 7. Tickets were made available at the November WGA meeting.

Be sure to renew your annual WGA membership for $35 and join the Hole-in-One pot for $10. The deadline is January 31, 2019 for getting your name in the MGA/WGA Directory.

Wednesday, Dec. 5 is our meeting and Christmas luncheon. Awards and installation of 2019 officers are on the agenda.

Baby Boomers grew up amplifying sound.

Whether attending rock concerts or blasting stereos, Boomers took full advantage of acoustics and sound technology, rocking out to deafeningly loud decibels.

The Bad News
It’s estimated that 10 million Baby Boomers suffer from moderate to severe hearing loss. It doesn’t just affect the ability to hear, but also the ease of communication & ability to understand words.

The Good News
Perhaps more than prior generations, Boomers have higher expectations for their health & are more likely to seek diagnosis & treatment. Digital hearing instruments are now so technologically advanced, they can be precisely programmed to your hearing preferences & your lifestyle.

General Meeting and Playday - September

The MGA General Meeting and Playday was on Saturday, Sept. 8.

The Men’s Golf Association (MGA) met with President Larry Gingerich calling the meeting to order at noon. He stated that we will be emailing out the 2019 membership form as well as having them available for pick up at the Pro Shop.

No hole-in-one plaques were presented for October or November.

It was announced that we have 3 new members this month for a total of 525; 326 are in the Hole-in-One Club. The 2019 membership form can be picked up at the Pro Shop.

Brown McCrory discussed the progress of the refurbishing of the new sand traps that is going quite well. We are all excited about the progress.

Jim Cicon announced the format for the November playday will be Rotors Revenge, toughest course possible, four-man scramble from the black tees.

If you are not receiving MGA emails, please text me (940) 390-8126 or email me at brandon@brandonerwin.com.

DID YOU KNOW…
That the “Rules of Golf” will change on January 1, 2019? The USGA and R&A goal was to make the rules easier to understand and apply. A complete explanation of the new rules can be found on the USGA website and you can order copies there as well. This DYK is a summary of the major changes:
1. A significant change regarding out of bounds or a lost ball is designed specifically for the recreational golfer and was approved by your Golf Committee as a local rule for Lake Kiowa. Instead of stroke and distance, this new local rule allows the option of dropping a ball in the vicinity of where the original went out of bounds or was lost, with a two-stroke penalty.
2. How to drop was changed to knee height vs shoulder height.
3. There is no longer a penalty for a double hit.
4. “Club length” as a unit of measure is defined as the longest club in your bag other than your putter.
5. On the green, there is no longer a penalty for accidentally moving the ball, you can putt with the flagstick in, you can repair any damage on the green and you can touch the line of your putt.
6. “Penalty area” is the new term for water hazard and other areas defined by the Committee that are marked in red or yellow.
7. You may move loose impediments in bunkers and penalty areas and there is no penalty for touching the sand in a bunker or water in a penalty area if not done to test the conditions. However, in a bunker you are still not allowed to touch the sand with your club immediately in front of or behind the ball; during a practice stroke; or during your backswing for a stroke.
8. An additional relief option has been added for an unplayable lie in a bunker whereby you may take back-on-the-line relief outside the bunker under penalty of two strokes.
9. To help speed up play, the search time for a lost ball has been reduced from five minutes to three and a player can take no more than 40 seconds to play a stroke. The new rules rely on a player’s integrity and allow the player’s “reasonable judgment” when estimating or measuring a spot, point, line, area or distance. Certainly, there will be a period of adjustment to the new rules and we will do our best to continue to educate our players. In the meantime, if you have any questions, refer to the FAQs on the USGA website or ask your dedicated PGA Professional or any member of your Handicap Committee.

Course superintendent Bryan Brown and Golf Advisory Group member Jim Fox observing the reconstruction of the fairway bunker on hole #10. The slight reshaping and lower front lip will provide a greater opportunity to still make par from a wayward tee shot.

Security Report

During the month of November, I passed the ninety-day mark serving as the Chief of Security for Lake Kiowa. While there have been some changes taking place, the majority of the first ninety days involved assessing current policies, procedures and processes. The assessment which is still being conducted has revealed some things we do well and some things we can definitely do better. Over the next several months, Security will begin making some changes to propel us to the next level.

One of the first changes you will notice is more involvement by local law enforcement. My background in both law enforcement and private security has allowed me to understand there are some fundamental similarities to both, but there is a place where the differences between the two become very clear. The first similarity is that both law enforcement and security’s number one priority is to deter crime. A huge part of this is simply presence. The mere presence of law enforcement or security typically sends a signal to a would-be perpetrator that it would be easier to commit a crime down the road where there is less resistance present. Secondly, law enforcement and security share the responsibility of detecting if a crime or suspicious activity is taking place. This is best achieved by training officers (law enforcement and security) what to look for and the need to stay aware of your surroundings at all times. Past these first two similarities, things change drastically. When suspicious activity is detected, law enforcement’s job is to apprehend. On the other hand, security’s job is to observe and report. The difference between law enforcement and security is the biggest reason why collaboration between the two is so important. Collaboration is best defined as two organizations working together to achieve a common goal. The common goal is to make Lake Kiowa a safer place.

As mentioned above, the need for more law enforcement collaboration is mostly centered around crime prevention. But, over the last month, two separate incidents occurred that reinforce why this type of collaboration is also needed. Considering this need, I met with the Cooke County Sheriff’s Office, Texas Department of Public Safety and the Cooke County Attorney’s Office. Every department has agreed to work together to make Lake Kiowa a safer place to live, visit and work. So, what does this difference mean to each one of us? I believe you will see several changes. First, Cooke County Sheriff’s Office will begin to patrol Lake Kiowa more routinely. The increased patrol will not only be a great deterrent but will also result in faster response time in the event of an incident. Secondly, Cooke County Sheriff’s Office and DPS will be proactively enforcing breach of peace offenses, for example DWI, disorderly conduct, etc. And, of course, Cooke County Sheriff’s Office is still charged with the responsibility of enforcing the Texas Penal Code. Lastly, Cooke County Sheriff’s Office and the Cooke County Attorney’s Office will also be involved in promoting crime prevention within the community. As a matter of fact, some of you were privileged to have heard our County Attorney, Ed Zielinski, speak at the Kiowa Woman’s Club meeting back in October, Cooke County Sheriff’s Office and the Cooke County Attorney’s Office are very proactive in crime prevention and prosecuting those who have broken the law.

I am very excited about the renewed collaboration and look forward to working closely with all three agencies. I believe this will help make us stronger and safer community.

Steve Hayslip

Lost & Found Report
Nov. 14, 2018

Vehicle Keys – three gold access keys, one black car key, one Ford key with remote.
Green Cap
Rod and Reel w/pink cover
Vehicle Keys - possible for a Ford

Lt. Bobbie Cobun
Security Department

Rule of the Month
3.3.2.14 Golf Cart and Neighborhood Vehicles Operating Equipment

When operating a golf cart or neighborhood vehicle between sunset and sunrise, the vehicle must have and utilize headlights and taillights while being operated on any Association roadways and premises.

During November, it was time for our clocks to fall back. I don’t know about you, but I enjoyed the extra hour of sleep. The change also signaled the day becoming shorter as it now becomes darker so much sooner. With this mind, please ensure your vehicle, golf cart and you can be seen at night or any other time it is dark outside. The best way to do this when you are driving your vehicle or golf cart is to make sure all your lights are on and functioning properly. If you are out for a walk, jog or bicycle ride, make sure you are wearing reflective clothing. Lake Kiowa has narrow roads with a lot of curves. Proper lighting and reflective clothing help ensure you and your loved ones can be seen easily from a distance.

Thank you for your cooperation.
Steve Hayslip

REPEAT OFFENDER VIOLATIONS
November 2018
Rule 3.2.7.c.-Repeat Offenders

Within a 12-month period members, lessees, or contractors that receive two or more citations or a combination of two or more citations in the Special, Serious or Major categories will be considered as repeat offenders. Multiple infractions issued during the same incident will not be considered as repeat offenses. Names of repeat offenders will be posted on the Lake Kiowa website and printed in the CommuniQué.

By rule, the following property owners are considered as a repeat offender: Edan Ezerzer/Shlomo Dahan, Lot 111, Improved Lot Conditions, August 2017 and June 2018; Joanna Sanders, Lot 390, Use of Association Docks July 2018 and August 2018; Lee Kilgore, Lot 948, Damage to Property November 2017; Reckless Driving August 2018 (actions of guests).
Compliance Update

Holiday season is upon us and I hope everyone enjoys the festivities, but please remember to remove your holiday decorations in a timely manner. Per LKPOA Rules and Procedures; Article 3.3.3.6.d - Holiday & Season Decorations; decorations for holidays and season must be kept in the spirit of the holiday and season and may be displayed five weeks before and three weeks after the holiday and season.

In addition to holiday decorations the LKPOA has additional rules concerning signs, banners and flags to preserve community aesthetics and to preclude unrestrained proliferation of personal and commercial statements. The LKPOA Board has established a policy that allows certain flags as well as patriotic, educational pride, decorative displays, address identification and safety and security signs and banners as well as temporary holiday decorations if they meet the requirements listed below. All other signs and displays that contain language or graphics that are discernible to a reasonable passerby must receive written permission from the LKPOA.

3.3.3.6.a - Flags

The Flag of the United States of America, official State Flags, official flag of any US Military Branch, or the official flag of educational organizations (primary, middle or high school and universities and colleges) may be displayed in a manner that meets the requirements of the flag’s authority. Any deteriorated flags shall be repaired, replaced or removed. Flag poles must meet the Architectural Control Handbook requirements.

3.3.3.6.b - Patriotic and Educational Pride Signs and Banners

Signs, displays and banners that depict patriotism, military or school pride are allowed if kept to 6 square feet or less and limited to one single sided sign on private property. Signs are to be placed within 15 feet of the residence. Signs, displays and banners are not authorized to be placed on vacant lots.

3.3.3.6.c - Address Identification and Safety and Security Displays

Decorative displays that include only the owners name, street number, street name and or lot number may be placed on or near the mailbox or in very close proximity to the driveway or in very close proximity to the driveway are encouraged and allowed, if kept to 6 square feet or less. Small signs or banners that indicate a security or video surveillance system, alarm, beware of dog, no trespassing, welcome to the lake, gone fishing, etc. are authorized.

A total of 23 building permits was issued over the last month. The Architectural Control Committee (ACC) approved nine applications for permit, four of which were for new home construction. New home construction continues to be very active as we project to have over 25 new homes start for a third consecutive year.

The ACC meets the first and third Monday of each month to review permit applications. Any permit application and its supporting information shall be submitted to me, Rich Augustyniak, Compliance Officer, at the LKPOA by the end of the day the Wednesday before the meeting. Please feel free to contact me for any additional information or you may reference the ACC Handbook, available at the POA office or online at: http://lakiowatx.com.

Thank you for your cooperation so that Lake Kiowa may remain a safe and attractive community for all its members.

Rich Augustyniak
Architectural and Code Compliance Manager

Golf Course Update

You gotta love North Texas weather. After record amounts of rainfall in September and October, the wet trend has continued into November. This is already the wettest fall on record and we still have a few more weeks before it is officially winter. We have already had our first freeze of the winter and covered greens on Monday, Nov 12. The growing season is winding down. Over the past few weeks, we have started shifting our focus from routine maintenance to preparing the golf course for winter dormancy. In September, we began regular foliar fertilizer applications to greens with more potassium being applied. Increased potassium helps the plant store carbohydrates that it will need to tolerate low temperatures over the winter. Tee and fairways received their final nutrient application of the year on Oct. 29.

Overall, the turf in all areas of the golf course is in good shape going into dormancy. On Nov. 5 we began a complete bunker renovation project. All old sand is being removed. The old bunker liner and existing drain pipe is being replaced with new. The new bunker liner chosen is a polymer-coated gravel system known as Better Billy Bunker System. If you would like to see the system installed, there are several time lapse videos on YouTube. Just search “Better Billy Bunker” and several videos will pop up. The first week went well. We removed all sand from the bunkers on the Chipping Green, #18, #17, #16, #12, and #11. New drain pipe was installed in bunkers on the Chipping Green, #18, #17 and #16. And the 2” gravel layer was installed in bunkers on the Chipping Green, #18 and #17.

The next step is to apply the polymer onto the gravel. This step is weather dependent, and the recent rains and freezing temperatures have slowed some of the progress. We will continue to remove sand and old pipe and come back and spray polymer when we get more favorable weather. I will be sending out weekly updates using Constant Contact, so if you would like to follow the progress, make sure you have subscribed to receive the Constant Contact from the LKPOA.

This is a reminder that golf carts will be restricted to CART PATH ONLY beginning Dec. 1 and will remain that way through March 2019. Golfers that need blue flags will NOT be restricted to cart paths unless due to weather.

Although the routine mowing will be reduced significantly, there is still plenty to do over the winter, and we will continue to stay busy. Please continue to fill your divots and fix ball marks. It is just as or even more important this time of the year as it is in the spring and summer.

Happy Holidays!

See you around the course!

Bryan Brown
Golf Course Superintendent

Public Works Update

It looks like we are going to have a short fall and go right into winter. With that said, our construction projects slowed due to the weather affecting the work. We appreciate your patience in this matter as we push on as weather permits. There are a lot of holiday activities scheduled for the next few weeks; we hope everyone comes out to enjoy them. Our Christmas tree lighting at the Pavilion is always a spectacular event. Volunteers go above and beyond. All departments contribute to the efforts for these events and it is a fun time of year for everyone.

PARKS AND LAKE

The lake level as of Nov. 15 is 700.01 with more rain predicted. The lake has been staying at full capacity. You will be seeing guys out in the lake the next few weeks starting our dredging process. Divers will be moving materials to containment bags at three locations: West Beach parking lot, southeast corner; Little Crow Cove boat ramp opposite the north end of Comanche Dr. E.; and the Quannah Cove boat ramp opposite the south end of Comanche Dr. E.

These areas will be closed off to the public during this time due to safety precautions and to allow the silt to dry. It then will be hauled away.

ROADS AND BRIDGES

As everyone has seen, road crews have been working on asphalt repairs. We realize this causes delays for everyone, but the end results will make it worthwhile. You also will be seeing our Public Works crew crack sealing around the community.

We again appreciate your patience. We strive to make Lake Kiowa a better place to live.

Happy Holidays!

Mike Dillard
Lodge Update

Our double meat lasagna that utilizes my grandmother’s red sauce or the shrimp and clam Pasta a’la Kiowa, please come out and give one of them a try! The Christmas and New Year’s holidays are a great time around the community. We have a great event hosted by our community groups nearly every night this December, so please, if you have not been involved with any of them, please contact any of the groups that would be happy to count you among their members! We have just gone full throttle with our new menu revamp. We are monitoring our feedback and looking at changes based on community input. If you can think of any ways to improve or update our menu, please use the touchscreen in the dining room to input those ideas or stop me in the Lodge to let me know what you are thinking. We can look at these ideas as we move forward with any menu changes or limited-time offers. Also, if you have any feedback on service or Lodge quality, please mention these as well. We are always striving to improve and, to do so, we need your feedback! Thanks.

David Auffrey General Manager

LAKE KIOWA SPECIAL UTILITY DISTRICT

MINUTES FOR MEETING OF BOARD OF DIRECTORS
DATE: Wednesday October 10, 2018
TIME: 9 a.m.
PLACE: 133 Kiowa Drive South, Lake Kiowa, Texas 76240

Minutes

1. Call to Order and Declaration of Quorum: Meeting called to order at 9:02 a.m. by President Thies. All Directors were present except for Assistant Treasurer Matthews and Secretary White. General Manager Young was also in attendance. Secretary White arrived at 9:17 a.m.

2. Review and approval of minutes September 12, 2018 board meeting(s): Vice President Bergbower made a motion to accept the minutes and the September 12, 2018 meeting as presented and the motion was seconded by Director Langley. All approved.

3. Public Comment (Speakers limited to 5 minutes each): None.

4. New Business:

(a) Discussion and possible action concerning approval of Change Order #2. There are three parts of the Change Order: Part 1 for additional required pipe ($4449.95); Part 2 is for the additional valves on Cayuga and Pawnee ($3,491.91); and Part 3 is for moving our current line for drainage work being done by LKPOA on Kiowa Drive West ($61,012.25), for a total amount of $68,882.11. General Manager Young went over the change order with the directors, answering questions. Vice President Bergbower made a motion to approve Change Order #2 for the water line project and the motion was seconded by Treasurer Richrey and all approved.

(b) Discussion and possible action concerning the approval hiring a full-time inspector for the waterline project. General Manager Young went over the reasons that he thought required an inspector to be onsite for the remainder of the waterline project. He also explained that monies were available from the bonding that was completed for the project. Treasurer Richrey made a motion to allow General Manager Young to contract with Rice Inspection, Inc. to furnish inspection services for the District for the remainder of the project at the contracted amount. Secretary White seconded the motion and all approved.

(c) Discussion and possible action concerning Customer billing adjustment(s): None. Consent Agenda: Directors should ask for any items that they wish discussed to be removed from this section.

(a) Discussion and possible action to engage an engineering firm to provide surveying and other services required to amend the district’s certificate of convenience and necessity to serve Lake Kiowa Property Owners Association acreage: None. 

(b) Discussion and update on the water line replacement Project #2: General Manager Young updated the Directors letting them know that work was being done to join the pipe and install valves and fire hydrants on the south part of the construction. Currently a crew has been brought in to assist in moving the water line in the area where LKPOA contractors are re-doing a drainage area in the 1200 block of Kiowa Dr. W. They will then return to complete the south end and then move to the north end and then Iroquis Dr. E.

5. Old Business:

(a) Receive and possible acceptance of 2017/2018 annual audit with Evans, Pinleyton and Howard, PLLC: Audit has not been received so no action was taken.

6. Committee reports:

(a) Human Resources (HR) Committee: None.

(b) Budget and Rates Committee: None.

(c) Long-range Planning and Conservation Committee: None.

7. Reports:

(a) General Manager re: review of contractual matters; water system maintenance and status; status of capital improvement projects; rates and finances; customer relations; employee matters; special projects; equipment, materials, and vehicles; administrative matters; and, recommendations for water system improvements: General manager Young went over the previous months financial documents and explained that work was continuing on the water line project and that our men have been assisting where needed and making service line repairs. We have hired a new part-time receptionist, Nicole Barletta.

(c) Recent activities of the North Texas Groundwater Conservation District: General Manager Young stated that the NTGCD held a public hearing on October 9, 2018 to get public input on the proposed permanent rules for the NTGCD. It was attended by a few concerned citizens and a couple of them spoke to register their ideas and/or ask questions about the rules. The NTGCD Directors will take those comments and questions into account before the November meeting and the adoption of the long-awaited rules. The NTGCD regular meeting was held at the completion of the hearing. Normal District business was handled.

8. Review and accept monthly financial report(s) and approve payment of bills: Secretary White made a motion to accept the financial reports and approve the payment of bills. Director Langley seconded the motion and all approved.

9. Discussion on future agenda items: Audit, billing adjustment formula.

10. Adjourn: President Thies adjourned the meeting at 9:58 a.m.

Over 22 years of residential construction experience
UNDERSTANDING YOUR MONTHLY LKPOA STATEMENT OF ACCOUNT

Over the last couple of months, I have spent a lot of time explaining to new members and long-time members as well how to read and understand their monthly Statement of Account. The first thing and probably the most important thing that is causing confusion is knowing the difference between the types of charges posted to your account. There are two types of charges and each has its own billing cycle.

The first type is Scheduled Charges, which are posted to your account on the first day of each billing month. These Scheduled Charges are the recurring charges for the Maintenance Fee, the reserve fund fees for ARRF (Asset Replacement Reserve Fund), CARF (Capital Asset Reserve Fund), and FRRF (Facilities Refurbishment Reserve Fund), the LWC #3 (Low-Water Crossing #3 Bridge Assessment), Garage Pickup and other elective fees for golf cart storage and trailer storage.

The second type is Unscheduled Charges, which are posted to your account on the date the charge is incurred using your membership card but are not due and payable until the month following the month the charge was made. The Unscheduled Charges include Lodge/Tavern purchases, Golf Pro Shop fees and purchases, toll tags, decals, campground fees, citations, July 4th tickets, building permits and several other elective services available to members.

In order to make it easier for members to know what they owe each month and what charges make up the balance due, I have created a sample statement of account that defines what the various charges are and when they are due for payment.

Susan Johnson

NEW BALANCE = PLEASE PAY THIS AMOUNT

Total charges made in August not due until September. Scheduled Member charges billed the 1st of each month due on or before the 25th. Application of payment received for amount due on 9/01/18 Statement of Account. Balance of Unscheduled Member charges made in September prior to the receipt of your payment. Unscheduled Member charges made in September with October statement. Total amount due for October 2018 must be paid on or before the 25th to avoid late fee.
Cooke County Electric Cooperative Association will make every effort to keep any interruption to your service to a minimum during this project and as always, we appreciate the opportunity to serve you, our members.

Carolyn Powell

COOKE COUNTY ELECTRIC COOPERATIVE IMPROVES BURIED CABLE AT LAKE KIOWA

Cooke County Electric Cooperative Association, along with their contractor Novinium, Inc., will be in Lake Kiowa for the next twelve to fourteen months rejuvenating aging direct buried cable, to improve service to the area.

“CCECA is working with Novinium, Inc., who will perform a minimally intrusive solution to our underground cable maintenance” says Neil Hesse, CCECA General Manager. Novinium’s proprietary Cablecure technology rejuvenates underground cables quickly and safely, returning them to better than new performance, allowing us to proactively address our underground networks and increase reliability.”

Every Cablecure service will begin with a low-impact Time Domain Reflectometry (TDR) test to evaluate the cable, identify problematic cable segments and rejuvenate the cable using Sustained Pressure Rejuvenation. This process will aid in repairing and restoring the underground cable for segments and rejuvenate the cable using Sustained Pressure Rejuvenation.

“The process will aid in repairing and restoring the underground cable for segments and rejuvenate the cable using Sustained Pressure Rejuvenation. Reflectometry (TDR) test to evaluate the cable, identify problematic cable networks and increase reliability.”

Reflectometry (TDR) test to evaluate the cable, identify problematic cable networks and increase reliability.”

COOKE COUNTY ELECTRIC COOPERATIVE IMPROVES BURIED CABLE AT LAKE KIOWA

Call to Order – President Gerald Smith called the meeting to order at 6 p.m.

Pledge of Allegiance – President Smith led the Pledge of Allegiance.

Established a Quorum – All members were present except Keith Cole and Norma Desilets. Quorum established.

Approve Minutes –

Gerald Smith made a motion to approve the September 17th Regular Board Meeting Minutes and was 2nd by Pete Mason. All approved, motion carried.

Financial Update by Clark Enright

– Actual income for September of $402,663 against a budget of $397,726 results in a positive $4,938 for the month. Actual expenses for September $334,411 vs. budget of $358,842 results in favorable amount for the month of $24,431. Net revenues for September were $68,252 vs. a budget of $38,884, positive for the month by $29,368. Major income contributors for the month greater than the budget – Building Permits $7,529, Resale Certificates $1,750, and Late Fees $1,400 and less than budget – Lodge $2,389 and Green Fees $2,298.

Major expenses, actual to budget, for the month of September came from – Public Works $2,134, Parks and Lake $5,929, Golf Course $3,527, Security $2,884, and Road and Bridges $6,468. The status of our Reserve Funds continues to be excellent as of September 30th – ARRF $1,572,969, CARF $20,396, FRRF $113,801 and the Capital Development Balance is $592,805. Total delinquencies were 67 with money owed $31,570.

Committee Changes – Clark Enright requested Mike Bitsche be replaced by new Conservation and Angling president John Kallina on the Lakes and Parks Committee. Pete Mason requested Rick Walker be added and Lou VanderMolen be removed from the Architectural Control Committee. Gerald Smith made a motion to approve the changes and Clark Enright 2nd the motion. All approved, motion carried.

Architectural Change Committee Update – Pete Mason made a motion to add the following additional items to the Citation and Fine document: carports - $100, whole house demolition - $250, exterior renovation - $50, fire pits, exterior fireplaces & outdoor kitchens - $50, greenhouses - $50, irrigation system - $50, silt removal - $150, solar panels - $50, storm shelter - $50. All other ACC non-compliance issues, not listed in the Citation and Fine document, may result in the following schedule of fines: first violation - $50, second violation - $100, third and each further violation - $200 fine and, if applicable, a 30 days suspension of privileges. Gerald Smith 2nd the motion. All approved, motion carried.

It was noted that appeals for a failure to obtain a permit would be heard by the POA Board of Directors.

Golf Committee Update – Lori Brindle made a motion to allow the MGA to donate $12,000 to enlarge forward tees on holes 2, 6, 10, and 18 and allow the WGA to donate up to $3,900 to add a new forward tee on hole #3. Rick Walker 2nd the motion. All approved, motion carried. This work will be done in conjunction with the sand trap upgrade starting in November.

Lake and Park Committee Update – Clark Enright provided an update on current committee actions. The committee is evaluating a new park on the area across from the fire department/driving range. Mike Dillard of Public Works has been doing various improvements to East Beach and will be getting bids for an outdoor shower and additional fencing on the volleyball and basketball courts. Lighting will be repaired and improved by Cooke County.

Lake Maintenance Committee Update – Jim Marfice provided an update on the Silt Removal Project. TCEQ approval has been granted and the Corp of Engineers approval should be completed by November. The 2017/2018 audit is well underway, but not yet completed. There are surplus O&M funds from prior years to support this need. Jim Marfice moved we accept the Resolution to Dedicate Funds of $200,000 to the Capital Asset Requisition Fund (from Operating & Maintenance). Clark Enright 2nd the motion. All approved, motion carried. The Lake Maintenance Committee along with Gerald Smith and Charlie Foster will be evaluating additional ways to prevent silt from entering the lake.

Rules Committee – Sam Samuel and Steve Hayslip proposed the following wording addition to Rule 3.3.7.6 Use of Association Docks, “Permits are valid for three consecutive calendar days. Only the member, as defined in the LKPOA Bylaws, will be allowed

Notice

LAKE KIOWA PROPERTY OWNERS ASSOCIATION

Treasurer’s Report - October 2018

Lake Kiowa Property Owners Association

In October, the Lake Kiowa Property Owners Association Treasurer presented the October Treasurer’s Report. The report includes an overview of the financial performance for the month, highlighting key figures such as cash receipts, expenses, and other financial metrics. The report is an important document that provides stakeholders with a detailed understanding of the organization’s financial health and performance.

The Treasurer’s Report for October 2018 can be accessed on the Lake Kiowa Property Owners Association website. It is recommended that interested parties review the report to gain a comprehensive understanding of the financial status of the Association. Additionally, the report includes a detailed analysis of the organization’s financial goals and objectives, along with strategies to achieve them.
Continued from page 39

to obtain no more than 3 permits a month, and no more than 2 of the 3 permits may be used consecutively.”

Gerald Smith made a motion to accept the wording change as proposed. Lori Brindle 2nd the motion. All approved, motion carried. Todd Marvin, Lot 1781 asked if there are signs explaining these type rules. Gerald stated that rules are in the Rules & Regulation Handbook posted on the Lake Kiowa web site and referred to on the Boater Safety Test.

Community Manager Monthly Report – Bill Burhans will be moving out of Lake Kiowa and therefore leaving as editor of the CommuniQué. Charlie Foster is working the succession plan.

Weather permitting; work will begin in November on the West Beach Lake Wall and Sidewalk Re-Build. The drainage project on Kiowa Drive West is underway and is on schedule. The IS Committee is working with Nabr Networks out of Lewisville on the new Kiowa web site. Target completion is November 30th. Cathy Witt requested that each organizational group provide her with requirements for the new web site. Gerald Smith requested the IS committee provide training sessions to the community. The Greens Advisory Group performed a course rating in September. The course overall scored a 4.3 out of a 5.0, which places it in the “good” to “very good” range and the new highest score since the GAG ratings were implemented. Last month Charlie received an alert from TCEQ about suspending water for the golf course if severe drought conditions happen. Charlie received a proposal from Bullock, Bennett & Associates to research the topic so that we can put an appropriate plan in place if necessary. Gerald Smith made a motion to approve up to $2,000 for Bullock, Bennett and Associates for consulting services to research the area and present the options for Lake Kiowa. Jim Marfice 2nd the motion. All approved, motion “Tour Blend” sand was chosen for the Sand Bunker replacement which will begin early November. As noted earlier in the meeting, the WGA has offered to donate $3,900 to add a new forward tee on hole #3 and the MGA has offered to donate $12,000 for tee expansion on holes 2, 6, 10, and 18. Security will be sending two officers to animal control training in January. 2018/2019 budget revenues are $20K lower than planned due to green fees, boat slip rentals, ICVFD lease, and CommuniQué ads. David Auffrey is working through a new menu approach, with a smaller menu as a way to improve quality. The lodge will be closed Tuesday, October 30 for training on the new menu. Effective with the November BOD meeting, the Lodge & Tavern Private Club Board members of Bob Bergbower, Bob Hughes, and Joan Carrol will resign. They will be replaced with Steve Wunderlich, Pete Mason and Mike Brindle subject to BOD approval. This group will also be exploring a change to a different type membership when the current private club license expires in the summer of 2019. Fall cleanup will take place November 15-17.

Road Plan Update – Lake Kiowa roads were split into 75 segments for road upgrade purposes and each was put into one of three categories of roads; primary, secondary, and tertiary. During the recent re-evaluation 15 segments were added to the approximately 24 miles of roads in Kiowa. The goal is to have all roads at a 70-80 PCI (Pavement Condition Index). $482,000 has been set aside out of AARF with an additional $18,000 out of O&M. $250K will be using in milling roads. The remainder will be used for crack seal and top sealing roads which may be done with POA staff.

Additional Business – Following tomorrow’s “Coffee with Charlie”, ICVFD will be talking about setting up autopay for ICVFD donations starting in 2019. Eikon engineering has completed core samples for the proposed pavilion. They are on track to go out to bid with 6 to 12 vendors next month. Rich Augustyniak will be posting a document in the next CommuniQué stressing the importance of following our rules, specifically related to rule 3.3.3.7 – Trash and Refuse and rule 3.3.2.20 Parking Setback.

Comments from the Audience – Jim Lewis Lot 1759 thanked Steve Hayslip for the prompt notifications of Water Crossing closings and openings. Dan Young Lot 795 asked for help from the POA with drainage problems from the golf course onto his property. Charlie will follow up on the issue.

Motion to Adjourn: A motion to adjourn was made by Pete Mason and 2nd by Rick Walker. Everyone agreed and motion carried. Meeting ended at 7:40.

Submitted by Lori Brindle Secretary
MINUTES—INDIAN CREEK VOLUNTEER FIRE DEPARTMENT
BOARD OF DIRECTORS
NOVEMBER 12, 2018, 6 PM

Meeting was called to order by Vice President Steve Dumovich.
Board Members Present:
_ _ President Bruce McDonald _X_ Vice President Steve Dumovich (ill)
_ _ Treasurer D. Noble
_ _ Secretary Dennis Engels _X_ Ad Hoc Randy Cade
Other Attendees: John Salsman, Captain (for Monroe Salsman, Chief), Bryan Buchanan, Firefighter, Norma Desilets, LKPOA Board Liaison.

APPROVE MINUTES FROM OCTOBER 8TH, 2018 MEETING
Moved, Cade, seconded, Noble, Motion Carried.

REVIEW AND APPROVE TREASURER’S REPORT
Moved, Engels, seconded Cade. Motion carried.

REVIEW AND APPROVE CHIEF’S RUN REPORT
Total Number of October incidents: 23
Fire: 1 Chimney fire, confined to chimney
Rescue and Emergency Service Incidents: 15
Motor Vehicle Accident with no injuries: 1
Service Call:
Assist Police or other Government Agency: 1
Assist Invalid: 2
Good Intent Call:
Dispatched and Cancelled en route: 1
False Alarm & False Call: 2
Moved approval Engels, seconded Cade. Motion carried.

REPAIRS DONE ON RESCUE VEHICLE PREVIOUSLY APPROVED BY EMAIL
STATUS ON E801 TESTING: Pending. Coordinating with Gainesville Fire Department for engine and tester.
HOSE TESTING: Completed in October. One hose section defect detected and replaced while salvaging damaged hose and retrofitting it as a lower-pressure hose.

GRANT UPDATE: $8,000 Training and Equipment Grant from the Texas Forest Service.
Moved, Engels, allocate $2500 for new desktop computer, second Cade. Motion carried.

EMT VEHICLE AUTHORIZATION FORMS Tabled until December.

LKPOA CONTRIBUTION COLLECTION PROGRAM
As noted in the LKPOA Board Minutes and elsewhere, the LKPOA Board approved a process for Lake Kiowa property owners to voluntarily authorize the LKPOA to bill $10 monthly for the benefit of the ICVFD beginning January 1, 2019.

REVIEW AND APPROVE TREASURER’S REPORT
Moved, Cade, seconded, Noble, Motion Carried.

**Editorial Policy**

The policy and purpose of this publication is to inform all residents of events and activities within our community, to report on actions and decisions made by our Lake Kiowa Property Owners Association Board of Directors, and to publish the results of those decisions. Information is important for everyone to know that problems are being worked on and remedies are being sought.

The following items will be accepted for publication: Events and information about Kiowa organizations that are open to all residents; events in our surrounding communities when Kiowa residents may be involved in them; and items of a personal nature that reflect on the generous character of our residents or a milestone in their lives.

A Letter to the Editor should be less than 350 words in length and will be accepted if it presents a thoughtful and constructive view to an issue that may be controversial within our community. It may be reviewed and verified for factual accuracy by the appropriate authority. The factual clarification will be published along with the letter. The letter should be typed or in legible handwriting, signed by a verifiable resident, and will be published unedited with misspellings indicated when necessary. If handwriting cannot be easily read, it cannot be used. The CommuniQué will not be responsible for misreading a handwritten word. A letter may be refused publication if space is limited. If several letters are received expressing the same view, one may be chosen for publication. Letters containing personal attacks, self-promotion, or advertising will not be published. Letters to the Editor do not necessarily reflect the view of this newspaper or its advertisers.

Paid subscriptions to Lake Kiowa CommuniQué are mailed First Class upon request - $30 annually.

Paid Advertisers and “Letters To the Editor” do not necessarily reflect views of the LKPOA, and endorsement is not intended.

In CONTRACT

We are Lake Kiowa

We live here, work here, and play here. You see us on the golf course, at the lodge, and volunteering with local organizations. We know and love Lake Kiowa. That’s why we can sell your Lake Kiowa property better than any other agency!

Our agents represented the buyer, seller, or both in 92% of all Lake Kiowa home sales last year! Let us show you why your house is in the best hands with us!
