Of all the places you could go, HOPE Farm is a respite in the lives of many young boys and offers more than hope. It is a place to develop the spirit, the mind, and the body of vulnerable boys and their mothers/caregivers living in the inner city. HOPE Farm is the brainchild of co-founders Noble Crawford and Gary Randle, who wanted to engage the population of at-risk young boys in a positive way.

As part of their mission, the two men saw a need, realized the consequences the need imposed and then impacted the community of at-risk boys as young as five years of age to nurture them through high school and beyond.

HOPE Farm has two campuses, approximately 60 boys enrolled, and employs 18 program-oriented people to meet the spiritual, nutritional, academic, emotional and recreational needs of the boys and the mothers they serve.

A Vietnam-era veteran, a graduate of the University of North Texas and a retired Texas Department of Public Safety Criminal Investigator, Noble Crawford developed a program that has for the last 30 years guided at-risk boys to become Christ-centered men of integrity. Noble and his wife and high-school sweetheart Mae have been married for fifty years and have raised three children. Noble was born in Alabama, grew up in Florida, but made his way to Texas via the United States Air Force. He was stationed at Dyess Air Force Base in Abilene, Texas. In response to the question of why HOPE Farm is important to him, he said, “HOPE Farm sows the word of God to harvest men of God. HOPE Farm is a game changer.”

Please join the women of Kiowa Woman’s Club at the Oct. 10 meeting to learn about this terrific program, all that was involved in getting it started and how it has impacted the lives of so many.

Judy Nehib

**Limited Time Menu**

- Wiener Schnitzel Platter - pork wiener schnitzel (2)* - 12.00
- Bratwurst Plate – Grilled brats (2)* - 9.00
- German Plate – 2 bratwurst, pork wiener schnitzel - 12.00

- German Burger – beef patty, apple sauerkraut, corned beef, Swiss cheese & German potato salad - 9.50

*Items served with: German potato salad, green beans & apple sauerkraut
Would you like to serve on the Board or know someone that should?

While the election may seem far off, the search for members that wish to serve our community as a member of the Board of Directors has begun. Next February, three directors are to be elected, each for three-year terms. The three directors whose terms will be expiring are Jim Marfice, Norma Desilets and Lori Brindle.

The Board of Directors has the responsibility to govern our community and to preserve our LKPOA common assets and amenities. You can appreciate how important this process of elections is to the preservation and protection of our individual rights and property values. The decisions made by our board are vital to the stability, affordability and development of our community. We need people of integrity that are interested, intelligent and involved to be presented on the 2020 ballot.

The duties of a board member are covered in the Board of Directors Governance Policy, Sections 1.2 Major Duties of the Board and 1.3 Due Diligence – Responsibilities of Individual Board Members. The entire document is available on the Kiowa website under “Resources – Governing Documents - Board of Directors Governance Policy.”

This year we’ve received more early inquiries about serving on the board, so we request that you submit the potential candidate’s name(s) as early as you can. All potential candidate names must be submitted to the committee by Nov. 15. The Nominating Committee will interview those interested and select five to seven candidates to be on the ballot, if possible. We’d like a well-rounded ballot with members that live on the lake and in the interior as well as females and males and those with varying backgrounds. The committee’s selection of candidates is to be presented to the LKPOA Board of Directors in December. The candidates’ names will be published in the January 2020 CommuniQué. Ballots will be mailed to all homeowners on or about February 1, 2020. Those elected will be announced at the LKPOA Annual Meeting to be held March 14, 2020.

If you’re interested in talking with the Nominating Committee about being a potential candidate for the POA Board, please contact me at (940) 736-7725 or cohooncorky@ntn.net or one of the other members of the Nominating Committee: Lisa Bohannon, Jayne Sweet, Jim Lewis or Jim Mead.

Corky Cohoon
Nominating Committee Chair
As most of you know, the Lake Kiowa POA is totally responsible for the repair and maintenance of our roads and we receive absolutely no financial support from Cooke County, the State of Texas or our Federal Government. The tax placed on a gallon of gasoline is $.20 for the State of Texas and $.184 for the Feds, which you can see raises a good amount of income quickly and is also supplemented by other general taxes. Most cities repair roads by taking on debt by selling bonds, while we fund our roads strictly through cash flow and do not accumulate additional debt. The only current debt we have was approved by our members in 2016 for the bridge over Low Water Crossing 3 and that current balance is down to less than $150,000. We are more than halfway to having it paid off.

We have re-evaluated our road process and looked deeper into our current situation in order to pinpoint where best to spend our money. We have been milling (grinding off the top two inches) of asphalt, re-laying with new asphalt and then re-striping about one mile of complete road from shoulder to shoulder. The following year we crack seal the new road as needed and then surface seal it within the second or third year after paving. Surface sealing then requires re-striping the main roads.

The amount of underground work being performed by Nortex, Pentex and Lake Kiowa SUD has damaged the edges and even the middle in numerous areas. We have more than 50 individual places that need to be re-conditioned and then patched. We have planned on strategically saving out areas that are a bit larger than before in effort to remove two to three problem areas and replacing each with one good patched area.

Our busiest road is Kiowa Drive and the heaviest traffic loads are closest to the front and east gates. These areas will typically receive the most amount of maintenance over the course of multiple years. The less trafficked areas will get some patches where needed, the cracks sealed, and then a surface seal that prolongs the life of those roads a good number of years.

We plan to start our next cycle of road repair in mid-October and a contractor that had done great work in the past came in with the best bid. Please be on the lookout for further information as we are getting started and be sure to slow down and give these workers a safe environment in which to work.

Charlie Foster

**Kiowa Kare**

**Dear Lake Kiowa Friends,**

I want to thank all of you for your kindness, prayers, concerns and food provided Bud and me as I battle health issues. Good news is the treatments are working and we are very hopeful for a good outcome. It is humbling to know so many of you care. I have received so many words of encouragement and they continue to inspire me.

Thank you, Lake Kiowa friends.

Joann Smith

---

**Friends,**

Walt and I thank all of our Lake Kiowa Friends! You have all been so kind and thoughtful with your prayers, cards, emails and phone calls. We have had another little (or big) hitch in our lives! First, Walt had 3 strokes, which left him weak, but not paralyzed, with vision loss (can’t drive, read or play golf), and some short term memory loss, most of which has returned. Then he went into kidney failure and was hospitalized and on dialysis for a short time. He is home now and we are trying to go from there. A very special thank you to Peggy and Jim Lewis. They have been there for us all the way. And Peggy Robbins has been such a help. There are so many to thank, including all the ladies who drove me to and from the hospital. I don’t know what I would have done without all of you. Also the LKVFD made 2 trips here, one for me in July and then for Walt. You guys are the best and I don’t know what Lake Kiowa would do without you. Thank you for all your prayers, kindness and thoughtfulness. Can’t imagine living anywhere else but here!

Walt and Sue Sprenger

CHAPEL NEWS

On Sept. 9, Chapel held the third Quarterly Congregational Dinner with “The Vessell’s” as entertainment. Clint Sturgeon, Clint’s brother, his cousin and his father, along with two very good friends, comprised the Christian band. They played several beautiful Southern Gospel songs. There were approximately 70 people in attendance. Great entertainment and wonderful gathering! Mark your calendars for Monday, Dec. 9 when we will have the third Quarterly Congregational Dinner. The event will include Christmas music!

“Love the Lord your God with all your heart and with all your mind, and love your neighbor as yourself.”
Luke 10:27

Below are the sermons for October:

Have a Great Day!
Denise Thompson

ROSARY PRAYER GROUP

Mary’s “yes” to God’s will changed the fate of the world. Imagine how your “yes” to the open invitation to pray the rosary with Lake Kiowa friends and neighbors might impact your life and the lives of others.

Join us in the Board Room of the Lodge on Monday, Oct. 14 at 7 p.m., Monday, Nov. 4 at 7 p.m. and Monday, Dec. 9 at 5 p.m. Extra rosaries and “cheat sheets” are always on hand. Bring your prayer intentions and come as you are. All are welcome!

If you have any questions, please contact me at (409) 658-0626 or gabel.lf.bd@gmail.com.

God Bless!
Lynne Gabel

The Chapel of Lake Kiowa is offering another session of GriefShare that began in September.

What is GriefShare? GriefShare is a powerful tool that assists those who are grieving in their journey of grief. GriefShare is a grief support group that offers help and encouragement after the death of a spouse, child, family member or friend. GriefShare is nondenominational featuring biblically based concepts to aid you in healing from your grief. We will meet once a week using video seminars, small group discussion and a workbook to help you as you cope with your loss. These sessions are “self-contained” so while it is beneficial to attend all sessions, you do not have to attend in sequence. You may join at any time during this 10-week.

GriefShare will continue Thursday, Oct. 3 through Nov. 14 from 3 till 5 p.m. We will meet in the Board Room at the Lake Kiowa Lodge.
Come join others in a safe and welcoming environment that will help you with the healing that is essential in the grieving process.

Please contact me at (940) 395-3405 to let me know of your interest in attending or if you have any questions.

Congratulations to Jay Weaver who won a Pellet Grill raffled during the 4th of July festivities here at Lake Kiowa. The grill was donated by Sam Baldwin. Members manning the Post 265 booth garnered over $1000 from the sale of tickets. The money received from the raffle will help fund community-related activities serving veterans in our community as well as youth-related activities, specifically Boys and Girls State and a flag retirement program.

Coming activities include the district convention on Oct. 26 in Royce City, TX. This is a one-day convention packed full of training and information plus a BBQ banquet. You don’t want to miss this 100-year celebration sponsored by Post 100 in Royse City, TX. If anyone wants to carpool to the convention, please contact your Post Commander, Jeremy Jordan. Additionally, the Veterans Day Dinner here at Lake Kiowa will offer a free meal for all veterans who attend. Details will be forthcoming. We have been asked to participate in the Fall Festival with face painting and tattoos for the children sponsored by the FOL on Oct. 26 from 4 to 5:30 p.m. in the Lodge Assembly Room.

A special thanks is extended to Vice Commander Jason Castleberry from 4th District, Royce City for leading our meeting in Commander Jeremy Jordan’s absence. Please be sure to attend our next meeting on Oct. 10.

A big congratulations to the Lake Kiowa Kiwanis for winning the Kiwanis International Growth Award this year! We added 13 new members. Thank you to all Kiwanis members for everything you do to help the children of Callisburg ISD.

2019-2020 New Officers Election Nominations
These Kiwanians were nominated for and elected to the following positions: Brink Broughton President-Elect; Mary Johannsen Secretary; Jim Poker Treasurer.
The Lake Kiowa Kiwanis BBQ Fest will be held on Saturday, April 25, 2020. As in previous years, we look forward to your generous support and contributions. 100% of all contributions benefit the Callisburg ISD. None of the proceeds go to Kiwanis International or toward our administration. Look for more for details in the forthcoming issues of the CommuniQué.
Four of our members (Gary Cotton, Chris Hale, Jim Marfice and James Unruh) have been busy building more Free Little Libraries for the Kiowa Woman’s Club. These new libraries will be located at the Little Fox Pond and at the walking track near the dam. Check out these new locations!
KIWANIS CAN collection receptacles are located at the following areas: Fire Station; Iriquois Park (East Side); Green recycle receptacle on the golf course located by the cart barn right behind the 18th Green. Club members work hard at maintaining these locations and delivering the cans to the recycling centers. The funds generated are used to support our Children’s Fund. Please refrain from placing trash in the can receptacles.

You are invited to come to our meeting the first Thursday of each month at the Lake Kiowa Lodge starting with dinner at 6:30 p.m. followed by a one-hour business meeting at 7 p.m. Remember Kids need Kiwanis – Kiwanis need you!

“There are many little ways to enlarge your child’s world. Love of books is the best of all.” —Jacqueline Kennedy.

Located at the East and West beach playgrounds, the Lake Kiowa Little Free Libraries are for children of all ages. A Little Free Library is a free book exchange. If you see something you would like to read, take it. When you’re finished, share it with a friend, bring it back here or leave it in another Little Free Library.

One of the goals for the Lake Kiowa Little Free Libraries is to share the love of books with the children of our community. Thanks to everyone who continues to leave books in the Little Free Libraries. Thanks to you our Little Free Libraries are being used.

It’s important to keep our Little Free Libraries full of books for the kids to read. Please continue to bring books to share when you can! You can donate books by dropping them at either Little Free Library location or by contacting me at (806) 679-5016 for pickup.

Book Review
Charlotte’s Web by E.B. White
This children’s literature classic is perfect as a read aloud book with your child and for a read alone when he or she is older.

Some Pig. Humble. Radiant. These are the words in Charlotte’s Web, high up in Zuckerman’s barn. Charlotte’s spiderweb tells of her feelings for a little pig named Wilbur, who simply wants a friend. They also express the love of a girl named Fern, who saved Wilbur’s life when he was born the runt of his litter.

E. B. White’s Newbery Honor Book is a tender novel of friendship, love, life and death that will continue to be enjoyed by generations to come.

Happy Reading!!
Linda James

Trevor Garcia, grandson of Sherri and Keith Vavra, adds some books to the West Beach Little Free Library.

Trevor is happily surprised to find a dinosaur book that he wants to read.

Kiwanis volunteers building two additional Little Free Libraries.

We hope that everyone that attended the summer concert enjoyed the evening. It was a wonderful turnout; we loved seeing all the golf carts lined up. The Renegade Country Band entertained us with great music and Mother Nature dazzled us with a beautiful sunset. Who could ask for more? Our thanks to the POA Public Works staff that ensured we had everything we needed at the East Beach for the concert.

The Renegade Country Band entertained us with great music and Mother Nature dazzled us with a beautiful sunset. Who could ask for more? Our thanks to the POA Public Works staff that ensured we had everything we needed at the East Beach for the concert.

October brings thoughts of fall, football and the Fall Festival. We will be hosting our event in the Assembly Room and in the front parking lot due to the Pavilion construction. The event will be held on Saturday, Oct. 26 starting at 4 p.m. Come join us for some old-fashioned fun with games, face and pumpkin painting, cake walk, corn hole, fishing and many more activities. Again this year we will have prizes for best costumes and a prize for the best family costume. Hope to see all of our ghosts and goblins. Trunk and Treat will follow in the front parking lot. This year Trunk and Treat will be golf carts only, starting at 5:30 p.m. Decorate your golf cart and come join the fun.

As always, hope to see you at the Lodge.

**From the President…**

“Life’s too short to wake up with regrets. So, love the people who treat you right, forgive the ones who don’t and believe that everything happens for a reason. If you get a chance, take it. If it changes your life, let it. Nobody said it’d be easy, they just promised it would be worth it,” Dr. Seuss.

I had this quote running through my mind as we were preparing and planning for the first meeting of Kiowa Woman’s Club. The September meeting began with a bang of confetti poppers and ended with Lyndy Phillips providing a much-needed stress relief (at least for me), entertainment and tips. Research says that laughter is the best way to relieve stress; everyone at the meeting was stress-free upon leaving.

As we head into October, KWC has several “save the date events” you can find in your directory.

If you still need a directory, come to the October meeting or contact Debbie Heath at debbieheath@msn.com. Besides having over 400 members’ contact information, the directory will be your guide for all KWC events for the year. The following group activities for October that you can go to are: KWC meeting Oct. 10; Bible Study Oct. 22; Book Review Oct. 4; Bridge Oct. 3, 24; and 31; Canasta Oct. 7 fall potluck; Garden & Nature field trip to Circle N Family Dairy Oct. 8; and Gourmet Oct. 15. See the directory for times and contact information.

KWC will also have a Creepy Cookie Walk at the Friends of the Lodge Annual Fall Festival on Oct. 26 from 4 till 5:30 p.m. Sign up to make/buy cookies and volunteer at the KWC meeting on Oct. 10. Little and big kids love this game, so please sign-up.

Kiowa Woman’s Club has chosen Cooke County Home Hospice as the Community Outreach Program this year. Nancy Jackson, director and Tamera Whitlow, Community Development came to the September meeting and are excited to work with KWC on some upcoming projects.

The program for October will be “Hope Farm: Place for Hope” and will touch your heart. Please read Judy Nehib’s article about it. You can also visit their website https://hopefarmfw.org/.

As you can see, there are Oh, So Many Places You Can Go when you’re a member of Kiowa Woman’s Club. What are you waiting on? Come join the fun, it will be worth it!

**Kiowa Woman’s Club News**

**The Library Shelf**

Now that summer is almost over (I just wish these 90-degree days would go away) and life is slowing down somewhat, we of the Kiowa Woman’s Club Library are looking forward to making changes in the library format, i.e., culling old, duplicate books and reinforcing the shelves. We hope to buy book ends, which will help with the alignment of the books. There will be one or more divisions, making finding books easier. Also, I will attempt to do a book review each month from one of our most recent acquisitions.

We recently had several sacks of books left inside and outside in the book drop. May I remind you again,

**NO BOOKS OF ANY GENRE OVER TWO YEARS OLD.**

Stay tuned for improvements in your library.

Linda Seal

**Bus Drivers Needed**

Callisburg ISD is accepting applications for Bus Drivers and Field Trip Drivers for the current school year. Applicants must be at least 21 years old, must have a Class A or B CDL with passenger and school bus endorsement and be able to pass or have a current DOT medical exam. The district will pay for the exam if needed. Applicants must also pass a background check, driver’s record check and pre-employment drug test. Average morning and afternoon routes run 60-75 minutes. All buses are equipped with security cameras. This allows for close monitoring of students and assists administration with enforcing the bus riding rules of the district. Bus Drivers for Callisburg ISD enjoy the strong support of campus and district administration in the enforcement of these rules. Beginning pay is $19.50 an hour and the driver is paid for four hours each day. Pay for field trips is $15.00 an hour for the duration of the trip. Interested applicants may obtain applications at the Callisburg ISD Administration Offices or at the Transportation Office located at 308 Dozier Street, Callisburg, Texas. Interested parties may also contact Gene May at 940-736-4167. We look forward to hiring new drivers who want to work for a district that respects the job they do!

Diana Lewis

**Canasta**

Wow! What a wonderful bunch of beautiful ladies we had at the first Canasta game of the new year! There were 40 players with six new players and what a delight it was to meet them. Canasta is a great place to meet newcomers. Some had never played before, so we ALWAYS make sure they are paired with great teachers.

The time has changed for play and we have received nothing but kudos. The change came about so we could accommodate our golfers.

We will be having a brunch in October so please think about joining us. The game is Ponytail for that day and lots of wonderful food. More information at the next playday.

Scottie does an amazing job of keeping track of who will play on specific dates so watch your e-mails. Along with Ponytail, we also play Samba so when you answer Scottie, please let her know what you prefer. First come, first served.

You must be a member of KWC to play but if you have a guest, they are welcomed for one date.

Be sure and keep your new yearbook that Debbie Heath and Julie Hoyt have worked so very hard on, at your fingertips. All the information you need is right there. But don’t forget that Scottie and I also are at your fingertips. Call anytime.

See you at Canasta! Hugs.

Scottie and Jayne

WHAT’S YOUR NAME, LITTLE BIRDIE?

The Garden & Nature Group met on Tuesday, Sept. 10 in the home of Vicky Harkins. There were 31 members and guests who attended the meeting. Rita Lokie, an Elm Fork Texas Master Naturalist from Denton, presented the program.

Do you sometimes see a bird and wonder what its name is? Lokie presented tools for improving our bird-watching skills.

Consider the following in identifying a bird you do not know.

1. Size - Is the bird smaller than a robin? Bigger than a crow?
2. Silhouettes - Look at the shape.
3. What is the shape of the beak? A bird’s beak is designed for what food it eats. Cardinals eat seeds, so they have a very hard beak. The Great Horned Owl has a big beak in order to eat mice, snakes and pull back the flesh of its meal. The American Robin has a sharp beak for pulling worms from the ground.
4. Tail Size - Is it square, notched, forked, big or small?
5. Field Marks - Patches, lines, dots, eye rings.
6. Behavior - Woodpeckers have a very distinct downward flight pattern.
7. Habitat - Birds are usually where you expect them to be. You won’t see water birds in the desert.
8. Sound - Difficult for some people to hear and decipher but recordings are a good way to learn the sounds.

There are several free apps to identify birds. Merlin Bird ID is one of Lokie’s favorites. The use of binoculars and a field guide for Texas Birds is a good resource for quickly identifying birds in your backyard.

Lokie also shared the process for bird banding and how it was started in the United States. In the 1900’s there was a decrease in the bird population partly due to women wearing big hats with lots of feathers. A program of identifying birds was started in 1920 and then in 1923 collaboration between Canadian Wildlife and the North American banding programs established.

During the fall and spring at LLELA (Lake Lewisville Environmental Learning Area), certified banding takes place. Nets (the size of hair nets) are placed in an area to catch the birds. They are taken from the net individually to a table where identity, weight, sex and age are recorded, and a band is then placed on the bird. These practices help to identify and understand many ecological issues and for developing effective science, management and conservation practices.

If you are interested in learning more or going birding with an expert, LLELA in Lewisville offers this opportunity the second Saturday of the month. Find details at https://www.llela.org.

The next Garden & Nature meeting will be Tuesday, Oct. 8. We will carpool from the Lodge beginning at 9:30 a.m. for a field trip to Circle N Family Dairy in Gainesville. The cost is $7 per person and includes bottle-feeding the animals. We will end the trip with lunch at the Best Burger Barn in Gainesville.

The beautiful photos that accompany the article are courtesy of Lake Kiowa resident Sheryl Burns.

MAYHEM IS EXPENSIVE. ALLSTATE IS NOT.
The Garden Plot

The temperature does not reflect the calendar. It’s too hot to think it’s fall. And fall in the garden takes lots of work and patience. It’s all the spent plants that need to be pulled and disposed of, followed by working the soil for spring.

It’s also time to start planning for 2020 – so let me know if you want to reserve a garden plot for the 2020 growing season. I can be reached at (512) 565-8930 or jackieditman@sbcglobal.net. We will have some space available for 2020.

Quote of the month: A garden requires patient labor and attention. Plants do not grow merely to satisfy ambitions or to fulfill good intentions. They thrive because someone expended effort on them.

Gourmet Group #10's dinner at Rohmers in Muenster!
Join the KWC Crafters Nov. 5 at 10:30 a.m. at the Lodge to create a beautiful stenciled doormat that is perfect for welcoming your visitors. Several stencil choices will be available including Welcome, Lake Kiowa, Happy Holidays, etc. The cost is $15.

Please RSVP and pay by Oct. 29 so that we can prepare for the correct number of people and have all needed supplies available.

Call, text or email me at (806) 679-5016 or lindajames1004@gmail.com to sign up or join the event on Facebook at https://www.facebook.com/KWCCrafts/.

Kiowa Quilt Bee

We meet the first Monday of each month at 7 p.m. in the Lodge Assembly Room. At our September meeting, the ladies shared their quilts and the stories behind them.

Our next sew day is Oct. 20 from 9 a.m. till 4 p.m. You can come and go anytime during those hours. Hope to see you there.

Jeanne Smith

Emily Mugridge used a log cabin pattern put together with bright colors to look like a circle.

Lisa Bohannon, Cathy Cecil, Shirley Sturm, and Sheryl Baus (not pictured) went on a fishing trip to Baranof Wilderness Lodge. While on the trip, they purchased the salmon/halibut fabric for this quilt in Sitka, Alaska. This is just the top for a tablecloth that will be quilted. They worked on this for nine hours one day to complete it.

Carol Suggs shared the quilt she made for the Cooke County Adoption Day Quilt project.

Debbie Heath made this doggie dish mat for Joy. Debbie found this pattern and kit on the MSQ site and thought it was so cute. Since Joy is getting a new puppy in a few weeks, Debbie is hoping she will think it is just as cute.

Stephanie Braun took a jungle panel and turned it in to this amazing quilt to be donated to the Adoption Day Quilt project.
Emily Mugridge shared a Church Dash antique quilt from the 1930s. Her husband’s great aunt made it while traveling with her third husband who was a salesman. The writing you see on the quilt represents the different towns they visited on those trips.

Debbie Heath visited a quilting friend while on vacation. Debbie helped her finish several quilts by sewing the binding on them. To Debbie’s surprise, her friend then gave her this quilt.
ICVFD News in Brief

Visit the ICVFD website to make yearly/monthly donations: www.indiancreekfd.com.

Order your yard signs now: www.911yardsigns.com; select ICVFD as the charity.

Trick or Treat at the fire station, Oct. 31, 5pm-7pm.

Want to be part of ICVFD Board of Directors? ICVFD is looking for two potential board candidates for this next year. If interested, please email admin@indiancreekfd.com and a board member will contact you.

Are you having surgery or have a medical problem requiring a wheelchair, walker, rollator, knee scooter, crutches, or commode chair?

The ICVFD has these items available FREE! We will deliver to you. Call Judy Hughes (940) 736-3820 or Jo Brannan (940) 395-3405

101 Lone Star, Lake Kiowa, TX
First Responders from Cooke County were honored at a picnic Saturday, Sept. 7 at Leonard Park in Gainesville. The event spotlighted the dedication, courage and selflessness of First Responders, and marked the observance of Texas First Responders Day, which is officially recognized in Texas on Sept. 11. The event, organized by Cooke County Republican Women, was open to the public, and the common theme throughout the day was expressions of respect and appreciation for the First Responders who serve County residents and visitors.

County Judge Jason Brinkley, Emergency Management Coordinator/Fire Marshal Ray Fletcher, Sheriff Terry Gilbert and Emergency Medical Services Chief Kevin Grant addressed the audience at the beginning of the program and spoke about the level of coordination and partnership that exists among all First Responders.

Law enforcement departments recognized included the Highway Patrol, the Sheriff’s Department and Police Departments from the cities of Gainesville, Lindsay, Oak Ridge, Muenster and Valley View, as well as the Gainesville ISD Police Department and the NCTC Police Department.

Fire departments included Gainesville Fire-Rescue and the volunteer fire departments of Callisburg, Era, Indian Creek, Lindsay, Moss Lake, Muenster, Myra, North Shore, Rosston and Valley View. A member of the Muenster VFD, State Representative Drew Springer, and five VFD fire chiefs spoke about the challenges they face and the dedication of their volunteers.

The third group of First Responders honored at the event was those who provide emergency medical care. Cooke County EMS serves the entire County in cooperation with all the law enforcement and fire departments, under the lead of the 911 operators and emergency dispatchers at the Sheriff’s Department. Effective Sept. 1, these operators and dispatchers are also officially recognized as First Responders by the State of Texas.

Attendees had the opportunity to personally meet and thank First Responders, as well as enjoy a first-hand look at a variety of vehicles displayed by the departments.

Follow Cooke County Republican Women on Facebook for more information or go to www.cookegop.com/ccrw.

Pauline Lesch, ICVFD Chief Monroe Salsman and Representative Drew Springer.
Greetings from the Callisburg Wildcats! Summer has ended and school is back in session. There are many new faces around the building, including many new coaches. The football team has changed drastically since last year, and the new coaches believe that we will have a more successful season this year.

Volleyball
The Callisburg Lady Cats are back for another great season. They have competed in three tournaments and have played numerous games throughout the month of August. The last tournament of the preseason was finished on Saturday, Aug. 31, where they finished third in the silver bracket. They defeated Burk Burnett in the third-place game, a team that had previously beaten us. “I am so proud of the girls and how they are coming together,” Coach Angela Allen said. She is not the only one who is proud of our mighty Lady Cat volleyball team! We wish them a great season ahead.

Cross Country
The first cross-country meet of the season had an excellent outcome with four runners bringing home medals. Our varsity boys placed sixth as a team. The team members are Eduardo Ramirez, Cody Cameron, Patrick Burt, Suede Wanamaker, Carlos Vega, Cole Walker and John Klein, who finished with the 10th-place medal.

Our varsity girls team includes Julia Torres, Haily Bass and Michelle Tyler. They may not have placed as a team, but Julia Torres placed 35th out of 91 runners. The JV boys’ team is comprised of David Carpenter and Davi Torres who received a medal for coming in 15th place out of 87 runners. The JV girls may only have two runners competing, but they are still strong, which Caylin Carpenter proved by receiving the 15th-place medal out of 64 runners. She ran with Payton Smith, who set a new personal record.

The middle-school boys did an amazing job by placing 10th as a team. The team consists of Cash Buckaloo, Kolin Kiser, Hank Hamilton, Zack Riggsby and Brayden Turner. Last, but definitely not least, our middle-school girls placed 11th as a team, with Tehya Lang leading the way, winning a 2nd-place medal. We know they are working hard as indicated by their results early in the season. Coach Baker is very proud of his team’s work ethic and reports that it should be a great year for cross country.

JV and Varsity Football
The first scrimmage against Collinsville had its ups and downs for both the JV and Varsity. The JV’s defense was very strong, and they fought hard against the opponent’s offense. The Varsity’s defense had its bright moments against Collinsville and that scrimmage was a success. The scrimmage against Alvord was a great win, as our defense and offense were very strong. Both defenses stopped the ball every time, so Alvord did not score. The offense also did very well by scoring multiple times to win the scrimmage. Our Varsity QB Cameron Crisp did very well; he is a great leader and role model. The JV won its first game of the season 22-8 against Dallas Life Oak. Our offense scored, and only fumbled a couple of times. The defense only allowed the opponent one touchdown. The coaches were adept at play calling to lead us to a win.

The Varsity traveled to Dallas Life Oak and fought very hard against Dallas, keeping it close. The Wildcats took the lead in the third quarter 21-20. Sadly, we struggled to keep up in the fourth quarter and lost the game after a great battle. Callisburg hosted Millsap on Sept. 6 and encountered a well-prepared opponent.

Our Wildcats are working to improve all the details that matter and are preparing to execute more smoothly when they meet Lindsey. We hope you will come out and enjoy watching the Wildcats as they tackle this new season.

Welcome to fall fishing. As I write this, it has not reached 100 degrees for a few days. Hopefully, by the time you read this it will be even cooler. I know the kids are back in school, and hope they have a great year. We watched a lot of paddleboarders this summer. I wish I had the guts to try it.

It looks like our 12-inch crappie regulation is working as we had a report the other day of people catching many 14-inch crappie!

On Aug. 24 we held our fall Kid Fish Tournament. Lots of kids caught fish, some big some small, but we were pleased that the catch rate was higher than during the spring event. The results were:

2- to 6-year group: Scott Grant (3 years old) won first place with eight fish; Rhea King (3 years old) won second place with two fish; Wyatt Nicholas, Grayson Dublin and Dillion Liam all tied for third place.

In the 7- to 9-year group: Owen McDonald won first place with six fish; Haden Oliver took second place with five fish; Ethan Liam and Trent Collier tied for third place with two fish each.

In the 10- to 14-year-old group: Jaydon Watson and Taylor Cowling tied for first place with three fish each; Addison Collier and Cannon Champ tied for second place with one fish each.

Nascoga was there handing out hot dogs, chips and drinks. The bounce house seemed to be a big hit as always, and the kids may have had as much fun as all the volunteers that were there. Thank you to the people who contributed their time and efforts.

The monthly bass tournament was held Aug. 17, and, due to the wind, it didn’t feel too hot. Of course, that didn’t mean that we caught a lot of fish in the recreational group, but we tried. I would suggest that anyone who wants to fish in the recreational group come to the club meeting on the third Thursday of the month, and we will try to match you up with someone who has a boat. You don’t have to have a boat to enter, but you need to have some way to keep your fish alive. The recreational group starts one hour after the competitive group, and fishes for four hours. The competitive group starts fishing approximately 30 minutes before sunrise and they fish for 8 hours. Signup for each group starts 30 minutes before their fishing time. For more information ask any board member or come to the Thursday meetings. I lucked out and caught a fish and won first place in the recreational group. Bill Thweatt came in second and Greg and Susan Hair tied for third. In the competitive

Bill Thweatt says face painting isn’t just for kids anymore.
One of the first face paintings at the fish fry.

finished. We had a great time in the air conditioning. Susan and Greg Hair, Roberta Kallina, Bill Thweatt and Tari Darger, Diane Wardlow and Joe Dickhut, Ann and Mark Cawthon, Jeannie Northern, Colleen LaPree and others all worked tirelessly to make it a great time. We had fried fish dinner catered by Backyard Bayou. Chicken Express supplied the tea and water (and it’s the best sweet tea you can find anywhere), and the personnel at the Lodge were accommodating as always. Lots of prizes, raffles and auction items were taken home.

On Oct. 18 the POA will bring Overton Fisheries back for their fall fish survey. The Angler & Conservation Club will use this information to help determine the stocking rates and fishing limits needed for next year. We may pick up a carp or two as well. Don’t forget that we already have Overton scheduled to come for carp harvesting on Monday, April 13 and Monday, June 1, 2020.

Everyone is invited.

April 13 and Monday, June 1, 2020.

come for carp harvesting on Monday, we already have Overton scheduled to take some fish, so anyone interested in volunteering please contact Mark Purks. There may be another day or two as well. Don’t forget that we need this fish to help determine the need for next year. We may pick up a carp or two as well. Don’t forget that we already have Overton scheduled to come for carp harvesting on Monday, April 13 and Monday, June 1, 2020.

Everyone is invited.

The last regular bass tournament of the year is on Oct. 19, with the Angler of the Year award based on the cumulative tournament points earned throughout the year.

The Fall Festival is Oct. 26, with activities from 4 to 5:30 p.m. and golf cart trunk or treating from 5:30 to 6 p.m. Our club will be participating; if you want to volunteer, please let us know.

Bill Thweatt caught a monster Sand Bass the other day, 22 inches long and weighing 3.75lbs. The state record is 20.75 inches and 5.50lbs. Just think what this would have weighed in its prime!

Kid Fish was a great success.

Lake Kiowa Angler & Conservation Club

A town hall meeting regarding the lake will be held Nov. 2 at 10 a.m. Please mark your calendar and attend this important meeting. We as a community need to support the health of the lake, just as we always have supported our other assets. This is your chance to be heard.

Our Christmas party is set for Dec. 19. All member families in good standing are invited. I hope everyone can attend.

John Kallina

One of the first face paintings at the fish fry.
Our WGA monthly scramble on Wednesday, Sept. 4 had nine teams. Our general meeting following the scramble had 55 members attending. Cynthia Prange presented the Treasurer’s report that showed ending balances as of Sept. 30 in Nascoga checking of $9,307.55 and $1,141.33 in savings. Our current membership now totals 287. The breakdown at the time of our meeting was 135 18-holers, 99 9-holers and 53 social members. Sally Read was presented with a “Broke 100” pin.

Donna Dillard reported that our per-person handicap maintenance fee will increase from $18 to $31 when our new handicap system is installed sometime in 2020. Since this is paid from membership fees, there will no doubt need to be an upward adjustment in membership dues for the next year for our playing members. We will have more details at a future meeting. Donna Dillard presented the membership with a golf quilt that was made by Lisa Bohannon and Cathy Wilson. The quilt was made with “found treasures” of embroidered squares discovered when the WGA storage area was cleaned out.

Ladies, it is time to be thinking about serving on the 2020 WGA Board. Nominating committee members are: Maggie Aune and Donna Morris representing the 2019 Board; Sally Read and Kathy Seay representing the 18-holers; and Mary Lou Johnson representing the 9-holers. Please contact one of these committee members if you have an interest in serving in 2020. Please just say YES if you are contacted to take a position. The slate of officers will be voted on at the November meeting and installed at the December meeting.

The Medal Play Club Championship Tournament was held Aug. 23-25. Friday’s play was briefly suspended when the rain moved in, but cooled things off when play continued. Carol Maners hosted players after play at her house. Carol provided drinks and Guy Payne cooked shrimp and steak tacos for lunch. Debbie Romines hosted players at her house for lunch and a pool party after play on Saturday. As usual, lunch was in the Lodge on Sunday, followed by the awards presentation. Congratulations to our new Club Champion Nancy Gingerich. Dee Dorman chaired the tournament that had a field of 12 players.

The Texoma Women’s Golf Association held a tournament at Westridge Golf Club in McKinney on Aug. 26. Several ladies traveled to McKinney from Lake Kiowa for this tournament. The winners are reported in the winner’s section.

The 18-hole chairs are planning an extra BIG BASH for our final medal playday on Oct. 23. Plans are being made for Guy Payne to do the cooking and the food will be provided free to WGA members who participate.

Our Member/Member Tournament will be held Oct. 4, 5 with the Shoot-Out on Friday prior to tournament. Planning this two-person tournament are Karen Brewton and Sharon Mitcham. This year’s tournament will have a best ball format on the first day and a scramble format on the second day of play.

As always, please fill your divots and repair pitch marks on the greens. Our monthly money scramble will be held on Oct. 2 and the general meeting will follow play.

**DID YOU KNOW...**

That because of the implementation of the new World Handicap System (WHS) on January 1, 2020 we will have to change our handicap service provider? The way the WHS is designed and operates makes switching our handicap services to the USGA’s Golf Handicap and Information Network (GHIN) our only choice. While GHIN is more expensive, not only does it provide our club a wide range of services and capabilities that we currently don’t have but also makes us members of the Texas Golf Association (TGA), the regional arm of the USGA. Membership in the TGA provides both our club and individual members a host of benefits that can be found on the TGA website.

The new GHIN Handicap Program software has all the features of our current software plus some additional features that will help reduce some of the posting errors we regularly see. For example, when you enter your member number on the touch screen, all your information will automatically appear on one screen including the tee you most often play. You only have to enter your score and confirm the other information. In addition, GHIN offers an app for both Android and Apple products. Some of the highlights include: the ability to post scores to the GHIN system through your smart phone or tablet; view your Index as well as others by name; calculate the Course Handicap for you and up to five playing partners and remember those partners from round to round; keep a list of your favorite courses; and provide a variety of scoring and handicap statistical features.

We still have much to do as we transition to GHIN so you can expect a lot of important information over the next few months. Watch your email, read the CommuniQué and DYKs and attend MGA and WGA meetings. Currently we are planning on sending our player data to the TGA following the December 1, 2019 Handicap Revision. On that date our handicap software will be shut down so you will need to hold your scorecards until the transition to GHIN is complete. Once the transition is complete any score after Dec. 1 can then be entered into GHIN. The WHS is an exciting new change to golf handicapping and we believe that you will find the WHS, GHIN and the benefits of TGA membership to be an exciting and positive change for the Lake Kiowa golf community.

Your Handicap Committee

It was another beautiful warm day for the Lake Kiowa Men’s Golf Association during the MGA playday on Saturday, Sept. 7. The format was the AB and CD scramble. Players classified as A or B were paired up and played a scramble against each other, then the CD players were paired up and played a scramble as well.

In other MGA news, the Men’s Match Play tournament is underway with the final round being Sunday, Oct. 6. All Lake Kiowa residents are encouraged to come watch the finals that begin at 11 a.m.

Proposed revisions and additions to LKPOA Rules and Procedures – Revisions and Additions in RED

**CATEGORY 2 - VEHICLE CONTROL & NEIGHBORHOOD**

**VEHICLE OPERATION**

Approved Rule Revision

3.3.2.20 - * Parking Setback

Motor Homes, campers, trailers, truck tractors or watercraft parked more than seventy two (72) hours in a one (1) week period or seven (7) consecutive days on said premises must setback a minimum of thirty (30) feet from any street side property line, and forty (40) feet on any golf course property line. *Watercraft under quarantine is exempt.

Approved Rule Revision

3.3.2.22 - * Residential Use of Vehicle by Guest

Guests in such a vehicle, as defined under section 3.3.2.17, may remain overnight for prolonged periods only if the vehicle is parked at the campground or for not more than five (5) consecutive nights, within a period of one (1) month or thirty (30) consecutive days, on the lot where the member or lessee occupies a home. Guest vehicles cannot remain on privately owned lots more than ten (10) consecutive days within a one (1) month or thirty (30) consecutive day period.

**CATEGORY 3 – PRIVATE PROPERTY**

Approved Rule Revision

3.3.3.3 - * Vacant Lot Condition

All vacant lots are to be kept in a well-maintained condition. Lots are not to be used for storage of any items. Vacant lots must be mowed when necessary to prevent grass from exceeding twelve (12) inches in height. Owners of each lot shall keep grass, weeds, and vegetation trimmed or cut as necessary to provide a neat and attractive condition. The Accumulation of rubbish, dead or fallen trees, inoperative vehicles and trailers, unused building materials and all other items is prohibited.

Approved NEW Rule

3.3.3.4.a - ***Property Maintenance - Unsightly Annoyance or Nuisance***

Private Property shall be maintained at all times. Any lot that appears unsightly to the neighborhood, or unsightly in such a manner that is visible from any other lot, street, lake or golf course is considered out of compliance. Unsightly includes, but is not limited to, excessive accumulation of rubbish, debris, etc. and an excessive lack of general maintenance.

Approved Rule Revision

3.3.3.5 - * Motor Vehicle Registration

Motor vehicles without a current license registration are not allowed to enter the premises nor be parked or stored outside on private or community property regardless of covering used by tarp or other means.

Approved NEW Rule

3.3.3.9.a - * Number of Vehicles - No owner or lessee may park or store more than six vehicles outside on their private property that is visible from any other lot, street, lake or golf course. Guest vehicles are exempt.

Approved NEW Rule

3.3.3.10 - *** Parking of Unsightly Vehicles - Unsightly, stripped-down, partially wrecked, inoperable or junk vehicle, or any part thereof, are not allowed on any street or any lot in that is visible from any other lot, street, lake or golf course. Unsightly includes; debris, overgrowth, missing parts, and is not limited to a general lack of maintenance of the vehicle.

MINUTES FOR MEETING OF BOARD OF DIRECTORS

DATE: Wednesday July 10, 2019
TIME: 9 a.m.
PLACE: 133 Kiowa Drive South, Lake Kiowa, Texas 76240

Minutes

1. Call to Order and Declaration of Quorum: The meeting was called to order at 9 a.m. by President Richey. All members were present with the exception on Director White. Also present was General Manager Young and LKPOA Community Manager Charlie Foster and LKPOA President Jim Martice.

2. Review and approval of minutes June 12, 2019 board meeting(s): Director Shorman made a motion to accept the June 12, 2019 minutes as presented and the motion was seconded by Director Turner and all approved.

3. Public Comment. (Speakers limited to 5 minutes each): None.

4. New Business:
   (a) Discussion and possible action on RESOLUTION NO. 2019-004 to approve and accept Change order #4 in the amount of $34,416: General Manager Young stated that the change order was for additional sod and labor that was not called out in the original contract with Wilson Contracting. The work has been completed. A motion was made by Vice President Mathews and seconded by Director Shorman and all approved.

   (b) Discussion and possible action on RESOLUTION NO. 2019-005 to approve closing the contract and final payment to Wilson Contractors: General Manager stated that the resolution is required to close the contract. Director Turner made a motion to accept the resolution as presented and Secretary Deatrich seconded the motion and all approved.

   (c) Discussion and possible action concerning LKPOA proposal to lease and use property owned by LKSUD for possible property owner trailer storage: Jim Marfice made a presentation to the Directors concerning possible use of LKSUD property. Director Turner made a motion to proceed with a feasibility study for use of the LKSUD property, with the requirement that LKSUD be represented by Director Shorman in the study going forward. He also requested that it be brought back before the LKSUD directors when more planning has been completed. Director Shorman seconded the motion and all approved.

   (d) Discussion and possible action to approve the 2019/2020 Annual Budget: General Manager Young went over highlights and changes to the 2019/2020 Annual Budget. Director Turner made a motion to accept the budget as presented and Secretary Deatrich seconded the motion and all approved.

5. Old Business:
   (a) Discussion and possible action concerning possibly finishing the remaining waterline projects in house: General Manager Young told the Directors that he continues to work with the engineering firm and GTUA, and has also been trying to find some qualified contractors to start and complete the next project.
   (b) Discussion and final update on the waterline replacement Project #2: None (TO BE REMOVED).

6. Committee reports:
   (a) Human Resources (HR) Committee: None.
   (b) Budget and Rates Committee: None.
   (c) Long-range Planning and Conservation Committee: None.

7. Reports:
   (a) General Manager re: review of contractual matters; water system maintenance and status; status of capital improvement projects; rates and finances; customer relations; employee matters; special projects; equipment, materials, and vehicles; administrative matters; and, recommendations for water system improvements: General Manager Young stated that overall the water system is working well. We are just starting to enter into the dry part of the year and irrigation systems have started to be used. We recently had some electrical damage to one of our variable frequency drives and it had to be replaced. The rest of the system is working well. He said he does foresee having to put watering restrictions in place barring well or pump malfunctions. We have been going to locations in the recently completed project area and trying to fill damaged areas. Rainfall has caused some problems in some areas.

   (c) Recent activities of the North Texas Groundwater Conservation District: Meeting was rescheduled.

8. Review and accept monthly financial report(s) and approve payment of bills: Treasurer Langley made a motion to accept the financial reports and approve the payment of bills. Secretary Deatrich seconded the motion and all approved.

9. Discussion on future agenda items: None noted.

10. Adjourn: Meeting was adjourned by President Richey at 10:09 a.m.
    Ronny P Young
    General Manager

LAKE KIOWA SPECIAL UTILITY DISTRICT

FALL CLEAN UP

November 21-23
8am - 5pm
Deliver Debris to the Campgrounds below the dam.

Town Hall for Silt Removal

The Lake Management Committee has been meeting once a month with the goal of putting together a long-term plan to address the overall condition and health of the lake, our most valuable asset. We have reviewed the results of the pilot project that dredged silt by the intake valve for the golf course irrigation and in two small coves to improve public boat launch areas.

While the project was successful in removing over 1,400 cubic yards of silt and improving these areas, the cost of $190,000 ($135 / cu. yd.) for this method has proven too expensive and slow to proceed with this method for future projects. With over 100,000 cubic yards of silt in the coves alone, we need a plan that would remove 4,000-6,000 cubic yards with each project and include a more mechanical method of removal. The committee is exploring these options with permit and trucking costs included.

We need a more efficient method of removal. The committee is looking for something like the long-term road improvement plan. This overall plan includes erosion control and the cleaning out of collection areas behind low water crossings #2 and #3 every two years or so. These two areas provide over 70% of the water entering our lake. This plan would also include examination of all the water entry areas around the lake.

Rich Augustyniak

Lake Management Committee:
Pilot Project Review and Long-Range Plan
A town hall is scheduled for 10 a.m. Saturday, Nov. 2 to review the Silt Removal Pilot Project and discuss lake improvements.
Administration Report

Log in to the website using your personal log-in;
Go to the top of the page where Community Pages is displayed and click on Quick Links;
Once in Quick Links look for the Guest Authorization Form and click on it;
Fill in all your information in the Property Owner section;
Scroll down to the Guest Information Page and complete the information about the person(s) for whom you are requesting the pass;
You can request a pass for up to four guests on this form. If you need to request passes for more than four individuals at a time, please click on the Guest Party Authorization Form link located just below the heading Guest Authorization Page and complete this form instead;
Scroll down to the Guest Authorization Acknowledgement and click on the Acceptance Declaration and then Submit.
Once Security receives and processes your request, you will receive a confirmation e-mail that you can send to your guest(s) that when presented at the Security Gate will help expedite their entry into the community.
As always, if you have any questions, please don’t hesitate to contact the Administration office for help.

Lodge Update

This month is one busy month for the Lodge as we have a lot of plans coming to fruition. We are currently in the middle of our Oktoberfest Limited Time Offer, and will be starting our Taste of Italy Limited Time Offer the first week of November. We will also be going back to winter hours starting Sunday, Nov. 3 so be prepared for the rollback of one hour to our closing times.

Halloween is fast approaching and I know many of you will be spending that day with your children and grandchildren. However, please don’t forget about the Lake Kiowa Lodge Trunk or Treat; more details will be forthcoming via Constant Contact. Also, if you have not already done so, please ensure your email address is accurate so you can stay abreast of any articles the Lodge may send out. Please ensure your feedback as it truly helps us to make changes to meet your needs.

Once again, if at any time you have any questions or concerns about your visit, please feel free to call me or stop at the Lodge and talk to me or any manager. Our number-one commitment is to the welfare and enjoyment of our guests! In addition, if you have not done so on prior visits, please take a moment on your next visit to have your server add our new comment card website address to your phone. We welcome feedback on our performance, as this is valuable in letting us know we need to improve or just to let us know we are doing great! Thanks,

David Auffrey
Lodge General Manager

Security Report

The end of summer is here, the warmest days of the year, and summer activities are winding down. However, there is good news. Autumn is approaching with its cooler temperatures. Football season is upon us and watch parties will be organized so, to ensure all your guests will be there to watch the game with you, you must obtain entry or party passes for your guests. Please remember that only the guests you list on your guest pass or party pass application will be permitted to come in. There is no open party pass. Along with all the fun, let’s be mindful of our neighbors and try to keep the noise levels down.

ATV’s, Go Carts, Micro trucks and other non-licensed vehicles are prohibited. Even though we are a private community, we still have stop signs, yield signs and other traffic control devices installed whether temporary or permanent in nature. They must be obeyed. Golf cart crossings should be approached with caution as some of the cart paths entering the road are hard to see. Let’s keep our golfers safe.

We are still seeing speeding on our streets. To keep everyone safe, please be mindful of your speed and the various speed limit signs. Any vehicle operator who fails to pull over for Security Officers employing green lights and siren to affect a traffic stop commits an additional violation.

Thanks to everyone who abides by the rules and helps the Security Department keep our community a safe place for our families. We all want to have fun and be safe.

Lake Kiowa Security is dedicated to the preservation of life, protection of property and providing a safe and peaceful environment for all residents, guests and employees. We are committed to realization of the mission by partnering and serving the community while adhering to our core values at all times!

Tracie Buckaloo
Chief of Security
As fall is upon us, please remember to maintain your lawn and drainage ditches to keep them tidy as necessary, including that of fallen leaves. It is the property owners’ responsibility for any maintenance to drainage culverts necessary to maintain the flow of storm water.

Construction also continues at Lake Kiowa as there are numerous and extensive projects ongoing, especially on the east side in the area between Comanche Drive and Kiowa Drive East. Please be aware of construction traffic and exercise caution, as always, watching for parked vehicles.

The Lake Kiowa POA rule regarding parked commercial vehicles states that any commercial vehicle which is parked in such a manner as to encroach on the roadway shall be suitably marked with red or florescent orange traffic cones or other devices placed approximately 20 feet in front of and 20 feet behind such vehicle in order to warn other vehicles of its parked status.

Please respect these construction sites as well and specifically the Pavilion construction area, which is marked off for your safety, by not entering the construction zone at any time. Always stay behind the orange work fence or yellow caution tape. If you have children, please talk with them about the hazards of ignoring these requests. The safety of the members of our community is our top priority.

Northrop is installing fiber optics on the lake, currently on Hogan Drive. There will be fewer houses on the east side working their way down south to the beach. The process of looking at a way to have the test has been “shared” and therefore making it harder to cheat. Proposed New Rules:

3.3.3.20 – Parking Setback – Motor Homes, campers, trailers, truck tractors or watercraft parked more than seventy two (72) hours in a (1) week period or seven (7) consecutive days on said premises must setback a minimum of thirty (30) feet from any street sided property line, and forty (40) feet on any golf course property line. * Watercraft under quarantine is exempt.

3.3.2.22 – * Residential Use of Vehicle by Guest – Guests in such a vehicle, as defined under section 3.3.2.17, may remain overnight for prolonged periods only if the vehicle is parked at the campground or for not more than five (5) consecutive nights, within a period of one (1) month or thirty (30) consecutive days, on the lot where the member or lessee occupies a home. Guest vehicles cannot remain on privately owned lots more than ten (10) consecutive days within a one (1) month or thirty (30) consecutive day period.

3.3.3.4 - * Improved Lot Condition – All residences, outbuildings and docks must be kept in a well-maintained condition. Grass and vegetation, including deciduous trees, must be kept in a well-maintained condition. All non-lawful structures, equipment and vehicles must be kept in a well-maintained condition.

3.3.3.10 - *** Parking of Unsightly Vehicles – Unsightly, stripped-down, partially wrecked, inoperable or junk vehicle, or any part thereof, are not allowed on any street or any lot in that is visible from any other lot, street, lake or golf course. Unsightly includes; debris, overgrown, missing parts, and is not limited to a general lack of maintenance of the vehicle.

3.3.3.9.a - * Number of Passenger Vehicles – No owner or lessee may park or store a passenger vehicle on a property if, at the time of placing the vehicle on the property, at least four other owner or lessee passenger vehicles are already parked or stored outside on their private property that is visible from any other lot, street, lake or golf course. Guest vehicles are exempt.

NEW Rule – 3.3.3.10. *** Parking of Unsightly Vehicles – Unsightly, stripped-down, partially wrecked, inoperable or junk vehicle, or any part thereof, are not allowed on any street or any lot in that is visible from any other lot, street, lake or golf course. Unsightly includes; debris, overgrowth, missing parts, and is not limited to a general lack of maintenance of the vehicle.

Norma Desilets has a concern on having the Rule 3.3.2.22 where a guest RV may only be parked at a residence for five days. She would like it to be seven days since most guests stay for a week. Sam Samuel asked Norma Desilets to bring a recommendation to the committee. Sam Samuel made a motion that the proposed rule changes be effective Oct. 1. Lori Brindle seconded. All approved; motion passed.

3.3.3.9.a - * Number of Passenger Vehicles – No owner or lessee may park or store a passenger vehicle on a property if, at the time of placing the vehicle on the property, at least four other owner or lessee passenger vehicles are already parked or stored outside on their private property that is visible from any other lot, street, lake or golf course. Guest vehicles are exempt.

NEW Rule – 3.3.3.10. *** Parking of Unsightly Vehicles – Unsightly, stripped-down, partially wrecked, inoperable or junk vehicle, or any part thereof, are not allowed on any street or any lot in that is visible from any other lot, street, lake or golf course. Unsightly includes; debris, overgrowth, missing parts, and is not limited to a general lack of maintenance of the vehicle.

Norma Desilets has a concern on having the Rule 3.3.2.22 where a guest RV may only be parked at a residence for five days. She would like it to be seven days since most guests stay for a week. Sam Samuel asked Norma Desilets to bring a recommendation to the committee. Sam Samuel made a motion that the proposed rule changes be effective Oct. 1. Lori Brindle seconded. All approved; motion passed.

Cassandra Faddis, an American Heritage Girl participant who lives in Kiowa, is working on her Stars and Stripes Award, which is like the Eagle Scout Award of the Boy Scouts. She wants to start a bat community for the benefit of Lake Kiowa. Bats will provide a natural solution to mosquito and insect control. Their droppings are one of nature’s best natural fertilizers. The best locations for the bat houses are: Spotted Eagle Cove, Quanah Cove, Little Crow Cove, Cochinele Cove and Osceola Cove. She would like to start with approval for three different locations starting at Spotted Eagle Cove. Each of the two houses will be mounted on a 25 ft. metal pole anchored with concrete in each location. Cassandra will monitor and keep the areas maintained. Norma Desilets made a motion to approve. Randy Romines seconded. All approved; motion passed.

Community Manager’s Report – Charlie Foster shared that the West Beach lake wall and sidewalk re-build...
is finished and holding up well. Charlie and Chief Buckaloo attended a Dam Safety Workshop on July 24. Punch list for Colt is 95% complete, waiting for cooler weather to install sod. Number 14 fairway drainage flume concrete is complete. Waiting for cooler weather to sod. The Information Systems Committee visited Pecan Plantation to learn about their use of the ABDI System. The committee is reviewing the overall information systems and refining the long-term plan. The golf course is in good shape and using lots of water to maintain. 2018/2019 we have a $150,000 surplus, which will be verified with an audit. $100,000 of the surplus will go to the Pavilion and $50,000 goes back to the roads. The Lodge & Tavern Committee will develop the Pavilion reservation and utilization policy. Charlie has met with three new road repair companies to revisit the process, get ideas and cost on how to widen select areas. We will need more money to get the roads in great condition.

- **Additional Business** – We had a discussion on moving the Board of Directors meeting start time to 7 p.m. A compromise was made to test by having the next three meetings start at 6:30 p.m. We would then evaluate attendance to determine if the time change made a difference. Rick Walker made a motion to have a three-month test starting next month. Lori Brindle seconded. All approved; motion passed. Lake Improvement will hold a town hall on Saturday, Nov. 2 at 10 a.m. Norma Desilets stated that the fire department is working on a plan to become an Emergency Services District, which would mean there would be some paid employees and there would be 24-hour service. The buildings they are using now would have to be increased to have sleeping quarters and more equipment. This would have to be paid for through our taxes. It would have to be a vote of the Indian Creek Service Area for approval. The fire department would still be voluntary but would have some paid employees.

- **Comments from the Audience** – Mike Brindle – lot 1628. Remember that everyone who lives at a residence over the age of 18 and has a connection to Constant Contact can fill out the survey. Corky Cohoon – lot 1085. Is there a September article about the new rules going into effect on Oct. 1 in the CommuniQué? Sam Samuel said no, but he would get together for publication. Gerald Smith – lot 1419. He wanted to thank Blue Bonnet Homes for the professional way they removed the Pavilion. He would like an industry expert to speak at the Lake Town Hall in November. Have him speak to what results we can expect with what we are doing in the lake. Matt Chancey – lot 1573. Rule passing should be passed individually, not as a package. That way you can vote on each one.

- **Jim Marfice closed the open meeting at 7:15 p.m. and we moved into the Board Room to an executive session.** Topics of discussion were multiple real estate issues and a Rules Committee appeal. Jim Marfice made a motion to exit the executive session at 8:21 p.m. Rick Walker seconded. All approved; motion passed.

- **Motion to Adjourn** – Norma Desilets made a motion to end the Board meeting. Rick Walker seconded. All approved; meeting ended at 8:22 p.m.

Submitted by,
Steve Wunderlich
Secretary

**SAVE THE DATE:**

**Kiowa Women’s Club “Be Merry” Tour of Homes**

**Sunday Dec. 8. From 1 to 5 p.m.**

We will have six beautiful homes on tour this year. Tickets will go on sale at the Oct. 12 Lake Kiowa Woman’s Club meeting and be available at the POA and Lodge offices. You can also contact: Cathy Witt (972) 679-8013, Lynn Keckonen (972) 742-5813 or Tari Darger (214) 310-9135 for tickets. The cost this year will be $12 presale or $15 the day of the tour.

A Christmas t-shirt will also be offered again this year. This shirt will be perfect for families to wear on Christmas morning as well as during the season. Please mail or drop off your t-shirt order form/check to: Lynn Keckonen at: 300 Colt Dr. E., Lake Kiowa, Tx 76240. You may also drop off orders at the POA or Lodge offices. Home Tour and T-shirt profits help support college scholarships for young local women.

**T-shirts will be ready for pick-up Dec. 1 at the Lodge after 1 p.m.**

DISCUSS VFIS DISCUSSION (PAY IN INSTALLMENTS OR ONE CHECK). Approved for treasurer to write one check/year. Fox will notify VFIS.
Motion Cade, second Fox.

REVIEW AND APPROVE CHIEF’S CALL/RUN REPORT
Calls in August: 25: 15 Medical, 1 Structure Fire, 1 Grass (Wild land) Fire, 0 Controlled Burns, 3 Public Assist, 2 Motor Vehicle, 0 Smoke, 3 Cancelled en route/false calls.
Motion Polley, second Cade.

OLD BUSINESS
ESD COMMITTEE UPDATE. Fox and Leanne to create a PowerPoint presentation.

ICVF FISH FRY UPDATE
The annual fish fry is scheduled for September 21, as noted in the CommuniQué. Barbara Fox and D Noble are coordinating volunteer assignments and related tasks. Auction items are being actively sought. Board members and firefighters have been contacting potential donors.

WGA GOLF TOURNAMENT
Wednesday, September 18 at 11:30 – lunch, 1:00 pm Shotgun. Barbara Fox and Randy Cade are working with the WGA to coordinate activities associated with the WGA Golf Tournament benefiting ICVF.

NEW RESCUE VEHICLE
This new state-of-the-art rescue vehicle, “Rescue 802,” is fully operational thanks to many generous donors and donor organizations and considerable work by ICVF volunteer personnel. Bryan is in hopes that the graphics will be on September 18.

GRANTS
Current grants, Pending Grants, Proposals Submitted and Status of Texas Forest Service Major Equipment Grants. FEMA and Healthcare grants. Discussion of grants that are due by December 2019.
Randy will start working on Safer grant, which is also due December 2019.

TRAINING
Will be held every other Monday.

FIRE STATION REPAIRS
Repair/Update status will be reviewed.

OTHER EQUIPMENT
1. Vehicles:
   E-801 is a 2000 model 19 years old;
   T-801 is a 2014 model 5 years old and has some warranty remaining;
   B-802 is a 1998 model 21 years old and in need of some extensive repairs and currently inoperable due to extensive age and use;
   R-801 is a 2004 suburban 15 years old;
   B-801 is a 2012 model 7 years old;
2. Firefighter Gear: Will be looking at an inventory log.

LKPOA Community-Wide Survey
Awaiting an update.

ELECTION COMMITTEE
Need suggestions and board liaison. D will talk to JB Cole about being on nominating committee. Barbara will put notice in weekly news with Lea Anne and put in CommuniQué about looking for potential candidates.
